UNIVERSITY REGULAR SESSIONS

Applicants are required to include their correct social security numbers (individual taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student as well to identify the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student,

or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

RECLASSIFICATION OF RESIDENCY

A student classified as non-resident for tuition purposes may request a review of residence status by filing a statement of residence and financial independence with the Office of Admissions prior to the deadlines listed below. Requests made after the deadline must be accompanied by the **Missed Deadlines fee**. Please refer to the *University Catalog* for general information regarding California residency requirements or contact the Office of Admissions.

Orientation

NEW UNDERGRADUATES

New Student Orientation (NSO) programs are provided twelve times a year to incoming, admitted freshman and transfer students. A positive and well-balanced orientation program is integral to

a student's ability to transition smoothly from high school and other colleges and universities to Dominguez Hills. Orientation information is provided by Academic Advising, the Admissions Office, Records and Registration, Financial Aid Office, Office of Student Support Services, the Associated Students, Incorporated, and the Office of Student Life.

Students have the opportunity to register for classes online via *toroWeb* Registration at all NSO programs as long as Academic Advising has been received prior to or as part of the NSO program they attend. Student I.D. cards are provided as well to minimize the need for students to stand in line during the first days of classes. NSO at Dominguez Hills is both welcoming and useful. Contact the Office of Student Life at (310) 243-2081 for more information.

International Students

All newly admitted international students must attend a mandatory International Student Orientation Program on **Friday, August 17, 2007 from 9:00 a.m. to noon, in WH D176.**

I elect to apply for the Installment Payment Plan and acknowledge and agree to all terms listed below. To apply, I must sign and complete this Installment Payment Agreement and Application form or one provided in the account statement that is mailed to me. I can also apply in person at the University Cashier's Office.

- I am not eligible for this installment payment plan if I have outstanding debt owed to the University.
- I will pay each installment payment set forth in this agreement on or before its due date, for at least the amount indicated for my class level and unit load. I will remit my payment to the University Cashier's Office. Payments must be received in the Cashier's Office on or before the due date. If I fail to make any installment by the due date, I may be prevented from using the Installment Payment Plan in future semesters. The University may assess a \$20 late fee for each late payment.
- A bill for each individual payment will not be mailed to me and I acknowledge that I must still make my payments as scheduled below.
- In the event that my personal check is dishonored for any reason, the University may in its sole discretion, not accept further payments by personal check for a period of one year. In addition, I understand that failure to make good on a dishonored check within 10 days of notification by the University, may result in my being reported to the Los Angeles County District Attorney's Office.
- If an installment payment is not received, a hold may be placed on my account. The hold will deny me access to academic transcripts, graduation, and diplomas until all payments are received and processed.
- The University has the option of requiring payment in full of the total amount owed if I fail to make payment, in full or in part.
- The University is given permission to release information concerning this debt to those parties who can assist the University in collecting these fees once they become past due.
- The University may assign my debt to a collection agency, if payments are not to a collection agency, a Collection Agency Hold will be placed on my account, and will prevent me from further participation in registration, withhold access to transcripts, graduation, and diplomas until the debt is paid in full.
- The University may, in its sole discretion, apply any unused credits (e.g. fee reversals, third-party contracts, overpayments on new charges, fee waivers, etc.) that appear on my account in satisfaction of this installment agreement, even if I have made all prior payments under this agreement when they are due.
- The REFUND POLICY on page 13 also applies to this Installment Agreement.
- I understand and acknowledge that I may owe additional State University Fees as a result of adding classes after signing this agreement. I must pay these additional fees in full when they are due, in addition to any installment payment then due.
- I understand that I must pay a \$33 non-refundable service charge in order to pay my registration fee using the installment plan.

GRADUATION WRITING SKILLS REQUIREMENT

All students subject to degree requirements in the 1979-80 and subsequent catalogs must demonstrate competency in writing skills as a requirement for graduation. Students can fulfill the requirement by completing a writing examination (GWE), a designated certifying course, or two Writing Adjunct courses.

Completion of the Graduation Writing Assessment Requirement (GWAR):

Students must complete their lower division English composition courses in Area A, General Education, before attempting to complete this upper division requirement. However, if students have

not satisfied the GWAR by the time they complete 72 units, a hold will be placed on their registration. In order to lift the hold and register, students must contact the University Advisement Center (UAC, 310-243-3538, WH A220) to develop a strategy and sign a contract agreeing to that strategy. Only the UAC can lift this hold.

The GWAR can be met through one of the following options:

Graduate Writing Examination (GWE)

The GWE, a voluntary test for which a fee is charged, is available to students twice each semester and once during the summer. Undergraduate students must earn a score of 7 or higher (on a 12 points scale) to pass the GWE (Graduate students must earn a score of 8 or higher). Students are allowed to take the GWE two times. Students who have not received a 7 or higher after taking the test twice must take a certifying course. Information, test dates, and registration procedures are available in the Testing Office, WH A210, |310-243-3909.

Upper Division Courses and Writing Adjuncts

Undergraduates must earn a "C" grade or higher in the following certifying course:

ENG 350 3 units
Advanced Composition

or

Undergraduates must earn a "CR" grade in the two Writing Adjunct courses, IDS 397 and IDS 398, two units each.

General Education Requirements

STATUTORY REQUIREMENT

In addition to General Education requirements in G.E. Programs prior to Fall 2005, students also must satisfy requirements in U.S. history and U.S. and California government by completing the following:

HISTORY 101 or examination
and
POLITICAL SCIENCE 101

Transfer students with complete certification of California State University General Education breadth requirements or Intersegmental General Education Transfer Curriculum (IGETC) requirements are not required to complete additional lower division courses in general education. Transfer students should request that their college "certify" their General Education. An additional nine semester units of upper division General Education courses must be completed at CSU Dominguez Hills.

DOUBLE COUNTING GENERAL EDUCATION COURSES

Lower division General Education courses may be used to fulfill lower division major/minor requirements. Under certain conditions and within specific majors, upper division General Education courses may be used to fulfill major/minor requirements. Even though students may double count certain General Education courses, they will not receive additional unit credit towards graduation. Please consult the *University Catalog* and/or an academic advisor for more information.

General Education Program

Beginning with the 2005-06 academic year, a new General Education program was implemented which differed from previous years. It is very important for students to follow a specific G.E. pattern. The default G.E. catalog year is the year of CSUDH admission. Students in continuous attendance at CSUDH under an earlier catalog may choose to complete the new G.E. program. Students must choose a G.E. program based on one of the following criteria:

- 1) The year of your entrance into CSUDH;
- 2) Your semester of graduation or;
- 3) Your entrance into a California community college or state university.

Contact an advisor in the University Advisement Center for further information.

The General Education program is divided into three components and requires 55-61 total semester units:

Testing Information

The Testing Office and some departments offer tests throughout the academic year. It is important to meet with an advisor to review which test you should take. Separate fees are charged for each test.

Credit-by-Examination

Some courses may be taken by Credit-by-Examination. To receive credit-by-examination you must register for the course. It is important to read the conditions and restrictions in the current University Catalog. A "Petition for Credit-by-Examination" must be filed by the dates designated by the Registrar. Forms may be obtained from the Admissions and Records Office, WH C290.

Students wishing to earn credit by examination for English 110, English 111, English 350 or English 352 must take an examination at 10:00 a.m. on Saturday, September 8, 2007.

To be admitted to the testing room, you must:

1. Register for the course or courses you wish to receive credit for.
2. Fill out a petition to take the test. Petition forms are available in the English Department Office, LCH E-315 and must be on file in the English Department Office before noon, Thursday, September 6, 2007 and
3. Provide verification of satisfactory performance on tests or in courses. Verification in the form of letters of notification, scores reported by testing agencies, grade slips, or transcripts will be checked before the petition forms are accepted by the English Department Office.
4. Present an official picture ID such as a CSUDH Student Identification Card or a valid driver's license to the test administrator.
5. Bring an 8½ x 11" Blue Book to the examination.

Each student petitioning to take:

A student exempted from the EPT on the basis of a satisfactory score on the EEE, AP, SAT-Verbal, ACT, or College Board Achievement Test in English Composition with essay may attempt to earn Credit by Examination. (Only test scores will be used to determine the eligibility of a student.)
- English 111 must have completed English 110, or its equivalent, with a grade of "B" or better. Eligible students may apply for Credit-by-Examination for both English 110 and 111 at the same time.

Students who are unsuccessful in their attempt to earn Credit-by-Examination may remain in the class, complete the work, and be awarded credit upon successful completion of course requirements. Students who pass the examination may NOT remain in the class to earn grades better than those earned on the examination. They may, however, retake the course in a later semester to improve grades lower than "C" in accordance with the Repeat and Cancel Policy.

Additional information on earning Credit-by-Examination appears in the current University Catalog.

New Student Orientation

Each semester a new student orientation is held. Students will receive specific information regarding the time and place of orientation. If you do not receive information or have a question regarding orientation, please visit the Office of Student Life or call (310) 243-2081.

Registration Procedures

Each student eligible to register will receive a *Registration Access Mailer* or a letter from the Office of Records and Registration that provides important registration information.

- Registration appointment date and time
- Personal Identification Number (PIN)
- CSUDH Identification Number (SID)
- Major(s)
- Advising holds for students required to seek advising prior to registration
- Other holds preventing registration

It is very important to review all the information printed, to take the appropriate action to correct inaccurate information, and to seek advising or clear other holds several working days prior to your registration appointment date and time.

Please note that failure to apply for admission or register by the published deadlines in the previous semester, may result in not receiving a *Registration Access Mailer*.

MAJOR(S)

Advising is required for students in certain majors. T.O.R.O.S. restricts enrollment in some courses to students in specific majors and concentrations/options. If the information on your access mailer is incorrect, file a *Change of Major/Minor* form **immediately** - well in advance of your registration appointment. You may contact the department concerned if you wish to register for a class restricted to specific majors. See Advising Holds.

Students in majors requiring advising will be mailed letters from the department informing them of advising dates and times. It is important to seek advising during the designated advising period and as early as possible. Do not wait until just prior to your registration appointment time since advisors may not be available. If you are in the process of changing your major, you should meet with an advisor in your new department.

ADVISING HOLDS

Advising is required for (1) all new students entering the University; (2) students who have completed 60 semester units; (3) students who have completed 90 semester units; and (4) students on academic or Academic Skills Assessment Plan (ASAP) probation.

LATE REGISTRATION PROCEDURES

The procedure for adding a course has changed. Obtain a special Late Add Access Number from the instructor of the course. Go to toroWeb or T.O.R.O.S. and register using this number. The number can only be used for the specific course that it is assigned to, it can only be used once and it must be used by the expiration date. "Late Add Access Numbers" DO NOT OVERRIDE "Pre-requisite/Test Score Errors." The student must contact the department to have the pre-requisite/test score error overridden before the Late Add Access Numbers can be used.

Appropriate signatures are needed and you must register in person if one or more of the following exist:

- 1) if you are attempting to exceed maximum hours;
- 2) if there is a time conflict;
- 3) if there are issues regarding co-requisites.

- An advisor's signature of approval is required on the *Change of Program form* to register for 21 units or more. Students wishing to enroll in more than 21 units must obtain the approval of the dean of the school or college in which the student is majoring. Undeclared students must obtain the approval of the director of the University Advisement Center.
- You may check for open class sections via T.O.R.O.S. but remember that remaining seats may already be filled by students who have obtained the instructor's permission to add the class but who have not yet completed their registration.
- Waitlisting is not available during Late Registration.
- New students may not register until they have been formally admitted to the University.
- All students registering for the first time will be charged a \$25 non-refundable late registration fee.
- The registration and payment process must be completed by **Sept. 13, 2007**.

LATE REGISTRATION PROCEDURES (NURSING MAJORS ONLY)

Late Registration is required for students who have not registered by Aug. 24, 2007 via T.O.R.O.S. or toroWeb. Late adds must be requested on or before the first class meeting. You must register via toroWeb at www.csudh.edu or via T.O.R.O.S. If you fax your form to SOH Student Services,

please call (800) 344-5484 to confirm receipt of your form and to ensure legibility. Adds that increase your fees must be accompanied by payment information, or you may pay by Credit Card via T.O.R.O.S. at (310) 243-2000. If you are paying by credit card in installments, you must mail or fax the installment agreement to the Cashier's Office.

Late Registration - Aug. 25 - Sept. 13, 2007.

- Complete the Registration/Add form (forms are available on the website at www.csudh.edu/soh/don/forms.htm). Include the correct course request number, course and section number and course start date for each course you wish to take.
- A \$25.00 Late Registration Fee is assessed for all students registering during late registration.
- Late Registration forms submitted without payment will be returned unprocessed.
- Checks will be deposited from late registrants who submit registration forms before being admitted to the University. You cannot register until you have been officially admitted. All students admitted on or after August 24, 2007 must late register.
- Calculate fee payment and attach check or complete the credit card payment authorization. Checks should be made payable to CSUDH.
- If, on receipt of your mailed or faxed registration request, a course is already full and a waitlist exists, you will be added to the waitlist and notified in writing.

The Program Coordinator's signature is required to add from a waitlist. You will be instructed to obtain permission from the Program Coordinator to add the waitlisted course.

- If your Late Registration form is received less than 15 days prior to the start date of the class you are requesting, you will be required to obtain the Program Coordinator's signature.
- You are not officially registered until you have been admitted to the university (new students), added to a course(s) and paid the required fees.

WAITLIST INFORMATION AND INSTRUCTIONS

Deadline to get on waitlist - Aug. 13, 2007.

Students can add themselves to a waitlist for a closed class up until Aug. 13, 2007. This is the Monday of the week prior to the final week of Regular Registration. After this date, students must wait until Late Registration and use the Late Add Access Number to add a course. Being on the waitlist does not guarantee that a student will be allowed to add the course. When you attempt to register for a class that is already full, you will be given the options of checking availability of another section of the same class or of placing your name on a waitlist for the full section. It is **very important** that you read the following information and instructions before attempting to place yourself on a waitlist. Careful planning and selection of classes are very important because the same restrictions apply to placing yourself on a waitlist as to attempting to register for

classes. Use the Registration worksheet on page E to list your preferred schedule, as well as alternates, to expedite the registration process. To maximize the number of units enrolled, you are strongly encouraged to check alternate section availability before placing yourself on a waitlist. Do not place yourself on a waitlist unless you really wish to add the course.

This is how waitlisting works:

- you may not waitlist a section which has a time conflict with a registered or waitlisted section
- you may not waitlist a section if you are already registered or waitlisted for another section of the same class
- you may not waitlist a section if it is restricted to a major, class (e.g., seniors) or level (e.g., graduate) other than your own.
- you may not register or waitlist more than the maximum hours of registered and/or waitlisted classes
- if you wish to waitlist a lecture/lab class or any class with a required co-requisite, e.g., THE 120/THE 120A or TED 305S/TED 405, you must waitlist both co-requisite sections or classes; failure to do so will result in not being on the waitlist for either co-requisite section
- you must make your entries permanent (confirm) before exiting T.O.R.O.S. to secure your place in classes and on waitlists
- review your schedule periodically to verify your status

Registration Information

If registering via T.O.R.O.S. (Telephone Registration System) or toroWeb, it is very important that you make your entries permanent before exiting the system.

Enrollment limit - Students wishing to register in additional units must wait until the Late Registration, Add/Drop period. To exceed units, you must obtain the signature of your Advisor on a Change of Program Form, along with the signatures of the instructors for the courses you wish to add. Undeclared majors must obtain the signature of the director of the University Advisement Center.

Students wishing to exceed units must obtain the approval of the advisor and the dean of the school or college in which the student is majoring. Undeclared majors must obtain the approval of the director of the University Advisement Center.

Co-requisites - Some courses require concurrent enrollment in a laboratory or activity section as well as in a lecture or seminar section, or concurrent enrollment in one or more other courses. Failure to add/waitlist both or all co-requisites will result in being dropped from your original request.

Enrollment restrictions - Some courses are restricted to students in specific degree programs, to specific class levels (e.g. seniors) or to certain level students (e.g. graduates).

Some departments may choose not to print course reference numbers (CRNs) in the Course Listing section of the *Class Schedule* in order to screen students for

interested in being added to the class, to obtain a Late Add Access Number, and to register via toroWeb or T.O.R.O.S. by the end of the Late Registration, Add/Drop period; students will not be moved automatically from waitlisted to registered status after classes begin. Students who remain on a waitlist but who do not officially enroll will not get credit for the class.

Registration Checklist

- There are now 2 easy ways to register. Call **T.O.R.O.S. (310) 243-2000** from any touchtone telephone or access toroWeb via our website at toroweb.csudh.edu.
- Change your PIN for security reasons.
- Make your entries permanent before exiting T.O.R.O.S. If using toroWeb, be sure to review your schedule before you exit. Log out of toroWeb completely before leaving the computer.
- Call T.O.R.O.S. or visit the toroWeb site to review your schedule at any time after your registration appointment through the end of the registration period. Obtain a printout from one of the kiosks located on campus, or print from your computer.
- Finally, check your account balance to confirm your payment has been received and credited to your account. Students who do not pay fees by the published deadline may be dropped from classes soon after. If you are dropped for non-payment during the registration period, register again via T.O.R.O.S. or via toroWeb through the end of the registration period. You will not receive another notice to register.

If you choose to waitlist a full class, you will be informed of your placing on the waitlist by T.O.R.O.S. and the waitlisted classes will be listed after any registered classes when you make your entries permanent (confirm). You may then drop yourself from a waitlist at any time during T.O.R.O.S. hours of operation. Remember that if you drop only one section of a co-requisite pair, T.O.R.O.S. will drop you from the other co-requisite section.

Once there are students on the waitlist for a full class, *no one will be able to register in a class even if one or more students have dropped from a class that was previously full*. This will allow the University to give priority to waitlisted students over students who try to register for a course when a seat has become available. The University will move students from waitlisted to registered status as seats become available and will mail written notification to students of the change in their schedules. After Aug. 13, 2007, no students will be moved from the waitlist to registered status. *Once your status in a class has been changed from waitlisted to enrolled, it is your responsibility to drop the class (as with any other class) if you decide not to attend; failure to do so will result in a "WU" grade on your record which will lower your grade point average.*

Note: At the beginning of the semester, instructors will be provided with the names of all students who placed themselves on the waitlist for full classes but who could not be officially registered because seats did not become available.

It is your responsibility to attend the first class meeting to confirm that you are still

eligibility. Other courses may not be available through T.O.R.O.S. but may be added with the instructor's approval during Late Registration, Add/Drop.

Questions about enrollment restrictions and eligibility for specific classes should be directed to the department concerned.

Students who are not eligible for restricted courses may be able to obtain approval from the department in special circumstances. A signature of approval must be obtained from the appropriate department representative on a Restricted Registration Exception Form. The form, available from department offices, must be submitted, in-person, to the Records & Registration Office, WH C290, where registration in the restricted course can be completed provided a seat is available. Note: You may place yourself on a waitlist if the requested course is full; however, if the course has a required co-requisite, it will be necessary to register in or waitlist both co-requisite sections or courses. You may not register for one and waitlist the other. The Restricted Registration Exception form is valid during touchtone/web registration periods only. During Late Registration, Add/Drop Late Add Access numbers are required.

Time conflicts - T.O.R.O.S. checks for time conflicts and will not allow registration in classes meeting at the same time. Students with permission from both instructors to enroll in classes with a time conflict, will need to file an *Approval for Time Conflict* form obtainable from the Records & Registration Office and will need to be registered in-person during late registration periods only.

Check Course Availability - If you find that a desired course is full or cancelled, T.O.R.O.S. gives you the option to check for open sections of a course. Prepare a list of alternate courses and/or sections before attempting to register in anticipation that your first choice class/section is full or cancelled.

Full classes - If you attempt to register for a class that is already full, you will be given two options:

- i) to check for open sections of the same course
- ii) to place yourself on a waitlist for the requested section

In order to secure a seat in the class, it is recommended that you check for open sections first and register for an open section, if any. If no open sections exist, you may wish to place yourself on a waitlist for the full section of your choice. Please refer to page L for information and instructions on waitlisting.

Cancelled classes - See Check Course Availability. If you register for a course which is subsequently cancelled, you will receive written notification from the Office of Admissions and Records and should register for an alternate class or section as soon as possible.

Schedule adjustment/Schedule review - Remember, you may change or review your schedule any time during the Registration period. If you choose to exchange one class for another, add the new class before dropping the other class (unless you have reached the maximum enrollment limit). If you wish to drop a class without adding another - do not delay - as a courtesy to

another student trying to add the class. You may also review your schedule or drop classes at any time during Late Registration. See page D for dates and times.

Troubleshooting

- Can't access T.O.R.O.S. or toroWeb?**

Check you are dialing the correct number (310) 243-2000 or check the website address: toroweb.csudh.edu.

Are you using a true touchtone telephone? Not all push-button telephones are touchtone and some programmable telephones using the "#*" or "*" keys in programming cause access problems. Try another phone. Students wanting to register while on campus may use the campus pay phones (*82) or the courtesy phones located throughout campus (x2000).

Unable to connect to the toroWeb site toroweb.csudh.edu? Contact the help desk at (310) 243-3608.

- Busy signal?**

All lines are busy - try again later.

- Unable to locate your class?**

If you are unable to locate your class location, T.O.R.O.S. and Toroweb have a new feature that enables you to obtain the current date, time, and location for any course offered within a given term.

To access this feature using T.O.R.O.S.:

- Call T.O.R.O.S. at (310) 243-2000 from an off campus phone or extension 2000 from an on campus phone;

- From the main menu, select option 7 -to get the building and room location for a course;

- Once you've selected option 7, you will be prompted to select a term from a list of available terms. Select the term in which the course is being offered;

- Once you have selected a term, you will be prompted to enter the 5 digit CRN (course reference number) for the course;

- The system will speak the current date, time, and location for that course.

To access this feature using Toroweb:

- Navigate to the Toroweb site using the Quicklink from the main campus web page, www.csudh.edu;

- When the Toroweb page displays, click on the link for Class Times and Locations (no login is required);

- Select the desired term from the dropdown list and click Submit.

- A page will display on which you can specify search criteria for a course. Narrow your search with any criteria you like, then click on Class Search.

- Information for courses meeting your criteria will be displayed including the current date, time, and location.

- Made a mistake?**

Do not hang up - wait for the recorded voice on T.O.R.O.S. to prompt you.

If you need assistance, please contact the helpline at (310) 243-3608.

- Not able to register for a specific course?**

Check for footnotes in the course offerings section. The course may:

- be full. Select Option 4 (check course availability - on this page), to listen to alternate open sections or place yourself on the waitlist;

- be a duplicate section of a course in which you are already registered;

- conflict with another course in which you are already registered;

- be restricted to certain majors, class levels or student levels;

- require screening in the department (CRN may not be printed);

- require one or more co-requisite sections.

Questions regarding enrollment restrictions should be directed to the department.

Lost your entries?

If using T.O.R.O.S., you must make your entries permanent before hanging up; failure to do so will result in cancellation of your course requests.

If using toroWeb, submit the entries again, making sure to click on the "submit" button. If you continue to have problems, contact the help line.

Unable to get on a Waitlist?

Check to make sure course is closed. Some nursing courses do not have waitlists available. All regular university courses have waitlists.

You may only waitlist for courses that are closed or that are open with existing waitlists.

You will not be allowed to get on a waitlist after Aug. 13, 2007.

Electronic Prerequisite Checking

For the first time this term, some courses will be subject to electronic prerequisite checking. Prerequisites may include courses, courses with a specific grade, exam scores (ELM/EPT/GWE), class standing, and any combination of these, which must be completed or in progress prior to registering for the course. As you register for classes, you may encounter a message (see figure 1 below left) indicating that you have not met the prerequisite(s) required for that particular course. Should you receive such a message, refer to the *University Catalog* for the prerequisite(s). Otherwise:

- If you have already met the prerequisite(s) listed or feel you have satisfied the prerequisite(s) by other means, you must contact the appropriate department office or college advising center for further assistance (for contact numbers and locations, please see page 4). Only these offices have the authority to override the prerequisite. The University's Advising Center can override remedial and General Education prerequisite requirements. For better assistance, we recommend that you contact these offices during normal business hours.
- If you took the prerequisite(s) last term, it must be recorded as complete with the required grade(s) or exam score(s) to satisfy the prerequisite(s) or you will not be allowed to register for the course.
- If you are currently taking the prerequisite(s), you will be permitted to register for the course. However, if you fail to pass the course or exam with the appropriate grade required to satisfy the prerequisite(s), you will be dropped from the course prior to the beginning of the term.
- If you are taking the prerequisite(s) that allows concurrent enrollment with the course, you must either make sure you are already registered for the prerequisite(s) or register for both the prerequisite(s) and the course simultaneously or you will also receive a message (see Figure 1 below left).

Web Registration Instructions

- Follow steps 1-7 on page K.

- 8. If you have not met the prerequisite for a course, a message will be displayed in the Registration Add Errors area with the Status "PREQ and TEST SCORE-ERROR" as in the example below:

Registration Add Errors

Status	CRN	Subj	Crse	Sec	Level	Cred	Grade	Mode	Title
PREQ and TEST SCORE-ERROR	45345	BIO	310	01	Undergraduate	4.000	letter	grade	Ecology

Figure 1

- 9. Refer to the information at the top of this page for instructions on how to proceed.

Telephone Registration Instructions

- Follow steps 1-9 on page L.

- 10. When you have entered all course request numbers, press the star (*) key, followed by the pound (#) key to make your entries permanent. At this time, the registration system will check for any errors in your requests.
- 11. If the system determines that one or more of your courses require prerequisites that have not been met, the following message will be spoken: <Dept><Course Number><Section><Course Request Number><CRN> requires a prerequisite, for example: Biology 310, Section 01, Course Request Number 26203 requires a prerequisite.
- 12. Check the University Catalog for prerequisite(s) required for this course. If you feel you have already met the prerequisite(s), contact the appropriate Department Office or College Advising Center for further assistance. A list of department advising contact numbers and locations is on page 4 of this class schedule.

NOTE: Courses registered by using Late Add Access Numbers are also subject to the same electronic prerequisite checking. Late Add Access Numbers do not override prerequisites.

Special Sessions Programs

The Special Sessions area within the College of Extended & International Education offers a wide variety of individual courses for university credit to matriculating as well as nonmatriculating students during the three week winter session and during the fall and spring semesters. Special Session programs are uniquely designed to accommodate the needs of a given population. In some cases, the completion of a program may culminate in a bachelor's or master's degree while in others it may result in a certificate or credential. Because Special Sessions courses are self-supporting, tuition is charged. The following list reflects the current Special Sessions programs and contact person.

University Police

California State University, Dominguez Hills' annual security report includes statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings, on public property immediately adjacent to and accessible from the campus, and within The City of Carson. The report also includes institutional policies concerning campus security such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault and other matters. You can obtain a copy of this report by contacting the University Police at (310) 243-3639 or by accessing the following website at www.csudh.edu/dhpd/.

The Department is located on campus at:

Welch Hall (WH) B100
1000 East Victoria Street
Carson, CA 90747
(310) 243-3639

The University Police Department provides safety oriented service to CSU Dominguez Hills.

It includes University Police and Parking Services that provide 24 hour-a-day patrol protection of university property, buildings, parking lots and student housing. All laws and codes of the state are enforced on the campus, including regulations the University establishes to administer the campus community.

Officers are responsible for reporting and investigating crimes, issuing traffic citations and responding to medical emergencies, traffic accidents and fire emergencies, as well as other incidents that require police assistance. University

police officers are vested with full law enforcement powers and responsibilities, identical to the local police or sheriff departments in your home community. Officers meet training requirements mandated by the California Commission on Peace Officers Standards and Training as well as training designed to meet the needs of the university community. As state police officers their police authority extends throughout the entire state, including concurrent jurisdiction with the Los Angeles County Sheriff Department on the adjacent streets and community.

The Department prepares and submits a monthly Uniform Crime Report to the California Department of Justice. The Department also enters reported stolen vehicles and property with serial numbers into the National Crime Information Center, allowing for recovery throughout the United States.

As an active member of the Criminal Justice System, the University Police interacts and cooperates with other law enforcement agencies. Cases are filed with the Los Angeles County District Attorney. Information may also be given to the Office of the Vice President for Student Affairs for appropriate action involving students.

The Department works closely with the Student Housing Office in an effort to educate the residents in crime awareness and crime prevention.

All emergency calls continue to be routed to the main station in WH B100 on campus and all officers continue to be dispatched out of the main station.

Crime Prevention Programs

The Department has established programs that raise the level of safety awareness of the campus community. These programs include:

- Student Orientation Program
- Resident Advisors Training Program
- Student Escort Service
- Sexual Assault Prevention
- Personal Safety Awareness
- DUI and Drug Abuse
- Theft Prevention
- Building, Area and Parking Lot Lighting Surveys
- 9-1-1 Capability from all University phones
- Emergency Telephones at various campus locations
- Emergency Preparedness Committee
- Electronic Alarm Systems

The Student Escort Service provides escort service during the hours of 6 - 11 p.m. for students, faculty and staff who walk alone to their cars.

Most campus buildings and facilities are accessible to members of the campus community, guests and visitors Monday through Saturday until 10 p.m. and as certain special events dictate.

Motor vehicle lots, pedestrian walkways and building exteriors are well lit. The University Police conducts a weekly light survey throughout the campus and a report is made to Physical Plant on a weekly basis.

Shrubbery, trees and other vegetation on campus are trimmed and maintained on a regular basis with special attention given to walkways. Physical Plant conducts a facility audit of the entire campus on an annual basis.

University Policies

Academic Integrity: Its Place in the University Community

THE UNIVERSITY COMMUNITY

A university is a community of learners bonded together by the search for knowledge; the pursuit of personal, social, cultural, physical, and intellectual development; and the desire for the liberating effects of an advanced education. California State University, Dominguez Hills (CSUDH) has a culture—the academic culture—shared with other universities and colleges across the nation. Integral to that culture is a set of values such as academic freedom, dedication to teaching and learning, diversity, civility toward others, and academic integrity.

ACADEMIC INTEGRITY

Academic integrity is of central importance in the university community and involves committed allegiance to the values, the principles, and the code of behavior held to be central in that community. Integrity concerns honesty and implies being truthful, fair, and free from lies, fraud, and deceit.

The core of a university's integrity is its scholastic honesty. Honesty is valued across all cultures and is a fundamental value in the academic culture. There are, however, cultural differences with regard to the ownership of ideas and the importance of individual efforts. Nonetheless, the university expects all students and other campus members to document the intellectual contributions of others and to ensure that the work they submit is their own.

Education provides students with the resources to master content, learn skills, and develop processes to maximize self potential and the potential of others. Students must demonstrate mastery of each step of learning by tangible products such as test performance, papers, and presentations. This process enables the student and the instructor to assess the student's readiness for the next steps and gives the student the confidence to undertake future steps. Students who cheat may not have mastered the necessary steps nor gained the necessary knowledge; they miss the opportunity to gain an accurate picture of what they know and what they do not know.

Cheating harms others and the institution in addition to limiting one's own potential. Other students are rightfully angry when dishonest students use inappropriate methods to get grades for which honest students work hard. The fairness of the grading process is compromised when a student falsely obtains a grade. Academic dishonesty may result in loss of confidence in the system and devaluation of the quality of the university degree.

THE NATURE OF ACADEMIC DISHONESTY

A standard definition of academic dishonesty has been provided by Kibler, Nuss, Paterson, and Pavela (1988):

Academic dishonesty usually refers to forms of cheating and plagiarism which result in students giving or receiving unauthorized assistance in an academic exercise or receiving credit for work which is not their own.

They further define the following specific forms of academic dishonesty:

Cheating—intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise. The term academic exercise includes all forms of work submitted for credit or hours.

Cheating also includes: unauthorized multiple submissions, altering or interfering with grading, lying to improve a grade, altering graded work, unauthorized removal of tests from classroom or office, and forging signatures on academic documents.

Fabrication—intentional and unauthorized falsification or invention of any information or citation in an academic exercise.

Facilitating academic dishonesty—intentionally or knowingly helping or attempting to help another to violate a provision of the institutional code of academic integrity.

Plagiarism—the deliberate adoption or reproduction of ideas or words or statements of another person as one's own without acknowledgment.

At the heart of any university are its efforts to encourage critical reading skills, effective communication and, above all, intellectual honesty among its students. Thus,

all academic work submitted by a student as his or her own should be in his or her own unique style, words and form. When a student submits work that purports to be his/her original work, but actually is not, the student has committed plagiarism.

Plagiarism is considered a gross violation of the University's academic and disciplinary standards. Plagiarism includes the following: copying of one person's work by another and claiming it as his or her own, false presentation of one's self as the author or creator of a work, falsely taking credit for another person's unique method of treatment or expression, falsely representing one's self as the source of ideas or expression, or the presentation of someone else's language, ideas or works without giving that person due credit. It is not limited to written works. For example, one could plagiarize music compositions, photographs, works of art, choreography, computer programs or any other unique creative effort.

Further information about the various forms of academic dishonesty can be obtained from the office of any Instructional Dean or the Student Development office. Individual departments and faculty may also provide specific examples.

Students can also contact the Student Development Office to arrange to complete the MITT (Multi Media Integrity Teaching Tool), an interactive software program which teaches students about academic integrity.

WHO HAS THE RESPONSIBILITY FOR PROMOTING ACADEMIC INTEGRITY AND PREVENTING ACADEMIC DISHONESTY?

Faculty Responsibility

The faculty as representatives of the institution have the opportunity to encourage academic integrity and the responsibility to discourage and curtail academic fraud. At CSUDH, incidents should be reported to the Office of the Vice President of Student Affairs. Unless incidents are reported to a central location, repeated violations may go undetected as they occur in separate departments or with different faculty. The Vice President of Student Affairs will notify the student if a report is received.

Student Responsibility

Students are responsible for the integrity of their actions and must be willing to accept consequences for these actions. Students have the responsibility to be familiar with the University policies and to seek clarification with faculty if they are unclear about expectations for any assignment. Students are also encouraged to report academic dishonesty. In the sense that a university is a community, students should understand their own role in the creation of the kind of environment that encourages honesty and discourages academic fraud. Students need not tolerate any action on the part of another that diminishes their own integrity or that of the university.

OPTIONS FOR ADDRESSING ACADEMIC DISHONESTY

When a faculty member detects dishonesty, he or she will address it. If appropriate, the faculty member will first confront the student and seek an "in-office" resolution. Remember the charge is an allegation that should be examined under due process.

If the faculty member is convinced that dishonesty has occurred, she or he will use one or more of the following options:

- a. Adjust the evaluation of the student's work, i.e., nullify the effort or a portion of it. This action may be taken as part of a decision regarding assignment of a grade. The faculty member is not required to formally report the incident through the campus disciplinary process but is strongly encouraged to do so.
- b. Refer the matter to the Vice President for Student Affairs for an investigation as part of the Student Disciplinary Procedures. These procedures call for due process, a hearing or the opportunity to waive a hearing and accept a sanction without admitting guilt. (An "F" grade supported by a decision in a disciplinary case may not be the subject of a grade appeal and may not be repeated and canceled.)
- c. Use both "a" and "b" above.

THE CALIFORNIA STATE UNIVERSITY DISCIPLINARY PROCEDURES

Student enrollment is a voluntary entrance into the academic community of learners. By such entrance, the student voluntarily assumes, and is expected to assume, obligations of performance and behavior that are imposed by the

university relevant to its lawful missions, processes, and functions. The University reserves the right to discipline students in order to secure compliance with these obligations.

Students who engage in dishonest behavior are charged with violating Title 5, California Administrative Code, Section 41301, under the Student Disciplinary Procedures for the California State University established by Executive Order #970 by the Chancellor. A copy of these procedures may be obtained from the Offices of the Vice President for Student Affairs or Student Development.

Academic Petition for Exception

Students may petition for exception to certain university academic regulations when unusual circumstances exist. It should be noted, however, that academic regulations contained in Title 5, *California Administrative Code*, cannot be waived by petition.

Before filing a petition, students must first speak with the designated representatives in the College associated with their request. Only in cases where no alternate means of resolution is available should a student then file a petition. To do so, a fee must be paid. Requests must be stated clearly and accompanied by supporting documentation. Students are notified of decisions by U.S. Mail at the address on file with the University.

Attendance at First Class Meeting Policy

PM 94-06

It is the responsibility of the student to make certain that his/her drop has been officially recorded. Continued absence from the class may yield a grade of "WU". Students should not assume that a faculty member has dropped them from the class. Refer to PM 94-06, "Attendance at First Class Meetings."

Prior to the end of the second week of classes, a faculty member may, but is not required, by following the appropriate procedures, initiate a formal drop of students who:

- have missed the first two class meetings (or the first meeting if the class meets only once a week), and

- have not advised the faculty member (or the department chair, if no faculty member was assigned to the course in advance) that their absence is temporary.

Students who have been dropped by the instructor from a class but wish to re-register must obtain a Late Add Access Number from the instructor by the end of the third week of the semester.

Campus Health and Safety

All guests, students, staff, and faculty are entitled to an academic experience free from hazards. However where hazards exist, attention must be paid in recognizing as well as reporting them. In order to raise the safety awareness level among the campus community, the Office of Risk Management/Environmental and Occupational Health (RM/EHOS) has developed the following key points:

- Become familiar with campus emergency procedures and evacuation instructions posted in each classroom and laboratory.
- Report any hazards to your instructor or RM/EHOS at extension 3995.
- During emergencies, listen to the directions provided by your instructor and/or Police Officer.
- Immediately report any injuries, however minor, to your instructor or to the Police department at extension 3639.
- If work in your class involves contact with hazardous materials (chemicals, pathogenic matter or radioactive materials) be sure to receive training on: the nature of the material you will be working with; proper handling methods for these materials; and the use of personal protective equipment.

These guidelines also apply for academic activities that take place outside of the classroom. Be sure to attend class briefings concerning hazards in field trip settings prior to participation in off-site activities.

Campus Smoking Policy

PM 04-02

California State University, Dominguez Hills (CSUDH) has a responsibility to its students and employees to provide a safe and healthful learning and working environment. The University recognizes the harmful effects of involuntary contact with smoke. It also recognizes the need

to preserve the reasonable individual rights of smokers as long as doing so does not interfere with the right of the non-smoker to a smoke-free environment.

Areas Where Smoking is Prohibited: Therefore, it is the policy of CSUDH to prohibit smoking in campus buildings and certain other areas of the campus where non-smokers cannot avoid exposure to smoke. Specifically, smoking is prohibited in all campus buildings, including classrooms, lecture halls, laboratories, offices, work areas, study areas, reception areas, meeting rooms, lobbies, hallways, stairwells, elevators, eating areas, lounges, and restrooms, and within twenty-five (25) feet of an exit, entrance, or operable window of any campus building. Smoking is also prohibited in all partially enclosed areas such as covered walkways, breezeways, walkways between sections of buildings, bus-stop shelters, exterior walkways and landings, all State vehicles, including electric and golf carts.

Areas Where Smoking is Permitted: Smoking is permitted in outside ground areas twenty-five (25) feet beyond any exit, entrance or operable window of a campus building.

Family Education Rights and Privacy Act of 1974

All student records of the California State University are kept in accordance with the provisions of the Family Educational Rights and Privacy Act (FERPA) which authorizes educational institutions to release directory information on former and currently enrolled students. CSU Dominguez Hills has chosen to further limit "directory information" to a student's: name, major, dates of attendance at CSUDH, degrees and awards received, but will verify address, telephone number and date of birth, if requested. CSUDH is also required by law to release specific information for U.S. military recruiting purposes. Students may request, in writing, that directory information not be released by completing a "Request to Withhold Directory Information" form available from the Office of Records and Registration, WH C290, or from the Admissions and Records Office web page at www.csudh.edu/csudh/ar2000/forms.htm.

For more detailed information on FERPA and the release of student information, please consult the *University Catalog* or visit the U.S. Department of Education's Family Privacy Compliance Office on the internet at www.ed.gov/offices/OM/fpco.

Immunization Requirements

The California State University has two immunization requirements that apply to *any student who has not attended a high school in California*.

- a. Measles (rubeola) and Rubella (German Measles)
All new students born after January 1, 1957 who have never attended a California high school are required to present proof of measles and rubella immunizations. Evidence for proof of immunity includes verification from an M.D. or copies of immunization records from sources such as schools or the Public Health Department. If you do not already have proof of immunity to both of these diseases, you can obtain a combined measles/rubella vaccine at the Student Health Center free of charge. Proof of immunity to measles and rubella must be submitted within one calendar year of the time of your first enrollment, or you will not be permitted to register for the following semester.

b. Hepatitis B

If you are 18 years old or younger on the first day of classes of the first semester of your enrollment as CSUDH, and you have never attended a high school in California, you are required to present proof of Hepatitis B immunization. Even if you turn 19 years of age during your first year of enrollment at the university, you are still responsible for completing this requirement. Proof of full immunity means that you must have proof of completion of the third shot in the three-shot Hepatitis B series. For students under the age of 19 who have not been immunized against Hepatitis B prior to their first enrollment, the series can be obtained through the Student Health Center free of charge. Proof of immunity must be submitted within one calendar year of the time of your first enrollment, or you will not be permitted to register for the following semester.

Exemptions to these requirements may be granted based on medical considerations or religious or personal beliefs.

If either the Measles/Rubella or the Hepatitis B requirement applies to the student, the student must bring proof of immunity to the Student Health Center in person. Students who are meeting these requirements by either (a) presenting proof of immunity or, (b) claiming an exemption, also need to complete an Immunization Requirements Certification Form, available at the Student Health Center. For further information, contact the Student Health Center at (310) 243-3629.

Repeat and Cancel

PM 87-17

The Repeat and Cancel policy may be used only by students working toward a baccalaureate degree. It may not be used by graduate/postbaccalaureate students working on master's degrees, graduate certificates, teaching credentials, or by "undeclared" graduate students, even when they take undergraduate courses.

In the case of a repeated course, the subsequent grade is substituted for the earlier one in the computation of units

attempted and GPA. The previous course grade(s) remain(s) on the record, but is/are not calculated as part of the grade point average.

Repeat and cancel may only be used on courses taken at CSUDH and repeated at CSUDH or another CSU campus through summer session, concurrent enrollment or visitor status.

3. Repeat and Cancel may be used up to a total of eighteen (18) semester units taken at CSU Dominguez Hills.
4. Repeat and Cancel may be used only on grades of "WU," "F," "D," "D+," "C-," "IC."
5. Students must complete a *Notice of Repeated Course form* for each course repeated that meets all Repeat and Cancel policy guidelines.
6. A grade entered as a result of the student disciplinary procedures under Executive Order No. 148 cannot be cancelled and will be computed in the grade point average.

All courses used to fulfill the requirements for the master's degree must be passed with a grade of "C" or better. Any course in the graduate program may be repeated and the two grades averaged when computing the grade point average. However, any course in which a grade lower than "C" is earned *must* be repeated for a grade of "C" or better and the two grades averaged. An overall grade point average of 3.0 (B) or above is required in all courses taken to satisfy the master's degree requirements.

PM 96-01

California State University, Dominguez Hills strives to provide an optimal environment for growth and learning. The campus community has a right to pursue these goals in an atmosphere conducive to personal safety. All forms of sexual assault are acts of aggression or violence against individuals. Such acts include, but are not limited to rape (including "acquaintance rape"), forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.

If the victim cannot be persuaded to report the incident to the police, she/he should be referred to the Student Health and Psychological Services, the Women's Center, or the Vice President for Student Affairs for assistance and support. For more detailed information on this policy, see website at www.csudh.edu/pms/AF-Health%20Safety.htm.

3. The conduct has the purpose or effect of interfering with an employee's work performance, or creating an intimidating, hostile, offensive or otherwise adverse working or learning environment.

All personnel are responsible for conducting themselves in a manner that ensures that their actions do not sexually harass any other individual. Additionally, supervisors can be held personally liable and must ensure that their work environment is free from sexual harassment

In determining whether conduct actually constitutes sexual harassment, the circumstances surrounding the conduct will be carefully considered. Where the facts support the allegations, all appropriate measures including disciplinary action shall be taken.

The Assistant Vice President of Human Resources is responsible for: assisting employees and students regarding alleged sexual harassment and resolving situations in which sexual harassment occurs or is perceived as occurring; training supervisors and faculty members in how to comply with the harassment policy and how to recognize harassment; providing training programs for campus staff to heighten sensitivity and awareness of sexual harassment and developing strategies for its elimination; and conducting investigations and responding to allegations of sexual harassment made against University employees. University employees not covered by a collective bargaining agreement may file a formal complaint utilizing the complaint procedure in Executive Order Number 675. Complaints filed under Executive Order Number 675 are to be filed with the Director of Human Resources.

Students wishing to file a formal complaint are directed to contact the Director of Human Resources.

California State University, Dominguez Hills assures that no retaliatory action or reprisal shall be taken against those persons who: a) oppose practices prohibited by this policy; b) file complaints of sexual harassment; or c) assist with or participate in a sexual harassment investigation, proceeding or hearing conducted by the University, the Equal Employment Opportunity Commission or the Department of Fair Employment and Housing.

Complement your classroom experience by taking advantage of the many enriching opportunities listed below and take control of your destiny.

Associated Students, Inc. (ASI)

Associated Students, Inc. (ASI) is the official student voice of the California State University, Dominguez Hills. ASI is a non-profit, student-run corporation that monitors approximately \$1.6 million of student activity fees. All CSUDH students are members of Associated Students, Inc.

Associated Students, Inc. provides various services on campus: campus programs, student organization support, REC sports, Child Development Center, discounted movie tickets, and student health, dental, and vision plans. ASI is also responsible for funding technology grants, approximately \$400,000 per year. Past awards have funded the Internet Lounge in the Library, laptops for resume and job search workshops in Student Development Office, the Laptop Check-out Program in the Loker University Student Union, and the computer lab in Housing.

There are many opportunities for you to get involved with ASI. Stop by the ASI Office in the Loker Student Union or call (310) 243-3686 to find out more about the various programs, University Committees, or campus activities. Please feel free to visit the ASI website at www.csudh.edu/asi.

Intercollegiate Athletics

The CSUDH Athletics Department sponsors 11 intercollegiate athletic teams that compete at the NCAA Division II level. The Toros are a member of the California Collegiate Athletic Association (CCAA). Widely considered the strongest Division II conference in the nation, the CCAA has earned 145 NCAA II Division National Championships more than any other league in the country. The school fields teams in: Men's and Women's Basketball, Softball, Baseball, Men's Golf, Women's Indoor/Outdoor Track and Field, Men's and Women's Soccer, Women's Volleyball, and Women's Cross Country. CSUDH offers students opportunities for involvement as both a student-athlete and as a fan. Athletic facilities include the gymnasium, new state-of-the-art fitness center, training room, baseball/softball field, soccer field, tennis courts, track and all-purpose field. For further information, please contact the Toros Athletics Department in the Hughes Education and Athletics Center at (310) 243-3893, or visit our website at www.csudh.edu/torosonline.

Recreational Sports

The ASI Recreational Sports program at CSUDH offers students another well-deserved recreational and social outlet. The unique schedule of tournaments

provides opportunities for positive physical activity and social interactions with classmates, faculty, and staff. The program also offers tournament play in basketball, soccer, volleyball, and softball to name just a few. The Recreational Sports program is sponsored by the Associated Students, Inc. For more information, please call (310) 243-3686.

University Housing

The rich cultural diversity of the campus is mirrored within the campus living accommodations at Dominguez Hills. Up to 600 students live in the furnished one-, two- and three-bedroom apartment style residences. The housing complex includes computer facilities, a weight room, basketball and volleyball courts and multi-use lounges that include a big screen television and a pool table. Professional and student staff provide social, cultural, educational and recreational programs. There are multiple opportunities for residents to get involved, including being a member of the Resident Student Association. University Housing also maintains listings of off-campus apartments and rooms for rent. For more information, call (310) 243-2228.

Student Union

The Loker University Student Union, Inc. is the center of activity on campus. Our facilities, programs, and services enhance the university community and contribute to the out-of-the-classroom experience. You can become a part of the excitement by volunteering for Toro Productions, the student programming board, where you will learn valuable leadership and programming skills, while having fun! Stop by the Student Union Information Counter and check out what's going on in the Union today! For more information, call (310) 243-3559.

Student Organizations

More than sixty student organizations currently take advantage of benefits and privileges afforded only to student-run organizations. Such benefits include free use of campus facilities and resources and an opportunity to apply for ASI funding. Key privileges include on-campus member recruitment and fundraising. Joining a club/organization or checking out Greek Life at CSUDH can really be a step in the right direction for students looking for leadership development opportunities. Students actively involving themselves in student life add depth and breadth to their development as college

students and as humans. Join or start a student organization that other students need or desire. Consider the following as you make plans to get involved in student life:

- Community Service Organizations
- Greek Letter Organizations (Fraternities/Sororities)
- Culturally Oriented Organizations
- Honor and Service Societies
- Professional Organizations
- Recreation and Intramural Clubs
- Special Interest Organizations
- Associated Students, Inc.
- Campus Program Board, "Toro Productions"
- Resident Student Association

For a list of student organizations or to request the paperwork and information you need to start a new one, please stop by the Office of Student Life or call (310) 243-2081.

Multicultural Center

The Multicultural Center (MCC), located in USU, promotes the exploration of diverse heritages, values and cultural experiences by offering a wide range of co-curricular programs throughout the year. Some of these include a 3-day "Unityfest," dramatic presentations, lectures, concerts, diversity chats, art exhibits, retreats, movies, dance lessons/demonstrations, poetry readings/festivals, leadership development opportunities, and other dialogue groups. Issues and answers related to racism, sexism, heterosexism, inter-ethnic relations, and cultural identity development are also explored and debated. To get involved or for more information, call the MCC at (310) 243-2519 or visit our web site at www.csudh.edu/mcc/.

Special Events

Each year, the CSUDH community joins together to celebrate our unique traditions of "Welcome Week," "Toro Days - Homecoming," and "CSUDH Serves." Special event committees of all types gather together each academic year in a spirit of collegiality, a strong sense of community to enrich campus spirit, and a deeper connection between students and the University. With primary input derived directly from students, events such as career/employment fairs, wellness fairs, leadership conferences, retreats, cultural celebrations, and on-campus graduate school informational forums are planned and implemented regularly. Musical, theatrical, fine art exhibits, and presentations round out the special events spectrum. Contact the Office of Student Life or Toro Productions at (310) 243-2081 for more information.

The Women's Resource Center

Contributing to the personal, educational and professional growth of women on campus is key to the mission of the CSUDH Women's Resource Center, reporting to the Women's Studies Dept. The center serves as a gathering place for sharing of ideas and other resources. A wide array of speakers, educational programs, projects, and internships are sponsored by the Women's Resource Center. All students are welcome at the center, located at LIB 518. Call (310) 243-2486 for more information.
