Winter session enrollment through the Division of Extended Education is open to everyone--regular CSUDH students and adults from the community. If you plan to attend CSUDH in the Spring or in the future, Winter Session is an excellent opportunity to get a head start on your program. You can meet the faculty, get to know the campus and its services and become comfortable with the challenges of the college environment. If you are already a student, you can use the Winter Session to accelerate progress toward your degree by taking general education or prerequisite courses.

Even if you are not degree-bound, you may want to start the new year by taking a course of special interest to you. The quiet Winter Session is a great way to explore new subjects or acquire new knowledge and skills on the CSUDH campus. Enrollment in a Winter Session course does not constitute admission to the University. If you are interested in University admission, call (310) 243-3696 for an application.

It is important to note that the Extended Education Registration Office will not accept any registration forms from 12 noon on December 24 through January 1, 1998. The Registration Office will resume regular office hours on Friday, January 2, 1998.

## *Change of Program*

Adding Classes: Classes may be added on January 5 and 6. You must obtain the signature of your instructor on an add/drop form.

Dropping Classes: Students may drop/withdraw without academic penalty until the end of the first week of the session. Students may withdraw with a "W" at any time prior to the last two days of class with the instructor's and the dean's signature. Students may only withdraw during the last two days of class (January 22-23) for serious and compelling reasons. Late withdrawals are permitted only in cases of documented accident or serious illness where the cause of withdrawal is due to circumstances clearly beyond the student's control and where the assignment of an Incomplete is not practical. The effective date of withdrawal is the date the forms are received by the Division of Extended Education. Non-attendance in a class, notifying the instructor or stopping payment on a check does not officially constitute withdrawal from a course.

Refunds: Refunds are based on the date a student officially withdraws from a class and are calculated as follows: Prior to January 5, 1998, the refund will be the total fee paid, less \$10 administrative costs. On the first two days of the session (January 5 & 6, 1998), the refund will be the total fee paid, less the fee for one unit. During the remainder of the first week, the refund will be 65% of the first 2 days' refund. After that date, there will be no refunds.
