## ABOUT THE UNIVERSITY

CSU Dominguez Hills is a quality university in a cosmopolitan setting. The University is on a park-line attractive campus of 346 acres. The University celebrated its 25th anniversary in the Fall of 1985.

With an enrollment of 8,000 students, CSU Dominguez Hills provides a friendly atmosphere with generally small classes and individual attention from faculty.

CSU Dominguez Hills has one of the highest percentages of faculty doctoral degrees in the CSU system -- more than 90 percent. There is an emphasis on teaching as well as research and an environment of caring about the needs of individual students. The University is full accredited by the Western Association of Schools and Colleges and by professional associations in several academic specialties.

With moderate size, modest costs, and a beautifully landscaped campus with modern and attractive buildings, CSU Dominguez Hills represents an attractive alternative to much larger and more expensive universities. CSU Dominguez Hills provides many of the nearby advantages of a large metropolitan area while at the same time offering a pleasant and easy-to-get-to location.

## MESSAGE FROM THE PRESIDENT

It is my pleasure to welcome you to the first Spring Semester at California State University, Dominguez Hills. As many of you are aware, we changed this year to the academic semester calendar. This allows many of you who are transfer students to join us mid-year, rather than waiting for several months to continue your academic careers.

If you are new to the University or simply require some additional assistance in planning your college work, seek advice from the faculty or advisement centers in your major department or at the Academic Advisement Center located in the Small College area or at one of the advisement tables set up for your easy access in the cafeteria.

Spring is an exciting time on a university campus. You will find many enticing events and activities planned for your enrichment. There are several dynamic speakers scheduled for this term. Basketball, both women's and men's is in full swing. Baseball and softball begin their seasons shortly. The theatre department will be presenting several well-known plays, and the art gallery is a constant showcase of creative endeavor and provides a place for renewal. The Honors Convocation is a special time when we pay tribute to the academic achievements of your fellow students. I hope that you will participate in as many of these events as possible. Your University life should revolve around more than your class attendance. Please join your fellow students, the faculty, staff and alumni at some of these events.

I look forward to meeting you personally. I sincerely hope that you find this Spring Semester a rewarding and valuable experience.

Richard Butwell

## ADMISSIONS INFORMATION

Prospective students, part-time or full-time, or returning students who have been out of school for two or more semesters, must file an application for admission, pay the \$35 application fee (or qualify for a fee waiver), and provide supporting documentation within the announced filing period. To enroll in classes, applicants must be formally admitted to CSU Dominguez Hills for that semester. Procedures are explained in the University catalog, and admissions advising is available at the Information and Service Center. Applications may be obtained from that Center.

Eligibility varies depending on the applicant's previous academic background. There are four applicant groups:

**FIRST TIME FRESHMAN** -- A California high school graduate and legal resident of the State must present a high school grade point average (GPA) from the last three years of high school (excluding physical education and military science) and a test score from either the American College Test (ACT) or Scholastic Aptitude Test (SAT). The combined GPA and test score must place the applicant in the upper one-third of the statewide California high school graduating class. In addition, students must have satisfactorily ("C" grade or better) completed four years of college-preparatory English and two years of college-preparatory mathematics, including algebra and geometry. (See the Catalog for a comprehensive eligibility table and details regarding the subject requirements).

Students who are not legal residents of California and are graduating from high school in other states or United States possessions must have a GPA and test score placing them in the upper one-sixth of California high school graduates.

**UNDERGRADUATE TRANSFER STUDENTS** - Students in good standing of the last college or University attended may be admitted by meeting one of the requirements listed below. (The grade point averages referred to are on a 4.0 scale.)

- \* Students with less than 56 semester transferable units must be eligible according to first-time freshman requirements (see above) and must have earned a GPA of 2.0 ("C" average) or better in all transferable units attempted.
- \* Students with 56 or more semester transferable college units must have earned a 2.0 GPA ("C" average) or better in all transferable coursework (non-residents, 2.4), and have satisfied any high school subject deficiency in English and mathematics by equivalent course work.

The maximum transferable credit accepted from a two year college is 70 semester units.

**GRADUATE STUDENTS** -- A graduate applicant must have a minimum 2.5 GPA in the last 60 semester units attempted, possess an accredited baccalaureate degree, and be in good standing at the last institution attended to be admitted to unclassified standing. Unclassified admission does not constitute admission to a graduate degree curriculum. (Please note that beginning Fall 1985 lower division courses and Extension courses completed after the bachelor's degree will be excluded from the GPA calculation. Upper division coursework taken through OPEN UNIVERSITY will be included in the GPA calculation)

**INTERNATIONAL STUDENTS** -- International students are required to have a 2.4 GPA on all units attempted from college.

All students, regardless of citizenship, who have not attended school at the secondary level for at least three years or beyond where English is the principal language of instruction, are required to earn a minimum score of 550 on the Test of English as a Foreign Language (TOEFL).

## ADVISEMENT

### GENERAL ADVISING SUGGESTIONS

A good, consistent relationship with an advisor can assist you greatly in achieving educational, career, and personal goals and in taking maximum advantage of the resources this University has to offer. It is in the students' best interest to seek and obtain an advisor with whom they are compatible and to meet with them on a regular basis. This is particularly imperative during this transition year with regard to semester conversion. To make the transition from the quarter to the semester system a smooth one, students will need advisement regarding courses already taken, courses to be taken and how to merge these courses with the new semester courses. Students should be sure to contact their academic advisor as soon as possible.

### Undergraduate Students and Second Baccalaureates

It is recommended that students seek initial advisement from their major department or program. For continuing undergraduates students, a specially designated departmental or program advisor will review the major, minor and General Studies courses completed and will advise students on what courses to take to finish each set of requirements.

Undeclared majors as well as students with unusually complex General Studies advising needs, as determined by their department, are referred to the University Advisement Center.

For further information concerning the University undergraduate advising system, please see the Academic Advisement section of the University catalog.

### Graduate Students

Students should contact the coordinator of their graduate program for advisement. The Dean of Graduate Studies will advise Graduate Special Majors and the University Advisement Center will advise unclassified post-baccalaureate students.

### ADVISEMENT AND SIGNATURES DURING REGISTRATION

#### New Undergraduate Students

Each new student must obtain an advisor's signature on the Course Request Card in the registration packet before registering. To expedite the advising process, to introduce students to the campus, and to answer general questions about the policies and procedures of the University, a New Student Orientation is provided at the beginning of the semester.

#### Orientation and Academic Advising for New Undergraduate Students

New Student Orientation -- January 20, 1987, 10:00 a.m. to 2:30 p.m., Playbox Theatre. New students who attend this program will have the opportunity to participate in workshops, will be given an explanation of the advisement procedures, and will receive general or major advising as appropriate.

**Mini-orientations:** January 21, 1987, 9:30 a.m. to 11:00 a.m. and 5:30 p.m. to 7:00 p.m., Playbox Theatre. During these meetings, students will be oriented to the campus, will be given an explanation of advisement procedures, and will receive general or major advising, as appropriate.

**Undergraduate students:** Each new student must attend the New Student Orientation or one of the mini-orientations prior to registering for class.

### **Advising for New Graduate and New Credential Students**

The above General Advisement meetings are intended primarily for undergraduate students; however, new graduate students are welcome to attend. **Master's Degree Candidates** in specific disciplines should consult advisor's in these departmental offices: **Unclassified Postbaccalaureate Students (Undeclared Graduate Students)** should go to the Advisement Center, SCC A-130, **Second Bachelor's Degree Students** should seek advisement from the office of their major and **Education Graduate Students** should go to the departmental offices.

### **Academic Advising**

While it is the student's responsibility to seek academic advisement, the faculty requires students to meet with their advisor at the following three times:

- \* Upon entering the University.
- \* At the completion of 60 semester units.
- \* At the completion of 90 semester units.

### **Special Consent(s) For Enrollment**

Certain classes listed in this schedule require special consent(s) for enrollment. A card called **Instructor Approval For Enrollment** should be obtained at the department office or at the Admissions and Records counter. To expedite registration, students should have card(s) signed before priority registration time.

### **All Liberal Studies Majors**

All Liberal Studies majors must see an advisor in the Liberal Studies Office just prior to entering the Registration area.

### **E.O.P. Students**

Students who are participating in the Equal Opportunity Program will not be admitted to Registration without receiving a prior signature from the E.O.P. Director James Clayton or his assistant (even if they are taking less than the unit limit).

### **Continuing Graduate and Credential Students**

Continuing M.A./M.S. and Credential students should see their advisor in departmental offices before registration.

Permission will not be granted when the study list in the proposed combined program exceeds the units authorized at this University for full-time study.

### EXCESS UNITS-STUDY LOAD LIMITS

#### Undergraduate

For undergraduate students in good academic standing, the normal program load is the equivalent of five full courses. To this may be added activity courses having a value of one-half course or less.

Students may enroll in 15 units without an advisor's signature unless otherwise required. Students enrolling in 16 - 21 units are required to have an advisor's signature. Students enrolling in more than 21 units must also obtain the approval of the Dean of the School in which the student is majoring. Undeclared majors must obtain the approval of the Coordinator of the University Advisement Center.

### ENROLLMENT IN OPEN UNIVERSITY FOR MATRICULATED STUDENTS

Effective with fall quarter 1984, a matriculated student who is eligible for enrollment as a regular student may not enroll partially or completely in courses through Open University.

### ENROLLMENT IN CONFLICTING CLASSES

Students are **not** allowed to enroll in two classes which meet at the same time, without specific approval on the **Petition for Permission to Register for Courses with a Time Conflict**. A student found to be enrolled in conflicting courses without the form on file will be required to resolve the conflict. The petition form is available at the Office of the Registrar.

### ETHNIC SURVEY INFORMATION

When you pick up your registration packet at Step 2 of the registration process, some of you will find an Ethnic Group Survey Card. If this card is included in your packet, please take a moment to fill it out.

The diversity of students at CSU Dominguez Hills is one of the University's greatest strengths and, although providing ethnic information is voluntary, your participation will enable the institution to acquire accurate data for campus planning, to comply with state and federal regulations, and to allow the University to better know and serve its students.

Furthermore, many companies and corporations in the Los Angeles area are required to have an Affirmative Action plan which includes goals for hiring and promotion. Accurate goals can only be set when companies know how many qualified candidates are available for open positions.

CSU Dominguez Hills provides companies and agencies, upon request, with information about group characteristics and ethnic composition of its graduating classes. This information helps companies set accurate goals for hiring and promotion.

## FULL-TIME STATUS

Undergraduates are considered to be full-time students during any semester in which they are enrolled in 12 units or more. In order to graduate in four years, however, a student must complete approximately 16 units each semester. Graduate-level students enrolled in eight or more graduate-level (500 level) units are considered to be full-time.

## NON-RESIDENT STUDENTS

If you were admitted to CSU Dominguez Hills as a non-resident student you should be aware of the following:

Chapter 102 of the 1981 Statutes of California requires that the "financial independence" of a student must be considered when a non-resident student is requesting reclassification as a resident.

If you are seeking reclassification as a resident, you are required to complete and file new residency forms with the Admissions Office. The completed forms will be reviewed and a determination made. If you are eligible for residency status, you will be informed and your registration packet will be changed to reflect your new status. The appropriate forms are available at the Admissions and Records counter.

The residence questionnaires by which your status may be changed must be submitted to the Admissions and Records Office at least two weeks prior to registration.

## PLACEMENT ON WAITING LIST

If you find that a course you have requested during registration has been closed and you wish to be placed on a waiting list, follow the procedure outlined below:

- a. Obtain the **Request for Placement on Waiting List form**. Complete all information requested on the form and return to the card puller. The card puller will retain one copy of the form and return the other copy to you.
- b. Attend the first class meeting of the course, taking with you a **Change of Program form** and your copy of the **Waiting List form**. Each instructor will have been provided with the Original Waiting List forms. If there is space available and the instructor is willing to admit you to the course, complete the information in the **ADD** section of the **Change of Program form** and have the instructor sign the form.
- c. Return the **Change of Program form** to the Admissions and Records Counter during the first week of instruction.
- d. If this is the **only course you are registering for**, report to the Special Problems Station, Step 5. Mrs. Kondo will provide you with a **Permit to Late Register form**. Follow step b after signature has been obtained, return to Late Registration area. Present your copy of the Request for Placement on Waiting List and the \$25 late fee will be waived.

**NOTE:** Placement on the waiting list **does not** guarantee that you will be able to enroll in the course nor does it mean you are automatically registered in the course. Also, if you do not attend the first meeting of the course, you will forfeit your waiting list priority.

## PRE-MEDICAL/PRE-DENTAL

All pre-medical, pre-dental, pre-pharmacy, pre-veterinary, pre-optometry, pre-etc. students should check the appropriate box on the Major/Minor card at registration. All such students should also seek advising from a Pre-Medical Professional Advisor in addition to their major advisor. Please call the SMT School Office (516-3373) for information.

## VETERANS BENEFITS AND RESPONSIBILITIES

It is the responsibility of each veteran to request certification for Veterans Educational Benefits at the time of registration, if this request was not previously completed. Continuing students are normally certified for the school year, September through June, and must make arrangements for any variations, including discrepancies in the number of units reported. New students are, upon request, certified for the current semester through the end of the school year. Please verify your certification with the veterans clerk at the veterans station during Registration.

It is also the responsibility of the veteran to report to the Office of the Registrar any changes of enrollment affecting certification status.

For new students who are being certified for the first time, and for continuing students who were not certified previous to registration, it will take six to eight weeks from the date of certification before Veterans Educational Benefits are received.

## CHANGE OF PROGRAM

A change of program is any change that is made in a student's official study list. Such a change includes: dropping a class, adding a class, changing the number of semester units for a class in which the student is registered, changing the section of the same course.

A change of program must be made before the deadline date listed for each semester in the official University calendar. NO change is official until the appropriate forms have been signed by the instructor, when required, and processed by the Office of the Registrar.

### Add and Drop Processing

The student must obtain a **Change of Program form** from the Office of the Registrar and follow these procedures:

- Complete appropriate sections of the Change of Program form per the instructions on the back of the form.
- If adding a class, you must obtain the instructor's signature.
- If dropping a class, instructor signature is not required.
- The completed Change of Program form must be personally returned to the Office of the Registrar for immediate processing. You will be required to present your receipt card and I.D. card for name and date embossing.
- Conditions for dropping a class after the fourth week are outlined in the current CSU Dominguez Hills catalog.

**NOTE:** A student who enrolls in a course, discontinues attendance and does not officially drop or withdraw from the course, will automatically receive an F, NC, or U grade for the course.

### Official Withdrawal from the University

Students who wish to withdraw from the University are urged to consult the Office of the Registrar prior to official withdrawal. Official withdrawal is necessary if a student leaves CSU Dominguez Hills at any time after registration and does not intend to complete the semester. The forms for initiating this process may be obtained from the Office of the Registrar, Building 1.

When official withdrawal from the University occurs before the semester deadline for dropping classes (the fourth week of instruction), the record indicates official withdrawal. However, if official withdrawal occurs after the fourth week of instruction, different procedures must be followed. Refer to the current CSU Dominguez Hills Catalog for those procedures. **Students who do not officially withdraw will automatically receive F or U grades in all courses for which they are enrolled.**

Conditions for readmission are indicated on the withdrawal form. A student who withdraws under satisfactory conditions shall be classified as a continuing student for the next semester.

A 15% non-refundable service charge will be added to each installment payment. If payment of either installment is not made on or before the due date, a \$10.00 late fee is also added.

Payments are made to the University Cashier. Failure to pay any installment within ten (10) calendar days of the due date will result in complete disenrollment for the remainder of the semester and the student will not be eligible to pay non-resident tuition on an installment basis in subsequent terms.

## REFUND DEADLINES

Refunds are not automatic. If you are withdrawing from school completely, or reducing the number of units in which you are enrolled, you should request a refund application from the University Information and Service Center. Refunds are calculated based on the date the application is received. It is therefore important to file for a refund as soon as possible. Please review the refund deadlines shown below. No exceptions can be made to the dates noted. A \$5.00 service charge will be retained by the University to cover the cost of processing each refund application. Refunds are processed after the Add and Drop period.

**The last day to apply for a refund of fees (other than non-resident tuition or parking fees) is February 13, 1987.** No refund applications will be accepted after this date, unless a student withdraws upon the advice of a physician and can document this fact.

## GENERAL ACADEMIC INFORMATION

### AUDITING A CLASS

Auditors must pay the same fees that would be charged if the course were taken for credit. Enrollment as an auditor is subject to the approval of the instructor. A student registered as an auditor may be required to participate in any or all classroom activities as the discretion of the instructor. Credit for courses audited will not subsequently be granted on the basis of the audit. No record of audit appears on the student's permanent record card nor are transcripts issued for audited courses.

An enrolled student who wishes to audit a course in addition to his regular program must obtain the approval of the instructor on the Approval for Audit form available in the Office of the Registrar and pay the fees required as if the course was taken for Credit. The approval may not be obtained before the first day of instruction. A student may not opt to audit a course after the end of the fourth week or change from credit to audit status after that date. If a student has enrolled in a course and is changing to audit status, the course must be officially dropped at the time the audit form is submitted.

An audited course should be taken into consideration when planning a program so that the study load will not be excessive.

A student not admitted to, nor enrolled in, the University must file a Statement of Residence prior to auditing a course. A resident determination must be made so that the appropriate fees may be charged. An application for admission is not required. A student must then follow the procedures as outlined above.

### CANCELLATION OF CLASSES

The University reserves the right to make changes in the Class Schedule as printed. When enrollment in any class is not sufficient to justify its continuance, the course may be cancelled.

If the University cancels a class, the student will receive a full refund of applicable fees upon application for refund or will be allowed to register in another class without payment of a late fee.

### CHANGE OF GRADE PROCEDURES

If a student wishes a grade changed for whatever reason, the process is initiated through the academic department, where a Request for Change of Grade form is completed by the student. The form is left in the department where it is reviewed by the instructor and the department chair. If a change is made, a Change of Grade form, with appropriate signatures, is prepared in the department and sent to the Registrar's Office. The student will be notified of the change of grade by the Registrar's Office.

### CHANGE OF NAME OR ADDRESS

If you have made a change of name or address which has not been reported to the University, please come to the Office of the Registrar and request the Change of Name/Address form. It is very important that the University be informed of any change so that you will receive all mailing.

### CHANGE OF INSTRUCTOR

The University reserves the right to make changes in the Class Schedule as printed. When classes are split or sections are cancelled due to lack of enrollment, it may be necessary to assign an instructor different from the one listed in the class schedule.

### CREDIT BY EXAMINATION

Effective with the Fall Quarter of 1978, Credit by Examination is governed by the following regulations:

#### General Conditions

1. Registered students may receive credit-by-examination for courses in which they are eligible to enroll.
2. The student should contact the office of the appropriate department to initiate the procedure.
3. Each department will maintain an up-to-date listing of courses which may/may not be taken as credit-by-examination.
4. The student will select a traditional letter grade or the CR/NC option, in accordance with the policies applicable to regular course enrollment.
5. Credit-by-examination will not be given for course work which an academic department deems inappropriate or impossible to evaluate by examination.
6. The same course can be taken only once by credit-by-examination.
7. Credit-by-examination will not be given for a course if the student has already received credit for a similar but more advanced course.

#### Procedure for Courses Listed in the Class Schedule

1. The student secures a petition for credit-by-examination from the appropriate department office and obtains the signature of the instructor and department chair.
2. If the petition is approved, the student enrolls in the course during registration and is given the examination during the first two weeks of the semester.
3. The student is notified of the results of the examination during the third week of the semester. If the examination is passed, the grade is submitted to the Registrar's office by the end of the third week. The student's name will remain on the roster and the grade will appear on the semester grade card. If the examination is failed, the student has two options: (a) remain enrolled in the course and complete it according to standard procedures, or (b) officially drop the course before the end of the fourth week.
4. The course grade will appear on the student's permanent record card with the other grades for the semester with the designation that the course was completed by examination.

### **Procedure for Courses Not Listed in the Class Schedule**

1. The student secures a petition for credit-by-examination from the appropriate department office and obtains the signature of an appropriate and willing instructor and the department chair.
2. If the petition is approved, the examination will be scheduled within 15 days.
3. Upon the completion of the exam, a grade is recorded on the petition and the petition is forwarded to the Office of the Registrar.
4. Registrar's office notifies the student of the grade provided by the department.
5. Only a passing grade will be recorded on the student's permanent record card. A non-passing grade will not be recorded.

### **CREDIT/NO CREDIT OPTION Undergraduate Students**

Undergraduate students selecting the Credit/No-Credit option must do so by the end of the fourth week of instruction, **February 20, 1987**. Credit/No-Credit cards are available from the Office of Admissions and Records and the Information and Service Center and must be submitted by the deadline. For additional conditions and limitations of the Credit/No-Credit option, consult the current CSU Dominguez Hills catalog.

### **Graduate Students**

CR/NR grades may be allowed in courses numbered below 500 which will not be used to satisfy the requirement of a graduate degree program.

For full information on CR/NR grading, see current University Catalog.

### **CREDIT FOR OPEN UNIVERSITY, EXTENSION AND CORRESPONDENCE COURSES**

The University allows transfer credit or appropriate college-level courses completed in Extension, including Open University, or by correspondence from accredited colleges or universities and the United States Armed Forces Institute. A maximum of 24 semester (36 quarter) units earned through Extension, completed at CSU Dominguez Hills or elsewhere, correspondence, and USAFI may be accepted toward a bachelor's degree. For graduate level students, a maximum of 9 semester (13 quarter) units of extension work may be applied to a degree. Please note that these credits do not satisfy CSU Dominguez Hills residence requirements for the degree. For more detailed information, please refer to the current University catalog.

### **DOUBLE COUNTING OF GENERAL STUDIES COURSE**

Lower division general courses may be "double-counted" in both the major and the minor. Upper division general studies courses may be double-counted in the following majors only: Liberal Studies, Medical Technology, and Small College. (Majors in these programs should consult their faculty advisor for details.) Upper division general studies courses may be double-counted

in the minor if (a) at least 12 semester units are taken in the minor exclusive of general studies courses and (b) general studies courses used in the minor have the approval of the chair/coordinator responsible for the minor. Even though students may double-count certain general studies courses, they will not receive additional unit credit towards graduation by double-counting. A double-counted course counts three (3) units (not six) towards graduation.

### **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974**

All student records of the California State University, including CSU Dominguez Hills are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974.

Students may request access to those campus records which personally identify the student. The student may challenge the accuracy of the record or the appropriateness of its retention in the campus records. Student consent is needed for the release of records covered by the Act to outside parties (e.g. prospective employers) except for those agencies entitled to access under the provisions of the Act (e.g., campus officials, other schools, federal officers, and requests in connection with the application or receipt of financial aid).

A student may request a copy of a record which he/she has requested for release. Students must pay a charge for copies of records for which such a charge has been established. Copies of the full text of the Family Educational Rights and Privacy Act of 1974 are available at the Office of the Vice President for Student Affairs (SCC M110) or the campus library. Particular questions with respect to a student's prerogatives under the Family Educational Rights and Privacy Act of 1974 should be directed to the Office of the Vice President for Student Affairs.

If a student wishes to restrict the release of directory information, a request may be made at the Office of the Vice President for Student Affairs. The request is valid from the semester requested through the end of the academic year. Requests for restriction of release of information for a subsequent academic year require a new form.

### **FIRST CLASS MEETING**

Students should report to the first meeting of their scheduled classes. Check the Schedule of Classes for time, day and room numbers. Each student is responsible for attendance in the courses and specific sections in which he/she has enrolled.

Students who enroll in a class but do not attend its first two meetings (or first meeting of once a week classes) and do not contact the instructor beforehand, may be dropped from the class by the instructor and their space given to other students waiting to add the class. **It is the responsibility of the student to make sure that he/she has been dropped by the instructor. Students who are in doubt regarding their drop status should file their own official change-of-program form.**

**NOTE:** Failure to officially drop or withdraw from a course will result in a grade of F, U, or NC.

### **GRADUATION, APPLICATION FOR**

Candidates for a Baccalaureate degree must file an application for graduation with the Office of the Registrar in accordance with the following schedule:

**To GRADUATE at  
the end of:**

Fall Semester  
Spring Semester  
Summer Session

**You must FILE by the:**

1st Week of Spring Semester  
1st Week of Fall Semester  
1st Week of Spring Semester

Candidates for a **Graduate Degree** must file an application for graduation by the end of the first week of the semester in which they plan to graduate. Candidates for Summer Session must file the first week of Spring Semester.

If you do not qualify for graduation at the end of the semester for which you applied, you must submit a **Change of Graduation Date card** to the Graduation Unit. Failing to do so will place a hold on your undergraduate registration packet for the next regular semester.

**Completion of degree requirements is the student's responsibility** and therefore each student must be thoroughly familiar with the procedures and information about graduation. If you have questions, please consult a CSU Dominguez Hills catalog or check with the Office of the Registrar. Please note that a master's degree requires a minimum of 21 semester units earned in residence. **Resident extension (Open University) units do not satisfy residence requirements for a degree.** A maximum of 9 semester (13 quarter) units of credit at the graduate level taken in Extension may be used toward degree requirements.

### **GRADUATION WITH HONORS POLICY**

Effective with the 1978-79 academic year, to graduate with honors a student must complete 36 units in residence and receive a minimum of 3.40 on all units taken at CSU Dominguez Hills, with the overall grade point average determined on transferable undergraduate work. The Honor Categories are as follows:

Cum Laude (3.40-3.59) Magna Cum Laude (3.60-3.79)  
Summa Cum Laude (3.80-4.00)

All students graduating under the 1978-79 or earlier catalogs will be evaluated for graduation using the new criteria. If they meet the new criteria, they will be designated as graduating cum laude, magna cum laude, or summa cum laude. If they do not meet the new criteria, they will be evaluated as graduating with honors as stipulated in earlier catalogs and, if eligible, will be designated as graduating "With Distinction" or "With Great Distinction". Students graduating under the 1978-80 catalog and subsequent catalog years will be evaluated using the new criteria only. Graduation with honors is available only to undergraduate students earning a first baccalaureate degree.

Candidates for graduation with honors will be listed in the commencement program based on grades earned through the previous fall semester. **Official** placement in one of the honors categories will be based on all grades earned including the final term. Therefore, it is possible to be listed as a candidate in the commencement program, but not graduate with honors after all grades have been calculated. Students who do graduate with honors will have the appropriate designation inscribed on their diplomas.

### **HONORS PROGRAM -- GENERAL STUDIES**

The CSU Dominguez Hills Honors Program offers special opportunities to especially able and highly-motivated students. New and continuing students may participate in Honors sections of General Studies and advanced courses; open only to Honor Program students, these stimulating classes enrich student learning in required courses. (See the course listing section in this schedule for the Spring offerings.) Honors Program students are also eligible for special advising from faculty mentors and for participation in Honor Program activities. For further information, or to apply to the program, call Dr. Lois Feuer at 516-3640.

### **ID CARD**

The ID card must be carried at all times and be validated each term. A current ID card is necessary to perform certain

transactions in Admissions and Records, the Library, the Business Office, and other campus offices, and is necessary to obtain services covered by the student service fee, such as personal and career counseling and employment and health services.

The ID card is also required by the Student Association to establish eligibility to participate in student activities and elections.

### **REPEAT AND CANCEL POLICY**

The Repeat and Cancel policy has been amended effective Fall semester 1986. The following procedures are applicable to all CSU Dominguez Hills students:

1. The Repeat and Cancel policy may be used by students working toward a baccalaureate degree.
2. The Repeat and Cancel policy may not be used by graduate/post-baccalaureate students working on Master's degrees, graduate certifications, teaching credentials, or by "undeclared" graduate students, even when they might take undergraduate courses.
3. In the case of a repeated course, the subsequent grade is substituted for the earlier in the computation of units attempted and grade point average (GPA). The previous course grade(s) remain(s) on the record, but is annotated as being discounted from GPA calculations.
4. Repeat and Cancel may only be used on courses taken and repeated at CSU Dominguez Hills.
5. Repeat and Cancel may be used up to a total of eighteen (18) semester units taken at CSU Dominguez Hills.
6. Repeat and Cancel may be used only on grades of U,F,D,CD.

### **RETAINING CONTINUING STUDENT STATUS**

#### **Procedure**

Students may elect to be absent for one semester without losing eligibility for re-registration, subject to the following conditions:

1. A permit to register will not be released to students who were scholastically disqualified following their most recent semester of attendance at CSU Dominguez Hills.
2. Students who attend another college or university during an absence from CSU Dominguez Hills must file an application for admission as a returning student and must have official transcripts of work attempted sent to the Office of Admission. The non-refundable \$35 application fee is required.
3. Undergraduate students who graduate from CSU Dominguez Hills and wish to continue as graduate students must file a new application for admission. An application fee of \$35 is required.

#### **Retention of Catalog Rights**

A student utilizing the continuing student status procedure will retain catalog rights. The student will be able to use the requirements of the catalog under which they were admitted.

### **TITLE IX OF THE EDUCATION AMENDMENTS OF 1972**

Title IX of the Education Amendments of 1972 and the Departmental Regulation (45 CFR Part 86) promulgated thereunder prohibit discrimination on the basis of sex in the operation of most federally assisted education programs. The Affirmative Action Officer has been assigned the administrative responsibility for reviewing such matters.

## DEGREE REQUIREMENTS

### REQUIREMENTS FOR THE BACHELOR'S DEGREE

Students seeking a baccalaureate degree from the University must complete specific requirements as determined by the Trustees of The California State University, the California Administrative Code, Title 5; and, CSU Dominguez Hills.

Briefly summarized, the college-wide requirements include all of the following:

1. Completion of a minimum of 124 semester units of credit.
2. Completion of General Studies program (52-59 semester units).
3. Satisfaction of statutory requirements in U.S. History, Constitution and American Ideals by completing courses History 101 or examination and Political Science 101 or examination.
4. Satisfaction by examination or course of the graduation requirement in writing proficiency.
5. Satisfaction of the Entry Level Mathematics (ELM) requirement.
6. Completion of one of the following: a major and a minor, or a major in one of the designated single fields; or a double major. This requirement also can be satisfied through the Areas of Concentration in the Small College combined with a thematic project, a minor or another major. Specification for each field are outlined under their appropriate headings elsewhere in the University Catalog.
7. Completion of elective courses (beyond the requirements above) to reach the total of a minimum of 124 semester units of credit.
8. The term residence units applies to those units earned at CSU Dominguez Hills while an officially admitted student in a degree program. Fees must be paid through the regular registration process. Residence requirements for a Bachelors degree include a minimum of 30 semester units in residence of 24 units must be in upper division courses and 12 upper division units must be earned in residence. The maximum credit that may be taken in Extension (Open University) and used toward degree requirements is 24 semester (36 quarter) units at the undergraduate level and 9 semester (13 quarter) units at the graduate level. Resident extension units do not satisfy residence requirements for a degree.

### ACADEMIC SKILLS ASSESSMENT PLAN

The California State University (CSU) and CSU Dominguez Hills recognize each student's needs for adequate preparation in mathematics, English, reading, and critical thinking for successful continuation and completion of his or her college education.

The CSU now requires all freshman and those transfer students who have not completed appropriate college courses to demonstrate entry level skills in two areas: English and mathematics. To better ensure that students who are poorly prepared in one or more of the basic skills receive this

preparation early in their college career, CSU Dominguez Hills began implementation of an Academic Skills Assessment Plan (ASAP) in Fall, 1984, starting with new freshmen. Beginning Fall 1986 all new and readmitted former undergraduate students will be expected to meet the requirements of the plan.

The Academic Skills Assessment Plan has four stages which may affect you:

- Stage 1. Assessment of Entry Level Skills
- Stage 2. Completion of Entry Level Skills
- Stage 3. Certification of Basic Skills
- Stage 4. Certification of Writing Proficiency

#### Stage 1. Assessment of Entry Level Skills

Assessment of entry level competencies in reading, composition, and mathematics.

1. Unless exempt, students must take the English Placement Test (EPT) and Entry Level Mathematics test (ELM) no later than their first semester of attendance at CSU Dominguez Hills. (See entry describing EPT and ELM in the Admissions section of the catalog.) If exempt the student will be notified when admitted.

If students do not attempt these tests by the end of their first semester of enrollment, they will be required to enroll in the appropriate English and mathematics courses until the EPT and/or ELM requirements have been met.

If students have not taken the EPT and ELM by the end of two terms they will not be allowed to enroll in subsequent terms.

2. Entry Level English Skills - If students score T150 or below on the EPT they must enroll in ENG 009 Basic Writing Workshop or SMC 006 Intensive Writing Skills Workshop. If their score is T141 or lower on the EPT they must also enroll in ENG 088 Developmental Reading. Both ENG 088 and 099 or SMC 006 are prerequisites to ENG 110 Freshman Composition I, and may be taken concurrently prior to ENG 110.
3. Entry Level Mathematics Skills - If students score 37 or below on the ELM they should register for MAT 003 and/or MAT 005 or seek assistance from the Learning Assistance Center to prepare to pass this test. The Mathematics Department can advise as to which option should be followed, based on the ELM score. If students are not exempt, they must pass the ELM before taking any higher level math course (MAT 101 or higher). No courses satisfy this requirement.

#### Stage 2. Completion of Entry Level Skills

By the end of two semesters of attendance students are required to have achieved a score of T151 or higher on the EPT or have completed appropriate remedial courses and to have passed the ELM. If they do not meet these requirements they will not be allowed to register in subsequent terms for any classes except the appropriate remedial courses and selected courses upon mandatory advisement.

### Stage 3. Certification of Basic Skills

Students must meet the following requirements for admission to junior or higher level standing (e.g. by the time they have completed 56 semester units):

#### English

1. Successful completion of ENG 110 and ENG 111 or six units of SMC 107 or any combination of ENG 110, ENG 111 and SMC 107 totalling six units.

or

2. Equivalent transfer courses with a grade of C or better.

or

3. Appropriate scores on approved English examinations (see English department chair for information on these examinations).

#### Math

1. Successful completion of MAT 101 or a higher level mathematics course.

or

2. Transfer credit with a grade of C or better for mathematics courses at the level of intermediate (college) algebra or above.

By the time students have earned 56 semester units (or if they transferred in with 56 semester or more units) they are expected to have met the mathematics requirements and the course requirements in English. If students have not met these requirements they will have two terms in which to complete them. During that time enrollment in the appropriate English and/or mathematics course(s) is mandatory. If they still have not met the requirements by the end of two terms they will be placed on probation and may not take any course(s) other than those that satisfy the requirements or their prerequisites.

All undergraduate students will be required to take the EPT and ELM unless they are exempt by virtue of test scores or course work. Junior level transfer students (56 semester units or more) who are not otherwise exempt from ELM must either pass the ELM prior to their first term of enrollment or immediately enroll in the appropriate mathematics course(s) (MAT 003/005) in their first term. They must complete MAT 101 by the end of two terms or be restricted to enrollment in the appropriate mathematics courses and selected courses upon mandatory advisement. Junior level transfer students (56 semester units or more) who are not otherwise exempt from the EPT must either pass the EPT prior to their first term of enrollment or immediately enroll in the appropriate English course(s) (ENG 088 and/or 099) in their first term. They must complete ENG 111 by the end of two terms or be restricted to enrollment in the appropriate English courses and selected courses upon mandatory advisement.

### Stage 4. Certification of Writing Proficiency

Within two terms after reaching 56 semester units (or transferring in with 56 semester units or more), students must demonstrate competency in writing skills through one of the following options:

- A. **Voluntary Testing.** A test, for which a fee will be charged (Junior English Proficiency Essay Test, JEPET), is available at regularly scheduled intervals each term. Students are allowed to take the test only twice. Information on test dates and procedures for sign-up are available in the Information and Service Center (SCC A-130).

- B. **Advanced Composition Course** (offered by the English Department). The English Department regularly offers two types of advanced composition courses: a general purpose advanced composition course (ENG 350), and a course designed for students capable of profiting from instruction in sophisticated techniques of prose discourse (ENG 456).

- C. **Upper Division Writing Adjunct.** The Writing Adjunct (SMC 397 and 398, 4 units required) currently offered by the Small College is a structure for providing individualized instruction in composition that is adjunctive to study in another subject area.

- D. **Upper Division Courses** (offered by Departments other than English). Some departments presently offer courses which, though not solely composition courses, stress instruction in writing, require frequent writing assignments, and provide regular response to students about their writing. Courses currently available in this category are HIS 300, CHE 460 and SOC 300.

- E. **Transfer Certification.** A student who has satisfied the Writing Proficiency Requirement at a CSU campus prior to admission to CSU Dominguez Hills may petition to waive the CSU Dominguez Hills requirement. The petition and an official certification that the Writing Proficiency requirement has been met should be submitted to the Office of Admissions and Records.

If you do not meet this requirement in the time specified, you will be required to enroll in ENG 350.

### COMPETENCY IN WRITING

#### Undergraduate Students

All new and returning undergraduate students admitted for Fall 1983 or subsequent terms must meet the upper division writing requirement. Those students who have rights to a catalog prior to 1983 will be held to the graduation requirements stated therein. This would include students who have been in continuous attendance at a California Community College or CSU Dominguez Hills continuing students. This requirement may be satisfied by one of the following options:

- A. **VOLUNTARY TESTING.** A test (JEPET), for which a fee will be charged, is available to students at regularly scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year. Students are allowed to take the test twice.

- B. **ADVANCED COMPOSITION COURSES.** The English Department regularly offers two types of advanced composition courses: a general purpose advanced composition course (English 350), and a course designed for students capable of profiting from intensive instruction (English 456).

- C. **UPPER DIVISION WRITING ADJUNCT.** The Writing Adjunct (SMC 397, followed by SMC 398, 4 units required) currently offered by the Small College, is a structure for providing individualized instruction in composition that is adjunctive to study in another subject area.

- D. **UPPER DIVISION COURSES** (offered by Departments other than English). Some departments presently offer courses which, though not solely composition courses, stress instruction in writing, require frequent writing assignments, and provide regular evaluation of students' writing. Courses currently available in this category are History 300, Chemistry 460 and Sociology 300.

The voluntary test is administered each semester. Information on test date and procedures for sign-up are available in the Information and Service Center.

For further information regarding this requirement, students should contact Dr. David Heifetz, Coordinator, University Composition Committee, SCC E-173, (213) 516-3649.

### **Graduate Students**

All graduate students entering in Fall of 1983 and thereafter are required to satisfy the graduate competency in writing requirement in accordance with the following policy:

1. Students who have made either a score of eight on the Junior English Proficiency Essay Test or at least a grade of BC, or its equivalent, in one of the undergraduate certifying courses at CSU Dominguez Hills, or in English 352, are adjudged to have met the graduate writing requirement. Information regarding the schedule of test administrations and the list of approved courses is available in the Information and Service Center. (Also, see above B,C, and D.)
2. All students who did not meet the requirement as undergraduates, as in #1 above, must take the JEPET and make a score of at least eight or take one of the undergraduate certifying courses at CSU Dominguez Hills and make at least a grade of BC.
3. Students who fail to make at least an eight on JEPET have the option of taking the exam a second time.
4. Students who fail twice to make a score of at least eight on the JEPET must take one of the undergraduate certifying courses and make at least a grade of BC to meet the requirement.
5. Writing competency must be certified no later than the point of advancement to candidacy. Individual programs may require such certification at an earlier point in the student's program.
6. CSU Dominguez Hills will accept certification of graduate writing competence from another CSU campus.
7. Special arrangements will be made for some external degree programs. Students should consult with the program coordinator.

### **ENGLISH PLACEMENT TEST -- (EPT)**

All students wishing to enroll in English 100 must take the English Placement Test unless they meet one of the exemptions listed in the current catalog. Verification of exemptions in the form of letters of notification or scores reported by testing agencies is required at the time of registration for the course.

Additionally, students who are bound by the EPT requirement must take the test in their first semester on campus whether they plan to take English 110 that semester or not.

**The test dates for the EPT are:** May 9, 1987; July 25, 1987; at 8:30 a.m. Contact the Testing Office, (213) 516-3909 for location and registration information.

### **ENTRY-LEVEL MATHEMATICS (ELM)**

All students who entered CSU Dominguez Hills in Fall 1983 or later must demonstrate basic competence in mathematics. New freshmen must demonstrate competence by successful completion of the CSU Entry-Level Mathematics (ELM)

Examination. Transfer students who are subject to requirements in the 1983-84 catalog must take the ELM, unless they have successfully completed (grade of C or better) a mathematics course certified for General Education-Quantitative Reasoning (intermediate algebra or above) at the time of transfer. Satisfactory performance on any of several alternate examinations may exempt students from taking this examination. For more information, contact the Admissions Office.

Students required to take this examination should do so as soon as possible after admission. Failure to take the examination before the end of the first term may lead to probation and disqualification.

**The test dates for ELM are:** May 9, 1987; July 25, 1987; at 8:30 a.m. Contact the Testing Office, (213) 516-3909 for location and registration information.

### **CHALLENGE EXAMINATION FOR HEA 300: "HEALTH IN PUBLIC EDUCATION"**

Students wishing to take the Challenge Examination for HEA 300 on Thursday, February 5th, may sign up during the Spring Semester Registration period. Petitions must be turned in to the Health Science office by Tuesday, February 3rd, 1987. For further information, please call (213) 516-3818.

### **CREDIT BY EXAMINATION for English 110, 111, 350, and 352**

Students wishing to earn credit by examination for English 110, English 111, English 350, or English 352 must take an examination at 10:00 a.m. on Saturday, February 7, 1987 in HFA A-103. To be admitted to the testing room, each student must:

1. Register for the course.
2. Fill out a petition to take the test. Petition forms are available in the English Department Office, (HFA E-315) and must be on file in that office before noon, February 4, 1987;

Each student petitioning to take:

**English 110** is required to have an English Placement Test (EPT) score of C155 or higher. A student exempted from the EPT on the basis of a satisfactory score on the EEE, AP, SAT-Verbal, ACT, or College Board Achievement Test in English Composition **with essay** may also attempt to earn credit by examination. (Only test scores will be used to determine the eligibility of a student.);

**English 111** is required to have English Placement Test score of C155 or higher and L155 or higher and must have completed English 110. Students with at least transferable (baccalaureate) course in freshman composition must have earned a grade of B or better in that course but are exempt from the EPT. Eligible students may challenge both English 110 and 111 at the same time;

**English 350** is required to have completed English 110 and 111 or their equivalent with an average grade of B or better;

They must also have completed English 110 and 111 or their equivalents.

Students who are unsuccessful in their attempts to earn credit by examination may remain in the class, complete the work, and be awarded credit at the end of the semester. Students who pass the challenge examination may NOT remain in the class to earn grades better than those earned on the challenge examination. They may, however, retake the course in a later semester to improve their grades.

More information on earning credit by examination appears in the current Catalog. All students should bring an 8 1/2" x 11" blue book to the examination.

## GENERAL STUDIES

### SEMESTER GENERAL STUDIES: 1986 -- 1987

The General Studies program which is divided into three components required 52-59 semester units: (A) 14-17 units of Basic Skills; (B-E) 29-30 units of lower division General Education divided among Natural Sciences (9), Humanities (9), Social Sciences (9), and The Whole Person (2-3), and (F) 9 units of Upper Division Integrative Studies. In addition, students must take a course emphasizing cultural pluralism (0-3) which can satisfy General Studies or other graduation requirements as well. The statutory requirement in American Institutions (HIS 101 or examination and POL 101 or examinations) is NOT part of the General Studies program, but is a graduation requirement.

The 1986-87 semester General Studies program is required of all students who enter CSU Dominguez Hills or a California Community College as first-time freshmen beginning Fall 1986. Continuing students (other than 1980-81, 1981-82, and 1986-86 first-time freshmen) and transfer students in continuous enrollment at a California Community College or a CSU campus since 1980-81 may have the option of choosing the old General Education program.

## STUDENT SUPPORT SERVICES

### ALUMNI ASSOCIATION

The CSU Dominguez Hills Alumni Association seeks to advance the welfare of the University, to promote common interests of its students and alumni, and to serve as liaison with the University, alumni, and the area. The Alumni Association sponsors a number of activities during the year, provides scholarship assistance to students, presents Outstanding Achievement Awards annually to outstanding seniors, and generally supports the University.

Today the alumni of the University number more than 18,000 and are found throughout the world. All CSU Dominguez Hills students are eligible for membership in the Alumni Association. Those students wishing further information about the Association should contact the Office of University Relations, at (213) 516-3787.

### ASSOCIATED STUDENTS

The Associated Students has been in existence in one form or another since 1967. During that time, they have been dedicated to furthering the educational, social, cultural and recreational welfare of the students at CSU Dominguez Hills.

In essence, the students are the Associated Student's main concern. The membership fees (activity fees paid at the beginning of each semester) constitute the yearly budget, which is expended for student-run activities that benefit students, such as intercollegiate activities, tutorials, the Child Development Center and cultural programming. Students making decisions about activities that benefit students—that's what the Associated Students is all about!

Nearly 50 student volunteers are needed yearly to fill University and Associated Students committees that make important decisions concerning the educational welfare of students. Input is desperately needed at the statewide level as well. The Associated Student Office is located in Small College (N-104). The telephone number is (213) 516-3686.

### Student Activities

The Student Activities and Cultural Programs Commission (S.A. and C.P. Commission), and the Organizations Commission of the Associated Students sponsor a wide variety of activities for students which generally include films, speakers, dances, and other events. Contact the Associated Students in Small College N-104 for further information about these programs, or call (213) 516-3686.

### ATHLETICS

The intercollegiate athletic program at CSU Dominguez Hills is unique in its balance between men's and women's sports programs. The department currently conducts four men's sports, and four women's sports which serve approximately 150 athletes.

These eight sports compete in the California Collegiate Athletic Association which consists of CSU Dominguez Hills, Cal State Los Angeles, Cal State Northridge, Cal State Bakersfield, Cal Poly Pomona, Cal Poly San Luis Obispo, Chapman College and UC Riverside. The Toros compete on a national level in NCAA Division II.

Both the men's and women's teams have enjoyed great success. The women's volleyball team has finished as high as fourth in the country, while the men's basketball team captured the CCAA title in its first year in the Conference in 1981.

The women's softball team was co-champions in the CCAA in 1983 while the basketball team is ready to challenge CCAA opponents in pursuit of its first title.

On the men's side, the soccer team captured the CCAA title in 1982 and was an NCAA quarterfinalist, while the men's golf team has been rated among the nations top 10 teams the past two years and have sent someone to nationals the past three years.

The baseball team plays a competitive schedule including many games each year with Division I schools. The traditionally strong program has seen 24 of its former players drafted by major league clubs. A new and exciting sport added for the 1984-85 sports year is women's soccer. Former professional Marine Cano is the first coach and will look to building a winning program.

CSU Dominguez Hills has an intramural program which will provide competitive opportunities for resident and non-resident students in a wide variety of sport activities. Call (213) 516-3893 for further information.

Students, faculty or staff members with children ages 2 1/2 to 14, may be eligible to register them in the on-campus Child Development Center.

Under the auspices of the School of Education, the Center is a professional school for child development, not a baby-sitting service. Teachers and student interns observe and assist the children in the carefully prepared indoor and outdoor activities.

Funded by a variety of sources including Student Association parents are charged a sliding fee scale. All children must be toilet trained and in good health. Each is given breakfast, noon-time hot lunch and afternoon snack. The Center hours are Monday through Thursday, 7:45 a.m. to 6:30 p.m., and Friday 7:45 a.m., to 5:00 p.m. when the University is in regular session. For further information call (213) 327-2880.

To be considered for financial assistance, students must complete the Student Aid application for California. Students who are applying for 1986-87 should complete the application by April 15. All undergraduate students who have not received a bachelor's degree and are applying for financial aid, including Guaranteed Student Loans, must also apply for a Pell Grant.

The University participates in the following financial aid programs: National Direct Student Loans (NDSL); Guaranteed Student Loans (GSL); College Work Study (CWS); Supplemental Educational Opportunity Grants (SEOG); Pell Grant; California Educational Opportunity Grants (EOP); State University Grant (SUG); Cal Grant A; Cal Grant B; the California Graduate Fellowship Program, the Bilingual Teacher Grant Program, and The California Loan to Assist Student Program (CLAS).

## **HEALTH CENTER**

The student service fee paid by all regularly enrolled students at registration allows students to benefit from many services offered by the Health Center. Not only is care provided for illness and injury, but doctors, nurses and lab technicians do screening tests including those for diabetes, hypertension, anemia, pregnancy, and venereal disease. The Center stresses the "health and wellness" concept and assists students by providing health care consultations in such areas as nutrition, birth control counseling, weight control, relaxation training and sexuality

counseling. The Center offers immunizations against measles and Rubella, which are easily prevented and are considered to be serious diseases for college age populations.

The Center also features a licensed pharmacy where students may get prescriptions filled and purchase over-the-counter items as well. Costs are much lower than at private pharmacies and students are invited to consult with the pharmacist. X-ray services are also available.

Also offered are health education seminars on various health concerns, as well as out Lifestyle Health Faires and referrals to community resources.

Located in the building north of the University Theater, the Center is open from 8 a.m. to 7 p.m., Monday through Thursday, and 8 a.m. to 5 p.m. on Fridays.

For appointments call (213) 516-3629 (3629 from campus phones). Students will also be seen on a walk-in basis.

### **On-Campus Housing**

Living on campus makes university life more fulfilling and exciting. The convenience and reasonable fees are yet other reasons for living in the student apartments. One and two-bedroom apartments are offered furnished and unfurnished, and unlike traditional dormitories they have their own full-size kitchens. The apartments fill up early, so apply as soon as possible. For On-Campus Housing information please stop by or call the office of the Vice President of Student Affairs in Small College Building #3, M110, (213) 516-3784, or the Office in Building A of the Student Apartments, (213) 516-4228.

The program is also open to community college students who have less than 56 transferrable semester units or 84 quarter units. Re-entry students who are not recent graduates from either high school or community college should also consider EOP as a possible means of re-entering school. There are both income guidelines that must met as well as firm deadlines for applying for admission through the EOP program. For further information contact either Doris Battle at (213) 516-3632 or James Clayton at (213) 516-3680.

### Counseling Groups

Personal counseling is offered individually and in groups. Some of the groups and workshops which may be offered in the Spring semester include:

**ASSERTION TRAINING:** Assertion Training provides participants with alternatives to their present styles of functioning toward more effective communication and greater self-esteem. Participants will be given a chance to take a new look at themselves, their lives, their feelings, options, and responsibilities.

**DEVELOPING YOUR CAREER IN THE HELPING PROFESSIONS:** Moving through a B.A. to an M.A. or Ph.D. and becoming a licensed professional can have its problems and pitfalls. What do you need to do to choose a graduate program and where do you go from there? This workshop focuses on developing your career and establishing yourself as a professional in your community. Topics for discussion will include: What you need to know if you plan on entering a Masters or Ph.D. Program; how to accrue hours for licensure; how to market yourself; developing your own specialization; establishing visibility and credibility; networking; making professional contacts work for you; and brainstorming techniques to help you develop your fullest potential.

**PERSONAL AWARENESS:** This group provides participants with opportunities to improve their quality of life as well as to deal with specific interpersonal and intra-personal problems.

**SELF-EXPLORATION THROUGH CREATIVE FANTASY:** This is a group counseling experience aimed primarily at self-exploration and development through the utilization of fantasy techniques. Creative Fantasy is a counseling modality which facilitates personal growth and promotes heightened awareness of self and others. Creative Fantasy is a method of representing

symbolically feelings and aspects of the person which have been disassociated or disowned, allowing for reintegration of these aspects and feelings into the total personality structure and, thereby, allowing the person to achieve a higher functional level.

**TEST ANXIETY:** If you are a student who feels well prepared but does poorly on exams because you are uptight and unable to think clearly while taking them, a few hours of "Test Anxiety Desensitization Training" could be helpful. The Student Development Office offers a Test Anxiety Group designed to help you cope with your uneasiness about taking exams. By learning a more adaptive, relaxed response to the anxiety provoking test situation, you may significantly improve your performance on written tests. Test Anxiety Desensitization Training is very simple and very short, lasting for only five sessions.

### Services for Reentry Students

Your needs are special ones and we have special services to meet those needs. The main purpose of the program is to introduce returning students to the system on campus--to show you how it works, to encourage you to make it work.

Initially, returning students draw support from the program and then ease away from it as their own confidence in dealing with the campus structure increases. The reentry office is located in SCC K-144.

### Career Development and Employment Services Workshops

**ORIENTATION:** A one-hour introduction to the Career Development and Employment Services -- mandatory for all students wishing to be interviewed through the on-campus interview program.

**RESUME PREPARATION:** A two-hour workshop designed to assist students in preparing and updating their resumes.

**INTERVIEW SKILLS (Part I):** How to prepare for an effective employment interview.

**INTERVIEW SKILLS (Part II):** For those who have completed Part I and wish to practice interviewing using the video-tape equipment with instant replay.

**JOB SEARCH:** Strategies of the Job Search for those who have identified their career areas.

**CAREER PLANNING:** This four workshop series in Career Planning is designed to help find solutions for students with undecided major/career, or students unsure of their interests or abilities. Students signing up must be able to attend all four meetings.

**SIGI ORIENTATIONS:** SIGI, the System of Interactive Guidance and Information, is a computer program that can help you in planning for a career. SIGI allows you to examine what you want in a career and to gather information about a wide variety of occupational fields.

**GRADUATE SCHOOL:** Discusses the motivations for graduate study, explores the preparation, selection, and application processes; also covers getting ready to go, tips on making the transfer, graduate school expectations, and answers to general questions about graduate study.

Please contact Student Development, SCC C-128, for further information, dates and times.

### Student Development Hours

## STUDENT PROGRAMS

Involvement in campus life gives students an opportunity to balance academic work with a variety of cocurricular activities that contribute to personal growth. Students who are involved in the campus community are generally better informed and prepared for success in their careers following graduation.

Student Programs is concerned with the personal development of students through participation in campus organizations and activities out of the classroom. CSU Dominguez Hills offers many opportunities for students to broaden their knowledge, develop skills in organization and leadership, increase social involvement, and build self-assurance and confidence.

Student Programs regularly assists students with information on campus clubs, and organizations fraternities and sororities, leadership programs, Associated Students programs, University services, orientation, publications, faculty referrals, personal advising, and information on where to get further assistance if necessary

The Student Programs office provides direct contact for both campus and community and offers information and help on matters of interest and concern to students and other members of the University community.

The Office of Student Programs has a number of responsibilities for campus-wide administrative services, including the recognition of student clubs and organizations, the recognition of fraternities and sororities, and the registration of campus honor and service societies.

Working with the Activities Office (and temporary Union), Student Programs schedules all student programs on the campus.

The Office is also responsible for the supervision of Disabled Student Services, the Women's Center, the Activities Office (and temporary Union), Veterans' Affairs, and serves as a liaison to the Associated Students.

Student Programs coordinates with the Activities Offices (and temporary Union) and the Associated Students to produce programs and activities in the temporary Union. Popular concerts, lectures and workshops are among the many programs offered each year.

To provide the campus with comprehensive and useful information, the Office of Student Programs currently publishes Toro Talk, with a listing of departmental events, Campus Publicity and Posting Regulations, The Student Organizations' Directory, the Student Programs brochure, and Campus Scheduling Policies. The office is open Monday through Thursday from 8 a.m. to 6 p.m., on Friday from 8 a.m. to 5 p.m. and is located in SCC K-144. The telephone number is (213) 516-3854.

## STUDENT WORD PROCESSING

Students interested in learning the use of word processing and also learning the basic operations of a microcomputer can do so by enrolling in SMT 100, BASIC WORD PROCESSING. There are two options available, Students who wish formal instruction should enroll in sections 1, 2, 3 or 4. Students who wish to work at their own pace should register for section 5. All instruction takes place in the campus word processing center, located in ERC A-315. At the conclusion of the instruction, the student will be able to use a powerful word processor for the preparation of written work.

## VETERANS' AFFAIRS

Services include pre-admission advising, academic advising, community referral services, veterans' benefits counseling, information on current

legislation affecting veterans, special admissions processes, and a tutorial assistance program.

The VA Work Study Program is available for veteran students in need of part-time employment. Students are encouraged to drop in, day or evening, and meet the staff in SC A-130. The telephone number is (213) 516-3643.

## WOMEN'S CENTER

The Women's Center provides an environment which encourages and support the personal and academic growth of women on the CSU Dominguez Hills campus, and sponsors and co-sponsors programs which assist in this growth. Offerings include information and referral services, peer advising, workshops, and special guest lectures.

The Center has a number of resources for women and men-a growing collection of books, periodicals, magazines, newsletters, and journals; works by, for and about women, women's issues and the women's movement; resource files, bulletin boards with up coming events, news items and interesting information about women throughout the world.

The Center also maintains references which include information on civil and legal rights, divorce procedures, the filing of discrimination complaints, medical and counseling services, and many other practical concerns. The Women's Center staff is available to assist women and men in using these materials and in locating services and information. The Center publishes a newsletter, "Choices." Students may obtain academic credit as Women's Center interns through selected programs. The Center is open Monday and Wednesday from 11 a.m. to 8 p.m.; Tuesday and Thursday from 9 a.m. to 5 p.m., and Friday from 9 a.m. to 1 p.m. The Center is located in SCC G-140 (Dominguez Room A, The Commons.)
