The Schedule of Classes is produced by the Office of University Relations and the Office of the Assistant Vice President, Operations. The University Bookstore sells the schedule as a service to students. The price for the schedule is determined by expenses related to typesetting, printing and related supplies. The schedule is not printed at State expense.

ADMISSIONS INFORMATION

Prospective students, part-time or full-time, or returning students who have been out of school for three or more quarters, must file an application for admission, pay the \$35 application fee (or qualify for a fee waiver), and provide supporting documentation within the announced filing period. To enroll in classes, applicants must be formally admitted to CSU Dominguez Hills for that quarter. Procedures are explained in the University catalog, and admissions advising is available at the Information and Service Center. Applications may be obtained from that Center.

Eligibility varies depending on the applicant's previous academic background. There are four applicant groups:

1. **First Time Freshman** - A California high school graduate and legal resident of the State must present a high school grade point average (GPA) from the last three years of high school (excluding physical education and military science) and a test score from either the American College Test (ACT) or Scholastic Aptitude Test (SAT). The combined GPA and test score must place the applicant in the upper one-third of the statewide California high school graduating class. Students who graduated from high school in the Spring of 1984 or later, must also have completed four years of college preparatory English and two years of college preparatory mathematics. (See the Catalog for a comprehensive eligibility table).

Students who are not legal residents of California and are graduating from high school in other states or United States possessions must have a GPA and test score placing them in the upper one-sixth of California high school graduates.

2. **Undergraduate Transfer Students** - Students in good standing of the last college or University attended may be

admitted by meeting one of the requirements listed below. (The grade point averages referred to are on a 4.0 scale.)

- A. Students with less than 56 semester (or 84 quarter) transferable units must be eligible according to first-time freshman requirements (see above) and must have earned a GPA of 2.0 ("C" average) or better in all transferable units attempted.
- B. Students with 56 or more semester (84 or more quarter) transferable college units must have earned a 2.0 GPA ("C" average) or better in all transferable coursework (non-residents, 2.4), and have satisfied any high school subject deficiency in English and mathematics by equivalent course work.

The maximum transferable credit accepted from a two year college is 70 semester (105) units.

3. **Graduate Students** - A graduate applicant must have a minimum 2.5 GPA in the last 60 semester (or 90 quarter) units attempted, possess an accredited baccalaureate degree, and be in good standing at the last institution attended to be admitted to unclassified standing. Unclassified admission does not constitute admission to a graduate degree curriculum. (Please note that beginning Fall 1985 lower division courses and Extension courses completed after the bachelor's degree will be excluded from the GPA calculation. Upper division coursework taken through OPEN UNIVERSITY will be included in the GPA calculation).

4. **International Students** are required to have a 2.4 GPA on all units attempted from college.

5. All students, regardless of citizenship, who have not attended school at the secondary level for at least three years or beyond where English is the principal language of instruction, are required to earn a minimum score of 550 on the Test of English as a Foreign Language (TOEFL).

ABOUT THE UNIVERSITY

California State University, Dominguez Hills is a quality university in a cosmopolitan setting. The University is on a park-like attractive campus of 346 acres. The University will celebrate its 25th anniversary in the Fall of 1985.

With an enrollment of 8,000 students, CSU Dominguez Hills provides a friendly atmosphere with generally small classes and individual attention from faculty.

CSU Dominguez Hills has one of the highest percentages of faculty doctoral degrees in the CSU system—more than 90

percent. There is an emphasis on teaching as well as research and an environment of caring about the needs of individual students. The University is fully accredited by the Western Association of Schools and Colleges and by professional associations in several academic specialties.

With moderate size, modest costs, and a beautifully landscaped campus with modern and attractive buildings, CSU Dominguez Hills represents an attractive alternative to much larger and more expensive universities. California State University, Dominguez Hills provides many of the nearby advantages of a large metropolitan area while at the same time offering a pleasant and easy-to-get-to location.

SPECIAL MESSAGE FROM THE PRESIDENT ON THE CHANGE TO SEMESTER CALENDAR

Welcome to California State University, Dominguez Hills and a new quarter. There is a sense of anticipation on campus as our plans are completed for the change in the Fall of 1986 to an early semester calendar. The change to the 15 week term has a number of educational advantages such as providing more time for in-depth, sustained teaching and learning; more time for students and their professors to get to know one another and exchange ideas and perspectives; less disruption of learning when unanticipated illness or other absences occur; more weekends to study and work on class projects; and greater course comparability and more direct transfer of credit from

other colleges, most of which are on the semester calendar. You will be hearing much more during the year about the details of the change, but I want to tell you now that we all—faculty, staff and administration—stand ready to ensure a smooth transition for you.

Because there will be three quarters before the changeover, this provides each of you an opportunity to meet with academic advisers to determine the best plan for your own program of studies. Departmental advisers should be consulted for assistance with major, minor, and General Studies/General Education planning. The advisers in the University Advisement Center will help those of you who are undeclared majors or who are referred by departmental advisers because of unusually complex General Studies questions. I urge you to seek appropriate advisement early this year so that you may develop the most effective means of maintaining your educational goals at this University.

I wish you a rewarding year of study and challenge. We are pleased that you are here and look forward to opportunities to meet with you in person.

GENERAL INFORMATION

ADD OR DROP CLASSES DURING THE FIRST THREE WEEKS

- Complete the ADD/DROP information on the Change of Program form, using the department name (3 letters), course number (3 numbers,) and section (2 numbers).
- If adding, obtain the signature of the instructor.
- If dropping, enter the information in the DROP portion of the card. No signature is required.
- Return the Change of Program form to the Admissions and Records counter.
- Present your receipt card and I.D. card for name and date embossing.
- Conditions for dropping a course after the third week are outlined in the current CSU Dominguez Hills Catalog. A student who enrolls in a course, discontinues attendance, and does not officially drop the course will automatically receive an F or U grade for the course.

ETHNIC SURVEY INFORMATION

When you pick up your registration packet at Step 2 of the registration process, some of you will find an Ethnic Group Survey Card. If this card is included in your packet, please take a moment to fill it out.

The diversity of students at CSU Dominguez Hills is one of the University's greatest strengths and, although providing ethnic information is voluntary, your participation will enable the institution to acquire accurate data for campus planning, to comply with state and federal regulations, and to allow the University to better know and serve its students.

Furthermore, many companies and corporations in the Los Angeles area are required to have an Affirmative Action plan which includes goals for hiring and promotion. Accurate goals can only be set when companies know how many qualified candidates are available for open positions.

CSU Dominguez Hills provides companies and agencies, upon request, with information about group characteristics and ethnic composition of its graduating classes. This information helps companies set accurate goals for hiring and promotion.

FIRST CLASS MEETING

Students should report to the first meeting of their scheduled classes. Check the Schedule of Classes for time, day and room numbers. Each student is responsible for attendance in the courses and specific sections in which he/she has enrolled.

Students who enroll in a class but do not attend its first two meetings (or first meeting of once a week classes) and do not contact the instructor beforehand, may be dropped from the class by the instructor and their space given to other students waiting to add the class. It is the responsibility of the student to make sure that he/she has been dropped by the instructor. Students who are in doubt regarding their drop status should file their own drop.

CREDIT/NO CREDIT OPTION Undergraduate Students

Undergraduate students selecting the Credit/No-Credit option must do so by the end of the third week of instruction, October 16, 1985. Credit/No-Credit cards are available from the Office of Admissions and Records and the Information and Service Center and must be submitted by the deadline. For additional conditions and limitations of the Credit/No-Credit option, consult the current CSU Dominguez Hills catalog.

Graduate Students

CR/NR grades may be allowed in courses numbered below 400 which will not be used to satisfy the requirement of a graduate degree program.

For full information on CR/NR grading, see current University Catalog.

CANCELLATION OF CLASSES

The University reserves the right to make changes in the Class Schedule as printed. When enrollment in any class is not sufficient to justify its continuance, the course may be cancelled.

If the University cancels a class, the student will receive a full refund of applicable fees UPON APPLICATION FOR REFUND or will be allowed to register in another class without payment of a late fee.

NEW CHANGE OF GRADE PROCEDURES

A new change of grade procedure will be in effect. If a student wishes a grade changed for whatever reason, the process is initiated through the academic department, where a **Request for Change of Grade** form is completed by student. The form is left in the department where it is reviewed by the instructor and the department chair. If a change is made, a **Change of Grade** form, with appropriate signatures, is prepared in the department and sent to Admissions and Records. The student will be notified of the change of grade by Admissions and Records.

EXCESS UNITS-STUDY LOAD LIMITS

For undergraduate students in good academic standing, the normal program load is the equivalent of four full courses. To this may be added activity courses having a value of one-half course or less. A student may enroll in a maximum of 20 units during the registration period. Students who wish to enroll in more than 18 units must obtain the written approval of the adviser on the Course Request Card during Registration and on the Change of Program form during the quarter. A student who wishes to enroll in more than 24 units after registration must secure the approval of one of the following individuals:

- The Dean of the School in which the student is majoring
- The Director of the Small College for Small College students
- The Coordinator of Liberal Studies for Liberal Studies majors, or,
- The Coordinator of Academic Advising.

CHANGE OF INSTRUCTOR

The University reserves the right to make changes in the Class Schedule as printed. When classes are split or sections are cancelled due to lack of enrollment, it may be necessary to assign an instructor different from the one listed in the class schedule.

PROCEDURE FOR RETAINING CONTINUING STUDENT STATUS

A. PROCEDURE

A student at the University may "sit out" or miss one or two consecutive quarters of attendance and retain continuing student status without filing a new application for admission. Students who choose to "sit out" the one or two consecutive quarters will be regarded as continuing students and will receive registration information and related materials as if they were currently enrolled. This procedure will apply to students who do NOT attend any other institution in their absence from CSU Dominguez Hills. A student who attends another institution would be required to submit a new application for admission and the application fee. A student who is absent for more than two quarters will also be required to submit a new application and fee.

B. RETENTION OF CATALOG RIGHTS

A student utilizing the continuing student status procedure will retain catalog rights. The student will be able to use the requirements of the catalog under which they were admitted or in effect at the time of graduation.

OFFICIAL WITHDRAWAL FROM THE UNIVERSITY

Students who wish to withdraw from the University are urged to consult the Information and Service Center prior to official withdrawal. Official withdrawal is necessary if a student leaves CSU Dominguez Hills at any time after registration and does not intend to complete the quarter. The forms for initiating this process may be obtained from the Information and Service Center (SCC A130).

When official withdrawal from the University occurs before the quarterly deadline for dropping classes (the third week of instruction), the record indicates official withdrawal. However, if official withdrawal occurs after the third week of instruction, different procedures must be followed. Refer to the current CSU Dominguez Hills Catalog for those procedures. Students who do not officially withdraw will automatically receive F or U grades in all courses for which they are enrolled.

Conditions for readmission are indicated on the withdrawal form. A student who withdraws under satisfactory conditions shall be classified as a continuing student for the next quarter.

VETERANS BENEFITS AND RESPONSIBILITIES

It is the responsibility of each veteran to request certification for Veterans Educational Benefits at the time of registration, if this request was not previously completed. Continuing students are normally certified for the school year, September through June, and must make arrangements for any variations, including discrepancies in the number of units reported. New students are, upon request, certified for the current quarter through the end of the school year. Please verify your certification with the veterans clerk at the veterans station during Registration.

It is also the responsibility of the veteran to report to the Office of Admissions and Records any changes of enrollment affecting certification status.

For new students who are being certified for the first time, and for continuing students who were not certified previous to registration, it will take six to eight weeks from the date of certification before Veterans Educational Benefits are received.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

All student records of The California State University, including CSU Dominguez Hills are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974.

Students may request access to those campus records which personally identify the student. The student may challenge the accuracy of the record or the appropriateness of its retention in the campus records. Student consent is needed for the release of records covered by the Act to outside parties (e.g., prospective employers) except for those agencies entitled to access under the provisions of the Act (e.g., campus officials, other schools, federal officers, and requests in connection with the application or receipt of financial aid).

A student may request a copy of a record which he/she has requested for release. Students must pay a charge for copies of records for which such a charge has been established. Copies of the full text of the Family Educational Rights and Privacy Act of 1974 are available at the Office of the Dean of the University College (SCC M110) or the campus library. Particular questions with respect to a student's perogatives under the Family Educational Rights and Privacy Act of 1974 should be directed to the Office of the Dean of University College.

If a student wishes to restrict the release of directory information, a request may be made at the Office of the Dean of University College. The request is valid from the quarter requested through the end of the academic year. Requests for restriction of release of information for a subsequent academic year require a new form.

CREDIT BY EXAMINATION

Effective with the Fall Quarter of 1978, Credit by Examination is governed by the following regulations:

GENERAL CONDITIONS

1. Registered students may receive credit-by-examination for courses in which they are eligible to enroll.
2. The student should contact the office of the appropriate department to initiate the procedure.
3. Each department will maintain an up-to-date listing of courses which may/may not be taken as credit-by-examination.
4. The student will select a traditional letter grade or the CR/NC option, in accordance with the policies applicable to regular course enrollment.
5. Credit-by-examination will not be given for course work which an academic department deems inappropriate or impossible to evaluate by examination.
6. The same course can be taken only once by credit-by-examination.
7. Credit-by-examination will not be given for a course if the student has already received credit for a similar but more advanced course.

PROCEDURE FOR COURSES LISTED IN THE CLASS SCHEDULE

1. The student secures a petition for credit-by-examination from the appropriate department office and obtains the signature of the instructor and department chair.
2. If the petition is approved, the student enrolls in the course during registration and is given the examination during the first two weeks of the quarter.
3. The student is notified of the results of the examination during the third week of the quarter. If the examination is passed, the grade is submitted to the Office of Admissions and Records by the end of the third week. The student's name will remain on the roster and the grade will appear on the quarterly grade card. If the examination is failed, the student has two options: (a) remain enrolled in the course and complete it according to standard procedures, or (b) officially drop the course before the end of the third week.
4. The course grade will appear on the student's permanent record card with the other grades for the quarter with the designation that the course was completed by examination.

PROCEDURE FOR COURSES NOT LISTED IN THE CLASS SCHEDULE

1. The student secures a petition for credit-by-examination from the appropriate department office and obtains the signature of an appropriate and willing instructor and the department chair.
2. If the petition is approved, the examination will be scheduled within 15 days.

3. Upon the completion of the exam, a grade is recorded on the petition and the petition is forwarded to the Office of Admissions and Records.
4. Admissions and Records notifies the student of the grade provided by the department.
5. Only a passing grade will be recorded on the student's permanent record card. A non-passing grade will not be recorded.

CHANGE OF NAME OR ADDRESS

If you have made a change of name or address which has not been reported to the University, please come to the Office of Admissions and Records and request the CHANGE OF NAME/ADDRESS form. It is very important that the University be informed of any change so that you will receive all mailings.

AUDITING A CLASS

Auditors must pay the same fees that would be charged if the course were taken for credit. Enrollment as an auditor is subject to the approval of the instructor. A student registered as an auditor may be required to participate in any or all classroom activities at the discretion of the instructor. Credit for courses audited will not subsequently be granted on the basis of the audit. No record of audit appears on the student's permanent record card nor are transcripts issued for audited courses.

An enrolled student who wishes to audit a course in addition to his regular program must obtain the approval of the instructor on the Approval for Audit form available in the Office of Admissions and Records and pay the fees required as if the course were taken for Credit. The approval may not be obtained before the first day of instruction. A student may not opt to audit a course after the end of the third week or change from credit to audit status after that date. If a student has enrolled in a course and is changing to audit status, the course must be officially dropped at the time the audit form is submitted.

An audited course should be taken into consideration when planning a program so that the study load will not be excessive.

A student not admitted to, nor enrolled in, the University must file a Statement of Residence prior to auditing a course. A resident determination must be made so that the appropriate fees may be charged. An application for admission is not required. A student must then follow the procedures as outlined above.

TITLE IX OF THE EDUCATION AMENDMENTS OF 1972

Title IX of the Education Amendments of 1972 and the Departmental Regulation (45 CFR Part 86) promulgated thereunder prohibit discrimination on the basis of sex in the operation of most federally assisted education programs. The Affirmative Action Coordinator, Office of Faculty and Staff Affairs, has been assigned the administrative responsibility for reviewing such matters.

USE OF THE ID CARD

The ID card must be carried at all times and be validated each term. A current ID card is necessary to perform certain transactions in Admissions and Records, the Library, the Business Office, and other campus offices, and is necessary to obtain services covered by the student service fee, such as personal and career counseling and employment and health services.

The ID card is also required by the Student Association to establish eligibility to participate in student activities and elections.

CONCURRENT ENROLLMENT

A student enrolled at the University may enroll concurrently at another institution only by filing a PETITION FOR CONCURRENT ENROLLMENT with the Office of Admissions

and Records after securing written approval by the academic adviser. Permission will not be granted when the study list in the proposed combined program exceeds the units authorized at this University for full-time study.

ENROLLMENT IN CONFLICTING CLASSES

Students are NOT allowed to enroll in two classes which meet at the same time, without specific approval on the PETITION FOR PERMISSION TO REGISTER FOR COURSES WITH A TIME CONFLICT. A student found to be enrolled in conflicting courses without the form on file will be required to resolve the conflict. The petition form is available at the Office of Admissions and Records.

FULL-TIME STATUS

Undergraduates are considered to be full-time students during any quarter in which they are enrolled in 12 units or more. In order to graduate in four years, however, a student must complete approximately 16 units each quarter. Graduate-level students enrolled in eight or more graduate-level (300 or 400 level) units are considered to be full-time.

CREDIT FOR OPEN UNIVERSITY, EXTENSION AND CORRESPONDENCE COURSES

The University allows transfer credit for appropriate college-level courses completed in Extension, including Open University, or by correspondence from accredited colleges or universities and the United States Armed Forces Institute. A maximum of 36 quarter (24 semester) units earned through Extension, completed at CSU Dominguez Hills or elsewhere, correspondence, and USAFI may be accepted toward a bachelor's degree. For graduate level students, a maximum of 13 quarter units of extension work may be applied to a degree. Please note that these credits do not satisfy CSU Dominguez Hills residence requirements for the degree. For more detailed information, please refer to the University catalog.

ENROLLMENT IN OPEN UNIVERSITY FOR MATRICULATED STUDENTS

Effective with fall quarter 1984, a matriculated student who is eligible for enrollment as a regular student may not enroll partially or completely in courses through Open University.

REQUIREMENTS FOR THE BACHELOR'S DEGREE

Students seeking a baccalaureate degree from the University must complete specific requirements as determined by the Trustees of The California State University; the California Administrative Code, Title 5; and, California State University, Dominguez Hills.

Briefly summarized, the college-wide requirements include all of the following:

1. Completion of 186 quarter units of credit.
2. Completion of Title V general education requirements, either by completing the General Education program or the General Studies program which was implemented in 1980. Completion of the General Studies program is required of (a) students who were new freshmen Fall 1980 and thereafter and (b) transfer students enrolling Fall 1981 and thereafter who were not previously enrolled continuously at CSU campuses or California Community Colleges.
3. Satisfaction of statutory requirements in American history and government by completing courses History 101 or examination and Political Science 101 or examination.
4. Attainment of at least a "C" average overall at CSU Dominguez Hills and in all upper division courses in the major and minor.

5. Satisfaction of the Junior English Proficiency Test (JEPET) or an approved upper division or course to demonstrate competency in writing.

6. Completion of one of the following: a major and a minor, or a major in one of the eight designated single fields; or a double major. This requirement also can be satisfied through the Areas of Concentration in the Small College combined with a thematic project, a minor or another major. Specification for each field are outlined under their appropriate headings elsewhere in the University Catalog.

7. Completion of elective courses (beyond the requirements in 2, 3, and 5 above) to reach the total of 186 quarter units of credit.

8. The term residence units applies to those units earned at CSU Dominguez Hills while an officially admitted student in a degree program. Fees must be paid through the regular registration process. Residence requirements for a Bachelors degree include a minimum of 45 units in residence of which 36 units must be in upper division courses and 18 upper division units must be in a major. When a minor is declared, at least one-half of all upper division units earned for the minor must be earned in residence. The maximum credit which may be taken in Extension (Open University) and used toward degree requirements is 36 units at the undergraduate level and 13 units at the graduate level. **RESIDENT EXTENSION UNITS DO NOT SATISFY RESIDENCE REQUIREMENTS FOR A DEGREE.**

Candidates for a GRADUATE DEGREE must file an application for graduation by the end of the first week of the quarter in which they plan to graduate. Candidates for either Summer Session must file the first week of Spring quarter.

The absolute deadline for filing for Graduation is the end of the first week of instruction for the final quarter.

If you do not qualify for graduation at the end of the quarter for which you applied, you must submit a **Change of Graduation Date** card to the Graduation Unit. Failing to do so will place a hold on your undergraduate registration packet for the next regular quarter.

RESPONSIBILITY FOR COMPLETION OF DEGREE REQUIREMENTS IS THE STUDENT'S and therefore each student must be thoroughly familiar with the procedures and information about graduation. If you have questions, please consult a CSU Dominguez Hills catalog or check with the Office of Admissions and Records. Please note that a Master's degree requires a minimum of 32 units earned in residence. **RESIDENT EXTENSION (OPEN UNIVERSITY) UNITS DO NOT SATISFY RESIDENCE REQUIREMENTS FOR A DEGREE.** A maximum of 13 units of credit at the graduate level taken in Extension may be used toward degree requirements.

NON-RESIDENT STUDENTS

If you were admitted to CSU Dominguez Hills as a non-resident student you should be aware of the following:

Chapter 102 of the 1981 Statutes of California requires that the "financial independence" of a student must be considered when a non-resident student is requesting reclassification as resident.

If you are seeking reclassification as a resident, you are required to complete and file new residency forms with the Admissions Office. The completed forms will be reviewed and a determination made. If you are eligible for residency status, you will be informed and your registration packet will be changed to reflect your new status. The appropriate forms are available at the Admissions and Records counter.

The residence questionnaires by which your status may be changed must be submitted to the Admissions and Records Office at least two weeks prior to registration.

GRADUATION WITH HONORS POLICY

Effective with the 1978-79 academic year, to graduate with honors a student must complete 45 units in residence and receive a minimum of 3.40 on all units taken at CSU Dominguez Hills, with the overall grade point average determined on transferable undergraduate work. The Honor Categories are as follows:

Cum Laude (3.40-3.59)

Magna Cum Laude (3.60-3.79)

Summa Cum Laude (3.80-4.00)

All students graduating under the 1978-79 or earlier catalogs will be evaluated for graduation using the new criteria. If they meet the new criteria, they will be designated as graduating cum laude, magna cum laude, or summa cum laude. If they do not meet the new criteria, they will be evaluated as graduating with honors as stipulated in earlier catalogs and, if eligible, will be designated as graduating "With Distinction" or "With Great Distinction". Students graduating under the 1979-80 catalog and subsequent catalog years will be evaluated using the new criteria only. Graduation with honors is available only to undergraduate students earning a first baccalaureate degree.

Candidates for graduation with honors will be listed in the commencement program based on grades earned through the previous fall quarter. OFFICIAL placement in one of the honors categories will be based on all grades earned including the final term. Therefore, it is possible to be listed as a candidate in the commencement program, but not graduate with honors after all grades have been calculated. Students who do graduate with honors will have the appropriate designation inscribed on their diplomas.

DEGREE CANDIDATES

Candidates for a BACCALAUREATE DEGREE must file an application for graduation with the Office of Admissions and Records in accordance with the following schedule:

To GRADUATE at the end of:	You must FILE by the:
FALL QUARTER	First Week of the Spring Quarter
WINTER QUARTER	First Week of the Fall Quarter
SPRING QUARTER	First Week of the Winter Quarter
Either Summer Session	First Week of the Spring Quarter

NOTE: An application for graduation will not be accepted unless the student has completed a minimum of 150 quarter units.

GENERAL INFORMATION

(continued)

HONORS PROGRAM – GENERAL STUDIES

The CSU Dominguez Hills Honors Program offers special opportunities to especially able and highly-motivated students. New and continuing students may participate in Honors sections of General Studies and advanced courses; open only to Honors Program students, these stimulating classes enrich student learning in required courses. (See the course listing section in this schedule for the Fall offerings.) Honors Program students are also eligible for special advising from faculty mentors and for participation in Honors Program activities. For further information, or to apply to the program, call Dr. Lois Feuer at 516-3640.

DOUBLE COUNTING OF GENERAL STUDIES COURSES

Lower division general studies courses may be "double-counted" in both the major and the minor. Upper division general studies courses may be double-counted in the following majors only: Liberal Studies, Medical Technology, and Small College. (Majors in these programs should consult their faculty adviser for details.) Upper division general studies courses may be double-counted in the minor if (a) at least 18 quarter units are taken in the minor exclusive of general studies courses and (b) general studies courses used in the minor have the approval of the chair/coordinator responsible for the minor. Even though students may double-count certain general studies courses, they will not receive additional unit credit towards graduation by double-counting. A double-counted course counts four (4) units (not eight) towards graduation.

CAPSTONE

CAPstone is a program that allows students to cross-register for a course at a participating institution with a minimum of difficulty and fees.

CAPstone was designed for community college students who want to take a course at CSU Dominguez Hills before transferring, if that class is not offered at their college.

Each community college campus, as well as CSU Dominguez Hills, has a CAPstone coordinator and prospective students must obtain Cross-Registration forms from that person.

Community college students wishing to enter CSU Dominguez Hills for Fall quarter should have CAPstone forms submitted by the fourth week in August.

For further information contact Dr. John Auld, CSU Dominguez Hills CAPstone Coordinator, Office of School and College Relations, 516-3699.

GENERAL EDUCATION

The General Education program can be found in University catalogs prior to 1980-81. Continuing CSU Dominguez Hills students and transfer students in continuous attendance at California Community Colleges or a CSU campus who can graduate using a catalog prior to 1980-81 have the option of choosing this program rather than the new General Studies program. STATUTORY REQUIREMENT

In addition to the General Studies requirements, students must also satisfy the statutory requirements in United States history and government by completing the following:
 Political Science 101 or examination
 History 101 or examination

GENERAL STUDIES: 1982-1985

The 1982-85 General Studies program, which is divided into three components, requires 72-74 quarter units: (I), 18-20 units of Basic Skills; (II), 42 units of lower division General Education divided among Humanities (12), Natural Sciences (12), Social Sciences (16), and The Whole Person (2); and (III), 12 units of upper division Integrative Studies. The statutory requirement in American Institutions (History 101 or examination and Political Science 101 or examination) is *not* part of the General Studies program, but is a graduation requirement.

The 1982-85 General Studies program is required of all students who enter CSU Dominguez Hills or a California Community College as first-time freshmen beginning Fall 1982. Continuing students (other than 1980-81 and 1981-82 first-time freshman) and transfer students in continuous enrollment at a California Community College or a CSU campus since 1980-81 have the option of choosing the old General Education program.

If you are uncertain about which program applies to you, consult your academic faculty adviser or the Coordinator of the General Studies Program, Dr. Jamie Webb (516-3538).

For the campus policy on "double-counting" general studies courses in the major and minor, see page 11 of the class schedule.

INSTALLMENT PAYMENT OF NON-RESIDENT TUITION

Effective January 1, 1976, a non-resident student who is a citizen and resident of a foreign country and not a citizen of the United States, may pay the required non-resident tuition fee on an installment basis. This is limited to two equal payments established at the time of registration.

A 15% *non-refundable* service charge will be added to each installment payment.

Payments are made to the University Cashier. Failure to pay any installment within ten (10) calendar days of the due date will result in complete disenrollment for the remainder of the quarter and the student will not be eligible to pay nonresident tuition on an installment basis in subsequent terms.

DISHONORED CHECK POLICY

Once a check has been dishonored, no personal checks will be accepted from that person for a period of at least two academic quarters.

This rule applies to any check returned from any financial institution for any reason. The person will be required to pay all university-related debts by cash, a certified check, money order or travelers check(s) including the \$10.00 returned check fee. No personal checks will be accepted. Those passing a dishonored check may be notified and identified in three ways: a letter will be sent to them at the time the check is dishonored; a notice will be included on their registration priority card, and their fee card will be specially identified for the following two academic quarters.

REFUND DEADLINES

Refunds are not automatic. If you are withdrawing from school completely, or reducing the number of units in which you are enrolled, you should request a refund application from the University Information and Service Center. Refunds are calculated based on the date the application is received. It is therefore important to file for a refund as soon as possible. Please review the refund deadlines shown below. No exceptions can be made to the dates noted. Service charges will be retained by the University to cover the cost of processing each refund application (\$10.00 upon complete withdrawal from school; \$5.00 for decrease in unit load).

THE LAST DAY TO APPLY FOR A REFUND OF FEES (OTHER THAN NONRESIDENT TUITION OR PARKING FEES) is OCTOBER 10, 1985. No refund applications will be accepted after this date, unless a student withdraws upon the advice of a physician and can document this fact.

ACADEMIC SKILLS ASSESSMENT PLAN

The California State University (CSU) System and California State University, Dominguez Hills (CSU Dominguez Hills) recognize each student's need for good preparation in mathematics, English, reading, and critical thinking for successful continuation and completion of his or her college education. The CSU system now requires all freshman and those transfer students who have not completed appropriate college courses to demonstrate entry level skills in two areas: English and Mathematics. To better ensure that students who are poorly prepared in one or more of the basic skills receive this preparation early in their college career, CSU Dominguez Hills began implementation of an Academic Skills Assessment Plan (ASAP) in Fall, 1984, starting with new freshmen. Beginning Fall 1986 *all* undergraduate students will be expected to meet the requirements of the plan.

The Academic Skills Assessment Plan has four stages which may affect you:

- Stage 1. Assessment of Entry Level Skills
- Stage 2. Completion of Entry Level Skills
- Stage 3. Certification of Basic Skills
- Stage 4. Certification of Writing Proficiency

Stage 1. Assessment of Entry Level Skills: Assessment of entry level competencies in reading, composition, and mathematics.

1. Unless exempt (see p. 79, 1983-85 Catalog) you must take the English Placement Test (EPT)* and Entry Level Mathematics Test (ELM) no later than your first quarter (semester) of attendance at CSU Dominguez Hills. (If you are exempt you will be notified when you are admitted.)

If you do not *attempt* these tests by the end of your first quarter (semester) of enrollment, your registration material for the subsequent term will be held at the Advisement Center. You will need to make an appointment with an adviser and will be required to enroll in the appropriate English and mathematics courses until the EPT and/or ELM requirements have been met.

2. Entry Level English Skills - If you score T-150 or below on the EPT you must enroll in ENG 009 Basic Writing Workshop or SMC 006 Intensive Writing Skills Workshop. If you score T-142 or lower on the reading portion of the EPT you must enroll in ENG 008 Developmental Reading. Both ENG 008 and 009 or SMC 006 are prerequisites to ENG 100 Freshman Composition I, and may be taken concurrently.
3. Entry Level Mathematics Skills - If you do not pass the ELM with a score of 38 or better you should register for MAT 002 and/or MAT 004 or seek assistance from the

Learning Assistance Center to prepare to pass this test. The Mathematics Department can advise you as to which option you should follow, based on your ELM score. If you are not exempt, you must pass the ELM before you can take any higher level math course (MAT 020 or higher). No courses satisfy this requirement.

*After Fall 1986 *all* undergraduate students will be required to take the EPT unless they are exempt by virtue of test scores or coursework.

Stage 2. Completion of Entry Level Skills: By the end of three quarters (two semesters) of attendance you are required to have gotten a score of T-151 or higher on the EPT or have completed appropriate remedial courses and to have passed the ELM. If you do not meet these requirements you will not be allowed to register in the subsequent term for any classes except the appropriate remedial courses and selected courses upon mandatory advisement.

Stage 3. Certification of Basic Skills: You must meet the following requirements for admissions to junior or higher level standing (e.g. by the time you have completed 84 quarter units or 56 semester units):

ENGLISH

1. Successful completion of ENG 100 and ENG 101 or eight units of SMC 107 or any combination of ENG 100, ENG 101 and SMC 107 totalling eight units.
- OR 2. Equivalent transfer courses with a grade of C or better.
- OR 3. Appropriate scores on approved English examinations (see English department chair for information on these examinations).

MATH

1. Successful completion of MAT 020 or a higher level mathematics course.
- OR 2. Transfer credit with a grade of C or better for mathematics courses at the level of calculus or above.
- OR 3. A passing score on the Mathematics Proficiency Exam or appropriate scores on specific standardized examinations (see Mathematics department chair for information on these examinations).

By the time you have earned 84 quarter (56 semester) units (or if you transferred in with 84 quarter or 56 semester or more units) you are expected to have met the mathematics requirements and the course requirements in English. If you

have not met these requirements you will have two terms in which to complete them. During that time enrollment in the appropriate English and/or mathematics course(s) is mandatory. If you still have not met the requirements by the end of two terms you will be placed on probation and you may not take any course(s) other than those that satisfy the requirements or their prerequisites.

Upper division transfer students are currently* exempt from the EPT, but are subject to the ELM requirement. If you are a junior level transfer student (84 quarter/56 semester units or more) who is not otherwise exempt from ELM you must either pass the ELM prior to your first term of enrollment or immediately enroll in the appropriate mathematics course (MAT 002/004) in your first term. You must complete MAT 020 by the end of two terms or be restricted to enrollment in the appropriate mathematics courses and selected courses upon mandatory advisement.

*After Fall 1986 all undergraduate students will be required to take the EPT unless they are exempt by virtue of test scores or coursework.

Stage 4. Certification of Writing Proficiency: Within two terms after reaching 84 quarter (56 semester) units (or transferring in with 84 quarter/56 semester units or more), you must demonstrate competency in writing skills through one of the following options:

A. *Voluntary Testing.* A test, for which a fee will be charged (Junior English Proficiency Essay Test, JEPET), is available at regularly scheduled intervals each term. You are allowed to take the test only twice. Information on test dates and procedures for sign-up are available in the Information and Service Center (SCC A-130).

B. *Advanced Composition Course* (offered by the English Department). The English Department regularly offers two types of advanced composition courses: a general purpose advanced composition course (ENG 250), and a course designed for students capable of profiting from instruction in sophisticated techniques of prose discourse (ENG 255). On occasion the Small College offers advanced writing courses.

C. *Upper Division Writing Adjunct.* The Writing Adjunct (SMC 297 and 298, 4 units required) currently offered by the Small College is a structure for providing individualized instruction in composition that is adjunctive to study in another subject area.

D. *Upper Division Course* (offered by Departments other than English). Some departments presently offer courses which, though not solely composition courses, stress instruction in writing, require frequent writing assignments, and provide regular response to students about their writing. Courses currently available in this category are MUS 220, HIS 200, and SMT 200 and 201 and CHE 260.

E. *Transfer Certification.* A student who has satisfied the Writing Proficiency Requirement at a CSU campus prior to admission to CSU Dominguez Hills may petition to waive the CSU Dominguez Hills requirement. The petition and an official certification that the Writing Proficiency requirement has been met should be submitted to the Office of Admissions and Records.

ENGLISH PLACEMENT TEST - (EPT)

All students wishing to enroll in English 100 must take the English Placement Test unless they meet one of the exemptions listed in the current catalog. Verification of exemptions in the form of letters of notification or scores reported by testing agencies is required at the time of registration for the course.

Additionally, students who are bound by the EPT requirement *must* take the test in their first quarter on campus whether they plan to take English 100 that quarter or not.

The test date for the EPT is:

Friday, Sept. 13, 1985 ERC G149 (lower level) 8:00 a.m.
(Contact the Testing Office, 516-3909 for registration information.)

COMPETENCY IN WRITING UNDERGRADUATE STUDENTS

All new and returning undergraduate students admitted for Fall 1983 or subsequent quarters must meet the upper division writing requirement. Those students who have rights to a catalog prior to 1983 will be held to the graduation requirements stated therein. This would include students who have been in continuous attendance at a California Community College or CSU Dominguez Hills continuing students. This requirement may be satisfied by one of the following options:

- A. VOLUNTARY TESTING.** A test (JEPET), for which a fee will be charged, is available to students at regularly scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year. Students are allowed to take the test twice.
- B. ADVANCED COMPOSITION COURSES** The English Department regularly offers two types of advanced composition courses: a general purpose advanced composition course (English 250), and a course designed for students capable of profiting from intensive instruction (English 255). On occasion the Small College offers advanced writing courses.
- C. UPPER DIVISION WRITING ADJUNCT.** The Writing Adjunct (SMC 298, 4 units required) currently offered by the Small College, is a structure for providing individualized instruction in composition that is adjunctive to study in another subject area.
- D. UPPER DIVISION COURSES** (offered by Departments other than English). Some departments presently offer courses which, though not solely composition courses, stress instruction in writing, require frequent writing assignments, and provide regular response to students about their writing. Courses currently available in this category are Music 220, History 200, SMT 201, and Chemistry 260.

The voluntary test is administered each quarter. Information on test date and procedures for sign-up are available in the Information and Service Center.

For further information regarding this requirement, students should contact Dr. David Rankin, Coordinator, University Composition Committee HFA B-344 (516-3939), or Dean Suzanne Gemmill (516-3784).

GRADUATE STUDENTS

All graduate students entering in Fall of 1983 and thereafter are required to satisfy the graduate competency in writing requirement in accordance with the following policy:

1. Students who have made either a score of eight on the Junior English Proficiency Essay Test or at least a grade of BC, or its equivalent, in one of the undergraduate certifying courses at CSU Dominguez Hills, or in English 252, are adjudged to have met the graduate writing requirement. Information regarding the schedule of test administrations and the list of approved courses is available in the Information and Service Center. (Also, see above B, C, and D.)
2. All students who did not meet the requirement as undergraduates, as in #1 above, must take the JEPET and make a score of at least eight or take one of the undergraduate certifying courses at CSU Dominguez Hills and make at least a grade of BC.
3. Students who fail to make at least an eight on JEPET have the option of taking the exam a second time.

4. Students who fail twice to make a score of at least eight on the JEPET must take one of the undergraduate certifying courses and make at least a grade of BC to meet the requirement.
5. Writing competency must be certified no later than the point of advancement to candidacy. Individual programs may require such certification at an earlier point in the student's program.
6. CSU Dominguez Hills will accept certification of *graduate* writing competence from another CSU campus.
7. Special arrangements will be made for some external degree programs. Students should consult with the program coordinator.

They may, however, retake the course in a later quarter to improve their grades.

More information on earning credit by examination appears in this year's catalog.

All students should bring 8½" by 11" blue books to the examination.

Fifty percent of current new prices will be paid for the books in good resalable condition, if they are useable at CSUDH again as texts the following quarter.

Market value will be paid for books in good resaleable condition which are **not** to be used at CSUDH again the following quarter but are current elsewhere.

Market value usually is 25% of the new book price for hardbound books and 10 cents on the dollar for paperbacks.

This market value procedure is offered as a service only and is one way of allowing students to dispose of unwanted textbooks without a complete loss. There is no profit in this for us, we are doing it to help you.

STUDENT DEVELOPMENT

EMPLOYMENT RECRUITMENT INTERVIEWS - FALL 1985

The Student Development Office (SC C-128) assists students seeking career employment through job listings, direct job search, and the on-campus interview program. During the Fall 1985 quarter, the following companies are among those scheduled to participate in the campus interview program:

Union Oil Company, State Board of Equalization, Sav-on Drugs, Inc., Transamerica Occidental Life Insurance Company, Electronic Data Systems, Franchise Tax Board, Defense Contract Audit Agency, Hamilton/Avnet, Inc., Sumitomo Bank, Bullock's, L.A. County Audit Division, Target Stores, Naval Investigative Service, L.A. County Department of Health Services, IDS/American Express, Newark Electronics, Prudential Insurance and many others.

Interview schedules are available in the Student Union, University Information Center, and the Student Development Office.

STUDENT DEVELOPMENT COUNSELING GROUPS

Personal counseling is offered individually and in groups. Some of the groups and workshops which may be offered in the Fall Quarter include:

ASSERTION TRAINING

Assertion Training provides participants with alternatives to their present styles of functioning toward more effective communication and greater self esteem. Participants will be given a chance to take a new look at themselves, their lives, their feelings, options, and responsibilities.

COPING WITH A CHRONIC ILLNESS

A chronic illness can be devastating. If you are suffering from a chronic illness, you may feel alone with no one to talk to. Family members and friends may mean well, but often do not understand what you are going through or may be afraid to talk with you. This group provides a forum to share your feelings and experiences with those who are coping with a similar situation. Learn to help each other—and most importantly, to help yourself.

DEVELOPING YOUR CAREER IN THE HELPING PROFESSIONS

Moving through a B.A. to an M.A. or Ph.D. and becoming a licensed professional can have its problems and pitfalls. What do you need to do to choose a graduate program and where do you go from there? This workshop focuses on developing your career and establishing yourself as a professional in your community. Topics for discussion will include: What you need to know if you plan on entering a Masters or Ph.D. Program; how to accrue hours for licensure; how to market yourself; developing your own specialization; establishing visibility and credibility; networking; making professional contacts work for you; and brainstorming techniques to help you develop your fullest potential.

PERSONAL AWARENESS

This group provides participants with opportunities to improve their quality of life as well as to deal with specific inter-personal and intra-personal problems.

SELF-EXPLORATION THROUGH CREATIVE FANTASY

This is a group counseling experience aimed primarily at self-exploration and development through the utilization of fantasy techniques. Creative Fantasy is a counseling modality which facilitates personal growth and promotes heightened awareness of self and others. Creative Fantasy is a method of representing symbolically feelings and aspects of the person which have been disassociated or disowned, allowing for reintegration of these aspects and feelings into the total personality structure and, thereby, allowing the person to achieve a higher functional level.

TEST ANXIETY

If you are a student who feels well prepared but does poorly on exams because you are uptight and unable to think clearly while taking them, a few hours of "Test Anxiety Desensitization Training" could be helpful. The Student Development Office offers a Test Anxiety Group designed to help you cope with your uneasiness about taking exams. By learning a more adaptive, relaxed response to the anxiety-provoking test situation, you may significantly improve your performance on written tests. Test Anxiety Desensitization Training is very simple and very short, lasting for only five sessions.

THE ASSOCIATED STUDENTS

The Associated Students has been in existence in one form or another since 1967. During that time, they have been dedicated to furthering the educational, social, cultural and recreational welfare of the students at CSU Dominguez Hills.

In essence, the students are the Associated Students main concern. The membership fees (activity fees paid at the beginning of each quarter) constitute the yearly budget, which is expended for student-run activities that benefit students, such as inter-collegiate activities, tutorials, the newspaper, the Child Development Center and cultural programming. Students making decisions about activities that benefit students—that's what the Associated Students is all about!

Nearly 50 student volunteers are needed yearly to fill University and Associated Students committees that make important decisions concerning the educational welfare of students. Input is desperately needed at the statewide level as well. Associated Students Office is located in Small College. The telephone number is 516-3686.

Student Activities

The Student Activities and Cultural Programs Commission (S.A. and C.P. Commission), and the Organizations commission of the Associated Students sponsor a wide variety of activities for students which generally includes films, speakers, dances, and other events. Contact the Associated Students in Small College N104 for further information about these programs, at 516-3686.

HOUSING

On-Campus Housing

Living on campus makes university life more fulfilling and exciting. The convenience and reasonable fees are yet other reasons for living in the new student apartments. One and two-bedroom apartments are offered furnished and unfurnished, and unlike traditional dormitories they have their own full-size kitchens. The apartments fill up early, so apply as soon as possible. For On-Campus Housing information please stop by or call the University College Dean's Office in Small College Building #3, M110, (213) 516-3784, or the Office in Building A of the Student Apartments, (213) 516-4228.

Off-Campus Housing

As a service to students seeking off-campus housing accommodations, the Office of Student Programs keeps an up-to-date listing of local houses, apartments, and rooms that owners list with the University. For additional information regarding off-campus housing, please call or stop by the Office of Student Programs, located in Small College Building #8, Room K-144, or telephone 516-3854.

TAKE II REENTRY PROGRAM

A majority of the students at CSU Dominguez Hills have had a significant break in their education and are considered reentry students. Approximately 50 percent of undergraduates are more than 25 years-of-age and approximately 62 percent of the graduate population is over the age of 30.

The main purpose of the Take II program is to introduce students to campus—to show them how it works, and to encourage them to make it work for them. Initially, returning students can draw support from the program and then ease away from it as their own confidence increases. The office is located in SCC K-144. The telephone number is 516-3854.

HEALTH CENTER

The student services fee paid by all regularly enrolled students at registration allows students to benefit from many services offered by the Health Center. Not only is care provided for illness and injury, but doctors, nurses and lab technicians do screening tests including those for diabetes, hypertension, anemia, pregnancy, and venereal disease. The Center stresses the "health and wellness" concept and assists students by providing health care consultations in such areas as nutrition, birth control counseling, weight control, relaxation training and sexuality counseling.

The Center also features a licensed pharmacy where students may get prescriptions filled and purchase over-the-counter items as well. Costs are much lower than at private pharmacies and students are invited to consult with the pharmacist. X-ray services are also available.

Also offered are health education seminars on various health concerns, as well as out Lifestyle Health Faires and referrals to community resources.

Located in the building north of the University Theater, the Center is open from 8 a.m. to 7 p.m., Monday through Thursday, and 8 a.m. to 5 p.m. on Fridays.

For appointments call 516-3629 (3629 from campus phones). Students will also be seen on a walk-in basis.

UNIVERSITY LIBRARY

Many successful students know the library can answer your questions. Use your library. It will make life easier. The library has expanded its hours to meet your needs. During the regular academic year the library hours are:

Monday through Thursday, 7 a.m. to 11 p.m.

Friday, 7 a.m. to 5 p.m.

the application by April 15. All undergraduate students who have not received a bachelor's degree and are applying for financial aid must also apply for a Pell Grant.

The University participates in the following financial aid programs: National Direct Student Loans (NDSL); Guaranteed Student Loans (G.S.L.); College Work Study (CWS), Supplemental Educational Opportunity Grants (SEOG); Pell Grant; California Educational Opportunity Grants (EOP); State University Grant (SUG); Cal Grant A; the Cal Grant B; and the California Graduate Fellowship Program, the Bilingual Teacher Grant Program, and The California Loan to Assist Student Program (CLAS).

A brochure is available in the Office of Financial Aid to explain the various programs in detail.

AIR FORCE ROTC

Through arrangements with the Air Force ROTC Department at Loyola Marymount University, students at CSU Dominguez Hills can enroll in the four-year Air Force ROTC program. ROTC classes are held on Tuesday or Saturday mornings at Loyola Marymount University and the credits earned are counted as elective units toward graduation requirements. Successful completion of the AFROTC program (and receipt of a bachelor's degree) lead to a commission as a second lieutenant in the U.S. Air Force. For additional information contact the CSUDH office of Student Development, or the Department of Aerospace Studies (AFROTC), Loyola Marymount University, Los Angeles, CA 90045, telephone: (213) 642-2770. This program is also available on Thursday afternoons (3 to 6 p.m.) at CSU Long Beach, telephone: (213) 498-5743.

STUDENT ESCORT SERVICE

Under the direction of the Department of Public Safety, Student Assistants are employed to escort the university community to their parked vehicles during the evening hours. The service is available Monday through Thursday evenings from 6:30 p.m. to 10:30 p.m. Persons wishing to use this service should phone 3639. On campus courtesy telephones are available in the Cafeteria, the lobby of the Library, HFA Lobby, and the Information & Service Center. The student assistants wear distinctive red jackets with the Public Safety patch on the front.

There are application deadlines for each quarter as well as income criteria for eligibility. For further information, please contact Ms. Doris Battle at 516-3632.

LEARNING ASSISTANCE CENTER

The Learning Assistance Center offers a broad range of support services to students to include tutoring, and assistance with study skills (listening/notetaking; exam preparation; reading development; vocabulary and computation skills development).

Other support assistance includes seminars and workshops for students who are preparing for the following tests: CBEST, JEPET, ELM. The PLATO computer program, which offers over 6,000 hours of various information, is used to assist students in their preparation for these various tests.

The Learning Assistance Center is located on the lower level of the Educational Resources Building (ERC A103). For further information call 516-3827.

ALUMNI ASSOCIATION

The CSU Dominguez Hills Alumni Association seeks to advance the welfare of the University, to promote common interests of its students and alumni, and to serve as liaison with the University, alumni, and the area. The Alumni Association sponsors a number of activities during the year, provides scholarship assistance to students, presents Outstanding Achievement Awards annually to outstanding seniors, and generally supports the University.

Today the alumni of the University number more than 18,000 and are found throughout the world. All CSU Dominguez Hills students are eligible for membership in the Alumni Association. Those students wishing further information about the Association should contact the Office of University Relations, at 516-3787.

INTERCOLLEGIATE ATHLETICS

The athletic program at CSU Dominguez Hills is unique in its balance between men's and women's sports programs. The department currently conducts four men's sports, six women's sports, and two co-educational sports which serve 150 athletes.

These 12 sports compete in the California Collegiate Athletic Association which consists of CSU Dominguez Hills, Cal State Los Angeles, Cal State Northridge, Cal State Bakersfield, Cal Poly Pomona, Cal Poly San Luis Obispo, Chapman College and UC Riverside. The Toros compete on a national level in NCAA Division II.

Both the men's and women's teams have enjoyed great success. The women's volleyball team has finished as high as fourth in the country, while the men's basketball team captured the CCAA title in its first year in the conference in 1981.

The women's softball team was co-champions in the CCAA in 1983 while the basketball team is ready to challenge CCAA opponents in pursuit of its first title.

On the men's side, the soccer team captured the CCAA title in 1982 and was an NCAA Quarter Finalist, while the men's golf team has been rated among the nations top 15 teams the past two years and have sent someone to nationals the past three years.

The baseball team competes against many Division I schools and has had 20 players sign professional contracts. A new and exciting sport added for the 1984-85 sports year is women's soccer. Former professional Marine Cano is the first coach and will look to build a winning program.

The co-educational sports are track and field and cross country. These programs have only been in existence five years but already have produced all-American and All-Conference performers in both the men's and women's portions of both sports.

CSU Dominguez Hills has an intramural program which will provide competitive opportunities for resident and non-resident students in a wide variety of sport activities. Call 516-3893 for further information.

STUDENT WORD PROCESSING

Students interested in learning the use of word processing and also learning the basic operations of a microcomputer can do so by enrolling in SMT 100, BASIC WORD PROCESSING. There are two options available. Students who wish formal instruction should enroll in section 1, 2, 3 or 4. Students who wish to work at their own pace should register for section 5. All instruction takes place in the campus word processing center, located in ERC A315. At the conclusion of the instruction, the student will be able to use a powerful word processor for the preparation of written work.

CHILD DEVELOPMENT CENTER

Students, faculty or staff members with children ages 2½ to 14, may be eligible to register them in the on-campus Child Development Center.

Under the auspices of the School of Education, the Center is a professional school for child development, not a baby-sitting service. Teachers and student interns observe and assist the children in the carefully prepared indoor and outdoor activities.

Funded by a variety of sources including Student Association, parents are charged a sliding fee scale. All children must be toilet trained and in good health. Each is given a noontime hot lunch. The Center hours are Monday through Thursday, 7:45 a.m. to 6:30 p.m., and Friday, 7:45 a.m. to 5:00 p.m. when the University is in regular session. Call 327-2880 for further information.

OLDER ADULT CENTER

The Older Adult Center (OAC) serves as a support system for older students on campus, but provides a warm and friendly atmosphere for people of all ages. The coffee pot is always on during open hours. Services include a tuition waiver program for a limited number of students over age 60, and an inter-generational shared housing program designed to match senior citizens of the community with students needing a place to live. The OAC also provides many other academic and social opportunities for students, faculty and staff. Those interested in being placed on the OAC's activities mailing list may drop by the center and sign up. Information Referral Services are offered each quarter to the community and University.

The OAC also serves as the Carson/Dominguez Hills Network of Gray Panthers, a senior citizen advocacy group. People of all ages are welcome to become active in the Gray Panthers.

Located in SBS B-235, the OAC's hours are 9 a.m. to 4:30 p.m., Monday through Thursday. For further information, call 516-4003.

PRESIDENT'S OPEN HOURS

The President's Open Hours provide a continuing opportunity for an exchange with students, faculty and staff on questions, opportunities, and problems that interest or concern them.

Discussion should deal with general problems and opportunities of the University rather than personal problems and needs of individual students, faculty and staff.

President Butwell will ordinarily keep Thursday afternoons free from 1:00 to 4:00 p.m. for this purpose. Members of the University community are cordially invited to visit with him in his office (ERC G503) during these hours.

Students, faculty or staff with particular problems should make individual appointments.

NEW COURSE SUFFIXES

There is a new system of course suffixes:

- A = activity class
- L = laboratory class
- P = production class
- S = supervision

Where you may have seen only "L" used in the past you may now see an "A", "P" or "S". **MOST** of these courses required the student to enroll in **BOTH** the lecture and activity, lab or production portion of the course.

SCHEDULE NUMBER

The five digit-code in the far left column is a number which identifies the course and section of the class you want to take. After classes begin (September 26, 1985) it will be necessary to use these numbers to register for a course or change your program. (Beginning Winter term 1986 this code number will be required to register for all classes).
