UNIVERSITY REGULAR SESSIONS

Applicants are required to include their correct social security numbers (individual taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student as well to identify the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

RECLASSIFICATION OF RESIDENCY

A student classified as non-resident for tuition purposes may request a review of residence status by filing a statement of residence and financial independence with the Office of Admissions prior to the deadlines listed below. Requests made after the deadline must be accompanied by the **Missed Deadlines fee**. Please refer to the *University Catalog* for general information regarding California residency requirements or contact the Office of Admissions.

Orientation

NEW UNDERGRADUATES

New Student Orientation (NSO) programs are provided twelve times a year to incoming, admitted freshman and transfer students. A positive and well-balanced orientation program is integral to a student's ability to transition smoothly from high school and other colleges and universities to Dominguez Hills. Orientation information is provided by Academic Advising, the Admissions Office, Records and Registration, Financial Aid Office, Office of Student Support Services, the Associated Students, Incorporated, and the Office of Student Life.

Students have the opportunity to register for classes online via toroWeb Registration at all NSO programs as long as Academic Advising has been received prior to or as part of the NSO program they attend. Student ID cards are provided as well to minimize the need for students to stand in line during the first days of classes. NSO

at Dominguez Hills is both welcoming and useful. Contact the Office of Student Life at (310) 243-2081 for more information.

International Students

All newly admitted international students must attend a mandatory International Student Orientation Program on **Friday, August 15, 2008 from 9:00 a.m. to noon, in WH D176.**

Request for guest permits must be made 72 hours in advance via memorandum sent to the parking office. Guest permits will not be issued to CSUDH faculty, staff, or students. The Administrative Review is processed by the issuing officer and his/her supervisor. A determination is returned via mail within ten (10) days.

Should an Administrative Review determination deem the citation valid, the cited party can escalate the Review to the next level. The cited party will then request an administrative hearing, which is held on campus monthly. The hearing officer will meet with the cited party to discuss the citation by appointment.

Failure to resolve a parking citation will result in difficulty with renewing the vehicle's registration.

- 2. Fulfill all General Education, Area A, Basic Skills courses and the Quantitative Reasoning (Math) requirement with a "C" grade or higher.

Graduation Workshops TBA.

- 3. Complete the requirements of your major, minor and, if applicable, your second major. Read the *University Catalog* and curriculum guides and meet with departmental advisors.

Academic Skills and General Education Requirements for Undergraduate Students

Consult the *University Catalog* and select an advisor for your academic program. If you have a declared major/minor, consult the appropriate department. If you have not declared a major, contact the University Advisement Center (WH A220, (310) 243-3538) for an appointment. Students should consult an advisor upon entry to the university and every semester thereafter.

EPT/ELM Requirements for Freshmen and Transfer Students (effective Fall 1998)

Executive Order 665 requires new, non-exempt, admitted freshmen and transfer students entering Fall 1998 and after to take the EPT/ELM examinations **before registering for classes**. The tests are not a condition for admission to the University, but are a condition of enrollment and course registration. If test results indicate that developmental courses in mathematics and/or English are needed, the student must:

- Take the course(s) at CSU, Dominguez Hills;
- Take the course(s) beginning the first semester until the courses are passed;
- Enroll in these courses each semester until the courses are passed.

If all developmental courses are not passed in two semesters, students may not be able to register or continue attending classes at CSU, Dominguez Hills.

EPT Scores for English

Exemptions: SAT Verbal 550, ACT Eng. 24, AP Eng. 3, and EAP

T = 100 - 141 ENG 88 & ENG 99
T = 142 - 150 ENG 99
T = 151 Pass ENG 110

ELM Scores for Mathematics

Exemptions: SAT 550 Math, ACT 23, Math, AP3, and EAP

March 2002 & after
T = 2 - 40 MAT 11, 12, & 13

T = 50 - 80 G.E. level

Academic Skills Assessment Plan (ASAP)

Students admitted to CSUDH Fall 1998 and After:

New students enrolled Fall 1998 and after are subject to Executive Order 665 regulations for placement tests and English and mathematics class requirements. Non-exempt students must take the English Placement Test (EPT) and the Entry Level Mathematics (ELM) examination **before** registering for classes. If test results show that developmental courses in English or mathematics are needed, students must:

- Enroll in required developmental classes the first semester of attendance and thereafter;
- Pass all developmental courses in two semesters.

After two semesters, students may not be able to register or continue to attend classes at Dominguez Hills if all required developmental classes (ENG 88/ENG 99 and MAT 11, 12, & 13/MAT 14, 15, & 16) are not passed.

Students are subject to Academic Skills Assessment Plan (ASAP) "Probation" if they do not pass General Education level English (ENG 110 and 111) and mathematics (MAT 105 or equivalent) in *four* semesters.

Finally, students are subject to ASAP "Disqualification" from the University if they do not pass General Education level English (ENG 110 and 111) and mathematics (MAT 105 or equivalent) classes in *six* semesters.

Students should contact the University Advisement Center for additional information at (310) 243-3538, e-mail at uac@csudh.edu, or in person at WH A220.

GRADUATION WRITING SKILLS REQUIREMENT

All students subject to degree requirements in the 1979-80 and subsequent catalogs must demonstrate competency in writing skills as a requirement for graduation. Students can fulfill the requirement by

completing a writing examination (GWE), a designated certifying course, or two Writing Adjunct courses.

Completion of the Graduation Writing Assessment Requirement (GWAR):

Students must complete their lower division English composition courses in Area A, General Education, before attempting to complete this upper division requirement. However, if students have not satisfied the GWAR by the time they complete 72 units, a hold will be placed on their registration. In order to lift the hold and register, students must contact the University Advisement Center (UAC, 310-243-3538, WH A220) to develop a strategy and sign a contract agreeing to that strategy. Only the UAC can lift this hold.

The GWAR can be met through one of the following options:

Graduate Writing Examination (GWE)

The GWE, a voluntary test for which a fee is charged, is available to students twice each semester and once during the summer. Students must earn a score of 8 or higher (on a 12 points scale) to pass the GWE. Students are allowed to take the GWE two times. Students who have not received an 8 or higher after taking the test twice must take a certifying course. Information, test dates, and registration procedures are available in the Testing Office, WH A210, 310-243-3909.

Upper Division Courses and Writing Adjuncts

Undergraduates must earn a "C" grade or higher in the following certifying course:

ENG 350 3 units
Advanced Composition

or

Undergraduates must earn a "CR" grade in the two Writing Adjunct courses, IDS 397 and IDS 398, two units each.

General Education Requirements

STATUTORY REQUIREMENT

In addition to General Education requirements in G.E. Programs prior to Fall 2005, students also must satisfy requirements in U.S. history and U.S. and California government by completing the following:

- HISTORY 101 or examination and
- POLITICAL SCIENCE 101 or examination.

CERTIFICATION

Accredited community colleges and public four-year colleges may sanction (certify) that all or part of General Education requirements (post 1980) have been met. Transfer students with complete certification of California State University General Education breadth requirements or Intersegmental General Education Transfer Curriculum (IGETC) requirements are not required to complete additional lower division courses in general education. Transfer students should request that their college "certify" their General Education. An additional nine semester units of upper division General Education courses must be completed at CSU Dominguez Hills.

DOUBLE COUNTING GENERAL EDUCATION COURSES

Lower division General Education courses may be used to fulfill lower division major/minor requirements. Under certain conditions and within specific majors, upper division General Education courses may be used to fulfill major/minor requirements. Even though students may double count certain General Education courses, they will not receive additional unit credit towards graduation. Please consult the *University Catalog* and/or an academic advisor for more information.

General Education Program

Beginning with the 2005-06 academic year, a new General Education program was implemented which differed from previous years. It is very important for students to follow a specific G.E. pattern. The default G.E. catalog year is the year of CSUDH admission. Students in continuous attendance at CSUDH under an earlier catalog may choose to complete the new G.E. program. Students must choose a G.E. program based on one of the following criteria:

- 1) The year of your entrance into CSUDH;
- 2) Your semester of graduation or;
- 3) Your entrance into a California community college or state university.

Contact an advisor in the University Advisement Center for further information.

Changes to the Class Schedule

New Student Information System

Effective Fall 2008, CSU, Dominguez Hills will implement a new student information system known as PeopleSoft to produce their schedule of classes.

With the new system comes a number of changes that will impact the way students register and view the class schedule.

Changes to the class schedule include:

Class Number (CN)

Formerly known as the course reference number or CRN. The class number (CN) will continue to be the five-digit number in the far left column that identifies the course and section of the class you want to take. During registration, it will be necessary to use this number to register for a section or to change your program.

Combined Classes

Formerly known as cross-listed courses. Combined classes will continue to be defined as two or more classes that have been scheduled for the same dates, days, times, location, and instructor in term. The combination of classes will be listed under the class title and designated with footnote 63.

Dynamic Class Schedule

With PeopleSoft, students will be using the Student Center to perform many of the transactions needed to register for classes. This includes, but not limited to, searching for classes offered and their status. The *Class Schedule Addendum*, used in past terms to show added classes, canceled classes and class modifications, will no longer be needed for class modifications.

Multi-component Course

Formerly known as a multi-moded course. A multi-component course has more than one component and usually consists of either a lecture/discussion and a lab/activity components. The components must be taken concurrently. Most course suffixes (L, A, P) have been dropped from the course number. An extra column has been inserted into the class offerings list to show what component it is.

Footnote definitions

Footnote definitions can be found after the course listing section of the *Class Schedule*.

Internet Class

An internet class is a class that is offered online. They can be identified by their section number, which begins with a 4 and by their location, which is *Internet*.

+ Prerequisite Required

Consult the course description in the current *University Catalog* for course prerequisite(s).

Co-Req – co-requisite

Co-requisite courses require enrollment in both the lecture section and associated activity, lab, production or supervision portion of the course or, in some cases, enrollment in another course. Co-reqs are listed below the course title. If the co-requisite CN is listed, you must register for that specific CN. If only the department and course number is listed, you may register for any section of the co-requisite course for which you are eligible. Refer to the course description in the current *University Catalog*.

Hybrid Class

A Hybrid class integrates online with traditional face to face activities in a planned, pedagogically viable manner. A minimum of one third and a maximum of two thirds of the class is taught online. There are three types of hybrid class combinations: face to face with online, face to face with off-campus, and face to face with televised. Hybrid classes can be identified by their section number, which begins with a 3 and by the footnote 28.

New Student Orientation

New:

Student Identification Number

You may recall that we converted to campus assigned student identification numbers that begin with 98X-XX-XXXX. Now that we have implemented our new student administration system, you have been assigned a new student identification number. This number will appear in your Fall 2008 Registration Appointment email.

Why do I need this number?

In some offices, in addition to showing your student identification card, you are required to enter your ID number into a key pad so that the staff member can retrieve your student record. In the new Student Administration system, the student record is not primarily tied to your social security number, or your 98 number. A new number has been assigned which is now your primary identification number. This will be the same number that you should enter on the keypads in the Office of Admissions and Records and the Cashier's Office.

Can I use this number to login to the Portal?

No, you must use your User name and PIN or Password to login to the portal page. This information is also provided in your Fall 2008 registration appointment email.

Will you be able to identify my record using the 98 number in PeopleSoft?

Yes, we can retrieve your records using the SSN and the 98 numbers, but they must be entered into a special field before we can search for your record. You may continue to use either number in your transcript requests and other correspondence with the university. You should never provide your SSN number in public or write it on forms. For security purposes, we ask that you use your campus assigned ID numbers for transacting business.

Registration Procedures

Each student eligible to register will receive a *Registration Access Mailer* and email from the Office of Records and Registration that provides important registration information.

- Registration appointment date and time
- Personal Identification Number (PIN)
- CSUDH Identification Number (SID)
- Major(s)

It is very important to review all the information, to take the appropriate action to correct inaccurate information, and to seek advising or clear other holds several working days prior to your registration appointment date and time.

Please note that failure to apply for admission or register by the published deadlines in the previous semester may result in not receiving a *Registration Appointment*.

PREPARE TO REGISTER

Use the following checklist to prepare to register for classes. Not all items may apply to you, but those that do will help you to register in the most efficient way.

- CSUDH ID** - This is your campus identification user name. You will need it to log into my.csudh.edu. This can be found in your Admissions letter in your registration appointment email.
- Password/PIN** - A password that is needed to access your MyCSUDH account. New admits will be issued a password and continuing CSUDH students will use the same PIN that they used in toroWeb.
- Enrollment Appointment** - You may now view your registration appointment by logging into your MyCSUDH account and going to Student Center. The Student Center provides your registration time and date, "hold" information and a checklist of outstanding items that must be completed for new admits.
- Holds** - Clear any holds listed on the Student Center page under "Hold".

SELECT OUR CLASSES

1. **View Classes** - You may purchase a Fall 2008 Class Schedule from the Bookstore or view the document on the website. You may also check for classes by going to my.csudh.edu and using the "Class Search" option.

2. **Check Your Major** - Some classes are restricted to students in certain majors.

3. **Requisites** - Many classes require that you meet certain requisites before you are allowed to enroll. You may require department consent, a certain test score on your EPT/ELM, a prerequisite(s) to the class, or to be a certain class level before you can take the class. If you have met these requisites here at CSUDH, you should have no problem enrolling in the class. If you have met these requisites at another institution or have not met the requisites at all, you should contact the department for a Permission Number (PN) to enroll in the class.

4. Department Consent Required

Some classes require department consent before you can enroll. If consent is given, the department will issue you a Permission Number to enroll in the class. Classes that require department consent have footnote 12.

Have alternates in mind in case your class is cancelled or fills quickly. You may add yourself to a waitlist if a class is full (see Waitlist Procedures and Waitlist Conditions for more details). You may register for up to 18 units during registration without approval. You cannot exceed the maximum units until the Late Registration/Change of Program period, and you must obtain approval from your advisor to exceed 18 units. If you wish to exceed 21 units, you must also obtain the approval of your dean of your major.

REGISTER

1. **Register at MyCSUDH** as soon as possible on or after your enrollment appointment date and time. You may not register before your enrollment appointment. The system is available as follows:

May 5 - August 29, 2008

Monday - Saturday: 8:00 a.m. - 12:00 midnight.

Sunday - Not available

2. **Waitlist** - If a class is full (you will see a blue square which indicates the class is full) you may place yourself on the waitlist as long as the waitlist has openings. Follow the waitlist procedures below.

PAY YOUR FEES

1. **Fee Payment** - Complete the registration process. Your fees are due as follows:

If you register May 5 - June 30, 2008, your fees are due July 10, 2008, regardless whether you receive a bill or not.

If you register July 1, 2008 - August 29, 2008, your fees are due at the time of registration. You will not receive a bill. You may check your fees at my.csudh.edu.

2. **There Are Two Ways To Pay** - You may pay online at my.csudh.edu or you may bring your payment in person to the Cashier's Office, WH B270.

WAITLIST PROCEDURES

When Can I Waitlist?

Waitlists are created during registration when a class has filled up. Once a waitlist has formed, you cannot add yourself to the class, you can only add yourself to the waitlist. A batch job will run to move students into open seats from the waitlists nightly. Open seats will be filled from the waitlist until the waitlist is exhausted or until the August 18, 2008 waitlist deadline, whichever comes first. At the close of registration on August 18, 2008, all waitlists will be printed and purged. We will distribute the printed waitlists to faculty in time for the first class meeting.

August 18, 2008:

- Last Day to waitlist full classes
- Waitlists are purged at the close of registration on this date.

How Does Wait Listing Work?

Most scheduled class sections have waitlists (some nursing classes do not have waitlists), which are defined by each college for each class.

- You may register for up to 18 units (enrollment unit limit); however, waitlisted classes are included in your enrollment unit limit. You are not charged fees on waitlisted classes because you are not officially enrolled in the class.
- You must meet any requisites for the class before you can be placed on the waitlist, e.g. class pre-requisites, co-requisites, major and class level restrictions.
- If a seat becomes available, the student highest on the waitlist will get the seat (subject to the Waitlist Conditions).

- If you are moved from the waitlist into the class, you will receive email notification at your student email address. If your fees change, you must pay within 5 business days of being added from the waitlist.

- Students will be moved from the waitlist into the class if students drop or are dropped due to non-payment of fees or unauthorized duplicate sections (see Waitlist Conditions below).
- If openings occur in a class with a waitlist, seats will not be available to students who happen to log in if there is someone on the waitlist until all waitlisted students have been added by the nightly update process.

- If you are moved from the waitlist into the class, you will receive email notification through your student email account.

- You will not be billed for waitlisted classes but will be billed if moved from the waitlist into a class and the additional units result in higher registration fees. It is important to check your class schedule and account summary regularly via my.csudh.edu to avoid possible cancellation of a newly added class(es).

- If you are moved from the waitlist into a class, **it is your responsibility** to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a "WU" grade on your record which will lower your grade point average.

- There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.

WAITLIST CONDITIONS

Every night during registration, students will be moved from the waitlist into the class if space becomes available and in the order placed, unless either of the following conditions occurs:

- Time conflict with another registered class - since potential time conflicts are not checked when you place yourself on a waitlist; you should ensure that waitlisted classes do not conflict with your enrolled schedule.

- Different sections of the same course - if you are already enrolled in a class, the system will allow you to waitlist for a different section of the same course. However, **do not** use wait listing to try to get into another section of a class in which you are already enrolled, **as you will not be moved from the waitlist if space becomes available.** The system will not allow you to officially enroll in different sections of the same course. You must decide whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled. The Registrar will peruse the waitlist in search of students who are enrolled and waitlisted for different sections of the same course. These

students will be dropped from the waitlisted classes. Even though you are allowed to waitlist for a class and enroll in a different section of the same course, you will be dropped.

If you cannot be moved from the waitlist, for either of the reasons given above, you will be skipped and the next student considered. You will not be considered until the next time space becomes available in the class (and you will not be added until you have removed the time conflict or duplicate course condition)

Check your schedule regularly at my.csudh.edu to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you may drop yourself from a waitlist:

PERMISSION NUMBERS

During registration, you may be unable to register for classes due to requisites and/or required departmental consent. In the past, we have required a Restricted Registration Exception form from the department to obtain access to these restricted classes. You will now need to obtain a Permission Number (PN) from your department in order to obtain access to restricted classes. Each department will maintain PNs for their restricted classes. These numbers do not however, override the enrollment limit for classes. If the restricted class is full, you must select another class (and obtain another PN) or you may waitlist for the class using the PN. Use the Class Number and the Permission Number to add the class. Permission Numbers expire on

the last day of registration. PNs can only be used once. Each department closely monitors the distribution of PNs.

During Late Registration, you must obtain Late Registration Permission Numbers (LRPN's) from each instructor. In addition to overriding class restrictions and department consent requirements, LRPN's also override enrollment limits. You cannot obtain an LRPN until

the semester begins and the instructor begins to distribute them once the course begins. Use the LRPN in place of the class number to add the class. LRPN's have an expiration date and must be used on or before this expiration date. LRPN's can only be used once, and once they are used, they are tied to a specific student and ID number.

MAJOR(S)

Advising is required for students in certain majors. T.O.R.O.S. restricts enrollment in some courses to students in specific majors and concentrations/options. If the information on your Registration apt. is incorrect, file a *Change of Major/Minor* form immediately - well in advance of your registration appointment. You may contact the department concerned if you wish to register for a class restricted to specific majors. See "Advising Holds" (below) to obtain a Permission Number.

Students in majors requiring advising will be mailed letters from the department informing them of advising dates and times. It is important to seek advising during the designated advising period and as early as possible. Do not wait until just prior to your registration appointment time since advisors may not be available. If you are in the process of changing your major, you should meet with an advisor in your new department.

ADVISING HOLDS

Advising is required for (1) all new students entering the University; (2) students who have completed 60 semester units; (3) students who have completed 90 semester units; and (4) students on academic or Academic Skills Assessment Plan (ASAP) probation.

Advising is also required for undeclared majors, specified majors, Educational Opportunity Program students, international students, special admits, postbaccalaureate students and some graduate students.

If you have more than one advising hold, you must meet with all appropriate advisors. **Advising holds must be cleared before you attempt to register.** It is advantageous to contact advisors prior to the end of the current semester, even if you are not sure when you will register.

LATE REGISTRATION PROCEDURES

The procedure for adding a class during the late registration period has changed. Obtain a Late Registration Permission Number (LRPN) from the instructor of the class. Go to my.csudh.edu and register using this number.* The number can only be used for the specific class section that it is assigned to, and it can only be used once. It must be used by the expiration date. Late Registration Permission Numbers (LRPN's) override requisites, course enrollment limit, and consent requirements.

* You must enter the class number (CN) first, then the system will ask for you LRPN.

Appropriate signatures are needed and you must register in person if one or more of the following exists:

1. You are attempting to exceed maximum hours: OR
2. If there is a time conflict;
- An advisor's signature of approval is required on the *Change of Program form* to register for 21 units or more. Students wishing to enroll in more than 21 units must obtain the approval of the dean of the college in which the student is majoring. Undeclared students must obtain the approval of the director of the University Advisement Center.
- You may check for open class sections via my.csudh.edu but remember that remaining seats may already be filled by students who have obtained the instructor's permission to add the class but who have not yet completed their registration.

Waitlisting is not available during Late Registration.

New students may not register until they have been formally admitted to the University.

All students registering for the first time will be charged a \$25 non-refundable late registration fee.

The registration and payment process must be completed by **Thursday, Sept. 18, 2008.**

LATE REGISTRATION PROCEDURES (NURSING MAJORS ONLY)

Late Registration is required for students who have not registered by August 29, 2008 via my.csudh.edu. Late adds must be requested on or before the first class meeting. You must register via my.csudh.edu. If you fax your form to SOH Student Services, please call (800) 344-5484 to confirm receipt of your form and to ensure legibility. Adds that increase your fees must be accompanied by payment information, or you may pay by Credit Card via my.csudh.edu. If you are paying by credit card in installments, you must mail or fax the installment agreement to the Cashier's Office.

Late Registration - Aug. 30 - Sept. 18, 2008.

Complete the Registration/Add form (forms are available on the website at www.csudh.edu/soh/dom/forms.htm). Include the correct class number, class section number and class start date for each class you wish to take.

A \$25.00 Late Registration Fee is assessed for all students registering during late registration.

Late Registration forms submitted without payment will be returned unprocessed.

Checks will be deposited from late registrants who submit registration forms before being admitted to the University. You cannot register until you have been officially admitted. All students admitted on or after August 22, 2008 must late register.

Calculate fee payment and attach check or complete the credit card payment authorization. Checks should be made payable to CSUDH.

If your Late Registration form is received less than 15 days prior to the start date of the class you are requesting, you will be required to obtain the Program Coordinator's signature.

You are not officially registered until you have been admitted to the university (new students), added to a class(es) and paid the required fees.

Note: At the beginning of the semester, instructors will be provided with the names of all students who placed themselves on the waitlist for full classes but who could not be officially registered because seats did not become available.

It is your responsibility to attend the first class meeting to confirm that you are still interested in being added to the class, to obtain a Late Registration Permission Number, and to register via my.csudh.edu by the end of the Late Registration, Add/Drop period; students will not be moved automatically from waitlisted to registered status once classes begin.

Registration Checklist

- Register via my.csudh.edu
- Change your PIN for security reasons.
- Make your entries permanent before exiting. Be sure to review your schedule before you exit. Log out of my.csudh.edu completely before leaving the computer.
- Review your schedule at any time after your registration appointment through the end of the registration period. Obtain a printout from one of the kiosks located on campus, or print from your computer.
- Finally, check your account balance to confirm your payment has been received and credited to your account. Students who do not pay fees by the published deadline may be dropped from classes soon after. If you are dropped for non-payment during the registration period, register again via my.csudh.edu through the end of the registration period. You will not receive another notice to register.

Registration Information

Make your entries permanent before exiting the system.

Enrollment limit - Students wishing to register in additional units must wait until the Late Registration, Add/Drop period. To exceed units, you must obtain the signature of your advisor on a Change of Program Form, along with the signatures of the instructors for the classes you wish to add. Undeclared majors must obtain the signature of the director of the University Advisement Center.

Students wishing to exceed units must obtain the approval of the advisor and the dean of the school or college in which the student is majoring. Undeclared majors must obtain the approval of the director of the University Advisement Center.

Co-requisites - Some classes require concurrent enrollment in a laboratory or activity section as well as in a lecture or seminar section, or concurrent enrollment in one or more other classes. Failure to add/waitlist both or all co-requisites will result in being dropped from your original request.

Enrollment restrictions - Some classes are restricted to students in specific degree programs, to specific class levels (e.g. seniors) or to certain level students (e.g. graduates).

Departments may choose to require department consent for some classes in order to screen students for eligibility.

Questions about enrollment restrictions and eligibility for specific classes should be directed to the department concerned.

Students who are not eligible for restricted classes may be able to obtain approval from the department in special circumstances. A Permission Number must be obtained from the appropriate department representative. The PN, available from department offices, must be used via my.csudh.edu where registration in the restricted class can be completed provided a seat is available. Note: You may place yourself on a waitlist if the requested class is full; however, if the class has a required co-requisite, it will be necessary to register in or waitlist both co-requisite sections or classes. You may not register for one and waitlist the other. PN

Schedule adjustment/Schedule review - Remember, you may change or review your schedule any time during the registration period. If you choose to exchange one class for another, add the new class before dropping the other class (unless you have reached the maximum enrollment limit). If you wish to drop a class without adding another - do not delay - as a courtesy to another student trying to add the class. You may also review your schedule or drop classes at any time during Late Registration. See page **D** for dates and times.

Troubleshooting

Unable to get on a Waitlist?
Check to make sure class is closed. Some nursing classes do not have waitlists available. All regular university classes have waitlists. You may only waitlist for classes that are closed or that are open with existing waitlists. You will not be allowed to get on a waitlist after August 18, 2008.

REGISTRATION HELPLINE

If you need assistance with registration via toroWeb, please call the registration helpline at (310) 243-3608 during the following helpline service hours:

OFFICE HOURS FOR THE FIRST TWO WEEKS OF THE SEMESTER:

Monday - Thursday 8:00 a.m.- 7:00 p.m.
Friday 8:00 a.m.- 5:00 p.m.

is valid during registration only. During Late Registration, Late Add Permission Numbers are required.

Time conflicts - You will not be allowed to register in classes meeting at the same time. Students with permission from both instructors to enroll in classes with a time conflict, will need to file an *Approval for Time Conflict* form obtainable from the Records & Registration Office and will need to be registered in person during late registration periods only.

Check Class Availability - If you find that a desired class is full or cancelled, prepare a list of alternate courses and/or class sections before attempting to register in anticipation that your first choice class/section is full or cancelled.

Full classes - If you attempt to register for a class that is already full, you will be given two options:

- i) to check for open sections of the same course
- ii) to place yourself on a waitlist for the requested section

In order to secure a seat in the class, it is recommended that you check for open sections first and register for an open section, if any. If no open sections exist, you may wish to place yourself on a waitlist for the full section of your choice. Please refer to page **L** for information and instructions on waitlisting.

Cancelled classes - See "Check Class Availability (above)". If you register for a course which is subsequently cancelled, you will receive written notification from the Office of Admissions and Records and should register for an alternate class or section as soon as possible.

- conflict with another class in which you are already registered;
- be restricted to certain majors, class levels or student levels;
- require screening in the department (requires department consent);
- require one or more co-requisite sections.

Questions regarding enrollment restrictions should be directed to the department.

Unable to get on a Waitlist?
Check to make sure class is closed. Some nursing classes do not have waitlists available. All regular university classes have waitlists. You may only waitlist for classes that are closed or that are open with existing waitlists. You will not be allowed to get on a waitlist after August 18, 2008.

University Police

California State University, Dominguez Hills' annual security report includes statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings, on public property immediately adjacent to and accessible from the campus, and within the city of Carson. The report also includes institutional policies concerning campus security such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault and other matters. You can obtain a copy of this report by contacting the University Police at (310) 243-3639 or by accessing the following website at www.csudh.edu/dhpd/.

The Department is located on campus at:

Welch Hall (WH) B100
1000 East Victoria Street
Carson, CA 90747
(310) 243-3639

The University Police Department provides safety-oriented service to CSU Dominguez Hills.

It includes University Police and Parking Services that provide 24 hour-a-day patrol protection of university property, buildings, parking lots and student housing. All laws and codes of the state are enforced on the campus, including regulations the University establishes to administer the campus community.

Officers are responsible for reporting and investigating crimes, issuing traffic citations and responding to medical emergencies, traffic accidents and fire emergencies, as well as other incidents that require police assistance. University police officers are vested with full law enforcement powers and responsibilities identical to the local police or sheriff departments in your home community. Officers meet training requirements mandated by the California Commission on Peace Officers Standards and Training as well as training designed to meet the needs of the university community. As state police officers their police authority extends throughout the entire state, including concurrent jurisdiction with the Los Angeles County Sheriff Department on the adjacent streets and community.

The Department prepares and submits a monthly Uniform Crime Report to the California Department of Justice. The Department also enters reported stolen vehicles and property with serial numbers into the National Crime Information Center, allowing for recovery throughout the United States.

As an active member of the Criminal Justice System, the University Police interacts and cooperates with other law enforcement agencies. Cases are filed with the Los Angeles County District Attorney. Information may also be given to the Office of the Vice President for Student Affairs for appropriate action involving students.

The Department works closely with the Student Housing Office in an effort to educate the residents in crime awareness and crime prevention.

All emergency calls continue to be routed to the main station in WH B100 on campus and all officers continue to be dispatched out of the main station.

Crime Prevention Programs

The Department has established programs that raise the level of safety awareness of the campus community. These programs include:

- Student Orientation Program
- Resident Advisors Training Program
- Student Escort Service
- Sexual Assault Prevention
- Personal Safety Awareness
- DUI and Drug Abuse
- Theft Prevention
- Building, Area and Parking Lot Lighting Surveys
- 9-1-1 Capability from all University phones

Shrubbery, trees and other vegetation on campus are trimmed and maintained on a regular basis with special attention given to walkways. Physical Plant conducts a facility audit of the entire campus on an annual basis.

University Policies

Academic Integrity: Its Place in the University Community

THE UNIVERSITY COMMUNITY

A university is a community of learners bonded together by the search for knowledge; the pursuit of personal, social, cultural, physical, and intellectual development; and the desire for the liberating effects of an advanced education. California State University, Dominguez Hills (CSUDH) has a culture—the academic culture—shared with other universities and colleges across the nation. Integral to that culture is a set of values such as academic freedom, dedication to teaching and learning, diversity, civility toward others, and academic integrity.

ACADEMIC INTEGRITY

Academic integrity is of central importance in the university community and involves committed allegiance to the values, the principles, and the code of behavior held to be central in that community. Integrity concerns honesty and implies being truthful, fair, and free from lies, fraud, and deceit.

The core of a university's integrity is its scholastic honesty. Honesty is valued across all cultures and is a fundamental value in the academic culture. There are, however, cultural differences with regard to the ownership of ideas and the importance of individual efforts. Nonetheless, the university expects all students and other campus members to document the intellectual contributions of others and to ensure that the work they submit is their own.

Education provides students with the resources to master content, learn skills, and develop processes to maximize self-potential and the potential of others. Students must demonstrate mastery of each step of learning by tangible products such as test performance, papers, and presentations. This process enables the student and the instructor to assess the student's readiness for the next steps and gives the student the confidence to undertake future steps. Students who cheat may not have mastered the necessary steps nor gained the necessary knowledge; they miss the opportunity to gain an accurate picture of what they know and what they do not know.

Cheating harms others and the institution in addition to limiting one's own potential. Other students are rightfully angry when dishonest students use inappropriate meth-

ods to get grades for which honest students work hard. The fairness of the grading process is compromised when a student falsely obtains a grade. Academic dishonesty may result in loss of confidence in the system and devaluation of the quality of the university degree.

THE NATURE OF ACADEMIC DISHONESTY

A standard definition of academic dishonesty has been provided by Kibler, Nuss, Paterson, and Pavela (1988):

Academic dishonesty usually refers to forms of cheating and plagiarism which result in students giving or receiving unauthorized assistance in an academic exercise or receiving credit for work which is not their own.

They further define the following specific forms of academic dishonesty:

Cheating—intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise. The term academic exercise includes all forms of work submitted for credit or hours.

Cheating also includes: unauthorized multiple submissions, altering or interfering with grading, lying to improve a grade, altering graded work, unauthorized removal of tests from classroom or office, and forging signatures on academic documents.

Fabrication—intentional and unauthorized falsification or invention of any information or citation in an academic exercise.

Facilitating academic dishonesty—intentionally or knowingly helping or attempting to help another to violate a provision of the institutional code of academic integrity.

Plagiarism—the deliberate adoption or reproduction of ideas or words or statements of another person as one's own without acknowledgment.

At the heart of any university are its efforts to encourage critical reading skills, effective communication and, above all, intellectual honesty among its students. Thus, all academic work submitted by a student as his or her own should be in his or her own unique style, words and form. When a student submits work that purports to be his/her original work, but actually is not, the student has committed plagiarism.

Plagiarism is considered a gross violation of the University's academic and disciplinary standards. Plagiarism includes the

following: copying of one person's work by another and claiming it as his or her own, false presentation of one's self as the author or creator of a work, falsely taking credit for another person's unique method of treatment or expression, falsely representing one's self as the source of ideas or expression, or the presentation of someone else's language, ideas or works without giving that person due credit. It is not limited to written works. For example, one could plagiarize music compositions, photographs, works of art, choreography, computer programs or any other unique creative effort.

Further information about the various forms of academic dishonesty can be obtained from the office of any instructional dean or the Student Development Office. Individual departments and faculty may also provide specific examples.

Students can also contact the Student Development Office to arrange to complete the MITT (Multi Media Integrity Teaching Tool), an interactive software program which teaches students about academic integrity.

WHO HAS THE RESPONSIBILITY FOR PROMOTING ACADEMIC INTEGRITY AND PREVENTING ACADEMIC DISHONESTY?

Faculty Responsibility

The faculty as representatives of the institution have the opportunity to encourage academic integrity and the responsibility to discourage and curtail academic fraud. At CSUDH, incidents should be reported to the Office of the Vice President of Student Affairs. Unless incidents are reported to a central location, repeated violations may go undetected as they occur in separate departments or with different faculty. The Vice President of Student Affairs will notify the student if a report is received.

Student Responsibility

Students are responsible for the integrity of their actions and must be willing to accept consequences for these actions. Students have the responsibility to be familiar with the University policies and to seek clarification with faculty if they are unclear about expectations for any assignment. Students are also encouraged to report academic dishonesty.

In the sense that a university is a community, students should understand their own role in the creation of the kind of environment that encourages honesty and discour-

ages academic fraud. Students need not tolerate any action on the part of another that diminishes their own integrity or that of the university.

OPTIONS FOR ADDRESSING ACADEMIC DISHONESTY

When a faculty member detects dishonesty, he or she will address it. If appropriate, the faculty member will first confront the student and seek an "in-office" resolution. Remember the charge is an allegation that should be examined under due process.

If the faculty member is convinced that dishonesty has occurred, she or he will use one or more of the following options:

- a. Adjust the evaluation of the student's work, i.e., nullify the effort or a portion of it. This action may be taken as part of a decision regarding assignment of a grade. The faculty member is not required to formally report the incident through the campus disciplinary process but is strongly encouraged to do so.
- b. Refer the matter to the Vice President for Student Affairs for an investigation as part of the Student Disciplinary Procedures. These procedures call for due process, a hearing or the opportunity to waive a hearing and accept a sanction without admitting guilt. (An "F" grade supported by a decision in a disciplinary case may not be the subject of a grade appeal and may not be repeated and canceled.)
- c. Use both "a" and "b" above.

THE CALIFORNIA STATE UNIVERSITY DISCIPLINARY PROCEDURES

Student enrollment is a voluntary entrance into the academic community of learners. By such entrance, the student voluntarily assumes, and is expected to assume, obligations of performance and behavior that are imposed by the university relevant to its lawful missions, processes, and functions. The University reserves the right to discipline students in order to secure compliance with these obligations.

Students who engage in dishonest behavior are charged with violating Title 5, California Administrative Code, Section 41301, under the Student Disciplinary Procedures for the California State University established by Executive Order #970 by the Chancellor. A copy of these procedures may be obtained from the Offices of the Vice President for Student Affairs or Student Development. For more information on academic integrity and disciplinary procedures visit www.csudh.edu/SRR.

Academic Petition for Exception

Students may petition for exception to certain university academic regulations when unusual circumstances exist. It should be noted, however, that academic regulations contained in Title 5, *California Administrative Code*, cannot be waived by petition.

Before filing a petition, students must first speak with the designated representatives in the College associated with their request. Only in cases where no alternate means of resolution is available should a student then file a petition. To do so, a fee must be paid. Requests must be stated clearly and accompanied by supporting documentation. Students are notified of decisions by U.S. Mail at the address on file with the University.

Attendance at First Class Meeting Policy

PM 94-06

It is the responsibility of the student to make certain that his/her drop has been officially recorded. Continued absence from the class may yield a grade of "WU". Students should not assume that a faculty member has dropped them from the class. Refer to PM 94-06, "Attendance at First Class Meetings."

Prior to the end of the second week of classes, a faculty member may, but is not required, by following the appropriate procedures, initiate a formal drop of students who:

- have missed the first two class meetings (or the first meeting if the class meets only once a week), and
- have not advised the faculty member (or the department chair, if no faculty member was assigned to the course in advance) that their absence is temporary.

Students who have been dropped by the instructor from a class but wish to re-register must obtain a Late Add Access Number from the instructor by the end of the third week of the semester.

Campus Health and Safety

All guests, students, staff, and faculty are entitled to an academic experience free from hazards. However where hazards exist, attention must be paid in recognizing as well as reporting them. In order to raise the safety awareness level among the campus community, the Office of Risk Management/Environmental Health and Occupational Safety (RM/EHOS) has developed the following key points:

- Become familiar with campus emergency procedures and evacuation instructions posted in each classroom and laboratory.
- Report any hazards to your instructor or RM/EHOS at extension 3995.
- During emergencies, listen to the directions provided by your instructor and/or Police Officer.
- Immediately report any injuries, however minor, to your instructor or to the Police department at extension 3639.
- If work in your class involves contact with hazardous materials (chemicals, pathogenic matter or radioactive materials) be sure to receive training on: the nature of the material you will be working with; proper handling methods for these materials; and the use of personal protective equipment.

These guidelines also apply for academic activities that take place outside of the classroom. Be sure to attend class briefings concerning hazards in field trip settings prior to participation in off-site activities.

Campus Smoking Policy

PM 04-02

California State University, Dominguez Hills (CSUDH) has a responsibility to its students and employees to provide a safe and healthful learning and working environment. The University recognizes the harmful effects of involuntary contact with smoke. It also recognizes the need to preserve the reasonable individual rights of smokers as long as doing so does not interfere with the right of the non-smoker to a smoke-free environment.

Areas Where Smoking is Prohibited:

Therefore, it is the policy of CSUDH to prohibit smoking in campus buildings and certain other areas of the campus where non-smokers cannot avoid exposure to smoke. Specifically, smoking is prohibited in all campus buildings, including classrooms, lecture halls, laboratories, offices, work areas, study areas, reception areas, meeting rooms, lobbies, hallways, stairwells, elevators, eating areas, lounges, and restrooms, and within twenty-five (25) feet of an exit, entrance, or operable window of any campus building. Smoking is also prohibited in all partially enclosed areas such as covered walkways, breezeways, walkways between sections of buildings, bus-stop shelters, exterior walkways and landings, all State vehicles, including electric and golf carts.

Areas Where Smoking is Permitted:

Smoking is permitted in outside ground areas twenty-five (25) feet beyond any exit, entrance or operable window of a campus building.

Exception:

Smoking is prohibited on decks and patios associated with dining facilities or if it unavoidably exposes people entering and leaving adjacent buildings to smoke, or when it is explicitly prohibited during a particular event or activity scheduled in the area (such as in bleachers or row seating at athletic or other events).

Compliance with Policy:

Effective implementation of the Campus Smoking Policy depends upon the courtesy, sensitivity, and cooperation of all members of the campus community. It is a normal and reasonable duty of all employees of CSUDH and its auxiliaries, and expected conduct by all students, to comply with this policy.

Scope of Policy:

The Campus Smoking Policy applies to all campus buildings and grounds owned, rented, or leased by CSUDH. All members of the campus community - students, faculty, staff and campus visitors are expected to comply with this policy.

Notification of Policy:

Notification of this policy to members of the campus community and visitors shall be made by including the policy in the University Catalog, Schedule of Classes and the University Website. At least one copy of this policy shall be posted in each campus building. New employees will be notified of the policy by the Human Resources Management Office upon employment.

Signs shall be displayed at the entrances/exits of all campus buildings and other appropriate locations stating that smoking is prohibited within the building and/or area and that smoking is prohibited within twenty-five (25) feet of any exit, entrance, or operable window of any campus building.

Reporting of Violations of the Policy:

Violations of this policy should be reported to the appropriate administrator. There shall be no reprisals against anyone seeking assistance in enforcing this Policy.

Effective Date of Policy:

This policy is effective as of September 7, 2004, and supersedes all previous CSUDH smoking policies.

All student records of the California State University are kept in accordance with the provisions of the Family Educational Rights and Privacy Act (FERPA) which authorizes educational institutions to release directory information on former and currently enrolled students. CSU Dominguez Hills has chosen to further limit "directory information" to a student's name, major, dates of attendance at CSUDH, degrees and awards received, but will verify address, telephone number and date of birth, if requested. CSUDH is also required by law to release specific information for U.S. military recruiting purposes. Students may request, in writing, that directory information not be released by completing a "Request to Withhold Directory Information" form available from the Office of Records and Registration, WH C290, or from the Admissions and Records Office web page at www.csudh.edu/csudh/ar2000/forms.htm.

Immunization Requirements

The California State University has two immunization requirements that apply to any student who has not attended a high school in California.

- a. Measles (rubeola) and Rubella (German Measles)
All new students born after January 1, 1957 *who have never attended a California high school* are required to present proof of measles and rubella immunizations. Evidence for proof of immunity includes verification from an M.D. or copies of immunization records from sources such as schools or the Public Health Department. If you do not already have proof of immunity to both of these diseases, you can obtain a combined measles/rubella vaccine at the Student Health Center *free of charge*. Proof of immunity to measles and rubella must be submitted within one calendar year of the time of your first enrollment, or you will not be permitted to register for the following semester.
- b. Hepatitis B

If you are 18 years old or younger on the first day of classes of the first semester of your enrollment as CSUDH, and you have never attended a high school in California, you are required to present proof of Hepatitis B immunization. Even if you turn 19 years of age during your first year of enrollment at the university, you are still responsible for completing this requirement. Proof of full immunity means that you must have proof of completion of the third shot in the three-shot Hepatitis B series. For students under the age of 19 who have not been immunized against Hepatitis B prior to their first enrollment, the series can be obtained through the Student Health Center *free of charge*. Proof of immunity must be submitted within one calendar year of the time of your first enrollment, or you will not be permitted to register for the following semester.

Exemptions to these requirements may be granted based on medical considerations or religious or personal beliefs.

If either the Measles/Rubella or the Hepatitis B requirement applies to the student, the student must bring proof of immunity to the Student Health Center in person. Students who are meeting these requirements by either (a) presenting proof of immunity

or, (b) claiming an exemption, also need to complete an Immunization Requirements Certification Form, available at the Student Health Center. For further information, contact the Student Health Center at (310) 243-3629.

Repeat and Cancel

PM 87-17

The Repeat and Cancel policy may be used only by students working toward a baccalaureate degree. It may not be used by graduate/postbaccalaureate students working on master's degrees, graduate certificates, teaching credentials, or by "undeclared" graduate students, even when they take undergraduate courses.

In the case of a repeated course, the subsequent grade is substituted for the earlier one in the computation of units attempted and GPA. The previous course grade(s) remain(s) on the record, but is/are not calculated as part of the grade point average.

Repeat and cancel may only be used on courses taken at CSUDH and repeated at CSUDH or another CSU campus through summer session, concurrent enrollment or visitor status.

3. Repeat and Cancel may be used up to a total of eighteen (18) semester units taken at CSU Dominguez Hills.
4. Repeat and Cancel may be used only on grades of "WU," "F," "D," "D+," "C-," "IC."
5. Students must complete a *Notice of Repeated Course form* for each course repeated that meets all Repeat and Cancel policy guidelines.
6. A grade entered as a result of the student disciplinary procedures under Executive Order No. 148 cannot be cancelled and will be computed in the grade point average.

All courses used to fulfill the requirements for the master's degree must be passed with a grade of "C" or better. Any course in the graduate program may be repeated and the two grades averaged when computing the grade point average. However, any course in which a grade lower than "C" is earned *must* be repeated for a grade of "C" or better and the two grades averaged. An overall grade point average of 3.0 (B) or above is required in all courses taken to satisfy the master's degree requirements.

Sexual Assault Policy

PM 96-01

California State University, Dominguez Hills strives to provide an optimal environment for growth and learning. The campus community has a right to pursue these goals in an atmosphere conducive to personal safety. All forms of sexual assault are acts of aggression or violence against individuals. A sexual assault perpetrated on

campus or in a campus-affiliated location will be investigated for possible disciplinary actions and/or criminal prosecution.

Sexual Assault is defined as any involuntary sexual act in which a person is threatened, coerced, or forced to comply against her/his will. Such acts include, but are not limited to rape (including "acquaintance rape"), forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.

The Department of Public Safety will notify the Vice President for Student Affairs of all sexual assault reports, and will also notify other departments on campus, as appropriate, on a need-to-know basis. Protection of the identity of the victim will be of the highest priority in making such notifications.

If the victim reports a sexual assault to someone on campus other than the Department of Public Safety, that person should encourage the victim to contact that department. If the victim cannot be persuaded to report the incident to the police, she/he should be referred to the Student Health and Psychological Services, the Women's Center, or the Vice President for Student Affairs for assistance and support. For more detailed information on this policy, see website at www.csudh.edu/pms/AF-Health%20Safety.htm.

The campus has designated the Vice President for Student Affairs as the person responsible for collecting data on incidents of sexual assault on campus and at campus-related events. The Vice President will also be responsible for insuring that information on incidents of sexual assault are reported through the President to the CSU Chancellor's Office, as required by AAES 87-07.

All personnel are responsible for conducting themselves in a manner that ensures that their actions do not sexually harass any other individual. Additionally, supervisors can be held personally liable and must ensure that their work environment is free from sexual harassment.

In determining whether conduct actually constitutes sexual harassment, the circumstances surrounding the conduct will be carefully considered. Where the facts support the allegations, all appropriate measures including disciplinary action shall be taken.

The Assistant Vice President of Human Resources is responsible for: assisting employees and students regarding alleged sexual harassment and resolving situations in which sexual harassment occurs or is perceived as occurring; training supervisors and faculty members in how to comply with the harassment policy and how to recognize harassment; providing training programs for campus staff to heighten sensitivity and awareness of sexual harassment and de-

veloping strategies for its elimination; and conducting investigations and responding to allegations of sexual harassment made against University employees. These responses may include a recommendation to the appropriate administrator that formal disciplinary action be initiated.

University employees who are covered by a collective bargaining agreement must utilize the complaint process in their collective bargaining agreement for filing a complaint of sexual harassment. University employees not covered by a collective bargaining agreement may file a formal complaint utilizing the complaint procedure in Executive Order Number 675. Complaints filed under Executive Order Number 675 are to be filed with the Director of Human Resources.

Students wishing to file a formal complaint are directed to contact the Director of Human Resources.

California State University, Dominguez Hills assures that no retaliatory action or reprisal shall be taken against those persons who: a) oppose practices prohibited by this policy; b) file complaints of sexual harassment; or c) assist with or participate in a sexual harassment investigation, proceeding or hearing conducted by the University, the Equal Employment Opportunity Commission or the Department of Fair Employment and Housing.

A. Standards of Conduct

Presidential Memorandum - 99-04 (section 5) outlines the Campus Policy on Alcohol and Substance Abuse.

Policy Goal

CSUDH has a responsibility to maintain an educational environment conducive to academic achievement. The prohibition of illicit drugs helps to assure student, faculty, and staff that the University is exercising this responsibility.

Policy Statement

The unlawful manufacture, distribution (by either sale or gift), dispensing, possession or use of alcohol or a controlled substance is prohibited anywhere on the campus of CSUDH. Actions that will be taken against those who violate this prohibition are delineated elsewhere in this policy.

There are definite health risks associated with the use of alcohol and illegal substances. Alcohol or any other drug used in excess over time can produce illness, disability and death. The health consequences of substance abuse may be immediate and unpredictable, such as liver deterioration associated with the prolonged use of alcohol. In addition to health related problems, other concerns relating to substance abuse including the following:

- Regular users of alcohol and other drugs often have erratic life styles which interfere with sleep, nutrition, and exercise.
- Alcohol and substance use and abuse may lead to financial difficulties, domestic violence, deterioration of the family structure, motor vehicle accident injuries, and reduced school and job performance.

- Repeated use of alcohol and other drugs can lead to dependence.

The University Policy on the Possession and Consumption of Alcohol

PM 99-04, Section 1

The purpose of the policy is to regulate the possession and consumption of alcohol on campus by members of the University Community and by recognized university organizations and departments. The privilege of consuming beer or wine is extended with the expectation that these activities are to be held under conditions which complement the orderly operation

of the University. Off campus groups and organizations contracting with the University for use of facilities are also subject to these regulations.

The possession, sale, and serving or use of distilled spirits on campus is prohibited at all times except within the privacy of individual living units in University Housing. The possession, sale, serving or use of beer or wine on campus is also prohibited at all times, except as allowed under the alcoholic beverage license managed by the CSUDH Foundation Campus Dining Services or within the privacy of individual living units in University Housing.

California state law imposes criminal penalties for the possession or use of alcoholic beverages by person under 21 years of age and for persons who furnish, give, sell or cause to be sold, furnished or given away, any alcoholic beverage to a person under the age of 21 (State Alcoholic Beverage Control Act, Sections 25658-25665).

Definitions:

"Serve" means to give away or provide at no cost.

"Sell" means to give or exchange for money, tickets, tokens, or anything else of value, directly or indirectly.

"Appropriate university official" shall include a University Police officer or the administrator assigned to be present at the event or his/her designee. Or if the occasion should require it, any administrator senior to the designee.

"Closed catered events" means events catered by the Campus Dining Services that are by invitation only.

This policy is promulgated under the authority of the California Education and Administrative Codes, subsequent resolutions and standing order of the Board of Trustees and Chancellor of the California State University, and responsibility of the President of the University for the general welfare of the campus.

Further details of this policy may be found on the following web site as one of the Campus Life Policies spelled out in the Presidential Memorandum 99-04, Section 1: on the Student Affairs web site, Publications and then clicking on Campus Life Policies.

Complement your classroom experience by taking advantage of the many enriching opportunities listed below and take control of your destiny.

Associated Students, Inc. (ASI)

Associated Students, Inc. (ASI) is the official student voice of California State University, Dominguez Hills. ASI is a nonprofit, student-run corporation that monitors approximately \$1.6 million of student activity fees. All CSUDH students are members of Associated Students, Inc.

Associated Students, Inc. provides various services on campus: campus programs, student organization support, REC sports, Child Development Center, discounted movie tickets, and student health, dental, and vision plans. ASI is also responsible for funding technology grants, approximately \$400,000 per year. Past awards have funded the Internet Lounge in the Library, laptops for resume and job search workshops in Student Development Office, the Laptop Check-out Program in the Loker University Student Union, and the computer lab in Housing.

There are many opportunities for you to get involved with ASI. Stop by the ASI Office in the Loker Student Union or call (310) 243-3686 to find out more about the various programs, University Committees, or campus activities. Please feel free to visit the ASI website at www.csudh.edu/asi.

Intercollegiate Athletics

The CSUDH Athletics Department sponsors 11 intercollegiate athletic teams that compete at the NCAA Division II level. The Toros are a member of the California Collegiate Athletic Association (CCAA). Widely considered the strongest Division II conference in the nation, the CCAA has earned 145 NCAA Division II National Championships, more than any other conference in the country. The school fields teams in: men's and women's basketball, softball, baseball, men's golf, women's indoor/outdoor track and field, men's and women's soccer, women's volleyball, and women's cross country. CSUDH offers students opportunities for involvement as both a student-athlete and as a fan. Athletic facilities include the gymnasium, new state-of-the-art fitness center, training room, baseball/softball field, soccer field, tennis courts, track and all-purpose field. For further information, please contact the Toros Athletics Department in the Hughes Education and Athletics Center at (310) 243-3893, or visit our website at www.GoToros.com.

Recreational Sports

The ASI Recreational Sports program at CSUDH offers students another well-deserved recreational and social outlet. The unique schedule of tournaments provides opportunities for positive physical activity and social interactions with

classmates, faculty and staff. The program also offers tournament play in basketball, soccer, volleyball and softball to name just a few. The Recreational Sports program is sponsored by the Associated Students, Inc. For more information, please call (310) 243-3686.

University Housing

The rich cultural diversity of the campus is mirrored within the campus living accommodations at Dominguez Hills. Up to 600 students live in the furnished one-, two- and three-bedroom apartment-style residences. The housing complex includes computer facilities, a weight room, basketball and volleyball courts and multi-use lounges that include a big screen television and a pool table. Professional and student staff provide social, cultural, educational and recreational programs. There are multiple opportunities for residents to get involved, including being a member of the Resident Student Association. University Housing also maintains listings of off-campus apartments and rooms for rent. For more information, call (310) 243-2228.

Student Union

The Loker Student Union is the center of activity on campus. Our facilities, programs, and services enhance the university community and contribute to the out-of-the-classroom experience. You can become a part of the excitement by volunteering for Toro Productions, the student programming board, where you will learn valuable leadership and programming skills, while having fun! Stop by the Student Union Information Counter and check out what's going on in the Union today! For more information, call (310) 243-3559.

Student Organizations

More than sixty student organizations currently take advantage of benefits and privileges afforded only to student-run organizations. Such benefits include free use of campus facilities and resources and an opportunity to apply for ASI funding. Key privileges include on-campus member recruitment and fundraising. Joining a club/organization or checking out Greek Life at CSUDH can really be a step in the right direction for students looking for leadership development opportunities. Students actively involving themselves in student life add depth and breadth to their development as college students and as humans.

Join or start a student organization that other students need or desire. Consider the following as you make plans to get involved in student life:

- Community Service Organizations
- Greek Letter Organizations (Fraternities/Sororities)
- Culturally Oriented Organizations
- Honor and Service Societies
- Professional Organizations
- Recreation and Intramural Clubs
- Special Interest Organizations
- Associated Students, Inc.
- Campus Program Board, "Toro Productions"
- Resident Student Association

For a list of student organizations or to request the paperwork and information you need to start a new one, please stop by the Office of Student Life or call (310) 243-2081.

Multicultural Center

The Multicultural Center (MCC), located in LSU, promotes the exploration of diverse heritages, values and cultural experiences by offering a wide range of co-curricular programs throughout the year. Some of these include a 3-day "Unityfest," dramatic presentations, lectures, concerts, diversity chats, art exhibits, retreats, movies, dance lessons/demonstrations, poetry readings/festivals, leadership development opportunities, and other dialogue groups. Issues and answers related to racism, sexism, heterosexism, inter-ethnic relations, and cultural identity development are also explored and debated. To get involved or for more information, call the MCC at (310) 243-2519 or visit our web site at www.csudh.edu/mcc/.

Special Events

Each year, the CSUDH community joins together to celebrate our unique traditions of "Welcome Week," "Toro Days - Homecoming," and "CSUDH Serves." Special event committees of all types gather together each academic year in a spirit of collegiality, a strong sense of community to enrich campus spirit, and a deeper connection between students and the University. With primary input derived directly from students, events such as career/employment fairs, wellness fairs, leadership conferences, retreats, cultural celebrations, and on-campus graduate school informational forums are planned and implemented regularly. Musical, theatrical, fine art exhibits and presentations round out the special events spectrum. Contact the Office of Student Life or Toro Productions at (310) 243-2081 for more information.

The Women's Resource Center

Contributing to the personal, educational and professional growth of women on campus is key to the mission of the CSUDH Women's Resource Center. The center serves as a gathering place for sharing of ideas and other resources. A wide variety of speakers, educational programs, projects, and internships are sponsored by the Women's Resource Center. All students are welcome at the center, located at LIB 518. Call (310) 243-2486 for more information.
