

CALIFORNIA STATE COLLEGE, DOMINGUEZ HILLS

WINTER QUARTER, 1977 CLASS SCHEDULE

(ADMINISTRATIVE/FACULTY COPY)

FINAL EXAM SCHEDULE FOR WINTER, 1977

1. All classes (except for laboratory courses) are required to meet at the time set aside below for a Final Examination Meeting, even if the instructor prefers to use that meeting for a different educational purpose.
2. The exam date and time are determined by the day and time of the first regular class meeting each week. Those relatively few classes that are not thus determined will have as their Final Exam Meeting one of the alternatives shown. Exams will be held in the regular classroom.
3. Alternatives may be selected by having the instructor contact his or her departmental secretary or school administrative staff. The departmental secretary or school administrative staff member will inform the room scheduling office, Academic Affairs, of the alternative selection and the scheduling office (extension 394) will then locate an available room for the instructor.
