CENTRALIZED ADVISING IS NOW AVAILABLE

The Student Services Center is coordinated by Marge Louderback and staffed by Tonie Mills, Diane Paietta, Heidi Johannsen, and Stefini Brooks. This center is designed to offer students highly consistent, efficient and easy access assistance. Advisors assist students with issues regarding preadmission advising, enrollment questions, general education requirements, ELM, EPT and GEAR directions, and graduation applications for both undergraduate and graduate students. *The advisors also will be able to refer you to appropriate Division of Nursing Faculty for further academic advising as needed.*

NEW ACADEMIC CALENDAR

The Division of Nursing Academic Calendar has been modified to parallel that of the rest of the CSUDH schedule. Rather than courses beginning in July, August 26 will now be the start date of the fall semester. Courses may begin then or after that date and will be completed by December 8. A proposal is currently being considered to offer a state-supported summer semester beginning summer 2001.

KEY INFORMATION FOR FALL 2000 REGISTRATION

ATTENTION

Registration and payment of fees must be completed by the stated dates to insure a space in class.

All classes are subject to cancellation for compelling reasons such as low enrollment.

INTERNET ACCESS

All Division of Nursing Students are now required to have access to the internet with e-mail and web search capability. This modality is increasingly used to facilitate communication between students, instructors and advisors. There are several choices that a student can make regarding online services.

Your computer, hardware, software, browser online charges, etc., may be considered tax deductible. See your tax accountant.

After you obtain access to a computer, you need to establish your own e-mail account/address. The advantage of having your own e-mail address is that mail sent to that address is your own vs. using the e-mail address that belongs to your friend, husband, child, etc. There are a variety of FREE e-mail providers such as Hotmail, Yahoo, Juno, etc. In the search engine of your choice, search on 'e-mail' + 'free' and see what comes back. The advantage of free e-mail providers is that you can access your e-mail from any computer, anywhere (unlike AOL, Pacbell, etc. which require software to be installed on a specific computer).

The important features you need for e-mail are:

1. unlimited access (don't get one that only provides so many hours per month)
2. local dial-up phone number
3. 24-hour technical support line (have to worry about the "local" providers)
4. sufficient phone lines to support traffic
5. ability to support a high-speed modem

BSN 315 .1-.3, BY ASSESSMENT OPTION

Life Cycle, BSN 315.1-3 can be completed through an assessment option by passing the Regents College exam Life Span Developmental Psychology. Refer to Assessment Option pages for details on how to register.

CINAHL VIA THE INTERNET

Instructions for accessing CINAHL, the Cumulative Index to Nursing and Health Sciences Journals:

1. In order to access password information e-mail nmoy@dhvx20.csudh.edu. Include your student ID number.
2. Access the Internet through your browser, preferably Netscape Navigator 3.01 or Microsoft Internet Explorer 4.0 or higher.
3. Type in the URL to the CSUDH CyberSpace Reference Library "Nursing and Health Resources":

<http://library.csudh.edu/cyberlib/health.htm>

4. Click on "CINAHL (www accessible with password)."
5. Type in "user name" and "password", then click on "login."
6. At this next screen, select the CINAHL database. Click on "Search."
7. Type in your search terms; make decision on which documents you wish to select; order by fax or go to local health science library.
8. Faxed copies may be sent, for a \$12 fee, by mail or to your preferred fax machine by contacting CINAHL via:

- The web at http://cinahl.com/data/doc_delr.htm
- E-mail at docorder@cinahl.com
- Fax at 818/546-5633
- Phone at 800/959-7167 (press 3)

Note: Medline searches do not require a password. Access this biomedical database through the links listed in the CyberSpace Library "Nursing and Health Sciences Resources." There are new resources added to the Web daily. Consult the library's home page through the campus for current information..

INFORMATION ABOUT COMMENCEMENT

NEW BSN STUDENTS

- As soon as you receive your letter of acceptance to the university it is important to enroll in classes promptly.
- You must enroll in BSN 301 (web based course) and BSN 310 your first semester. You may take as many other units as you feel you can carry.
- Additional courses you may enroll in include: BSN 305, 315, 340, 345, 405. You may choose between live classes, online courses, or a combination of both.
- In BSN 310 you will prepare a program of study for degree completion and you will get answers to many of your questions about progression through the nursing curriculum and general education requirements.
- Before you go to class, be sure to 1) obtain books and Learning Module Texts from the bookstore (see table of contents), and, 2) prepare for the first class session according to the directions in the Learning Module Texts.

In order to participate in one of these Information Sessions, please contact the Student Services Center at 800/344-5484 by June 8, 2000. Please give your name and specify which session you are interested in participating in. Also, please give the telephone number where you can be reached at least 30 minutes prior to the Information Session.

OVERVIEW OF DEGREE PROGRAMS

GENERAL REQUIREMENTS

- All students admitted to the major must be actively licensed as registered nurses. It is the student's responsibility to **immediately report** in writing any change in licensure to the Advisor and Department Chair.
- All students **must** maintain proof of personal professional liability insurance coverage. Coverage is verified at the beginning of each performance or role performance course.
- Students are responsible for obtaining any necessary health exams, immunizations, etc., required by the University or an affiliating clinical agency.
- Client confidentiality must be respected.
- Students must purchase their own copy of the BSN Module Text or MSN syllabus required for a particular course/module.
- The nursing curriculum must be completed in the order prescribed and all students must earn C or better for each module in that course. Failure to meet course/module prerequisites will adversely affect student progress. MSN students must maintain at least a 3.0 GPA (B).
- Students must adhere to the highest standards of academic and professional integrity.

INFORMATION SESSIONS

Prospective students and applicants are strongly encouraged to attend an information session which provides information about programs, how to apply to CSUDH and how to register for classes. Contact the Student Services Center (SSC) for dates and locations for scheduled live information sessions.

Please give your name and specify which session you are interested in participating in. Also, please give the telephone number where you can be reached at least 30 minutes prior to the Information Session.

CONTINUING EDUCATION (C.E.) CREDIT

All BSN and MSN courses (not general education) are provider approved by the California Board of Registered Nursing, Provider Number CEP 3594, for 15 contact hours per unit. Non-nursing general education courses do not qualify. Although the Board of Registered Nursing does not approve individual continuing education courses, providers are required by law to be approved by the Board. Complaints regarding continuing education providers or continuing education courses should be addressed to the Board. Your transcript is your certificate of completion.

OPPORTUNITIES FOR STUDENT INVOLVEMENT

In any educational program, student participation in the non-classroom aspects of the program is essential. In fact, accrediting bodies such as the Western Association of Schools and Colleges (WASC) and the National League for Nursing Accrediting Commission (NLNAC) specifically look for such involvement. California State University, Dominguez Hills is WASC accredited. The Baccalaureate and Masters Degree programs in nursing are both NLNAC accredited.

There are several standing committees of the Division of Nursing faculty whose membership includes student representatives from the BSN and MSN programs as well as faculty. These committees usually meet once a month via phone conference and include Curriculum, Faculty Affairs, Student Affairs, Research and Evaluation, and Ad Hoc Committees. You may also consider serving as a student representative in your area.

Students are needed in each area to gather information for the program's newsletter which will be published twice a year. Graduation ceremonies, alumni gatherings, and honors and awards convocations, are ongoing activities that need student involvement. Students who are interested in volunteering should contact their student representative. Student commitment to the educational program beyond the classroom is most important to the vitality of university life. Ideas from students are most welcome. Students are encouraged to apply for membership in the Xi Theta Chapter of Sigma Theta Tau International Honor Society of Nursing. See this schedule of classes for additional information regarding membership or locate information on our home page www.csudh.nursing.edu.

STUDENT NURSING ORGANIZATION

The student Nursing Organization has a Web Site. Check it at: www.thegrid.net/nso

Included are pages on:

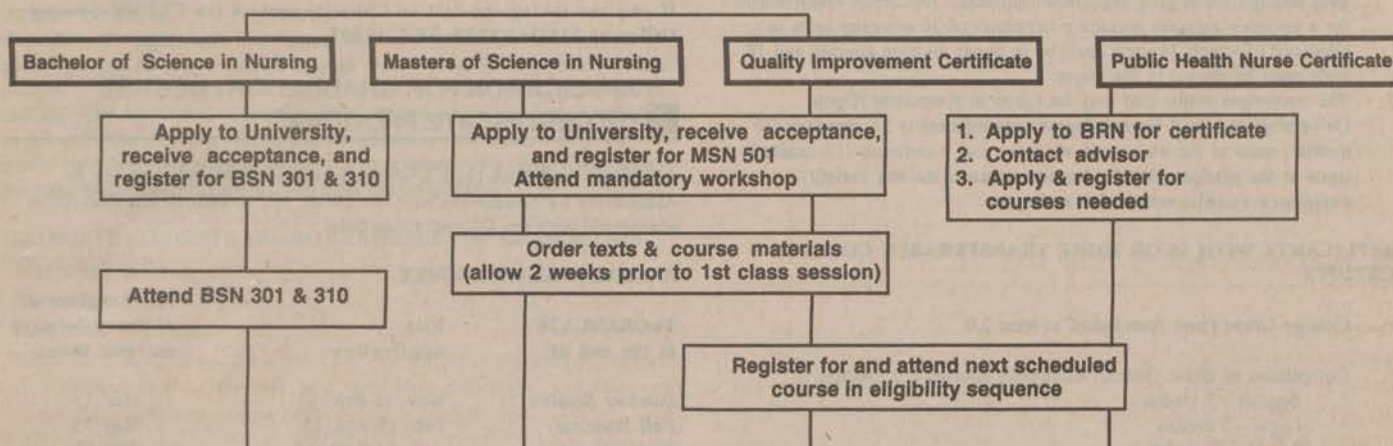

- information about the Nursing Student Organization (goals, officers, activities)
- textbook exchange (e-mail the webmaster to list a book for sale)
- new student sponsorship program
- information from your area student representative (a web page for each area)
- information on how to contribute news to the web site

DEGREE REQUIREMENTS

MINIMUM DEGREE REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN NURSING

1. Students are required to complete 124 semester units with a 2.0 GPA.
2. Completion of the General Education program (48 semester units).
3. Satisfaction of the American Institutions requirement in U.S. History, U.S. Constitution and California State and Local Government.
4. Satisfaction of Graduation Writing Assessment Requirement (GWAR) by exam or course.
5. Satisfaction of the Entry Level Mathematics (ELM) requirement or exemption and English Placement test or exemption.
6. Complete the residence requirement of 30 semester units earned through CSU Dominguez Hills while an officially admitted student. Residence units refers to those units earned at CSU Dominguez Hills while an officially admitted student in a degree program. Fees must be paid through the regular registration process. Residence requirements for a bachelor's degree include a minimum of 30 semester units in residence of which 24 units must be in upper division courses and 18 units must be earned in the major.
7. The maximum credit that may be taken in Extension (Open University) and used toward degree requirements is 24 semester (36 quarter) units at the undergraduate level and 9 semester (13 quarter) units at the graduate level. **Extension units do not satisfy residence requirements for a degree.**

APPLICANTS WITH 56 OR MORE TRANSFERABLE COLLEGE CREDITS

- College Grade Point Average of at least 2.0
- Completion of Basic General Education courses (12 credits)
 - English - 3 credits
 - Logic - 3 credits
 - Speech - 3 credits
 - Mathematics - 3 credits

MINIMUM DEGREE REQUIREMENTS FOR THE MASTERS OF SCIENCE IN NURSING

1. Completion of 33-53 semester units with a 3.0 GPA. Degree requirements include completion of a directed project, comprehensive exam, or thesis.
2. Complete the residence requirements of at least 21 semester units earned at CSU Dominguez Hills while an officially admitted nursing student. Not more than 9 semester units may be earned as transfer work.
3. Satisfaction of Graduation Writing Assessment Requirement (GWAR) with a grade of 8 or better on the Graduate Writing Exam (GWE) or a satisfactory grade ("B" or above) in an upper division English writing course. Must be completed prior to or during first semester of coursework in order to register for second semester.

GRADUATE WRITING ASSESSMENT REQUIREMENT

UNDERGRADUATES

All newly admitted and returning undergraduate students must meet the upper division Graduate Writing Examination (GWE). Every CSU campus offers the means for meeting this requirement, either through a test or coursework, or a combination of both. Check the appropriate CSU catalog for details. A testing fee will be charged. Students are encouraged to meet this requirement by some appropriate means prior to their last 2 semesters.

GRADUATES

All graduate students are required to meet the Graduate Writing Examination (GWE) at the graduate level (which may mean a higher grade on a certifying test, or a higher grade in a certifying course than is required of undergraduates). Consult the appropriate CSU catalog for particulars. This requirement must be met **PRIOR TO OR DURING THE FIRST SEMESTER OF COURSEWORK.**

IT IS THE STUDENT'S RESPONSIBILITY TO SEE THAT VERIFICATION OF PASSING EITHER THE TEST OR AN APPROVED COURSE IS FORWARDED TO ADMISSIONS BY THE END OF THE FIRST SEMESTER OF CONTINUOUS ATTENDANCE. THE UNIVERSITY ADVISEMENT CENTER WILL DETERMINE IF REQUIREMENT HAS BEEN MET.

If you are taking the test at CSUDH, contact the CSUDH Testing Office at 310/243-3909, SCC 11207.

APPLICATION FOR GRADUATION - DEGREE OR CERTIFICATE PROGRAM

All degree candidates (both Undergraduate and Graduate) must file an Application for Graduation with the Office of Admissions and Records in accordance with the following schedule:

BACCALAUREATE DEGREE

To GRADUATE at the end of:	File application:	File Program of Study form(s) no later than:
Summer Session	Nov. 15-Feb. 15	Mar. 15
Fall Semester	Feb. 15-Apr. 15	May 15
Spring Semester	Apr. 15-Sept. 15	Oct. 15

GRADUATE DEGREE

To GRADUATE at the end of:	File application:	File Program of Study form(s) no later than:
Summer Session	Feb. 15-Mar. 15	Apr. 15
Fall Semester	Mar. 15-May 15	June 15
Spring Semester	Oct. 15-Dec. 15,	Jan. 15

A final Program of Study signed by the appropriate Advisor must be filed by the deadline above, if not filed previously. Students will receive a "degree check" from the Admissions and Records Office which will indicate any remaining academic work, and grade point deficiencies which must be resolved before approval of graduation is granted. All coursework must be completed by the end of the term of anticipated graduation. If you are attending a community college and their term ends at a later date, you must apply for graduation for the following semester/term.

If you do not qualify for graduation at the end of the semester for which you applied, you must submit a Change of Graduation Date Application and fee of \$10 to the Admissions and Records Office. Failing to do so will place a hold on your registration for the next semester. You must move up the Graduation application until your degree requirements are completed. **Completion of degree requirements is the student's responsibility** and, therefore, each student must be thoroughly familiar with the procedures and information about graduation. If you have questions, please consult the Admissions and Records Office.

COMMENCEMENT

Commencement Day Schedule

Refer to website @www.csudh.edu/com

GRADUATION WITH HONORS POLICY FOR BSN STUDENTS

To graduate with honors, an undergraduate student must complete 36 units in residence and receive a minimum of 3.40 on all units taken at CSU Dominguez Hills, with the overall grade point average determined on transferable undergraduate work. The honor categories are as follows based on cumulative grade point average:

Cum Laude	3.40-3.59
Magna Cum Laude	3.60-3.79
Summa Cum Laude	3.80-4.00

Candidates for graduation with honors will be listed in the commencement program based on grades earned through the previous fall semester. Official placement in one of the honors categories will be based on all grades earned including the final term. Therefore, it is possible to be listed as a candidate in the commencement program, but not graduate with honors after all grades have been calculated. Students who graduate with honors will have the appropriate designation inscribed on their diplomas.

GRADUATE STUDENTS ARE NOT ELIGIBLE FOR GRADUATION WITH HONORS.

PROGRAM DESCRIPTION/OBJECTIVES

The undergraduate program (RN to BSN) prepares registered nurses as generalists in professional nursing practice. Graduates are equipped to function as leaders, managers and resource persons in a variety of health care settings. Higher order thinking and decision making are informed through both general and discipline specific education

Upon completion of the Bachelor of Science in Nursing Program, graduates will be prepared to:

1. Design competent, caring professional nursing care for healthy, vulnerable and/or high risk individuals or populations in a variety of community based settings;
2. Integrate knowledge from the physical and behavioral sciences and the humanities into professional nursing practice;
3. Provide for human diversity in all its aspects in designing professional nursing care;
4. Promote empowerment of individuals, populations and peers in fostering health promotion and disease prevention;
5. Synthesize knowledge from nursing theory and research findings to professional nursing practice;
6. Foster collaborative relationships with patients and with other professionals, disciplines and community organizations in promoting healthcare access and maintenance;
7. Exhibit commitment to professional growth in advancing the values and role of professional nursing; and
8. Participate in political and regulatory processes to influence healthcare systems and policy

Graduates are eligible for certification by the State of California as Public Health Nurses (PHN).

ADMISSION REQUIREMENTS

1. Minimum of 56 semester units of transferable college credit with a grade point average of at least 2.0 (C) or better in all transferable course work (non-residents, 2.4), and have satisfied any high school subject deficiency in English and mathematics by equivalent course work (the maximum transferable credit accepted from a two-year college is 70 semester units.) Effective Fall, 1998, English composition, Speech, GE Math and Logic/Critical Thinking must be completed prior to admission for new applicants.
2. Current RN licensure in the United States, or its equivalent, or an RN interim permit. (Demonstrated clinical competence, validated through work history or by a clinical examination, RN licensure, and personal professional liability insurance are required prior to enrolling in a nursing performance course.)

Diploma Nurse Applicants. Diploma R.N.s who have not met the 56 unit entrance requirement may be considered for admission.

Program Structure. The baccalaureate program comprises classes and/or examinations that include content essential for professional nursing practice. Three options are open to the student:

1. A series of classes. Classes are offered in one-and two-unit modules. The student will take course work and be graded after each course module.
2. A series of written and performance assessments which may be taken in lieu of selected courses. The student receives a study packet and takes the examination. Students who successfully pass the examination **MUST** enroll in and challenge the corresponding nursing course. See procedures under "Assessment Option".
3. A combination of classes and assessments.

HOW TO BEGIN

1. Review program materials/speak with Student Services Center.
2. Submit Admission Application, fee and a copy of your current R.N. license. (Request a CSU Application packet from the SNP Central Office at 310/243-3596 or 800/344-5484.)
3. **Request transcripts be sent directly to Admissions and Records. Also request a copy be sent directly to you.** All transcripts must be received by the admissions deadline or disenrollment from classes will result. All GE prerequisites must be completed prior to admission for new applicants unless adult admission criteria is met. Call Student Services Center if you have any questions 800/344-5484.
4. Complete a registration form for BSN 301 & 310 plus any other beginning classes after acceptance.
5. All new applications submitted after the application deadline **must** be accompanied by a registration form for BSN 301 & 310 class that semester. Students who do not register and take at least one unit in the semester they apply are required to reapply.
6. Obtain textbook and course materials for BSN 301 & 310 and other classes (See BSN book order form in this schedule.) and begin preparing for class. Review module text; complete pre-assignment before first class.
7. Attend first class meetings or log on-line.
8. You may not attend class, or log into an on-line class, until the Admissions and Records Office performs an evaluation of your documents and admits you.

BSN COURSE INFORMATION

CURRICULUM

A total of 124 semester units must be completed through instruction and/or assessment options (A minimum of 40 units in upper division courses is required.)

TRANSFER

Community College	maximum 70 units
Four Year Institution	unlimited transfer units
Nursing Major Courses	54 units
General Education and/or Electives	consult individual transcript evaluation

12 units of integrated nursing courses must be completed through the Division of Nursing.

ACADEMIC REGULATIONS

A cumulative grade point average of 2.0 or better in all courses taken to satisfy the requirements for the degree is required. A student will be placed on probation if, in any term, he or she has failed to earn a grade point average of 2.0 or higher for the work taken that term. During the subsequent probationary term the student must achieve a grade point average of 2.0 or better. Failure to do so will result in dismissal from the program.

All nursing major and nursing support courses/modules must be completed with a grade of "C" or better. A course/module may be repeated only once according to University policy.

ELECTIVE COURSES FOR MATRICULATED STUDENTS

Undergraduate and graduate students may earn elective credit. Undergraduate students taking a graduate level course may specify in writing to Admissions and Records Office at the time of registration if the credit earned is to be applied toward the BSN degree or reserved for a future graduate degree.

**See module text for instruments/materials required for theory and performance modules.

***Non sequenced; modules may be taken in any order. Not for students admitted Fall '99 and after.

Courses and modules must be successfully completed in the specified order unless they are non sequenced. Certain modules within a course may be sequenced. Any deviation from meeting the course prerequisites or sequence is subject to prior written approval of the Coordinator.

PERFORMANCE COURSES

The following courses have a clinical component designated as a performance module: 380.4 (1 unit), 410.4 (2 units), 420.4 (2 units), and 450.4 (2 units).

Performance courses occur in a clinical field setting and involve a clinical preceptor as well as the course instructor. All performance courses have TBA dates and hours in addition to those listed in the class schedule. Refer to the course module text for more specific information on preceptorship and materials needed for the cognizant performance module.

BSN 410.4 & 420.4 require 50+ hours of time in an agency. Students should anticipate this and make appropriate arrangements in their work and child care schedules.

BSN COURSE DESCRIPTION

BSN 301 TECHNOLOGY FOR THE INFORMATION AGE (1).

Prerequisite: Admission to undergraduate program. This course focuses on the impact of the information age on nursing education, research and practice. Informatics as a discipline is introduced. Access to a computer with modem, e-mail including a personal address and WWW capability is required.

BSN 310 PROFESSIONAL NURSING HORIZONS (2).

Prerequisite: Admission to undergraduate program. This two-unit course presents a systematic problem-solving approach which will help nurses assess potential roles and options, establish career goals, and identify resources which can guide them on a path toward fulfilling their own educational and professional goals.

BSN 305 HUMAN DIVERSITY AND HEALTH CARE (4).

Pre- or Corequisite: BSN 310. Uses cross cultural and family theory to explore forms of human diversity, including culture, gender, age, and family form. Analyzes how human diversity affects health/illness dynamics, and how recognition of ethnocentrism and bias can help improve health care delivery.

BSN 315 LIFE CYCLE (3).

Pre- or Corequisite: BSN 310. This three unit course explores the biological psychological, cognitive, and social aspects of human development throughout each stage of the life cycle. Each module is organized around the growth of the individual within the context of the family structure.

BSN 340 PROFESSIONAL COLLABORATION IN NURSING PRACTICE (3).

Pre- or Corequisite: BSN 301 & 310. Examines communication skills critical to the practice of nursing, incorporating theoretical principles and applications. Includes analysis of helping relationships with clients, as well as collaboration, networking, negotiation, and conflict resolution in interdisciplinary health care settings.

BSN 345 PATHOPHYSIOLOGY (4).

Pre- or Corequisite: BSN 301 & BSN 310. Explores the response of the human body to illness and injury with respect to common disorders of the major physiologic systems. Clinical correlations are provided to assist the health professional in applying this knowledge toward proposing therapeutic interventions.

BSN 380 HEALTH ASSESSMENT (4).

Prerequisite or Corequisite: BSN 301, BSN 310 & all other 300 level courses. Provides opportunity to gain basic knowledge and skills required to perform a complete nursing health assessment of pediatric, adult and geriatric patients. The performance component provides opportunity for application of knowledge and skills in the practice setting.

BSN 400 HEALTH TEACHING AND PROMOTION (3).

Pre- or Corequisite: all BSN 300 level courses. Explores the concepts of health promotion and interrelates them with the health teaching process. A variety of client situations and appropriate teaching strategies are considered. Learning needs within health care institutions are investigated and program evaluation is addressed.

BSN 405 STATISTICS (3).

Prerequisite: Fulfillment of the ELM requirement for BSN students: Includes development and application of the following topics: Descriptive and Inferential Statistics, Mathematics of Finance, Linear Programming and Graph Theory.

BSN 410 COMMUNITY-BASED NURSING I (5)

Prerequisite: All BSN 300 level courses + BSN 400, 405 recommended. This course explores the role of the home health care nurse within the context of the community. The promotion and restoration of health, prevention of disease, health teaching and the provision of nursing care to individuals and families are emphasized. A performance module is included.

BSN 420 COMMUNITY-BASED NURSING II (5)

Prerequisite: All BSN 300 level courses, 400 & 410. Recommended 405 & 460. This course explores dimensions of community health nursing from a community perspective and focuses on the "community as the client" for health promotion, disease prevention, and risk reduction. Epidemiological principles and evidence-based nursing interventions are applied. Performance component required.

BSN 430 HEALTH CARE SYSTEMS, POLICY AND FINANCE (3).

Pre or Corequisite: all BSN 300 level courses. Overview of health policy generation, regulation and implementation. Nursing is viewed as pivotal in promoting public health policy, advocating for nursing and health care reform and critically evaluating key outcomes of health care programs. Financing models are critically examined.

BSN COURSE DESCRIPTION

BSN 440 PROFESSIONAL NURSING ROLES (3)

Prerequisite: BSN 300 level courses. The foundations of professional nursing practice from historical, philosophical, ethical, political, and legal perspectives are explored. Significant issues are analyzed and strategies presented. Diverse roles and setting for nursing practice are examined. The relationship between theory, research, and nursing practice is analyzed.

BSN 450 PRINCIPLES OF LEADERSHIP AND MANAGEMENT (5)

Prerequisite: BSN 300 level courses.

This course integrates theoretical principles with role performance experiences to provide nurses with the knowledge base to be effective leaders/managers in today's healthcare environment. Comprehensive discussion of topics such as strategic planning, power, advocacy, collaboration and resources is facilitated.

BSN 460 NURSING RESEARCH UTILIZATION (3)

Pre- or Corequisite: All BSN 300 level courses, BSN 405 may be concurrent. Examines scientific clinical nursing rationale for research utilization and theory-based practice. Concepts of research methods, processes, analyze relevant nursing problems for clinical effective practice.

ELECTIVES

BSN 325 COMPLEMENTARY AND ALTERNATIVE HEALTH CARE MODALITIES (1)

Prerequisite: BSN 301 & 310. Examines the role of traditional healers in the context of culture. An overview of some Eastern and Western approaches to healing is offered. Students investigate through interviews, field trips, internet and literature searches a variety of non-conventional therapies.

BSN 335 BIOCHEMISTRY (4)

Prerequisite: BSN 301 & 310. Explores the principles underlying the chemistry of living systems and how the human organism meets vital needs. It provides an introduction to the chemistry of bioenergetics, metabolism, biosynthesis, and molecular physiology.

BSN 416 CONTINUOUS QUALITY IMPROVEMENT (CQI) IN HEALTHCARE (1)

Prerequisite: BSN 301 & 310. This course focuses on multidisciplinary perspectives of health care quality management. Case studies and discussions relating to statistical tools, approaches to operations management, organizational behavior, and CQI implementation in health care settings in introduced.

BSN 426 NURSING AND TELEHEALTH (2)

Prerequisite: BSN 301 & 310. Explores the provision of healthcare by the multidisciplinary team to geographically remote clients through the use of sophisticated multiple technologies. The role of the nurse in telehealth is examined in terms of professional preparation and practice considerations.

BSN 436 PRINCIPLES OF HEALTHCARE BUDGETING (2)

Prerequisite: BSN 301 & 310. This course explores the basics of the healthcare budgeting process. Cost concepts, forecasting and variance analysis are reviewed. Emphasis is centered on the operating budget and performance based budgeting. Rationale for costing out nursing services is discussed.

BSN 446 INTRODUCTION TO NURSING CASE MANAGEMENT (2)

Prerequisite: BSN 301 & 310. This elective course explores the origins of case management and its relation to managed care. Strategies and processes are analyzed. Opportunities to examine real problems that arise in the nursing case manager role will be provided.

BSN 456 HEALTH AND THE GLOBAL VILLAGE (1)

Prerequisite: BSN 301 & 310. This course investigates international health, focusing on developing countries and the effect of globalization on world health. The potential of telehealth is considered. Characteristics of the successful international practitioner are discussed and professional opportunities abroad are explore.

BSN 494 INDEPENDENT STUDY (1-3)

A course of study designed cooperatively by student and instructor, and approved by the Program Coordinator, to accomplish individualized learning objectives that are appropriate to the role of the professional nurse. (Students should contact advisor prior to enrolling to determine the appropriateness of this course for degree completion.)

BSN 495 SPECIAL TOPICS/COLLOQUIA (1-3)

These courses offer student groups an opportunity to explore a topic of current interest to the nursing profession with colleagues, faculty and special guest speakers.

PUBLIC HEALTH NURSE CERTIFICATE

PUBLIC HEALTH NURSE CERTIFICATE ELIGIBILITY PROGRAM

Contact: Student Services Center
800/344-5484
Internet: www.csudh.edu/soh/pub.html

Division of Nursing offers nurses with baccalaureate degrees from foreign nursing schools, non-NLN accredited nursing schools, or those with non-nursing baccalaureate degrees the opportunity to complete the requirements for the Public Health Nurse Certificate. The Board of Registered Nursing (BRN) issues the Public Health Nurse Certificate in California when specific course content has been completed. The process for obtaining the certificate differs depending on where the nurse received their bachelor's degree. Find the category below that best describes your educational preparation and follow the instructions given.

DIVISION OF NURSING, BSN GRADUATES

All BSN graduates of the Division of Nursing are automatically eligible for the Certificate. Upon graduation, the names of BSN graduates are forwarded to the BRN by the Division of Nursing.

- Contact the BRN at 916/322-1988 or write P. O. Box 944210; Sacramento, CA 94244-2100 and request a PHN Certificate application.
- Return the completed application to the BRN with the \$75 fee.

CURRENT DIVISION OF NURSING, MSN PATHWAY STUDENT

You must be a current MSN Pathway student. After completing the Pathway requirements:

- Contact Student Services Center 310/ 243-2050 and obtain a **change of objective form**.
- Complete and return this form, and a copy of your transcripts and Pathway evaluation (Graduate Student Action for Conditional Admission form) for review and evaluation.
- If all requirements have been met, your name will be forwarded to A & R for clearance and then to the BRN.
- Contact the BRN and request a PHN Certificate application.
- Complete the application and return to the BRN with a \$75 fee.

GRADUATES FROM A FOREIGN NURSING SCHOOL : DO NOT ATTEND WORKSHOP

If you are currently licensed as a registered nurse in California and have earned a BSN from a school outside the United States or from a U.S. school that was not accredited by the National League for Nursing at the time that you graduated:

- Contact the BRN at the 916/322-1988 or write P. O. Box 944210, Sacramento, CA 94244-2100, and request a PHN Certificate application.
- Complete and return the application to the BRN with the \$75 fee.

- Request transcripts be sent to the BRN from all schools you have attended.
- The BRN will evaluate your transcripts for completion of PHN Certificate content and will either issue the certificate or a letter of deficiency.
- If you receive a letter of deficiency contact **Kunnary Mok**, for a letter of process and instructions, enroll in the required courses using Open University registration form. (See table of contents).
- After completing required coursework, request that your transcripts be sent by CSUDH to the BRN & your certificate will be issued by them in 6-8 weeks.

NURSES WITH NON-NURSING BACCALAUREATE DEGREES:

If your bachelors degree is **NOT** in nursing:

- Enroll in one of the workshops listed on the following page.
- You will then receive confirmation and requirements.
- Send copies of all unofficial transcripts and course description to the PHN Coordinator **one month prior** to the workshop.
- Following the workshop and transcript evaluation, you will be eligible to apply for admission to the PHN program, and to enroll in the courses you need.
- When all requirements are met, you will be eligible to apply to the BRN for the PHN Certificate.

THE PROGRAM

The graduate program prepares professional nurses for advanced and specialized practice. The curriculum is organized around the role of the nurse in societal institutions with emphasis on the application of theory through excellence in professional practice, and the advancement of the profession through research, leadership, and scholarship for the ultimate benefit of the health care needs of society.

PROGRAM OBJECTIVES

Upon completion of the program graduates will be able to:

1. Use epidemiological, social, environmental, and physiological data to draw inferences regarding the health status of individuals, families, groups, and communities, with a special emphasis on vulnerable, high risk, and diverse populations;
2. Develop, monitor, and evaluate comprehensive, holistic plans of care that address the health promotion, disease prevention, and health deviation needs of client populations;
3. Incorporate theories and research in generating nursing interventions to promote, preserve, and restore health and healthy lifestyles in client populations;
4. Foster multidisciplinary approaches to strategies and resources which empower client populations to attain and maintain maximal functional wellness;
5. Influence regulatory, legislative, and public policy in private and public arenas to promote and preserve healthy communities; and
6. Practice in an advanced nursing leadership role to influence professional and healthcare systems.

ROLE EMPHASIS OPTIONS

The curriculum allows the student to request role emphasis as nurse educator, nurse administrator, clinical nurse specialist in parent-child nursing or gerontological nursing, or family nurse practitioner. Through a personalized Program of Study the curriculum is individualized and reflective of the student's learning needs and professional goals.

ADMISSION REQUIREMENTS

Please refer to the section on Admissions. In addition, please note the following special requirements for admission to the MSN program:

1. Completion of a baccalaureate degree from a regionally accredited institution with an upper division major in nursing (BSN) and NLN accredited nursing program or the equivalent as determined by the Student Affairs Committee.
2. Overall grade point average of 3.0 (on a four-point scale) or higher in the last 60 semester (90 quarter) units attempted, or demonstrated academic ability as required by the faculty, following the appeal process.
3. Current licensure in the United States. License must be submitted with application. Personal professional liability insurance is required prior to enrolling in a nursing performance course.
4. As indicated in the Admission Application, send an official transcript to Admissions and Records and request a copy be sent directly to you.
5. The Graduation Writing Examination (GWE) must be met prior to OR during the first semester of coursework with a score of 8 or better.

NON-NURSING BACHELOR'S DEGREES

Registered nurses who have earned a bachelor's degree in another field may be eligible for the BA/BS Pathway to the MSN degree. (See this schedule for information on the MSN Pathway.) All potential Pathway students must attend a special MSN Pathway Program Workshop.

FEDERAL TRAINEESHIPS

A Professional Nurse Traineeship grant may be awarded by the **Department of Health and Human Services, Public Health Service**. The grant monies when awarded are designated for registration fees and other expenses for selected students who are pursuing graduate level coursework in nursing as Nurse Educators, CNSs, or FNPs, and meet the eligibility criteria

MS NURSING INFORMATION

established by the USDHHS, PHS and CSUDH/Graduate Nursing Department. Nurse Administrator students are not eligible under Federal guidelines. Please call 310/243-3426 for current information regarding eligibility and application procedures.

PROGRAM STRUCTURE

All Students complete 17 units of core courses before beginning role emphasis courses.

Students may request role emphasis preparation as: **Nurse educator with advanced clinical focus, nurse administrator, parent-child clinical nurse specialist, gerontology clinical nurse specialist, family nurse practitioner.**

Within the role emphasis option subspecialization may occur. The student focuses on a specific nursing practice area. For example, quality improvement, the depressed elderly, parenting, or client education/teaching.

HOW TO BEGIN

1. Review program materials and attend an information session.
2. Submit admission application and fee. Request a CSU admission application packet by calling 310/243-3596 or application is online at <http://www.csudh.edu>.
3. Request transcripts (As indicated in the Admission Application, have official transcripts sent directly to Admissions and Records. Request a copy sent directly to you.) All documents must be in by the deadlines stated in this schedule.
4. Submit copy of R.N. license with application.
5. Register for Nursing Informatics and attend Mandatory Workshop. Order texts and course materials from Textbook Connection.
6. With your first registration, add \$5.00 to your total fee. The \$5.00 is a ONE TIME fee to cover costs and handling of your ID/library card.
7. You will be notified formally of your admission status.
8. You must take at least one unit in the term for which you applied.

CURRICULUM*

The program consists of 33-53 semester units of approved graduate study. The curriculum consists of core courses, role option, role performance courses, and a directed project, or thesis, or comprehensive exam. Elective units round out the graduate program requirements. Up to nine approved units may be accepted for transfer credit. All role performance courses have dates and hours in addition to those listed in this class schedule. A revised MSN curriculum was implemented in July, 1998 following University Curriculum Committee approval.

- All prerequisites, MSN coursework, and Directed Project, or Thesis, or Comprehensive Examination can be completed within the 5 year time period designated by CSUDH depending on personal preferences for class sites and dates, and the number of units carried each semester.
- Grade averages are calculated each semester by University Admissions and Records. To maintain acceptable standing in the MSN program a "B" average is required.
- **All core courses are non-sequenced except for Informatics which must be taken prior to or concurrent with first core course.**
- Any deviation in course/module sequence requires prior written approval by the Graduate Coordinator and Department Chair.
- All coursework, including electives, are to be completed prior to MSN 599, Directed Project, Thesis or Comprehensive Exam.

Core Courses (17-20 units)

- MSN 501. Nursing Informatics (1)
- MSN 504. Advanced Nursing Roles (2)
- MSN 510. Theories for Advanced Nursing Roles (3)

Students who have not completed their MSN 599 Directed Project or thesis module by the end of the term may enroll in the following term in the Project Continuation Course.

MSN PATHWAY

MSN PATHWAY FOR RNs WITH A NON-NURSING BACCALAUREATE

Pathway students receive advisement directly from the Program Coordinator.

The Division of Nursing Program offers a pathway to facilitate a master's degree in nursing for those nurses who presently hold a bachelor's degree in another discipline.

Graduate study in nursing builds on a foundation of undergraduate professional nursing knowledge. Following an analysis of your previous coursework, a Program of Study will be recommended which includes undergraduate nursing and related coursework or assessments to prepare you for MSN coursework. If you meet the usual University requirements for graduate study and concur with the recommended Program of Study, you will be admitted to the graduate program on a conditional basis. Once the undergraduate course content requirements are successfully met, the conditional status is removed and you may proceed with completing the graduate curriculum. See MSN degree section for more details on graduate curriculum enrollment and completion requirements.

HOW TO BEGIN

1. Obtain copies of all your transcripts.
2. Make copies of your transcripts and send to advisor at least two weeks prior to Pathway Workshop.
3. Obtain course descriptions for content areas not clearly defined by course title.
4. Assemble copies of continuing education certificates of completion and any other practice credentials.
5. Attend a MSN Advisement Session for Pathway students (register at least 2 weeks prior using form below. You will **not** receive any confirmation of this registration).
6. Confer with advisor regarding Program of Study and process for application to the University and units to be taken within your first semester.

QUALITY IMPROVEMENT CERTIFICATE

QUALITY IMPROVEMENT (QI) CERTIFICATE PROGRAM

For Advisement Contact:

Division of Nursing
JoAnn Wegmann, R.N., Ph.D., Professor
CSU Dominguez Hills
1000 E. Victoria Street
Carson, CA 90747
800/344-5484

The Division of Nursing offers a certificate program in quality improvement for BSN prepared nurses who want to develop graduate level knowledge and skill in implementing an institutional quality improvement program. Included in this course of study is utilization review, assessment and measurement of the level of care provided to clients and the utilization of resources. The certificate program is administered by the Chair, Department of Graduate Nursing Science. To be eligible for this certificate program, applicants must hold a current R.N. license and hold a BSN degree from an accredited US Institution. (Graduates of foreign institutions will need to have their transcripts evaluated by an international evaluation service). More information will be sent regarding this process upon receipt of the application. In addition, students must have an overall grade point average of 3.0 (on a four-point scale) or higher in the last 60 semester (90 quarter) units attempted, or demonstrated academic ability as required by the Nursing faculty, following the appeal process. As indicated in the Admission Application, official transcripts should be sent directly to the Admissions and Records Office. Also request a copy be sent directly to you and to your advisor.

Students who are admitted in the MSN degree program and want to add the Quality Improvement (QI) certificate program must file a revised Program of Study form with the Admissions and Records Office.

Applicant must take Nursing Informatics as the first required course. Certain courses for the Quality Improvement (QI) Certificate require the successful completion of prerequisites not offered as part of the graduate program. These are:

- upper division statistics course (inferential and descriptive) or equivalent
- Introductory research course or equivalent

Courses required by the certificate program may be met by coursework or by substitution approved by the Chair, or by Graduate Coordinator, with timely graduate level transferable course from other collegiate programs. Please note: if you eventually want to earn a MSN degree, any courses taken to meet certificate requirements may apply to the degree, but may not be more than 5 years old at the time of degree completion. The certificate program can be completed in 15 months or less, depending on your personal preference and availability of courses. Courses and modules must be completed in the approved sequence with a grade of C or better and an overall B average for the certificate program.

A certificate completion check must be done by the Admissions and Records Office one term prior to the term you plan to complete the QI certificate program. The certificate application form may be requested from Admissions and Records.

MSN 555 Quality Improvement in Health Care

Prerequisite: MSN 501. This course explores the evolution of quality initiatives in health care. The major elements of a quality assessment and improvement program and their relationship to organizational performance are explored. Outcomes assessment and management in health care are explored as unique to the health care setting. (See MSN course descriptions for 501, 530, 522, 590 & 591)

QI Certificate Program (14 units)

Courses and modules must be successfully completed in the sequence indicated. Any deviation in course/module requires written approval by the Chair or MSN Coordinator.

REGISTRATION ELIGIBILITY

Continuing Students

You are considered a continuing student if you:

1. attended CSUDH as a matriculated student in Fall 1999 or Spring 2000, *and*
2. have not attended another academic institution since attending CSUDH, *and*
3. have not applied to graduate from CSUDH Fall 1999 or Spring and Summer 2000.

If you are a continuing student and have not received a Registration Access Mailer or a letter regarding ineligibility one week before Touchtone Registration begins, please call the Registration Office, 310/243-3608.

TOUCHTONE REGISTRATION INFORMATION

New or Returning Students

You are a new student if you have not attended CSUDH before. You are a returning student if you:

1. have not enrolled for more than one semester
2. attended another academic institution since last attending CSUDH, or
3. graduated from CSUDH and choose to begin post-graduate studies.

Returning students must reapply for admission. Failure to pay registration fees or submit required admission documents will result in cancellation of your application and you will be required to reapply for a subsequent term.

Returning from an Approved Planned Educational Leave

Deadline to submit an application to return from a Planned Leave—first day of the academic term in which you plan to return. You must submit a completed CSU Application (no application fee required) to the Office of Admissions and Records as official notification of your intent to return from an approved Planned Educational Leave. To be eligible for Touchtone Registration, your application to return must be submitted and processed prior to Touchtone Registration. If you have taken courses at another institution during your leave, you must also provide official transcripts. Please refer to the Planned Educational Leave of Absence section for additional information, and contact the Registration Unit if you have further questions, 310/243-3608.

Concurrent or Visitor Enrollment

Students from other CSU campuses wishing to enroll concurrently or as a visitor at CSUDH should consult their home campus class schedule for eligibility and procedures. Contact the Office of Admissions and Records at host campus for deadlines.

Open University

Students should consult the Open University section in this *Class Schedule*, complete the form and mail with payment to the Undergraduate Chair at the address noted on the form. This option is for non-matriculated students only, i.e., you may not enroll concurrently in Nursing and/or regular campus courses and in Open University courses.

TOUCHTONE REGISTRATION PROCEDURES

Each student eligible to register will receive a Registration Access Mailer or an admission letter from the Admissions and Records Office, which will provide important registration information:

- Registration appointment date and time
- Personal Identification Number (PIN)
- Student Identification Number (SID)
- Major
- Holds preventing registration, if any

It is very important to review all the information printed and to clear all holds as soon as possible; do not wait until your registration appointment date and time.

Appointment Date and Time

You will not be able to access the Touchtone Registration System (T.O.R.O.S.) before the date and time printed on your Registration Access Mailer or admission letter. Appointment dates and times are determined by class level and number of units completed. Note that units in progress at CSUDH are not included and courses taken at another institution may not be included in the calculation of units completed.

It is important to register during the touchtone registration period at, or very soon after, your priority appointment time for the best selection of classes. Mailed requests to register or add will be accepted but not processed until your appointment date; however, registration and schedule adjustment via T.O.R.O.S. is quicker, more convenient and will provide you with the best course selection. If you are not able to register on your priority registration appointment day, you may register at any time after your appointment time through the end of the registration period, but you will be competing for classes with students with lower priority access. It is in your best interest to register as early as possible to secure a seat in your preferred classes!

Personal Identification Number (PIN)

Each student is assigned a 6-digit personal identification number. This PIN is used to access any of the touchtone applications (registration, billing, application status, financial aid status and grade reporting). You are urged to change your PIN for security reasons and to keep your PIN in a safe place. You can change your PIN via T.O.R.O.S. by making the appropriate selection at the opening menu; the recorded voice will guide you.

Student Identification Number (SID)

The 9-digit SID on your Registration Access Mailer or admission letter should match your social security number. If the number is incorrect, use the assigned number and then mail a request for a change of SID to the Admissions and Records Office after you have completed your registration. Include a copy of your social security card.

Holds

Holds must be cleared prior to registration. Clear holds immediately upon notification; do not wait until your registration appointment time. Refer to the appropriate department to release holds:

Hold Type:	Contact:	Telephone Number:
Admissions	Admissions	310/243-3645

 3. Press 1 for Registration Information.
 4. Press 1 to register, add or drop classes.
 5. Enter your 9 digit Student ID Number (social security number).
 6. Enter your 6 digit Personal Identification Number (PIN).
 7. Press 1 to register or adjust your schedule, or press 2 to review your schedule.
 8. Options if you entered 1 in step 7:
Press 1 to Register or Add.
Press 2 to Drop.
Press 3 to make your Course Entries Permanent (required for all registrations, adds, drops and waitlisting).
Press 4 to Check Course Availability.
Press 5 to Review Your schedule.
 9. Enter 5 digit course request numbers (CRN) from your list of classes. If course is full: Press 1 to Check for Open Sections, Press 2 to Waitlist.
 10. When you have entered all course numbers, press the ★ key followed by the # key to return to step 8. Then, select option 3 to make your entries permanent (confirm). Do not hang up without completing this step. Failure to complete this step will result in losing all your course entries. Stay on the line until you have heard that all course requests have been made permanent (registered or waitlisted).
- Press 9 to return to the main menu and to access your account balance.
 - To end this call at any time, press the ★ key followed by the # key.
 - To return to the selections you heard at the beginning of the call, press the ★ key followed by the 6 key.
 - To have a prompt or selection repeated, press the ★ key followed by the 7 key.
 - For menu help, press the ★ key, followed by the 4 key at any time.
 - You may now pay registration fees by credit card via Touchtone after you have registered for classes. See instructions in this schedule of classes.

TOUCHTONE WAITLIST INSTRUCTIONS

- Follow steps 1-7
 - At step 8, press 1 to Register or Add.
 - Follow step 9
- If the course is full, you will hear:
- example: "BSN 305.1, section 74, course request number 12345 is closed. To check for open sections of this course, press 1. A waiting list is open for this course; there are currently ___ people on the waitlist. If you would like to be put on the waitlist, press 2, otherwise press 3".
- Press 1 to check for open sections of the course and register for an alternate section, if possible, to maximize your enrolled units. If you decide to register for an alternate section, follow steps 9 and 10.
 - If there are no available alternate sections or if you choose not to register for one, press the ★ key followed by the # key to go back to the previous menu. You are now back at step 8.

To waitlist your first choice section:

- Repeat steps 8 and 9.
- You will hear:

example: "When you make your entries permanent, you will be waitlisted for BSN 325.1, section 74, course request number 12345."
- Complete your registration and follow step 10. *Failure to make your entries permanent will result in not being on the waitlist.*

CREDIT CARD PAYMENT INSTRUCTIONS

If you have completed registration you may call T.O.R.O.S. at 310/516-4493 to access billing information.

1. Press 1 for Account Balance.

Select the term for which you would like billing information.
Enter your nine digit Student ID Number (social security number).
Enter you six digit Personal Identification Number (PIN).

2. Press 1 to review your balance. (See NOTE below).

3. Press 2 to pay by credit card.

Select the type of credit card you will use to pay.
Press 1 for Visa
Press 2 for MasterCard
Press 3 for Discover

4. Enter your credit card number.

Press 1 if the number repeated is correct.
Press 2 if the number is incorrect and re-enter the credit card number.

5. Enter you credit card Expiration Date.

Press 1 if the expiration date repeated is correct.
Press 2 if the expiration date is incorrect and re-enter the expiration date.

6. Select the amount you wish to pay.

Press 1 to pay the full amount you currently owe.
Press 2 if you choose to pay your registration fees using the CSUDH Installment Payment Plan. (See instructions below). Enter the amount you wish to pay using the star (*) key as a decimal point.
Press 1 if the amount entered is repeated correctly.
Press 2 to enter a different amount.

The system will place you on hold while your credit card is authorized. The system will inform you that your credit card has been accepted and will instruct you to hold while your payment is applied to your account. If your credit card is denied, you may start over with a different credit card. (Note: You will need to contact your credit card issuer if you wish to find out why your card has been denied.)

When the payment is applied to your account, the system will indicate the remaining amount due for the account, if any.

Press 9 to exit to the main menu.

Paying by CSUDH Installment Payment Plan

If you choose to pay in installments, your first installment payment requires a signed copy of the Installment Payment Agreement and Application Form (see table of contents). You must bring this form in person, by mail or by fax 310/516-4432, to the Cashier's Office by the first payment deadline date.

You may include payment of any prior balances with your credit card payment; however, you must pay the minimum installment amount due according to your student level, the date you register, and the number of units registered. If you pay less than the minimum, you may be dropped for non-payment. Please refer to table of contents of this schedule for information on the first installment payments.

NOTES: Your balance may not include all financial aid that may have been awarded to you. For further information regarding your financial aid, please call 310/243-3647.

For additional assistance, call 310/243-3803:
Monday - Friday-8 a.m.-5 p.m.

TOUCHTONE REGISTRATION (T.O.R.O.S.) CHECKLIST

- Read your Registration Access Mailer carefully:
 - Check your appointment date and time.
 - Clear any holds preventing registration.
- Read the information and instructions in this Class Schedule.
- Read the "Course Listing" section.
- Prepare a list of courses (include CRN).
- Prepare a list of alternate sections in case your first choice classes are not available.
- Call 310/243-2REG or 310/516-4538 from any touchtone telephone.
- Change your PIN (for security reasons).
- Make your course entries permanent before exiting the system. Failure to do so will result in cancellation of your course requests.
- Call back to add, drop or review your schedule at any time after your registration appointment through the touchtone registration period.
- Check your account balance to confirm your payment has been received and credited to your account. **Students who do not pay fees by the published deadline will be dropped from their classes soon after.** Review your schedule periodically during the Registration and Late Registration periods to confirm your enrollment.
- If you are unable to register for classes because they are already full, call back periodically to check for newly opened seats as other students drop or are dropped for non-payment of fees.

NOTE:

After the third invalid entry or if there are system problems, you will be transferred to an operator for help. For additional assistance during the touchtone registration period, call the Registration helpline - 310/243-3608:

Monday-Thursday 8 a.m.-6 p.m.
Friday 8 a.m.-12 p.m.

TOUCHTONE REGISTRATION INFORMATION

TOUCHTONE REGISTRATION (T.O.R.O.S.) INFORMATION

Making Your Entries Permanent

It is very important to make your entries permanent before exiting T.O.R.O.S. Failure to do so will result in losing all your course requests. Refer to instructions.

Course Request Numbers (CRN)

Each course section has a unique 5-digit CRN, the number entered on your touchtone telephone key pad when selecting classes. The CRNs for telecourses are listed in the Telecourse section.

Enrollment Limit

A student may register/waitlist in a maximum of 18 units during Touchtone Registration. Students wishing to register for more than 18 units must wait until the Late Registration, Add/Drop period. The Program Coordinator's signature of approval is required to register for 19-21 units, and the signatures of the Program Coordinator and the Dean, School of Health are required to register for more than 21 units.

Full Classes/Waitlisting

If you attempt to register for a class that is already full, you will be given the option to place your name on a Waitlist. *If you choose to place your name on the Waitlist, remember that this does not mean you are enrolled in the class.* You must submit a Registration/Add Form signed by the Program Coordinator by the Add/Drop deadline in order to be officially enrolled in the class and obtain a grade. Please contact the Student Services Center at 800/344-5484 for referral to appropriate Program Coordinator.

Check Course Availability

If you find that a desired course is full or canceled, you will be given the option to check for open sections of the same course. However, it is always best to have alternates ready before you attempt to register.

Time Conflicts

T.O.R.O.S. checks for time conflicts and will not allow registration in classes meeting at the same time. Contact the Registration Helpline at 310/243-3608 for procedures to add courses with time conflicts.

Schedule Adjustment and Schedule Review

You may call back at any time through the end of the Registration period to change or review your schedule and account balance. If you choose to exchange one class for another, add the new class before dropping the other class (unless you have reached the maximum enrollment limit). If you wish to drop a class without adding another—do not delay—as a courtesy to another student trying to add the class.

TROUBLE SHOOTING

▶ Missed Your Priority Appointment Time?

You can register at any time after your appointment time through the end of the touchtone registration period.

▶ Can't access Touchtone Registration (T.O.R.O.S.)

Check that you are dialing the correct number. Are you using a true touchtone telephone? Not all push-button telephones are touchtone and some programmable telephones using the # or * keys cause access problems. Try another telephone. Check dates and hours of operation. If the system is not available during scheduled hours, try again later.

▶ Busy signal?

All lines are busy—try again later.

▶ Phone rings but no reply?

If there is no answer after the fourth ring, hang up and call back. If the problem persists, check hours of operation and make sure you are dialing the correct number.

▶ Made a mistake?

Don't hang up—wait for the recorded voice to prompt you.

▶ Not able to register for a specific course?

The course may:

- be full. Press 1 to check for open sections of the course or press 2 to waitlist.
- be a duplicate section of a course in which you are already registered.
- have a time conflict with another course in which you are already registered.
- not have a CRN printed. Contact your Assistant Chair.

▶ Lost your entries?

You must make your entries permanent before hanging up; failure to do so will result in losing all your course entries.

▶ Still need assistance?

Call the Registration Helpline 310/243-3608, during the following business hours:

Monday-Thursday 8 a.m.-6 p.m.

Friday 8 a.m.-12 p.m.

TOUCHTONE REGISTRATION INFORMATION

TOUCHTONE REGISTRATION WAITLIST INFORMATION

When you attempt to register for a class that is already full, you will be given the options of checking availability of another section of the same class or placing your name on a waitlist for the full section. It is **very important** that you read the following information and instructions before attempting to place yourself on a waitlist.

Automated Waitlist Information (April 24-August 22)

Careful planning and selection of classes are very important as the same restrictions apply to placing yourself on a waitlist as to attempting to register for classes. To maximize the number of units enrolled, you are strongly encouraged to check alternate section availability before placing yourself on a waitlist.

If the waitlist for a full class is already closed, contact the Student Services Center at 800/344-5484 for information on alternate sections.

This is how waitlisting works:

- you may not waitlist a section which has a time conflict with a registered or waitlisted section
- you may not waitlist a section if you are already registered or waitlisted for another section of the same class
- you may not waitlist a section if it is restricted to a major, class (e.g., seniors) or level (e.g., graduate) other than your own
- you may not register or waitlist more than 18 units of registered and/or waitlisted classes
- you must make your entries permanent (confirm) before exiting T.O.R.O.S. to secure your place in classes and on waitlists
- review your schedule periodically to verify your status
- if you wish to waitlist a regular campus CSUDH lecture/lab class or any class with a required co-requisite, e.g., THE 120/THE 120A or TED 305S/TED 405, you must waitlist both co-requisite sections or classes; failure to do so will result in not being on the waitlist for either co-requisite section

If you choose to waitlist a full class, you will be informed of your position on the waitlist by T.O.R.O.S. and the waitlisted classes will be listed after any registered classes when you make your entries permanent (confirm). You may drop yourself from a waitlist at any time during T.O.R.O.S. hours of operation. Remember that if you drop only one section of a co-requisite pair that T.O.R.O.S. will drop you from the other co-requisite section.

Once there are students on the waitlist for a full class, *no more registrations will be accepted*. This will allow the University to give priority to waitlisted students over students who happen to call in when a seat has become available. The University will move students from waitlisted to registered status as seats become available and will mail written notification to students of the change in their schedules. *Once your status in a class has been changed from waitlisted to enrolled, it is your responsibility to drop the class (as with any other class) if you decide not to attend; failure to do so will result in a "U" grade on your record which will lower your grade point average*

Note: At the beginning of the semester, the Department Chair and Program Coordinators will be provided with names of all students who placed themselves on the waitlist for full classes but who could not be officially registered because seats did not become available. It is your responsibility to attend the first class meeting to confirm that you are still interested in being added to the class, to obtain the Program Coordinator's signature of approval on a Registration/Add form, and to submit the form to the Registration Office before the last class meeting date. It is possible that the Program Coordinator may add you to a class from the waitlist once the semester has started; if so, you will receive notification from the Division of Nursing. It is your responsibility to drop any classes you do not plan to attend. Students who remain on a waitlist but do not officially enroll will not get credit for the class.

LATE REGISTRATION/ADD PROCEDURES

August 28-October 6, 2000. Payment required with Registration/Add form.

Use the Registration/Add form in this Class Schedule to register or add classes. Make copies as necessary.

It is your responsibility to ensure that your completed Registration/Add form is received before the first class meeting dates and by October 6, 2000.

1. Complete the Registration/Add form. Include the correct course request number, course and section number and course start date for each course/module you wish to take either by course work or by challenge/assessment.
2. A Late Registration fee of \$25.00 is assessed for all students registering after August 22, 2000.
3. Registration forms without payment will be returned unprocessed.
4. Checks will be deposited from late registrants who submit registration forms before being admitted to the University. You cannot be registered until you are officially admitted to the University.

Calculate fee payment and attach check or complete credit card payment authorization. Checks should be made payable to CSUDH.

If, on receipt of your mailed or faxed registration request, a course is already full and a waitlist exists, you will be notified, in writing, by the Admissions and Records Office that you have been placed on the waitlist.

If your fees are to be paid by a third party who prefers to send payment directly to the University, a purchase order must be completed by the third party, payable to the University. The purchase order must accompany the Registration/Add form and must include the name and social security number of the student for whom payment is made. Both documents are to be submitted to the Admissions and Records office.

LATE REGISTRATION AND PAYMENT INFORMATION

Late Adds

For students who were unable to add a course via Touchtone Registration, late adds must be requested on or before first class meeting or by October 6, whichever occurs first. Please mail your Registration/Add form to Admissions and Records. If you fax your form to Admissions and Records, please call the Registration Helpline at 310/243-3608 to confirm receipt of your form and to ensure legibility. Adds that increase your fees must be accompanied by payment information, or, you may pay by Credit Card via T.O.R.O.S. at 310/516-4493.

WITHDRAWAL/DROP/REFUND PROCEDURES

Classes may be dropped through August 22, 2000 via T.O.R.O.S. After August 22, complete the Withdrawal/Drop/Refund form and mail or fax to Admissions and Records at 310/516-4573. Please call the Registration Helpline, during service hours at 310/516-3608 to obtain confirmation of receipt of your form, and to ensure the form is legible.

Refunds

- All refunds are made in accordance with Title V of the California Administrative code.
- Not all fees are refundable.
- \$10.00 is retained by the University to cover processing and the non-refundable portion of the State University fee.
- Refunds are issued in the form of a check, regardless of the method used to pay fees.
- Students whose unit load drops from 6.1 or more units to 6.0 or fewer units may be eligible for a refund of the difference between the higher and the lower fee.

Withdrawals/Drops/Refunds

1. Classes may be dropped, with a refund of fees, if eligible, without approval, if the drop request is received before or on the first class meeting date.
2. Classes may only be dropped after the first class meeting under the following circumstances:
 - with serious and compelling reasons, **and**
 - with the Program Coordinator's approval, **and**
 - prior to December 7, **and**
 - *if the class has not already ended*

No refund will be issued. A "W" grade will be assigned.
3. No drops/withdrawals possible after December 7.

Date*	Refund, if eligible?	Record on transcript?
Received on or before first class meeting date and by October 6, 2000	Yes	No
Received on or before first class meeting date and after October 6, 2000	No	No
Received after first class meeting date and before December 7, 2000	No	"W" grade

*No class may be dropped after the course has ended or after December 7, 2000.

FEE REQUIREMENTS

All students pay registration fees. Students auditing classes pay the same fees as students registered for credit. Nonresident tuition may also be assessed. All fees are subject to change based upon further action by the Board of Trustees of the California State University and the California Legislature. If fees are not paid by the due date, a financial hold will be placed and grade mailers may be held.

PAYMENT DUE

Monday, July 17, 2000

For all students registered April 24 to July 1, 2000.

Friday, September 8, 2000

For all student registered July 3 to August 22, 2000.

Bills and schedule confirmations will be mailed to all students to the address on record but *it is the student's responsibility to pay registration fees even if you do not receive a bill.* You may check your schedule and account balance by calling T.O.R.O.S. and refer to the Fee Schedule section in this *Class Schedule* anytime after you register.

If you do not register by August 22, you must follow the procedures for Late Registration.

NON PAYMENT OF FEES

Students who register April 24 through July 1, 2000, and do not pay by July 17, 2000 will be dropped from all classes and must register again via T.O.R.O.S. through August 22, 2000.

Students who register July 3 through August 22 and do not pay by September 8, 2000 will be dropped and must register via mail or fax through Late Registration.

Students who register after August 22 must include fee payment with their registration form, including the \$25.00 Late Registration fee. Please refer to the Late Registration Instructions for further information.

All fees are due by the published payment deadlines, even if you do not receive a bill. Students who do not pay their bills on time will be subject to:

- a financial hold placed on student record;
- administrative drop from all courses in the semester involved;
- inability to conduct any University transactions such as adding, dropping, requesting transcripts, registering for a subsequent semester;
- submission of your name to the Franchise Tax Board; a tax-offset will be pursued for any amount owed.

REGISTRATION PAYMENT INFORMATION

METHODS OF PAYMENT

Fees can be paid by cash, check, money order, or credit card (Visa, MasterCard or Discover is accepted for fees). Checks or money orders must be payable to CSU Dominguez Hills (CSUDH).

An Installment Payment Plan is available for the State University Fee. A description of the plan is presented in the Installment Payment Plan section of this schedule.

Forms for credit card payments and for the Installment Payment Plan are included in this schedule. These forms are also available at the Cashier's Office (SCC B-135) and are included with your student billing statement (Touchtone registration only).

APPLICATION FEE (\$55.00 NON-REFUNDABLE) MUST BE PAID WITH A SEPARATE CHECK.

FALL 2000 DIVISION OF NURSING STATE UNIVERSITY FEE INSTALLMENT PAYMENT AGREEMENT AND APPLICATION FORM

If I elect to apply for the Installment Payment Plan, I acknowledge and agree to all the terms listed below. To apply, I must sign and complete this Installment Payment Agreement or one provided in the account statement/billing packet that is mailed to me. I can also apply in person at SCC B-135 the University Cashier's Office.

- I am not eligible for this installment payment plan if I have an outstanding debt owed to the University.
- I will pay the installment payments set forth in this agreement on or before the due dates. I will remit my payment to the University Cashier's Office, SCC B-135.
- A bill for each individual payment will be mailed to me. **If for some reason I do not receive a bill for a payment due, I acknowledge that I must still make payments as scheduled below.**
- If I fail to pay the second, third or fourth (if applicable) installment by the due date, I will be charged a \$20.00 late fee for each late installment payment and I understand that I must make my payment with cash, money order or cashier check. In addition, I understand that I will have a Financial Hold placed on my records. A Financial Hold means that there will be no release of transcripts, grades, or graduation diplomas, and prevents enrollment for future terms. Any other remedies available to the University or its assignees may also be pursued.
- If I fail to make any installment by the due date, I may be prevented from using the Installment Payment Plan in future semesters.
- The same **REFUND POLICY** in the Class Schedule applies to this Installment Agreement.
- I understand and acknowledge that I may owe additional State University Fees as a result of adding classes after signing this Installment Payment Agreement. I must pay these additional fees in full when they are billed, in addition to the installment payment then due.
- I understand and acknowledge that I am responsible for full payment of all fees due under this Installment Payment Agreement unless I withdraw from all of my classes prior to the deadline for application for refund of registration fees.
- I understand that I must pay a \$33 non-refundable service charge in order to pay my Fall 2000 registration fees using the installment payment plan, and that my first scheduled payment includes this additional charge.

Your first payment must accompany this form.

Please retain a copy for reference. Once accepted, a copy of this agreement will be returned to you with your receipt.

I, the undersigned student (and co-signer, if applicable), wish to participate in the CSUDH Installment Agreement Plan for State University Fee for the Fall 2000 semester. I acknowledge and agree to all terms listed above.

GENERAL EDUCATION (G.E.) REQUIREMENTS

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION (G.E.) REQUIREMENTS

Each candidate for a baccalaureate degree must complete general education coursework as prescribed by the Board of Trustees in Title 5 of the Administrative Code. The program consists of 48 semester units of course approved for this purpose, including nine semester units taken during the junior and senior years and approved as upper division G.E. courses. At least nine of the required 48 units must be completed in residence.

Since the Division of Nursing offers primarily upper division and graduate courses, most general education work will be completed prior to enrollment in the program or by referral to another institution after matriculation. A student may satisfy the General Education requirements in any one or a combination of the following ways:

Prior to matriculation:

- Completion of courses or examinations that are approved as meeting particular requirements by CSU campuses, California community colleges, or other participating campuses.
- Completion of courses at other institutions determined to meet particular requirements.

After matriculation:

- Completion of approved courses taken at a regionally accredited college or university (students should consult with their advisor for information on the course substitution process prior to enrolling in any course which is intended to satisfy a General Education requirement.)
- Completion of designated courses or examinations approved for General Education purposes (contact local advisor for courses.)

REQUIRED PATTERN OF STATUTORY COURSES

A. Communication in English (9 semester units)

1. Oral communication - an introductory course in speech.
2. Written communication - a standard course in freshman composition.
3. Critical thinking - a course in logic, argumentation, or critical thinking.

B. Science and Mathematics (12 semester units)

1. A general introductory course in astronomy, chemistry, geology, physical science, or physics.*
2. A general introductory course in biology, botany, or zoology.* At least one course in either category 1 or 2 must include a laboratory; however, it is recommended that two laboratory courses be taken.
3. A mathematics, or other quantitative course equivalent to advanced algebra (higher level than intermediate algebra). This course should have a prerequisite of at least two years of college preparatory mathematics. The ELM requirement must be met or exemption attained.

C. Humanities (12 semester units)

Choose courses from two or more of the following areas: art, drama, language, literature, music, and philosophy. No more than six semester units may be activity or performance courses.

D. Social and Behavioral Sciences (12 semester units)

Choose courses from two or more of the following areas: anthropology, economics, geography, history, political science, psychology, and sociology. Certain courses which meet these requirements may also be applied to the requirements described in statutory requirements.

E. Whole Person (3 units) (Lifelong Understanding).

F. Upper division

May be satisfied with BSN prerequisites.

G. Cultural Pluralism (Course covers non Western civilization)

A course dealing with ethnic or other minorities in America is highly recommended.

Statutory Requirements

Requirement in U.S. History, U. S. Constitution and California State and Local Government. (National BSN students need to consult their advisor regarding their state's courses.) Title 5, California Administrative Code, Section 40404, requires that each student demonstrate competency in these areas to qualify for graduation. Students who have not met these requirements at the time of admission may do so by completing appropriate courses or by passing comprehensive examinations prepared and administered by most CSU campuses. Courses used to meet this requirement may also be applied to the requirements in section D.

Students who began undergraduate study in September, 1981 or thereafter are responsible for meeting these requirements. Students enrolling for an additional bachelor's degree must meet any difference between these and any previous requirements that may have been completed.

The initial general education evaluation cost will be included in the admission application fee of \$55. For additional transcript evaluation updates, a fee of \$5 will be charged per transcript revision.

G.E. COURSES AVAILABLE THROUGH THE DIVISION OF NURSING

The following support courses are also approved for meeting General Education requirements as indicated.

Course	Title	G.E. Category	Semester Units
*BSN 305	Human Diversity and Health Care	D	1-4
*BSN 315	Life Cycle	E	1-4
*BSN 335***	Biochemistry	B	1-4
*BSN 345***	Pathophysiology	B	1-4
*BSN 405**	Statistics	B	1-3

*Upper Division

**Students admitted to nursing major Fall 1988 and thereafter and students admitted prior to Fall 1988 who did not complete the statistics requirement before Fall '89 must meet the ELM requirements as described on the next page prior to enrolling in this course. Your transcript evaluation indicates if you have already met this requirement.

***These courses do not have a laboratory. Students who take these courses for General Education credit must prove that they have a General Education science laboratory course or exemption.

OFF CAMPUS OPPORTUNITIES—COASTLINE COLLEGE

TO MEET THE ELM REQUIREMENT

Math 100/Fundamentals of Math is offered by Coastline College and is recognized by the CSU as a GE Math course. Upon successful completion, a student will have met the ELM requirement.

This course is offered as a Telecourse—video lessons are broadcast on TV locally and offered through R.E.A.P. (Remote Educational Access Program) for students who live a considerable distance from the college. Telecourses are broadcast one-to-two times a week (check Coastline's class schedule). For students who live a considerable distance from Coastline and cannot come to on-site testing, the R.E.A.P. program is available. Video lessons can be rented through R.M.I., Inc., for a fee of approximately \$60. R.M.I., Inc., can be reached by calling 800/745-5480 (8 a.m.-4:30 p.m. CST) or check their web address: <http://www.rmimedia.com>

TO MEET OTHER G.E. REQUIREMENTS

Coastline Community College offers a wide range of distance learning courses delivered through: Internet (online), Telecourses (video lessons), Interactive Cable courses, CableCast courses and CD-ROM. Each of these multi-media delivery modes affords students with full-time jobs or family responsibilities to fulfill their educational and career goals. These college-credit courses allow students to "attend" and complete college through their homes or work sites. Each course requires text book(s), study guides and student handbook (syllabus).

Students should check with their local community college in their area to see if similar distance learning courses are being offered. The maximum number of 70 units of community college course work is transferable to the CSU.

OFF CAMPUS OPPORTUNITIES—COASTLINE COLLEGE

The amount of work required in a distance learning course is comparable to the course work required in a classroom course. Because of this, it is suggested that students take ONE distance learning course (Telecourse, Online, Cablecast) per semester. All courses have specific course assignment due dates and specific time periods for taking proctored or on-site examination.

Each distance learning course has a qualified instructor. Students can contact their instructor during weekly office hours by phone, FAX, e-mail, or by leaving a message on voice mail.

Students from Diploma Schools & Foreign schools that need to earn lower division credit may do so by taking Regents College associate degree program examinations. Student should speak with their faculty advisor for guidance.

BSN 315 LIFE CYCLE

You may earn credit for BSN 315, Life Cycle by obtaining a passing score of 45 on the *Regents College Exam #583, Life Span Developmental Psychology*. A study guide is available at www.regents.edu/1339.htm.

In order to receive credit for the Fall 2000 semester, CSUDH students must take exam and have results returned to CSUDH Division of Nursing by October 2000.

In addition to registering with Regents College, you must also register for the CSUDH Life Cycle course as follows:

	Units	Course Ref.	Loc. Code	Sec #
BSN 315.1	1	42534	ITEST	19
BSN 315.2	1	42535	ITEST	19
BSN 315.3	1	42536	ITEST	19

BSN 380 HEALTH ASSESSMENT

You may earn academic credit for all 4 units of BSN 380 including theory & performance modules by successfully passing performance examination developed by the **New York Regents College External Degree Nursing Program**. To receive a study guide you must first have written approval from the Undergraduate Nursing Program Coordinator. Request study guide at www.regents.edu

Successful completion of a performance examination results in a grade of credit (CR) on your transcript. A test may be repeated twice without academic penalty. Test fees are paid at time of registration. Fees for test are subject to change.

Space is limited for examinations. Review the study guide & test dates. Be sure to allow yourself enough time to adequately prepare for each exam. Mail the application with registration form and fee. You will be scheduled for the exam in Long Beach by the Regents Western Performance Assessment Center (WPAC) on space availability basis on the dates below:

■ OFF-CAMPUS EXAMS

As a convenience to nursing students, CSUDH offers proctored exams that meet the CSU graduation requirements. These exams are offered one time within the second week of August and January. A proctor may be any person who is not a relative, friend or immediate supervisor. See following form.

- California State and Local Government
- Political Science 101
- United States History
- GWE

Political Science and US History may be taken to receive certification only or certification plus 3 units of credit. California State & Local Government must be taken for Certification only. These comprehensive exams must be taken by the 2nd week of each semester.

Conscientious preparation is highly recommended. You must complete the **Petition for Credit by Examination** in this class schedule (see Table of Contents), and attach it to the registration form with fee payment. Texts are listed on Book Order Form. You may drop if you fail. **LAST DATE TO ADD/DROP REGULAR CAMPUS COURSES FOR CREDIT IS SEPTEMBER 14, 2000.**

Credit/No Credit Policy

An Undergraduate student may elect to be graded CR/NC in particular courses, subject to the following conditions:

Course Limitations

1. Courses used to satisfy a major (both upper and lower division), or which are prerequisite to it, must be taken for a letter grade except when such courses are graded solely on a CR/NC basis. A student may enroll in up to 50% of the units required by a minor on a credit/no credit basis, unless otherwise specified elsewhere in the catalog under specific requirements for a minor.
2. No more than 24 units graded CR/NC whether taken at this or another institution, may be offered in satisfaction of the total units required for a bachelor's degree. If 24 units graded CR/NC are accepted in transfer, no additional courses graded CR/NC may be used to satisfy degree requirements, except when a required course is graded solely on a CR/NC basis. (All credits earned in the CLEP testing program may count even if they make cumulative total of all CR/NC units at that time over 24.)

Graduation Writing Assessment Requirement Exam (GWAR): To meet the CSU Graduation Writing Assessment Requirement, you may take the approved writing test (GWE) through CSUDH and also through most CSU campus testing centers, or you may take coursework specified by the offering CSU campuses as meeting the graduation writing requirement. Undergraduate students should complete this requirement by their 2nd semester in the program. Graduate students must achieve a passing score of 8 or better on the GWE during or prior to the first semester of enrollment.

CSUDH Graduation Writing Assessment Requirement examination consists of an essay exam with one hour allowed for completion. The test is graded by CSUDH faculty and you will receive notice of your results.

Early registration is advised. **Registration must be received four weeks prior to test date.** A \$25.00 fee is required. Fee can be paid by check or money order payable to California State University Dominguez Hills (CSUDH). A confirmation and test preparation materials will be sent to you. Bring 25 cents cash for purchasing bluebook. Also bring a #2 pencil and two pens.

HONOR SOCIETY AND ALUMNI CHAPTER

HONOR SOCIETY

Xi Theta Chapter Sigma Theta Tau International Honor Society of Nursing (STTI) is the recognized Honor Society of Nursing. The purposes of STTI are to:

- Recognize superior achievement and scholarship
- Recognize the development of leadership qualities
- Foster high professional standards
- Encourage creative work
- Strengthen commitment to the ideals and purposes of the profession

Xi Theta, a statewide chapter of STTI in the Division of Nursing, at CSUDH, has over 300 members. **Eligible new members are inducted in early June of each year.**

You are invited to submit Membership Intent Forms if you are:

- a **baccalaureate student** with a cumulative grade point average (includes transfer coursework) of at least 3.00, verified rank in the highest 35% of your class in scholarship, and have completed half of the required nursing courses, 27 units by the end of Fall, 2000.
- a **graduate student** with a grade point average of 3.50 and have completed a quarter (9 units) of the required nursing courses by the end of Fall, 2000. Pathway students must complete 9 units of graduate nursing courses.
- a **community nurse leader** who has a minimum of a baccalaureate degree in nursing, at least five years post BSN, and has demonstrated marked achievement in nursing education, practice, research or publication. **Alumni** should apply in this category if they have graduated prior to December of the year prior to application and may be considered in less than five years post BSN if they meet the other criteria.

For Membership Intent Forms go to <http://www.csudh.edu/soh/XiTheta.htm>. Follow the link to the eligibility page and click on BSN, MSN or Community Member Application Form. Completed application packets can be submitted between January 1 and March 10, 2001.

ALUMNI CHAPTER

The *Division of Nursing Alumni Chapter* (DONAC) purpose is to foster relationships among alumni and promote alumni activities. The goals of the Alumni Chapter are to provide alumni with networking and collaboration opportunities. The Chapter invites all new BSN & MSN graduates to join the group. Annual membership is \$20 and provides a unique opportunity to maintain and renew important relationships built in your BSN and MSN programs.

If you would like an Alumni Chapter Membership application, please write to:

OPEN UNIVERSITY

An opportunity for non-matriculated Registered Nurses to earn continuing education and University academic credit.*

If you are interested in taking courses, need CE credit for relicensure, do not plan to earn a degree or you haven't yet reached a decision on your academic objective, you may want to take advantage of Open University enrollment options.

Academic credit at the upper division level is available and may be transferred to a degree program. In addition, all nursing course offerings are approved by the California Board of Registered Nursing at the rate of 15 contact hours per unit for RN relicensure (BRN Provider # is 03594). Grade reports are provided and permanent record of attendance is maintained by CSU Dominguez Hills.

The nursing faculty has approved the following courses for Open University:

Students may register beginning August 26, 2000. Registration must be received 2 weeks prior to class start date. If questions contact Program Coordinator 310/243-2005.

Course Number	Course Title	Semester Units
BSN 305	Human Diversity and Health Care	4
BSN 315	Life Cycle	3
BSN 345	Pathophysiology	4
BSN 405	**Statistics	3

*Not available for RNs seeking admission into the baccalaureate Program.

**The Entry Level mathematics (ELM) test must be taken prior to enrollment in Statistics by all undergraduate students.

All other courses not listed require a phone interview with the Program Coordinator, Undergraduate Nursing Science Department (310/243-2005) and written approval before registration is recognized. For per unit fee contact Extended Education at (310) 243-3741. Check the class listing in the Table of Contents for course descriptions, special locations, times and dates. All students must purchase course materials, texts and the APA Style Manual, 4th edition directly from the bookstore prior to the first class meeting.

Enrollment in courses is on a space-available basis. The University reserves the right to cancel any course. In case of cancellation, the student will be notified and will receive a refund. All information regarding fees is subject to change without notice or obligation. Non-attendance in class or notification of the instructor does not constitute automatic withdrawal or refund. Call (310) 243-3741 for refund and withdrawal policies. Class attendance does not constitute enrollment.

Credit earned can be applied toward a degree, within set limits:

- For baccalaureate level students, a maximum of 24 semester (36 quarter) units of open university or extension credit may be applied toward a bachelor's degree, whether completed through CSU Dominguez Hills or elsewhere. This includes all extension, correspondence, and USAF credit.
- Extension credits and credits earned prior to matriculation do NOT satisfy CSU Dominguez Hills residence requirements for the degree.
- **REGULAR MATRICULATED STUDENTS MAY NOT ENROLL IN THE OPEN UNIVERSITY PROGRAM IF THE STUDENT HAS BEEN ADMITTED TO ANY CALIFORNIA STATE UNIVERSITY CAMPUS AS A REGULAR STUDENT FOR THIS SEMESTER**, or if the student is a continuing regular student who has registered in the previous term (this does not apply to academically disqualified students). There will be no exceptions to this regulation and no refund of fees.

To enroll in any course through Open University, the student must: (1) complete the registration form on the following page, (2) include payment of the appropriate fees, and (3) postmark 2 weeks prior to the first class meeting of the course. Although enrollment is based on the availability of space, it is necessary to register a minimum of two weeks in advance because of the possibility of cancellations (you will be notified) and to meet the pre-class assignment requirement.

The initial assignment, as designated in the module text, must be completed prior to the first class meeting. Use the BSN Book Order form in this schedule to purchase the required textbooks and course materials for each course.

If you have any questions about Open University, please call (310) 243-3741. **Please use the form on the following page to register in Open University only if you are not a matriculated student.** Open University and Extended Education course work do not constitute matriculation for the newly admitted student. Call the Undergraduate Chair 310/243-2005 for additional advisement.

- If you need to drop a course in Open University, use the drop form furnished in this schedule. Send it **DIRECTLY** to: Extended Education, CSUDH, 1000 E. Victoria St., Carson, CA 90747. You do not need to attach a drop fee.

CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS Open University Registration Form

Please note the list of courses available for Open University on the preceding page. If you need any other course you must speak in advance to the BSN Program Coordinator and receive signed authorization, otherwise this form will be returned.

Mail completed form to: **BSN Program Coordinator, CSUDH, DIVISION OF NURSING**, 1000 E. Victoria St., Carson, CA 90747. It should be postmarked at least **2 weeks prior to the first class meeting** or it will be returned. Order module texts and required text. See book order form for instructions.

TELECOURSE REGISTRATION

- The registration process is the same as for any other class. The following pages contain the course reference numbers (CRN) and section numbers.
- Purchase a personal copy** of the required module text, current **telecourse syllabus** and textbooks. (Allow eight working days for delivery. Orders can be delayed if placed during the first two weeks of the term.) Complete pre-assignments prior to the first class session.
- Order tapes from RMI or the Textbook Connection. Required texts and course materials **INCLUDING CURRENT TELECOURSE SYLLABUS** must be ordered from the Textbook Connection prior to the first class session.
- The student will contact the instructor by e-mail between the instructor contact date and the course start date and provide their name, address, telephone number, module and section number, and **e-mail address**. **The student is responsible for dropping any class which they do not attend or complete.**
- The instructor's e-mail address is in the telecourse syllabus which is purchased through the Textbook Connection. The syllabus also contains course delivery information such as assignments, due dates, etc. The instructor will enter you on a list to receive information about the course via e-mail. Your registration in the course will be confirmed by the instructor once your e-mail address has been received and the class has started. You must order course materials early enough to contact instructor during the contact period prior to the class start date.
- If you are placed on a waitlist, the telecourse coordinator will notify you by mail if an additional section of a course is opened.
- If you are enrolled in BSN 335 you must complete and return the Proctor Agreement Form, found in the telecourse syllabus, to the telecourse coordinator at CSUDH—Division of Nursing, 1000 E. Victoria St., Carson, CA 90747, or fax to 310/217-6800 no later than two weeks after the class start date.

BSN WEB BASED COURSES

WEB BASED COURSE REGISTRATION

1. Follow the registration procedures below to register for your classes.
2. The registration process is the same as for any other class. The following pages contain the course reference numbers (CRN) and section numbers. If all sections of web courses are full, allow yourself to be waitlisted unless you want to be placed in a live section. Then, be sure it is a section in your geographical area.
3. If you are placed on a waitlist, you will be notified by the web courses coordinator when an additional section of a web course is opened.
4. After you have registered for your online course, you must go to <http://toro.csudh.edu> to establish your User ID and Password.
5. Find the web site for your class (course number and section) and check in one week before the class is scheduled to begin.
6. Contact the Textbook Connection by telephone or online to order textbooks/reprints. Other course related information can be accessed in your web-based course.
7. Complete pre-assignments prior to the first class meeting.

1st Time in Blackboard.com?

The web-based courses are created in Blackboard.com's CourseInfo platform. If this is your first web-based course experience, you can find out more about this easy, effective, and popular platform by familiarizing yourself with Blackboard before classes start. Visit the CourseInfo help site at:

<http://company.blackboard.com/Support/CourseInfoStudent/index.htm>

If you click on "Documentation Area," you can access the CourseInfo 4xStudent manual, which is available in both online and downloadable formats.

NATIONAL PROGRAM

The Division of Nursing has expanded its program nationally for many RNs in the rural and urban United States unable to advance their education and practice due to life-style and geographic constraints. **California students transferring out of state can continue their BSN courses.** Higher education is accessible to all registered nurses by registering at 1-877-GO HILLS (464-4557).

DELIVERY OF CLASSES & EQUIPMENT NEEDED

Communication with the instructor and students is web-based, facilitated through the Internet and e-mail.

Students participating in courses will need to have access to the following:

- A TV with a videotape player/recorder
- 486 IBM-compatible or Macintosh computer
- A minimum of 28.8 kbps modem or higher
- Internet access with a web browser and e-mail.

WITHDRAWALS AND REFUNDS

Students may withdraw from a course before a specified deadline without impacting their academic records, and become eligible for a full or partial refund of tuition and fees. Withdrawal, **refund dates** and deadlines vary by the university and are outlined in the Policies and Procedures document sent to each student after enrollment. Refunds are issued according to the date the withdrawal form is postmarked or faxed.

PAYMENT AND COSTS

Payment of tuition, and fees for all required nursing course materials can be made by phone (1-877-GO HILLS) or mail using Mastercard, VISA, Discover or American Express credit cards, money orders, personal checks or purchase order numbers.

REGISTRATION

Early registration helps to assure class placement and receipt of materials before the class start date. Registration and payment of fees must be made by calling 1-877 GO HILLS. Registration for the Summer term starts April 1; for the Fall term starts July 1; for Spring term November 1.

1. Review the courses offered.
2. Call registration advisor for enrollment information and specific program requirements.

3. Enrollment in an individual course(s) can be easily and quickly accomplished and requires a short period of time by calling 1-877-GO HILLS

BSN/MSN ORDERING INFORMATION

BSN MODULE TEXTS & MSN SYLLABI

BSN Module texts and MSN Syllabi are essential course materials. These materials are protected by copyright and may not be copied without permission. The CSU can deny participation in a course if required/mandatory course materials are not acquired (Ch. O.42380).

For live course sections, we rely on you, our students, to order your module texts AND textbooks directly from the Textbook Connection three weeks prior to attending class. As you are aware, required readings and assignments are essential for students to prepare prior to the first and subsequent classes. Lack of preparation impacts the teaching-learning environment for both the instructor and other students. Another implication is the need to generate resources to support the ongoing revision and production of our module texts. The modules must incorporate the rapid shifts in healthcare and the impact on nursing which, in this time of escalating change, are ongoing. **We need your support to keep our curriculum current and to create an optimal teaching/learning environment for all students.** We are confident that you will order the module texts in a timely manner.

Each student must purchase a personal set of the module texts/syllabi which accompany each course. Registration is not complete until this requirement is met.

MODULE TEXT/SYLLABUS PURCHASE

- Module texts and syllabi are sold as complete sets with the exception of BSN 315.1-.3; BSN 410.4 and BSN 420.4.
- UNOPENED/UNUSED module texts/syllabi may be returned to the Bookstore with receipt for a refund within two weeks of the purchase date if purchased on site or within two weeks of mailing date if purchased by telephone order.

INSTRUCTIONS FOR COURSE MATERIALS, TEXTBOOK ORDERS and ONLINE BOOK ORDERING

Division of Nursing textbooks and course materials can be ordered directly from the Textbook Connection by mail, telephone or online. TO PLACE TEXTBOOK AND COURSE MATERIAL ORDERS BY TELEPHONE PLEASE CALL 562/985-7715 LOCALLY OR (800) 942-8657. Students can also access the bookstore Website and place orders online. The address is: www.csulb.edu/bookstore (click Textbook Connection). Materials will be shipped to your home by United Parcel Service. UPS cannot deliver to a post office box, so fourth class mail will be used if street address is not given. Since many courses have pre-assignments, books should be ordered well in advance of the first class session (see refund policies for book return information). Place your order and mail your check as soon as possible. Orders requiring next day or second day air delivery **MUST** be received before 11 a.m. on the date to be mailed. Call for updated price information during regular business hours (if not paying with a Visa or Mastercard). When prices for new editions cannot be verified through the publisher/printer prior to printing of the current class schedule, the total approximate price of required textbooks and materials will be listed as TBA. **BUY ONLY THE TEXTBOOKS YOU NEED FOR THE CURRENT SEMESTER IN ORDER TO ASSURE THAT YOU WILL HAVE THE CORRECT MATERIALS FOR YOUR CLASSES. REQUIRED TEXTBOOKS AND EDITIONS MAY CHANGE FROM ONE SEMESTER TO THE NEXT WITHOUT NOTICE.**

Required textbooks and materials for each course are listed on the Book Order Form in bold lettering and marked with an asterisk before the author name. PLEASE ALLOW EIGHT WORKING DAYS FOR DELIVERY. ORDERS WILL BE DELAYED IF PLACED DURING THE FIRST TWO WEEKS OF THE TERM.

For students who wish to purchase and pick up their textbooks personally from the Textbook Connection, Division of Nursing textbooks and materials are located toward the rear of the CSU Long Beach Bookstore adjacent to the warehouse. To assure that titles you want to purchase are in stock and available, please call 562/985-7715 and talk to Bookstore personnel **PRIOR** to going to the Textbook Connection.

1. For current book prices, call a Textbook Connection representative at 800/942-8657 (CA residents) or (562) 985-7715 (Long Beach area residents). Business hours are Monday through Thursday, 7:30 a.m. - 7:30 p.m., Friday 9:00 a.m. - 12:00 noon, and Saturdays 10:00 a.m. to 2:00 p.m.
2. To determine the total cost of your book order, compute the merchandise total provided by a bookstore representative, add 8.25% sales tax and \$12 shipping and handling charge (NON-REFUNDABLE) in the upper left hand box.
3. Payment: Write check for total amount payable to: University Bookstore. Credit Card purchases require complete credit card information and your authorizing signature.
4. Mail to:
UNIVERSITY BOOKSTORE
TEXTBOOK CONNECTION
CSU DOMINGUEZ HILLS
6049 E. 7th Street
Long Beach, CA 90840-0003

RETURN POLICY FOR TEXTBOOKS

New (unused) textbooks are returnable for a refund within 15 working days of the purchase date, **during the semester in which they were purchased.** Textbooks and materials must be in their original condition. Textbooks in less than new condition WILL NOT be refunded. A copy of the invoice and sales receipt must accompany the returned textbooks to receive a refund. Include your daytime phone number and, when applicable, your Visa/Master Card account number and expiration date. **SHIPPING AND HANDLING CHARGES ARE NOT REFUNDABLE.**

RETURN/REFUND POLICY FOR USED TEXTBOOKS

If ordered by mail, textbooks may be returned unused and undamaged within 15 days of the shipping date shown on the mailing label. When purchased on-site, textbooks must be returned within 15 days of the purchase date. A copy of the invoice and sales receipt **MUST** accompany the returned textbooks to receive a refund. Include your daytime phone number and, when applicable, your Visa/Master Card account number and expiration date. **SHIPPING AND HANDLING CHARGES ARE NOT REFUNDABLE.**

DIVISION OF NURSING TEXTBOOK BUYBACK POLICY

A USED LIST is compiled from textbook orders of Division of Nursing texts. Students may receive up to 50% of the current shelf price for titles on the buyback list. Old editions and books that are out of print or in poor condition will not be bought back. Students wishing to sell their textbooks back to the Textbook Connection call 562/987-7715 or 800/942-8657. A limited supply of used textbooks will be available at 75% of the current shelf price. Students wishing to purchase a used textbook should call the Textbook Connection at 562/985-7715 or 800/942-8657 for availability and ordering information.

INCOME TAXES

Keep your charge slips, cancelled checks and receipts from the Textbook Connection for tax purposes.

LIBRARY SERVICES

LIBRARY SERVICES

The librarians at California State University, Dominguez Hills (CSUDH) are pleased to work closely with the Division of Nursing in facilitating services to nursing students. In addition to your home campus library at CSUDH, you, as an officially enrolled student in the CSU System, have borrowing privileges at all twenty-two CSU campuses.

If requesting interlibrary loan service (ILL), use the forms available at: <http://library.csudh.edu/ill.htm>

ACCESSING LIBRARY MATERIALS

Use your local CSU campus library. If that library has the materials you need, you may use them there, make copies, or check them out. To borrow materials from any CSU campus library, you will need a valid, current CSUDH library card and another photo identification. (Your valid Library Card, or valid sticker to attach to your card, is mailed to you approximately four weeks after registration and processing of your fee payment.) Be sure to familiarize yourself with your local library policies and procedures. Each campus library has its own loan periods and other unique policies. You must abide by the regulations of the library you are using.

ONLINE LITERATURE SEARCHES

Students may access information on the Internet via their home computers utilizing the search engines (infoseek, Altavista, ...etc.)

To access databases available through the CSUDH library

1. <http://www.csudh.edu> (follow links to the library) or
2. <http://library.csudh.edu/cyberlib/> or
3. <http://library.csudh.edu/cyberlib/health.htm>
4. Follow link to CINAHL (accessible with password, see below)
5. Bookmark the URLs (web addresses) for future use

CINAHL VIA THE INTERNET

Instructions for accessing CINAHL, the Cumulative Index to Nursing and Health Sciences Journals.

1. In order to access password information or e-mail nmoy@dhvx20.csudh.edu. Include your student ID number.
2. Access the Internet through your browser, preferably Netscape Navigator 3.01 or Microsoft Internet Explorer 4.0 or higher.
3. Type in the URL to the CSUDH CyberSpace Reference Library "Nursing and Health Resources":

<http://library.csudh.edu/cyberlib/health.htm>

4. Click on "CINAHL (www accessible with password)."
5. Type in "user name" and "password", then click on "login."
6. At this next screen, select the CINAHL database. Click on "Search."
7. Type in your search terms; make decision on which documents you wish to select; order by fax or go to local health science library.
8. Faxed copies may be sent, for a \$12 fee, by mail or to your preferred fax machine by contacting CINAHL via:

- The web at http://cinahl.com/data/doc_delr.htm
- E-mail at docorder@cinahl.com
- Fax at 818/546-5633
- Phone at 800/959-7167 (press 3)

Note: Medline searches do not require a password. Access this biomedical database through the links listed in the CyberSpace Library "Nursing and Health Sciences Resources." There are new resources added to the Web daily. Consult the library's home page through the campus for current information.

CD-ROM SEARCHING

In the CSUDH campus library, students may conduct their own CD-ROM searches on the computer. Infrequent visitors to the library are advised to call (310) 243-3714 in advance to verify library hours.

CD-ROM DATABASES

Name	Subject	Dates
Business Periodicals Abstracts	Business	1982 -
ERIC	Education	1966 -
General Science Index	Science	1982 -
Humanities Index	Humanities	1984 -
PSYCLIT	Psychology	1976 -
Social Sciences Abstracts	Social Sciences	1982 -
Sociofile	Sociology	1980 -

In the course of a CD-ROM search students can download citations of interest and immediately look for the journal articles to which the citations refer. If the library has the journals in which the articles appear, students can make photocopies. If the library does NOT have the particular journals of interest, students can request the articles by filling out an Inter-Library Loan (ILL) Request Form in order that the CSUDH library can attempt to get the articles from another source, a process taking a minimum of two weeks. Students can also use CARL Uncover to order articles via the Internet. See the CSUDH Cyberspace Library.

INTER-LIBRARY LOAN (ILL)

All of the resource materials you need may not be found at any one library. To assist you, libraries cooperate by borrowing items from one another for their users. This system is called "Inter-Library Loan" or ILL. Exact arrangements differ from library to library. If your local library does not own the material requested, you will need to complete the ILL form with the exact bibliographic information or citation for the book or periodical article. This information is then transmitted to other libraries which own the requested material. The lending library then sends the requested material, if it is available, to your local library. This process can take some time so plan ahead and begin your search early. **COMPLETE THE ILL FORM ON THE LIBRARY HOME PAGE:** <http://library.csudh.edu/ill.htm>

As a special service to students residing outside of a 25 mile radius of CSUDH, ILL requests for periodical articles can also be mailed to the CSUDH library, using the ILL form. Other CSU campus libraries may also provide ILL services to nursing students. This would be a special service at the discretion of each individual campus. Inquire at the Inter-Library Loan Department to ascertain if that campus can provide you with ILL service. For additional information about ILL, call 310/243-3716.
