Each student will report to the east entrance of the Social and Behavioral Science (SBS) building at the time shown for his/her registration priority number. PLEASE DO NOT COME TO THE SBS BUILDING AT ANY TIME EARLIER THAN THAT SHOWN FOR YOUR PRIORITY NUMBER. If you are unable to come in at your scheduled time, you may come in at any time AFTER this, but no later than the time shown above for each day.

II. REGISTRATION PRIORITY NUMBER

Each student is assigned a registration priority number. The number appears on the PRIORITY PERMIT TO REGISTER sent to each student. Check the number against the Registration Priority Schedule in the Schedule of Classes and report to the SBS building on the date and at the time shown. Priority for all students, new and continuing, is based upon units completed toward graduation; the more units completed, the higher the priority. The assigned priority includes work in progress for Winter 1976 for CSCDH continuing students.

III. ACADEMIC ADVISING

Since Faculty Academic Advising is very important at Dominguez Hills, staff personnel expend a good deal of time to make the program successful. We also expect each student to assume a good deal of responsibility for academic program planning which includes securing necessary signatures on your COURSE REQUEST CARD before registering. To do this, we require at least three meetings with Faculty Advisers:

1. Upon entering the College.
2. At the completion of 90 quarter units (range 83-97 units) (beginning of Junior year).
3. At the completion of 135 quarter units (range 128-142 units) (beginning of Senior year).

SPRING QUARTER 1976 ADVISING FOR NEW STUDENTS

Each new student must attend one of these General Advisement Meetings:

Wednesday, March 24	9:00 a.m.	Library Theatre ERC B-118
Wednesday, March 24	5:30 p.m.	Library Theatre ERC B-118
Thursday, March 25	9:00 p.m.	Library Theatre ERC B-118

At the end of the meeting, each new student, who has decided on a major, will be directed to his Departmental Major Office for advising. The list of "Departmental Major Offices" is printed in the "Spring Quarter 1976 Class Schedule," and also will be available at the General Advisement Meeting. Students who are undecided on a major should go to SC J-103 H for advising.

ATTENTION NEW LIBERAL STUDIES STUDENTS: New Liberal Studies majors must see an adviser in SBS B-103 before registering.

IV. OBTAINING SPECIAL CONSENT(S) FOR ENROLLMENT

Certain courses are designated by footnotes in the Class Schedule as requiring special consent(s) for enrollment. If a course is so designated, obtain this consent on the INSTRUCTOR APPROVAL FOR ENROLLMENT CARD, available in department offices and in the racks at the Office of Admissions and Records. This consent should be obtained prior to your scheduled priority time in order to expedite your enrollment.

V. REQUIRED SIGNATURES FOR E. O. P. STUDENTS

ALL E.O.P. STUDENTS MUST SECURE THE SIGNATURE OF JAMES CLAYTON, E.O.P. DIRECTOR, OR HONEY ANANG PRIOR TO REGISTRATION, REGARDLESS OF THE NUMBER OF UNITS IN WHICH THEY ARE ENROLLING. E.O.P. STUDENTS WILL NOT BE ADMITTED TO THE REGISTRATION AREA WITHOUT ONE OF THE ABOVE SIGNATURES.

VI. TRIAL PROGRAM

Using the Spring Quarter 1976 CLASS SCHEDULE, work out your trial program. Please use the TRIAL PROGRAM sheet before entering your final program on the official COURSE REQUEST CARD. Additional sheets are available at the Office of Admissions and Records.

Students who wish to use the voucher should call the Financial Aid Office at 532-4685 or stop in and request a voucher before March 5. Students who request a voucher by that date will receive the balance of their scheduled award after they register. Students who plan to pay by check or cash for their fees may also pick up their financial aid check after they register.

IX. OPEN/CLOSED CLASS BOARDS

Boards showing open/closed classes will be set up at the east entrance to the SBS building. You are advised to check these boards prior to reporting at your scheduled registration priority time to determine the availability of the courses you are requesting.

Installment Payment of Non-Resident Tuition

Effective January 1, 1976, a non-resident student who is a citizen and resident of a foreign country and not a citizen of the United States may pay the required non-resident tuition fee on an installment basis. This is limited to two equal installment payments according to the following schedule:

April 26, Monday, 8:00 P.M.--First installment deadline.
May 26, Wednesday, 8:00 P.M.--Second installment deadline.

A ten percent non-refundable service charge will be added to each installment payment.

Payments are made to the College Cashier. Failure to make installment payment on schedule will incur penalty fee. Unless installment and penalty fee are paid within three additional days after the deadline, registration will be cancelled.

For information on refund schedule see College Catalog or Class Schedule.

REFUND OF FEES

Refunds are not automatic. Applications for refund of fees are obtained from the Cashier, and must be filed in the Office of Admissions and Records within the time limits specified. Applications received by the Registrar on or before the first day of instruction of each quarter are considered as having an effective date of the first day of instruction of that quarter.

Penalty fees (unless collected in error) and the Late Registration Fee, are not refundable.

Student Services Fee

To be eligible for partial refund, a student who is withdrawing from the College must file a refund petition with the Registrar not later than 14 days after the first day of instruction. For the Spring Quarter 1976, this deadline is 8:00 p.m., Monday, April 12. \$10.00 will be retained by the College to cover the cost of registration. Refunds are not granted when units are dropped.

Non-Resident Tuition Fee

If the refund petition is filed with the Registrar before or during the first week of the quarter, 100% of the tuition fee will be refunded; during the second week of the quarter, 75%; during the third week of the quarter, 50%; during the fourth week of the quarter, 25%.

Parking Fee

Petitions for refund of the Parking Fee must be filed with the Campus Security Office. If the petition is filed before or during the first 25 calendar days of the quarter, 66% of the Parking Fee will be refunded; from the 26th to the 50th calendar days of the quarter, 33%; on or after the 51st calendar day, 0%.

Consult the Business Office of the College for further information.

ADMISSION INFORMATIONAdmission

Prospective students, whether for part-time or full-time programs of study, must file an application for admission and other supporting documents within the announced filing period. To enroll in classes, applicants must be formally admitted to the College for that quarter. Procedures for admission are published in the College Catalog. Application forms may be obtained from the Office of Admissions and Records (J-103C).

Student Health Services

With the letter of admission to the College, each student was provided information regarding requirements for use of the services offered by, the Student Health Center. For further information, please contact the Student Health Center.

Concurrent Enrollment

A student enrolled at the College may enroll concurrently for additional courses at another institution only by filing a PETITION FOR CONCURRENT ENROLLMENT with the Office of Admissions and Records (J-103C) after securing written approval from his academic adviser. Permission will not be granted when the study list in the proposed combined program exceeds the units authorized at this College for full-time study.

GENERAL INFORMATION1. INSTRUCTIONS FOR CHANGE OF PROGRAM---FIRST THREE WEEKS

- a. Complete the ADD/DROP information on the Change of Program form, using the department name (3 letters), course number (3 numbers), and section (2 numbers) shown in the Schedule of Classes.
- b. If ADDING THE FIRST WEEK OF INSTRUCTION, obtain the signature of the instructor.
- c. BEGINNING THE SECOND WEEK OF INSTRUCTION, in addition to obtaining the signature of the instructor, THE SIGNATURE OF THE SCHOOL DEAN MUST BE OBTAINED.
- d. Return the Change of Program form to the Late Registration Area (first week) or to the Window Clerk in the Office of Admissions and Records (after first week).
- e. Present with your I.D. card for name and date embossing.
- f. Conditions for dropping a course after the third week are outlined in the College catalog and on the attachment provided with the CHANGE OF PROGRAM form.

2. FIRST CLASS MEETING

Students should report to the first meeting of their scheduled classes. Check the Schedule of Classes for room numbers. Each student is responsible for attendance in the courses and specific sections in which he has enrolled.

Students who enroll in a class but do not attend its first scheduled class meeting and do not contact the instructor beforehand may forfeit their space in the class and their places given to waiting students who were unable to enroll at the time of registration. IT IS THE RESPONSIBILITY OF THE STUDENT TO OFFICIALLY DROP ANY COURSE IN WHICH HE/SHE IS ENROLLED.

3. CREDIT/NO CREDIT OPTION

Students selecting the Credit/No Credit option must do so by the end of the second week of instruction, April 10, 1976. Credit/No Credit Cards are available from faculty and must be submitted by the April 10 deadline. For additional conditions and limitations of the Credit/No Credit option, consult the 1975-76 catalog.

4. EXCESS UNITS-STUDY LIST LIMITS

For undergraduate students in good academic standing, the normal program load is the equivalent of four full courses. To this may be added activity courses having a value of one-half course or less. A student may enroll in a maximum of 18 units during the registration period. This will provide a better opportunity for more students to have a complete program. Students who wish to enroll in more than 18 units may add additional courses beginning the first day of instruction with the signature of the instructor and written approval of the advisor on the Change of Program form.

5. FULL-TIME STATUS

Undergraduates are considered to be full-time students during any quarter in which they are enrolled in twelve units or more. Graduate-level students enrolled in eight or more units are considered to be full-time.

6. OFFICIAL WITHDRAWAL FROM THE COLLEGE

Students who wish to withdraw from the College are urged to consult the Dean of Students prior to official withdrawal. Official withdrawal is necessary if a student leaves the College at any time after registration and does not intend to complete the quarter. The forms for initiating this process may be obtained from the Office of Admissions and Records.

When official withdrawal from the College occurs before the quarterly deadline for dropping classes (the third week of instruction), there is no record of enrollment. However, if official withdrawal occurs after the third week of instruction, different procedures must be followed. Refer to the current College catalog for procedures regarding withdrawal after the third week.

Conditions for readmission shall be clearly indicated on the withdrawal form. A student who withdraws under satisfactory conditions shall be classified as a continuing student for the next quarter.

7. PROCEDURE FOR RETAINING CONTINUING STUDENT STATUSa. PROCEDURE

A procedure is now in effect allowing a student at the College to "sit out" or miss one or two consecutive quarters of attendance and retain his or her continuing student status without filing a new application for admission. Students who choose to "sit out" the one or two consecutive quarters will be regarded as continuing students and will receive registration information, priority and materials as if they were currently enrolled. This procedure will apply to students who do not attend any other institution in their absence from Dominguez Hills. A student who attends another institution would be required to submit a new application for admission and the application fee. A student who is absent for more than two quarters will also be required to submit a new application and fee.

b. RETENTION OF CATALOG RIGHTS

A student utilizing the continuing student status procedure will retain his or her catalog rights. He or she will be able to use the requirements of the catalog under which he or she was admitted or in effect at the time of graduation.

8. CREDIT BY EXAMINATION

A student in residence may receive credit by examination for courses in which he is eligible to enroll. The student should contact the Office of the appropriate departmental chairman to initiate the procedure for credit by examination. The student may choose to receive either a credit/no credit grade or a traditional letter grade for a course taken by examination according to the rules established for regular course enrollment. Ordinarily, the examination will be scheduled within thirty days after the petition has been approved by the department chairman. Credit by examination will not be given for course work which an academic department deems inappropriate or impossible to evaluate as, for example, might be the case in a laboratory science course. If a student enrolls in a course and then petitions for credit by examination, the examination must be taken prior to the "add-course" deadline.

9. AUDITORS

Auditors must register in the usual way and pay the same fees as would be charged if the courses were taken for credit. Enrollment as an auditor is subject to the approval of the instructor; a student registered as an auditor may be required to participate in any or all classroom activities at the discretion of the instructor. Credit for courses audited will not subsequently be granted on the basis of the audit. No record of audit appears on the student's permanent record card nor are transcripts issued for audited courses.

An enrolled student who wishes to audit a course in addition to his regular program must obtain the approval of the instructor on the Approval for Audit form available in the Office of Admissions and Records and pay the fees required as if the course was taken for credit. The approval may not be obtained before the first day of instruction.

An audited course should be taken into consideration when planning a program so that the study load will not be excessive.

A student not admitted to, nor enrolled in, the College must file a Statement of Residence prior to auditing a course. A resident determination must be made so that appropriate fees may be charged. The student must then follow the procedures as outlined above.

Those candidates filing in accordance with the above schedule will receive this evaluation prior to the first day of classes of their final quarter.
- d. Failure to apply for graduation in accordance with the above schedule will result in the following:

 2. Degree verification for graduate schools and job placement not available on schedule.
 3. Your name not appearing in the Commencement program.
 4. Your diploma not being available on schedule.

 2. Your diploma not being available on schedule.
 3. Degree verification for graduate schools and job placement not available on schedule.

11. POSTGRADUATE CREDIT FOR SENIORS

ATTENTION SENIORS:

If you are graduating at the end of the Spring Quarter and will be taking courses during this quarter which you wish to have counted as graduate credit, please read the following:

- a. A maximum of eight (8) units may be taken as graduate credit.
- b. The course(s) cannot be used to fulfill requirements for the Bachelor's Degree, and must be taken during your final undergraduate quarter.
- c. The courses must be in the 200, 300, or 400 level.
- d. Prior to registering for the course(s) you must file a petition to receive graduate credit. The petition must be signed by the Dean of the School in which you wish to use the credit.
- e. Petitions are available at the Office of Admissions and Records.

12. GRADUATING SENIORS WHO PLAN TO CONTINUE INTO GRADUATE STATUS

Applications are available at the Office of Admissions and Records, J-103C. Please read the application booklet carefully.

13. ACADEMIC RENEWAL

New policies regarding academic renewal have been put into effect. These policies are outlined below and in the 1975-76 catalog.

a. Removal of Previous Term(s) Work from Baccalaureate Degree Considerations

- 1) A student desiring this College to disregard up to three quarters of previous undergraduate coursework taken at any college from all considerations associated with requirements for the baccalaureate degree may petition the Committee for Admissions and Disqualifications. The petition is filed with the Director of Admissions. The circumstances under which this might occur would be all of the following:
 - a) The student has presented evidence that work completed in the term(s) under consideration is (are) substandard and not representative of present scholastic ability and level of performance; and
 - b) The level of performance represented by the term(s) under consideration was due to extenuating circumstances; and
 - c) There is every evidence that the student would find it necessary to complete additional units and enroll for one or more additional terms in order to qualify for the baccalaureate if the request were not approved.
- 2) The committee may provide approval if:
 - a) Five years have elapsed since the most recent work to be disregarded was completed; and
 - b) The student has completed at Dominguez Hills since the most recent work to be disregarded was completed, 22 quarter units with at least a 3.0 GPA, 45 quarter units with at least a 2.5 GPA, or 67 quarter units with at least a 2.0 GPA.
- 3) Upon approval, the Registrar annotates the student's Permanent Record Card so that it is readily evident to all users of the record, that no work taken during the disregarded quarter(s) even if satisfactory may apply toward baccalaureate requirements.

NOTE: The student must be aware that all course work for a particular term will be discounted and not selected courses only.

- 4) In the case of admission from other colleges where removal of work from degree consideration has occurred, the following procedure shall be utilized:

If another college has acted to remove previous work from degree consideration, such action shall be honored in terms of its policy. However, elimination of any work in a term shall reduce by one term the one year maximum on work which may be disregarded at the college to which the applicant seeks admission.

b. Course Repetition

- 1) Repetition of Undergraduate Courses Taken at Dominguez Hills
 - a) The student formally notifies the Registrar regarding the repetition of an undergraduate course, indicating when the course was originally taken and when it was repeated. Forms for this purpose are available at Registration and throughout the year at the Office of Admissions and Records.
 - b) Upon receipt of notification, the Registrar computes grade point averages for graduation with a baccalaureate degree excluding units attempted, units passed (if any) and grade points (if any) for previous attempts. The Permanent Record Card of the student is annotated indicating that the previous attempt is being discounted from grade point average calculation. While the original grade cannot be deleted from the record, it is clearly indicated that the course attempt is not calculated in the GPA.
- 2) Course Repetition at Previous Institutions

In the case of admission from other colleges where course repetition has occurred, the policy of the college where the course was repeated shall be followed. If it is not possible to determine the nature of such policy, the policy of the California State College and Universities shall be followed.

14. ATTENTION NON-RESIDENT STUDENTS

If you were admitted to California State College, Dominguez Hills as a non-resident student you should be aware of the following:

- a. If your non-resident status changes you are required to file a new residency form with the Admissions Office.
- b. The appropriate forms are available at the Admissions and Records window.
- c. The completed form will be reviewed and a determination made. If you are eligible for residency status your registration packet will be changed to reflect the change and you will be notified.

15. CHANGE OF NAME OR ADDRESS

If you have made a change of name or address which has not been reported to the Office of Admissions and Records, please come to the Office of Admissions and Records and request the CHANGE OF ADDRESS form. It is very important that the Office of Admissions and Records is informed of any change so that you will receive all mailings.

16. EVENING COORDINATOR

The coordinator of Evening Academic Programs, is available during the quarter, Monday through Thursday, 5:00 p.m. to 10:00 p.m. in room SC J-103H.

17. CHANGE OF MAJOR OR MINOR

Any student changing his major or minor should request a new Major/Minor Card from the Office of Admissions and Records, indicating the appropriate change.

18. VETERANS BENEFITS

It is the responsibility of every individual veteran to request certification for Veterans Educational Benefits at the time of registration, if this request was not previously completed. Continuing students are normally certified for the school year, September through June, and must make arrangements for any variations including discrepancies in the number of units reported. New Students are, upon request, certified for the current quarter through the end of the school year. Please verify your certification with the veterans clerk at the veterans station during registration.

19. USE OF SMALL COLLEGE COURSES AS ELECTIVES

Large College students may complete Small College courses as electives toward the Baccalaureate Degree. This policy, however, does not extend to the sixty unit General Education requirement.

20. TITLE IX OF THE EDUCATION AMENDMENTS OF 1972

Title IX of the Education Amendments of 1972 and the Departmental Regulation (45CFR Part 86) promulgated thereunder prohibit discrimination on the basis of sex in the operation of most federally assisted education programs. The regulation became effective on July 21, 1975.

Dean Frances E. Collier, A 505, Office of Academic Affairs, extension 391, has been assigned the administrative responsibility for reviewing such matters.

21. USE OF I.D. CARD

The I.D. card provided to all students will be used in transactions with the Office of Admissions and Records, the Library and with other campus offices. Please carry the card with you to insure accuracy and provide you with the best of service in these transactions.

FINAL EXAM SCHEDULE FOR SPRING, 1976

1. All classes (except for laboratory courses) are required to meet at the time set aside below for a Final Examination Meeting, even if the instructor prefers to use that meeting for a different educational purpose.
2. The exam date and time are determined by the day and time of the first regular class meeting each week. Those relatively few classes that are not thus determined will have as their Final Exam Meeting one of the alternatives shown. Exams will be held in the regular classroom.
3. Alternatives may be selected by having the instructor contact his or her departmental secretary or school administrative staff. The departmental secretary or school administrative staff member will inform the room scheduling office, Academic Affairs, of the alternative selection and the scheduling office (extension 394) will then locate an available room for the instructor.
