GENERAL NOTES:

a) Unless otherwise specified, classes will meet for a 50 min. duration beginning at the time shown.

b) Where class sections are indented, they represent sub-sections of a course. Students enrolling in such courses should note that enrollment in one each of the lecture and laboratory or discussion sub-sections is mandatory.

SPECIAL NOTES:

¹Additional section(s) will be scheduled at different hour(s) and/or day(s) if enrollment in this section exceeds class size limits.

²Additional section(s) will be scheduled at the same hour(s) and day(s) if enrollment in this section exceeds class size limits.

³Course involves some additional work, to be arranged.

⁴Plus three hours per week in the field, to be arranged.

⁵Concurrent enrollment in Chemistry 210 and 211 is required.

⁶Concurrent enrollment in, or prerequisite of, Sociology 110 is required.

⁷At the option of the instructor, some laboratory work may be included.
