

# SPRING 1981 Class Schedule

California State University  
Dominguez Hills

## ABOUT THE UNIVERSITY

California State University Dominguez Hills is a public, metropolitan, culturally-diverse University offering undergraduate, graduate and professional studies in more than 100 programs. One of the newer campuses in the California State University and Colleges system, Dominguez Hills is located in the southwestern section of Los Angeles County, on the historic Rancho San Pedro.

Our 7000 students range widely in age, ethnic origin, and community of residence. The campus is on the quarter system, classes are small, and instruction is personalized. A significant proportion of students attend classes solely in the evenings.

The University is fully accredited by the Western Association of Schools and Colleges and by professional associations in several academic specialties. Over 85 per cent of the faculty hold the doctorate degree.

With beautiful landscaping and architecture, modest cost, and moderate size, the university represents a unique and attractive alternative to other, much larger or more expensive, universities in the Los Angeles area.

## ADMISSIONS INFORMATION

Eligibility varies depending on the applicant's previous academic background. There are four applicant groups:

I. **First Time Freshman** - A California high school graduate and legal resident of the State must present a high school grade point average (GPA) from the last three years of high school (excluding physical education and military science) and a test score from either the American College Test (ACT) or Scholastic Aptitude Test (SAT). The combined GPA and test score must place the applicant in the upper one-third of the statewide California high school graduating class. (See the Catalog for a comprehensive eligibility table). Students who have a Grade Point Average above 3.20 are eligible without test scores.

Students who are not legal residents of California and are graduating from high school in other states or United States possessions must have a GPA and test score placing them in the upper one-sixth of California high school graduates.

II. **Undergraduate Transfer Students** - Students in good standing at the last college or University attended may be admitted by meeting one of the requirements listed below. (The grade point averages referred to are on a 4.0 scale.)

A. Students with less than 56 semester (or 84 quarter) transferable units must be eligible according to first-time freshman requirements (see above) and must have earned a GPA of 2.0 ("C" average) or better in all transferable units attempted.

B. Students with 56 or more semester (84 or more quarter) transferable college units must have earned a 2.0 GPA ("C" average) or better in all transferable coursework (non-residents, 2.4).

The maximum transferable credit accepted from a two-year college is 70 semester (105 quarter) units.

III. **Graduate Students** - A graduate applicant must have a minimum 2.5 GPA in the last 60 semester (or 90 quarter) units attempted, possess an accredited baccalaureate degree, and be in good standing at the last institution attended to be admitted to unclassified standing. Unclassified admission does not constitute admission to a graduate degree curriculum.

IV. **International Students** are required to have a 2.4 GPA on all units attempted from college and a minimum score of 550 on the Test of English as a Foreign Language (TOEFL).

The Educational Opportunity Program (EOP) is a special admission program for educationally and economically disadvantaged students who do not meet regular admission requirements but show educational potential. EOP's special support services are designed to enable specially admitted students to succeed in their studies.

## 3. ADVISEMENT and SIGNATURES

### ACADEMIC ADVISING

While it is the student's responsibility to seek academic advisement, the faculty requires students to meet with their advisor at the following three times:

1. Upon entering the University
2. At the completion of 90 quarter units (range 83-97 units)
3. At the completion of 135 quarter units (range 128-142 units)

### E.O.P. STUDENTS

E.O.P. students will not be admitted to Registration without receiving a prior signature from James Clayton (E.O.P. Director) or Honey Anang, regardless of the number of units in which they are enrolling. If an E.O.P. student is also a Liberal Studies major, both approvals are required.

### SPECIAL CONSENT(S) FOR ENROLLMENT

Certain classes listed in this Schedule require special consent(s) for enrollment. A card, **INSTRUCTOR APPROVAL FOR ENROLLMENT**, should be obtained at the department office or at the Admissions and Records window. To expedite your registration, have the card(s) signed before your priority time.

### NEW GRADUATE AND NEW CREDENTIAL STUDENTS

The Orientation and General Advisement meeting are intended primarily for undergraduate students; however, new graduate students are welcome to attend. **MASTER'S DEGREE CANDIDATES** in specific disciplines should consult advisors in these departmental offices; **UNDECLARED GRADUATE STUDENTS** should go to the Graduate Studies Office (HFA E-303);

**SECOND BACHELOR'S DEGREE** students should seek advisement from the office of their major. Questions concerning the Second Bachelor's Degree policy should be referred to the Coordinator of Academic Advising in the University Information and Service Center.

### NEW UNDERGRADUATE STUDENTS

Each new student must attend an Orientation and General Advisement meeting prior to registration for classes.

**MONDAY, March 30 5:30 p.m. PLAYBOX THEATER**

**TUESDAY, March 31 9:30 a.m. PLAYBOX THEATER**

At the end of each meeting those **NEW** students who have decided on a major will be directed to the appropriate office for specific advising. The list of 'Location of Advising Areas' will be available both at the meetings and is listed in this schedule.

See page 10 for the location of ALL academic and advising offices.

### CONTINUING GRADUATE AND CREDENTIAL STUDENTS

Continuing M.A. and Credential students should see their advisors before registration.

REGISTRATION PRIORITY NUMBERS, that appear on your form, are sent to each student. Priority for all students, new and continuing, is based upon units completed toward graduation; the more units completed, the higher the priority number. If you have a question regarding your priority number, contact the Office of Admissions and Records. Copies of the Priority Schedule are available in the Office of Admissions and Records or the University Information and Service Center.

### ANSWERS TO OFTEN ASKED QUESTIONS . . .

You can tell if a class has been closed during Registration by checking the boards at the SBS Building, middle level.

### NEW STUDENTS: TAKE THE ENGLISH TEST!

Your English teacher needs your ENGLISH PLACEMENT TEST SCORE. You need to know your own Reading Comprehension score. Take the English Placement Test at one of the following times:

WHEN	WHERE	TIME
Tuesday, March 31	HFA A103	6:00 p.m.
Monday, April 6	HFA A103	2:00 p.m.

*Failure to take the EPT at the earliest opportunity after admission may lead to administrative probation.*

## Competency in Writing

Students reaching junior status as of the beginning of the Fall Quarter, 1979 (90 units) are required to satisfy the competency writing requirement through one of the following options:

A. **VOLUNTARY TESTING:** A test for which a fee will be charged is available to students at regular scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year. Students are allowed to take the test only twice.

B. **ADVANCED COMPOSITION COURSES** (Offered by the English Department or by the Small College): The English Department regularly offers two types of advanced composition courses: a general purpose advanced composition course (Eng. 250), and a course designed for students capable of profiting from instruction in sophisticated techniques of prose discourse (Eng. 255). On occasion the Small College offers advanced writing courses.

C. **UPPER DIVISION WRITING ADJUNCT:** The Writing Adjunct (SMC 297) currently offered by the Small College, is a structure for providing individualized instruction in composition that is adjunctive to study in another subject area. Two writing adjuncts are necessary to satisfy the requirement.

D. **UPPER DIVISION COURSES** (Offered by departments other than English): Some departments presently offer courses which, though not solely composition courses, stress instruction in writing, require frequent writing assignment, and provide regular response to students about their writing. Courses currently available are Music 220, History 200, and a writing course offered by the Biology Department.

For further information regarding this requirement, students should contact the Coordinator, English Composition Committee, Dr. David Rankin, at HFA B344.

## CAPSTONE

Are you a CSU Dominguez Hills student who would like to take a course at El Camino (or Compton, LA Harbor, West LA, LACC, East LA, LA Southwest) that is not offered at CSUDH? Or are you a community college student who would like to take a course at Dominguez Hills before you decide to transfer? Would you like to explore alternative course opportunities?

Then look into CAPstone, a program that allows you to cross-register for a course at another participating institution without paying fees or going through a lot of hassle.

Contact the CAPstone coordinator on your campus for more information and the special CAPstone Cross-Registration form.

Community college students should try to get CAPstone Forms in during early March for the Spring Quarter beginning April 1, 1981.

The CAPstone Coordinator at CSUDH is Dr. John Auld, Office of School and College Relations: (213) 516-3699.

## CREDIT-BY-EXAMINATION FOR ENGLISH 100, 101, and 250

Students wishing to earn Credit-by-Examination for English 100, English 101, or English 250 must take an essay examination on Tuesday, April 7, at 2:00 p.m. in HFA A103. To be admitted to the examination classroom, each student must be sure to register for the course. Students' names MUST appear on the official first-week roster. Furthermore, each student MUST petition for the test in the English Department no later than Monday, April 3, 1981. All students who take this test are required to sign a form indicating that they have read and will abide by the campus policy governing Credit-by-Examination. Further details appear in this year's catalog. Registration forms are available in the English department office, HFA E315. All student MUST bring 8 1/2" by 11" blue books to the examination.

# GENERAL INFORMATION

## ADD or DROP CLASSES DURING THE FIRST THREE WEEKS

- Complete the ADD/DROP information on the Change of Program form, using the department name (3 letters), course number (3 numbers), and section (2 numbers).
- If adding, obtain the signature of the instructor.
- If dropping, enter the information in the DROP portion of the card. No signature is required.
- Return the Change of Program form to the Admissions and Records counter.
- Present your ID card for name and date embossing.
- Conditions for dropping a course after the third week are outlined in the current CSUDH Catalog. A student who enrolls in a course, discontinues attendance, and does not officially drop the course will automatically receive an F or U grade for the course.

## ETHNIC SURVEY INFORMATION

When you pick up your registration packet at Step 2 of the registration process, some of you will find a new card: the Ethnic Group Survey Card. If this card is included in your packet, please take a moment to fill it out.

The diversity of students at Dominguez Hills is one of the University's greatest strengths and, although providing ethnic information is voluntary, your participation will enable the institution to acquire accurate data for campus planning, to comply with state and federal regulations, and to allow the University to better know and serve its students.

Furthermore, many companies and corporations in the Los Angeles area are required to have an Affirmative Action plan which includes goals for hiring and promotion. Accurate goals can only be set when companies know how many qualified candidates are available for open positions.

CSUDH provides companies and agencies, upon request, with information about group characteristics and ethnic composition of its graduating classes. This information helps companies set accurate goals for hiring and promotion.

Filling out the Ethnic Group Survey Card helps the University — and may help you too. Please take a second to check the appropriate box.

## FIRST CLASS MEETING

Students should report to the first meeting of their scheduled classes. Check this Schedule of Classes for room numbers. Each student is responsible for attendance in the courses and specific sections in which he/she has enrolled.

Students who enroll in a class but do not attend its first scheduled class meeting and do not contact the instructor beforehand may forfeit their space in the class and their place may be given to waiting students who are unable to enroll at the time of registration. **IT IS THE RESPONSIBILITY OF THE STUDENT TO OFFICIALLY DROP ANY COURSE IN WHICH HE/SHE IS ENROLLED.** Students who do not OFFICIALLY drop a course in which they have enrolled will receive an F or U grade for the course.

## CREDIT/NO CREDIT OPTION (Undergraduates only)

Undergraduate students selecting the Credit/No-Credit option must do so by the end of the third week of instruction, April 21, 1981. Credit/No-Credit cards are available from the Office of Admissions and Records and the Information and Service Center and must be submitted by the deadline. For additional conditions and limitations of the Credit/No-Credit option, consult the current CSUDH Catalog.

## EXCESS UNITS — STUDY LOAD LIMITS

For undergraduate students in good academic standing, the normal program load is the equivalent of four full courses. To this may be added activity courses having a value of one-half course or less. A student may enroll in a maximum of 20 units during the registration period. Students who wish to enroll in more than 18 units must obtain the written approval of the advisor on the Course Request Card during Registration and on the Change of Program form during the quarter. A student who wishes to enroll in more than 24 units after registration must secure the approval of one of the following individuals:

- The Dean of the School in which the student is majoring.
- The Director of the Small College for Small College students.
- The Coordinator of Liberal Studies for Liberal Studies majors.
- The Coordinator of Academic Advising.

## CHANGE OF INSTRUCTOR

The University reserves the right to make changes in the Class Schedule as printed. When classes are split or sections are cancelled due to lack of enrollment, it may be necessary to assign an instructor different from the one listed in the class schedule.

## PROCEDURE FOR RETAINING CONTINUING STUDENT STATUS

### *a. Procedure*

A student at the University may 'sit out' or miss one or two consecutive quarters of attendance and retain his or her continuing student status without filing a new application for admission. Students who choose to 'sit out' the one or two consecutive quarters will be regarded as continuing students and will receive registration information and related materials as if they were currently enrolled. This procedure will apply to students who do not attend any other institution in their absence from Dominguez Hills. A student who attends another institution would be required to submit a new application for admission and the application fee. A student who is absent for more than two quarters will also be required to submit a new application and fee.

### *b. Retention of Catalog Rights*

A student utilizing the continuing student status procedure will retain his or her catalog rights. The student will be able to use the requirements of the catalog under which he or she was admitted or are in effect at the time of graduation.

## OFFICIAL WITHDRAWAL FROM THE UNIVERSITY

Students who wish to withdraw from the University are urged to consult the University Service Center prior to official withdrawal. Official withdrawal is necessary if a student leaves CSUDH at any time after registration and does not intend to complete the quarter. The forms for initiating this process may be obtained from the University Information and Service Center.

When official withdrawal from the University occurs before the quarterly deadline for dropping classes (the third week of instruction), the record indicates official withdrawal. However, if official withdrawal occurs after the third week of instruction, different procedures must be followed. Refer to the current CSUDH Catalog for those procedures. A student who does not officially withdraw will automatically receive F or U grades in all courses for which he/she is enrolled.

Conditions for readmission are indicated on the withdrawal form. A student who withdraws under satisfactory conditions shall be classified as a continuing student for the next quarter.

## CANCELLATION OF CLASSES

The University reserves the right to make changes in the Class Schedule as printed. When enrollment in any class is not sufficient to justify its continuance, the course may be cancelled.

If the University cancels a class, the student will receive a full refund of applicable fees UPON APPLICATION FOR REFUND or will be allowed to register in another class without payment of a late fee.

## AUDITORS

Auditors must pay the same fees that would be charged if the course were taken for credit. Enrollment as an auditor is subject to the approval of the instructor. A student registered as an auditor may be required to participate in any or all classroom activities at the discretion of the instructor. Credit for courses audited will not subsequently be granted on the basis of the audit. No record of audit appears on the student's permanent record card nor are transcripts issued for audited courses.

An enrolled student who wishes to audit a course in addition to his regular program must obtain the approval of the instructor on the Approval for Audit form available in the Office of Admissions and Records and pay the fees required as if the course was taken for credit. The approval may not be obtained before the first day of instruction. A student may not opt to audit a course after the end of the third week or change from credit to audit status after that date.

An audited course should be taken into consideration when planning a program so that the study load will not be excessive.

A student not admitted to, nor enrolled in, the University must file a Statement of Residence prior to auditing a course. A resident determination must be made so that appropriate fees may be charged. A student must then follow the procedures as outlined above.

## THE GRADUATE EXERCISE □□□□□□□□□□□□□□□□□□

Graduate students in the English Department are required to pass the Graduate Exercise (formerly called the Diagnostic Exam) unless they have already passed the Diagnostic. Students are expected to fulfill this requirement at the start of their graduate work.

# MORE General Information

## CONCURRENT ENROLLMENT

A student enrolled at the University may enroll concurrently at another institution only by filing a PETITION FOR CONCURRENT ENROLLMENT with the Office of Admissions and Records after securing written approval from his academic advisor. Permission will not be granted when the study list in the proposed combined program exceeds the units authorized at this University for full-time study.

## ENROLLMENT IN CONFLICTING CLASSES

Students are NOT allowed to enroll in two classes which meet at the same time, without specific approval on the PETITION FOR PERMISSION TO REGISTER FOR COURSES WITH A TIME CONFLICT. A student found to be enrolled in conflicting courses without the form on file will be required to resolve the conflict. The petition form is available at the Office of Admissions and Records.

## FULL-TIME STATUS

Undergraduates are considered to be full-time students during any quarter in which they are enrolled in 12 units or more. In order to graduate in four years, however, a student must complete approximately 16 units each quarter. Graduate-level students enrolled in eight or more graduate-level (300 or 400) units are considered to be full-time.

## VETERANS BENEFITS AND RESPONSIBILITIES

It is the responsibility of each veteran to request certification for Veterans Educational Benefits at the time of registration, if this request was not previously completed. Continuing students are normally certified for the school year, September through June, and must make arrangements for any variations, including discrepancies in the number of units reported. New students are, upon request, certified for the current quarter through the end of the school year. Please verify your certification with the veterans clerk at the veterans station during Registration.

It is also the responsibility of the veteran to report to the Office of Admissions and Records any changes of enrollment affecting his/her certification status.

For new students who are being certified for the first time, and for continuing students who were not certified previous to registration, it will take 6 to 8 weeks from the date of certification before Veterans Educational Benefits are received.

## small COLLEGE

### SMALL COLLEGE

The Small College is virtually a 'college within a college' at California State University Dominguez Hills. Students enrolled in the University may take all or part of their undergraduate programs through the Small College, and the Small College should be viewed as an additional and alternative resource available to students at the University. Many students choose to complete their entire degree programs through the Small College frameworks, others find that part of their undergraduate program can best be fulfilled at the Small College, and there are many students who simply take an occasional course in the Small College to complete their elective requirements. If you are a regularly enrolled student at California State University Dominguez Hills, and if you are interested in finding out more about what the Small College can offer you, please call 515-3640 or visit SC E-173. There are a number of ways in which you, as a student, can increase your undergraduate program options and flexibility, and the policies governing these options are explained in the section that follows.

### SMALL COLLEGE PROGRAMS

1. The Small College Program consists of four components:
  - a. General Studies
  - b. Areas of Concentration (analogous to a Major)
    - Civilizations
    - Human Studies
    - Science, Technology & Society
    - Environmental Studies
  - c. Small College Minor
  - d. Thematic Project (analogous to a Minor)
  - e. Elective Courses

Any student in the University may therefore combine Small College program components of the University to complete the baccalaureate degree.

2. The Small College continues courses to the University General Studies program. In addition, a Small College mentor will provide intensive, individualized advisement for each student to assist him or her in designing a well-balanced and satisfying General Studies program.

3. An interdisciplinary individually-designed minor in Civilizations, Human Studies, or Science, Technology and Society. Courses are drawn from offerings throughout the University; these minors can fulfill the CSUDH minor requirement for any student.

4. A Thematic Project may be considered in place of a Minor. Students interested in pursuing the possibilities of producing a Thematic Project in lieu of or in addition to a Minor should contact the Small College office, SC E-173. Information will also be available during registration in the Small College registration area.

5. Students pursuing a University Major or Minor may, on occasion, wish to apply a Small College course toward the completion of that Major or Minor. Since the Departments offering the Major customarily determine which courses will be applied for credit, students who are interested in using a Small College course should seek the written approval of the Department, preferable before registration for the course. Students may use the petition process to attempt to have courses counted retroactively for the Major.

6. Courses taken for elective credit may be taken from any academic unit on campus, including the Small College. Small College courses usually focus on interdisciplinary studies or on innovative course formats and learning methods.

## STUDENT HEALTH SERVICES

With the letter of admission to the University, each student is provided information regarding requirements for use of the services offered by the Student Health Center.

## TITLE IX OF THE EDUCATION AMENDMENTS OF 1972

Title IX of the Education Amendments of 1972 and the Departmental Regulation (45 CFR Part 86) promulgated thereunder prohibit discrimination on the basis of sex in the operation of most federally assisted education programs. The regulation became effective on July 21, 1975. The Affirmative Action Coordinator, Office of Faculty and Staff Affairs, has been assigned the administrative responsibility for reviewing such matters.

## FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

All student records of the California State University and Colleges, including California State University, Dominguez Hills, are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974.

Students may request access to those campus records which personally identify the student; the student may challenge the accuracy of the record or the appropriateness of its retention in the campus records. Student consent is needed for the release of records covered by the Act to outside parties (e.g., prospective employers) except for those agencies entitled to access under the provisions of the Act (e.g., campus officials, other schools, federal officers, and requests in connection with the application or receipt of financial aid).

A student may request a copy of a record which the student has requested or consented to be released. Students must pay a charge for copies of records for which such a charge has been established. Copies of the full text of the Family Educational Rights and Privacy Act of 1974 are available at the Office of the Dean of the University College or the campus library. Particular questions with respect to a student's prerogatives under the Family Educational Rights and Privacy Act of 1974 should be directed to the Office of the Dean of the University College.

*If a student wishes to restrict the release of directory information, a request may be made at the Admissions and Records counter. The request is valid from the quarter requested through the end of the academic year. Requests for restriction of release of information for a subsequent academic year require a new form.*

## CREDIT BY EXAMINATION

Effective with the Fall Quarter, 1978, Credit by Examination is governed by the following regulations:

### GENERAL CONDITIONS

1. A registered student may receive credit-by-examination for courses in which he/she is eligible to enroll.
2. The student should contact the office of the appropriate department to initiate the procedure.
3. Each department will maintain an up-to-date listing of courses which may/may not be taken as credit-by-examination.
4. The student will select a traditional letter grade or CR/NC option, in accordance with the policies applicable to regular course enrollment.
5. Credit-by-examination will not be given for course work which an academic department deems inappropriate or impossible to evaluate.
6. The same course can be taken only once by credit-by-examination.
7. Credit-by-examination will not be given for a course if the student has already received credit for a similar but more advanced course.

### PROCEDURE FOR COURSES LISTED IN THE CLASS SCHEDULE

1. The student secures a petition for credit-by-examination from the appropriate department office and obtains the signature of the instructor and department chair.
2. If the petition is approved, the student enrolls in the course during registration and is given the examination during the first two weeks of the quarter.
3. The student is notified of the results of the examination during the third week of the quarter. *If the examination is passed*, the grade is submitted to the Office of Admissions and Records by the end of the third week. The student's name will remain on the roster and the grade will appear on the quarterly grade card. *If the examination is failed*, the student has two options: (1) remain enrolled in the course and complete it according to standard procedures, or (2) officially drop the course before the end of the third week.
4. The course grade will appear on the student's permanent record card with the other grades for the quarter with the designation that the course was completed by examination.

### PROCEDURE FOR COURSES NOT LISTED IN THE CLASS SCHEDULE

1. The student secures a petition for credit-by-examination from the appropriate department office and obtains the signature of an appropriate and willing instructor and the department chair.
2. If the petition is approved, the examination will be scheduled within 15 days.
3. Upon the completion of the exam, a grade is recorded on the petition and the petition is forwarded to Admissions and Records.
4. Admissions and Records notifies the student of the grade provided by the department.
5. Only a passing grade will be recorded on the student's permanent record card. A non-passing grade will not be recorded.

## USE OF THE ID CARD

Carry the ID card with you at all times and be sure to have it validated each term. A current ID card is necessary to perform certain transactions in Admissions and Records, the Library, the Business Office, and other campus offices, and is necessary to obtain services covered by the student service fee, such as personal and career counseling and employment and health services.

The ID card is also required by the Student Association to establish your eligibility to participate in student activities and elections.

The Student Body Fee was established at Cal State University Dominguez Hills by student referendum on December 17, 1965. The same fee can be abolished by a similar 2/3 approval of students voting on a referendum called for by a petition signed by 20% of the regularly enrolled students. (*Education Code, Section 89300*) The level of the fee is set by the Chancellor upon recommendation by the campus. Student body fees support a variety of cultural and recreational programs, child care centers, and special student support programs.

**AVERAGE ANNUAL COSTS AND SOURCES OF FUNDS PER FULL-TIME EQUIVALENT STUDENT**

The 19 campuses and the Chancellor's Office of The California State University and Colleges are financed primarily through funding provided by the taxpayers of California. Including capital outlay, the CSUC 1979/80 budget totals \$970 million. Approximately \$950 million of the \$970 million total has been budgeted to provide support for a projected 229,350 full-time equivalent (FTE\*) students. Thus, excluding capital outlay, (e.g., building amortization), the average cost per FTE student is \$4,138 per year. Of this amount, the average student pays \$333. Included in this average student payment calculation is the amount paid by non-resident students. The remaining \$3,805 in costs is funded by state and federal taxes.

Averages do not fit all students alike or even any specific student. To arrive at an average figure that is meaningful, the costs outlined above exclude "user fees" for living expenses, housing, and parking as well as costs for extension and summer session work. Computations are based on full-time equivalent students, not individuals, and costs are prorated by system totals, not by campus. The average costs for a full-time equivalent student in the system are depicted in the following chart:

**TOTAL 1979-80 CSUC BUDGET (PROJECTED ENROLLMENT: 229,350 FTE)**

Funding Source	Amount	Average Cost Per Student (FTE)*	Percentage
State Approp. (Support)	\$819,474,471	\$3,573	86.3%
Student Charges	76,461,258	333 **	8.1%
Federal (Financial Aids)	53,241,128	232	5.6%
State Funding (Capital Outlay)	21,083,400 ***		***
<b>Total</b>	<b>\$970,260,257</b>	<b>\$4,138</b>	<b>100.0%</b>

\*For budgetary purposes, full-time equivalent (FTE) translates total head count into total academic student load. The term assumes that a full-time student in The California State University and Colleges is enrolled for 15 units of academic credit. Some students enroll for more than 15 units; some students enroll for fewer than 15 units.  
\*\*The average costs paid by a student include the student services fee, health facilities fee, college union fee, student body fee, and the non-resident tuition. This amount is derived by taking the total of all student fees and dividing by the total full-time equivalent student enrollment. Individual students may pay more or less than \$312 depending on whether they are part-time, full-time, resident or non-resident students.  
\*\*\*Not included in the Average Cost Per Student (FTE), and Percentage columns. The estimated replacement cost of all the system's permanent facilities and equipment on the 19 campuses is currently valued at \$2.6 billion, excluding the cost of land.

The General Education program can be found in university catalogs prior to 1980-81. Because continuing and transfer students can graduate using a catalog prior to 1980-81, they have the option of choosing this program rather than the new General Studies program. Students who are first-time freshmen during 1980-81 must graduate using the new General Studies program, as explained in the respective catalog. The General Education program printed below has been modified somewhat in order to include courses from the new program. These courses can be used in the old program.

Students graduating from CSUDH must complete a minimum of 60 quarter units in General Education. Forty-eight of the 60 quarter units must be from categories I-IV printed below. Courses used to fulfill requirements in General Education may not be used to fulfill major course requirements, except as specified in the Liberal Studies major.

STATUTORY REQUIREMENTS

(for BOTH General Education and General Studies)

In addition to the general education requirements (titled either General Education or General Studies at CSUDH), students must also satisfy the statutory requirements in United States history and government by completing the following:

- History 101 or examination
- and
- Political Science 101 or examination

GENERAL STUDIES

Over the past few years, CSUDH has been working on a new general education program, titled General Studies. Although the new program is being implemented in the Fall of 1980, its development is not quite complete. Objectives for the program appear in the 1980-81 catalog, but courses meeting the objectives were not yet approved by the time that the catalog went to press. The courses printed below, however, have been approved as meeting General Studies objectives. They will appear in subsequent catalogs.

The General Studies program, which is divided into three components, requires 62-66 quarter units: (I), 14-18 quarter units of Basic Skills; (II), 44 quarter units of lower division General Education divided among Humanities (16), Natural Sciences (12) and Social Sciences (16); and (III), 4 quarter units of upper division integrative studies. The General Studies program satisfies general education requirements as specified in the California Administrative Code, Title 5. The statutory requirement in American institutions (History 101 or examination AND Political Science 101 or examination) is *not* part of the General Studies program, but is a graduation requirement.

The General Studies program is required of all students who enter Dominguez Hills as first-time freshmen beginning fall 1980. Continuing students and transfer students have the option of choosing the old General Education program. If you are uncertain about which program applies to you, consult with your academic faculty advisor or the Coordinator of General Studies, Dr. Lyle E. Smith (SCC N124, 51603538).

### NEW GRADUATION WITH HONORS POLICY

Effective with the 1978-79 academic year, to graduate with honors a student must complete 45 units in residence and receive a minimum of 3.40 on all units taken at CSUDH, with the overall grade point average determined on all undergraduate work. The Honor Categories as follows: *cum laude* (3.40-3.59), *magna cum laude* (3.60-3.79), and *summa cum laude* (3.80-4.00).

All students graduating under the 1978-79 or earlier catalogs will be evaluated for graduation using the new criteria. If they meet the new criteria, they will be listed as graduating *cum laude*, *magna cum laude*, or *summa cum laude*. If they do not meet the new criteria, they will be evaluated as graduating with honors as stipulated in earlier catalogs and, if eligible, will be listed as graduating "with distinction" or "with great distinction". Students graduating under the 1979-80 catalog and subsequent catalog years will be evaluated using the new criteria only. Graduation with honors is available only to undergraduate students earning a first baccalaureate degree.
