Winter session enrollment through the Division of Extended Education is open to everyone--regular CSUDH students and adults from the community.

If you plan to attend CSUDH in the Spring or in the future, Winter Session is an excellent opportunity to get a head start on your program. You can meet the faculty, get to know the campus and its services and become comfortable with the challenges of the college environment. If you are already a student, you can use the Winter Session to accelerate progress toward your degree by taking general education or prerequisite courses. Even if you are not degree-bound, you may want to start the new year by taking a course of special interest to you. The quiet Winter Session is a great way to explore new subjects or acquire new knowledge and skills on the CSUDH campus. Enrollment in a Winter Session course does not constitute admission to the University. If you are interested in University admission, call (310) 243-3696 for an application.

Fees must be paid at the time of registration. It is important to note that the Extended Education Registration Office will be closed from December 22, 2000 through January 1, 2001. The Registration Office will resume regular office hours on Tuesday, January 2, 2001.

**FAX Registration:** Complete the attached registration form and FAX it to (310) 516-3971. Fee payment must be made by Mastercard, Visa or Discover. FAX registrations are accepted from November 1, 2000 - January 5, 2001.

Telephone Registration: Telephone registration is available December 1- 22, 2000 only with Mastercard, Visa or Discover from 8am-6pm Monday-Thursday, 8am-5pm Friday and from 8am-1:30pm on Saturday. Call (310) 243-3741.

Touchtone Registration: Touchtone registration is available November 1, 2000 - January 1, 2001 only. See next page for information.

Late Registration: Late registration for Winter Session is permitted Wednesday, January 3, Thursday, January 4, and Friday, January 5 only. It requires the approval of the instructor. A \$25.00 late fee is charged.

Maximum Unit Load: The maximum number of credit units which may be earned without department approval is 4 credit units.

Adding Classes: Classes may be added on January 3 and 4. You must obtain the signature of your instructor on an add/drop form.

Dropping Classes: Students may drop/withdraw without academic penalty until the end of the first week of the session. Students may withdraw with a "W" at any time prior to the last two days of class with the instructor's and the dean's signature. Students may only withdraw during the last two days of class for serious and compelling reasons. Late withdrawals are permitted only in cases of documented accident or serious illness where the cause of withdrawal is due to circumstances clearly beyond the student's control and where the assignment of an Incomplete is not practical. The effective date of withdrawal is the date the forms are received by the Division of Extended Education. Non-attendance in a class, notifying the instructor or stopping payment on a check does not officially constitute withdrawal from a course.

Refunds: Refunds are based on the date a student officially withdraws from a class and are calculated as follows: Prior to January 2, 2001, the refund will be the total fee paid, less \$10 administrative costs. On the first three days of the session (January 2, 3 & 4 2001), the refund will be the total fee paid, less the fee for one unit. On the 5th and 8th of January, the refund will be 65% of the first 2 days' refund. After that date, there will be no refunds.

Refund Schedule:

Units	Paid	Bef 1/2	1/3,4	1/5 & 8
1	\$140	\$130	NONE	NONE

4	\$560	\$550	\$420	\$273

Grades: Winter Session grades will be mailed in February, 2001. If grade confirmation is required earlier, contact the instructor.

Cancelled Courses: Courses may be cancelled if there are not enough students enrolled. If a course is cancelled, a full refund will be automatically processed. Please allow six to eight weeks for processing.

## Privacy Information

The University complies with Federal and State laws concerning privacy rights of students. These rights are summarized in the University Catalog. Questions about privacy rights may be directed to the Dean of Extended Education at (310) 243-3737 or the Vice President for Student Affairs at (310) 243-3784.

## Use of Social Security Number

Students are required to provide the University with their correct social security numbers (individual taxpayer identification numbers) pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student and, if needed, to collect debts owed the University. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. Students who do not have a social security number at the time of enrollment will be required to obtain a social security number and submit it to the University within sixty days. Failure to furnish a correct social security number may result in the imposition of a penalty by the Internal Revenue Service.

## Important Tax Credit Information

The **Hope Scholarship** tax credit is available only to students in their first two years of postsecondary education who are enrolled at least half-time in an eligible program. The tax credits are based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. Hope credits apply to fees paid after December 31, 1997.

The **Lifetime Learning Tax Credit** is available to students at all educational and enrollment levels who are enrolled at an eligible educational institution. As with the Hope Scholarship tax credit, this opportunity is based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. The Lifetime Learning credit applies to fees paid after June 30, 1998. Consult IRS Publication 970 or your tax preparer for additional information on both programs.
