California State University  
Dominguez Hills 

## ABOUT THE UNIVERSITY

California State University, Dominguez Hills, (CSUDH) is a public, metropolitan, culturally-diverse university offering undergraduate, graduate and professional studies in more than 100 programs. One of the newer campuses in The California State University system, CSUDH is located in the southwestern section of Los Angeles County, on the historic Rancho San Pedro.

Our more than 8,000 students range widely in age, ethnic origin, and community of residence. The campus is on the quarter system, classes are small, and instruction is personalized. A significant proportion of students attend classes solely in the evenings.

The University is fully accredited by the Western Association of Schools and Colleges and by professional associations in several academic specialties. More than 85 percent of the faculty hold the doctorate degree.

With beautiful landscaping and architecture, modest cost, and moderate size, the university represents a unique and attractive alternative to other, much larger or more expensive universities in the Los Angeles area.

## ADMISSIONS INFORMATION

Prospective students, part-time or full-time, or returning students who have been out of school for three or more quarters, must file an application for admission, pay the \$30 application fee (or qualify for a fee waiver), and provide supporting documentation within the announced filing period. To enroll in classes, applicants must be formally admitted to CSUDH for that quarter. Procedures are explained in the University catalog, and admissions advising is available at the Information and Service Center. Applications may be obtained from that Center.

Eligibility varies depending on the applicant's previous academic background. There are four applicant groups:

1. **First Time Freshman** – A California high school graduate and legal resident of the State must present a high school grade point average (GPA) from the last three years of high school (excluding physical education and military science) and a test score from either the American College Test (ACT) or Scholastic Aptitude Test (SAT). The combined GPA and test score must place the applicant in the upper one-third of the statewide California high school graduating class. (See the Catalog for a comprehensive eligibility table).

Students who are not legal residents of California and are graduating from high school in other states or United States possessions must have a GPA and test score placing them in the upper one-sixth of California high school graduates.

2. **Undergraduate Transfer Students** – Students in good standing of the last college or University attended may be admitted by meeting one of the requirements listed below. (The grade point averages referred to are on a 4.0 scale.)

- A. Students with less than 56 semester (or 84 quarter) transferable units must be eligible according to first-time freshman requirements (see above) and must have earned a GPA of 2.0 ("C" average) or better in all transferable units attempted.
- B. Students with 56 or more semester (84 or more quarter) transferable college units must have earned a 2.0 GPA ("C" average) or better in all transferable coursework (non-residents, 2.4).

The maximum transferable credit accepted from a two year college is 70 semester (105) units.

3. **Graduate Students** – A graduate applicant must have a minimum 2.5 GPA in the last 60 semester (or 90 quarter) units attempted, possess an accredited baccalaureate degree, and be in good standing at the last institution attended to be admitted to unclassified standing. Unclassified admission does not constitute admission to a graduate degree curriculum.

4. **International Students** are required to have a 2.4 GPA on all units attempted from college and a minimum score of 550 on the Test of English as a Foreign Language (TOEFL).

## A MESSAGE FROM DONALD R. GERTH, PRESIDENT OF CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS

The Spring quarter is for many a time of completion at California State University, Dominguez Hills. Some are completing the milestone of another academic year; for some it is the time of degree completion and a major decision point in life. The real meaning of a baccalaureate or master's degree will begin to unfold for those who are completing programs, and for most this is a lifetime affair measured in the character of relationships we have with others, as well as in the traditional terms of "the privileges and responsibilities" of a degree.

I look forward this year, as I have for many, to Commencement Day and on this campus especially, that celebration of our achievements together which the day marks.

We can say about Dominguez Hills that it is a University bringing people together in a society that is at once pluralistic in its texture and homogeneous in its commitment to values.

## GENERAL INFORMATION

### ADD OR DROP CLASSES DURING THE FIRST THREE WEEKS

- Complete the ADD/DROP information on the Change of Program form, using the department name (3 letters), course number (3 numbers,) and section (2 numbers).
- If adding, obtain the signature of the instructor.
- If dropping, enter the information in the DROP portion of the card. No signature is required.
- Return the Change of Program form to the Admissions and Records counter.
- Present your receipt card and I.D. card for name and date embossing.
- Conditions for dropping a course after the third week are outlined in the current CSUDH Catalog. A student who enrolls in a course, discontinues attendance, and does not officially drop the course will automatically receive an F or U grade for the course.

### ETHNIC SURVEY INFORMATION

When you pick up your registration packet at Step 2 of the registration process, some of you will find an Ethnic Group Survey Card. If this card is included in your packet, please take a moment to fill it out.

The diversity of students at CSUDH is one of the University's greatest strengths and, although providing ethnic information is voluntary, your participation will enable the institution to acquire accurate data for campus planning, to comply with state and federal regulations, and to allow the University to better know and serve its students.

Furthermore, many companies and corporations in the Los Angeles area are required to have an Affirmative Action plan which includes goals for hiring and promotion. Accurate goals can only be set when companies know how many qualified candidates are available for open positions.

CSUDH provides companies and agencies, upon request, with information about group characteristics and ethnic composition of its graduating classes. This information helps companies set accurate goals for hiring and promotion.

### FIRST CLASS MEETING

Students should report to the first meeting of their scheduled classes. Check the Schedule of Classes for room numbers. Each student is responsible for attendance in the courses and specific sections in which he/she has enrolled.

Students who enroll in a class but do not attend its first scheduled class meeting and do not contact the instructor beforehand, may forfeit their space in the class and their place may be given to waiting students who are unable to enroll at the time of registration. IT IS THE RESPONSIBILITY OF THE STUDENT TO OFFICIALLY DROP ANY COURSE IN WHICH HE/SHE IS ENROLLED. Students who do not OFFICIALLY drop a course in which they have enrolled will receive an F or U grade for the course.

### CREDIT/NO CREDIT OPTION (Undergraduate Students Only)

Undergraduate students selecting the Credit/No-Credit option must do so by the end of the third week of instruction, April 17, 1984. Credit/No-Credit cards are available from the Office of Admissions and Records and the Information and Service Center and must be submitted by the deadline. For additional conditions and limitations of the Credit/No-Credit option, consult the current CSUDH catalog.

### CANCELLATION OF CLASSES

The University reserves the right to make changes in the Class Schedule as printed. When enrollment in any class is not sufficient to justify its continuance, the course may be cancelled.

If the University cancels a class, the student will receive a full refund of applicable fees UPON APPLICATION FOR REFUND or will be allowed to register in another class without payment of a late fee.

### EXCESS UNITS-STUDY LOAD LIMITS

For undergraduate students in good academic standing, the normal program load is the equivalent of four full courses. To this may be added activity courses having a value of one-half course or less. A student may enroll in a maximum of 20 units during the registration period. Students who wish to enroll in more than 18 units must obtain the written approval of the adviser on the Course Request Card during Registration and on the Change of Program form during the quarter. A student who wishes to enroll in more than 24 units after registration must secure the approval of one of the following individuals:

- The Dean of the School in which the student is majoring
- The Director of the Small College for Small College students
- The Coordinator of Liberal Studies for Liberal Studies majors, or,
- The Coordinator of Academic Advising.

### CHANGE OF INSTRUCTOR

The University reserves the right to make changes in the Class Schedule as printed. When classes are split or sections are cancelled due to lack of enrollment, it may be necessary to assign an instructor different from the one listed in the class schedule.

### PROCEDURE FOR RETAINING CONTINUING STUDENT STATUS

#### A. PROCEDURE

A student at the University may "sit out" or miss one or two consecutive quarters of attendance and retain continuing student status without filing a new application for admission. Students who choose to "sit out" the one or two consecutive quarters will be regarded as continuing students and will receive registration information and related materials as if they were currently enrolled. This procedure will apply to students who do NOT attend any other institution in their absence from CSUDH. A student who attends another institution would be required to submit a new application for admission and the application fee. A student who is absent for more than two quarters will also be required to submit a new application and fee.

#### B. RETENTION OF CATALOG RIGHTS

A student utilizing the continuing student status procedure will retain catalog rights. The student will be able to use the requirements of the catalog under which they were admitted or in effect at the time of graduation.

# GENERAL INFORMATION

(continued)

## OFFICIAL WITHDRAWAL FROM THE UNIVERSITY

Students who wish to withdraw from the University are urged to consult the Information and Service Center prior to official withdrawal. Official withdrawal is necessary if a student leaves CSUDH at any time after registration and does not intend to complete the quarter. The forms for initiating this process may be obtained from the Information and Service Center (SCC A130).

When official withdrawal from the University occurs before the quarterly deadline for dropping classes (the third week of instruction) the record indicates official withdrawal. However, if official withdrawal occurs after the third week of instruction, different procedures must be followed. Refer to the current CSUDH Catalog for those procedures. Students who do not officially withdraw will automatically receive F or U grades in all courses for which they are enrolled.

Conditions for readmission are indicated on the withdrawal form. A student who withdraws under satisfactory conditions shall be classified as a continuing student for the next quarter.

## VETERANS BENEFITS AND RESPONSIBILITIES

It is the responsibility of each veteran to request certification for Veterans Educational Benefits at the time of registration, if this request was not previously completed. Continuing students are normally certified for the school year, September through June, and must make arrangements for any variations, including discrepancies in the number of units reported. New students are, upon request, certified for the current quarter through the end of the school year. Please verify your certification with the veterans clerk at the veterans station during Registration.

It is also the responsibility of the veteran to report to the Office of Admissions and Records any changes of enrollment affecting certification status.

For new students who are being certified for the first time, and for continuing students who were not certified previous to registration, it will take six to eight weeks from the date of certification before Veterans Educational Benefits are received.

## FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

All student records of The California State University, including CSUDH are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974.

Students may request access to those campus records which personally identify the student. The student may challenge the accuracy of the record or the appropriateness of its retention in the campus records. Student consent is needed for the release of records covered by the Act to outside parties (e.g., prospective employers) except for those agencies entitled to access under the provisions of the Act (e.g., campus officials, other schools, federal officers, and requests in connection with the application or receipt of financial aid).

A student may request a copy of a record which he/she has requested for release. Students must pay a charge for copies of records for which such a charge has been established. Copies of the full text of the Family Educational Rights and Privacy Act of 1974 are available at the Office of the Dean of the University College (SCC M110) or the campus library. Particular questions

with respect to a student's perogatives under the Family Educational Rights and Privacy Act of 1974 should be directed to the Office of the Dean of University College.

If a student wishes to restrict the release of directory information, a request may be made at the Office of the Dean of University College. The request is valid from the quarter requested through the end of the academic year. Requests for restriction of release of information for a subsequent academic year require a new form.

## CREDIT BY EXAMINATION

Effective with the Fall Quarter of 1978, Credit by Examination is governed by the following regulations:

### GENERAL CONDITIONS

1. Registered students may receive credit-by-examination for courses in which they are eligible to enroll.
2. The student should contact the office of the appropriate department to initiate the procedure.
3. Each department will maintain an up-to-date listing of courses which may/may not be taken as credit-by-examination.
4. The student will select a traditional letter grade or the CR/NC option, in accordance with the policies applicable to regular course enrollment.
5. Credit-by-examination will not be given for course work which an academic department deems inappropriate or impossible to evaluate by examination.
6. The same course can be taken only once by credit-by-examination.
7. Credit-by-examination will not be given for a course if the student has already received credit for a similar but more advanced course.

### PROCEDURE FOR COURSES LISTED IN THE CLASS SCHEDULE

1. The student secures a petition for credit-by-examination from the appropriate department office and obtains the signature of the instructor and department chair.
2. If the petition is approved, the student enrolls in the course during registration and is given the examination during the first two weeks of the quarter.
3. The student is notified of the results of the examination during the third week of the quarter. If the examination is passed, the grade is submitted to the Office of Admissions and Records by the end of the third week. The student's name will remain on the roster and the grade will appear on the quarterly grade card. If the examination is failed, the student has two options: (a) remain enrolled in the course and complete it according to standard procedures, or (b) officially drop the course before the end of the third week.
4. The course grade will appear on the student's permanent record card with the other grades for the quarter with the designation that the course was completed by examination.

### PROCEDURE FOR COURSES NOT LISTED IN THE CLASS SCHEDULE

1. The student secures a petition for credit-by-examination from the appropriate department office and obtains the signature of an appropriate and willing instructor and the department chair.
2. If the petition is approved, the examination will be scheduled within 15 days.

# GENERAL INFORMATION

(continued)

3. Upon the completion of the exam, a grade is recorded on the petition and the petition is forwarded to the Office of Admissions and Records.
4. Admissions and Records notifies the student of the grade provided by the department.
5. Only a passing grade will be recorded on the student's permanent record card. A non-passing grade will not be recorded.

## CHANGE OF NAME OR ADDRESS

If you have made a change of name or address which has not been reported to the University, please come to the Office of Admissions and Records and request the CHANGE OF NAME/ADDRESS form. It is very important that the University be informed of any change so that you will receive all mailings.

## AUDITING A CLASS

Auditors must pay the same fees that would be charged if the course were taken for credit. Enrollment as an auditor is subject to the approval of the instructor. A student registered as an auditor may be required to participate in any or all classroom activities at the discretion of the instructor. Credit for courses audited will not subsequently be granted on the basis of the audit. No record of audit appears on the student's permanent record card nor are transcripts issued for audited courses.

An enrolled student who wishes to audit a course in addition to his regular program must obtain the approval of the instructor on the Approval for Audit form available in the Office of Admissions and Records and pay the fees required as if the course were taken for Credit. The approval may not be obtained before the first day of instruction. A student may not opt to audit a course after the end of the third week or change from credit to audit status after that date. If a student has enrolled in a course and is changing to audit status, the course must be officially dropped at the time the audit form is submitted.

An audited course should be taken into consideration when planning a program so that the study load will not be excessive.

A student not admitted to, nor enrolled in, the University must file a Statement of Residence prior to auditing a course. A resident determination must be made so that the appropriate fees may be charged. An application for admission is not required. A student must then follow the procedures as outlined above.

## TITLE IX OF THE EDUCATION AMENDMENTS OF 1972

Title IX of the Education Amendments of 1972 and the Departmental Regulation (45 CFR Part 86) promulgated thereunder prohibit discrimination on the basis of sex in the operation of most federally assisted education programs. The Affirmative Action Coordinator, Office of Faculty and Staff Affairs, has been assigned the administrative responsibility for reviewing such matters.

## USE OF THE ID CARD

The ID card must be carried at all times and be validated each term. A current ID card is necessary to perform certain transactions in Admissions and Records, the Library, the Business Office, and other campus offices, and is necessary to obtain services covered by the student service fee, such as personal and career counseling and employment and health services.

The ID card is also required by the Student Association to establish eligibility to participate in student activities and elections.

## CONCURRENT ENROLLMENT

A student enrolled at the University may enroll concurrently at another institution only by filing a PETITION FOR CONCURRENT ENROLLMENT with the Office of Admissions and Records after securing written approval by the academic advisor. Permission will not be granted when the study list in the proposed combined program exceeds the units authorized at this University for full-time study.

## ENROLLMENT IN CONFLICTING CLASSES

Students are NOT allowed to enroll in two classes which meet at the same time, without specific approval on the PETITION FOR PERMISSION TO REGISTER FOR COURSES WITH A TIME CONFLICT. A student found to be enrolled in conflicting courses without the form on file will be required to resolve the conflict. The petition form is available at the Office of Admissions and Records.

## FULL-TIME STATUS

Undergraduates are considered to be full-time students during any quarter in which they are enrolled in 12 units or more. In order to graduate in four years, however, a student must complete approximately 16 units each quarter. Graduate-level students enrolled in eight or more graduate-level (300 or 400 level) units are considered to be full-time.

## CREDIT FOR OPEN UNIVERSITY, EXTENSION AND CORRESPONDENCE COURSES

The University allows transfer credit for appropriate college-level courses completed in extension, including Open University, or by correspondence from accredited colleges or universities and the United States Armed Forces Institute. A maximum of 36 quarter (24 semester) units earned through extension, completed at CSUDH or elsewhere, correspondence, and USAFI may be accepted toward a bachelor's degree. For graduate level students, a maximum of 13 quarter units of extension work may be applied to a degree.

## REQUIREMENTS FOR THE BACHELOR'S DEGREE

Students seeking a baccalaureate degree from the University must complete specific requirements as determined by the Trustees of The California State University; the California Administrative Code, Title 5; and, California State University, Dominguez Hills.

Briefly summarized, the college-wide requirements include all of the following:

1. Completion of 186 quarter units of credit.
2. Completion of Title V general education requirements, either by completing the General Education program or the General Studies program which was implemented in 1980. Completion of the General Studies program is required of (a) students who were new freshmen Fall 1980 and thereafter and (b) transfer students enrolling Fall 1981 and thereafter who were not previously enrolled continuously at CSU campuses or California Community Colleges.
3. Satisfaction of statutory requirements in American history and government by completing courses History 101 or examination and Political Science 101 or examination.

# GENERAL INFORMATION

(continued)

4. Satisfaction of examination or course to demonstrate competency in writing.
5. Completion of one of the following: a major and a minor, or a major in one of the eight designated single fields; or a double major. This requirement also can be satisfied through the Areas of Concentration in the Small College combined with a thematic project, a minor or another major. Specification for each field are outlined under their appropriate headings elsewhere in the University Catalog.
6. Completion of elective courses (beyond the requirements in 2, 3, and 5 above) to reach the total of 186 quarter units of credit.
7. The term residence units applies to those units earned at CSUDH while an officially admitted student in a degree program. Fees must be paid through the regular registration process. Residence requirements for a Bachelors degree include a minimum of 45 units in residence of which 36 units must be in upper division courses and 18 upper division units must be in a major. When a minor is declared, at least one-half of all upper division units earned for the minor must be earned in residence. The maximum credit which may be taken in Extension (Open University) and used toward degree requirements is 36 units at the undergraduate level and 13 units at the graduate level. **RESIDENT EXTENSION UNITS DO NOT SATISFY RESIDENCE REQUIREMENTS FOR A DEGREE.**

## GRADUATION WITH HONORS POLICY

Effective with the 1978-79 academic year, to graduate with honors a student must complete 45 units in residence and receive a minimum of 3.40 on all units taken at CSUDH, with the overall grade point average determined on transferable undergraduate work. The Honor Categories are as follows:

- Cum Laude (3.40-3.59)
- Magna Cum Laude (3.60-3.79)
- Summa Cum Laude (3.80-4.00)

All students graduating under the 1978-79 or earlier catalogs will be evaluated for graduation using the new criteria. If they meet the new criteria, they will be designated as graduating cum laude, magna cum laude, or summa cum laude. If they do not meet the new criteria, they will be evaluated as graduating with honors as stipulated in earlier catalogs and, if eligible, will be designated as graduating "With Distinction" or "With Great Distinction". Students graduating under the 1979-80 catalog and subsequent catalog years will be evaluated using the new criteria only. Graduation with honors is available only to undergraduate students earning a first baccalaureate degree.

Candidates for graduation with honors will be listed in the commencement program based on grades earned through the previous fall quarter. OFFICIAL placement in one of the honors categories will be based on all grades earned including the final term. Therefore, it is possible to be listed as a candidate in the commencement program, but not graduate with honors after all grades have been calculated. Students who do graduate with honors will have the appropriate designation inscribed on their diplomas.

## DEGREE CANDIDATES

Candidates for a BACCALAUREATE DEGREE must file an application for graduation with the Office of Admissions and Records in accordance with the following schedule:

To GRADUATE at the end of:	You must FILE by the:
FALL QUARTER	First Week of the Spring Quarter
WINTER QUARTER	First Week of the Fall Quarter
SPRING QUARTER	First Week of the Winter Quarter
Either Summer Session	First Week of the Spring Quarter

**NOTE:** An application for graduation will not be accepted unless the student has completed a minimum of 150 quarter units.

Candidates for a GRADUATE DEGREE must file an application for graduation by the end of the first week of the quarter in which they play to graduate. Candidates for either Summer Session must file the first week of Spring quarter.

The absolute deadline for filing for Graduation is the end of the first week of instruction for the final quarter.

**RESPONSIBILITY FOR COMPLETION OF DEGREE REQUIREMENTS IS THE STUDENT'S** and therefore each student must be thoroughly familiar with the procedures and information about graduation. If you have questions, please consult a CSUDH catalog or check with the Office of Admissions and Records. Please note that a Master's degree requires a minimum of 32 units earned in residence. **RESIDENT EXTENSION (OPEN UNIVERSITY) UNITS DO NOT SATISFY RESIDENCE REQUIREMENTS FOR A DEGREE.** A maximum of 13 units of credit at the graduate level taken in Extension may be used toward degree requirements.

## NON-RESIDENT STUDENTS

If you were admitted to CSUDH as a non-resident student you should be aware of the following:

Chapter 102 of the 1981 Statutes of California requires that the "financial independence" of a student must be considered when a non-resident student is requesting reclassification as resident.

If you are seeking reclassification as a resident, you are required to complete and file new residency forms with the Admissions Office. The completed forms will be reviewed and a determination made. If you are eligible for residency status, you will be informed and your registration packet will be changed to reflect your new status. The appropriate forms are available at the Admissions and Records counter.

The residence questionnaires by which your status may be changed must be submitted to the Admissions and Records Office at least two weeks prior to registration.

## CAPSTONE

CAPstone is a program that allows students to cross-register for a course at a participating institution with a minimum of difficulty and fees.

CAPstone was designed for two types of students: (a) CSUDH students who want to take a course at a local community college that is *not* offered here (El Camino, Compton, Los Angeles Harbor, West Los Angeles, Trade Tech, Los Angeles City College, Long Beach City, Los Angeles Southwest or Cerritos) or (b) community college students who want to take a course at CSUDH before transferring, if that class is not offered at their college.

Each community college campus, as well as CSUDH, has a CAPstone coordinator and prospective students must obtain Cross-Registration forms from that person.

Community college students wishing to enter CSUDH for Spring quarter should have CAPstone forms submitted by the second week in March.

For further information contact John Auld, CSUDH CAPstone Coordinator, Office of School and College Relations, 516-3699.

## HONORS PROGRAM – GENERAL STUDIES

The CSUDH Honors Program serves new and continuing students with specially-designated sections of General Studies courses, advising and activities. See the course listing section in this schedule for the spring offerings. For further information, call 516-3640.

## DOUBLE COUNTING OF GENERAL STUDIES COURSES

Lower division general studies courses may be "double-counted" in both the major and the minor. Upper division general studies courses may be double-counted in the following majors only: Liberal Studies, Medical Technology, and Small College. (Majors in these programs should consult their faculty advisor for details.) Upper division general studies courses may be double-counted in the minor if (a) at least 18 quarter units are taken in the minor exclusive of general studies courses and (b) general studies courses used in the minor have the approval of the chair/coordinator responsible for the minor. Even though students may double-count certain general studies courses, they will not receive additional unit credit towards graduation by double-counting. A double-counted course counts four (4) units (not eight) towards graduation.

# GENERAL EDUCATION

The General Education program can be found in University catalogs prior to 1980-81. Continuing CSUDH students and transfer students in continuous attendance at California Community Colleges or a CSU campus who can graduate using a catalog prior to 1980-81 have the option of choosing this program rather than the new General Studies program. In addition, continuously enrolled 1980-81 freshmen at a community college or a CSU campus may choose this program.

Students who were first-time freshmen during 1981-82 must graduate using the new General Studies program, as explained in the respective catalog. The General Education program printed below has been modified somewhat in order to include courses from the new program. These courses can be used in the old program.

Students graduating from CSUDH must complete a minimum of 60 quarter units in General Education. 48 of the 60 units must be from categories I-IV printed below. Courses used to fulfill requirements in General Education may not be used to fulfill major course requirements, except as specified in the Liberal Studies major.

## TESTING INFORMATION

### ENGLISH PLACEMENT TEST - (EPT)

All students wishing to enroll in English 100 must take the English Placement Test unless they meet one of the exemptions listed in the current catalog. Verification of exemptions in the form of letters of notification or scores reported by testing agencies is required at the time of registration for the course.

Additionally, students who are bound by the EPT requirement *must* take the test in their first quarter on campus whether they plan to take English 100 that quarter or not.

The test dates for the EPT are:

Tuesday, Mar. 27, 1984	HFA A103	2:00 - 4:30 p.m.
Friday, Mar. 30, 1984	HFA A103	9:00 - 11:30 a.m.

### COMPETENCY IN WRITING

#### UNDERGRADUATE STUDENTS

All new and returning undergraduate students admitted for Fall 1983 or subsequent quarters must meet the upper division writing requirement. Those students who have rights to a catalog prior to 1983 will be held to the graduation requirements stated therein. This would include students who have been in continuous attendance at a California Community College or CSUDH continuing students. This requirement may be satisfied by one of the following options:

- A. **VOLUNTARY TESTING.** A test, for which a fee will be charged, is available to students at regularly scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year. Students are allowed to take the test only twice.
- B. **ADVANCED COMPOSITION COURSES** (offered by the English Department or by the Small College). The English Department regularly offers two types of advanced composition courses: a general purpose advanced composition course (English 250), and a course designed for students capable of profiting from intensive instruction (English 255). On occasion the Small College offers advanced writing courses.
- C. **UPPER DIVISION WRITING ADJUNCT.** The Writing Adjunct (SMC 298, 4 units required) currently offered by the Small College, is a structure for providing individualized instruction in composition that is adjunctive to study in another subject area.
- D. **UPPER DIVISION COURSES** (offered by Departments other than English). Some departments presently offer courses which, though not solely composition courses, stress instruction in writing, require frequent writing assignments, and provide regular response to students about their writing. Courses currently available in this category are Music 220, History 200, and Natural Science and Math 200.

The voluntary test is administered each quarter. Information on test date and procedures for sign-up are available in the Information and Service Center.

For further information regarding this requirement, students should contact Dr. David Rankin, Coordinator, University Composition Committee, in HFA B-344 (516-3939).

#### GRADUATE STUDENTS

All graduate students entering in Fall of 1983 and thereafter are required to satisfy the graduate competency in writing requirement in accordance with the following policy:

1. Students who have made either a score of nine on the Junior English Proficiency Essay Test or at least a grade of B, or its equivalent, in one of the undergraduate certifying courses at CSUDH are adjudged to have met the graduate writing requirement. Information regarding the schedule of test administrations and the list of approved courses is available in the Information and Service Center. (Also, see above B, C, and D.)
2. All students who did not meet the requirement as undergraduates, as in #1 above, must take the JEPET and make a score of at least nine or take one of the undergraduate certifying courses at CSUDH and make at least a grade of B.

3. Students who fail to make at least a nine on JEPET have the option of taking the exam a second time.
4. Students who fail twice to make a score of at least nine on the JEPET must take one of the undergraduate certifying courses and make at least a grade of B to meet the requirement.
5. Writing competency must be certified no later than the point of advancement to candidacy. Individual programs may require such certification at an earlier point in the student's program.
6. CSUDH will accept certification of *graduate* writing competence from another CSU campus.
7. Special arrangements will be made for some external degree programs. Students should consult with the program coordinator.

### JUNIOR ENGLISH PROFICIENCY ESSAY TEST - (JEPET)

For further information regarding the Junior English Proficiency Essay Test (JEPET) contact Suzanne Gemmell, University College at 516-3784.

### CREDIT BY EXAMINATION for English 100, 101, 250, and 252

Students wishing to earn credit by examination for English 100, English 101, English 250, or English 252 must take an examination at 10:00 a.m. on Saturday, April 7, 1984, in HFA A103. To be admitted to the testing room, each student must:

1. register for the course
2. fill out a petition to take the test. Petition forms are available in the English Department Office, (HFA E-315) and must be on file in that office before noon, April 2, 1984; and
3. provide verification of satisfactory performance on tests or in courses. Verification in the form of letters of notification, scores reported by testing agencies, grade slips, or transcripts will be checked before the petition forms are accepted by the English Department Office.

Each student petitioning to take

- English 100 is required to have an English Placement Test (EPT) score of C155 or higher. A student exempted from the EPT on the basis of a satisfactory score on the EEE, AP, SAT-Verbal, ACT, or College Board Achievement Test in English Composition *with* essay may also attempt to earn credit by examination;
- English 101 is required to have English Placement Test scores of C155 or higher AND L155 or higher and must have completed English 100; students with at least one transferable (baccalaureate) course in freshman composition must have earned a grade of B or better in that course but are exempt from the EPT;
- English 250 is required to have completed English 100 and 101 or their equivalents *with an average grade of B or better*;
- English 252 must show a passing score on the junior-level competency in writing examination (JEPET) or have successfully completed English 250, Advanced Composition, or the equivalent. They must also have completed English 100 and 101 or their equivalents.

Students who are unsuccessful in their attempts to earn credit by examination may remain in the class, complete the work, and be awarded credit at the end of the quarter. Students who pass the challenge examination may *NOT* remain in the class to earn grades better than those earned on the challenge examination. They may, however, retake the course in a later quarter to improve their grades.

More information on earning credit by examination appears in this year's catalog.

All students should bring 8½" by 11" blue books to the examination.

# STUDENT SUPPORT SERVICES

## THE STUDENT ASSOCIATION

The Student Association has been in existence in one form or another since 1967. During that time, the Student Association has been dedicated to furthering the educational, social, cultural and recreational welfare of the students at CSJDH.

In essence, the students are the Student Association's main concern. The membership fees (activity fees paid at the beginning of each quarter) constitute our yearly budget, which is expended for student-run activities that benefit students, such as inter-collegiate activities, tutorial, newspaper, Child Development Center and cultural programming. Students making decisions about activities that benefit students—that's what the Student Association is all about!

Nearly 50 student volunteers are needed yearly to fill University and Student Association committees that make important decisions concerning the educational welfare of students. Input is desperately needed at the statewide level as well. The Student Association Office is located in Small College N-104.

## STUDENT ACTIVITIES

The Student Activities and Cultural Programs Commission (S.A. and C.P. Commission) of the Student Association sponsors a wide variety of activities for students which generally includes films, speakers, dances, and other events. Contact the Student Association in SCCN-104 for further information about these programs, at 516-3686.

## STUDENT UNION AND ACTIVITIES

The UNION is located in the north and west wings of the Commons. There is a quiet lounge, where students can relax between classes, and an activities lounge in which students can participate in table and video games, billiards, and table tennis. The UNION houses the Student Activities staff and serves as a source of information about student clubs and organizations and all social, cultural, and recreational activities on the campus. The UNION staff maintains a calendar of events and sponsors many of their own activities, ranging from speakers' and cultural performances to social activities. The UNION phone number is 516-3559.

## HOUSING

### On-Campus Housing

Living on campus makes university life more fulfilling and exciting. The convenience and reasonable fees are yet other reasons for living in the new student apartments. One and two-bedroom apartments are offered furnished and unfurnished, and unlike traditional dormitories they have their own full-size kitchens. The apartments fill up early, so apply as soon as possible. For On-Campus Housing information please stop by or call the University College Dean's Office in Small College Building #3, M110, (213) 516-3784, or the Office in Building A of the Student Apartments, (213) 516-4228.

### Off-Campus Housing

As a service to students seeking off-campus housing accommodations, the Office of Student Programs keeps an up-to-date listing of local houses, apartments, and rooms that owners list with the University. For additional information regarding off-campus or on-campus housing, please call or stop by the Office of Student Programs, located in Small College Building #8, Room K-144, or telephone (213) 516-3854.

## HEALTH CENTER

The student services fee paid by all students at registration allows students to benefit from many services offered by the Health Center. Not only is care provided for illness and injury, but doctors, nurses and lab technicians do screening tests including those for diabetes, hypertension, anemia, pregnancy, and venereal disease. The Center stresses the "health and wellness" concept and assists students by providing health care consultations in such areas as nutrition, birth control counseling, weight control, relaxation training and sexuality counseling.

The Center also features a licensed pharmacy where students may get prescriptions filled and purchase over-the-counter items as well. Costs are much lower than at private pharmacies and students are invited to consult with the pharmacist.

Also offered are health education seminars on various health concerns, as well as Lifestyle Health Faires and referrals to community resources.

Located in the building north of the University Theatre, the Center is open from 8 a.m. to 7 p.m., Monday through Thursday, and 8 a.m. to 5 p.m. on Fridays.

## INTERCOLLEGIATE ATHLETICS

The athletic program at CSUDH is unique in its balance between men's and women's sports programs. The department currently conducts five men's sports, four women's sports and two co-educational sports which serve 150 athletes.

These 11 sports compete in the California Collegiate Athletic Association which consists of CSUDH, Cal State Los Angeles, Cal State Northridge, Cal State Bakersfield, Cal Poly Pomona, Cal Poly San Luis Obispo, Chapman College and UC Riverside. The Toros compete on a national level in NCAA Division II.

Both the men's and women's teams have enjoyed great success. The women's volleyball team has finished as high as fourth in the country while the men's basketball team captured the CCAA title in its first year in the conference in 1981.

The women's softball team was co-champions in the CCAA in 1983 while the basketball team is ready to challenge CCAA opponents in pursuit of its first title, and a young tennis team is building respectability toward a CCAA title.

On the men's side, the soccer team captured the CCAA title in 1982 and was an NCAA Quarter Finalist, while Scott MacDonald of the golf team finished 20th in the nation to complete a successful 1983 season for the golf team.

The baseball team competes against many Division I schools and has had 20 players sign professional contracts. A young tennis team is maturing and is hoping to be a factor in the CCAA race this year.

The co-educational sports are track and field and cross country. These programs have only been in existence four years but already have produced all-American and All-Conference performers in both the men and women's portions of both sports.

CSUDH has an intramural program which will provide competitive opportunities for resident and non-resident students in a wide variety of sport activities. Call 516-3761 for further information.
