Open University Class Schedule

California State University
Dominguez Hills

Extend Your Education at California State University, Dominguez Hills

Open University is just one of a broad range of university programs offered to the public through the Division of Extended Education. Each of the programs is described briefly below:

Extension classes on a full range of subjects are offered throughout the year on campus and in Redondo Beach. An extension bulletin is published three times a year listing dozens of courses and workshops.

The Center for Training and Development — The Center provides customized training programs to meet the special needs of business and industry as they adapt to changes in the technological, social, and customer environments around them.

Certificate Programs — Sequences of courses, granting full academic credit, have been designed to meet specific professional needs in a number of fields. University certificates are currently available in Production and Inventory Control, Alcoholism and Drug Counseling, Career-Related Spanish, and more.

External Degree — Full degree programs, designed for the needs and schedules of working adults are offered. An MA in Humanities as well as a BA in Humanities are offered through correspondence.

Travel/Study — A number of programs are offered which combine foreign travel and university credit for study of the language, culture or history of the countries that are visited. Regular offerings include the London Semester and a six week summer program of travel and study in the People's Republic of China. Also planned is a 4-week summer program in Morelia, Mexico.

Summer Sessions — An extensive collection of university courses open to the public during two summer sessions. It's an excellent way to start earning university credit without going through formal admission to the university. The Summer Session Bulletin is published in April and lists the courses and the procedures for registration.

What Is Open University and What Will It Do For You?

CSU Dominguez Hills' Open University program is your opportunity to attend regular on-campus university classes without going through formal admissions procedures. Through Open University, you can take up to 16 units per quarter, and you don't need to attend consecutive quarters.

Open University classes operate on a space-available basis. There is no formal admission to the university, and registration is simple — you can usually confirm your space at the first class meeting.

Open University gives you the freedom to:

- Sample a particular field before enrolling in a degree program
- Take courses for professional or personal development
- Improve your grade point average if you have been turned down for admission by the university or have been academically disqualified

Through the Open University program, you can receive, upon successful completion of requirements, credit for your course work in any of the lower division, upper division, or graduate courses available to you. You may apply the credit you earn towards a degree, within specified limits. These limitations are described in the Academic and Credit Information section of this booklet (this page and page 4).

How To Register For Open University

1. Fill out the Open University Registration form on the back cover of this booklet.

Use the registration form in this catalog, or pick up additional forms at the University Information Center (in front of the campus, near the flagpole) or at the Extension Office (ERC-C508).

2. Complete the student information on the registration form, including the department, course and section numbers of the classes you wish to take. Please print all information clearly.

Be sure to include your CSUDH Student ID number (student file number) on the form if you have previously attended California State University, Dominguez Hills. If you don't know your Student number, the Extension Office can look it up for you. If you do not have a Student ID number, one will be assigned when fees are paid.

3. Take the Open University form to the first session of each class.

Ask the instructor to sign the form permitting you to enroll:

If there is space available in the class
AND

If you have satisfied the course prerequisites listed in the class schedule or University catalog.

Mathematics courses require satisfaction of the University's entry level mathematics requirements. (See page 4 for details).

4. Bring the signed and completed registration form to the Extension Office and pay the required fees.

Open University fees are \$41.50 per unit (\$166 for a 4-unit class). If classes are added after initial registration, additional fees of \$41.50 per unit must be paid. **To receive credit for Open University classes, course fees must be paid in full before the end of the third week of classes.** (Calendar is on page 5).

Fees may be paid by check or money order, made payable to "CSUDH Extension." Use your Visa or MasterCard to pay your fees in person, or mail in your fees with your signed registration form to:

Extended Education
ERC C508
CSUDH
Carson, CA 90747

The Extended Education office is open from 8 a.m. to 5:30 p.m. Monday through Friday.

Registration is not considered complete until we receive bank clearance for your check, or until we receive authorization for your credit card.

Cash payments will be only accepted for the exact amount.

When you register in person you will receive a fee receipt indicating your course enrollment and your Student ID number. All classes you take will become part of your permanent academic record at CSUDH. You will receive an Extension Student ID card which entitles you to library privileges. If you choose to mail in your registration forms and fees, you can pick up your ID card at the Extension Office. We are unable to provide ID cards through the mail.

5. Deadline dates for completing adds, drops, and/or withdrawals are firm.

Please refer to the calendar on page 5 for deadline dates.

Verification of Enrollment

To verify that you have been officially enrolled in your classes, check the instructor's printed class roster which is published the fourth week of the term. Open University students may appear on a separate roster from students enrolled in degree programs.

During the fifth week of the quarter, you should be mailed a **Study List** indicating the classes in which you are officially enrolled.

If your name is not on the roster, or there is a discrepancy on the Study List, or if you do not receive a study list, file a Discrepancy Inquiry form with the Admissions and Records Office (Small College, room J103). If Admissions and Records does not find your name listed on the Student Masterfile, contact the Extension Office immediately. It is the student's responsibility to initiate inquiries regarding his or her registration in a course. **Discrepancies not resolved before final exams may result in loss of credit for the class.**

Academic and Credit Information

Graduate Credit (400 level)

For a 45 quarter unit Master's Degree at California State University, Dominguez Hills, students **may not apply** more than 13 units of extension credit and/or credit transferred from other accredited institutions.

A student taking a graduate (400 level) course should have a bachelor's degree. However, some

qualified students who have not completed their bachelor's degree and need certain graduate-level courses may be permitted to enroll. These students should discuss the matter with the instructor, **indicating they do not have a degree.** If the instructor agrees it is appropriate, and **if the dean of the appropriate school concurs,** the student may enroll.

All students taking 400 level courses must obtain the appropriate school dean's signature **before** submitting their registration forms to Extended Education. Open University students may not take 400 level courses within the School of Management.

Entry Level Mathematics (ELM)

Students wishing to enroll in any mathematics classes except MAT 006 will have to provide evidence of having satisfied the ELM requirement. This requirement can be satisfied by any of the following methods.

1. Passing the ELM examination administered by the University Testing Office (call 516-3909 for information).
2. Satisfactory test score on the ACT/SAT test. Test scores must be sent directly to the Office of Extended Education by the testing agency.
3. Transcripts showing passing grades on college level mathematics courses. Transcripts must be sent directly to the Office of Extended Education by the college where the course was taken. California State University, Dominguez Hills graduates can have their records verified by the Office of Admissions and Records.

Due to the time involved in requesting records and having them sent, students expecting to take mathematics courses should request verification to be sent to the Office of Extended Education at least two months before the anticipated date of enrollment. **Official verification must be received by the Office of Extended Education before the student can enroll in mathematics classes.**

Matriculated Students

You **may not enroll** in the Open University program if you have been admitted to any California State University campus as a regular student for this quarter, or you are a continuing regular student, registered in the previous quarter. (This does not apply to academically disqualified students.)

There will be no exceptions to this regulation, and no refund of fees.

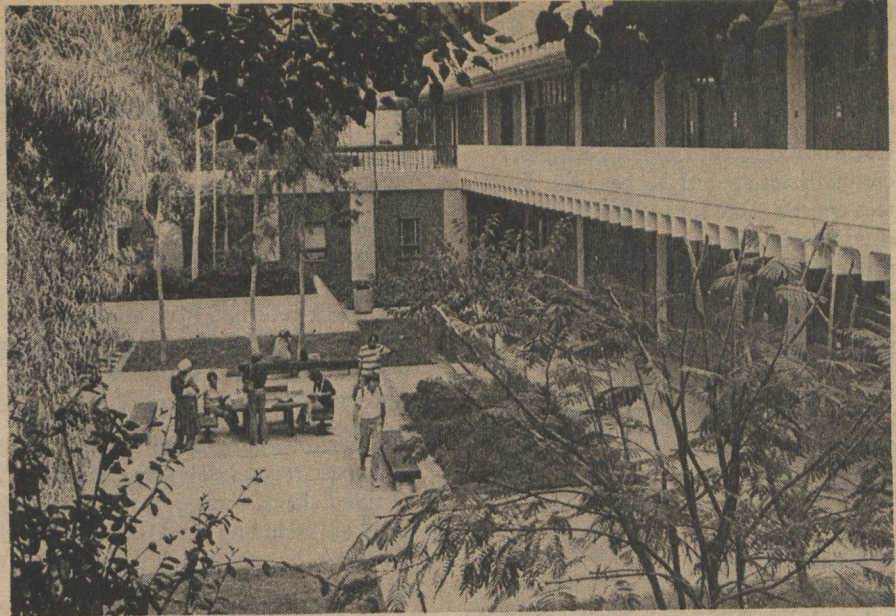

Undergraduate Credit

A maximum of 36 quarter units of baccalaureate-level extension credit may be applied toward bachelor's degree requirements at California State University, Dominguez Hills. Each department, however, decides whether a particular course can be accepted towards a major or minor. Further information may be obtained from the University Catalog, available at the University Bookstore on campus.

Units earned through Open University courses are extension credit. They **do not** qualify as residence units for a degree. The term **residence** applies to those units earned at California State University, Dominguez Hills while an officially admitted student in a degree program.

General Information

Fees

Registration fees for Open University credit classes are \$41.50 per unit. The fees are the same for residents and non-residents. Payment may be by check, money order or VISA/MasterCard draft, written to CSUDH in the exact amount required. Registration will not be considered complete until the check has been honored by the bank on which drawn. Cash will be excepted for the exact amount only.

Other Fees

Material fees (of \$5 or \$10) are charged for certain classes in Art, Music, and Physical Education. The classes are indicated, and footnoted, in the respective baccalaureate course offerings.

Competency in Writing Test	\$10.00
Late Registration (assessed after the 3rd week of instruction)	\$25.00
Check returned for any cause	\$10.00
Items lost or broken	Cost
Transcript of Record:	
Single transcript	\$4.00
Additional transcripts prepared at the same time up to ten (10) transcripts	\$1.00
Additional transcripts prepared at the same time that exceed the first ten (10) transcripts	\$1.00
Library fines — A detailed list of library overdue fines is posted at the entrance to the library	
Library Lost books and other library items — Replacement cost	

Refunds

If a class is dropped before the third class meeting, 65% of the fees will be refunded. After the third meeting no refund will be made.

Refunds are not automatic; you must file appropriate forms in the Extended Education Office in order to receive a refund. Refunds take a minimum of four to six weeks for processing.

Dishonored Check Policy

Once a check has been dishonored, no personal checks will be accepted from that person for a period of at least two academic quarters. This rule applies to any check returned from any financial institution for any reason. **Registration will be cancelled if check is not redeemed by deadline.**

The person will be required to pay all university-related debts by cash, a certified check, money order or traveler check(s) including the \$10.00 returned check fee. No personal checks will be accepted.

Those passing a dishonored check may be notified and identified in three ways: a letter will be sent to them at the time the check is dishonored; a notice will be included on their registration priority card, and their fee card will be specially identified for the following two academic quarters.

Parking

Parking permits are required for on-campus classes. They are available from the red machines at the entrance of each parking lot for 75 cents per day.

Students Eligible For Veterans' Benefits

Contact the Veterans' Office on campus for assistance with your registration — 213/516-3643.

Transcripts

Pick up a transcript request form at the Cashier's Office, located in the Small College, Room B135. The fee for transcripts is \$4, payable at the Cashier's Office.

CSUDH Admissions and Records keeps track of your degree applicable credit and records them in your student file.

Grade Reports

Grade Reports will be sent approximately three weeks after the term ends. Official transcripts with current grades will not be available for at least five weeks after the end of the term.

Change of Instructor

The University reserves the right to make changes in the Class Schedule as printed. When classes are split or sections are cancelled due to lack of enrollment, it may be necessary to assign an instructor different from the one listed in the class schedule.

Cancellation of Classes

The University reserves the right to make changes in the Class Schedule as printed. When enrollment in any class is not sufficient to justify its continuance, the course may be cancelled.

If the University cancels a class, the student will receive a full refund of applicable fees UPON APPLICATION FOR REFUND or will be allowed to register in another class without payment of a late fee.

ADD or DROP Classes During the First Three Weeks

- Complete the ADD/DROP information on the Change of Program form, available from the Extended Education Office (ERC C508). Use the department name (3 letters), course number (3 numbers), and section (2 numbers).
- If adding, the signature of the instructor.
- If dropping, enter the information in the DROP portion of the card. No signature is required.
- Return the Change of Program form to the Extended Education Office.
- Present your receipt card and I.D. card.
- Conditions for dropping a course after the third week are outlined in the current CSUDH Catalog. A student who enrolls in a course, discontinues attendance, and does not officially drop the course will automatically receive an F or U grade for the course.

General Information

Credit/No Credit Option (Undergraduate Students Only)

Undergraduate students selecting the Credit/No-Credit option must do so by the end of the third week of instruction, January 24, 1986. Credit/No-Credit cards are available from the Office of Admissions and Records and the Information and Service Center and must be submitted by the deadline. For additional conditions and limitations of the Credit/No-Credit option, consult the current CSUDH catalog.

Use of The ID Card

The ID card must be carried at all times and be validated each term. A current ID card is necessary to perform certain transactions in Admissions and Records, the Library, the Business Office and other campus offices. ID cards for Open University students will be issued at the Extension Office.

Title IX of The Education Amendment of 1972

Title IX of the Education Amendments of 1972 and the Departmental Regulation (45 CFR Part 86) promulgated thereunder prohibit discrimination on the basis of sex in the operation of most federally assisted education programs. The Affirmative Action Coordinator, Office of Faculty and Staff Affairs, has been assigned the administrative responsibility for reviewing such matters.

Library Services

Student identification cards — available at the Extension Office — will entitle you to full use of the Cain Educational Resources Center.

Textbooks

Textbooks may be purchased for most classes at the University Bookstore. Registration fees do not include textbooks unless otherwise noted.

Bookstore Policies

The University Bookstore

Store Hours

Monday thru Thursday
7:30 a.m. - 8:00 p.m.
Friday
7:30 a.m. - 4:00 p.m.

Bookstore Hours during First Three Weeks of Quarter are:

Monday - Thursday, 8:30 a.m.-8:30 p.m.; Friday, 8:30 a.m.-4 p.m.

Check your receipt. Keep it — you must present it for any exchange or refund.

Do not write in or soil your book if you think you may make an exchange. We reserve the right to pass judgment on condition of return items.

Defective New Books will be replaced at once, along with your receipt. Used books are not guaranteed.

Full refund: for three weeks only from date instruction begins. The cutoff date for each quarter will be posted in the bookstore prior to the start of each quarter.

24 hour refund: Merchandise purchased after full refund period is subject to being returned within 24 hours of purchase.

No refunds are permitted during the last two weeks of classes.

The Bookstore will accept your personal check in payment for merchandise under the following conditions:

1. Name and bank must be imprinted.

2. You present your student identification card and your California drivers license.
3. It is your personal check or that of your parents.
4. Visa and Mastercard are accepted.

There will be a service charge of \$10.00 for all checks returned from the bank.

Buy Back Policy

Used Books are only bought by the Bookstore during finals week.

Fifty percent of current new prices will be paid for the books in good resalable condition, if they are useable at CSUDH again as texts the following quarter.

Market value will be paid for books in good resalable condition which are not to be used at CSUDH again the following quarter but are current elsewhere.

Market value usually is 25% of the new book price for hardbound books and 10 cents on the dollar for paperbacks.

(This market value procedure is offered as a service only and is one way of allowing students to dispose of unwanted textbooks without a complete loss.)

Division of Extended Education

The Division of Extended Education is open from 8 a.m. to 5:30 p.m., Monday through Thursday; 8 a.m. to 5 p.m. on Friday. The telephone number is 213/516-3741.

Certificate Programs Offered By Extended Education

Extended Education at CSU Dominguez Hills offers several certificate programs to advance your career or to enhance your personal life. Enrollment for these certificate programs is performed through the Office of Extended Education. Register for classes in the Certificate Program in Computer Science through Open University.

Certificate Program in Computer Science

The Certificate in Computer Science provides an opportunity for you to change or enhance your career and move into the challenging electronic market-place. The certificate program also provides managers in other fields a solid foundation for working more effectively with their systems analysis and data processing departments. Enrollment through Open University allows you to earn university credit without being enrolled in a regular CSUDH degree program. The cost is only \$41.50 per unit, or \$166 for a four unit course. Additional costs may be required for textbooks or other course materials.

Some students may be required to take one or more lower division classes as preparation for the Certificate. Consult the CSUDH course catalog for course descriptions and prerequisites. Call **213/516-3378** for more information.

Electives (8 units):

Two courses chosen in consultation with the student's Computer Science Department advisor. The student may select any upper division Computer Science course or Mathematics 260.

Certificate in Career-Related Spanish

The Program

The Certificate Program in Career-Related Spanish consists of six courses and provides basic speaking, reading, and writing skills in Spanish for those individuals who deal with native Spanish speakers in the course of their daily work. An additional objective is to increase the understanding of the Hispanic community, thus encouraging improved relationships between employees and the Spanish-speaking public they serve.

The Courses

Students enroll in two Spanish courses per quarter. One of these is a Spanish language and culture class, and the other (SPA 220) is a bilingual internship which reinforces newly acquired Spanish skills throughout the program. Students may utilize their own employment or volunteer activity as an internship for the Certificate Program if it fulfills requirements. The six-course program requires three quarters to complete and comprises 24 units. All courses are degree applicable.

Winter Quarter

SPA X106 Elementary Career-Related Spanish II

SPA X130 Spanish Conversation

Schedule and Dates

The program has both a Fall and a Summer cycle. The Fall cycle offers Saturday classes. The Summer cycle offers classes held weekday evenings.

Fees are \$41.50 per unit; a 4-unit course is \$166. Call Dr. Raul Romero, program coordinator, at 213/516-3315 for more information.

Certificate Program in Orthotics

The Orthotics Department at Rancho Los Amigos Hospital, in affiliation with CSU Dominguez Hills, offers a one year certificate course in Orthotics. This program is accredited by the American Board for Certification in Orthotics-Prosthetics.

The program is designed to acquaint students with the field of Orthotics. Students receive a mixture of practical laboratory instruction, classroom didactics, and exposure to patients in a wide variety of clinical situations. Students rotate through various services to acquaint them with the more prevalent pathologies and treatment philosophies.

For more information, call Darrell Clark at 213/922-7655.

Certificate Program in Production and Inventory Control

Co-sponsored by Los Angeles Chapter, American Production and Inventory Control Society (APICS), California State University, Dominguez Hills School of Management and Division of Extended Education.

The Program

The Certificate Program in Production and Inventory Control consists of four courses designed to provide education in the field of Production and Inventory Control.

Certificate Programs Offered By Extended Education

(continued)

Who Should Attend

This series of practical courses is designed to meet the needs of newcomers to the field and other individuals who work in related areas. The courses are an excellent preparation for the APICS CPIM examinations.

The Courses

Each of the four courses required for the program are four (4) units. **All courses are degree applicable.** All courses are offered each quarter and students may begin the cycle at any time of the year.

The Certificate

Students who complete all four courses with a 2.5 grade point average are awarded a certificate in recognition for their learning achievement and professional status.

The Cost

The fee for each four-unit course is \$166.00. Textbooks are required for X219 and X220. Tuition fees may be paid by check or credit card. Textbooks and syllabus fees may be paid by check or money order only. **Cash will not be accepted.**

Location

Classes begin the week of January 6. Classes meet from 6:30 - 10:00 p.m. at Mira Costa High School, 701 S. Peck Avenue (corner Peck and Artesia), Manhattan Beach. For more information, please call 213/516-3741.

Certificate in Alcoholism/Drug Counseling

The Program

The Certificate Program in Alcoholism/Drug Counseling consists of nine courses designed to prepare individuals to enter the field at a professional level.

Entrance Requirements

Applicants must have completed at least two years of college and have at least two years of work experience in a health or human service agency. Two years continuous sobriety is required. With the permission of the Program Coordinator, students not meeting the minimum entrance requirements may be conditionally admitted based on a combination of education and experience. New classes begin in the Fall and Spring quarters.

Prospective students must complete an application form and supply transcripts and letters of recommendation. Applicants will be admitted initially on a conditional basis and are required to pass the introductory class HEA X282 with a grade of BC or better.

Location and Schedule

Classes are held from 6:30 - 10:00 p.m. week nights at Mira Costa High School, 701 S. Peck Avenue in Manhattan Beach.

The Cost

The fee is \$41.50 per unit; a four-unit course is \$166.00.

Tuition fees may be paid by check or credit card. Textbooks and syllabus fees — checks or money

orders only. Cash will not be accepted.

The Courses

Students must successfully complete all nine courses in the program in the sequence outlined below. No course waivers or substitutions are allowed. All courses are degree applicable.

For more information, please call 213/516-3741.

Component Engineering Certificate Program

Component Engineering is concerned with the selection, design application, acquisition and functioning of the individual parts of electronic, magnetic, mechanical and optical equipment.

The Component Engineering Certificate Program at CSUDH is at the graduate level and makes both general and specialized engineering and technology courses available for individuals with a variety of backgrounds, experience and training, but an undergraduate degree in Engineering is required. The initial course work provides a foundation required for all Component Engineers. The course of study is then directed towards specialization in either active devices (semi-conductor products), passive devices (non-active electronic and magnetic products), or electromechanical and optical components. The certificate requires a minimum of twenty-nine units. For further information, call Paul Davis at 213/516-3741.
