Bachelor's Degree Checklist

This checklist is designed to assist you in completing graduation requirements. If you are uncertain about these requirements, contact the University Advisement Center, the department of your major and consult the *University Catalog*.

1. Take the English Placement Test (EPT) before or during your first semester or provide proof of exemption.
2. Take the Entry Level Math Test (ELM) before or during your first semester or provide proof of exemption.
3. Complete the General Studies/General Education and Statutory requirements POL 101 and HIS 101. Meet with an advisor in the University Advisement Center if you need assistance.
4. Complete the requirements of your major, minor and, if applicable, your second major. Read the *University Catalog* and curriculum guides and meet with departmental advisors.
5. Choose and complete your electives to accumulate the minimum number of units required for your degree (124 - 132), depending on your major. Visit the University Advisement Center if you have questions about electives.
6. Complete the minimum number of units for your degree program (124 - 132) in courses numbered 100 - 400 (TED and 500 level courses are not counted toward the baccalaureate degree without departmental approval).
7. Complete at least 40 units of upper division courses (300 and 400 level).
8. Complete at least 30 of your total units in residence at CSUDH. At least 24 of the 30 total units must be upper division and at least 12 of the 24 upper-division units must be in your major. And,
 - ✓ for a declared minor, at least 1/2 of all upper division units must be completed at CSUDH;
 - ✓ at least 9 units of General Studies must be completed at CSUDH;
 - ✓ Extension credit and Credit-by-Examination may not be used to fulfill residency requirements, however, CSUDH Summer Session and Intersession (Winter) units may count toward residence credit.
9. Satisfy the Graduation Writing Assessment Requirement (GWAR).
10. File an "Application for Graduation" by the published deadline for the term in which you intend to graduate.
11. The advisors from the departments of your major, second major and minor must submit advisement forms directly to the Registrar's Office within four weeks of filing the graduation application. Failure to do so will result in a delay in receiving your degree check. The forms are available at your major, second major and minor departments.
12. Submit approved "Revision of Advisement" forms for any changes to requirements listed on advisement forms and pay user fee listed on page ##.
13. Finish with at least a 2.0 (C) average;
 - ✓ in all courses at all colleges and universities;
 - ✓ in all courses at CSUDH;
 - ✓ in all courses in your major, second major, minor;
 - ✓ in all courses needed to meet Area A of General Studies Requirement.
14. For each Incomplete Grade (I) assigned, the Instructor must submit a "Change of Grade" form with definitive grades recorded to the Registrar's Office by the end of the semester of graduation.
15. Count no more than the following,

17. If you do not qualify for graduation at the end of the semester for which you applied, you must submit a Change of Graduation Date card to the Graduation Unit and pay the mandatory fee. Failure to do so will place a hold on your registration for the next regular semester.

All requirements must be met before the end of the semester you plan to graduate. If you take coursework at another institution during your final semester, please note that the end date of the term at that institution must coincide or end prior to the end date of the corresponding CSUDH term.

Academic Skills and General Studies Requirements for Undergraduate Students

Consult the *University Catalog* and select an advisor for your academic program. If you have a declared major/minor, consult the appropriate department. If your major is undeclared, contact the University Advisement Center (SCC M-110, 243-3538) for an appointment. Students should consult an advisor upon entry to the university and every semester thereafter.

EPT/ELM Requirements for Freshmen and New Lower Division Students (Fall 1998)

The CSU System requires non-exempt, admitted freshmen and transfer students entering Fall 1998 and after to take the ELM/EPT examinations prior to registering for classes. (See the catalog for a list of exemptions). If the results of these tests indicate that the student needs to register for a remedial course(s) in either mathematics, or english, the student must take and pass the course(s) within their first two semesters. After two semesters no student will be allowed to register or continue attending classes at CSUDH, if remedial courses are not successfully completed.

Academic Skills Assessment Plan (ASAP)

(Applies to students enrolled prior to Fall 1998).

The California State University (CSU) system and California State University, Dominguez Hills (CSU Dominguez Hills) recognize each student's need for adequate preparation in mathematics, English, reading and critical thinking for successful continuation and completion of his or her college education.

The CSU system requires all freshmen and those transfer students who have not completed appropriate college courses to demonstrate entry level skills in two areas: English composition and mathematics. To ensure that students who need additional work in one or more of the basic skills receive this preparation early in their college career, CSU Dominguez Hills implemented the Academic Skills Assessment Plan (ASAP) in fall, 1984, for newly admitted freshmen and transfer students. All new and returning undergraduate students admitted fall 1986 or later must meet these requirements.

The Academic Skills Assessment Plan has three skill levels:

1. Entry Level Skills
2. Basic Skills
3. Graduation Writing Skills

COMPLETION OF THE ENTRY LEVEL SKILLS REQUIREMENT

The CSU requires new non-exempt and returning students to take the English Placement Test (EPT) and the Entry Level Mathematics (ELM) Test after they are admitted. Students might be exempted from one or both of the tests if they have scored well on other specified tests or completed appropriate courses. For a list of exemptions, consult the *University Catalog*. Unless exempt, students must take the EPT and ELM no later than their first semester of attendance at CSU Dominguez Hills. Non-exempt students who do not attempt these tests by the end of their first semester of enrollment will receive special notification. Non-exempt students who have not taken these tests by the end of two semesters will be ASAP disqualified and may not enroll in subsequent terms.

Students who must take appropriate developmental English and/or mathematics coursework must complete it in a timely manner. If they have not passed the coursework, they will be placed on probation after two semesters and disqualified after four semesters. Students will not be allowed to drop any developmental class (even during the first three weeks) without the department chair approval of either the Mathematics Department (for MAT 003, MAT 009) or the English Department (for ENG 088, ENG 099).

EPT Scores for English

T = 100 - 141	ENG 088
T = 142 - 150	ENG 099
T = 151 Pass	ENG 110

ELM Scores for Mathematics

T = 100 - 470	MAT 003
T = 480 - 540	MAT 009
T = 550 Pass	G.Smathcourse

COMPLETION OF THE BASIC SKILLS REQUIREMENTS

Students who have not completed their Basic Skills requirements in English Composition and Mathematics by the end of their fourth semester (total) of enrollment at CSU Dominguez Hills will be placed on ASAP probation and receive special advisement.

Students who have not completed their Basic Skills requirements in English composition and mathematics within six semesters (total) of enrollment at CSU Dominguez Hills will be ASAP disqualified (ref. Executive Order No. 393, V. Administrative-Academic Disqualification) and will not be readmitted to CSU Dominguez Hills until those requirements have been completed.

GRADUATION WRITING SKILLS REQUIREMENT

All students subject to degree requirements in the 1979-80 and subsequent general catalogs must demonstrate competency in writing skills as a requirement for graduation through one of the options listed under the entry for the Graduation Writing Assessment Requirement (GWAR) in the *University Catalog*.

Completion of the Graduation Writing Assessment Requirement (GWAR)

Students who do not meet this requirement within two (2) semesters after completing the English Composition section of the Basic Skills requirements (or 90 semester units total, whichever comes last) will receive special advisement. In order to satisfy GWAR, students have the option of either taking the GWE (see below) or enrolling in one of the following courses: ENG 350, HIS 300 or IDS 397 and IDS 398.

Graduate Writing Examination (GWE)

A voluntary test, the Graduation Writing Examination, (GWE), for which a fee will be charged is available to students at regularly scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year, if they are undergraduate students, or upon entrance to a graduate program if they are graduate students. Students are allowed to take the test only twice. The voluntary test is administered each semester. Information on test dates and procedures for sign-up are available in the Testing Office, Building 11, SCC 11207, phone (310) 243-3909.

General Studies Requirements

STATUTORY REQUIREMENT

In addition to the General Studies/General Education requirements, students also must satisfy requirements in U. S. history and state government by completing the following:

- HISTORY 101 or examination and
- POLITICAL SCIENCE 101 or examination

CERTIFICATION

Accredited community colleges and public four-year colleges may sanction (certify) that all or part of general education requirements (post 1980) have been met. Transfer students with complete certification of California State University General Education breadth requirements or Intersegmental General Education Transfer Curriculum (IGETC) requirements are not required to complete additional lower division courses in general education. Transfer students should request that their college "certify" their general education. An additional nine semester units of upper division general education courses must be completed at CSU Dominguez Hills.

DOUBLE COUNTING GENERAL STUDIES COURSES

Lower division General Studies courses may be double counted. Under certain conditions and within specific majors, upper division General Studies courses may be double counted. Consult the *University Catalog* and/or an academic advisor.

General Studies Program

The General Studies program is divided into three components and requires 53-60 total semester units:

Component I

Basic Skills 14-18 units

Component II

Natural Sciences 9 units
Humanities 9 units
Social Sciences 9 units
The Whole Person 3 units

Component III

Integrative Studies: 9 units
Cultural Pluralism 0-3 units

Continuing CSU Dominguez Hills students prior to fall 1980 and transfer students in continuous enrollment at a California Community College or a CSU campus since 1980-1981 may have the option of choosing the former General Education program. If you are uncertain about which program applies to you, consult an advisor at the University Advisement Center.

In addition, students must take a course emphasizing Cultural Pluralism (0-3), which can satisfy General Studies or other graduation requirements as well.

All students must take three upper division courses in General Studies, and all students must take three General Studies courses at CSU Dominguez Hills. The Statutory Requirements (HIS 101 or examination and POL 101 or examination) are NOT part of the General Studies program, but are graduation requirements.

The current General Studies program is required of all students who enter CSU Dominguez Hills or a California Community College as first-time freshmen beginning fall 1986.

NEW STUDENT ORIENTATION

Each semester a new student orientation
is held. Students will receive specific
information regarding the time and
place of orientation. If you do not
receive information or have a question
regarding orientation, please contact the
University Advisement Center, SCC M-
110, or call (310) 243-3538.

Registration Procedures

Each student eligible to register will
receive a *Registration Access Mailer* or
a letter from the Admissions and
Records Office, which will provide
important registration information:

- Registration appointment
date and time
- Personal Identification Number
(PIN)
- Student Identification Number
(SID) - social security number
on record
- Major(s)
- Advising holds for students
required to seek advising prior
to registration
- Other holds preventing
registration

*It is very important to review all the infor-
mation printed, to take the appropriate
action to correct inaccurate information,
and to seek advising or clear other holds
several working days prior to your
registration appointment date and
time.*

REGISTRATION APPOINTMENT DATE AND TIME

You will not be able to access T.O.R.O.S. before the date and time printed on your Registration Access Mailer or admission letter. Appointment dates and times are determined by class level and number of units completed.

Note that units in progress at CSUDH are not included and courses taken at another institution may not be included in the calculation of units completed.

Register at, or very soon after, your priority appointment time for the best selection of classes. If you are not able to register on your priority registration appointment day, you may register at any time through the end of the registration period; but, you will be competing for classes with students with lower priority access. It is in your best interest to register as early as possible!

PERSONAL IDENTIFICATION NUMBER (PIN)

Each student will be assigned a 6-digit PIN (similar to that used at an ATM machine). You are urged to change your PIN for security reasons and to keep your PIN in a safe place. **Do not write your PIN in your Class Schedule.** You may change your PIN by dialing T.O.R.O.S. and making the appropriate selection at the main menu; the recorded voice will guide you. If you lose your PIN, you will need to go to the Admissions and Records Office with a photo ID to obtain or change your PIN. PINs will not be released over the telephone.

STUDENT IDENTIFICATION NUMBER (SID)

The SID on your Registration Access Mailer should match your social security number. If the number is incorrect, use the assigned number and then file a request for a change of your SID number at the Records/Registration Office **after you have completed registration.** When you request a change, you must bring your social security card to the office.

MAJOR(S)

Advising is required for students in certain majors. T.O.R.O.S. restricts enrollment in some courses to students in specific majors and concentrations/options. If the information on your

access mailer is incorrect, file a *Change of Major/Minor* form **immediately** – well in advance of your registration appointment. You may contact the department concerned if you wish to register for a class restricted to specific majors – see page E.

ADVISING HOLDS

Advising is required for (1) all new students entering the University; (2) students who have completed 60 semester units; (3) students who have completed 90 semester units; and (4) students on academic or Academic Skills Assessment Plan (ASAP) probation.

Advising is also required for undeclared majors, specified majors, Educational Opportunity Program students, international students, special admits, post-baccalaureate students and some graduate students.

If you have more than one advising hold, you must meet with all appropriate advisors. **Advising holds must be cleared before you attempt to register.** It is advantageous to contact Advisors prior to the end of the current semester, even if you are not sure when you will register.

All Advising Holds prevent access to T.O.R.O.S. and must be cleared by the appropriate advisor(s) before your priority registration appointment date.

LATE REGISTRATION PROCEDURES

T.O.R.O.S. Information

Making Your Entries Permanent - It is very important to make your entries permanent before exiting T.O.R.O.S. **Failure to do so will result in cancellation of your request(s).**

Enrollment limit - You may enroll in a maximum of 18 units during Registration. Students wishing to register in additional units must wait until the Change of Program, Add/Drop period.

To enroll in 19 - 20 units during Late Registration, Add/Drop, an advisor's signature of approval is required on the *Add* form.

Students wishing to enroll in more than 21 units must obtain the approval of an advisor and the dean of the school or college in which the student is majoring. Undeclared majors must obtain the approval of the director of the University Advisement Center.

Co-requisites - Some courses require concurrent enrollment in a laboratory or activity section as well as in a lecture or seminar section, or concurrent enrollment in one or more other courses. T.O.R.O.S. will inform you that failure to add both or all co-requisites will result in being dropped from your original request.

Enrollment restrictions - Some courses are restricted to students in specific degree programs, to specific class levels (e.g. seniors) or to certain level students (e.g. graduates).

Some departments may choose not to print course reference numbers (CRNs) in the Course Listing section of the *Class Schedule* in order to screen students for eligibility. Other courses may not be available through T.O.R.O.S. but may be added with the instructor's approval during Late Registration, Add/Drop.

Questions about enrollment restrictions and eligibility for specific classes should be directed to the department concerned.

Students who are not eligible for restricted courses may be able to obtain approval from the department in special circumstances. A signature of approval must be obtained from the appropriate department representative on a Restricted Registration Exception Form. The form, available from department offices, must be submitted, in-person, to the Admissions and Records Office, SCC J-103, where registration in the restricted course can be completed provided a seat is available. The Restricted Registration Exception form is valid during touchtone registration periods only; during late Registration, Add/Drop, the instructor's signature of approval on a Change of Program (Add/Drop) card is required.

Time conflicts - T.O.R.O.S. checks for time conflicts and will not allow registration in classes meeting at the same time. Students with permission from both instructors to enroll in classes with a

time conflict, will need to file a *Petition for Approval to Register for Courses with a Time Conflict* form obtainable from the Admissions and Records Office and from the Records/Registration Office, and will need to be registered in-person during official registration periods only.

Full/cancelled classes - If you attempt to register for a class that is already full, do not give up! It may reopen as students have the option to add and drop after their registration appointment time. Check throughout the registration cycle for openings.

Check Course Availability - If you find that a desired course is full or cancelled, T.O.R.O.S. gives you the option to check for open sections of a course. However, it is always best to have alternates ready before you attempt to register.

Schedule adjustment/Schedule review - Remember, you may call back any time during the Registration period to change or review your schedule. If you choose to exchange one class for another, add the new class before dropping the other class (unless you have reached the maximum enrollment limit). If you wish to drop a class without adding another - do not delay - as a courtesy to another student trying to add the class. You may also review your schedule or drop classes at any time during Late Registration. See page **A** for dates and times.

Troubleshooting

- ❑ **Missed your priority appointment time?**

You can register at any time through the end of the touchtone registration period.

- ❑ **Can't access T.O.R.O.S.?**

Check you are dialing the correct number.

Are you using a true touchtone telephone? Not all push-button telephones are touchtone and some programmable telephones using the "*" or "+" key in programming cause access problems. Try another phone. Students wanting to register while on campus may use the campus pay phones or the

courtesy phones located throughout the campus.

T.O.R.O.S. not available?

Check dates and hours of operation. If the system is not available during scheduled hours, try again later.

Busy signal?

All lines are busy - try again later.

Made a mistake?

Do not hang up - wait for the recorded voice to prompt you.

Not able to register for a specific course?

Check for footnotes in the course offerings section. The course may:

- be full. Select Option 4 (*check course availability* - page C), to listen to alternate open sections.
- be a duplicate section of a course in which you are already registered;
- conflict with another course in which you are already registered;
- be restricted to certain majors, class levels or student levels;
- require screening in the department (CRN may not be printed);
- require one or more co-requisite sections.

Questions regarding enrollment restrictions should be directed to the department.

Lost your entries?

You must make your entries permanent before hanging up; failure to do so will result in cancellation of your course requests.

HELPLINE

If you need assistance with registration, your call can be forwarded automatically to a registration operator or you can call (310) 243-3608 during the following helpline hours:

Monday-Thursday 8 a.m. - 6 p.m.

Friday 8 a.m. - 12 noon

Registration Eligibility

CONTINUING STUDENTS

You are considered a *continuing student* if you:

- (1) attended CSUDH as a matriculated student in the Fall 1997 or Spring 1998 semester;
- (2) have not attended another academic institution since attending CSUDH; and
- (3) have not applied to graduate from CSUDH in the Spring 1998 or Summer 1998 terms.

If you are a continuing student and have not received your *Registration Access Mailer* or a letter regarding ineligibility one week before the registration period, please call the Registration Office at (310) 243-3608.

NEW OR RETURNING STUDENTS

You are a *new student* if you have not attended CSUDH before. You are a *returning student* if you:

- (1) have not enrolled for more than one semester;
- (2) attended another academic institution since last attending CSUDH; or
- (3) graduated from CSUDH and choose to begin post-graduate studies. Returning students must reapply for admission.

Failure to pay registration fees will result in cancellation of your application and you will be required to reapply for any subsequent term.

RETURNING FROM AN APPROVED PLANNED EDUCATIONAL LEAVE

You must submit a completed CSU application (no application fee required) to the Admissions and Records Office as official notification of your intent to return from an approved Planned Educational Leave. If you have taken courses at another institution during your leave, you must also provide official transcripts. To be eligible for Registration, your application to return must be submitted and processed prior to the Registration dates listed earlier. The deadline to submit an application to return from a Planned Leave is the first day of the

academic term in which you plan to return. Please contact the Registration Unit for further questions concerning Planned Educational Leave processing at (310) 243-3608.

CONCURRENT ENROLLMENT STUDENTS

If you are a student from another CSU campus and seek to enroll at CSUDH and at another campus concurrently, you should consult the *University Catalog* and contact the Admissions and Records Office for procedures and deadlines.

A CSUDH student may enroll concurrently at another institution by filing an *Application for Intrasystem Concurrent Enrollment* form at the Admissions and Records Office, after obtaining written approval from the appropriate academic advisor.

Students planning to apply for concurrent enrollment are urged to register and pay fees at CSUDH during Registration to facilitate early application and registration at the host campus.

Students who have submitted the necessary forms and are considered eligible will receive a *Registration Access Mailer*.

INTERNATIONAL STUDENTS

The international "hold" will be placed on international students who do not enroll full-time. The International Student Services Office (ISSO) will also place a "hold" on students who did not submit their passport number and/or current address to their office or who fail to provide proof of health insurance coverage prior to registration.

If a comparable health/medical insurance has not been purchased, international students will be required to purchase the Renaissance Insurance Plan. Health/medical coverage should include \$250,000 maximum aggregate benefits per injury or illness and repatriation/medical evacuation to the student's home country. The term of coverage must run from Feb. 1998 through July 1999. Questions may be directed to (310) 243-2215 or e-mail: djoseffini@dvhx20.csudh.edu

A non-resident student who is a citizen and resident of a foreign country may

pay the required non-resident tuition fee on an installment basis (this includes a 15% interest charge). Prior arrangements must be made and payment must be in three monthly equal installments. A deferred payment form can be picked up in the ISSO located in the Small College Complex (SCC) room N-124.

CROSS ENROLLMENT

Undergraduate students enrolled at CSUDH may enroll, without formal admission and without payment of additional State University Fees, in one transferable course each academic term at participating campuses of the University of California or California Community Colleges, on a space available basis for \$10.00.

A CSUDH student must meet all of the following conditions to enroll at a University of California or Community College Campus:

- Must be an undergraduate.
- Must be enrolled in at least 6 units at CSUDH during the semester of Cross Enrollment and show proof of payment of registration fees.
- Must be a California resident.
- Must have completed at least 12 units with a GPA of at least 2.0.

- The course (which must be transferable) must be preapproved by the coordinator of the University Advisement Center prior to submitting your application to the Cross Enrollment campus for processing.

A University of California or California Community College student coming to CSUDH must meet the following conditions:

- Must have completed at least one term at the home campus as a matriculated student.
- Must be enrolled at home campus in at least 6 units during the term of Cross Enrollment.
- Must have a GPA of 2.0 for work completed.
- Must have paid appropriate tuition and fees at home campus for current term.
- Must have completed appropriate academic preparation as determined by CSUDH University Advisement Center.
- Must provide an official transcript with Cross Enrollment Application to University Advisement Center.
- Must be a California resident.

- Other conditions specified on the Cross Enrollment form pertaining to registration procedures, deadlines and priorities of host campus.

OPEN UNIVERSITY STUDENTS

If you are 18 years of age or older, you may apply to Extended Education to enroll in courses without being officially admitted to the University. Matriculated students eligible to enroll as regular students may not enroll in courses through Open University.

PHOTO IDENTIFICATION CARDS

A photo ID card is required on campus for many transactions and for University Library and Student Health Center use. ID cards are available in the Admissions and Records Office. The \$5.00 photo identification card fee is a one-time mandatory fee which is charged to all new and returning students. Bring your fee receipt showing proof of payment of the ID card fee, as well as a second picture ID (driver's license, high school ID, etc.) Your card is updated each semester by placing the current fee sticker in the upper right-hand corner of the card.

Touch-screen Information Kiosks are located in the Loker University Student Union and in the Admissions and Records Office lobby. Use your student identification number and personal identification number.

Special Sessions Programs

The Special Sessions area within the Division of Extended Education is in the unique position to offer a wide variety of individual courses for university credit to matriculating as well as non-matriculating students during both the special three week winter session and during the three summer sessions. During the fall and spring semesters, Special Sessions also offers a variety of courses for university credit that satisfy the requirements for a number of programs. Special Sessions programs are uniquely designed to accommodate the needs of a given population. In some cases the completion of a program may culminate in a bachelor's or master's degree and in others it may result in a certificate or credential. Because Special Sessions courses are self-supporting, tuition is charged. The following list reflects the current Special Sessions programs and the contact person for each.

University Police

The Department is located on campus at:

SCC A-122, Bldg. 2
1000 East Victoria Street
Carson, CA 90747
(310) 243-3639

The Student Housing Sub-station is located at:

Apartment F4
(310) 217-6960

The University Police Department provides safety oriented service to CSU Dominguez Hills.

It includes University Police and Parking Services providing 24 hour-a-day patrol protection of university property, buildings, parking lots and student housing. All laws and codes of the state are enforced on the campus, including regulations the University establishes to administer the campus community.

Officers are responsible for reporting and investigating crimes, issuing traffic citations and responding to medical emergencies, traffic accidents and fire emergencies, as well as other incidents that require police assistance. University police officers are vested with full law enforcement powers and responsibilities, identical to the local police or sheriff departments in your home community. Officers meet training requirements mandated by the California Commission on Peace Officers Standards and Training as well as training designed to meet the needs of the university community. As state police officers their police authority extends throughout the entire state, including concurrent jurisdiction with the Los Angeles County Sheriff Department on the adjacent streets and community.

The Department prepares and submits a monthly Uniform Crime Report to the California Department of Justice. The Department also enters reported stolen vehicles and property with serial numbers into the National Crime Information Center, allowing for recovery throughout the United States.

As an active member of the Criminal Justice System, the University Police

interacts and cooperates with other law enforcement agencies. Cases are filed with the Los Angeles County District Attorney. Information may also be given to the Office of the Vice President for Student Affairs for appropriate action involving students.

The Department works closely with the Student Housing Office in an effort to educate the residents in crime awareness and crime prevention. The Department established a police sub-station (COPS) in apartment F4 in Student Housing to facilitate a community based policing program in housing.

All emergency calls continue to be routed to the main station in SCC A-122 on campus and all officers continued to be dispatched out of the main station.

The Dispute Resolution Center is currently sharing the sub-station with our department.

Crime Prevention Programs

The Department has established programs that serve to raise the level of safety awareness of the campus community. These programs include:

Most campus buildings and facilities are accessible to members of the campus community, guests and visitors Monday through Saturday until 10 p.m. and as certain special events dictate.

Motor vehicle lots, pedestrian walkways and building exteriors are well lighted. The University Police conducts a weekly light survey throughout the campus and a report is made to Physical Plant on a weekly basis.

Shrubbery, trees and other vegetation on campus are trimmed and maintained on a regular basis with special attention given to walkways. Physical Plant conducts a facility audit on the entire campus on an annual basis.

The Students, Faculty and Staff of California State University, Dominguez Hills

University Policies

Addressing Academic Dishonesty

When a faculty member detects dishonesty, he or she will address it. If appropriate, the faculty member will first confront the student and seek an "in-office" resolution. Remember the charge is an allegation that should be examined under due process.

If the faculty member is convinced that dishonesty has occurred, she or he will use one or more of the following options:

- a. Adjust the evaluation of the student's work, i.e., nullify the effort or a portion of it. This action may be taken as part of a decision regarding assignment of a grade. The faculty member is not required to formally report the incident through the campus disciplinary process but is strongly encouraged to do so.
- b. Refer the matter to the Vice President for Student Affairs for an investigation as part of the Student Disciplinary Procedures. These procedures call for due process, a hearing or the opportunity to waive a hearing and accept a sanction without admitting guilt. (An "F" grade supported by a decision in a disciplinary case may not be the subject of a grade appeal and may not be repeated and canceled.)
- c. Use both "a" and "b" above.

THE CALIFORNIA STATE UNIVERSITY DISCIPLINARY PROCEDURES

Student enrollment is a voluntary entrance into the academic community of learners. By such entrance, the student voluntarily assumes, and is expected to assume, obligations of performance and behavior that are imposed by the university relevant to its lawful missions, processes, and functions. The University reserves the right to discipline students in order to secure compliance with these obligations.

Students who engage in dishonest behavior are charged with violating Title 5, California Administrative Code, Section 41301, under the Student Disciplinary Procedures for the California

State University established by Executive Order #628 by the Chancellor. A copy of these procedures may be obtained from the Offices of the Vice President for Student Affairs or Student Development.

The University's Alcohol & Drug Policy

Consumption of alcohol or drugs on campus is limited to certain approved events and locations. All state laws dealing with alcohol and drug use are enforced by the University Police. Violators may be subject to fine, imprisonment or expulsion from the University. Under age consumption or possession of alcohol is not permitted on University property, including athletic fields and student housing areas.

The University recognizes that alcohol or drug dependency is an illness and a health problem. Information, assessment and referral services are available on campus. These programs assist students in finding alternatives to substance abuse, while promoting a healthy lifestyle and the ability to cope with problems as they arise.

Attendance at First Class Meeting

It is the responsibility of the student to make certain that his/her drop has been officially recorded. Continued absence from the class may yield a grade of "U". Students should not assume that a faculty member has dropped them from the class. Refer to PM 94-06, "Attendance at First Class Meetings."

Prior to the end of the second week of classes, a faculty member may, by following the appropriate procedures, initiate a formal drop of students who:

- have missed the first two class meetings (or the first meeting if the class meets only once a week), and have not advised the faculty member (or the department chair, if no faculty member was assigned to the course in advance) that their absence is temporary.

Students who have been dropped by the instructor from a class but wish to re-register must submit a change of

program (add/drop) card, signed by the instructor, by the end of the third week of the semester.

Family Education Rights and Privacy Act of 1974

All student records of The California State University, including CSU Dominguez Hills, are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974. For specific information regarding this act, please contact the Office of the Vice President for Student Affairs, ERC C-532.

Non-discrimination Policy

California State University, Dominguez Hills is an Equal Opportunity/Affirmative Action institution that does not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, age, disability, disabled veteran's or Vietnam era veteran's status. This policy is applicable to all employment practices, admission of students, and educational programs and activities. Inquiries concerning this policy's application may be referred to the Diversity Issues and Employment Practices Office, ERC B-518.

Policy on Sexual Assault

PM 96-01

I. Objectives

California State University, Dominguez Hills strives to provide an optimal environment for growth and learning. The campus community has a right to pursue these goals in an atmosphere conducive to personal safety. All forms of sexual assault are acts of aggression or violence against individuals. A sexual assault perpetrated on campus or in a campus-affiliated location will be investigated for possible disciplinary actions and/or criminal prosecution.

II. Definition of Sexual Assault

Any involuntary sexual act in which a person is threatened, coerced or forced to comply against her/his will. Such acts include, but are not limited to: rape (including "acquaintance rape"), forced sodomy, forced oral copulation, rape by a foreign object, sexual battery or threat of sexual assault.

III. Procedures for Notification of a Sexual Assault

All incidents of sexual assault should be reported to the University Police, either directly by the victim or with the consent of the victim. The University Police will notify the Vice President for Student Affairs on all sexual assault reports, and will notify other departments on campus, as appropriate, on a need-to-know basis. While victims cannot be promised unequivocal confidentiality, protection of their identity will be of high priority in making such notifications.

If the victim reports a sexual assault to someone on campus other than the University Police Department, that person should encourage the victim to contact that department. If the victim cannot be persuaded to report the incident to the police, she/he should be referred to the Health Center, the Counseling Center, the Women's Center or the Vice President for Student Affairs for assistance and support. Depending upon the nature of the assault, Health Center medical providers may be required by law to report the incident to the police.

IV. Responsibilities of the University Police Department

1. All reports on sexual assault will be thoroughly investigated by the University Police. Arrests will be made when appropriate. If indicated, results of investigations will be submitted to the District Attorney's Office for evaluation for criminal prosecution.
2. University Police will inform victims of their various rights and options, including: criminal prosecution, civil prosecution, Victim's Assistance Aid, the disciplinary process through the University, and the availability of mediation. When appropriate, the University may seek assistance from the CSU Office of the General Counsel.
3. University Police will apprise victims of resources available to them on campus, including health and counseling services. They will also advise the victim of the availability of sexual assault assistance programs off campus.
4. If necessary or indicated, an officer will transport the victim to an appropriate emergency medical facility for treatment and/or evidence collection. Officers will inform the victim of the right to have a friend/family member accompany them to the hospital. When possible, a same-sex

officer will be assigned to interview the victim and provide transport to the medical facility.

5. The University Police Department will notify the campus community of all incidents of rape, and of all other incidents of sexual assault as appropriate. Notification shall occur as soon as possible by way of a written "Crime Alert Bulletin" and shall be widely disseminated. Only those details of the assault which are essential to the health and safety of the campus community shall be released. University Police will also notify parents or relatives of the victim as appropriate and with the consent of the victim.

Responses to the media regarding any incident of sexual assault will be handled by the office of University Advancement. The name of the victim will not be disclosed in any notification, either to the campus community or to the media.

V. Legal Reporting Requirements

University police are responsible for the following reporting requirements:

1. When victims are under 18 years of age, a Department of Justice form SS 8583 must be submitted to the California Department of Justice in Sacramento.
2. Statistics on sexual assaults must be made available to those who inquire about the occurrence on campus.
3. Sexual assault could require completion of domestic violence-related calls for assistance - form BCS 715 under Penal Code Section 13730 (a) or Section P.C. 13700 (a).
4. Monthly statistics will be submitted routinely to the Department of Justice.
5. The University Police Detective has responsibility for maintaining and submitting all required legal reporting.

The campus has designated the Vice President for Student Affairs as the person responsible for collecting data on incidents of sexual assault on campus and at campus-related events. The Vice President will also be responsible for insuring that information on incidents of sexual assault are reported through the President to the CSU Chancellor's Office, as required by AAES 87-07.

VI. Procedures and Guidelines for Campus Disciplinary Action

A. Student Disciplinary Cases

The procedures utilized in cases involving sexual assault are governed by existing disciplinary policies set forth in California State University, Executive Order No. 628. In cases where the accused is a student or student organization, the report should be made to the Vice President for Student Affairs, who will initiate appropriate action for investigating the complaint. The disciplinary process requires that both the victim and alleged assailant be informed of their rights as outlined in Executive Order 628.

1. Victims of a sexual assault are entitled to information regarding the status of their case and its resolution. Such information should be provided to the victim by the Vice President for Student Affairs or his/her designee, or the appointed Campus Discipline Coordinator.
2. Victims will be informed of the need to identify both the victim and the assailant in the investigation and hearing of either a student discipline case or a criminal prosecution. Similarly, accused students should be made aware that victims will be informed of the disposition of student disciplinary actions against accused perpetrators.
3. All current policies regarding confidentiality and student's records will be followed in accordance with Federal and State laws and CSU policies.
4. All reports and recommendations from a student disciplinary case will be forwarded to the Vice President for Student Affairs for final disposition. The severity and number of sanctions applied in cases of sexual assault will depend on the nature of the case and the degree of complicity. Any of the following are possible sanctions for students found guilty of such charges:
 - a. Expulsion
 - b. Suspension for a specific time
 - c. Barring of access to the campus
 - d. Disciplinary probation for a specific time
 - e. A lesser sanction

B. Employee Discipline Cases

In cases in which the accused is an employee of the university, the report should be made to the Executive Vice President for Administration, who will initiate appropriate action for investigating the complaint. Both the victim and the alleged assailant will be informed of their procedural rights. All reports and recommendations resulting from such an investigation will be forwarded to the President for final disposition. Possible sanction for an employee found guilty of such charges include, but are not limited to:

- a. Termination
- b. Suspension for a specific time
- c. Formal reprimand

VII. Resources and Services

Any student, faculty or staff member of the university who is or has been the victim of a sexual assault on campus or at a campus-sponsored event held off-campus is entitled to receive support services available on campus.

Counseling services are provided through either Health Programs and Psychological Counseling or Student Development. Staff who have been trained in working with victims of sexual assault and other violent crime are available in each unit.

Victims of sexual assault can receive first aid and urgent care in the Student Health Center. The Student Health Center can also provide follow-up care to sexual assault victims, including STD and pregnancy testing, referrals for HIV testing, or addressing other health concerns that may be indicated subsequent to the assault. There is no cost for on-campus services provided by the Student Health Center. Victims needing services when campus offices are closed will be given referral information for local health care agencies.

Individuals needing a full medical evaluation, including evidence collection, will be referred and transported to a local emergency care facility or hospital equipped to provide those services. Other offices on campus will, as a matter of policy, provide additional support services to students, including alternative housing assignments and academic assistance alternatives. The Vice President for Student Affairs will insure that victims of sexual assault receive available support services on campus.

VIII. Prevention

The university believes it is important to offer preventive as well as ameliorative programming to deal with issues of sexual assault. A number of offices have been providing such services and will continue to do so as a matter of policy. University Police, Health Programs and Psychological Counseling, Student Development, Student Programs, Housing and the Women's Center have been involved independently and jointly in providing workshops and seminars on crime prevention, rape prevention and "acquaintance rape" awareness. A brochure we developed entitled "About Rape" has been widely disseminated on campus for several years. It includes information about on and off-campus resources available to students. The university will continue to seek additional activities which address increased awareness and prevention of incidents of sexual assault.

Refer to PM 96-01, May 1996.

Possession of a Firearm on Campus

Violators will be arrested and prosecuted for felony violation of section 626.9 of the California Penal Code which is punishable by two- four years in state prison.

Repeat and Cancel

The Repeat and Cancel policy may be used only by students working toward a baccalaureate degree. It may not be used by graduate/postbaccalaureate students working on master's degrees, graduate certificates, teaching credentials or by unclassified postbaccalaureate students, even when they might take undergraduate courses.

1. In the case of a repeated course, the subsequent grade is substituted for the earlier one in the computation of units attempted and grade point average. The previous course grade(s) remains(s) on the record, but is/are annotated as being discounted from grade point average calculations.
2. Repeat and Cancel may only be used on courses taken at CSU Dominguez Hills and courses that are repeated at CSU Dominguez Hills, or at another CSU campus during summer sessions, or as a CSU visitor/concurrent student.
3. Repeat and Cancel may be used up to a total of eighteen (18) semester units taken at CSU Dominguez Hills.

4. Repeat and Cancel may be used only on grades of "U," "F," "D," "D+," "C-," and not for "NC" and "W" grades.
5. Students must complete a *Notice of Repeated Course form* for each course repeated that meets all Repeat and Cancel policy guidelines.
6. A grade entered as a result of the student disciplinary procedures under Executive Order No. 148 cannot be cancelled and will be computed in the grade point average.

All courses used to fulfill the requirements for the master's degree must be passed with a grade of "C" or better. Any course in the graduate program may be repeated and the two grades averaged when computing the grade point average. However, any course in which a grade lower than "C" is earned *must* be repeated for a grade of "C" or better and the two grades averaged. An overall grade point average of 3.0 (B) or above is required in all courses taken to satisfy the master's degree requirements.
