Pass/No Credit Option - Students selecting the Pass/No Credit option must do so by the end of the second week of instruction of the quarter. For additional conditions and limitations of the Pass/No Credit option, consult the college catalog for 1971-72.

GENERAL INFORMATION

Admission

Prospective students, whether for part-time or full-time programs of study, must file an application for admission and other supporting documents within the announced filing period. To enroll in classes, applicants must be formally admitted to the college for that quarter. Procedures for admission are published in the College Catalog. Application forms may be obtained from the Office of Admissions and Records (J-103C).

Health Clearance

A physical examination and health interview are required to each new student prior to registration. These should be completed prior to the time of registration. Students will not be allowed to pick up registration materials until they have secured health clearance from the Health Office (Room W-102).

Advising

New students are assigned academic advisors during the orientation/ registration period for their first quarter of attendance. Each student is responsible for maintaining his own personal copies of college transcripts for advising purposes and should take these transcripts with him when meeting with an advisor. Students should consult their advisor when planning their program of study. An advisor's signature is required on the Program Card for new students.

Concurrent Enrollment

A student enrolled at the college may enroll concurrently for additional courses at another institution only by filing a PETITION FOR CONCURRENT ENROLLMENT with the Office of Admissions and Records (J-103C) after securing written approval from their academic advisor. Permission will not be granted when the study list in the proposed combined program exceeds the units authorized at this college for full-time study.

REGISTRATION

Each student registers in the California State College, Dominguez Hills, at times scheduled for this purpose. Early registration by mail is available to continuing students and those new students admitted early in the admissions cycle. New students eligible for early registration will be notified by mail; others register in person. Registration covers filling out official cards, enrolling in courses, paying fees, and receiving a REGISTRATION/STUDENT ACTIVITY card.

The continuing student should consult the academic calendar, official bulletin boards and student newspaper for information regarding early registration schedules.

SCHEDULE OF REGISTRATION FEES

Tuition is not charged to legal residents of California. All students pay the regular fees shown below. Auditors pay the same fees as students registering for credit. All fees are subject to change by the Trustees of the California State Colleges.

Fees for each quarter are payable at the time of registration. No individual will be admitted to class prior to payment of registration fees.

REFUND OF FEES

Refunds are not automatic. Applications for refund of fees are obtained from the Cashier and must be filed in the Office of Admissions and Records within the time limits specified. Applications received by the Registrar on or before the first day of instruction of each quarter are considered as having an effective date of the first day of instruction of that quarter.

Penalty fees (unless collected in error), the Late Registration Fee, and the Facilities Fee are not refundable.

Materials and Service Fee

To be eligible for partial refund, a student who is withdrawing from the college must file a refund petition with the Registrar not later than 14 days after the first day of instruction. \$10.00 will be retained by the college to cover the cost of registration.

Non-Resident and Foreign Tuition Fee

If the refund petition is filed with the Registrar before or during the first week of the quarter, 100% of the tuition fee will be refunded; during the second week of the quarter, 75%; during the third week of the quarter, 50%; during the fourth week of the quarter, 25%.

Parking Fee

Petitions for refund of the Parking Fee must be filed with the Campus Security Office. If the petition is filed before or during the first 25 calendar days of the quarter, 66% of the Parking Fee will be refunded; from the 26th to the 50th calendar days of the quarter, 33%; on or after the 51st calendar day, 0%.

Consult the Business Office of the college for further information.

GENERAL REGULATIONS

Excess Units

For undergraduate students in good academic standing, the normal program load is the equivalent of four full courses (16 units). To this may be added activity courses having a value of one-half course or less. A student may enroll for more than 18 units by securing the written approval of his academic adviser on his program card prior to submitting his registration materials.

Change of Program

A change-of-program after registration is any change that is made in a student's official study list. Such a change includes: dropping a class, adding a class, changing the number of units for a class in which the student is registered, changing the section of the same course.

A change-of-program must be made before the deadline date listed for each quarter in the official college calendar. Students are provided with a set of DROP/ADD cards. Additional forms may be obtained from the Registrar. No change is effective until the change-of-program form has been filed with the Registrar. If a student officially drops a class by the end of the third week of instruction, the course will not be recorded on the student's permanent record. If a class is dropped after the end of the third week of instruction, the grade of WF shall be assigned. A student who must drop a course after the third week of instruction for reasons beyond his control and who can justify extenuating circumstances may file a petition requesting further consideration of his case.

Official Withdrawal from the College

Students who wish to withdraw from the college are urged to consult the Dean of Students prior to official withdrawal. Official withdrawal is necessary if a student leaves the college at any time after registration and does not intend to complete the quarter. The forms for initiating this process may be obtained from the Office of Admissions and Records.

When official withdrawal from the college occurs before the quarterly deadline for dropping classes (the fourth week of instruction), there is no academic penalty. However, if official withdrawal occurs after the fourth week of instruction, grades of WF will be automatically assigned. A petition to change automatically assigned penalty grades may be filed with the Dean of Students. A student who does not officially withdraw from the college shall automatically receive F grades for all courses on his official study list.

Conditions for readmission shall be clearly indicated on the withdrawal form. A student who withdraws under satisfactory conditions shall be classified as a continuing student for the next quarter.

Credit by Examination

If a student in residence and in good standing has had preparation in a given subject because of unusual opportunities and feels that he has covered the content of a course, he may contact the Office of the Dean of the appropriate School about credit by examination. If an examination is given, it will be comprehensive. A pass or a fail grade will be assigned and will become part of the student's permanent record. Courses by examination will not count toward residence requirements of the college.

Auditors

Auditors must register in the usual way and pay the same fees as would be charged if the courses were taken for credit. Enrollment as an auditor is subject to the approval of the instructor; a student registered as an auditor may be required to participate in any or all classroom activities at the discretion of the instructor. Credit for courses audited will not be granted on the basis of the audit. No record of audit appears on the student's permanent record card nor are transcripts issued for audited courses.

A student who wished to audit a course in addition to his regular program must obtain the approval of the instructor and pay the fees required as if the course were taken for credit.

An audited course should be taken into consideration when planning a program so that the study load will not be excessive.

SELECTIVE SERVICE

Selective Service information is available at the Office of Admissions. Students subject to Selective Service should keep their local boards informed of all situations which might affect their draft classifications.

Verification of enrollment in full-time programs will be submitted to the Selective Service Boards by the Office of Admissions. Any change of status during the quarter, such as dropping courses or withdrawal, will be reported to the Local Board by the Office of Admissions.

An undergraduate student must be enrolled in sufficient units per quarter to complete requirements for the degree in the normal time of 12 quarters.

DEGREE CANDIDATES

Candidates for a baccalaureate degree must file an application for graduation by the end of the first week of classes of the second quarter of the senior year, in accordance with the following schedule:

Fall Quarter for March graduation
Winter Quarter for June graduation
Spring Quarter for Summer graduation
Spring Quarter for December graduation

Candidates for master's degrees must file an application for graduation by the end of the first week of classes of the final quarter.

All applications must be filed in the Office of Admissions and Records. A change in graduation date may be reported by filing the necessary form with the Admissions and Records. (Degree checks remain valid while the student is in continuous attendance at the college even though the graduation date has been changed.)

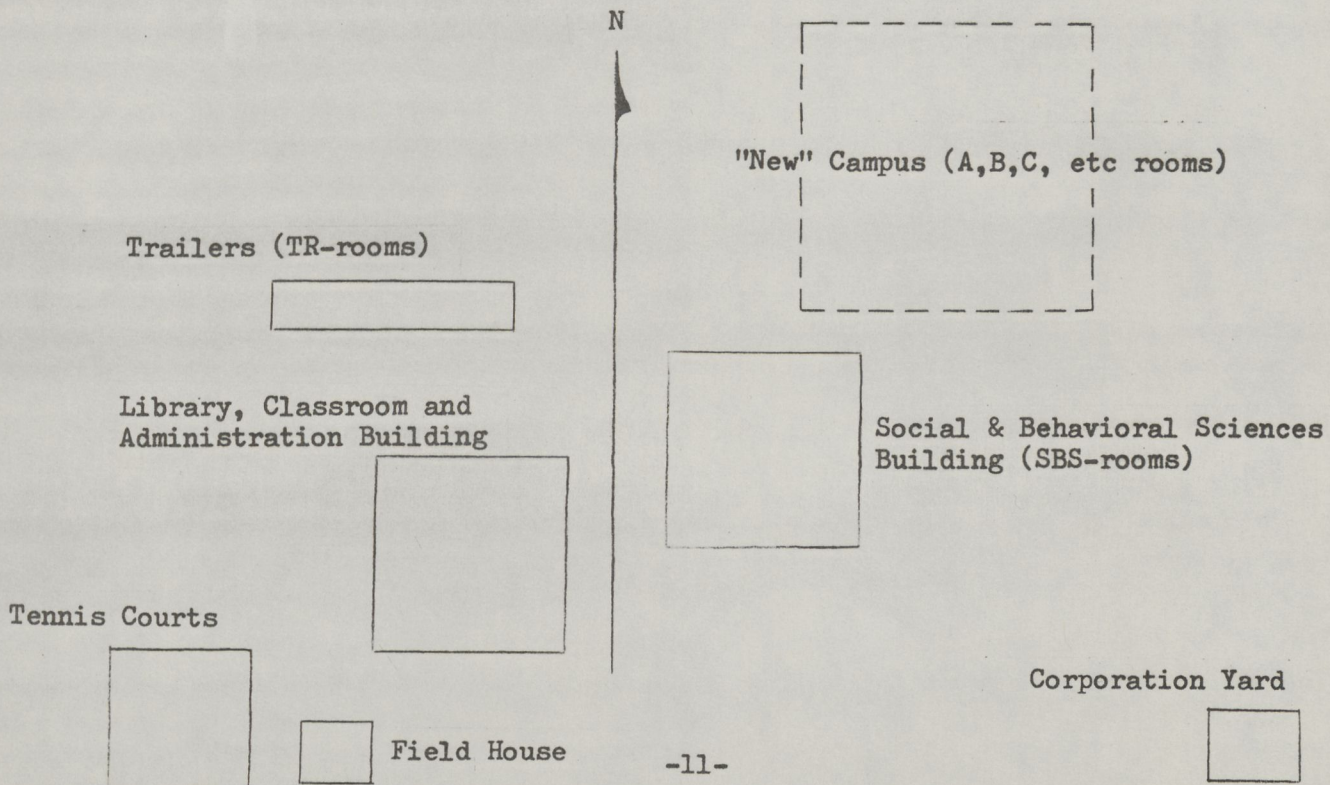

CHANGE OF NAME OR ADDRESS

If you have made a change of name or address which has not been reported to the Office of Admissions and Records, please come to the Office and request the CHANGE OF ADDRESS form. It is very important that the Office of Admissions and Records is informed of any change, so that you will receive all mailings.

HELLO ENTERPRISES

240 West Victoria

532-4001

Printing is our business! We've been serving the area from this location for five years. We have become a reliable source for such large companies as TRW, General Electric, Industrial molding, and hundreds of others. We have built our reputation by giving our customers what they want when they want it and at a reasonable price.

Business forms, catalogues, and four-color brochures are our specialty.

We are also able to reproduce any typewritten, printed, or drawn sample copy fast and inexpensively.

If it's printing you need,

Available for Rent or Sale:

IBM "Selectric" typewriters
