ADVISEMENT POLICY AND PROCEDURE

Academic advisement is an essential component of student services. The advisor will assist the student in completing a Program of Study following a discussion of her/his educational goals and previous experience. This initial planning meeting will form the basis for an ongoing relationship through graduation.

The advisor is able to serve the students in a number of ways: answer curriculum questions, explain procedures/policies; put students in touch with other students in their area; assist with problems, concerns and issues the student may face; advise students regarding BSN/PHN testing options (nurs-

ing and General Education classes) MSN role options; help the student petition certain courses as appropriate; offer advisement regarding CSU testing requirements (GWAR, ELM, EPT); provide information concerning leaves of absence; approve "late drop" of classes if needed.

The guiding principle for the interaction between the student and advisor is the creation of a plan for degree completion that is compatible with the student's available time, fiscal, and academic resources.

Advisors are assigned to students according to nine BSN geographic areas and four MSN geographic regions.

OVERVIEW OF DEGREE PROGRAMS

The Statewide Nursing Program (SNP) began in Spring of 1981 with two major commitments: to make quality higher education in nursing more accessible to employed registered nurses and to ultimately improve health care in California. Movement toward these goals is occurring through our BSN and MSN programs. Both of these programs were funded by the W.K. Kellogg Foundation and by contributions from individuals and health care organizations. The Division of Nursing, established in 1991, includes the Department of Undergraduate Nursing Science and the Department of Graduate Nursing Science.

The curricula are responsive to the needs of adult learners whose time, lifestyles, or work schedules make it impossible to complete a traditional course of study in residence at a campus. The program provides nursing professionals with varying interests and backgrounds with unique advantages such as:

- Classes designed to meet the needs of the adult learner.
- Opportunities to meet students with similar goals.
- Opportunities to study with CSU and other highly qualified adjunct faculty.
- Courses offered at geographically convenient locations.
- Credit and course work transferable statewide.

INFORMATION SESSIONS

All prospective students are expected to attend an information session prior to enrolling. The faculty is strongly committed to the position that registered nurses should have access to complete SNP program information as well as information about other traditional and nontraditional routes to bachelor's and master's degrees in nursing, so that an informed decision can be made regarding further professional education. The most effective means of sharing this information is through a group session. Please plan to attend one of the information sessions as listed in this schedule or contact the Coordinator in your area for further assistance.

PROGRAM FEATURES

Modules

All courses are divided into one and two unit "mini courses" called modules. A one unit module has two or three seminar meetings with assignments due before and after each seminar, and takes six to eight weeks to complete. Many students take two or more modules concurrently. Students must pre-register for each unit and obtain required course materials in order to prepare for the first class seminar. See details under the BSN and MSN sections of this schedule for materials needed and the course registration procedure. The BSN section also outlines an assessment option whereby credit for selected undergraduate courses may be earned by passing standardized challenge examinations.

Learning Resources

In addition to the 20 libraries of the California State University system and the general and specialized libraries of the University of California system, students also utilize SNP Learning Resource Centers located in community college libraries or medical center hospital libraries. These centers are a joint endeavor of the SNP and a collaborating health care or educational institution. The centers house audio-visual hardware, audio tapes, videotapes, and computer programs which complement SNP coursework.

Individual Counseling

An Advisor is assigned to each degree student upon admission. The advisor provides individualized student advisement throughout matriculation.

Preceptorships

Students are able to participate in performance courses (clinical laboratory/field experience) with the assistance of a preceptor as well as an instructor.

Self-Directed Learning Materials

Module Texts as well as videotapes, audiotapes, and/or computer programs are an integral part of every SNP course. Audiovisual materials are available for use at Learning Resource Centers.

Required module texts are available from Statewide Technical Books. (See SNP Book Order form included in this publication.) Proof of purchase cards, included with each module text, will be collected by the instructor at the first class meeting. Course enrollment is not complete until this requirement is met.

OPPORTUNITIES FOR STUDENT INVOLVEMENT

In any educational program, student participation in the non-classroom aspects of the program is essential. In fact, accrediting bodies such as the Western Association of Schools and Colleges and the National League for Nursing specifically look for such involvement.

There are several standing committees of the SNP faculty whose membership includes student representatives from the BSN and MSN programs as well as faculty. These committees meet once a month at CSU Dominguez Hills. Since our budget cannot support student travel, transportation and lodging expenses must be borne by the student. The committees are Curriculum, Faculty Affairs, Student Affairs, Research and Evaluation and Ad Hoc Committees, as established. If traveling to CSU Dominguez Hills is not possible, you may also consider serving as a student representative in your area. Each of the Coordinators will seek a student representative for the area council.

Students are also needed in each area to gather information for the program's newsletter which will be published two to four times annually. You do not need to be an expert newswriter. Just be enthusiastic. Other opportunities to participate will arise from time to time. Graduation ceremonies, alumni gatherings, and honors and awards convocations, are ongoing activities that need student involvement. Please let your Coordinator know you are interested in service to the SNP, or the University as a whole. Your commitment to your educational program beyond the classroom is most important to the vitality of university life. Your ideas are MOST welcome.

CONTINUING EDUCATION (C.E.) CREDIT

All BSN and MSN courses are approved for C.E. credit by the Board of Registered Nursing at the rate of 15 contact hours per unit of theory. (BRN Provider Number 03594). Although the Board of Registered Nursing does not approve individual continuing education courses, providers are required by law to be approved by the Board. Complaints regarding continuing education providers or continuing education courses should be addressed to the Board. Your transcript is your certificate of completion.

GENERAL REQUIREMENTS

- All students admitted to the major must be actively licensed as registered nurses. It is the student's responsibility to immediately report in writing any change in licensure to the Program Director.
- All students must maintain proof of personal professional liability insurance coverage. Coverage is verified at the beginning of each performance course.
- Students are responsible for obtaining any necessary health exams, immunizations, etc., required by the University or an affiliating clinical agency.
- Client confidentiality and other professional ethics must be respected.
- Students must purchase their own copy of the BSN Module Text or MSN syllabus required for a particular course/module.
- The nursing curriculum must be completed in the order prescribed and all students must earn a C or better for each module in that course. Failure to meet course/module prerequisites will adversely affect student progress.
- Students must adhere to the highest standards of academic integrity.

PROGRAM OBJECTIVES

Upon completion of the BSN program, the graduate will be able to:

- Provide professional nursing care throughout the life cycle of clients and families, and to communities of diverse cultural backgrounds through the applications of critical thinking skills within the framework of the nursing process.
- Develop collaborative professional relationships as a member or leader of a health care team, which ensures the professional practice of nursing in planning, implementing and evaluating the health care needs of clients, and with consideration for the legal, ethical and moral constraints that affect nursing practice.
- Synthesize knowledge from the physical and behavioral sciences, nursing sciences and humanities to form a basis for professional practice; and contribute to the expansion of nursing knowledge through critical analysis of nursing literature and the application of beginning research skills.

Graduates are eligible for certification by the State of California as Public Health Nurses (PHN).

ADMISSION REQUIREMENTS

1. Minimum of 56 semester units of transferable college credit with a grade point average of at least 2.0 (C) or better in all transferable course work (non-residents, 2.4), and have satisfied any high school subject deficiency in English and mathematics by equivalent course work (the maximum transferable credit accepted from a two-year college is 70 semester units.)
2. Current RN licensure in the United States or an RN interim permit. (Demonstrated clinical competence, validated through work history or by a clinical examination, RN licensure, and personal professional liability insurance are required prior to enrolling in a nursing performance course.)

Diploma Nurse Applicants. Diploma R.N.s who have not met the 56 unit entrance requirement may be considered for admission through the Undergraduate Preparatory Program. See Table of Contents reference for details and meet with local coordinator.

Program Structure

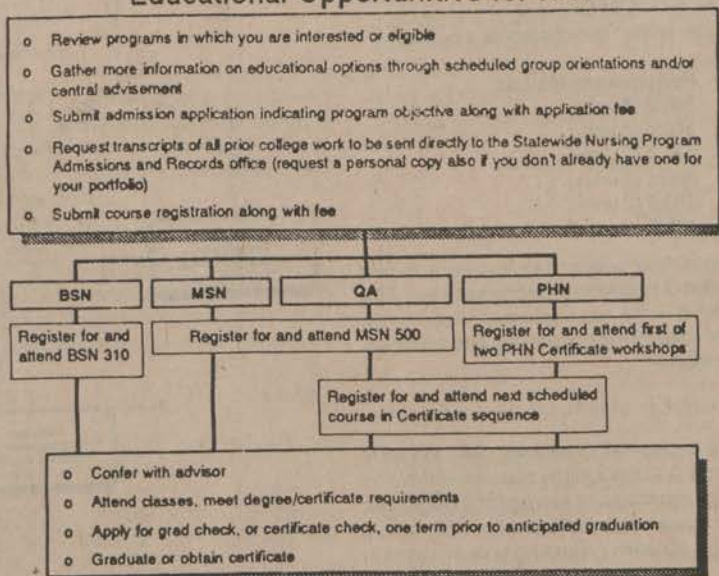

The baccalaureate program comprises classes and/or examinations that include content essential for professional nursing practice. Three options are open to the student:

1. A series of classes. Classes are offered in one-and two-unit modules. The student will take course work and be graded after each course module.
2. A series of written and performance assessments which may be taken in lieu of selected courses. The student receives a study packet and takes the examination. Students who successfully pass the examination MUST enroll in and challenge the corresponding SNP course. See procedures under "Assessment Option" in this class schedule.
3. A combination of classes and assessments.

HOW TO BEGIN

1. Attend group information session and review program materials.
2. Submit Admission Application, fee and a photostat of your R.N. license. (Request a CSU Application packet from the SNP Admissions and Records Office at (310) 516-4060.)
3. Request transcripts as indicated in the Admission Application. Have transcripts sent directly to the SNP Admissions and Records office. Also request a copy be sent directly to you. All documents must be in by the end of the third month of the term.
4. Do not wait for admission notification to register for the 310 class. Complete a registration form for the BSN 310 class as soon as possible, or simultaneously with the application. Applications and registration can be submitted in the same envelope but two separate checks **must** be submitted.
5. All applications submitted during the final two months of a semester for that semester **must** be accompanied by a registration form for BSN 310 class that semester. Students who do not register and take one unit in the semester they apply are required to reapply.
6. Obtain SNP module texts and texts for BSN 310 (See BSN book order form in this schedule.)
7. Review module text; complete pre-assignment before first class.
8. Attend first class meeting.
9. While the Admissions and Records Office performs an evaluation of your prior college work you may continue to take classes during the term while awaiting formal notice of admission. **All transcripts must be received by the admissions deadline or disenrollment from classes will result.**
10. When you are notified of formal admission, meet with your advisor to develop a Program of Study for degree completion.

***12 units of integrated nursing courses must be completed through Statewide Nursing Program.

PERFORMANCE COURSES

The following courses have a clinical component designated as a performance module.

Course	Performance Module
BSN 340	340.2 (2 units)
BSN 380	380.4 (1 unit)
BSN 410	410.4 (2 units)
BSN 420	420.4 (2 units)
BSN 480	480.2 (2 units)
BSN 490	490.2 (2 units)

Performance courses occur in a clinical field setting and involve a clinical preceptor as well as the course instructor. All performance courses have TBA dates and hours in addition to those listed in the class schedule. Refer to the course workbook for more specific information on preceptorship and materials needed for the conizant performance module.

ACADEMIC REGULATIONS

A cumulative grade point average of 2.0 or better in all courses taken to satisfy the requirements for the degree is required. A student will be placed on probation if, in any term, he or she has failed to earn a grade point average of 2.0 or higher for the work taken that term. During the subsequent probationary term the student must achieve a grade point average of 2.0 or better. Failure to do so will result in dismissal from the program.

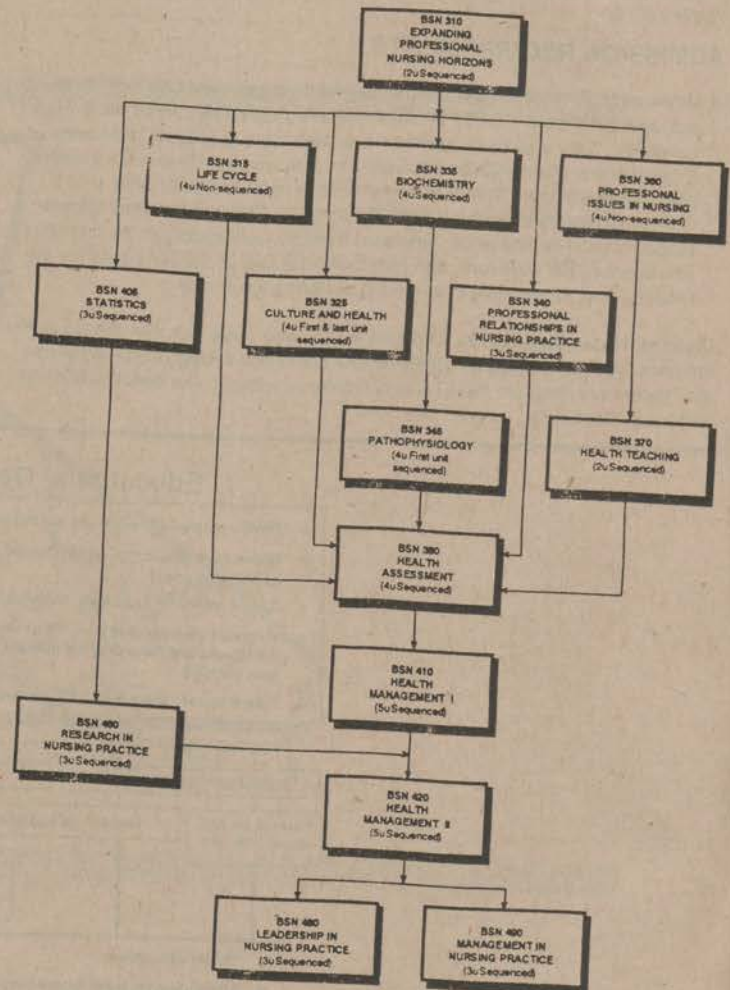

All nursing major and nursing support courses/modules must be completed with a grade of "C" or better. A course/module may be repeated only once according to University policy.

ELECTIVE COURSES FOR MATRICULATING STUDENTS

Undergraduate and graduate students may earn elective credit for the following courses. Undergraduate students taking a graduate level course may specify in writing to SNP Admissions and Records Office at the time of registration if the credit earned is to be applied toward the BSN degree or reserved for a future graduate degree. See class listings for locations, dates and times.

BSN 495A	Child Abuse and Neglect Prevention (1) (not for BSN Students)
BSN 495B	Health Assessment of the Infant and Pre-Schooler (1)

Courses and modules must be successfully completed in the specified order. Certain modules within a course may be sequenced. Any deviation from meeting the course prerequisites or sequence is subject to prior written approval of the Coordinator. Courses below must be completed before proceeding further in curriculum.

BS, NURSING (cont'd)

ASSESSMENT OPTION

The Statewide Nursing Program recognizes that many students have knowledge and skill learned by means other than a transferable college credit course. Students may earn academic credit by demonstrating their knowledge through specified written or performance examinations. Direct your questions to Kathleen Johnston, Associate Director, who will be pleased to assist you in preparing for examinations.

NURSING WRITTEN EXAMINATIONS

You may earn academic credit for the following theory course modules by successfully passing written examinations offered by the American College Testing Service (ACT) through its Proficiency Examination Program (PEP).

The passing score for ACT tests is presently 45. Each test costs \$50. Test sites are accessible statewide and will be assigned by ACT after registration is complete. You must request the free study guide and registration materials directly from ACT. Address and other instructions to successfully complete the challenge process is available by contacting Kathleen Johnston at (310) 516-3596 locally or 1-800-344-5484 statewide.

To Test Out of	Request ACT Study Guide for
BSN 360.1, 2, 3, 4	Professional Strategies
BSN 410.1, 2, 3	Health and Support I and Health and Support II

Be sure to allow yourself adequate preparation time prior to the early Fall or Spring test date. Call for your materials when you get your current schedule. Extension credit or credit by exam may not be used to fulfill the minimum residence requirement.

ACT/PEP Assessment Challenge Option For BSN 410.1, 2, 3 Discontinued for Students Admitted Fall 1993 and Thereafter Students admitted Fall 1993 and later may no longer use the ACT/pep assessment (test) option for BSN 410.1, 2, 3, Health Support I and Health Support II. Students admitted Fall 1993 and later will continue to have the option to test out of BSN 360.1, 2, 3, 4, Professional Strategies, and should follow the directions in the Class Schedule listed under "Assessment Option" in the Table of Contents.

ACT-PEP National Test Date Schedule Fall 1992

Test Date	Registration Deadline
October 1-2, 1992	August 24, 1992

ACCORDING TO CSUDH POLICY, ACT/PEP TESTS TAKEN ON DATES OTHER THAN THAT SPECIFIED ABOVE MAY NOT BE HONORED.

Note: For students graduating in Summer 1992, all test scores must be received by SNP Admissions and Records Office by August 31, 1992. For students graduating in Spring 1993, all test results must be received by SNP Admissions and Records Office by December 31, 1992.

Procedures for Enrollment in ACT/PEP Exams

Please follow the procedure outlined below if you are challenging out of a course through an approved written or performance examination. Courses taken by assessment/challenge are counted in your registration term unit load.

1. Call 1-800-344-5484 or (310) 516-3596 in order to receive written instructions and addresses for completing the challenge process.
2. Register for the assessment option course(s) during the regular registration period by using the schedule numbers listed below. (Order the required texts and workbooks for the course if desired to help prepare for the test). Take the exam on the date listed above AFTER you have registered. You will receive the test results prior to the first class session. Once registration is processed, the student will receive a credit by exam card with the confirmation of classes.

Units	Sched.#	Loc. Code	Sec.#
BSN 360.1	1	60852	AXHLGH 01
BSN 360.2	1	06930	AXHLGH 01

BSN 410.2	1	59150	AXHTSJ 01
BSN 410.3	1	04734	AXSTSJ 01

3. If you pass the exam, complete the Petition to Challenge Exam (see Table of Contents), attach the test score sheet from ACT and send it to SNP Admissions and Records. You will receive a CR grade. **DO NOT ATTEND CLASS.**
4. If you fail the test, you may stay registered in the class or drop the class by completing an add/drop form immediately.

NON-NURSING WRITTEN EXAMINATIONS

Selected standardized examinations may be useful to you in earning elective and general education credit. Questions regarding tests which are appropriate for you, the unit value granted, etc. should be referred to Evaluations in Admissions and Records Office at (310) 516-4060. You may request the free study guides by writing to the address below.

NURSING PERFORMANCE EXAMINATIONS

You may earn academic credit for the following theory and performance modules by successfully passing performance examinations developed by the New York Regents College External Degree Nursing Program. To receive a free study guide you must first have written approval from Kathleen Johnston, SNP Associate Director. Successful completion of a performance examination results in a grade of credit (CR) on your transcript. A test may be repeated twice without academic penalty. The cost of each test varies. Test fees are paid at time of registration. Fees for test are subject to change.

To Test Out of	Request the Study Guide	Cost
BSN 340.1, 2, 3	Collaboration	(\$275)
BSN 370.1, 2	Teaching Performance	(\$175)

BSN COURSE DESCRIPTIONS

BSN 310 EXPANDING PROFESSIONAL NURSING HORIZONS (2).

The increasing complexity and changes in professional nursing demand constant evaluation and planning for formal and informal education. This course presents a systematic problem-solving approach which will help nurses assess their own roles and options, establish career goals, and identify resources which can guide them on a path toward fulfilling their own personal and professional aspirations.

BSN 315 LIFE CYCLE (4). *Prerequisite (or concurrent): BSN 310.* The course explores the biological, psychological, cognitive, and social aspects of human development throughout each state of the life cycle. While the first three modules are organized around the growth of the individual within the context of the family, the fourth examines the developmental aspects of adults who are temporarily or permanently living an alternative lifestyle.

BSN 325 CULTURE AND HEALTH (4). *Prerequisite (or concurrent): BSN 310.* This course explores the relationship between the various components of culture and the dynamics of health and illness. Basic anthropological concepts are used to interpret varying conceptions of health and illness and significant dimensions of cultural variations are analyzed in relationship to health attitudes. Basic tools for cross-cultural health studies are applied to specific problems in health. Human institutions and their connection to health and illness are examined from a cross-cultural perspective. Alternative health care delivery systems are compared and a transcultural approach to health care is presented.

BSN 335 BIOCHEMISTRY (4). *Prerequisite (or concurrent) BSN 310.* This course explores the principles underlying the chemistry of living systems, including the molecular basis by which the human organism meets the vital needs of materials, energy and information. It provides an introduction to the chemistry of bioenergetics, metabolism, biosynthesis, and molecular physiology. By translating the unique language of biochemistry into understandable terms, this course will enable the health professional to apply the vocabulary and concepts of biochemistry to everyday practice.

BSN 340 PROFESSIONAL RELATIONSHIPS IN NURSING PRACTICE (3). *Prerequisite (or concurrent): BSN 310.* This course explores professional interaction including the significance of personal awareness, beliefs, and values. Communication theory and styles are defined and the essential elements of a therapeutic relationship are analyzed. Attention is given to crisis intervention techniques. The course includes an integrated performance component where students in a field experience setting apply theoretical knowledge in communicating effectively with health team members, clients and families.

BSN 345 PATHOPHYSIOLOGY (4). *Prerequisites: BSN 310, BSN 335.* This course explores the response of the human body to illness and injury with respect to common disorders of the major systems. Clinical correlations are provided to assist the health professional in applying this knowledge toward more effective patient care.

BSN 360 PROFESSIONAL ISSUES IN NURSING (4). *Prerequisite (or concurrent): BSN 310.* This course explores the foundations of professional nursing from historical, philosophical, ethical, political and legal perspectives. Significant issues are analyzed and strategies presented to foster excellence in nursing practice. The relationship between theory, research, and nursing process is discussed in-depth and related to problem solving in the profession. The health care delivery system is examined, as are the diverse roles and settings for nursing practice.

BSN 370 HEALTH TEACHING (2). *Prerequisite (or concurrent): BSN 310, 315, 325.* This course is designed to assist the professional nurse in addressing the learning needs of clients. In addition to enhancing his or her skills as a health teacher, the student will develop an understanding of the philosophical and scientific foundations of patient education as well as professional and social issues which confront those individuals who provide such services.

BSN 380 HEALTH ASSESSMENT (4). *Prerequisites: BSN 310, 315, 325, 335, 340, 345, 360, 370.* This course provides an opportunity to gain the knowledge and skills required to perform a complete health assessment. In addition to history-taking and physical examination techniques, emphasis is also given to the analysis and synthesis of the data collected in order to identify health care problems and develop a management plan within the context of the nursing process. An integrated performance module provides the opportunity for application of knowledge and skills in the practice setting.

BSN 405 STATISTICS (3). *Prerequisites: Successful passing of the ELM requirement for BSN students and BSN 310.* Satisfies the Quantitative Reasoning requirement. Includes development and application of the following topics: Descriptive and Inferential Statistics, Mathematics of Finance, Linear Programming and Graph Theory.

BSN 410 HEALTH MANAGEMENT (5). *Prerequisites: BSN 310, 315, 325, 335, 340, 345, 360, 370, 380, 405.* This course investigates how the community health nurse promotes the health of individuals and families in the community. The theoretical foundations and methodology of community health nursing practice are explored as well as the health barriers which the community health nurse seeks to overcome. Family theory and the family nursing process are analyzed. The course also examines how a community health nurse working in a home health care agency addresses the nursing care problems of specific client populations. The course also includes a performance component where students in a field-experience setting apply the theoretical constructs of community health nursing to health care situations encountered in a community health agency. The performance component may be completed concurrently with the BSN 420 performance component directly following completion of all BSN 410 and 420 theory modules.

BSN 420 HEALTH MANAGEMENT II (5). *Prerequisites: BSN 310, 315, 325, 335, 340, 345, 360, 370, 380, 405, 410 and 460.* This course explores the field of community health nursing from an epidemiological perspective and focuses on the personal and environmental health of the total population. Attention is given to group process and change agency. Methods of epidemiology are examined and related to appropriate nursing interventions at each level of prevention. Epidemiological principles are applied to situations that community health nurses commonly encounter in their work with official health departments. The course also includes a performance component where students in a field experience setting apply the theoretical constructs of community health nursing to health care situations encountered in the official department.

BSN 460 RESEARCH IN NURSING PRACTICE (3). *Prerequisites: BSN 310, 315, 325, 335, 340, 345, 360, 370, 380, 405.* This course examines the evolution of contemporary nursing research and its relationship to nursing science, theory, and practice. From the perspective of the investigative role of the professional nurse, knowledge of the research process will be developed and applied to skillful and systematic analysis of research studies and findings. The process of developing a research proposal, derived from a practice issue or question will be examined.

BSN 480 LEADERSHIP IN NURSING PRACTICE (3). *Prerequisites: BSN 310, 315, 325, 335, 340, 345, 360, 405, 370, 420 and 460.* This course explores effective and ineffective leadership styles and the role of leader is emphasized. Change agency processes are discussed and factors affecting assignment-making and evaluation of personnel are identified. The course includes an integrated performance component where students in a field experience setting practice professional nursing leadership for a nursing team, including team conferences, patient assignments, problem-solving, written communications within an institution, and performance appraisals of nursing personnel.

BSN 490 MANAGEMENT IN NURSING PRACTICE (3). *Prerequisites: BSN 310, 315, 325, 335, 340, 345, 360, 370, 380, 405, 410, 420 and 460.* This course explores contemporary management theories, issues of power sharing, labor relations management, patient care evaluation, standards development and the emergence of computers as a management tool for nursing. The course includes an integrated performance component where students in a field experience setting practice systems analysis, flow charting, performance evaluation, nursing policy development, nursing quality evaluation and financial evaluation of a segment of a nursing system.

BSN 494 INDEPENDENT STUDY (1-3). A course of study designed cooperatively by student and instructor, and approved by the Program Director, to accomplish individualized learning objectives that are appropriate to the role of the professional nurse. (Students should contact advisor prior to enrolling to determine the appropriateness of this course for degree completion.)

BSN 495 SPECIAL TOPICS/COLLOQUIA (1-3). These courses offer student groups an opportunity to explore a topic of current interest to the nursing profession with colleagues, faculty and special guest speakers.

PUBLIC HEALTH NURSE CERTIFICATE PROGRAM

Coordinator:

Muriel P. Shaul, R.N. MS. Assistant Professor, (805) 544-7150
PHN Certificate Program, Statewide Nursing Program
P.O. Box 8106, San Luis Obispo, CA 93406

SNP STUDENTS AUTOMATICALLY QUALIFY FOR THIS AT TIME OF GRADUATION.

The Statewide Nursing Program offers a certificate program in public health nursing. Current regulations for public health nurse certification require that the nurse be a BSN graduate of a NLN accredited nursing program. Recognizing that other groups of nurses should be eligible, the Statewide Nursing Program and the State of California, Department of Health Services, have jointly developed the program described herein.

To be eligible for this certificate program, applicants must:

- 1) hold a current R.N. license from the California Board of Registered Nursing and
- 2) hold a bachelor's degree under one of the following conditions:
 - a) BSN graduate from a non-N.L.N. accredited program offered by an accredited U.S. institution
 - b) Baccalaureate graduate with a degree from an accredited institution.
 - c) Graduate of a BSN program from an accredited foreign institution. Foreign transcripts should be sent directly to an International Evaluation Service. The program will then evaluate transfer credits and general education courses.*

Registered nurses who have met eligibility requirements and who are interested in the PHN Certificate program **must** attend an information workshop **PRIOR TO** applying to the program. Potential applicants must attend the morning certificate workshop. Those selecting the PHN Certificate program **must attend** an afternoon, same-day workshop. The cost of each workshop is \$45.

Official admission into the program will depend upon the evaluation of your transcripts and verification of your bachelor's degree by the Statewide Nursing Program Admissions and Records Office. **Attending the workshop does not constitute official acceptance into the program.**

Following the workshop, persons interested in applying to the certificate program must complete the following steps to initiate admission consideration for the program.

- 1) submit a completed admission application with fee; check the box labeled **CERTIFICATE** under program objective;
- 2) attach a copy of your current California R.N. license;
- 3) arrange for your previous college(s) to send your official transcripts directly to the SNP Admissions and Records Office.

Once you have been admitted to the program, you must take at least one unit to be a matriculated student. If you do not take a course, your admission will be void and it will be necessary for you to reapply to the program for the next term. In this case, attendance at a second workshop is not necessary.

*If you have foreign transcripts, which have not yet been analyzed by an approved international evaluation agency you must allow at least four

months (one term) for these documents to arrive at the SNP Admissions and Records Office and to be evaluated by the international evaluation agency. Contact the SNP Admissions and Records Office for procedures and fees. **APPLY AT LEAST ONE TERM IN ADVANCE FOR ADMISSION INTO THE PHN CERTIFICATE PROGRAM IF YOU HAVE FOREIGN DOCUMENTS. PLEASE INDICATE ON THE APPLICATION FORM WHICH TERM YOU WILL BEGIN TAKING CLASSES.**

Courses required for the certificate program may be met by SNP course work or by substitution with transferable courses from other collegiate programs. The required courses are:

PHN CERTIFICATE PROGRAM

BSN 325 Culture and Health	(4)
BSN 345 Pathophysiology	(4)
BSN 405 Statistics	(3)
BSN 360 Professional Issues in Nursing (,2,3,4)**	(3)
BSN 370 Health Teaching **	(2)
BSN 380 Health Assessment **	(4)
BSN 410 Health Management I **	(5)
BSN 420 Health Management II	(5)
BSN 460 Research in Nursing Practice	(3)

** These courses may be completed through an assessment option according to existing program policy.

A certificate clearance check must be completed by the SNP Admissions and Records office one term prior to the term you plan to complete the certificate program.

Once the certificate clearance is completed you will receive a letter confirming your completion of the program. Included will be the application for the PHN Certificate issued by the State of California Department of Health Services (DHS). The charge is \$35 for the certificate. Attach your check and mail the completed application to the State of California DHS. You will receive a certificate approximately 6 weeks after the state processes the application.

*Students who graduate with the BSN from the Statewide Nursing Program will automatically receive an application to apply for the California Public Health Nurse Certificate. The application is sent to you by the SNP Admissions and Records Office along with your official notification of completion of the baccalaureate program. Names of students who have fully completed the program are forwarded to the California Department of Health Services indicating eligibility for the PHN Certificate. You will receive a certificate approximately six weeks after the state processes the application.

Educational Opportunities for RNs

BSN ADVISEMENT SESSIONS

Advisement sessions are scheduled for CONTINUING STUDENTS to seek advisement upon receiving an evaluation of their transcripts from the Admissions and Records Office or when there is a possible change in the planned Program of Study. The primary role of the advisor is to assist and support the student's efforts in planning courses and in achieving their BSN. In addition, the advisor is able to serve the students in a number of ways: answer curriculum questions, explain procedures/policies; put students in touch with other students in their areas; field problems, concerns and issues the students may face; advise students regarding testing options (nursing and General Education classes); help the student petition certain courses as appropriate; offer advisement regarding CSU testing requirements (GWAR, ELM, EPT); provide information concerning leaves of absence; approve "late drop" of classes if needed; advise on taking "Incomplete" in a course; assist in improving use of the APA format, writing and oral presentation skills. See Advisement Policy and Procedure on page 5 of this class schedule to determine how to locate your advisor.

SPECIAL TOPICS COURSES

BSN 495 A: CHILD ABUSE AND NEGLECT PREVENTION (1)

This one unit course was developed to meet the Department of Health Services Public Health Nurse Certification requirements for training in child abuse and neglect prevention. In addition to fulfilling the PHN training mandate, this course presents a comprehensive update on the incidence of all forms of child abuse and neglect with special emphasis on state-of-the-art nursing process skills in assessment and intervention. Case management approaches, multidisciplinary resources and practical strategies for establishing and sustaining the therapeutic relationships with high-risk families will be examined.

If you care for emerging and childbearing families and are interested in improving child health and development outcomes, this special topics course, offered in one day workshop format and accompanied by a complete syllabus, will provide you with new knowledge and tools for practice. The syllabus guides you through specified pre-assignments, which must be completed prior to the course meeting. Use the BSN book order form to obtain the required syllabus.

- R.N.'s active in program (application on file) earn one semester unit of undergraduate academic credit. This course is not required, however it can be taken for elective credit.
- R.N.'s who are interested in taking courses, need CE credit for relicensure, do not plan to earn a degree or have not made a firm educational commitment, may enroll through Open University. Fee is *\$100.00 per unit and academic credit is awarded upon successful completion of the course. This extension credit may be transferred to a degree program. Grade reports are provided and permanent record of attendance is maintained at CSU Dominguez Hills, Division of Extended Education.
- All participants successfully completing the course earn 15 hours of CE credit (BRN Provider #03594)

SNP students pursuing the BSN degree do not need this Child Abuse course, however it can be taken as an elective course. Continuing students may register for these elective courses in the usual manner. Non-matriculated (not admitted) R.N.s may enroll through Open University registration.

* Fee subject to change.

BSN 495 B: HEALTH ASSESSMENT OF INFANT AND PRESCHOOL CHILD (1)

This one unit course was developed for students having completed an adult health assessment course and now want to gain knowledge and experience in assessment of the infant and child. Utilizing the nursing process as a framework, the student will be able to assess developmental status, integrate laboratory findings, and apply critical thinking skills to analyze the infant's or child's status as well as monitor, refer and resolve health problems.

If you are responsible for the health management of infants and children, whether in the acute care setting or the community, this special topics course, offered in a one-day workshop format and accompanied by a complete syllabus, will provide you with new knowledge and tools for practice.

Handbook of Pediatric Primary Care (by Chow) is strongly recommended text for the course. Use BSN book order form to obtain the book and the required syllabus.

- R.N.'s active in program (application on file) earn one semester unit of undergraduate academic credit, which may be applied toward the undergraduate degree as an elective course
- R.N.'s who are interested in taking courses, need CE credit for relicensure, do not plan to earn a degree or have not made a firm educational commitment, may enroll through Open University. WRITING SKILLS WORKSHOP

"OPEN TO ALL RNS"

Learn and put to use the principles and techniques that make your writing clear, accurate, effective and concise. The writing skills workshop is especially useful for those who are writing papers, proposals and reports for academic or professional purposes. If you do not have the time for a traditional semester-long writing course, but you want to improve your writing skills, join us for one of these day-long workshops.

Workshops are available for the Fall term in an all day format for a fee of \$45.00.

The Writing Skills Workshop does not provide academic or C.E. credit.

Return the Writing Skills Workshop registration form below along with your check for \$45.00 (NON-REFUNDABLE) made payable to CSUDH/SNP Foundation. For more information call (310) 516-3596, locally or 1 (800) 344-5484.

Although this workshop is directed toward improving skills in writing, it is not designed as a preparation for the CSU's Graduation Writing Assessment Requirement Exam (GWAR).

Please bring a sample of your written work with you to the workshop.

Workshop Topics Include:

Principles of Technical Communication

- Clarity. Use of jargon. When? How much?
- Conciseness. Need for exactness and precision in writing.
- Correctness. Grammatically sound writing.
- Positive, authoritative style. Strong professional writing with a "friendly" tone.
- Rules for effective communication.

Organization of Ideas/Paragraph Development

- Pro forma writing vs. original writing
- SEIS vs. SIIS
- Use of words and phrases to indicate logical flow of ideas.
- Transitions of addition, negation, affirmation, detail, qualification, and conclusion.

Clarity/Sentence Structure

- Identify your own sentence pattern style. Too simplistic? Too convoluted? Awkward? Wordy?
- Recognize and use different sentence patterns for flexibility and emphasis.

Editing Techniques for Technical Writing

- Analyze written material for content and style.
- Punctuate to increase or decrease emphasis.
- Edit to improve and clarify.

WORKSHOP PROGRAM IN MATHEMATICS (ELM-requirement)

The California State University and CSU Dominguez Hills recognize each student's need for adequate preparation in mathematics for successful continuation and completion of his or her college education. The CSU requires all freshmen and those transfer students who have not completed appropriate college courses to demonstrate entry level mathematics skills through passing of the ELM (Entry Level Mathematics) test. This test is prerequisite to enrolling in courses designated as meeting the General Education mathematics requirement. All new and readmitted undergraduate nursing students will be expected to meet the requirements unless exempted (See your official transcript evaluation). **The ELM should be taken soon after receiving the evaluation of your transcript, or upon application to the program if you have never taken a college level intermediate algebra class.** This timeframe accommodates students who are unsure of their basic mathematics skills, or poorly prepared, allowing time to review and take advantage of various learning materials and workshops. If you do not pass the ELM, you may still register for courses other than G.E. math (BSN 405). Students will not be allowed to register for a third term if they have not taken the ELM unless their SNP Advisor's approval is obtained. The ELM requirement must be met.

If you do not pass the ELM, sign up for the appropriate workshop program in mathematics described below or utilize the self-directed ELM Preparation Program to prepare to retake the test.

The Statewide Nursing Program Workshop Program in Mathematics is designed for students who have taken the exam, but who have not attained a score allowing them to proceed and take the G.E. math course (BSN 405 STATISTICS). The program has two goals:

1. Help students acquire or improve mathematics skills for university-level work, and,
2. Prepare students to satisfy the Entry Level Mathematics requirement which is fulfilled by either passing the ELM test or successfully passing the CSUDH Math 009 challenge test after the last workshop of the series. The workshop is conducted by individuals highly skilled in assisting students with ELM preparation since they also fulfill a similar role on a CSU campus.

This workshop program has several components:

- (1) A set of self-instructional modules available for purchase through the Statewide Technical Bookstore (Marchisotto.) Each module includes a pre-test with solutions to determine if students are prepared for the topics of the given module practice problems with answers, and a post test with solutions to determine if students have mastered the topics of the given module. Concepts are thoroughly explained, and step-by step algorithms are given to illustrate methods in problem solving.
- (2) Supplemental videotapes available for student use at Statewide Nursing Program's 57 Learning Resource Centers. These videotapes are keyed to the modules.

(3) Telephone tutoring available with the workshop presenter to answer questions workshop attendees may have as they work through the modules.

(4) A series of four workshops, each having two sessions conducted by a mathematics instructor. Each workshop is designed to help students evaluate their skills level, assess their progress, and practice problem solving in groups. **The last session of the last workshop, Workshop IV (Intermediate Algebra), will be followed a week later with a two hour proctored CSUDH MATH009 Challenge exam opportunity.**

Students are expected to have worked in their modules prior to attending each workshop. The workshop series includes:

I. Arithmetic Workshop

Topics from Modules I to IV will be discussed; module work expected prior to class. Students who have scored below 360 on the ELM or below 60% on the arithmetic section of the ELM, or students who had difficulty with solving problems on any of the post-tests of Modules I-IV should attend this workshop. Students who have not taken the ELM may begin this series, however, the ELM exam must be taken as soon as possible thereafter.

II. Measurement Geometry Workshop

Topics from modules V and VI will be discussed; module work expected prior to class. Students who have scored below 400 on the ELM or below 60% on the geometry section of the ELM, or students who had difficulty solving problems on any of the post-tests for Modules V and VI should attend this workshop.

III. Elementary Algebra Workshop

Topics from Modules VII to X will be discussed; module work expected prior to class. Students who have scored below 450 on the ELM or below 60% on the algebra section of the ELM, or students who have had difficulty with any of the problems on the post-tests of Modules, should attend this workshop.

IV. Intermediate Algebra

Topics from Modules XI and XII and topics from Topics in Intermediate Algebra will be discussed; module work expected prior to class. All students should attend this workshop if they want to prepare for and take the CSUDH Math 009 Challenge exam which is administered after the workshop.

The self-directed ELM Preparation Program is an alternative approach to taking the workshop series. Purchase the ELM Exam Preparation guide and ELM workbook from the bookstore, and follow instructions.

OFF-CAMPUS OFFERINGS OF EXAMINATIONS

REGISTRATION MUST BE RECEIVED IN CENTRAL OFFICE FOUR WEEKS PRIOR TO TEST DATE.
TESTS BEGIN PROMPTLY AT FIRST TIME LISTED. LATE ARRIVALS CANNOT BE ACCOMMODATED.

As a convenience to SNP students, four CSU Dominguez Hills tests meeting CSU graduation requirements will be offered once during the Spring term at selected locations in California:

CSU Graduate Writing Assessment Requirement Exam (GWAR)

California State and Local Government Exam

Political Science 101

United States History Exam

CSU Dominguez Hills Department of History and Political Science has developed a comprehensive exam in American or U.S. Constitution and/or California State & Local Government. You may take these exams either to receive certification of having met the State requirements or to receive this certification and three units of credit for challenging the courses HIS 101 or Pol. 101. The exam must be taken in the first week of the term if unit credit is desired. **LAST DATE TO ADD/DROP REGULAR CAMPUS COURSES FOR CREDIT SEPTEMBER 18, 1992.** Certification exams (no unit credit) may be scheduled throughout the term. Conscientious preparation is highly recommended. You must complete the Petition for Credit by Examination in this class schedule and attach it to the registration form and fee payment. Texts are listed on SNP Book Order Form. If you are interested, complete the form and instructions will be mailed to you.

Graduate Writing Assessment Requirement Exam (GWAR).

To meet the CSU writing requirement, you may take the approved writing test (GWAR) through CSUDH and also through most CSU campus testing centers or you may take coursework specified by the offering CSU campuses as meeting the writing requirement. Undergraduate students should complete this requirement during their junior year. Graduate students should complete it during their first term in the program. The writing requirement may be met prior to admission.

The CSUDH graduate writing examination consists of an essay exam with one hour allowed for completion. The test is graded by CSUDH faculty and you will receive notice of your results approximately six weeks after taking the test.

If you wish to register for the writing exam, please complete the form, attach a check for \$24.00, and mail to the designated address.

Early registration is advised. A confirmation and test preparation materials will be sent to you.

REGISTRATION MUST BE RECEIVED IN CENTRAL OFFICE FOUR WEEKS PRIOR TO TEST DATE.

The exam will begin promptly at stated time, so arrange to arrive 15 minutes early to secure location and prepare for test taking.

Bring cash for purchasing bluebook. Also bring a #2 pencil and two pens.

Credit/No Credit Policy

An Undergraduate student may elect to be graded CR/NC in particular courses, subject to the following conditions:

Course Limitations

1. Courses used to satisfy a major (both upper and lower divisions), or which are prerequisite to it, must be taken for a letter grade except when such courses are graded solely on a CR/NC basis. A student is to enroll in up to 50% of the units required by a minor on a credit/no credit basis, unless otherwise specified elsewhere in the catalog under specific requirements for a minor.
2. No more than 24 units graded CR/NC whether taken at this or another institution, may be offered in satisfaction of the total units required for a bachelor's degree. If 24 units graded CR/NC are accepted in transfer, no additional courses graded CR/NC may be used to satisfy degree requirements, except when a required course is graded solely on a CR/NC basis. (All credits earned in the CLEP testing program may count even if they make cumulative total of all CR/NC units at that time over 24.)

Footnote	Course Title	Remarks	When ordering course materials from bookstore, ask for TELECOURSE-Syllabus/Guides
1	PHI 120, HUM 200.	Enrollment is limited. Preference during registration given to graduating seniors who register within designated registration period. This course will be repeated in the future for students in the first and second years in SNP. This course is not to be taken by students in their first semester. Grade will be A - F unless credit/no credit option is chosen. Credit/no credit request form must be completed and submitted <u>with</u> registration form.	
2	BSN 360.1,2,3,4	Accelerated format: four units in eight weeks. WORK INTENSIVE. Plan accordingly to meet requirements. You may choose to take fewer than four units of this course in this term. (Two units highly recommended.)	
3	BSN 410.1,2,3	BSN 410 (Health Management I) telecourse may be taken concurrently with BSN 420 telecourse but prior to BSN 410.4 performance module. Accelerated format: three sequenced units in eight weeks. Plan accordingly to meet requirements.	
4	BSN 420.1,2,3	BSN 460 (Research in Nursing Practice) is a prerequisite. BSN 410 (Health Management I) telecourse or BSN 410 module, may be taken concurrently.	

TELEVISED COURSES

The Statewide Nursing Program televises and videotapes selected undergraduate courses. The studio section of the course is taught at CSUDH in the television studio and videotaped for later scheduled showings at various learning sites throughout the state. Students in the telecourse interact with the instructor during the scheduled videotape showings by a toll-free number. Students register for the studio or videotaped course in the same manner as for other courses and **must** be prepared for class by purchasing textbooks and workbooks and by completing pre-assignments before the first scheduled class. See class listing for locations and schedule information. If course is needed but is not listed in preferred area, contact your local coordinator.

ALL TELECOURSE SYLLABI AND COURSE GUIDES MUST BE PURCHASED FROM STATEWIDE TECHNICAL BOOKS TO ENSURE THAT CURRENT SEMESTER MATERIALS ARE BEING USED.

BSN / MSN ORDERING INSTRUCTIONS

Each student must purchase from Statewide Technical Books a personal copy of the module text/syllabus which accompanies each module. Instructors will collect Proof of Purchase card included with each module text at the first class meeting as part of the course registration process. **Registration is not complete until this requirement is met.**

ORDERING INFORMATION:

Statewide Nursing Program Course Materials

Statewide Nursing Program students can order textbooks, course syllabi, and module texts directly from Statewide Technical Books. Orders can be placed by mail or telephone. The materials will be shipped to your home by United Parcel Service (UPS cannot deliver to a post office box, so **Fourth Class mail will be used if you do not give a street address**). Since many courses have pre-assignments, books and syllabi should be ordered well in advance of the first class session. Mail your order and check as soon as possible. Call for updated price information during regular business hours (if not paying with a Visa or Mastercard).

Required books for each course are printed in bold lettering and marked with an asterisk before the author name. It is strongly suggested that books are only ordered for courses to be taken in the current semester as textbook requirements are subject to change. **PLEASE ALLOW 8 WORKING DAYS FOR DELIVERY. ORDERS MAY BE DELAYED IF PLACED DURING THE FIRST TWO WEEKS OF THE TERM.**

For students who wish to purchase and pick up their books personally from Statewide Technical Books, Statewide Nursing Program module texts and textbooks are located toward the rear of the CSU Long Beach Bookstore, just beyond the Book Information counter on the end book rack. To assure that titles you want to purchase are in stock and available, please call (310) 597-3154 and talk to Bookstore personnel **PRIOR** to going to the Statewide Technical Bookstore.

INSTRUCTIONS FOR BOOK ORDERS BY MAIL

1. For current book prices, call a Statewide Technical Book representative at 1-800-942-8657 (CA residents) or (310) 597-3154 (Long Beach area residents). Business hours are Monday through Friday, 9:00am - 5:00pm.

2. To determine the total cost of your book order: compute the merchandise total provided by a bookstore representative, add 8.25% sales tax and \$6.75 shipping and handling charge in the upper left hand box. Note 10% discount policy when ordering module text sets other than newly revised combined modules.

3. Payment:

-Check for the total cost should be made payable to: **UNIVERSITY BOOKSTORE**

-Credit Card purchases require complete credit card information and your authorizing signature.

4. Mail to: **UNIVERSITY BOOKSTORE
STATEWIDE TECHNICAL BOOKS
CSU DOMINGUEZ HILLS
6049 E. 7th Street
Long Beach, Ca. 90840-0003**

REFUND POLICY:

-WHEN ORDERING BY MAIL, books must be returned unused and undamaged within **15 DAYS OF SHIPPING DATE SHOWN ON MAILING LABEL**.

- WHEN PURCHASED ON-SITE, books must be returned within **15 DAYS OF PURCHASE DATE**.

-A copy of the sales receipt must accompany the returned books.
-A letter explaining: a) the reason for the refund request and b) your name, address, daytime phone number and, when applicable, your VISA/MASTER CARD account number and expiration date.

Income Taxes

Keep your charge slips, cancelled checks and receipts from Statewide Technical Books for tax purposes.

MS, NURSING

THE PROGRAM

The graduate program prepares professional nurses for advanced and specialized practice. The curriculum is organized around the role of the nurse in societal institutions with emphasis on the application of theory through excellence in professional practice and the advancement of the profession through research, leadership, and scholarship for the ultimate benefit of the health care needs of society.

PROGRAM OBJECTIVES

Upon completion of the program graduates will be able to:

1. Analyze nursing phenomena (human responses to actual or potential health problems) utilizing the research process and initiate and evaluate therapeutic action in professional practice.
2. Contribute to the advancement of nursing education, practice, and research through analysis, synthesis, application, and expansion of nursing models and theories.
3. Demonstrate professional performance in advanced practice, through leadership roles and as participants in the sociotechnical based health care delivery system to benefit clients and society at large.

ROLE EMPHASIS OPTIONS

The curriculum offers the student a choice of role emphasis as nurse educator, nurse administrator, or clinical specialist in parent-child nursing or gerontology nursing. Through a personalized Program of Study the curriculum is individualized and reflective of the student's learning needs and professional goals.

ADMISSION REQUIREMENTS

Please refer to the section on Admission. In addition, please note the following special requirements for admission to the MSN program:

1. Completion of a baccalaureate degree from a regionally accredited institution with an upper division major in nursing (BSN) and NLN accredited nursing program or the equivalent as determined by the Graduate Student Affairs Committee.
2. Overall grade point average of 2.5 (on a four-point scale) or higher in the last 60 semester (90 quarter) units attempted, or demonstrated academic ability as required by the faculty, following the appeal process.
3. Current licensure in the United States.
As indicated in the Admission Application, have transcript sent directly to the SNP Admissions and Records Office. Also request a copy be sent directly to you.

As indicated in the Admission Application, have transcript sent directly to the SNP Admissions and Records Office. Also request a copy be sent directly to you.

NURSES WITH NON-NURSING BACHELOR'S DEGREES

Registered nurses who have earned a bachelor's degree in another field may be eligible for the BA/BS Pathway to the MSN degree. (See following pages for information on the MSN Pathway.) All potential Pathway students must attend a special group Information Session.

FEDERAL TRAINEESHIPS

A Professional Nurse Traineeship grant has been awarded to the SNP by the Department of Health and Human Services, Public Health Service. The grant monies are designated for registration fees and other expenses for selected students who are pursuing graduate level coursework in nursing and meet the eligibility criteria established by the USDHHS, PHS and CSUDH/SNP.

Please call (310) 516-4050 for current information regarding eligibility and application procedures.

All Students complete 16 units of core courses before beginning role emphasis courses.

Students may select role preparation as:

- Nurse educator with advanced clinical focus
- Nurse administrator
- Parent-child clinical specialist
- Gerontology clinical specialist

Within the role emphasis option subspecialization may occur. The student focuses on a specific nursing practice area. For example, quality assurance, the depressed elderly, parenting, or client education/teaching.

HOW TO BEGIN

1. Attend a group Information Session and review program materials.
2. Submit admission application and fee. Request a CSU admission application packet by calling (310) 516-4060.
3. Request transcripts. (As indicated in the Admission Application, have official transcripts sent directly to the SNP Admissions and Records Office. Also request a copy sent directly to you if you do not already possess a copy.) All documents must be in by end of third month of term.
4. Register for MSN 500, purchase all course materials from Statewide Technical Books at least 10 days prior to scheduled date of course and complete assignment. **Note:** you must first enroll in MSN 500 prior to other coursework.
5. With your first registration, add \$5.00 to your total fee. The \$5.00 is a ONE TIME fee to cover costs and handling of your ID/library card.
6. Attend MSN 500. Bring all information specified in syllabus with you to MSN 500. Your Program of Study and advisement will begin at that time.
7. While the SNP Admissions and Records Office performs an evaluation of your prior college work, you may continue to take classes during the term.
8. You will be notified formally of your admission status.
9. You must take at least one unit in the term for which you applied.

MS, NURSING

CURRICULUM*

The program consists of 36 semester units of approved graduate study with an advanced clinical focus on family health nursing. The curriculum consists of core courses, role emphasis, role performance courses, and a directed project. Elective units round out the graduate program requirements. Up to 9 approved units may be accepted for transfer credit. All performance courses have TBA dates and hours in addition to those listed in this class schedule.

Core Courses (22 units)

- MSN 500. Advanced Practice Perspectives (1)**
 - MSN 510. Theory Development (3)
 - MSN 520. Advanced Nursing Role in Societal Institutions (3)
 - MSN 530. Scientific Inquiry in Nursing (3)
 - MSN 540. Family Health Nursing (4)
 - MSN 550. Role Performance: Family Health Nursing (2)
 - MSN 590. Advanced Nursing Research (3)
 - MSN 599. Directed Project (3)
- ** All students must first enroll in MSN 500 prior to other coursework

Each student selects one of the role options listed below:
Parent-Child Clinical Nurse Specialist Option (14 units)

- MSN 523. Clinical Specialist: Parent-Child (6)
- MSN 553. Child Bearing Family Role Performance (2)
- MSN 563. Emerging Family Role Performance (2)
- MSN 573. Child Rearing Family Role Performance (2)
- MSN 583. Culminating Role Performance (2)

Gerontology Clinical Nurse Specialist Option (14 units)

- MSN 524. Clinical Specialist: Gerontology (6)
- MSN 554. Initiating Gerontology Clinical Nurse Specialist Role Performance (2)
- MSN 564. Community Services Role Performance: Acute Care Rehabilitation (2)
- MSN 574. Therapeutic Strategies Role Performance (2)
- MSN 584. Culminating Role Performance (2)

Nurse Education Option (12 units + 2 units electives)

- MSN 521. Societal Institutions (4)
 - MSN 531. Simulation Seminar (2)
 - MSN 551. Teaching Strategies Role Performance (2)
 - MSN 561. Advanced Clinical Role Performance (2)
 - MSN 571. Culminating Role Performance (2)
- Electives-Select a 2-unit module from either MSN 523 or MSN 524

Nurse Administrator Option (12 units + 2 units electives)

- MSN 522. Societal Institutions (4)
 - MSN 531. Simulation Seminar (2)
 - MSN 552. Change Theory Role Performance (2)
 - MSN 562. Evaluation Role Performance (2)
 - MSN 572. Culminating Role Performance (2)
- Electives-Select 2 units

- MSN 520 is the only course with non-sequenced set of modules. Courses and modules must be successfully completed in sequence.
- Any deviation in course/module requires prior written approval by the Graduate Coordinator or Department Chair.
- All coursework including electives and a pre-planning session are to be completed prior to MSN 599, Directed Project.

COURSE PREREQUISITES

Certain MSN courses require the successful completion of prerequisites not offered as part of the graduate program, but are available as undergraduate nursing courses. These prerequisite courses are as follows:

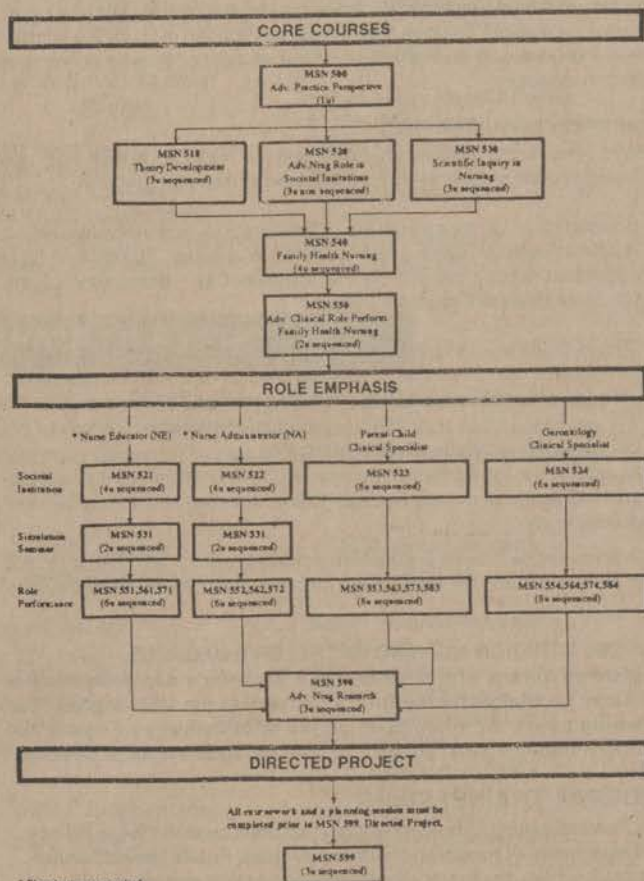

An upper division statistics course (inferential and descriptive) or equivalent and an introductory research course or equivalent are prerequisite to MSN 530.

A physical assessment course or equivalent is prerequisite to MSN 550.

The clinical specialist role options require the following additional prerequisite courses:

- BSN 325. Culture and Health or equivalent
- BSN 315. Life Cycle or equivalent
- BSN 345. Pathophysiology or equivalent

- All prerequisites, MSN coursework, and Directed Project can be completed within the 5 year time period designated by OSUDH depending on personal preferences for class sites and dates.
- Grade averages are calculated each semester by University Admissions and Records. To maintain acceptable standing in the MSN program a "B" average is required.

MSN, PATHWAY/CERTIFICATE PROGRAMS

MSN PATHWAY FOR RNs WITH NON-NURSING BACCALAUREATE

Kay Davis, RN, Ed.D, Pathway Advisor

The Statewide Nursing Program offers a pathway to facilitate a master's degree in nursing for those nurses who presently hold a bachelor's degree in another discipline.

Graduate study in nursing builds on a foundation of undergraduate professional nursing knowledge. Following an analysis of your previous coursework, the Graduate Student Affairs Committee will recommend a Program of Study which includes undergraduate nursing and related coursework or assessments to prepare you for MSN coursework. If you meet the usual University requirements for graduate study and concur with the recommended Program of Study, you will be admitted to the graduate program on a conditional basis. Once the undergraduate course content requirements are successfully met, the conditional status is removed and you may proceed with completing the graduate curriculum. See MSN degree section for more details on graduate curriculum enrollment and completion requirements.

HOW TO BEGIN

1. Attend an MSN Pathway information session (see the following listings of dates, times and locations).
2. Submit Admission Application and fee. Request a CSU Admission Application Packet by calling (800) 325-7517 or (310) 516-4060.
3. Request transcripts. (As indicated in the Admission Application have official transcripts sent directly to the SNP Admissions and Records Office. Also request a copy be sent directly to you if you do not already have a copy) All documents must be in by end of third month of term.

4. Register for MSN 500. Purchase all course materials from Statewide Technical Books at least 10 days prior to scheduled date of course and complete assignment.
5. With your first registration, add \$5.00 to your total fee. The \$5.00 is a ONE TIME fee to cover costs and handling of your ID/Library card.
6. Attend MSN 500. Complete specified assignments prior to class attendance.
7. Confer with pathway advisor regarding Program of Study recommended by Graduate Student Affairs Committee.
8. You must take at least one unit in the term for which you applied.

QUALITY ASSURANCE CERTIFICATE PROGRAM

The Statewide Nursing Program offers a certificate program in quality assurance for BSN prepared nurses who want to develop graduate level knowledge and skill in implementing an institutional quality assurance program. Included in this course of study is utilization review, assessment and measurement of the level of care provided to clients and the utilization of resources. The certificate program is administered by Chair, Department of Graduate Nursing Science.

To be eligible for this certificate program, applicants must: (1) hold a current R.N. license (2) hold a BSN degree from an accredited US institution, (Graduates of foreign institutions will need to have their transcripts evaluated by an international evaluation service. More information will be sent regarding this process upon receipt of the application.); (3) have an overall grade point average of 2.5 (on a four-point scale) or higher in the last 60 semester (90 quarter) units attempted, or demonstrated academic ability as required by the Nursing faculty, following the appeal process; and (4) As indicated in the SNP Admission Application, have official transcripts sent directly to the Admissions and Records Office. Also request a copy be sent directly to you.

Persons interested in applying to this certificate program must complete the following steps to initiate entry into the program: (1) Submit a complete Admissions Application and check the box labeled CERTIFICATE under Program Objective; (2) Attach a photocopy of your current California R.N. license; and (3) Arrange for your previous college(s) to send your transcript(s) directly to the SNP Admissions and Records Office. (Ask for a second set to be sent to your home if you do not already have your own copy).

Students who are admitted in the MSN degree program and want to add the Quality Assurance (QA) certificate program must file a revised program of study form with the SNP Admissions and Records Office.

Applicants must take MSN 500 as the first required course. Certain courses for the Quality Assurance (QA) Certificate require the successful completion of prerequisites not offered as part of the graduate program. These are:

- upper division statistics course (inferential and descriptive) or equivalent
- introductory research course or equivalent

Courses required by the certificate program may be met by SNP coursework or by substitution approved by Department Chair, or by Graduate Coordinator with timely graduate level transferable course from other collegiate programs. Please note: if you eventually want to earn a MSN degree, any courses taken to meet certificate requirements may apply to the degree but may not be more than five years old at the time of degree completion.

The certificate program can be completed in 15 months or less, depending on your personal preference and availability of courses. Courses and modules must be completed in the approved sequence with a grade of C or better and an overall B average for the certificate program.

A certificate completion check must be done by the SNP Admissions and Records Office one term prior to the term you plan to complete the QA certificate program. The certificate application form may be requested from SNP Admissions and Records.

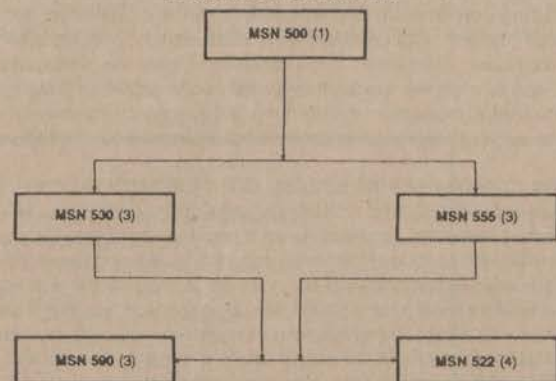

MSN 555 Quality Assurance in Health Care

Prerequisites: Application to the Quality Assurance Certificate Program or graduate status and MSN 500.

This three unit course examines the historical evaluation of quality assurance programs in health care, including the political and fiscal aspects. Methodologies for implementing an institutional quality assurance program and strategies for identifying and making needed improvements are explored along with mechanisms for evaluating the total program.

(See MSN course descriptions for MSN 500, 530, 590, and 522)

QA Certificate Program (14 units)

See this schedule for admission and registration information and for course titles of MSN 530, MSN 590 and MSN 522.

For additional information, call Graduate Secretary, QA Certificate Office (310) 516-4050 locally or 1-800-344-5484 outside the 310 or 818 area.

Courses and modules must be successfully completed in the sequence indicate. Any deviation in course/module requires written approval by Graduate Department Chair or MSN Coordinator.

Grade averages are calculated each semester by University Admissions and Records. To maintain acceptable standing in the QA Certificate Program, a "B" average is required.

MSN COURSE DESCRIPTIONS

MSN 500 ADVANCED PRACTICE PERSPECTIVES (1). *Prerequisite:* Application to the graduate program in nursing or the Quality Assurance Certificate Program. An exploration of issues related to preparation for advanced nursing practice including role options in various practice settings. Strategies for success in non-traditional graduate nursing education are explored including adult learning theory, literature search skills, scholarly writing and the use of computers.

MSN 510 THEORY DEVELOPMENT (3). *Prerequisite:* MSN 500. This course examines the evolution of contemporary nursing models; theories and the process of theory development. The process of critical analysis of existing nursing and related theories as well as the actual construction of theoretical models is emphasized.

MSN 520 ADVANCED NURSING ROLE IN SOCIETAL INSTITUTIONS (3). *Prerequisite:* MSN 500. Examination of the advanced role of the nurse in societal institutions from the perspective of the health care delivery system and of selected advanced and expert nursing roles. Organizational theory and strategies for nursing leadership are analyzed.

MSN 521 SOCIETAL INSTITUTIONS: NURSE EDUCATOR (4). *Prerequisites:* MSN CORE COURSES* AND 523.1 OR 524.1. This course examines the role of the nurse educator within societal institutions, beginning with an historical overview as an antecedent to the current status of nursing education. The theory and process of curriculum development is analyzed, with particular emphasis on contemporary issues and accreditation realities. Students will develop specific knowledge and skill in transforming a curricular framework into an instructional design which reflects contemporary theories of teaching and learning. Finally, students have the opportunity to focus on strategies for teaching client care to students of nursing.

MSN 522 SOCIETAL INSTITUTIONS: NURSE ADMINISTRATOR (4). *Prerequisites:* MSN CORE COURSES*. This course examines the evolution and contemporary status of the role of the nursing service administrator within complex systems. Particular emphasis will be placed upon the management of primary organizational, financial and human resources. The utilization of information science and technology will be applied to key managerial functions. Selected conceptual tools will be analyzed for application to leadership roles in nursing care system management.

MSN 523 CLINICAL NURSE SPECIALIST: PARENT CHILD (6). *Prerequisites:* MSN CORE COURSES* AND BSN 315, 325, 345. Focuses on the childbearing family from conception through early childbearing, emphasizing psycho-socio-developmental aspects of individual, family and parent growth, and complex family relationships. Nursing assessment, diagnosis, intervention and evaluation in common alterations in health and to high-risk actual or potential health problems examined. Advanced role of the nurse in the planning, development, implementation, and evaluation of programs for special populations will be emphasized.

MSN 524 CLINICAL NURSE SPECIALIST: GERONTOLOGY (6). *Prerequisites:* MSN CORE COURSES* AND BSN 315, 325, 345 OR equivalent. Theoretical perspectives on aging and normative aging processes within the context of the family and society. Nursing assessment, diagnosis, intervention and evaluation will be applied to common alterations in health as well as to high-risk human responses health problems associated with aging. The advanced nursing role in promoting, maintaining and advocating health for senior adults is emphasized as well as programs which foster self-care in the senior population.

MSN 530 SCIENTIFIC INQUIRY IN NURSING (3). *Prerequisites:* BSN 405 or equivalent. Examination of the emergence of nursing science and the investigative role of nursing. Presentation of qualitative and quantitative research methods in advanced nursing role and the principles and processes of critical thinking.

MSN 531 SIMULATION SEMINAR (2). *Prerequisites:* MSN 521, 522 OR CONCURRENT AND CORE COURSES*. The simulation seminar provides an opportunity for the application of role emphasis theory through

participation in a prescribed scenario which requires a synthesis and creative application of knowledge. In addition, the simulations provides the student with interactional opportunities to develop experience in collegial leadership, decision making and collaborative problem solving. Contemporary issues, which impact nursing and health care and create ethical dilemmas, provide additional substance for the simulations.

MSN 540 FAMILY HEALTH NURSING (4). *Prerequisites:* MSN 510, 520 AND 530. This course examines the theoretical and conceptual basis for advanced clinical nursing practice in the diagnosis and treatment of human responses to actual and potential health problems within family groups. Students focus on a selected phase of the family life cycle and the advanced nursing strategies required to provide quality, cost effective care.

MSN 550 ROLE PERFORMANCE: FAMILY HEALTH NURSING (2). *Prerequisites:* BSN 380 or equivalent and MSN 510, 520, 530, 540. This course provides an opportunity for the student to synthesize and apply a selected conceptual model of nursing and appropriate family theories in the care of clients/family groups requiring health problems under the supervision of an instructor and preceptor. Nursing interventions derived from theoretically grounded nursing diagnosis are implemented and evaluated.

MSN 551 TEACHING STRATEGIES: NURSE EDUCATOR (2). *Prerequisites:* MSN CORE COURSES*, MSN 521 AND MSN 531, MSN 523.1 OR MSN 524.1. A previously selected nursing clinical focus provides the basis for implementing the nurse educator role in an educational institution or health care setting. Under the supervision of an instructor and a preceptor, the student will apply and evaluate didactic and clinical teaching concepts and strategies.

MSN 552 CHANGE THEORY ROLE PERFORMANCE: NURSE ADMINISTRATOR (2). *Prerequisites:* MSN CORE COURSES* AND ROLE EMPHASIS COURSES**. An opportunity for the student to initiate the nurse administrator role in a selected health care setting, focusing on a change project. Under the supervision of an instructor and a preceptor, the student will formulate, implement and evaluate a change plan based on a conceptual nursing model.

MSN 553 CHILDBEARING ROLE PERFORMANCE: PARENT-CHILD CNS (2). *Prerequisites:* MSN CORE COURSES AND ROLE EMPHASIS COURSES**. An opportunity for the student to implement the clinical nurse specialist role in a selected health care setting which focuses on the childbearing family. Under the supervision of an instructor and clinical preceptor, the student will provide comprehensive advanced clinical nursing care in collaboration with the multidisciplinary health care team.

MSN 554 GERONTOLOGY CLINICAL NURSE SPECIALIST ROLE PERFORMANCE (2). *Prerequisites:* MSN CORE COURSES* AND MSN 524. An opportunity for the student to implement the gerontological nurse specialist role in a selected health care setting. Under the supervision of an instructor and clinical preceptor, concepts influencing legislative regulatory and economic policy will be applied to clinical nursing practice.

MSN 561 ADVANCED CLINICAL ROLE PERFORMANCE: NURSE EDUCATOR (2). *Prerequisites:* MSN CORE COURSES*, ROLE EMPHASIS COURSES** AND MSN 551. Under the supervision of an instructor and preceptor, the student demonstrates advanced clinical knowledge and competency with a selected client population. Opportunity is provided to apply clinical knowledge and skill to a teaching situation.

MSN 562 EVALUATION ROLE PERFORMANCE: NURSE ADMINISTRATOR (2). *Prerequisites:* MSN CORE COURSES*, ROLE EMPHASIS COURSES** AND MSN 552. An opportunity for the student to initiate the nurse administrator role in a selected health care setting, focusing on forces shaping the role of a nurse administrator in departmental and institutional governance. Under the supervision of an instructor and a preceptor, the student will apply valid and reliable measures of performance evaluation to nurse administrator performance and organizational performance.

MSN COURSE DESCRIPTIONS, (cont'd)

MSN 563 EMERGING FAMILY ROLE PERFORMANCE: PARENT-CHILD CNS (2). *Prerequisites: MSN CORE COURSES*, ROLE EMPHASIS COURSES** AND MSN 553.* An opportunity for the student to initiate the clinical nurse specialist role in a selected health care setting which focuses on the emerging family. Under the supervision of an instructor and clinical nursing care in collaboration with the multidisciplinary health care team.

MSN 564 COMMUNITY SERVICES ROLE PERFORMANCE: GERONTOLOGY CNS (2). *Prerequisites: MSN CORE COURSES*, EMPHASIS COURSES** AND MSN 554.* An opportunity for the student to explore community-based programs providing service to the senior adult. Under the supervision of an instructor and clinical preceptor the student will provide comprehensive nursing care to clients in a selected care setting with emphasis on alternatives for long-term care.

MSN 571 CULMINATING ROLE PERFORMANCE: NURSE EDUCATOR (2). *Prerequisites: MSN CORE COURSES*, ROLE EMPHASIS COURSES** AND MSN 551, 561.* An opportunity for the student to synthesize knowledge and skill from previous graduate theory and clinical course/work toward the full realization of the nurse educator role in a selected educational institution or health care setting, including participation in governance.

MSN 572 CULMINATING ROLE PERFORMANCE: NURSE ADMINISTRATOR (2). *Prerequisites: MSN CORE COURSES*, ROLE EMPHASIS COURSES** AND MSN 552, 562.* An opportunity for the student to initiate the nurse administrator role in a selected health care setting, focusing on professional and regulatory requirements. Under the supervision of an instructor and a preceptor, the student will formulate a nursing service plan for integrating quality measures with cost control and case management practice.

MSN 573 EARLY CHILDBEARING ROLE PERFORMANCE: PARENT-CHILD CNS (2). *Prerequisites: MSN CORE COURSES*, ROLE EMPHASIS COURSES** AND MSN 553, 563.* An opportunity for the student to initiate the clinical nurse specialist role in a selected health care setting which focuses on the early childbearing family. Under the supervision of an instructor and clinical preceptor, the student will provide comprehensive advanced clinical nursing care in collaboration with the multidisciplinary health care team.

MSN 574 THERAPEUTIC STRATEGIES ROLE PERFORMANCE GERONTOLOGY CNS (2). *Prerequisites: MSN CORE COURSES*, ROLE EMPHASIS COURSES** AND MSN 554, 564.* An opportunity for the student to develop clinical expertise for common health alterations experienced by the senior adult. Under the supervision of an instructor and clinical preceptor, the student will provide comprehensive nursing care in collaboration with the multidisciplinary health care team.

MSN 583 CULMINATING ROLE PERFORMANCE: PARENT-CHILD CNS (2). *Prerequisites: MSN CORE COURSES*, ROLE EMPHASIS COURSES** AND MSN 553, 563, 573.* An opportunity for the student to select a field setting and operationalize a comprehensive CNS role in a narrowly focused clinical specialty.

MSN 584 CULMINATING ROLE PERFORMANCE: GERONTOLOGY CNS (2). *Prerequisites: MSN CORE COURSES*, ROLE EMPHASIS COURSES** AND MSN 554, 564, 574.* An opportunity for the student to perform the clinical nurse specialist role in a selected health care setting. Under the supervision of an instructor and clinical preceptor, the student applies case management skills in providing care to senior adult clients and their families.

MSN 590 ADVANCED NURSING RESEARCH (3). *Prerequisites: MSN CORE COURSES*, ROLE EMPHASIS COURSES** AND ROLE PERFORMANCE COURSES***.* This course focuses on research processes, methods and comparative research design. Emphasis will be placed on critical analysis of nursing studies and interpretation of nursing research findings. Models for clinical practice innovation through utilization of nursing research will be examined.

MSN 594 INDEPENDENT STUDY (1-3). A course of study designed cooperatively by student and instructor, and approved by the Program Director, to accomplish individualized learning objectives that are appropriate to the role of the professional nurse. (Students should contact their advisor prior to enrolling to determine the appropriateness of this course for degree completion.)

MSN 595 SPECIAL TOPICS/COLLOQUIA (1-3). This course offers student groups an opportunity to explore a topic of current interest to the nursing profession with colleagues, faculty and special guest speakers.

MSN 599 DIRECTED PROJECT (3). *Prerequisites: Advancement to Candidacy, MSN 590 and permission of the MSN Chair.* The goal of all students enrolled in this course is to complete a scholarly project under the guidance of an assigned instructor. It is the culminating learning experience of a performance-based curriculum which emphasizes the role and function of advanced nursing practice in health care organizations. To meet the standards established by the faculty the project must demonstrate a rigorous scientific approach, use a clearly documented theoretical framework, and have practical application to the student's selected role emphasis.

MSN 600 PROJECT CONTINUATION COURSE (0). Students who have not completed their MSN 599 Directed Project module by the end of the term may enroll in the following term in the Project Continuation Course.

LIBRARY SERVICES

The librarians at California State University, Dominguez Hills (CSUDH) are pleased to work closely with the Statewide Nursing Program in facilitating services to SNP students and in pioneering library services for distance education students. In addition to your home campus library at CSUDH, you, as an officially enrolled student in the CSU System, have borrowing privileges at all twenty CSU campuses. An example of CSUDH librarians and nursing faculty working together is the recently completed videotape, "An Introduction to Library Use: Part I". The videotape, available for viewing in SNP Learning Resource Centers, provides an orientation to library services and resources, information which is applicable to any university library.

Accessing Library Materials

Library Card/Borrowing

Most often, you will go to your local CSU campus library first. If that library has the materials you need, you may use them there, make copies, or check them out. To borrow materials from any CSU campus library, you will need a validated, current CSUDH library identification card and another piece of identification with your name and photo. Your validated Library Card, or a validation sticker for you to attach to your card, is mailed to you approximately four weeks after receipt of your course registration form and processing of your fee payment. Whichever library you use, be sure to familiarize yourself with its policies and procedures. Each campus library has its own loan periods and other unique policies. You must abide by the regulations of the library you are using.

Literature Searches

Many course assignments require literature searches, and these can be pursued in a variety of ways. The CSUDH library has an extensive collection of indexing and abstracting services, including the Cumulative Index to Nursing and Allied Health Literature (CINAHL), Index Medicus, and ERIC. These and many other databases are available in at least three formats: print; CD-ROM, and through the online computer services of DIALOG.

Students are urged to carry out their own searches. The learning experience will be more positive insofar as achieving self-reliance and independence. The benefits of immediate feedback will be readily available. Students will be able to "walk away" with the information they have been seeking and usually direct, on-site searching is successful, less time-consuming and more appropriate material is obtained.

The CSUDH library makes special provisions for students with hardships, i.e., students who reside considerable distances from any CSU campus, or whose working schedules make it impossible to visit a CSU campus. These students may request a mediated search by contacting CSUDH "Online Search Coordinator" at (310) 516-3718 between 10.00 a.m.-2.00 p.m. Mondays-Fridays. The Online Search Coordinator will discuss and analyze the search topic, explain the procedures to be followed and indicate the paid-in-advance fees for mediated searches. Students having access to IBM-compatible microcomputers should inform the Online Search Coordinator and use the 3.5" diskettes when storing and delivering search results.

CD-ROM Searching

In the CSUDH campus library, students may conduct their own CD-ROM searches on the computer. Infrequent visitors to the library are advised to call (310) 516-3714 in advance to verify library hours.

In the course of a CD-ROM search students can print out or download citations of interests and immediately look for the journal articles to which the citations refer. If the library has the journals in which the articles appear, students can make photocopies. If the library does **NOT** have the particular journals of interest, students can request the articles by filling out an Interlibrary Loan (ILL) Request Form in order that the CSUDH library can attempt to get the articles from another source, a process taking a minimum of two weeks.

If a student's living or working situation makes it impossible to come to the CSUDH library, he or she can request a mediated CD-ROM search for \$20.00 per search covering the costs incurred for printing or downloading, handling, telephone expenses, and for postage.

conducted. In no circumstances will a student be asked to pay more than this previously established limit. It may also mean, however, that the Library will not be able to retrieve all citations found.

Requesting a Search

SNP students may request a mediated CD-ROM search, a DIALOG online search, or both, by telephoning the CSUDH Online Search Coordinator at (310) 516-3718. Students will be asked to complete and mail the Computerized Literature Search Request form provided in this Class Schedule. The form must be accompanied by a personal check in the amount of \$20.00 for CD-ROM searches or in the amount specified by the Online Search Coordinator for DIALOG searches. **The library cannot process search requests until payment is received.** If time is a factor, students should use Express Mail.

Students should anticipate due dates for their assignments and allow sufficient time for processing requests, conducting searches, and obtaining and analyzing results. Time also must be allowed for obtaining copies of any articles selected. When time is more critical than cost, students may wish to look into the services of vendors such as UMI, described on the following page.

Any questions related to the CSUDH Computerized Literature Search form or other library services should be directed to the CSUDH library staff at (310) 516-3718.

Online Searching of Dialog Indexes

Through DIALOG, a commercial service which links computers and databases through telephone lines, SNP students have access to hundreds of additional databases. Unlike CD-ROM searches which students can conduct themselves, there are costs for online searches which the University Library must pass on to the student requesting the service. The cost of an online search will vary depending on such factors as: complexity of the search; computer connect time; printing cost per citation as determined by vendor; and telecommunications charges. Students may place a ceiling on the cost of the search by notifying the library staff before the search is

Inter-Library Loan

You may find that not all of the resource materials you need will be found at any one library. To assist you, libraries cooperate by borrowing items from one another for their users. This system is called "Inter-Library Loan" or ILL. Exact arrangements differ from library to library. If your local library does not own the material requested you will need to complete the ILL form with the exact bibliographic information or citation for the book or periodical article. This information is then transmitted to other libraries which own the requested material. The lending library then sends the requested material, if it is available, to your local library. This process can take some time so plan ahead and begin your search early.

As a special service to SNP students residing outside of a 25 mile radius of CSUDH, ILL requests for periodical articles can also be mailed to the CSUDH library using the CSUDH request forms included in this Class Schedule. Forms are available at the LRCs. To get the best turn-around time, students are asked to locate which library owns the journal and note this information on the form. This is fairly simple to do using the following tools which are provided in your LRC:

- The **CSU Union List of Serials** shows the titles of all the journal holdings of all CSU campus libraries. Each title is followed by code numbers which designate the campuses that have the journal as well as volume number and date information.
- The **CSUDH Annual Listing of Periodicals and Serials** presents the list of periodicals and serials housed in the University Library at CSUDH.

Some other CSU campus libraries may also provide ILL services to SNP students. This would be a special service at the discretion of each individual campus. Inquire at the Inter-Library Loan Department to ascertain if that campus can provide you with ILL service.

WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, USC) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is NOT to be "used for any purpose other than private study, scholarship or search." If a user makes a request for, or later uses, a photocopy or reproduction for purpose in excess of "fair use" that user may be liable for copyright infringement. The institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of the copyright law.

ADMISSION REQUIREMENTS

For the Bachelor's Degree Undergraduate Transfer Students

You will qualify for admission as a transfer student if you have a grade point average of 2.0 (C) or better in all transferable units attempted, are in good standing at the last college or university attended and have a current R.N. license. Nonresidents must have a 2.4 grade point average or better.

1. You will meet the freshman admission requirements in effect for the term in which you are applying:
 - a. High school graduates and/or in continuous attendance in an accredited college.
 - b. Have a qualifying eligibility index for an American College Test (ACT) score or Scholastic Aptitude Test (SAT).
 - c. Have a "C" or better in the courses of college preparatory subject requirements.
2. Students with an RN license number and less than 56 transferable semester units who must establish eligibility according to these first-time freshman requirements, may be considered for admission through the Undergraduate Preparatory Program (UPP). (See UPP Section)
3. Students who have completed at least 56 transferable semester (84 quarter) units and have made up any missing college preparatory subject requirements in English, Speech, Critical Thinking and Math.

For this section, transferable courses are those designated for that purpose by the college or university offering the courses.

MAKING UP MISSING COLLEGE PREPARATORY SUBJECT REQUIREMENTS

Undergraduate applicants who did not complete the subject requirements while in high school may make up missing subjects by any of the following ways:

1. Complete appropriate courses with a C or better in adult school or high school summer sessions.
2. Complete appropriate college courses with a C or better.
3. Earn acceptable scores on specified examinations.

4. 1987 or earlier high school graduates with 56 or more semester units may complete with a C or better in each course for the CSU general education requirements in communication in English language (at least 9 semester units) and mathematics (usually 3 semester units).
 - In good standing at the last institution attended.
 - Current R.N. licensure or interim permit is required for enrollment in degree objective. Interim permit allows enrollment in BSN 310 and support courses only.

Diploma School Graduates see Undergraduate Preparatory Program.

THE MAXIMUM TRANSFERABLE CREDIT FROM A TWO-YEAR COLLEGE IS 70 SEMESTER UNITS.

For the Master's Degree/QA Certificate

- Completion of bachelor's degree in nursing from an accredited institution.
- A grade point average of 2.5 or higher in the last 60 semester (90 quarter) units attempted indicated on official transcripts.
- In good standing at the last institution attended.
- Current R.N. licensure
- Non BSN baccalaureate graduates see MSN pathway. Please note that beginning Fall 1985 lower division courses and extension courses completed after the bachelor's degree will be excluded from the GPA calculation. Upper division coursework taken through OPEN UNIVERSITY will be included in the GPA calculation.

For the PHN Public Health Certificate

- Completion of a non-NLN BSN degree, foreign BSN degree, or a BA/BS related degree
- Copy of the R.N. license
- All previous transcripts

APPLICATION FOR ADMISSION

To apply for admission:

- Request an admissions packet from the SNP Central Office at 1-800-344-5484.
- Complete the CSU Admission Application.
- Send it to the SNP Admissions and Records Office with a \$55.00 check or money order (this fee is **nonrefundable**).
- Contact all the college(s) and/or university(s) you have attended in the past and have official transcripts sent to the SNP Admissions and Records Office. (For transcripts to be considered official, they must be received **directly** from the institution in a sealed envelope.)

It is also recommended that you have a second set of transcripts sent to you for your personal portfolio for use by yourself and your advisor in developing a program of study.

APPLICATION FILING

Admission applications must be submitted at least two weeks prior to registration for the first course. Having submitted the Application, students must register for courses during the term for which they have applied while waiting for notice of formal admission. **Students may not continue to register for classes in subsequent terms until their admission status has been validated.**

ADMISSION VALIDATION

In order to validate your admission status, **all application materials** must be in the SNP Admissions and Records Office one month **prior** to the end of the term for which you are applying. Failure to file complete, accurate and authentic application documents may result in denial of admission, cancellation of academic credit, suspension or expulsion (Section 41301, Article 1.1, Title 5, California Administrative Code). Students will receive notification of admission status from the SNP Admissions and Records Office.

ADMISSIONS INFORMATION (cont'd)

Admissions applications are processed as they are received by the Admissions and Records Office. Apply as soon as possible to facilitate transcript evaluation procedure.

Application deadlines are:

Term	Apps Due	Material Due*
Fall	November 30*	December 15
Spring	April 30*	May 15

*All applications filed in November and April must be accompanied with a completed course registration form for the current term. Please note that an application for admission is valid for only one term. If all materials are not received by the prescribed deadlines the application will be inactivated and students will need to re-apply for admission. Late admission fee of \$15 will be assessed for applications received after the deadline date. Transcript evaluation fee of \$5 per transcript will be assessed for materials received after the deadline date.

DETERMINATION OF RESIDENCY STATUS

The general rule is that a student must have been a California resident for at least one year immediately preceding the residence determination date in order to qualify as a "resident student" for tuition purposes. For students who have a green card, the date of residence begins with the date on the green card. A residence determination date is set for each academic term and is the date from which residence is determined for that term.

If you were admitted to CSU Dominguez Hills as a Non-Resident student you should be aware of the following:

Chapter 102 of the 1981 Statutes of California requires that the financial independence of a student must be considered when a non-resident student is requesting reclassification as a resident of California. If you are seeking reclassification as a resident, you are required to complete and file new residency forms with the Admissions office. The completed forms will be reviewed and a determination made. If you are eligible for residency status, you will be informed and your registration will be changed to reflect your new status. The appropriate forms are available by calling SNP Admissions & Records Office at (310) 516-4060.

The residence questionnaires by which your status may be changed must be submitted to the Admissions office at least two weeks prior to registration.

UNDERGRADUATE PREPARATORY PROGRAM

The UP Program: Something Special for Diploma School Graduates. Since the Statewide Nursing Program's BSN curriculum is at the upper division level, junior standing is required for admission to the major. The Undergraduate Preparatory Program is a pathway for students who have earned less than the required 56 college units:

1. At least 25 years of age.
2. High school diploma or transcript must be on file.
3. Not enrolled as a full-time student (12 units) for more than one academic term within the last 5 years. Must have a 2.0 GPA.
4. Recommendation by the Faculty Coordinator indicating the basis for determining probability of equivalent academic success.
5. Make up missing college prep subject requirements.
6. Verification of taking and/or passing the EPT and ELM tests.
7. R.N. license number or interim permit number.

This program permits students to take - in combination - general education courses and/or prerequisites for the major through a community college,

a CSU campus or other higher education institution. Students may also enroll for Statewide Nursing Program support and introductory courses and assessment options, with the exception of courses/tests offered at the upper division level in the major. Upon completion of 56 units, the student will be admitted to the major, assuming other requirements for admission are met.

Faculty Coordinators are available to assist you with this option. Each Faculty Coordinator's telephone number is listed at the beginning of this class schedule.

STUDENTS WITH FOREIGN DOCUMENTS

The initial evaluation of foreign transcripts (with the exception of those from the Philippines) must be processed by an international agency. Applications and all materials must be submitted one term in advance of planned attendance. All other transcripts will be evaluated by CSUDH evaluation staff.

Deadline dates for applicants with foreign documents:

Fall 1992 Term.....	August 6, 1992
Spring 1993 Term.....	July 13, 1992

If you have already applied for admission and have sent in your transcripts, we can make arrangements to forward your foreign transcripts to the recommended agency.

This service will provide:

1. Evaluation of high school level, post secondary through graduation level, employment and skill recertification.
2. Reconstruction of education studies.
3. Certified translation of documents.
4. Career development and counseling.
5. Authenticity verification.

There is a fee of \$50-\$150 depending on the complexity of the evaluation. The evaluation fee covers subject breakdown, equivalence statements, detailed analysis and a narrative evaluation if needed. This includes one original evaluation sent to the designated agency or institution and one copy to the applicant.

The SNP Admissions and Records Office will evaluate the transfer units allowed as well as the general education breadth requirements from the original analysis of the international evaluation service. The SNP Office of Admissions and Records has final authority of approving the transferability of credit. Please refer to:

INTERNATIONAL STUDENTS - International students are required to have a 2.4 GPA on all units attempted in college.

All students, regardless of citizenship, who have not attended school at the secondary level for at least three years or beyond where English is the principle language of instruction, are required to earn a minimum score of 550 on the Test of English as a Foreign Language (TOEFL). This is considered an admissions requirement.

SOCIAL SECURITY NUMBER

Applicants are required to include their Social Security account number in designated places on applications for admission and registration form pursuant to the authority contained in Title 5, California Administrative Code, Section 41201. The Social Security account number is used as a means of identifying records pertaining to the student as well as identifying the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution.

DEGREE REQUIREMENTS

MINIMUM DEGREE REQUIREMENTS

FOR THE BACHELOR OF SCIENCE, NURSING

1. Completion of 132 semester units with a 2.0 GPA
2. Completion of the General Education program (48 semester units)
3. Satisfaction of the American Institutions requirement in U.S. History, U.S. Constitution and California State and Local Government.
4. Satisfaction of Graduation Writing Competency requirement (by exam or course).
5. Satisfaction of the Entry Level Mathematics (ELM) requirement or exemption.
6. Complete the residence requirement of 30 semester units earned through CSU Dominguez Hills while an officially admitted SNP student. The term, residence units, applies to those units earned at CSU Dominguez Hills while an officially admitted student in a degree program. Fees must be paid through the regular registration process. Residence requirements for a bachelors degree include a minimum of 30 semester units in residence of which 24 units must be in upper division courses and 12 upper division units must be earned in residence. The maximum credit that may be taken in Extension (Open University) and used toward degree requirements is 24 semester (36 quarter) units at the undergraduate level and 9 semester (13 quarter) units at the graduate level. **Resident extension units do not satisfy residence requirements for a degree.**
7. Complete at least 12 units in the major (integrated nursing courses) through CSU Dominguez Hills

FOR THE MASTER OF SCIENCE, NURSING

1. Completion of 36 semester units with a 3.0 GPA average. Degree requirements include completion of a directed project.
2. Complete the residence requirements of at least 21 semester units earned at CSU Dominguez Hills while an officially admitted SNP student.

APPLICATION FOR GRADUATION-DEGREE OR CERTIFICATE PROGRAM

All degree candidates must file an Application for Graduation with the Office of the Registrar in accordance with the following schedule:

Baccalaureate and Graduate Degrees

To GRADUATE at the end of:	You must file by:	
	Undergraduate	Graduate
Fall Semester	April 1	August 15
Spring Semester	September 15	January 15
Summer Semester	February 15	May 1

A final Program of Study must accompany the Application for Graduation signed by the Faculty Coordinator (BSN) or Graduate Coordinator (MSN) (QA) or Role Performance Coordinator (PHN) if not filed previously. Students will receive a "grad check" from the SNP Admissions and Records Office which indicates any remaining academic work, outstanding fees or obligations which must be resolved before approval of graduation is granted.

All coursework must be completed by the end of the term (Spring 1992 term: May 31). If you are attending a community college and their Spring term does not end until June, you must apply for graduation for the following semester.

If you do not qualify for graduation at the end of the semester for which you applied, you must submit a Change of Graduation Date card and fee of \$15 to the Graduation Unit. Failing to do so will place a hold on your undergraduate registration packet for the next regular semester. You must reapply for the Grad application until your degree requirements are completed. **Completion of degree requirements is the student's responsibility** and, therefore, each student must be thoroughly familiar with the procedures and information about graduation. If you have questions, please consult the SNP Admissions and Records Office.

GRADUATE PINS

See Table of Contents

COMMENCEMENT

Ceremonies at CSUDH are open to all SNP graduates. Candidates for graduation from BSN Areas D,E,F,G,H and J and MSN Central, South-west and Southeast Regions will participate in CSU Dominguez Hills Ceremonies. If the student (Area A,B,C) wishes to participate in graduation ceremonies at their local CSU campus or CSUDH, they should so indicate on the application for graduation.

GRADUATION WITH HONORS POLICY

Effective with the 1978-79 CSUDH academic year, to graduate with honors, an undergraduate student must complete 36 units in residence and receive a minimum of 3.40 on all units taken at CSU Dominguez Hill, with the overall grade point average determined on transferable undergraduate work. The honor categories are as follows based on cumulative grade point average.

Cum Laude	(3.40-3.59)
Magna Cum Laude	(3.60-3.79)
Summa Cum Laude	(3.80-4.00)

Candidates for graduation with honors will be listed in the commencement program based on grades earned through the previous fall semester. Official placement in one of the honors categories will be based on all grades earned including the final term. Therefore, it is possible to be listed as a candidate in the commencement program, but not graduate with honors after all grades have been calculated. Students who graduate with honors will have the appropriate designation inscribed on their diplomas.

GRADUATION WRITING COMPETENCY REQUIREMENT

UNDERGRADUATES

All new and returning undergraduate students admitted for fall 1983 or subsequent terms must meet the upper division Graduate Writing requirement (GWAR). Those students who have rights to a catalog prior to 1983 will be held to the graduation requirements stated therein. Every CSU campus offers the means for meeting this requirement, either through a test or coursework, or a combination of both. Check the appropriate CSU catalog for details. The writing test may be available to SNP students around the state at CSU campuses. A schedule of these test dates will be published. If the test is available, a testing fee will be charged. Students are encouraged to meet this requirement by some appropriate means prior to their senior year.

GRADUATES

All graduate students entering in the fall of 1983 and thereafter are required to meet the above requirement at the graduate level (which may mean a higher grade on a certifying test, or a higher grade in a certifying course than is required of undergraduates). Consult the appropriate CSU catalog for particulars. This requirement must be met by the end of the first term.

IT IS THE STUDENT'S RESPONSIBILITY TO SEE THAT VERIFICATION OF PASSING EITHER THE TEST OR AN APPROVED COURSE FROM A CSU IS FORWARDED TO THE OFFICE OF THE REGISTRAR IN SNP ADMISSIONS AND RECORDS BY THE END OF THE SECOND SEMESTER OF CONTINUOUS ATTENDANCE.

If you are taking the test at CSUDH, contact the CSUDH testing office at (310) 516-3909. Small College K-148.

GENERAL EDUCATION (G.E.) REQUIREMENTS

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION (G.E.) REQUIREMENTS

Each candidate for a baccalaureate degree must complete general education coursework as prescribed by the Board of Trustees in Title 5 of the Administrative Code, Sections 40405 through 40405.4. The program consists of 48 semester units of courses approved for this purpose, including nine semester units taken during the junior and senior years and approved as upper division G.E. courses. At least nine of the required 48 units must be completed in residence.

Since the Statewide Nursing Program offers primarily upper division and graduate courses, most general education work will be completed prior to enrollment in the program or by referral to another institution after matriculation. A student may satisfy the General Education requirements in any one or a combination of the following ways:

Prior to matriculation:

- Completion of courses or examinations that are approved as meeting particular requirements by CSU campuses, California community colleges, or other participating campuses.
- Completion of courses at other institutions determined to meet particular requirements.

After matriculation:

- Completion of approved courses taken at a regionally accredited college or university (students should consult with their advisor for information on the course substitution process prior to enrolling in any course which is intended to satisfy a General Education requirement.)
- Completion of designated courses or examinations approved for General Education purposes.

REQUIRED PATTERN OF STATUTORY COURSES

A. Communication in English (9 semester units)

1. Oral communication - an introductory course in speech.
2. Written communication - a standard course in freshman composition.
3. Critical thinking - a course in logic, argumentation, or critical thinking.

B. Science and Mathematics (12 semester units)

1. A general introductory course in astronomy, chemistry, geology, physical science, or physics.
2. A general introductory course in biology, botany, or zoology. At least one course in either category 1 or 2 must include a laboratory; however, it is recommended that two laboratory courses be taken.
3. A mathematics, or other quantitative course equivalent to advanced algebra. This course should have a prerequisite of at least two years of college preparatory mathematics.

C. Humanities (12 semester units)

Choose courses from two or more of the following areas: art, drama, language, literature, music, and philosophy. No more than six semester units may be activity or performance courses.

D. Social and Behavioral Sciences (12 semester units)

Choose courses from two or more of the following areas: anthropology, economics, geography, history, political science, psychology, and sociology. Certain courses which meet these requirements may also be applied to the requirements described in section F.

At least one course either in area C or in area D above must involve study of the non-Western world. A course dealing with ethnic or other minorities in America is highly recommended. In choosing courses from areas C and D, avoid highly specialized courses. Try to choose courses which seek to integrate two or more areas.

E. Lifelong Understanding (3 semester units)

See advisor for list of approved courses if this requirement has not been met.

F. Requirements in U.S. History, U.S. Constitution, and Principles of California State and Local Government.

Title 5, California Administrative Code, Section 40404, requires that each student demonstrate competency in these areas to qualify for graduation. Students who have not met these requirements at the time of admission may do so by completing appropriate courses or by passing comprehensive examinations prepared and administered by most CSU campuses. Courses used to meet this requirement may also be applied to the requirements in section D.

Students who began undergraduate study in September, 1981 or thereafter are responsible for meeting these requirements. Students enrolling for an additional bachelor's degree must meet any difference between these and any previous requirements that may have been completed.

The initial general education evaluation cost will be included in the admission application fee of \$55. For additional transcript evaluation, a fee of \$5 will be charged per transcript revision.

STATEWIDE NURSING PROGRAM G.E. COURSES AVAILABLE THROUGH THE SNP

The following prerequisite courses are also approved for meeting General Education requirements as indicated.

Course	Title	G.E. Category	Semester Units
*BSN 315	Life Cycle	E	1-4
*BSN 325	Culture and Health	D	1-4
*BSN 335	Biochemistry	B	1-4
*BSN 345	Pathophysiology	B	1-4
*BSN 405**	Statistics	B	1-3

* upper division

** Students admitted to nursing major Fall 1988 and thereafter and students admitted prior to Fall 1988 who did not complete the statistics requirement before Fall '89 must meet the ELM requirements as described on the next page prior to enrolling in this course. Your transcript evaluation indicates if you have already met this requirement.

ACADEMIC POLICIES/PROCEDURES

ACADEMIC ADVISEMENT & REGULATIONS

ACADEMIC ADVISEMENT

Academic advisement is an essential component of student services. A personal relationship between students and their advisor begins upon admission to their degree program and continues through graduation. The guiding principle for the interaction between the student and advisor is the creation of a plan for degree completion that is compatible with the student's available time, fiscal, and academic resources. Students are encouraged to contact the Central Office for assistance in obtaining the name of their advisor.

Advisors are assigned to students according to geographic areas (by zip code). Please reference BSN Faculty/Program/Advisement Areas in this class schedule to find the name, address and telephone number of the Coordinator who will be your advisor. MSN Pathway and PHN Certificate students should see the Table of Contents for appropriate information. PHN students are advised by the Role Performance Coordinator.

UNDERGRADUATE ACADEMIC SKILLS ASSESSMENT PLAN

The California State University (CSU) and CSU Dominguez Hills recognize each student's needs for adequate preparation in mathematics, English, reading and critical thinking for successful continuation and completion of his or her college education.

The CSU now requires all freshman and those transfer students who have not completed appropriate college courses to demonstrate entry level skills in two areas: English and mathematics. To better ensure that students, who are poorly prepared in one or more of the basic skills, receive this preparation early in their college careers, CSU Dominguez Hills began implementation of an Academic Skills Assessment Plan (ASAP) in Fall 1984, starting with new freshmen. Beginning Fall 1988 all SNP new and readmitted undergraduate students are expected to meet the requirements of the plan. The Academic Skills Assessment Plan has four stages which may effect you:

Stage 1. Assessment of Entry level skills	detailed below
Stage 2. Completion of Entry Level Skills	
Stage 3. Certification of Basic Skills	see CSUDH Catalog
Stage 4. Certification of Writing Proficiency	

Stages 1 and 2 are detailed below. Stages 3 and 4, in their detailed form, may be found in the CSU Dominguez Hills Catalog.

Stage 1. Assessment of Entry Level Skills

Assessment of entry level competencies in reading, composition and mathematics.

1. Unless exempt, students must take the English Placement Test (EPT) and Entry Level Mathematics test (ELM) no later than their first semester of attendance at CSU Dominguez Hills. (See description of EPT and ELM in the Admissions section of the University Catalog.) If exempt, the student will be notified when admitted.
2. Entry level English Skills - if Students score T150 or below on the EPT, they must enroll in ENG 099 Basic Writing Workshop or IDS 006 Intensive Writing Skills Workshop at CSU Dominguez Hills or **SIMILAR COURSE WORK AT A CSU INSTITUTION or community college.** If their score is T141 or lower on the EPT, they also must enroll in ENG 088 Developmental Reading or a **SIMILAR COURSE AT A CSU INSTITUTION or community college.**

Both ENG 088 and 099 or SMC 006 are prerequisites to ENG 110 Freshmen Composition I, and may be taken concurrently prior to ENG 110. (CSUDH course).

3. Entry Level Mathematics Skills - If students do not pass the ELM, they should register for MAT 003 and/or MAT 005 at CSU Dominguez Hills or **SIMILAR COURSE WORK AT A CSU INSTITUTION or community college.** If students are not exempt, they must pass the ELM before taking any higher level math course (BSN 405 Statistics). Only General Education transfer math courses fulfill the ELM requirement.

Stage 2. Completion of Entry Level Skills

Students will not be allowed to register for a third full term if they have not at least taken the ELM and/or EPT. If you do not pass the ELM, you may still register for courses other than GE Math. You must pass the ELM prior to registering for an approved GE Math courses at any CSU or community college.

Stage 5, 1 and 2 are detailed below. Stages 3 and 4, in their detailed form, may be found in the CSU Dominguez Hills Catalog.

UNDERGRADUATE ENGLISH PLACEMENT TEST - (EPT)

All students wishing to enroll in Freshman Composition must take the English Placement Test unless they meet one of the exemptions listed in the current catalog. Verification of exemptions in the form of letters of notification or scores reported by testing agencies is required at the time of registration for the course.

Additionally, students who are bound by the EPT requirement must take the test in their first semester in SNP whether they plan to take Freshman Composition that semester or not.

Test Dates at CSUDH

July 11, 1992
October 17, 1992

Registration Deadline

June 26, 1992
October 2, 1992

Contact the SNP Testing Office to arrange for mailing of test packet or registration information. Call (310) 516-3596 locally or 1-800-344-5484 state wide. This test may also be taken at your local CSU campus. Contact the testing office at that campus for location and registration.

UNDERGRADUATE ENTRY-LEVEL MATHEMATICS (ELM) TEST

All students who entered CSU Dominguez Hills in Fall 1983 or later must demonstrate basic competence in mathematics. New freshmen must demonstrate competence by successful completion of the CSU Entry-Level Mathematics (ELM) Examination. Transfer students who are subject to requirements in the 1983-84 CSU Dominguez Hills Catalog must take the ELM, unless they have successfully completed (grade of C or better) a mathematics course certified for General Education-Quantitative Reasoning (advanced algebra or above) at the time of transfer. Satisfactory performance on any of several alternative examinations may exempt students from taking this examination. For more information, contact the SNP Advisor. Students required to take this examination should do so as soon as possible after admission. **Failure to take the examination before the end of the second term may lead to probation and disqualification.**

Test Date at CSUDH

July 11, 1992
October 17, 1992

Registration Deadline

June 26, 1992
October 2, 1992

One test to be offered between November 7 and January 30. Call your local CSU campus testing office to determine exact date.

Contact the SNP Testing Office to arrange for mailing of test packet or registration information.

HEALTH EXAMINATION - BSN AND MSN PROGRAMS

A medical history form, sent to students upon admission should be filed with the student health center before registration.

Measles and Rubella Immunizations Health Screening Provisions
All new and readmitted students born after January, 1957 will be notified of the requirement to present proof of measles and rubella immunizations. **This is not an admissions requirement, but shall be required of students by the beginning of the next term in the CSU.** Proof of measles and rubella immunizations also shall be required for certain groups of enrolled students who have increased exposure to these diseases.

ACADEMIC POLICIES/PROCEDURES (cont'd)

Person Subject to these Health Screening Provisions Include:

- New students enrolling Fall 1986 or later
- Readmitted students re-enrolling Fall 1986 or later
- Students who reside in campus residence halls
- Students who obtained their primary and secondary schooling outside the United States.
- Students enrolled in clinical science and practicum, student teaching or field work involving preschool-age children, school-age children, field work taking place in a hospital or health care setting.

DESCRIPTION OF ENROLLMENT OPPORTUNITIES

***REGULAR ADMISSION** - A new student applying for admission to a degree or certificate program should complete the regular CSU application should be returned to SNP Admissions and Records Office along with the \$55 application fee.

***CONCURRENT ENROLLMENT** - Admitted students who are taking SNP/CSUDH courses this term may also take courses at another CSU campus through concurrent enrollment. Concurrent enrollment forms are available at any CSU campus or by calling (310) 516-4060. Be sure to pay attention to the registration deadlines and registration procedures at the particular CSU institution you have selected. Your registration fee is paid to CSUDH and is based on your total unit load.

***INTRASYSTEM VISITOR ENROLLMENT** - A means by which students who are not taking a SNP/CSUDH course may enroll in designated courses at another CSU. Fees are paid to the host campus.

ELIGIBILITY REQUIREMENTS:

Undergraduate - student has completed at least one term at the home campus as a matriculated student and earned at least 12 units there. Student has attained a GPA of 2.0 in all work completed at the home campus and is in good standing at the campus. Student is eligible to register under continuing status at the home campus.

Graduate - student completed at least one term at the home campus as a matriculated student. Student has been admitted to or is enrolled in an authorized graduate program at the home campus. Student was in good standing at the last institution attended.

CHANGE OF NAME OR ADDRESS

If you have made a change of name, address or phone which has not been reported to the university, please send in change of name/address to the SNP Admissions and Records Office. It is important that the university be informed of any change so that you will receive all mailings.

CREDIT FOR OPEN UNIVERSITY, EXTENSION AND CORRESPONDENCE COURSES

The University allows transfer credit for appropriate college-level courses completed in Extension, including Open University, or by correspondence from accredited colleges or universities and the United States Armed Forces Institute. A maximum of 24 semester (36 quarter) units earned through Extension, completed at CSU Dominguez Hills or elsewhere, through correspondence, and USAF may be accepted toward a bachelor's degree. For graduate level students, a maximum of nine semester (13 quarter) units of extension work may be applied to a degree. Please note that these credits do not satisfy CSU Dominguez Hills residence requirements for the degree. For more detailed information, please refer to the current University catalog.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

All student records of the California State University, including Statewide Nursing Program of CSU Dominguez Hills, are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974. Students may request access to those campus records that personally

identify the student. The student may challenge the accuracy of the appropriateness of its retention in the campus records. Student consent is needed for the release of records covered by the Act to outside parties (e.g., prospective employers) except for those agencies entitled to access under the provisions of the Act (e.g., campus officials, other schools, federal officers, and requests in connection with the application or receipt of financial aid).

A student may request a copy of a record that he/she requested for release. Students must pay a charge for copies of records for which such a charge has been established. Copies of the full text of the Family Educational Rights and Privacy Act of 1974 are available at the Office of the Vice President for Student Affairs (ERC C532) or the campus library. Particular questions with respect to a student's prerogatives under the Family Educational Rights and Privacy Act of 1974 should be directed to the Office of the Vice President for Student Affairs.

If a student wishes to restrict the release of directory information, a request may be made at the Office of the Vice President for Student Affairs. The request is valid from the semester requested through the end of the academic year. Requests for restriction or release of information for a subsequent academic year requires a new form.

FIRST CLASS MEETING

Students who register for a course but do not attend the first class meeting must drop the course at least 10 working days prior to the first class meeting. Students who are in doubt regarding their drop status should call SNP Admissions and Records Office.

FULL TIME STATUS

UNDERGRADUATE

Undergraduates are considered to be full-time students during any semester when they are enrolled in 12 units or more.

GRADUATE

Graduate students enrolled in eight or more graduate level (500 level) units are considered to be full-time.

SCHOLASTIC POLICIES

Grades and Grade Points

Effective with the fall 1990 term, CSU Dominguez Hills is using the following grading system.

Grade	Grade Points
A	4.0
A-	3.7
B+	3.3
B	3.0
B-	2.7
C+	2.3
C	2.0
C-	1.7
D+	1.3
D	1.0
F	

Notes:

Master's degree candidates are reminded that a "B" (3.0) average is required in the master's degree program and for all courses (related and unrelated, lower division, upper division and graduate) taken concurrent with the master's degree program.

Undergraduate students are reminded that, in order to graduate with a baccalaureate degree, a "C" (2.0) average is required for all courses taken elsewhere, all courses taken at CSU Dominguez Hills and for all courses in the declared major(s).

Courses and modules must be successfully completed (grade of C or better) in the order indicated by the curricular progression flowchart. Certain modules within a course may be sequenced. Any deviation from

ACADEMIC POLICIES/PROCEDURES (cont'd)

meeting the course prerequisites or sequence is subject to prior written approval by the Faculty Coordinator.

Alternative Grading Policy

In departmentally designated courses in basic skills (composition, quantitative reasoning, logic [critical reasoning]) and departmentally designated upper division composition courses, the A-F grading system is replaced by an A-C/NC system. Therefore, SNP curriculum honors the alternate A-F grading system.

Incomplete Grade

A grade of incomplete may be assigned if a student is unable, for an unforeseen reason, to complete a definable portion of course work. An incomplete indicates that there is still a possibility of credit upon completion of future work. The student must arrange with the instructor for completion of the required work. For each incomplete grade assigned, the instructor will complete a form in triplicate on which he/she will indicate:

1. The reason for granting the incomplete;
2. Amount or nature of the work to be completed;
3. The date by which the student must make up the work-date as early as possible, but in any case within one calendar year.

Application For Incomplete ("I") Grade

An approval form, signed by the instructor, must be completed by the last scheduled meeting date of the course.

An incomplete grade may not be submitted without Request for Incomplete form. A definitive grade for the term is recorded when the work has been completed. An incomplete grade cannot be removed by repeating the course. The grade will be automatically recorded as F or NC if the work is not completed within the time specified on the Request for Incomplete form.

Change of Grade Procedures

If a grade change is necessary the instructor completes the form and forwards it to the SNP Admissions and Records Office. The student will then be notified of the change of grade. Change of name must be documented by legal verification.

Unauthorized Incomplete

The symbol "U" indicates that an enrolled student did not withdraw from the course but failed to complete course requirements. It is used when, in the opinion of the instructor, completed assignments or course activities or both were insufficient to make normal evaluation of academic performance possible. For purposes of grade point average computation this symbol is equivalent to an "F".

Official Withdrawal from the University (W)

Official withdrawal is necessary if a student leaves the university any time after registration and does not intend to complete the semester. A drop may be obtained from the schedule of classes or call SNP Admissions and Records Office.

A student who does not officially withdraw shall receive an "F", "U" or "NC" for the registered courses.

CR/NC (CREDIT/NO CREDIT GRADES)

Undergraduate

An undergraduate student may elect to be graded CR/NC in particular courses, subject to the following conditions:

Course Limitations

1. Courses used to satisfy a major (both upper and lower divisions), or which are prerequisite to it, must be taken for a letter grade except when such courses are graded solely on a CR/NC basis. A student is permitted to enroll in up to 50% of the units required by a minor on a credit/no credit basis, unless otherwise specified elsewhere, in the catalog under specific requirements for a minor.

2. No more than 24 units graded CR/NC, whether taken at this or another institution, may be offered in satisfaction of the total units required for a bachelor's degree. If 24 units graded CR/NC are accepted in transfer, no additional courses graded CR/NC may be used to satisfy degree requirements, except when a required course graded solely on a CR/NC basis. (All credits earned in the CLEP testing program may count even if they make the cumulative total of all CR/NC units at that time over 24.)

Grade Equivalences and Records

1. Both Credit (CR) and No Credit (NC) grades are recorded on student transcripts.
2. In accordance with current policies of the Board of Trustees, at the undergraduate level the Credit grade is the equivalent of an A, B, or C; and the No Credit grade is the equivalent of a D, or F.
3. CR/NC grades are not computed in overall or semester GPA's.

Graduate

1. Graduate courses graded on a CR/NC basis are limited to courses specifically designated in the catalog for non-traditional grading and to certain 400 and 500 level courses in the School of Education.
2. At the graduate level, CR is the equivalent of an A or B; and NC is the equivalent of C, D, or F.
3. At least 24 of the units used to fulfill the requirements for a master's degree shall be graded CR/NC, if the course is offered only on that basis.
4. Graduate level students are allowed to elect to receive credit/no credit grades in courses numbered below 500 that will not be used to satisfy the requirements of a graduate degree program.

Repeat And Cancel Policy

The Repeat and Cancel policy was amended effective Fall Semester 1986. The following procedures are applicable to all CSU Dominguez Hills students:

1. The Repeat and Cancel policy may be used by students working toward a baccalaureate degree.
2. The Repeat and Cancel policy may not be used by graduate/post-baccalaureate students working on master's degrees, graduate certifications, teaching credentials, or by "undeclared" graduate students.
3. In the case of a repeated course, the subsequent grade is substituted for the earlier grade in the computation of units attempted and grade point average (GPA). The previous course grade(s) remain(s) on the record, but is annotated as being discounted from GPA calculations.
4. Repeat and Cancel may be used on courses taken and repeated at CSU Dominguez Hills and other CSU campuses during summer sessions or as a CSU visitor/concurrent student.
5. Repeat and Cancel may be used for no more than eighteen (18) semester units taken at CSU Dominguez Hills.
6. Repeat and Cancel may be used only on grades of U, F or D.

RESIDENCE CREDIT REQUIREMENT

Undergraduate

Students must earn the equivalent of 30 semester units of credit through SNP to meet residence requirements for a bachelor's degree. At least 12 semester units must be in the integrated nursing courses and 24 semester units must be upper division level courses.

Graduate

Twenty-seven semester units of work must be completed in residence through the SNP.

Extension Credit

The maximum credit that may be taken in extension and used toward degree requirements is 24 semester (36 qtr.) units at the undergraduate level and nine semester (13 qtr.) units at the graduate level. Resident extension units do not satisfy residence requirements for a degree.

ACADEMIC POLICIES/PROCEDURES (cont'd)

Definition of courses that meet the residence credit requirement:

- Any regularly scheduled CSUDH/SNP course taken after admission.
- A minimum of 30 semester units must be completed in residence at CSU Dominguez Hills, of which 24 shall be earned in upper division courses and 12 upper division units shall be in the major. When a minor is declared, at least one-half of all upper division units earned for the minor must be completed in residence at CSU Dominguez Hills.
- Extension credit or credit by examination (e.g. CLEP) may not be used to fulfill the minimum residence requirement.
- Credit received in summer session or January Session at CSU Dominguez Hills may be counted as residence credit.

MAINTAINING CONTINUING STUDENT STATUS FOR UNDERGRADUATES AND GRADUATES

Procedure

Students may elect to be absent for one semester without losing eligibility for re-registration, subject to the following conditions:

1. A permit to register will not be released to students who were scholastically disqualified following their most recent semester of attendance at CSU Dominguez Hills.
2. Students who attend another college or university during an absence from CSU Dominguez Hills must file a Leave of Absence form if they will be absent for more than one term from SNP.
3. Undergraduate students who graduate from CSU Dominguez Hills and wish to continue as graduate students must file a new application for admission. An application fee of \$55 is required.

PLANNED EDUCATIONAL LEAVE OF ABSENCE

A Planned Educational Leave is defined as a planned interruption or

temporary cessation of a student's formal education in which the student voluntarily and temporarily ceases enrollment at CSU Dominguez Hills while pursuing other educationally related activities to enrich his/her academic program or to clarify educational goals. The Leave may be used for any number of educationally related activities including travel, independent study, work study or attendance at another institution. The intent of the program is to make it possible for a student to suspend academic work, leave the campus and later resume studies with a minimum of procedural difficulty. Petitions are available from the Registrar, SNP Admissions and Records Office. A petition for Leave of Absence must be on file prior to the date of the leave.

Eligibility

Any registered student, undergraduate or classified graduate, in good academic standing, is eligible for the Planned Student Leave Program.

Application Procedures

1. A registered student may request an educational leave. The petition shall include an explanation of the student's reasons for seeking an educational leave and when he/she intends to resume academic work.
2. The request shall be initiated by the student and reviewed by the Office of Registrar. If the request is approved, the registrar shall take steps to insure the student's reentry and retention of registration priority, and the appropriate entry in the student's academic record.
3. The request shall be approved only after contractual agreements (e.g. financial aid) have been satisfactorily terminated or renegotiated.
4. A registered student may file a petition for a Planned Educational Leave at any time; however, the leave must commence at the beginning of the following semester.
5. Permission for a Planned Educational Leave must be requested and approved in advance of the term the leave is to begin; a leave will not be granted retroactively.
6. Students whose planned leaves will take them out of California are advised to consult the Office of the Registrar regarding residency requirements.

STUDENT HANDBOOK EXCERPTS

The following information is excerpted from the CSUDH Student Handbook and adapted to the needs of distance students. The Student Rights and Responsibilities Handbook is available for review at faculty coordinator offices and at your Learning Resource Center or you may request a personal copy by calling (310) 516-3596 if you live in the (310) or (818) area codes or 1-800-344-5484 in other areas of California.

Your comments on the usefulness of information included in this excerpt for distance education students are most appreciated. If there are topics which should be added, expanded or deleted, please submit them, in writing, to the Chair, Student Affairs Committee, Statewide Nursing Program.

For further information on the following topics, see CSUDH catalog: Identification Card; Academic Probation; Disqualification; withdrawal from the University; "Sitting Out" a Semester; Scholarships; Student Grievances and Grade Appeals Procedures.

THE CLASSROOM

The University does not discriminate on the basis of sex, disability, race or color.

Rights and Responsibilities

1. Students are entitled to instructors who refrain from acts or conditions listed in Section 24306 of the Education Code, e.g., unprofessional or immoral conduct, dishonesty, incompetence, etc. Such acts or conditions may cause the University to take disciplinary action against the instructor.
2. The individual instructor controls the order and direction of a class and the scope and treatment of the subject matter, and the class must be

free of distraction or disruption. Each student must respect the rights of others in the maintenance of classroom order and in the observance of basic courtesy. A student may be ordered to leave a class for cheating or when her/his behavior obstructs the regular activity of the class: The instructor may not officially disenroll a student for a course or discipline without following student disciplinary procedures.

Plagiarism

At the heart of any university are its efforts to encourage critical reading skills, effective communication, above all, intellectual honesty among its students. Thus, all academic work submitted by a student as his or her own should be his or her own unique style, words, and form. When work is submitted that appears to be original, but actually is not, the student has committed plagiarism.

Plagiarism is considered a gross violation of the University's academic and disciplinary standards. Plagiarism includes the following: copying of one person's work by another and claiming it as his or her own, false presentation of oneself as the author or creator of work, falsely taking credit for another person's unique method of treatment or expression, falsely representing one's self as the source of ideas or expression, or the presentation of someone else's language, ideas, or works without giving that person due credit. It is not limited to written works. For example, one can plagiarize music compositions, photographs, works of art, choreography, computer programs, or any other unique creative effort.

Plagiarism is cause for formal University discipline and is justification for an instructor to assign a lower grade or a failing grade in the course in which the plagiarism is committed. In addition, the University may impose its disciplinary measures.

STUDENT SERVICES

FINANCIAL AID

GUARANTEED STUDENT LOAN (GSL)

The Guaranteed Student Loan Program provides an opportunity for eligible students to obtain educational loans through participating banks, credit unions or other lending institutions. The federal government will pay the interest on the cumulative amount borrowed as long as the student is enrolled at least half-time at an eligible school.

According to federal regulations, the student may apply for the Guaranteed Student Loan providing the student:

1. is enrolled in and in good standing or has been accepted for enrollment at an eligible school;
2. is enrolled minimally, as a half-time student (six units or more) with the program;
3. is a citizen of the United States or is in the United State for other than a temporary purpose.

This program provides long-term, low-interest (seven to nine percent) loans available through participating lending agencies. Upper division undergraduate students may borrow up to \$4,000 per year, and graduate students may borrow up to \$7,500 per year.

California Loans to Assist Students (CLAS): Students who are ineligible for a GSL or who wish to supplement their GSL may apply for a CLAS loan. CLAS loans enable borrowers to obtain up to \$4,000 per year (\$20,000 aggregate) to help pay for education. CLAS loans are guaranteed by the participating lenders. This guarantee, backed by federal reinsurance, allows the loans to be made without security or collateral. Unlike the Guaranteed Student Loan (GSL), a CLAS loan goes into repayment 60 days after the loan is made. However, the favorable interest rate (varies from 9 to 12%, depending on the annual average rate of 90-day Treasury Bills) makes CLAS an attractive alternative for parents and students faced with financing postsecondary education. CLAS loans can be used in addition to Guaranteed Student Loans.

Parent and less than full-time student borrowers must begin repayment of principal and interest 60 days after the loan is made.

Full-time student borrowers may defer (postpone) principal and interest repayment until their enrollment status changes.

Application Procedures:

Step One - File a Student Aid Application for California (SAAC). All SAAC forms and appropriate fee, must be mailed to: College Scholarship Service, Box 70, Berkeley, CA 94701-0070. This may take up to four weeks so plan accordingly. The GSL or CLAS application cannot be certified until the SAAC is received.

All undergraduate students are required to apply for a Pell Grant. This may be accomplished by answering yes to SAAC question number 43. The Pell Grant determination is called the Student Aid Report (SAR). The SAR will be mailed directly to your home and then submitted to the Financial Aid Office. In addition, you may be required to provide a copy of your/your parents' tax return(s) and Financial Aid Transcripts from any schools previously attended.

Step Two - Complete the GSL or CLAS loan application and questionnaire. To obtain these forms write or call:

Financial Aid Office
Lillie Marquez, Scholarship Coord.
1000 E. Victoria Street
Carson, California 90747
(310) 516-3647

Since processing the GSL/CLAS application normally takes one to two weeks after we have received all the above forms (total of six to eight weeks), it is recommended you apply early for a given term. All fees are expected to be paid at the time due, regardless of your loan application status.

Step Three - A personal interview is necessary before final approval/release of loan monies can occur. Applicants will be informed of the process for completing an informational computer software program prior to arranging for the interview.

RESPONSIBILITIES OF STUDENTS RECEIVING FINANCIAL ASSISTANCE

1. All Financial Aid recipients agree to carry and complete the number of units specified each term showing at least half-time status, report graduation or withdrawal, and notify the Financial Aid office of any changes in their financial status, marital status, or unit load.
2. Students must use the funds only to meet education costs. Any other use of the funds is prohibited by law.
3. Satisfactory academic progress must be maintained. A student is considered to be in good standing and maintaining satisfactory progress when enrolled in and successfully completing at least a half-time credit hour load.

VETERANS CERTIFICATION

New students who are veterans should be approved by the Veterans Administration to receive benefits and should obtain form 1995 (Change of institution Form) or form 1990 (Veteran's Application for VA Benefits Form) from the VA, the Campus Veterans Office, VA Hospital, or other appropriate agency.

The student should request a Certification of Enrollment Form (Form 1999) from the SNP Admissions and Records Office. Forms should be completed and submitted to the Admissions and Records Office. Admissions and Records Office will then submit all forms to the appropriate office. (Processing Fee: \$4.00.)

The student must notify the Admissions and Records Office at once upon withdrawal from a course or upon adding a course.

Concurrent Enrollment: If a student attends another school at the same time, a VA form must be sent from the other school to the Admissions and Records Office verifying enrollment.

Prior to each term, new and continuing students should contact the SNP Admissions and Records Office indicating the courses to be taken that term. In addition, students applying for VA benefits for both the Fall and Spring terms should estimate the number of units to be taken in Spring. Summer benefits must be applied for separately. Any other questions regarding VA benefits should be directed to the SNP Admissions and Records Office.

REGISTRATION & FEES

REGISTRATION INSTRUCTIONS

Under state, support, decisions to offer or cancel classes are based on the numbers of students enrolled in a particular location. All continuing students are required to pay the semester fee and submit a course request form for all courses they plan to take that term, prior to the beginning of the term. New students Fall 1992 may register and pay the semester fees as soon as an application for admission is received in the Admissions and Records Office.

Registration Process - Fall Term 1992 Continuing Students.

1. Complete the registration form. Be sure to include the correct schedule number, course number and title, time and location for each course/module you plan to take either by coursework or by challenge/assessment.
2. Classes not paid for will not be recorded on your transcript. You may not register for a subsequent semester if there are any outstanding University fees.
3. Make your check payable to CSU Dominguez Hills. Include your charge card number and expiration date if you use VISA or MasterCard. Fees are not considered paid until your check has cleared the bank.
4. If your fees are being paid by a sponsoring agency or company which prefers to pay the CSU fees directly, you must secure a purchase order from the sponsor. The purchase order must be complete and accurate and addressed to the Statewide Nursing Program, CSU Dominguez Hills. Submit the purchase order at the same time that you register for classes.
5. All Fall 1992 registrations for continuing students must be postmarked by June 20, 1992.
6. You may not attend a class without submitting the Registration Form and Fees ahead of time. You may not late register for a unit or begin a class after the first class meeting has occurred.
7. Class size is limited. Seats go to eligible students as registrations are received.

ADD-DROP PROCESS FALL TERM 1992

If it is necessary to deviate from your original registration plan, you may add or drop a course. The add or drop must be on file in the SNP Admissions and Records Office at least 10 working days prior to the first class session to reserve a seat in class. There will be a late fee of \$10 for each add/drop form if the deadline of 10 working days prior to the first class session is not met. (The late fee will not apply to administrative adds or drops).

Mail in the add/drop form to the SNP Admissions and Records Office 10 working days prior to the first session. Postmark dates will be honored. If the add/drop is postmarked 9 or less days prior to the first class session, a \$10 late fee will be charged. Attach a late fee if you are mailing the add/drop AFTER the deadline date of 10 working days prior to the class. **If SNP cancels class, student completes and submits Drop Form but DOES NOT PAY \$10.00 FEE.**

Complete the add/drop form with all specific information, particularly the schedule and section number of the class that you are adding or dropping and the start date of the class or it will be necessary to return the form to you for completion. **YOUR REGISTRATION FEES FOR THE FALL 1992 TERM MUST BE PAID IN ORDER TO ADD A CLASS.**

LATE ADDS/DROPS

1. Students who do not meet the deadline for 10 working days: May add the class only with the coordinator's permission. **NOTE: THERE MAY NOT BE SEATING AVAILABILITY.**
2. You may NOT ADD A CLASS AFTER THE FIRST CLASS SESSION HAS STARTED.
3. You must submit the Add/Drop form immediately after the first class session in order to have your name listed on the final grade roster. Coordinator signature required.
4. Your registration fees for the Fall 1992 term must be paid in order to add a class.

PENALTY - If you do not send in the Add/Drop form, you will receive an unauthorized withdrawal - "U" - on your transcript. This form must be received one week after first class session.

Please promote the program's ability to continue to serve its many locations in the state by registering carefully and following through on your plans. Your intentions at the beginning of the term are the basis for many program decisions and allocation of resources. If it is necessary to cancel a class or to make any changes in the scheduled class, every effort will be made to notify you by telephone at least five working days prior to the first meeting of that class. If a course is overenrolled and it is possible to add another section, you will be notified at least five days prior to the first meeting of the added class section concerning its location and possibly a new date and time depending on instructor availability.

Withdrawal from all Courses/Refunds

Continuing students who find that they will be unable to take any courses during the term are eligible for a refund of CSU fees if the course was never attended. **Students must submit an application for refund.** A completed Add/Drop form, indicating total withdrawal must be received in the Admissions and Records office. Application for refund must be filed by 21 days after the first class session. A \$10 service charge will be retained by the university to cover the cost of processing each refund application. No refund application will be accepted after the term has ended unless a student withdraws upon advice of a physician and can document this fact in writing.

If a student completes even a portion of one unit, a refund or portion of refund of CSU fees is not possible. (See refund policy.)

FEE PAYMENT

All students pay the regular fees. Auditors pay the same fee as students registered for credit. **THE CHARGES BELOW REFLECT THE CURRENT FEE SCHEDULE. THE BOARD OF TRUSTEES HAS APPROVED A FEE INCREASE, PENDING LEGISLATIVE ACTION. AT THE TIME OF PRINTING, THE FINAL FEES FOR THE 1992-1993 ACADEMIC YEAR HAD NOT BEEN ESTABLISHED.**

Fees for each semester are part of the registration process and are payable at the time of registration.

In addition to these fees, non-residents of the state of California are charged tuition.

Fees can be paid by cash, check, money order, VISA or MasterCard. IF THE CHARGE CARD IS DECLINED OR THE CHECK IS NSF, THE REGISTRATION CANNOT BE PROCESSED AND WILL BE RETURNED TO THE STUDENT. A CASHIER'S CHECK OR MONEY ORDER WILL BE REQUESTED.
