

DIVISION OF NURSING

CLASS SCHEDULE
SPRING 2000

BSN & MSN PROGRAMS ARE ACCREDITED BY THE NATIONAL LEAGUE FOR NURSING (NLNAC) AND THE WESTERN ASSOCIATION OF SCHOOLS AND COLLEGES (WASC)

A T T E N T I O N

Registration and payment of fees must be completed by stated dates to insure space in class (see registration information)

TOUCHTONE REGISTRATION

NOVEMBER 8 - JANUARY 7, 2000

LATE REGISTRATION

JANUARY 10 - MARCH 17, 2000*

To guarantee admission notification by January 3, 2000 applications & admission documents must be received by November 1, 1999

*You may register only for those classes that start after this date. (refer to late registration information)

California State University
Dominguez Hills

ACADEMIC CALENDAR

■ SPRING 2000

November 1	Admissions Application/Document Deadline (decision guaranteed by January 3, 2000)
November 8-January 7	Touchtone Registration for New and Continuing Students
December 15	Deadline to Apply for Spring 2000 graduation with Graduate Degree
January 10	First Day of Spring 2000 Semester
January 10-March 17	Late Registration by mail or fax (additional \$25 late fee assessed)
January 17	Martine Luther King Jr. Day--No Classes; Campus Closed
January 21	Payment Deadline: For New and Continuing Students registered November 8-January 7
February 10	Late Application for Admission with \$10.00 late fee
February 15	Deadline to Apply for Summer 2000 graduation iwth Baccalaureate degree
February 17	Deadline for Receipt of Mailed Requests to Add Regular Campus Courses Deadline to Add CSUDH Regular Campus Courses (in person only) Deadline to Drop CSUDH Regular Campus Couses (by telephone)
February 21	Presidents Day--No Classes; Campus Closed
March 1	Late Admission document deadline
March 15	Deadline to Apply for Summer 2000 graduation with Graduate degree
March 16	Late Registration Payment Deadline
March 17	Deadline to Add/Drop Nursing Classes and Apply for Refund of Fees (if eligible)
April 15	Deadline to Apply for Fall 2000 Graduation with Baccalaureate degree
April 17-April 22	Spring Recess--No Classes
May 19	Deadline with Withdraw ("W" grade). Serious and compelling reasons required
May 29	Memorial Day--No Classes; Campus Closed
June 2	Last Day of Classes
June 16	Spring 2000 Semester Ends

Division of Nursing
 CSU Dominguez Hills
 1000 E. Victoria Street
 Carson, CA 90747

KEY INFORMATION FOR SPRING 2000 REGISTRATION

CHAIR'S MESSAGE

We are about to enter a new millenium with new directions for the Division of Nursing. In June of 1999, we welcomed our new School of Health Dean, Dr. Abel Arivzu Whittmore. During the short months that Dr. Whittmore has been with us, we have discovered that we have a leader who is solidly committed to assisting the Division of Nursing in meeting its mission. He is encouraging us in major re-invention effort which will broaden our abilities to serve our students. In this spirit, we are pleased to announce some exciting developments.

First, the Division is creating a web site at www.csudh.edu/soh.nursing.html which will be a source of updates and announcements relevant to Division of Nursing students. In addition, beginning Fall 2000, the Division of Nursing class schedule will be integrated with the entire CSUDH Class Schedule. This complete CSUDH Schedule, including the Division of Nursing, will be posted on the CSUDH web site (www.csudh.edu; click on *Class Schedule*) in time for touchtone registration. Hard copies will continue to be available through the Bookstore.

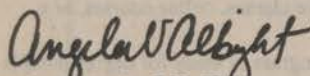

As you peruse this Spring 2000 Schedule of Classes, you will note that advising and student assistance is available now via a centralized Advising Center. This Center began its formation this Fall 1999 and is currently evolving to serve all students. The excellent staff in this Center will be available to answer your questions and provide you with assistance via a toll-free number as well as through email. Faculty will also be available to students for consultation regarding academic issues. A database, under construction, will allow all advisors to track individual student issues. This Center will truly allow us to provide increased efficiency, consistency, and efficacy in our service to students.

Most importantly, we are in the process of revising and updating our curricular content such that it reflects our mission to prepare nurses to serve diverse communities. In an age of continuous technological advancement and knowledge expansion, we meet a continuous challenge to stay abreast of implications of these for the delivery of nursing care. Today's nurse leaders must demonstrate awareness of how sociopolitical factors influence delivery of health care. Nurses must be able to utilize critical thinking processes in support of taking action to abolish the barriers to care for vulnerable populations. An acute need for an increase in an equitable delivery of quality health care requires that nurses create, promote, and use evidence-based practices and become proficient in outcomes assessment. The Division of Nursing is seeking to prepare nurses who will have the skills and abilities to meet these challenges.

In addition, the Faculty and Staff are working hard to harness the opportunity offered by the Internet to further increase accessibility of our programs for students. New and revised BSN courses are being transitioned from videotaped "tele-courses" to a web-based format. In fact, we plan for all of our BSN and MSN curricula to be accessible through a web-based learning option. The Faculty is most excited to offer this latest development in the California State University Dominguez Hills Division of Nursing's long-standing tradition of overcoming barriers to nursing education.

As we invent and implement during this year, I hope you will join me in looking forward to this opportunity to grow and learn.

Sincerely,

Angela Albright, RN, Ph.D.
Interim Chair
Division of Nursing

KEY INFORMATION FOR SPRING 2000 REGISTRATION

ATTENTION

Registration and payment of fees must be completed by the stated dates to insure a space in class.

All classes are subject to cancellation for compelling reasons such as low enrollment.

INTERNET ACCESS

All Division of Nursing Students are now required to have access to the internet with e-mail and web search capability. This modality is increasingly used to facilitate communication between students, instructors and advisors. There are several choices that a student can make regarding online services.

Your computer, hardware, software, browser online charges, etc., may be considered tax deductible. See your tax accountant.

After you obtain access to a computer, you will want to establish your own e-mail account/address. The advantage of having your own e-mail address is that mail sent to that address is your own vs. using the e-mail address that belongs to your friend, husband, child, etc. There are a variety of FREE e-mail providers such as Hotmail, Yahoo, Juno, etc. In the search engine of your choice, search on "e-mail" + "free" and see what comes back. The advantage of free e-mail providers is that you can access your e-mail from any computer, anywhere (unlike AOL, Pacbell, etc. which require software to be installed on a specific computer).

The important features you need for e-mail are:

1. unlimited access (don't get one that only provides so many hours per month)
2. local dial-up phone number
3. 24-hour technical support line (have to worry about the "local" providers)
4. sufficient phone lines to support traffic
5. ability to support a high-speed modem

BSN 315 .1-.3, BY ASSESSMENT OPTION

Beginning Fall 1997, Life Cycle, BSN 315.1-3 can be completed through an assessment option by passing the Regents College exam Life Span Developmental Psychology. Refer to Assessment Option pages for details on how to register.

CINAHL VIA THE INTERNET

Instructions for accessing CINAHL, the Cumulative Index to Nursing and Health Sciences Journals:

1. In order to access, call your hub office for password information or e-mail nmoy@dhvx20.csudh.edu. Include your student ID number.
2. Access the Internet through your browser, preferably Netscape Navigator 3.01 or Microsoft Internet Explorer 4.0 or higher.
3. Type in the URL to the CSUDH CyberSpace Reference Library:

<http://library.csudh.edu/cyberlib/>

4. Click on "Nursing and Health Sciences Resources."
5. Click on "CINAHL (www accessible with password)."
6. Type in "user name" and "password", then click on "login."
7. At this next screen, select the CINAHL database. Click on "Search."
8. Type in your search terms; make decision on which documents you wish to select; order by fax or go to local health science library.
9. Faxed copies may be sent, for a \$12 fee, by mail or to your preferred fax machine by contacting CINAHL via:

- The web at http://cinahl.com/data/doc_delr.htm
- E-mail at docorder@cinahl.com
- Fax at 818/546-5633
- Phone at 800/959-7167 (press 3)

Note: Medline searches do not require a password. Access this biomedical database through the links listed in the CyberSpace Library "Nursing and Health Sciences Resources." There are new resources added to the Web daily. Consult the library's home page through the campus for current information.

INFORMATION ABOUT COMMENCEMENT

Check out our web site at www.csudh.edu/comm.htm or leave voice mail at 310/243-2666 and your call will be returned within 24 hours. Or e-mail us at commencement@dhvx20.csudh.edu

NEW BSN STUDENTS

- As soon as you receive your letter of acceptance to the university it is important to enroll in classes promptly.
- You must enroll in BSN 301 (web based course) and BSN 310 your first semester. You may take as many other units as you feel you can carry.
- Additional courses you may enroll in include: BSN 305, 315, 340, 345, 405. You may choose between live classes, online courses, or a combination of both.
- In BSN 310 you will prepare a program of study for degree completion and you will get answers to many of your questions about progression through the nursing curriculum and general education requirements.
- Before you go to class, be sure to 1) obtain books and Learning Module Texts from the bookstore (see table of contents), and, 2) prepare for the first class session according to the directions in the Learning Module Texts.

KEY INFORMATION FOR SPRING 2000 REGISTRATION

ANNOUNCEMENT FOR BSN APPLICANTS

New applicants with 56 or more transfer units are expected to meet the following GE requirements prior to admission:

- Pass a GE math course such as College Algebra or Statistics.
- Pass an English Composition course.
- Pass a Speech class. (Oral Communication)
- Pass a Critical Thinking/Logic class. (Coastline Community College Philosophy 115 meets this requirement)

Check your local Community College catalog for GE courses that are transferable to the CSU system OR <http://www.assist.org>

For more information call our pre-admission recruiter toll free at 888/765-6900 (until January 31, 2000 or call the advising center at 800/344-5484).

WAITLIST & TOUCHTONE

Review the most current Waitlist instructions and policies in the Registration Information section of this schedule.

GREAT NEWS

Online Tutoring

Information about online tutoring: how it works and instructions to help you get started.

Students have the option of participating in tutoring via the internet. Check out our web site (<http://www.csudh.edu/class>) for more information about how to receive help online or call the Center for Learning & Academic Support Services (C.L.A.S.S.) 310/243-3827.

FINANCIAL ASSISTANCE OPPORTUNITY FOR MSN STUDENTS

Federal Professional Traineeship for Graduate students. (See p. 19 for application information.)

FINANCIAL ASSISTANCE OPPORTUNITY FOR BSN STUDENTS

Registered Nurse Education Scholarship Program
(up to \$4,000.00 per year)

- Nurses must be working in medically underserved areas

Registered Nurse Education Loan Repayment Program. Repayment of up to \$19,000 for educational debts.

- Nurses must agree to practice full-time in direct patient care in a medically underserved area or county health facility.

General Criteria for eligibility:

- Documentation of financial need
- Work experience
- Community background and involvement
- Career goals
- Length of commitment to practice in an underserved area
- Prior academic performance

Call for information: 800/773-1669 or 916/653-0860.

HAVING DIFFICULTY FINDING AN AGENCY OR PRECEPTOR?

Please visit the website at: www.csudh.edu/nursing/affiliation.html

or call Advising Center for a list of preceptors and agencies.

TO LOCATE YOUR ADVISOR

Academic advisement is an essential component of student services. The advisor will assist the student in completing a Program of Study following a discussion of educational goals and previous experiences. The advisor is able to serve students in a number of ways: answer curriculum questions, explain procedures/policies; put students in touch with other students in their area; assist with problems, concerns and issues the student may face; advise students regarding BSN/PHN testing options (nursing and General Education classes) MSN role options; help the student petition certain courses as appropriate; offer advisement regarding CSU testing requirements (GWAR, ELM, EPT); provide information concerning leaves of absence; and add/drop of classes as necessary.

The guiding principle for the interaction between the student and advisor is the creation of a plan for degree completion that is compatible with the student's available time, fiscal, and academic resources. Contact your advisor for an appointment after you receive your formal transcript evaluation and a letter of acceptance from Admissions and Records.

OVERVIEW OF DEGREE PROGRAMS

OVERVIEW OF DEGREE PROGRAMS

The Statewide Nursing Program (SNP) began in Spring of 1981 with two major commitments: to make quality higher education in nursing more accessible to employed registered nurses and to ultimately improve health care in California. Movement toward these goals is occurring through our BSN and MSN programs. Both of these programs were initially funded by the W. K. Kellogg Foundation and by contributions from individuals and health care organizations. The Division of Nursing includes the Department of Undergraduate Nursing Science and the Department of Graduate Nursing Science. Both programs are accredited by National League for Nursing Accrediting Commission (NLNAC). The curricula are responsive to the needs of adult learners whose time, lifestyles, or work schedules make it impossible to complete a traditional course of study in residence at a campus. In 1994, BSN classes were offered nationally through satellite, video sessions, e-mail and voice mail service. The National endeavor is described later (refer to Table of Contents). The Division of Nursing program provides nursing professionals with varying interests and backgrounds with unique advantages such as:

- Classes designed to meet the needs of the adult learner.
- Opportunities to meet students with similar goals.
- Opportunities to study with CSU and other highly qualified adjunct faculty.
- Courses offered online or at geographically convenient locations in your community.
- Credit and course work transferable statewide.

GENERAL REQUIREMENTS

- All students admitted to the major must be actively licensed as registered nurses. It is the student's responsibility to **immediately report** in writing any change in licensure to the Advisor and Department Chair.
- All students **must** maintain proof of personal professional liability insurance coverage. Coverage is verified at the beginning of each performance or role performance course.
- Students are responsible for obtaining any necessary health exams, immunizations, etc., required by the University or an affiliating clinical agency.
- Client confidentiality must be respected.
- Students must purchase their own copy of the BSN Module Text or MSN syllabus required for a particular course/module.
- The nursing curriculum must be completed in the order prescribed and all students must earn C or better for each module in that course. Failure to meet course/module prerequisites will adversely affect student progress. MSN students must maintain at least a 3.0 GPA (B).
- Students must adhere to the highest standards of academic and professional integrity.

INFORMATION SESSIONS

All prospective students are expected to attend an information session prior to enrolling, or purchasing and reviewing audiotaped BSN information sessions. The faculty is strongly committed to the position that registered nurses should have access to complete Division of Nursing information. The most effective means of sharing this

information is through a group session. Please plan to attend one of the information sessions listed in this schedule or contact the Coordinator/Advisor in your area/region for further assistance. If you are unable to attend a session prior to attending class, ask about our audiotape option. Tapes can be purchased through the Textbook Connection.

PROGRAM FEATURES

Modules

All courses are divided into one and two unit "mini courses" called modules. A one unit module has one to three seminar meetings or videotape sessions with assignments due before and after each seminar, which take 6-8 weeks to complete. Many students take two or more modules concurrently. Students must pre-register for each unit and obtain required course materials in order to prepare for the first class seminar or videotape session. See details under the BSN and MSN sections of this schedule for materials needed and the course registration procedure. The BSN section also outlines an assessment option whereby credit for selected undergraduate courses may be earned by passing standardized challenge examinations.

Library Resources

See Library pages in Table of Contents.

Individual Counseling

An Advisor is assigned to each degree student upon admission. The advisor provides individualized student advisement throughout matriculation.

Preceptorships

Students participate in performance courses (clinical laboratory/field experience) with the assistance of a preceptor as well as an instructor.

Learning Materials

Module Texts (BSN) and Syllabi (MSN) as well as videotapes, are an integral part of SNP courses. Required materials are available from Textbook Connection. (See Book Order form included in this publication.)

CONTINUING EDUCATION (C.E.) CREDIT

All BSN and MSN courses (not general education) are provider approved by the California Board of Registered Nursing, Provider Number CEP 3594, for 15 contact hours per unit. Non-nursing general education courses do not qualify. Although the Board of Registered Nursing does not approve individual continuing education courses, providers are required by law to be approved by the Board. Complaints regarding continuing education providers or continuing education courses should be addressed to the Board. Your transcript is your certificate of completion.

OPPORTUNITIES FOR STUDENT INVOLVEMENT

In any educational program, student participation in the non-classroom aspects of the program is essential. In fact, accrediting bodies such as the Western Association of Schools and Colleges (WASC) and the National League for Nursing Accrediting Commission (NLNAC)

OVERVIEW OF DEGREE PROGRAMS

specifically look for such involvement. California State University, Dominguez Hills is WASC accredited. The Baccalaureate and Masters Degree programs in nursing are both NLNAC accredited.

There are several standing committees of the Division of Nursing faculty whose membership includes student representatives from the BSN and MSN programs as well as faculty. These committees usually meet once a month via phone conference and include Curriculum, Faculty Affairs, Student Affairs, Research and Evaluation, and Ad Hoc Committees. You may also consider serving as a student representative in your area.

Students are needed in each area to gather information for the program's newsletter which will be published twice a year. Graduation ceremonies, alumni gatherings, and honors and awards convocations, are ongoing activities that need student involvement. Students who are interested in volunteering should contact their student representative. Student commitment to the educational program beyond the classroom is most important to the vitality of university life. Ideas from students are most welcome.

Students are encouraged to apply for membership in the Xi Theta Chapter of Sigma Theta Tau International Honor Society of Nursing. See this schedule of classes for additional information regarding membership or locate information on our home page www.csudh.nursing.edu.

STUDENT NURSING ORGANIZATION

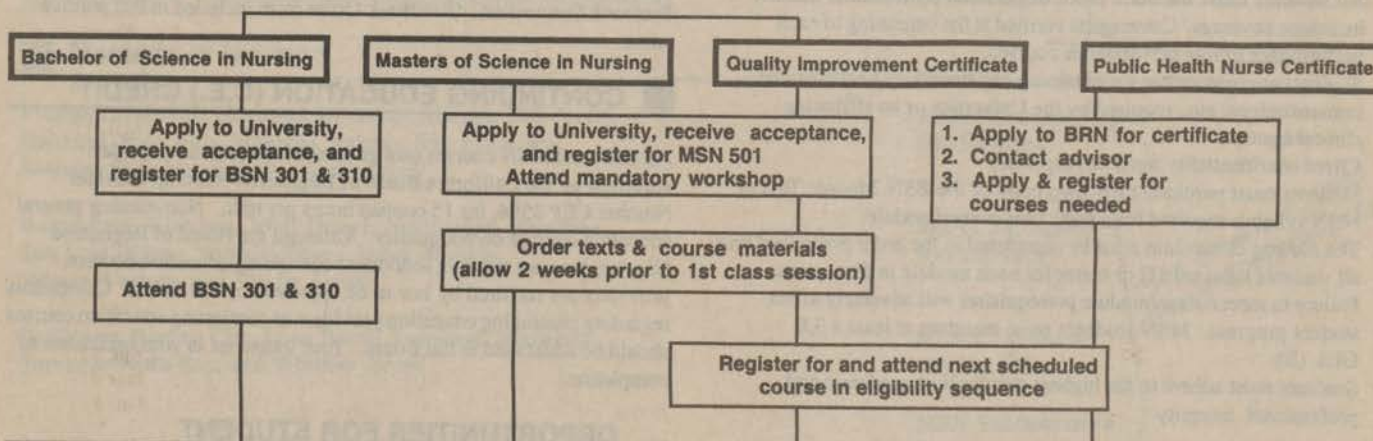

The student Nursing Organization has a Web Site. Check it out at: www.thegrid.net/nso

Included are pages on:

- information about the Nursing Student Organization (goals, officers, activities)
 - textbook exchange (e-mail the webmaster to list a book for sale)
 - new student sponsorship program
 - information from your area student representative (a web page for each area)
 - information on how to contribute news to the web site
- Webguru: Toni Torrey
Faculty Advisor: Cynthia Johnson

EDUCATIONAL OPPORTUNITIES FOR RNs

- Review programs in which you are interested or eligible
- Gather more information on educational options through scheduled information sessions and/or central advisement
- Submit admission application indicating program objective along with application fee
- Request official transcripts of all prior college work to be sent directly to Admissions and Records office (request a personal copy also if you do not already have one for your portfolio)
- Receive acceptance from Admissions office.
- Submit course registration along with fee

- Confer with advisor
- Attend classes, meet degree/certificate requirements
- Apply for degree check or certificate check by published deadline
- Graduate and/or obtain certificate

DEGREE REQUIREMENTS

MINIMUM DEGREE REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN NURSING

1. Students are required to complete 124 semester units with a 2.0 GPA.
2. Completion of the General Education program (48 semester units).
3. Satisfaction of the American Institutions requirement in U.S. History, U.S. Constitution and California State and Local Government.
4. Satisfaction of Graduation Writing Assessment Requirement (GWAR) by exam or course.
5. Satisfaction of the Entry Level Mathematics (ELM) requirement or exemption and English Placement test or exemption.
6. Complete the residence requirement of 30 semester units earned through CSU Dominguez Hills while an officially admitted student. Residence units refers to those units earned at CSU Dominguez Hills while an officially admitted student in a degree program. Fees must be paid through the regular registration process. Residence requirements for a bachelor's degree include a minimum of 30 semester units in residence of which 24 units must be in upper division courses and 18 units must be earned in the major.
7. The maximum credit that may be taken in Extension (Open University) and used toward degree requirements is 24 semester (36 quarter) units at the undergraduate level and 9 semester (13 quarter) units at the graduate level. Extension units do not satisfy residence requirements for a degree.

APPLICANTS WITH 56 OR MORE TRANSFERABLE COLLEGE CREDITS

- College Grade Point Average of at least 2.0
- Completion of Basic General Education courses (12 credits)
 - English - 3 credits
 - Logic - 3 credits
 - Speech - 3 credits
 - Mathematics - 3 credits

FOR THE MASTER OF SCIENCE IN NURSING: NEW CURRICULUM BEGINNING IN JULY, 1998.

1. Completion of 33-53 semester units with a 3.0 GPA. Degree requirements include completion of a directed project, comprehensive exam, or thesis.
2. Complete the residence requirements of at least 21 semester units earned at CSU Dominguez Hills while an officially admitted nursing student. Not more than 9 semester units may be earned as transfer work.
3. Satisfaction of Graduation Writing Assessment Requirement (GWAR) with a grade of 8 or better on the Graduate Writing Exam (GWE) or a satisfactory grade ("B" or above) in an upper division English writing course. Must be completed prior to or during first semester of coursework in order to register for second semester.

GRADUATE WRITING ASSESSMENT REQUIREMENT

UNDERGRADUATES

All newly admitted and returning undergraduate students must meet the upper division Graduate Writing Examination (GWE). Every CSU campus offers the means for meeting this requirement, either through a test or coursework, or a combination of both. Check the appropriate CSU catalog for details. A testing fee will be charged. Students are encouraged to meet this requirement by some appropriate means prior to their last 2 semesters.

GRADUATES

All graduate students are required to meet the Graduate Writing Examination (GWE) at the graduate level (which may mean a higher grade on a certifying test, or a higher grade in a certifying course than is required of undergraduates). Consult the appropriate CSU catalog for particulars. This requirement must be met **PRIOR TO OR DURING THE FIRST SEMESTER OF COURSEWORK.**

IT IS THE STUDENT'S RESPONSIBILITY TO SEE THAT VERIFICATION OF PASSING EITHER THE TEST OR AN APPROVED COURSE IS FORWARDED TO ADMISSIONS BY THE END OF THE FIRST SEMESTER OF CONTINUOUS ATTENDANCE. THE UNIVERSITY ADVISEMENT CENTER WILL DETERMINE IF REQUIREMENT HAS BEEN MET.

If you are taking the test at CSUDH, contact the CSUDH Testing Office at 310/243-3909, SCC 11207.

APPLICATION FOR GRADUATION - DEGREE OR CERTIFICATE PROGRAM

All degree candidates (both Undergraduate and Graduate) must file an Application for Graduation with the Office of Admissions and Records in accordance with the following schedule:

BACCALAUREATE DEGREE

To GRADUATE at the end of:	File application:	File Program of Study form(s) no later than:
<i>Summer Session</i>	Nov. 15-Feb. 15	Mar. 15
<i>Fall Semester</i>	Feb. 15-Apr. 15	May 15
<i>Spring Semester</i>	Apr. 15-Sept. 15	Oct. 15

GRADUATE DEGREE

To GRADUATE at the end of:	File application:	File Program of Study form(s) no later than:
<i>Summer Session</i>	Feb. 15-Mar. 15	Apr. 15
<i>Fall Semester</i>	Mar. 15-May 15	June 15
<i>Spring Semester</i>	Oct. 15-Dec. 15,	Jan. 15

DEGREE REQUIREMENTS

A final Program of Study signed by the appropriate Assistant Chair/Coordinator (BSN, MSN, QI, or PHN) must be filed by the deadline above, if not filed previously. Students will receive a "degree check" from the Admissions and Records Office which will indicate any remaining academic work, and grade point deficiencies which must be resolved before approval of graduation is granted. All coursework must be completed by the end of the term of anticipated graduation. If you are attending a community college and their term ends at a later date, you must apply for graduation for the following semester/term.

If you do not qualify for graduation at the end of the semester for which you applied, you must submit a Change of Graduation Date Application and fee of \$10 to the Admissions and Records Office. Failing to do so will place a hold on your registration for the next semester. You must move up the Graduation application until your degree requirements are completed. Completion of degree requirements is the student's responsibility and, therefore, each student must be thoroughly familiar with the procedures and information about graduation. If you have questions, please consult the Admissions and Records Office.

FOR MSN STUDENTS, PLEASE CONSULT THE REGIONAL COORDINATOR/ADVISOR.

COMMENCEMENT

CSU Dominguez Hills will be holding commencement ceremonies on May 26 & 27, 2000 to honor our graduating seniors and post-baccalaureate students earning degrees during the 1999-2000 academic year. The celebration promises to be particularly special since the Class of '00 is the first of the twenty-first century. Check out the website regarding commencement at <http://www.csudh.edu/comm.htm>

To Participate

All students who have earned degrees during the Summer of 1999 or Fall 1999 semesters, or are candidates for degrees in the Spring 2000 or Summer 2000 semesters are invited to participate in the commencement ceremony. Participation is a matter of individual choice. It is not required.

Cap and Gown

Graduates who do participate must wear academic regalia, which should be purchased from the University Bookstore. Personnel at the bookstore will assist you with your selection. Contact the bookstore at 310/243-3789 for order information and prices.

Diplomas

You will not receive your diploma on commencement day. Instead, you will receive a Certificate of Participation. Diplomas are issued by the University after verification that all your degree requirements have been met. Please make sure to notify the Office of the Registrar and the Graduation Unit of any changes of address. Your diploma will be mailed approximately 6 months after commencement.

Commencement Day Schedule

Refer to website @www.csudh.edu/com

GRADUATION WITH HONORS POLICY FOR BSN STUDENTS

To graduate with honors, an undergraduate student must complete 36 units in residence and receive a minimum of 3.40 on all units taken at CSU Dominguez Hills, with the overall grade point average determined on transferable undergraduate work. The honor categories are as follows based on cumulative grade point average:

Cum Laude	3.40-3.59
Magna Cum Laude	3.60-3.79
Summa Cum Laude	3.80-4.00

Candidates for graduation with honors will be listed in the commencement program based on grades earned through the previous fall semester. Official placement in one of the honors categories will be based on all grades earned including the final term. Therefore, it is possible to be listed as a candidate in the commencement program, but not graduate with honors after all grades have been calculated. Students who graduate with honors will have the appropriate designation inscribed on their diplomas.

GRADUATE STUDENTS ARE NOT ELIGIBLE FOR GRADUATION WITH HONORS.

GRADUATION PINS

See Pins, Table of Contents

DEPARTMENT OF UNDERGRADUATE NURSING SCIENCE

Chair: Colleen Ehrenberg, RN, Ed.D
Division of Nursing, CSU Dominguez Hills
1000 E. Victoria Street, Carson, CA 90747
310/243-2005 or 800/344-5484
E-mail: cehrenberg@soh.csudh.edu

PROGRAM DESCRIPTION/OBJECTIVES

The undergraduate program (RN to BSN) prepares registered nurses as generalists in professional nursing practice. Graduates are equipped to function as leaders, managers and resource persons in a variety of health care settings. Higher order thinking and decision making are informed through both general and discipline specific education

Upon completion of the Bachelor of Science in Nursing Program, graduates will be prepared to:

1. Design competent, caring professional nursing care for healthy, vulnerable and/or high risk individuals or populations in a variety of community based settings;
2. Integrate knowledge from the physical and behavioral sciences and the humanities into professional nursing practice;
3. Provide for human diversity in all its aspects in designing professional nursing care;
4. Promote empowerment of individuals, populations and peers in fostering health promotion and disease prevention;
5. Synthesize knowledge from nursing theory and research findings to professional nursing practice;
6. Foster collaborative relationships with patients and with other professionals, disciplines and community organizations in promoting healthcare access and maintenance;
7. Exhibit commitment to professional growth in advancing the values and role of professional nursing; and
8. Participate in political and regulatory processes to influence healthcare systems and policy

Graduates are eligible for certification by the State of California as Public Health Nurses (PHN).

ADMISSION REQUIREMENTS

1. Minimum of 56 semester units of transferable college credit with a grade point average of at least 2.0 (C) or better in all transferable course work (non-residents, 2.4), and have satisfied any high school subject deficiency in English and mathematics by equivalent course work (the maximum transferable credit accepted from a two-year college is 70 semester units.) Effective Fall, 1998, English composition, Speech, GE Math and Logic/Critical Thinking must be completed prior to admission for new applicants.
2. Current RN licensure in the United States, or its equivalent, or an RN interim permit. (Demonstrated clinical competence, validated through work history or by a clinical examination, RN licensure, and personal professional liability insurance are required prior to enrolling in a nursing performance course.)

Diploma Nurse Applicants. Diploma R.N.s who have not met the 56 unit entrance requirement may be considered for admission through the Undergraduate Preparatory Program. See Table of Contents reference for details.

Program Structure. The baccalaureate program comprises classes and/or examinations that include content essential for professional nursing practice. Three options are open to the student:

1. A series of classes. Classes are offered in one- and two-unit modules. The student will take course work and be graded after each course module.
2. A series of written and performance assessments which may be taken in lieu of selected courses. The student receives a study packet and takes the examination. Students who successfully pass the examination **MUST** enroll in and challenge the corresponding nursing course. See procedures under "Assessment Option".
3. A combination of classes and assessments.

HOW TO BEGIN

1. Review program materials/speak with preadmission recruiter, and attend an information session.
2. Submit Admission Application, fee and a copy of your current R.N. license. (Request a CSU Application packet from the SNP Central Office at 310/243-3596 or 800/344-5484.)
3. **Request transcripts be sent directly to Admissions and Records. Also request a copy be sent directly to you.** All transcripts must be received by the admissions deadline or disenrollment from classes will result. All GE prerequisites must be completed prior to admission, effective Fall, 1999 for new applicants.
4. Complete a registration form for BSN 301 & 310 plus any other beginning classes after acceptance.
5. All new applications submitted after the application deadline **must** be accompanied by a registration form for BSN 301 & 310 class that semester. Students who do not register and take at least one unit in the semester they apply are required to reapply.
6. Obtain textbook and course materials for BSN 301 & 310 and other classes (See BSN book order form in this schedule.) and begin preparing for class.
7. Review module text; complete pre-assignment before first class.
8. Attend first class meetings.
9. You may not attend class until the Admissions and Records Office performs an evaluation of your documents and admits you.
10. When you are notified of formal admission, contact your advisor to develop a Program of Study for degree completion.

BSN COURSE INFORMATION

CURRICULUM

A total of 124 semester units must be completed through instruction and/or assessment options (A minimum of 40 units in upper division courses is required.)

TRANSFER

Community College	maximum 70 units
Four Year Institution	unlimited transfer units
Nursing Major Courses	54 units
General Education and/or Electives	consult individual transcript evaluation

12 units of integrated nursing courses must be completed through the Division of Nursing.

ACADEMIC REGULATIONS

A cumulative grade point average of 2.0 or better in all courses taken to satisfy the requirements for the degree is required. A student will be placed on probation if, in any term, he or she has failed to earn a grade point average of 2.0 or higher for the work taken that term. During the subsequent probationary term the student must achieve a grade point average of 2.0 or better. Failure to do so will result in dismissal from the program.

All nursing major and nursing support courses/modules must be completed with a grade of "C" or better. A course/module may be repeated only once according to University policy.

ELECTIVE COURSES FOR MATRICULATED STUDENTS

Undergraduate and graduate students may earn elective credit. Undergraduate students taking a graduate level course may specify in writing to Admissions and Records Office at the time of registration if the credit earned is to be applied toward the BSN degree or reserved for a future graduate degree.

NURSING MAJOR

INTRODUCTORY COURSE

Number	Course	Semester Units
BSN 301	Technology for the Information Age	1
BSN 310	Expanding Professional Nursing Horizons	2

NURSING SUPPORT COURSES

Number	Course	Semester Units
BSN 305***	Human Diversity and Health Care	4
BSN 315***	Life Cycle	3
BSN 345	Pathophysiology	4
BSN 405*	Statistics	3

INTEGRATED NURSING COURSES***

Number	Course	Semester Units
BSN 340	Professional Collaboration	3
BSN 380**	Health Assessment	4
BSN 400	Health Promotion and Teaching	3
BSN 410**	Health Management I	5
BSN 420**	Health Management II	5
BSN 430	Health Care Systems, Policy and Finance	3
BSN 460	Research Utilization	3
BSN 480	Leadership in Nursing Practice	3
BSN 490	Management in Nursing Practice	3

ELECTIVES

Number	Course	Semester Units
BSN 325	Complimentary & Alternative Health Care Modalities	1
BSN 335	Biochemistry	4
BSN 426	Telehealth	2

*Students are expected to bring a calculator with memory, square root, squares and reciprocals to all classes. Pre-requisite: Taking and passing the Entry Level Mathematics (ELM) test or equivalent.

**See module text for instruments/materials required for theory and performance modules.

***Non sequenced; modules may be taken in any order. Not for students admitted Fall '99 and after.

Courses and modules must be successfully completed in the specified order unless they are non sequenced. Certain modules within a course may be sequenced. Any deviation from meeting the course prerequisites or sequence is subject to prior written approval of the Coordinator.

PERFORMANCE COURSES

The following courses have a clinical component designated as a performance module: 380.4 (1 unit), 410.4 (2 units), 420.4 (2 units), 480.3 (1 unit), and 490.3 (1 unit).

Performance courses occur in a clinical field setting and involve a clinical preceptor as well as the course instructor. All performance courses have TBA dates and hours in addition to those listed in the class schedule. Refer to the course module text for more specific information on preceptorship and materials needed for the cognizant performance module.

BSN 410.4 & 420.4 require 50+ hours of time in an agency. Students should anticipate this and make appropriate arrangements in their work and child care schedules.

BSN COURSE INFORMATION

NEW CURRICULUM

The undergraduate faculty is pleased to introduce the newly revised baccalaureate curriculum. In keeping with its history of leading edge content and delivery modes, the new curriculum is community-based, population focused and emphasizes health promotion. **All students admitted Fall 1999 and after will be obligated to this curriculum. The new courses will be phased in gradually.**

The nursing major is composed of 51 core units and 3 elective units chosen from such timely topics as health and the global village, case management, telehealth, and continuous quality improvement to name a few. A summary course numbers grid is shown below. Please consult with your academic advisor for planning a program of study.

Students who entered the program before Fall 1999 (continuing students) should also consult their academic advisor.

The shift for new and continuing students is intended to be seamless and not to increase any units needed to graduate. Students are strongly encouraged to consult with their academic advisor for individual navigation through the transition of courses

BSN 301 TECHNOLOGY FOR THE INFORMATION AGE (1).

Prerequisite: Admission to undergraduate program. This course focuses on the impact of the information age on nursing education, research and practice. Informatics as a discipline is introduced. Access to a computer with modem, e-mail including a personal address and WWW capability is required.

BSN 310 PROFESSIONAL NURSING HORIZONS (2).

Prerequisite: Admission to undergraduate program. This two-unit course presents a systematic problem-solving approach which will help nurses assess potential roles and options, establish career goals, and identify resources which can guide them on a path toward fulfilling their own educational and professional goals.

BSN 305 HUMAN DIVERSITY AND HEALTH CARE (4).

Pre- or Corequisite: BSN 310. Uses cross cultural and family theory to explore forms of human diversity, including culture, gender, age, and family form. Analyzes how human diversity affects health/illness dynamics, and how recognition of ethnocentrism and bias can help improve health care delivery.

BSN 315 LIFE CYCLE (3).

Pre- or Corequisite: BSN 310. This three unit course explores the biological psychological, cognitive, and social aspects of human development throughout each stage of the life cycle. Each module is organized around the growth of the individual within the context of the family structure.

BSN 340 PROFESSIONAL COLLABORATION IN NURSING PRACTICE (3).

Pre- or Corequisite: BSN 301 & 310. Examines communication skills critical to the practice of nursing, incorporating theoretical principles and applications. Includes analysis of helping relationships with clients, as well as collaboration, networking, negotiation, and conflict resolution in interdisciplinary health care settings.

BSN 345 PATHOPHYSIOLOGY (4).

Pre- or Corequisite: BSN 301 & BSN 310. Explores the response of the human body to illness and injury with respect to common disorders of the major physiologic systems. Clinical correlations are provided to assist the health professional in applying this knowledge toward proposing therapeutic interventions.

BSN 360 PROFESSIONAL ISSUES IN NURSING (4).

Pre- or Corequisite: BSN 310. This course explores the foundations of professional nursing from historical, philosophical, ethical, political and legal perspectives. Significant issues are analyzed and strategies presented to foster excellence in nursing practice. The relationship between theory, research, and nursing process is discussed in-depth and related to problem solving in the profession. The health care delivery system is examined, as are the diverse roles and settings for nursing practice.

BSN 380 HEALTH ASSESSMENT (4).

Prerequisite or Corequisite: BSN 301, BSN 310 & all other 300 level courses. Provides opportunity to gain basic knowledge and skills required to perform a complete nursing health assessment of pediatric, adult and geriatric patients. The performance component provides opportunity for application of knowledge and skills in the practice setting.

BSN 400 HEALTH TEACHING AND PROMOTION (3).

Pre- or Corequisite: all BSN 300 level courses. Explores the concepts of health promotion and interrelates them with the health teaching process. A variety of client situations and appropriate teaching strategies are considered. Learning needs within health care institutions are investigated and program evaluation is addressed.

BSN 405 STATISTICS (3).

Prerequisite: Fulfillment of the ELM requirement for BSN students. Includes development and application of the following topics: Descriptive and Inferential Statistics, Mathematics of Finance, Linear Programming and Graph Theory.

BSN 410 HEALTH MANAGEMENT (5).

Prerequisite: all BSN 300 level courses. This course investigates how the community health nurse promotes the health of individuals and families in the community. The theoretical foundations and methodology of community health nursing practice are explored as well as the health barriers which the community health nurse seeks to overcome. Family theory and the family nursing process are analyzed. The course also examines how a community health nurse working in a home health care agency addresses the nursing care problems of specific client populations. The course also includes a performance component where students in a field-experience setting apply the theoretical constructs of community health nursing to health care situations encountered in a community health agency. The performance component may be completed concurrently with the BSN 420 performance component directly following completion of all BSN 410 and 420 theory modules.

BSN 420 HEALTH MANAGEMENT II (5).

Prerequisite: all BSN 300 level courses, 410 recommended. This course explores the field of community health nursing from an epidemiological perspective and focuses on the personal and environmental health of the total population. Attention is given to group process and change agency. Methods of epidemiology are examined and related to appropriate nursing interventions at each level of prevention. Epidemiological principles are applied to situations that community health nurses commonly encounter in their work with official health departments. The course also includes a performance component where students in a field experience setting apply the theoretical constructs of community health nursing to health care situations encountered in the official department.

BSN COURSE DESCRIPTION

BSN 430 HEALTH CARE SYSTEMS, POLICY AND FINANCE (3).

Pre or Corequisite: all BSN 300 level courses. Overview of health policy generation, regulation and implementation. Nursing is viewed as pivotal in promoting public health policy, advocating for nursing and health care reform and critically evaluating key outcomes of health care programs. Financing models are critically examined.

BSN 460 NURSING RESEARCH UTILIZATION (3).

Pre- or Corequisite: All BSN 300 level courses, BSN 405 may be concurrent. Examines scientific clinical nursing rationale for research utilization and theory-based practice. Concepts of research methods, processes, analyze relevant nursing problems for clinical effective practice.

BSN 480 LEADERSHIP IN NURSING PRACTICE (3).

Prerequisite: all BSN 300 level courses. This course explores effective and ineffective leadership styles and the role of leader is emphasized. Change agency processes are discussed and factors affecting assignment-making and evaluation of personnel are identified. The course includes an integrated performance component where students in a field experience setting practice professional nursing leadership for a nursing team, including team conferences, patient assignments, problem-solving, written communications within an institution, and performance appraisals of nursing personnel.

BSN 490 MANAGEMENT IN NURSING PRACTICE (3).

Prerequisites: all BSN 300 level courses. This course explores contemporary management theories, issues of power sharing, labor relations management, patient care evaluation, standards development and the emergence of computers as a management tool for nursing. The course includes an integrated performance component where students in a field experience setting practice systems analysis, flow charting, performance evaluation, nursing policy development, nursing quality evaluation and financial evaluation of a segment of a nursing system.

BSN 494 INDEPENDENT STUDY (1-3).

A course of study designed cooperatively by student and instructor, and approved by the Program Director, to accomplish individualized learning objectives that are appropriate to the role of the professional nurse. (Students should contact advisor prior to enrolling to determine the appropriateness of this course for degree completion.)

BSN 495 SPECIAL TOPICS/COLLOQUIA (1-3).

These courses offer student groups an opportunity to explore a topic of current interest to the nursing profession with colleagues, faculty and special guest speakers.

PUBLIC HEALTH NURSE CERTIFICATE

PUBLIC HEALTH NURSE CERTIFICATE ELIGIBILITY PROGRAM

Coordinator:

Cynthia Johnson, R.N., Ed.D.
Division of Nursing, LCH A-309
California State University, Dominguez Hills
1000 E. Victoria Street
Carson, CA 90747
310/243-2523 or 800/344-5484
Internet: www.csudh.edu/soh/pub.html and www.csudh.edu/soh/roleperf
E-mail: cjohnson@dvhx20.csudh.edu

The Division of Nursing offers nurses with baccalaureate degrees from foreign nursing schools, non-NLN accredited nursing schools, or those with non-nursing baccalaureate degrees the opportunity to complete the requirements for the Public Health Nurse Certificate. The Board of Registered Nursing (BRN) issues the Public Health Nurse Certificate in California when specific course content has been completed. The process for obtaining the certificate differs depending on where the nurse received their bachelor's degree. Find the category below that best describes your educational preparation and follow the instructions given.

DIVISION OF NURSING, BSN GRADUATES

All BSN graduates of the Division of Nursing are automatically eligible for the Certificate. Upon graduation, the names of BSN graduates are forwarded to the BRN by the Division of Nursing.

- Contact the BRN at 916/322-1988 or write P. O. Box 944210; Sacramento, CA 94244-2100 and request a PHN Certificate application.
- Return the completed application to the BRN with the \$75 fee.

CURRENT DIVISION OF NURSING, MSN PATHWAY STUDENT

You must be a current MSN Pathway student. After completing the Pathway requirements:

- Contact the MSN office 310/ 243-2050 and obtain a **change of objective form**.
- Complete and return this form, and a copy of your transcripts and Pathway evaluation (Graduate Student Action for Conditional Admission form) to the PHN Coordinator for review and evaluation.
- If all requirements have been met, your name will be forwarded to A & R for clearance and then to the BRN.
- Contact the BRN and request a PHN Certificate application.
- Complete the application and return to the BRN with a \$75 fee.

GRADUATES FROM A FOREIGN NURSING SCHOOL : DO NOT ATTEND WORKSHOP

If you are currently licensed as a registered nurse in California and have earned a BSN from a school outside the United States or from a U.S. school that was not accredited by the National League for Nursing at the time that you graduated:

- Contact the BRN at the 916/322-1988 or write P. O. Box 944210, Sacramento, CA 94244-2100, and request a PHN Certificate application.
- Complete and return the application to the BRN with the \$75 fee.
- Request transcripts be sent to the BRN from all schools you have attended.

- The BRN will evaluate your transcripts for completion of PHN Certificate content and will either issue the certificate or a letter of deficiency.
- If you receive a letter of deficiency contact **Dr. Cynthia Johnson** 310/243-2523 or clerical assistant **Kunnary Mok**, for a letter of process and instructions, enroll in the required courses using Open University registration form. (See table of contents).
- After completing required coursework, request that your transcripts be sent by CSUDH to the BRN & your certificate will be issued by them in 6-8 weeks.

NURSES WITH NON-NURSING BACCALAUREATE DEGREES:

If your bachelors degree is **NOT** in nursing:

- Enroll in one of the workshops listed on the following page.
- You will then receive confirmation and requirements.
- Send copies of all unofficial transcripts and course description to the PHN Coordinator **one month prior** to the workshop.
- Following the workshop and transcript evaluation, you will be eligible to apply for admission to the PHN program, and to enroll in the courses you need.
- When all requirements are met, you will be eligible to apply to the BRN for the PHN Certificate.

*Most courses may be completed via computer.

**These courses may be completed through an assessment option according to existing program policy.

To register for the workshop, detach and send the registration form with the \$100.00 fee (payable to CSU Foundation) to Dr. Cynthia Johnson at the address above. Confirmation and directions to the workshop location will be sent upon receipt of registration and fees. Space is limited and will be available on a first come, first serve basis. Workshop fee is refundable upon written request up to **two weeks prior to the date of the workshop**. The evaluation fee is **not refundable**.

Flow Process for a PHN Certificate Program

PUBLIC HEALTH NURSE CERTIFICATE ELIGIBILITY WORKSHOP

Date: _____ Social Security Number: _____
 Name: _____ Last _____ First _____ RN License #: _____ Exp date: _____
 Address: _____ Home Phone: _____
 _____ Work Phone: _____
 Fax: _____ E-mail: _____

Circle preferred workshop date and location:

CSU, Dominguez Hills
 1000 E. Victoria St.
 Carson, CA 90747
 9 am-4 pm

Friday, April 7, 2000
 Friday, September 8, 2000

Seton Medical Center
 1900 Sullivan Ave.
 Daly City, CA 94015
 9 am-4 pm

Friday, April 14, 2000
 Friday, September 15, 2000

Enclose \$100 (\$50 for morning workshop and \$50 evaluation fee). A confirmation letter and directions will be sent to you. Send copies of all unofficial transcripts for pre-workshop evaluation one month prior to workshop date. After the morning workshop, should the applicant decide to pursue the PHN Eligibility Program, the afternoon workshop must be attended for a fee of \$75.00 paid on-site.

•Please note foreign BSN graduates are evaluated directly by the BRN and **Do NOT attend the workshops.**

GRADUATE NURSING SCIENCE

Acting MSN Program Coordinator: Kathleen O'Connon, R.N., Ph.D.
CSU Dominguez Hills
1000 E. Victoria Street
Carson, CA 90747
310/243-2050 or 1-800-344-5484
E-mail: csnarr@soh.csudh.edu

THE PROGRAM

The graduate program prepares professional nurses for advanced and specialized practice. The curriculum is organized around the role of the nurse in societal institutions with emphasis on the application of theory through excellence in professional practice, and the advancement of the profession through research, leadership, and scholarship for the ultimate benefit of the health care needs of society.

PROGRAM OBJECTIVES

Upon completion of the program graduates will be able to:

1. Use epidemiological, social, environmental, and physiological data to draw inferences regarding the health status of individuals, families, groups, and communities, with a special emphasis on vulnerable, high risk, and diverse populations;
2. Develop, monitor, and evaluate comprehensive, holistic plans of care that address the health promotion, disease prevention, and health deviation needs of client populations;
3. Incorporate theories and research in generating nursing interventions to promote, preserve, and restore health and healthy lifestyles in client populations;
4. Foster multidisciplinary approaches to strategies and resources which empower client populations to attain and maintain maximal functional wellness;
5. Influence regulatory, legislative, and public policy in private and public arenas to promote and preserve healthy communities; and
6. Practice in an advanced nursing leadership role to influence professional and healthcare systems.

ROLE EMPHASIS OPTIONS

The curriculum allows the student to request role emphasis as nurse educator, nurse administrator, clinical nurse specialist in parent-child nursing or gerontological nursing, or family nurse practitioner. Through a personalized Program of Study the curriculum is individualized and reflective of the student's learning needs and professional goals. **The parent-child role option will not be offered in Spring 2000.**

ADMISSION REQUIREMENTS

Please refer to the section on Admissions. In addition, please note the following special requirements for admission to the MSN program:

1. Completion of a baccalaureate degree from a regionally accredited institution with an upper division major in nursing (BSN) and NLN accredited nursing program or the equivalent as determined by the Student Affairs Committee.
2. Overall grade point average of 3.0 (on a four-point scale) or higher in the last 60 semester (90 quarter) units attempted, or demonstrated academic ability as required by the faculty, following the appeal process.
3. Current licensure in the United States. License must be submitted with application. Personal professional liability insurance is required prior to enrolling in a nursing performance course.
4. As indicated in the Admission Application, send an official transcript to Admissions and Records and request a copy be sent directly to you.
5. The Graduation Writing Examination (GWE) must be met prior to **OR** during the first semester of coursework with a score of 8 or better.

NON-NURSING BACHELOR'S DEGREES

Registered nurses who have earned a bachelor's degree in another field may be eligible for the BA/BS Pathway to the MSN degree. (See this schedule for information on the MSN Pathway.) All potential Pathway students must attend a special MSN Pathway Program Workshop.

FEDERAL TRAINEESHIPS

A Professional Nurse Traineeship grant may be awarded by the **Department of Health and Human Services, Public Health Service**. The grant monies when awarded are designated for registration fees and other expenses for selected students who are pursuing graduate level coursework in nursing as Nurse Educators, CNSs, or FNPs, and meet the eligibility criteria

MS NURSING INFORMATION

established by the USDHHS, PHS and CSUDH/Graduate Nursing Department. Nurse Administrator students are not eligible under Federal guidelines. Please call 310/243-2050 for current information regarding eligibility and application procedures.

PROGRAM STRUCTURE

All Students complete 17 units of core courses before beginning role emphasis courses.

Students may request role emphasis preparation as: **Nurse educator with advanced clinical focus, nurse administrator, parent-child clinical nurse specialist, gerontology clinical nurse specialist, family nurse practitioner.**

Within the role emphasis option subspecialization may occur. The student focuses on a specific nursing practice area. For example, quality improvement, the depressed elderly, parenting, or client education/teaching.

HOW TO BEGIN

1. Review program materials and attend an information session.
2. Submit admission application and fee. Request a CSU admission application packet by calling 310/243-3596 or application is online at <http://www.csudh.edu>.
3. Request transcripts (As indicated in the Admission Application, have official transcripts sent directly to Admissions and Records. Request a copy sent directly to you.) All documents must be in by the deadlines stated in this schedule.
4. Submit copy of R.N. license with application.
5. Register for Nursing Informatics and attend Mandatory Workshop. Order texts and course materials from Textbook Connection.
6. With your first registration, add \$5.00 to your total fee. The \$5.00 is a ONE TIME fee to cover costs and handling of your ID/library card.
7. You will be notified formally of your admission status.
8. You must take at least one unit in the term for which you applied.

CURRICULUM*

The program consists of 33-53 semester units of approved graduate study. The curriculum consists of core courses, role option, role performance courses, and a directed project, or thesis, or comprehensive exam. Elective units round out the graduate program requirements. Up to nine approved units may be accepted for transfer credit. All role performance courses have dates and hours in addition to those listed in this class schedule. A revised MSN curriculum was implemented in July, 1998 following University Curriculum Committee approval.

- All prerequisites, MSN coursework, and Directed Project, or Thesis, or Comprehensive Examination can be completed within the 5 year time period designated by CSUDH depending on personal preferences for class sites and dates, and the number of units carried each semester.
- Grade averages are calculated each semester by University Admissions and Records. To maintain acceptable standing in the MSN program a "B" average is required.
- **All core courses are non-sequenced except for Informatics which must be taken prior to or concurrent with first core course.**
- Any deviation in course/module sequence requires prior written approval by the Graduate Coordinator and Department Chair.
- All coursework, including electives, are to be completed prior to MSN 599, Directed Project, Thesis or Comprehensive Exam.

Core Courses (17-20 units)

- MSN 501.** Nursing Informatics (1)
MSN 504. Advanced Nursing Roles (2)
MSN 510. Theories for Advanced Nursing Roles (3)
MSN 513. Health Care Policy/Economics (3)
MSN 514. Health Promotion and Disease Prevention (3)
MSN 530. Research Utilization in Advanced Nursing Practice (3)
MSN 535. Ethics in Advanced Nursing Roles (2)
MSN 599. Directed Project or Thesis (3)

Each student selects one of the role options listed below:

Parent-Child Clinical Nurse Specialist Option (23 units)*

- MSN 523.** Clinical Specialist: Parent-Child (3)
MSN 525. Clinical Nurse Specialist (3)
MSN 526. Pharmacology (3)**
MSN 527. Advanced Health Assessment (3)**
MSN 553. Childbearing Role Performance (2)**
MSN 563. Emerging Family Role Performance (2)
MSN 573. Early Childrearing Role Performance (2)
MSN 583. Culminating Role Performance (2)
MSN 591. Applied Research for Nursing Practice I (1)****
MSN 592. Applied Research for Nursing Practice II (2)****

*Parent child role option will not be offered Spring 2000.

Gerontology Clinical Nurse Specialist Option (23 units)

- MSN 524. Clinical Specialist: Gerontology (6)
 MSN 526. Pharmacology (3)**
 MSN 527. Advanced Health Assessment (3)**
 MSN 554. Gerontology Clinical Nurse Specialist:
 Role Performance (2)
 MSN 564. Therapeutic Interventions: CNS Gerontology
 Role Performance (2)
 MSN 574. Therapeutic Interventions Role Performance:
 Gerontology CNS (2)
 MSN 584. Culminating Role Performance (2)
 MSN 591. Applied Research for Nursing Practice I (1)
 MSN 592. Applied Research for Nursing Practice II (2)****

Nurse Education Option (13 units + 3 units electives)

- MSN 521. Nurse Educator: Theory (4)
 MSN 551. Nurse Educator: Role Performance I (2)
 MSN 561. Nurse Educator: Role Performance II (2)
 MSN 571. Nurse Educator: Role Performance III (2)
 MSN 591. Applied Research for Nursing Practice I (1)
 MSN 592. Applied Research for Nursing Practice II (2)****
 Electives-Select a 3-unit module from either MSN 523 or MSN 524

Nurse Administrator Option (13 units + 3 units electives)

- MSN 522. Nurse Administrator: Theory (4)
 MSN 552. Nurse Administrator: Role Performance I (2)
 MSN 562. Nurse Administrator: Role Performance II (2)
 MSN 572. Nurse Administrator: Role Performance III (2)
 MSN 591. Applied Research for Nursing Practice I (1)
 MSN 592. Applied Research for Nursing Practice II (2)****

Electives-Select 3 units

Family Nurse Practitioner (33 units)***

- MSN 526. Pharmacology (3)
 MSN 527. Advanced Health Assessment (3)
 MSN 556. Family Primary Care I (4 units sequenced)
 MSN 557. Family Primary Care I Role Performance (4)
 MSN 566. Family Primary Care II (4)
 MSN 567. Family Primary Care II Role Performance (4)
 MSN 576. Family Primary Care III (4)
 MSN 577. Family Primary Care III Role Performance (4)
 MSN 591. Applied Research for Nursing Practice I (1)****
 MSN 592. Applied Research for Nursing Practice II (2)****

**MSN 526, 527 required for Parent-Child CNS and Gerontology CNS beginning Spring 2000.

***A Post-MSN Family Nurse Practitioner Program (30 units) is also offered. Call 310/243-2050 for information.

****MSN 592 will not be available until Spring 2000.

COMPLETION OF DEGREE

Prior to the completion of MSN 592 Advanced Nursing Research, the graduate student must request one of the following culminating experiences:

Alternative I: Coursework and Thesis or Directed Project (33-53 units)

1. Complete approved program with a minimum of 33 units of coursework depending on role option with at least a 3.70 GPA for Thesis and 3.50 GPA for directed Project.
2. Complete approved thesis or directed project (3 units). See advisor for guidelines and selection criteria for Thesis or Directed Project.

Alternative II: Coursework and Examination (33-53 units)

1. Complete an approved program of 33-53 units of coursework depending on role option with at least a "B" (3.0) average (including core courses).*
2. Pass a comprehensive written examination. After completion of all coursework the student may apply to take the comprehensive examination. There is only **one** retake opportunity.

*If a comprehensive exam is elected rather than the directed project or thesis, 3 units of electives must be taken except for FNP role option students.

COURSE PREREQUISITES

Certain MSN courses require the successful completion of prerequisites not offered as part of the graduate program, but available as undergraduate nursing courses. These prerequisite courses are as follows:

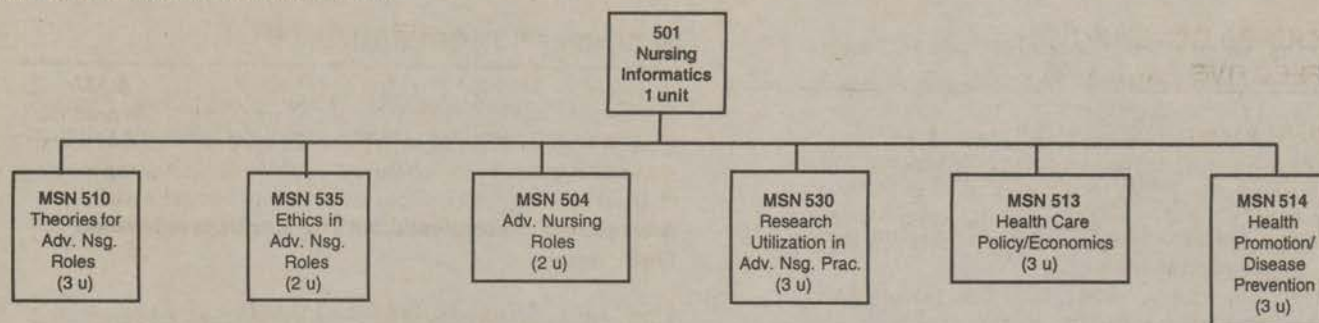

Statistics and Nursing Research: An upper division statistics course (inferential and descriptive) or equivalent **and** an upper division introductory research course or equivalent are prerequisite to MSN 530.

Health Assessment: An academic, upper division, undergraduate course with clinical lab experience or equivalent is required of Health Educator, Clinical Nurse Specialist and Family Nurse Practitioner students. This course must be less than 5 years old beginning with students admitted to MSN program in Spring 1998.

Pathophysiology: An academic upper division, undergraduate course or equivalent course is required for the Clinical Nurse Specialist and Family Nurse Practitioner admitted to MSN program in Spring 1998.

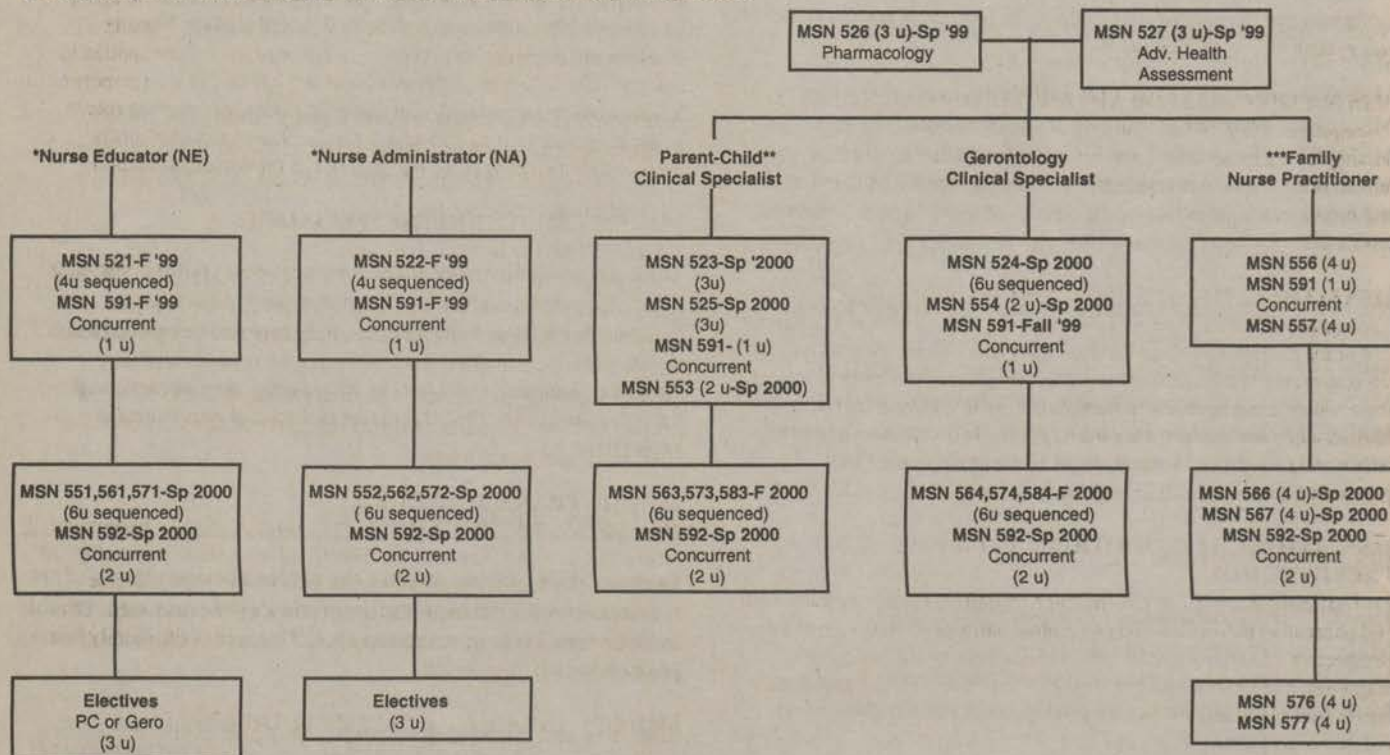

CORE COURSES

All Core Courses implemented Fall, 1998.

ROLE OPTION (All core courses must be completed prior to role option)

Date following course number signifies when revised/new curriculum will be implemented.

ELECTIVES

MSN 536 (3 u)
Case Management

MSN 555 (3 u)
Quality Management

MSN 537 (3 u)
Gerontology

CULMINATING EXPERIENCE (All coursework including electives must be completed prior to culminating experience.)

Directed Project, or Thesis
MSN 599
(3 u)

OR

*Comprehensive Examination
(0 u)

*Plus electives as required.

**Parent-Child CNS will not be offered as a role option Spring 2000. MSN 523 will be offered as an elective Spring '99 for nurse educators.

***A post MSN FNP certificate program is also offered. See the following pages for additional information.

COURSE DESCRIPTIONS EFFECTIVE FALL 1998

MSN 501 NURSING INFORMATICS (1).

Contribution of nursing informatics to advanced roles is examined, including relationships among critical thinking, computer literacy, information literacy, and nursing informatics. Exercises in data/information management applied to nursing research, theory, and advanced role evaluated.

MSN 504 ADVANCED NURSING ROLES (2).

Prerequisite: MSN 501 or concurrent enrollment. This course will facilitate transition into advanced nursing roles. The requirements for and the regulation of advanced roles will be explored, including dealing with role ambiguity and changing role boundaries. Participation in the profession and exertion of leadership in the profession and the health care system will be examined.

MSN 510 THEORIES FOR ADVANCED NURSING ROLES (3).

Prerequisite: MSN 501 or concurrent enrollment. Focuses on the use of nursing theory in advanced nursing roles in response to health related human phenomena in diverse settings. The evolution of nursing models and theories is explored including history, philosophy of science, and utilization.

MSN 513 HEALTH CARE POLICY/ECONOMICS (3)

Prerequisite: MSN 501 or concurrent enrollment. Explores characteristics of the current healthcare environment with emphasis on advanced nursing practice, as it pertains to policy development, health planning, and economic management at the national, state and local levels. Multidisciplinary decisions regarding equitable distribution of existing resources, policy development, program evaluation, and client/population outcomes will be explored.

MSN 514 HEALTH PROMOTION AND DISEASE PREVENTION (3)

Prerequisite: MSN 501 or concurrent enrollment. Examines traditional and alternative theoretical and conceptual bases of wellness from the perspective of nursing and health. The focus is on the assessment, diagnosis, intervention and outcome evaluation of wellness and disease prevention needs and issues encountered in advanced nursing roles.

MSN 521 NURSE EDUCATOR: THEORY (4).

Prerequisites: MSN 501, 504, 510, 513, 514, 530, 535 and 523 or 537. *Concurrent enrollment in MSN 591 is required.* Examines the role of nurse educator in community, academic and agency settings. Curriculum development is analyzed, synthesized, and evaluated. Emphasis on transforming a curricular framework into instructional design reflecting current learning theory, technology, and healthcare systems.

MSN 522 NURSE ADMINISTRATOR: THEORY (4).

Prerequisites: MSN 501, 504, 510, 513, 514, 530 and 535. *Concurrent enrollment in MSN 591 is required.* This course examines the evolution and contemporary status of the role of the nursing service administrator within complex systems. Particular emphasis will be placed upon the management of primary organizational, financial and human resources, utilization of information science and technology, and selected conceptual tools.

MSN 523 CLINICAL NURSE SPECIALIST: PARENT CHILD I (3).*

Prerequisites: MSN 501, 504, 510, 513, 514, 530, 535, 526 & 527. *Concurrent enrollment in MSN 553 & 591 are required.* An academic, upper division undergraduate Health Assessment and Pathophysiology is required. Focuses on the child and family from childbearing and early childrearing through adolescence, emphasizing biopsychosocial and developmental aspects of child, family and parent growth and development.

MSN 524 CLINICAL NURSE SPECIALIST: GERONTOLOGY (6).

Prerequisites: MSN 501, 504, 510, 513, 514, 530, 535, 526 & 527. *Concurrent enrollment in MSN 554 and 591 are required.* An academic, upper division undergraduate Health Assessment and Pathophysiology is required. Theoretical perspectives on aging and normative aging processes within the context of the family and society. Nursing assessment, diagnosis, intervention and evaluation will be applied to common alterations in health as well as to high-risk human responses to health problems associated with aging. The advanced nursing role in promoting, maintaining and advocating health for senior adults is emphasized including fostering self-care in the senior population.

MSN 525 CLINICAL NURSE SPECIALIST: PARENT CHILD II (3)

Prerequisite: MSN 501, 504, 510, 513, 514, 530, 535, 523, 526, and 527. *Concurrent enrollment in MSN 553 and 591 are required.* Building on CNS Parent Child I, Pharmacology and Advanced Health Assessment, the advanced practice role of the nurse as clinician, researcher, educator, consultant in the planning, development, implementation and evaluation of programs for special populations is emphasized.

MSN 526: PHARMACOLOGY (3)

Prerequisites: MSN 501, 504, 510, 513, 514, 530, 535 or permission of Chair. This course examines the theoretical basis for pharmacological treatment of common health problems seen by the Family Nurse Practitioner. Selected classifications of drugs will be discussed. Ethical and legal issues of drug administration and the role of the Family Nurse Practitioner will be explored.

MSN 527: ADVANCED HEALTH ASSESSMENT (3)

Prerequisites: MSN 501, 504, 510, 513, 514, 530, 535 or permission of Chair. Examines theory and practice of advanced health assessment, and application to the advanced practice role. Emphasizes analysis and synthesis of subjective and objective data to identify health problems and develop management plans. Health promotion, risk factor identification, and recognition of common abnormalities in advanced practice are explored.

MSN 530 RESEARCH UTILIZATION IN ADVANCED NURSING PRACTICE (3).

Prerequisites: MSN 501 or concurrent enrollment. *Requires an upper division statistics and research courses.* Prepares the nurse to critique and apply research findings in nursing practice. Critical thinking is related to problem identification, assessment of data, and outcome evaluation. Research methodologies, including qualitative and quantitative approaches, are examined and related to nursing informatics.

*The parent-child roleoption will not be offered in Fall, 1999.

MSN COURSE DESCRIPTIONS

MSN 535 ETHICS IN ADVANCED NURSING ROLES (2).

Prerequisites: MSN 501 or concurrent enrollment. Examines the theoretical/conceptual bases of ethics from a nursing perspective. Focus is on the analysis, synthesis, and resolution of ethical issues encountered in advanced nursing roles. Ethical relationships among nursing theory, research, and practice in healthcare delivery to a diverse population are explored.

MSN 536: CASE MANAGEMENT ACROSS THE HEALTH CARE CONTINUUM(3)-ELECTIVE

Prerequisites: MSN 501 or concurrent enrollment; 504 is recommended. Student examines clinical case management in depth. Models of nursing care delivery are compared/contrasted with clinical case management. Student articulates current economic influences on case management, and develops business plan strategy.

MSN 537: GERONTOLOGY FOR NURSES (3)-ELECTIVE

Prerequisites: MSN 501 & 504. This course focuses on the health care delivery system and public policies that affect older adults. Theory and current research associated with common clinical problems and therapeutic nursing interventions are examined. Nursing care of at risk groups is emphasized.

MSN 551 NURSE EDUCATOR: ROLE PERFORMANCE I (2).

Prerequisites: MSN 521 and concurrent enrollment in 592 is required. Clinical focus provides the basis for implementing the nurse educator role in an educational institution or health care setting. The student will apply and evaluate didactic and clinical teaching/learning concepts and strategies. "CR/NC grading."

MSN 552 NURSE ADMINISTRATOR: ROLE PERFORMANCE I (2).

Prerequisites: MSN 522 and concurrent enrollment in 592 is required. An opportunity for the student to initiate the nurse administrator role in a selected health care setting, focusing on a change project. The student will formulate, implement and evaluate a change plan based on a conceptual nursing model. "CR/NC grading."

MSN 553 CHILD BEARING AND REARING: ROLE PERFORMANCE: TODDLER: PARENT-CHILD CNS (2).*

Prerequisites: MSN 501, 504, 510, 513, 514, 530, 535, 526 & 527. *Concurrent enrollment in 523, 525 and 591 are required.* An opportunity for the student to implement the clinical nurse specialist role in a selected health care setting which focuses on the childbearing family. The student will provide comprehensive advanced clinical nursing care in collaboration with the multidisciplinary health care team. "CR/NC grading"

MSN 554 GERONTOLOGY CLINICAL NURSE SPECIALIST: ROLE PERFORMANCE (2).

Prerequisites: MSN 501, 504, 510, 513, 514, 530, 535, 526 & 527. *Concurrent enrollment in MSN 524 and 591 are required.* An opportunity to implement the gerontological CNS role in a selected health care setting. Emphasis is on health screening and clinical decision making related to ethics, legal and regulatory influences on care of elderly persons. Instructor and clinical preceptor guide experiences. "CR/NC grading"

MSN 555 QUALITY IMPROVEMENT IN HEALTH CARE (3)-ELECTIVE

Prerequisite: MSN 501. This course explores the evolution of quality initiatives in health care. The major elements of a quality assessment and improvement program and their relationship to organizational performance are explored. Outcomes assessment and management in health care are explored as unique to the health care setting.

MSN 556: PRIMARY CARE OF THE FAMILY I (4)

Prerequisites: MSN 526 and 527 or permission of Chair. *Concurrent enrollment in MSN 591 is required.* Examines theoretical basis for pharmacological treatment of common health problems. Emphasis will be placed on comprehensive assessment and management of common acute health problems seen in the care of clients across the life span.

MSN 557: PRIMARY CARE OF THE FAMILY I: ROLE PERFORMANCE (4)

Prerequisites: MSN 526 and 527 or permission of the Chair. *Concurrent enrollment in MSN 591 is required.* This preceptored supervised clinical experience emphasizes comprehensive assessment and management of common health problems seen in the primary care of clients across the life span. Emphasis will be placed on the primary care of the individual and family within a culturally diverse environment. "CR/NC grading"

MSN 556: PRIMARY CARE OF THE FAMILY II (4)

Prerequisites: MSN 556, 557 or permission of Chair. *Concurrent enrollment in MSN 591 is required.* Examines theoretical and conceptual basis for advanced practice as a Family Nurse Practitioner. Emphasis is on comprehensive assessment and management of common chronic health problems.

MSN 567: PRIMARY CARE OF THE FAMILY II: ROLE PERFORMANCE (4)

Prerequisites: MSN 556, 557 or permission of Chair. *Concurrent enrollment in MSN 591 is required.* This preceptored supervised clinical experience emphasizes comprehensive assessment and management of common acute and chronic health problems seen in the primary care of clients across the life span. Emphasis will be placed on the primary care of the individual and family within a culturally diverse environment. "CR/NC grading"

MSN 576: PRIMARY CARE OF THE FAMILY III (4)

Prerequisites: MSN 566, 567 or permission of Chair. Emphasis will be placed on comprehensive assessment and management of increasingly complex acute and chronic health problems seen in the care of clients across the life span. Specific emphasis will be placed on the primary care of the family unit within a culturally diverse environment.

MSN 577: PRIMARY CARE OF THE FAMILY III: ROLE PERFORMANCE (4)

Prerequisites: MSN 566, 567 or permission of Chair. This final preceptored supervised clinical experience emphasizes comprehensive assessment and management of complex health problems seen in the primary care of clients across the life span. Emphasis will be placed on the primary care of the individual and family within a culturally diverse environment. "CR/NC grading"

MSN COURSE DESCRIPTIONS

MSN 561 NURSE EDUCATOR: ROLE PERFORMANCE II (2).

Prerequisites: MSN 551. *Concurrent enrollment in MSN 592 is required.* The student demonstrates advanced clinical knowledge and competency with a selected population. Clinical knowledge and skill are applied to a teaching situation. "CR/NC grading."

MSN 562 NURSE ADMINISTRATOR: ROLE PERFORMANCE II (2).

Prerequisites: MSN 552. *Concurrent enrollment in MSN 592 is required.* An opportunity for the student to initiate the nurse administrator role in a selected health care setting. The student will apply valid and reliable measures of performance evaluation to nurse administrator performance and organizational performance. "CR/NC grading."

MSN 563 CHILD REARING ROLE PERFORMANCE: PRE-SCHOOL AGE: PARENT-CHILD CNS (2).*

Prerequisites: MSN 553. *Concurrent enrollment in MSN 592 is required.* An opportunity for the student to initiate the clinical nurse specialist role in a selected health care setting which focuses on the emerging family. The student provides advanced clinical nursing care in collaboration with the multidisciplinary health care team. "CR/NC grading"

MSN 564 THERAPEUTIC INTERVENTIONS: CNS GERONTOLOGY ROLE PERFORMANCE (2).

Prerequisites: MSN 554. *Concurrent enrollment in MSN 592 is required.* Focus is on application and evaluation of an advanced practice model under the guidance of a clinical preceptor and instructor. Therapeutic nursing interventions are investigated for theory and research foundations and implemented in providing care to elderly clients. "CR/NC grading"

MSN 571 NURSE EDUCATOR: ROLE PERFORMANCE III (2).

Prerequisites: MSN 561. *Concurrent enrollment in MSN 592 is required.* Student synthesizes knowledge and skill from previous graduate theory and clinical coursework in the nurse educator role in a selected educational institution or health care setting. "CR/NC grading."

MSN 572 NURSE ADMINISTRATOR: ROLE PERFORMANCE III (2).

Prerequisites: MSN 562. *Concurrent enrollment in MSN 592 is required.* An opportunity for the student to initiate the nurse administrator role in a selected health care setting focusing on professional and regulatory requirements. The student formulates a nursing service plan for integrating quality measures with cost control and case management practice. "CR/NC grading."

MSN 573 CHILD REARING ROLE PERFORMANCE: ADOLESCENT: PARENT-CHILD CNS (2).*

Prerequisites: MSN 563. *Concurrent enrollment in MSN 592 is required.* An opportunity for the student to initiate the clinical nurse specialist role in a selected health care setting which focuses on the early childrearing family. The student will provide comprehensive advanced clinical nursing care in collaboration with the multidisciplinary health care team. "CR/NC grading"

MSN 574 THERAPEUTIC INTERVENTIONS: ROLE PERFORMANCE GERONTOLOGY CNS (2).

Prerequisites: MSN 564. *Concurrent enrollment in MSN 592 is required.* An opportunity to develop the CNS role of teacher/leader. Emphasis is on staff development to enhance care provision to elderly clients and on program development and evaluation for at risk groups of elderly

clients. Instructor and clinical preceptor guide experiences. "CR/NC grading"

MSN 583 CULMINATING ROLE PERFORMANCE: PARENT-CHILD CNS (2).*

Prerequisites: MSN 573. *Concurrent enrollment in MSN 592 is required.* An opportunity for the student to select a field setting and operationalize a comprehensive CNS role in a focused clinical specialty. "CR/NC grading"

MSN 584 CULMINATING ROLE PERFORMANCE: GERONTOLOGY CNS (2).

Prerequisites: MSN 574. *Concurrent enrollment in MSN 592 is required.* Continuation of CNS gerontology role development. Emphasis is on the researcher, case manager and consultant subroles. Opportunity is provided, under clinical preceptor and instructor guidance to implement and evaluate the effectiveness of the CNS role in selected health care settings. "CR/NC grading"

MSN 591 APPLIED RESEARCH FOR NURSING PRACTICE I (1)

Prerequisite: MSN 530. *Concurrent enrollment in MSN 524 and 554; or 525 and 553; or 521; or 522; or 556 and 557 are required depending on role option.* Focuses on developing a research question/hypothesis and methodological issues pertaining to specific role emphasis populations. Particular attention is paid to design, sampling, instrumentation, and data collection methods.

MSN 592 APPLIED RESEARCH FOR NURSING PRACTICE II (2)

Prerequisite: MSN 591. *Concurrent enrollment in MSN 551, 561 and 571; or 564, 574 and 584; or 563, 573 and 583; or 552, 562 and 572; or 566 and 567 are required depending on role option.* Provides opportunity to utilize research findings through the conduct of a study focused on a special population related to the student's role option practice as Educator, Administrator, Family Nurse Practitioner, Parent-child Clinical Nurse Specialist, or Gerontology Clinical Nurse Specialist.

MSN 594 INDEPENDENT STUDY (1-3).

A course of study designed cooperatively by student and instructor, and approved by the department chair, to accomplish individualized learning objectives appropriate to the role of the professional nurse. (Students must contact their advisor prior to enrolling.)

MSN 595 SPECIAL TOPICS/COLLOQUIA (1-3).

This course offers student groups an opportunity to explore a topic of current interest to the nursing profession with colleagues, faculty and special guest speakers.

MSN 599 DIRECTED PROJECT OR THESIS (3).

Prerequisites: MSN 591 & 592. The goal of all students enrolled in this course is to complete a scholarly project or thesis under the guidance of an assigned instructor. It is the culminating learning experience of a performance-based curriculum. The project or thesis must demonstrate a rigorous scientific approach, use a clearly documented theoretical framework, and have practical application to the student's selected role emphasis.

MSN 600 PROJECT CONTINUATION COURSE (0).

Students who have not completed their MSN 599 Directed Project or thesis module by the end of the term may enroll in the following term in the Project Continuation Course.

MSN PATHWAY

MSN PATHWAY FOR RNs WITH A NON-NURSING BACCALAUREATE

Pathway students receive advisement directly from the Assistant Chair/Coordinator designated for the region in which you live.

The Division of Nursing Program offers a pathway to facilitate a master's degree in nursing for those nurses who presently hold a bachelor's degree in another discipline.

Graduate study in nursing builds on a foundation of undergraduate professional nursing knowledge. Following an analysis of your previous coursework, a Program of Study will be recommended which includes undergraduate nursing and related coursework or assessments to prepare you for MSN coursework. If you meet the usual University requirements for graduate study and concur with the recommended Program of Study, you will be admitted to the graduate program on a conditional basis. Once the undergraduate course content requirements are successfully met, the conditional status is removed and you may proceed with completing the graduate curriculum. See MSN degree section for more details on graduate curriculum enrollment and completion requirements.

HOW TO BEGIN

1. Obtain copies of all your transcripts.
2. Make copies of your transcripts and send to advisor at least two weeks prior to Pathway Workshop.
3. Obtain course descriptions for content areas not clearly defined by course title.
4. Assemble copies of continuing education certificates of completion and any other practice credentials.
5. Attend a MSN Advisement Session for Pathway students (register at least 2 weeks prior using form below. You will not receive any confirmation of this registration).
6. Confer with advisor regarding Program of Study and process for application to the University and units to be taken within your first semester.

MSN PATHWAY WORKSHOPS (SCHEDULED FOLLOWING THE MSN INFORMATION SESSIONS)

NORTH

ValleyCare Medical Center
Medical Plaza East
5575 W. Las Positas Blvd.
Pleasanton, CA 94588
Saturday, December 4, 9:30-1:30 p.m.
800/344-5484

Summit Medical Center
3100 Summit
Oakland, CA 94609
Thursday, March 2, 3-6 p.m.
800/344-5484

L. A. NORTH

**Veterans Administration
Medical Center**
11301 Wilshire Blvd.
West Los Angeles, CA 90073
Saturday, December 11, 1-5 p.m.
Saturday, May 13, 1-5 p.m.
800/344-5484

L. A. SOUTH

Kaiser Permanente Medical Center
9400 E. Rosecrans Blvd.
Bellflower, CA 90706
Saturday, November 13, 10 a.m.-2 p.m.
For students planning to
begin Spring 2000

Kaiser-Harbor City
25825 S. Vermont
Harbor City, CA 90710
Saturday, April 22, 9 a.m.-1 p.m.
800/344-5484

SOUTHEAST

**Pomona Valley Hospital
Medical Center**
1798 N. Garey Avenue
Pomona, CA 91767
Saturday, May 1, 9 a.m.-1 p.m.
800/344-5484

SOUTHWEST

Kaiser Hospital
411 N. Lakeview
Anaheim, CA 92807
Saturday, December 4, 9 a.m.-1 p.m.
Saturday, May 20, 9 a.m.-1 p.m.
800/344-5484

MSN PATHWAY WORKSHOP REGISTRATION FORM*

Please register me for the MSN Pathway Program Workshop scheduled for:

DATE OF WORKSHOP	INSTITUTION	CITY
Enclosed is my check for \$50 (non-refundable) for the workshop payable to: CSUDH Foundation		
NAME _____	SS # _____	
ADDRESS _____		
PHONE: DAY (____) _____	(City) _____	(State) _____
	EVENING (____) _____	(Zip Code) _____

*Send this form to: Division of Nursing/CSUDH, MSN Pathway, 1000 E. Victoria Street, Carson, CA 90747

Students with BSN: **DO NOT ENROLL IN THIS PROGRAM.** See information for details Note: You will NOT receive any confirmation of this registration.

POST-MASTERS FNP CERTIFICATE

POST-MASTERS FAMILY NURSE PRACTITIONER CERTIFICATE PROGRAM

For Advisement Contact:

Division of Nursing
JoEllen Murata, R.N., Ph.D. F.N.P.
FNP Program Coordinator
CSU Dominguez Hills
1000 E. Victoria Street
Carson, CA 90747
310/243-2050 or 800/344-5484

Graduate Nursing Science offers a Post master's Family Nurse Practitioner Certificate for nurses with master's degrees in nursing who want to develop advanced practice knowledge and skill in primary care of the family. Included in the course of study are advanced health assessment, pharmacology and comprehensive assessment and management of common acute, chronic and complex health problems across the life span within a culturally diverse environment.

ELIGIBILITY REQUIREMENTS

1. Completion of a master's degree in nursing from a regionally accredited institution and NLN accredited nursing program or the equivalent as determined by the Student Affairs Committee.
2. Overall grade point average of 3.0 (on a four-point scale) in units attempted, or demonstrated academic ability as required by the graduate faculty, following the appeal process.
3. Current RN licensure in the United States. Personal professional liability insurance is required prior to enrolling in a role performance course.

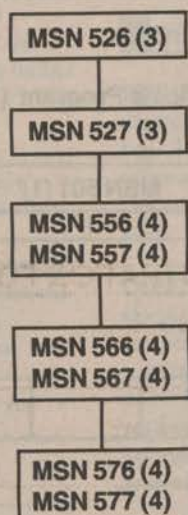

COURSE REQUIREMENTS

Health Assessment: An academic, upper division, undergraduate course with clinical lab experience or equivalent is required of Post master's Family Nurse Practitioner Certificate students. This course must be less than 5 years old.

Pathophysiology: An academic upper division, undergraduate course or equivalent course is required for Post master's Family Nurse Practitioner Certificate students.

MSN 526	Pharmacology (3)
MSN 527	Advanced Health Assessment (3)
MSN 556	Primary Care of Family I (4)
MSN 557	Primary Care of Family I:Role Performance (4)
MSN 566	Primary Care of Family II (4)
MSN 567	Primary Care of Family II:Role Performance (4)
MSN 576	Primary Care of Family III (4)
MSN 577	Primary Care of Family III:Role Performance (4)

Post-masters Family Nurse Practitioner Certificate Program (30 units)

Courses must be successfully completed in the sequence indicated. Any deviation in course sequence requires written approval by the Chair or MSN Coordinator.

QUALITY IMPROVEMENT CERTIFICATE

QUALITY IMPROVEMENT (QI) CERTIFICATE PROGRAM

For Advisement Contact:

Division of Nursing
Kay O'Connor R.N., Ph.D.
Professor
CSU Dominguez Hills
1000 E. Victoria Street
Carson, CA 90747
800/344-5484

The Division of Nursing offers a certificate program in quality improvement for BSN prepared nurses who want to develop graduate level knowledge and skill in implementing an institutional quality improvement program. Included in this course of study is utilization review, assessment and measurement of the level of care provided to clients and the utilization of resources. The certificate program is administered by the Chair, Department of Graduate Nursing Science. To be eligible for this certificate program, applicants must hold a current R.N. license and hold a BSN degree from an accredited US Institution. (Graduates of foreign institutions will need to have their transcripts evaluated by an international evaluation service). More information will be sent regarding this process upon receipt of the application. In addition, students must have an overall grade point average of 3.0 (on a four-point scale) or higher in the last 60 semester (90 quarter) units attempted, or demonstrated academic ability as required by the Nursing faculty, following the appeal process. As indicated in the Admission Application, official transcripts should be sent directly to the Admissions and Records Office. Also request a copy be sent directly to you and to your advisor.

Students who are admitted in the MSN degree program and want to add the Quality Improvement (QI) certificate program must file a revised Program of Study form with the Admissions and Records Office.

Applicant must take Nursing Informatics as the first required course. Certain courses for the Quality Improvement (QI) Certificate require the successful completion of prerequisites not offered as part of the graduate program. These are:

- upper division statistics course (inferential and descriptive) or equivalent
- Introductory research course or equivalent

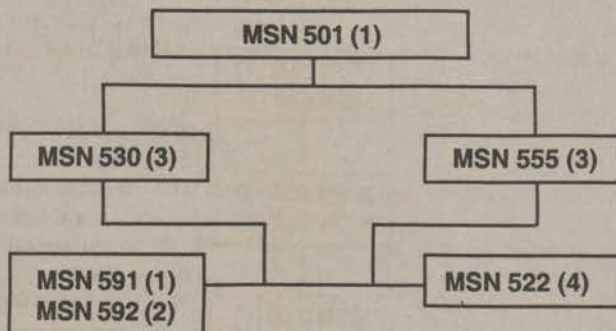

Courses required by the certificate program may be met by coursework or by substitution approved by the Chair, or by Graduate Coordinator, with timely graduate level transferable course from other collegiate programs. Please note: if you eventually want to earn a MSN degree, any courses taken to meet certificate requirements may apply to the degree, but may not be more than 5 years old at the time of degree completion. The certificate program can be completed in 15 months or less, depending on your personal preference and availability of courses. Courses and modules must be completed in the approved sequence with a grade of C or better and an overall B average for the certificate program.

A certificate completion check must be done by the Admissions and Records Office one term prior to the term you plan to complete the QI certificate program. The certificate application form may be requested from Admissions and Records.

MSN 555 Quality Improvement in Health Care

Prerequisite: MSN 501. This course explores the evolution of quality initiatives in health care. The major elements of a quality assessment and improvement program and their relationship to organizational performance are explored. Outcomes assessment and management in health care are explored as unique to the health care setting. (See MSN course descriptions for 501, 530, 522, 590 & 591)

QI Certificate Program (14 units)

Courses and modules must be successfully completed in the sequence indicated. Any deviation in course/module requires written approval by the Chair or MSN Coordinator.

ACADEMIC POLICIES & PROCEDURES

ACADEMIC ADVISEMENT AND REGULATIONS

Academic advisement is an essential component of student services. A relationship between students and their advisor begins upon admission to the degree program and continues through graduation. The guiding principle for the interaction between the student and advisor is the creation of a plan for degree completion compatible with the student's available time, and with fiscal and academic resources.

UNDERGRADUATE ACADEMIC SKILLS ASSESSMENT PLAN

The California State University (CSU) and CSU Dominguez Hills recognize each student's need for adequate preparation in mathematics, english, speech and critical thinking for successful continuation and completion of his or her college education. These requirements must be met prior to admission.

All new undergraduate students who have completed 56 or more transfer units are expected to meet the following requirements (with a grade of "C" or better) prior to admission:

- Pass a GE math course such as College Algebra.
- Pass English Composition course.
- Pass Speech. (Oral Communication)
- Pass a Critical Thinking/Logic class. (Coastline Community College Philosophy 115 meets this requirement as well as other community college courses.)

Passing English Placement and Entry Level Mathematics tests does not substitute for passing GE english and math courses.

MATH REQUIREMENT

Effective Fall, 1998 a general education math must be completed prior to admission. For students admitted prior to Fall, 1998, the general education math requirement must be met by the 5th semester. If the math requirement is not met, you will be disqualified from taking further courses after the 7th semester.

The math requirement can be met by the following options:

- Take general education math at a local community college. Check with a counselor to insure you are taking a class that meets the CSU requirement.
- Take the Coastline College Math 100 or Math 150 telecourse (Refer to Off-Campus Opportunities for further information).
- If local to the CSUDH campus, contact the University Advisement Center at 310/243-3538 for a list of courses that will fulfill this requirement.
- Contact your Hub Office Assistant Chair/Coordinator for advisement.

ENGLISH REQUIREMENT

Effective Fall, 1998 a general education english must be completed prior to admission. For students admitted prior to Fall, 1998, the general education english requirement must be met by the 5th semester. If the English requirement is not met, you will be disqualified from taking further courses after the 7th semester.

The English requirement can be met by the following options:

- Take general education English at a local community college. Check with a counselor to insure you are taking a class that meets the CSU requirement.
- If local to the CSUDH campus, contact the University Advisement Center at 310/243-3538 for a list of courses that will fulfill this requirement.
- Contact your Hub Office Assistant Chair/Coordinator for advisement.

HEALTH EXAMINATIONS BSN AND MSN PROGRAMS

A medical history form, sent to students upon admission, should be filed with the Student Health Center before registration.

Measles and Rubella Immunizations Health Screening Provisions. All new and readmitted students, born since January, 1957, will be notified of the requirement to present proof of measles and rubella immunizations. **This is not an admissions requirement, but shall be required of students by the beginning of the next term.** Proof of measles and rubella immunizations also shall be required for certain groups of enrolled students who have increased exposure to these diseases.

Persons Subject to these Health Screening Provisions include:

- New students enrolling Fall 1986 or later.
- Readmitted student re-enrolling Fall 1986 or later.
- Students who reside in campus residence halls.
- Students who obtained their primary and secondary schooling outside the United States.
- Students enrolled in clinical science and practicum, student teaching or field work involving pre-school age children, school age children, field work taking place in a hospital or health care setting.

DESCRIPTION OF ENROLLMENT OPPORTUNITIES

REGULAR ADMISSION - A new student applying for admission to a degree or certificate program should complete the regular CSU application. Return the completed application to the Admissions and Records office along with your check or money order payable to CSU Dominguez Hills (CSUDH) for the \$55.00 non-refundable application fee.

CONCURRENT ENROLLMENT - Admitted students who are taking Division of Nursing/CSUDH courses this term may also take courses at another CSU campus through concurrent enrollment. Concurrent enrollment forms are available at any CSU campus or by calling 310/243-3608. Be sure to pay attention to the registration deadlines and registration procedures at the particular CSU institution you have selected. Your registration fee is paid to CSUDH and is based on your unit load.

ACADEMIC POLICIES & PROCEDURES

INTRASYSTEM VISITOR ENROLLMENT - A means by which students who are not taking Division of Nursing/CSUDH courses may enroll in designated courses at another CSU. Fees are paid to the host campus. Visitor enrollment forms are available at any CSU campus or by calling 310/243-3608.

ELIGIBILITY REQUIREMENTS FOR CONCURRENT ENROLLMENT/INTRASYSTEM VISITOR

Undergraduate - student has completed at least one term at the home campus as a matriculated student and earned at least 12 units. Student has attained a GPA of 2.0 in all work completed at the home campus and is in good standing at the campus. Student is eligible to register under continuing status at the home campus.

Graduate - student has completed at least one term at the home campus as a matriculated student. Student has been admitted or is enrolled in an authorized graduate program at the home campus. Student was in good standing at the last institution attended.

CHANGE OF NAME OR ADDRESS

If you have a change of name, address or phone, please send the change of name/address, in writing, to the Admissions and Records Office. Change of name must be documented by legal verification. It is important that the University be informed of any changes so that you will receive all mailings.

CREDIT FOR OPEN UNIVERSITY, EXTENSION AND CORRESPONDENCE COURSES

The University allows transfer credit for appropriate college level courses completed through Extended Education, including Open University, or by correspondence from accredited colleges or universities and the United States Armed Forces Institute. A maximum of 24 semester (36 quarter) units earned through Extended Education, completed at CSU Dominguez Hills or elsewhere, or through correspondence or USAF may be accepted toward a bachelor's degree. For graduate level students, a maximum of 9 (13 quarter) units of extension work may be applied to a degree. Please note that these credits do not satisfy CSUDH residence requirements for the degree. For more detailed information, please refer to the current *University Catalog*.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

All student records of the CSU, including the Division of Nursing at CSU Dominguez Hills, are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974.

Students may request access to those campus records that personally identify the student. The student may challenge records on the grounds that they are inaccurate, misleading or otherwise inappropriate, of grades determined by instructor. Student consent is needed for the release of records covered by the Act to outside parties (e.g. prospective employers) except for those agencies entitled to access under the provisions of the Act (e.g. campus officials, other schools, federal officers, and requests in connection with the application or receipt of financial aid).

A student may request a copy of a record that he/she requested for release. Students must pay a charge for copies of records for which such a charge has been established. Copies of the full text of the Family Educational Rights and Privacy Act of 1974 are available at the campus library.

If a student wishes to restrict the release of directory information, a request may be directed to the Office of Admissions and Records. The request is valid from the semester requested through the end of the academic year. Requests for restriction or release of information for a subsequent academic year requires a new form.

FULL TIME STATUS

Undergraduate

Undergraduates are considered full-time students during any semester when they are enrolled in 12 or more units.

Graduate

Graduate students enrolled in eight or more graduate level (500 level) units are considered full-time.

SCHOLASTIC POLICIES

Grades and Grade Points

Grade		Grade Points
A	Excellent	4.0
A-		3.7
B+		3.3
B	Very Good	3.0
B-		2.7
C+		2.3
C	Satisfactory	2.0
C-		1.7*
D+		1.3
D	Barely Passing	1.0
F	Failure	0.0
I	Incomplete (Not counted in grade point average)	
U	Unauthorized Incomplete	
W	Withdrawal (Not counted in grade point average)	

The following grades are to be used for approved courses only:

- AU Audit (Not counted in grade point average; no units allowed)
- CR Credit (Not counted in grade point average; but units allowed)
- CR* Credit in sub-collegiate course (Not counted in grade point average; no units allowed)
- NC No credit (Not counted in grade point average; no units allowed)
- SP Satisfactory Progress (Credit is deferred until completion of course sequence)

* A minimal score is 70 which equates to a C-. However, a GPA of 2.0 must be maintained overall

*** Graduate Continuation courses (600 level)

ACADEMIC POLICIES & PROCEDURES

NOTES

Master's degree candidates are reminded that a "B" (3.0) average is required in the master's degree program and for all courses (related and unrelated; lower division, upper division and graduate) taken concurrently with the master's degree program.

Undergraduate students are reminded that, in order to graduate with a baccalaureate degree, a "C" (2.0) average is required for all courses taken through CSUDH.

Courses and modules must be successfully completed (grade of C or better) in the order indicated by the curricular progression flowchart. Certain modules within a course may be sequenced. Any deviation from meeting the course prerequisites or sequence requires prior written approval by the Assistant Chair/Coordinator. Students not adhering to progression policy may be administratively dropped.

Alternate Grading Policy

In departmentally designated courses in basic skills (composition, quantitative reasoning, logic [critical reasoning]) and departmentally designated upper division composition courses, the A-F grading system is replaced by a Credit/No Credit system. Nursing honors the alternate CR/NC grading system.

Incomplete Grade (I)

A grade of Incomplete may be assigned if a student is unable to complete a definable portion of coursework. An "Incomplete" indicates that there is still a possibility of credit upon completion of future work. The student must arrange with the instructor for completion of the required work. If the instructor of record will be unavailable when the work is to be completed, department chair approval must be obtained before the instructor assigns a grade of "Incomplete." This approval will indicate that the department has made provisions for assuring that the student's work will be graded and that a Change of Grade form will be submitted to the Office of Admissions and Records.

Normally, the student is responsible for applying for the grade of "Incomplete" and for obtaining instructor approval for the assignment of this grade. In exceptional circumstances, the assignment of the "Incomplete" may be initiated by the instructor. For each "Incomplete" grade assigned, the instructor will complete a form in triplicate on which he or she will indicate:

1. The reason for granting the "Incomplete;"
2. The amount or nature of the work to be completed;
3. The date by which the student must make up the work—a date as early as possible, but in any case within one calendar year.

A final grade of "Incomplete" may not be submitted by the instructor without the request for Incomplete Grade form. The student is responsible for contacting the instructor (or the department, in cases where the instructor is unavailable) regarding the provisions for completion of coursework. A definitive grade for the term is recorded when the work has been completed. An "Incomplete" grade cannot be removed by repeating the course. The grade will be automatically recorded as an "F" or "NC" if the work is not completed and grade

changed within a year. Faculty who agree to extend the original time limit up to a maximum of one additional year, at the student's request may do so by filing the appropriate form with the Office of Admissions and Records.

Change of grade forms for removal of Incomplete grades in courses required for graduation must be submitted by the last day of the semester/session of anticipated graduation. It is the student's responsibility to initiate the process and have the instructor submit the Change of Grade form to the Office of Admissions and Records within the time period allowed. No grades can be changed for any reason after a degree has been granted.

Unauthorized Incomplete (U)

The symbol "U" is used only in courses where letter grades are to be assigned. It indicates that an enrolled student did not withdraw from the course but failed to complete course requirements. It is used when, in the opinion of the instructor, completed assignments or course activities or both were insufficient to make normal evaluation of academic performance possible. For purposes of grade point average computation, this symbol is equivalent to an "F". **Unlike the "I" grade, the "U" grade may not be changed by submitting additional work. Rather, the student reenrolls in the course and, if appropriate, uses the repeat and cancel process.**

GRADE CHANGES AND APPEALS

Change of Grade

In general, all course grades are final when filed by the instructor at the end of the semester.

A change of letter-to-letter grade (excluding changes by petition and administrative grades of "AU", "I", "RD", "SP", "W", and "U") may occur only in cases of clerical error, administrative error, or as a disciplinary sanction or when the instructor reevaluates the original course assignments of a student and discovers an error in the original evaluation. Change of letter-to-letter grades must be filed by the instructor within one semester after the original grade was submitted. If the change of grade is initiated after the semester following the assignment of the original grade or is being submitted for any reason other than those above, a petition must be filed along with a Change of Grade card. The Change of Grade card must contain the signatures of the instructor, department chair, and school dean. It must be submitted with the signed petition to the Student Academic Petitions and Appeals Committee (SAPAC) for action. Supporting documentation must accompany the petition. No grades can be changed for any reason after a degree has been granted. See *University Catalog* for further information.

Official Withdrawal from the University (W)

Official withdrawal is necessary if a student leaves the University any time after registration and does not intend to complete the semester. A Drop Form located in this schedule must be filled out and submitted. A student who does not officially withdraw will receive a "U" or "NC" for the registered courses.

ACADEMIC POLICIES & PROCEDURES

CR/NC (CREDIT/NO CREDIT GRADES)

Undergraduate

An undergraduate student may elect to be graded CR/NC in particular courses, subject to the following conditions:

1. Courses used to satisfy a major (both upper and lower divisions), or which are prerequisite to it, must be taken for a letter grade except when such courses are graded solely on a CR/NC basis. A student is permitted to enroll in up to 50% of the units required by a minor on a CR/NC basis, unless otherwise specified in the *University Catalog* under specific requirements for a minor.
2. No more than 24 units graded CR/NC, whether taken at this or another institution, may be offered in satisfaction of the total units required for a bachelor's degree. If 24 units graded CR/NC are accepted in the transfer, no additional courses graded CR/NC may be used to satisfy degree requirements, except when a required course is graded solely on a CR/NC basis. (All credits earned in the CLEP testing program may count even if they make the cumulative total of all CR/NC units at that time over 24.)

Grade Equivalencies and Records

1. Both Credit (CR) and No Credit (NC) grades are recorded on student transcripts.
2. In accordance with current policies of the Board of Trustees, at the undergraduate level, the CR grade is the equivalent of A—C; and the NC grade is the equivalent of a C—F.
3. CR/NC grades are not computed in either the overall or semester GPA.

Graduate

1. Graduate courses graded on a CR/NC basis are limited to courses specifically designated in the *University Catalog* for non-traditional grading and to certain 400 and 500 level courses in the Division of Nursing.
2. At the graduate level, CR is the equivalent of an A—B; and NC is the equivalent of B—F.
3. At least 24 of the units used to fulfill the requirements for a master's degree shall be graded on a traditional basis. The remaining units may be graded CR/NC if the course is offered on that basis.
4. Graduate level students are allowed to elect to receive CR/NC grades in courses numbered below 500 that will not be used to satisfy the requirements of a graduate degree program.

Repeat and Cancel Policy

The Repeat and Cancel policy may be used only by students working toward a baccalaureate degree. It may not be used by graduate/postbaccalaureate students working on master's degrees, graduate certificates, teaching credentials or by unclassified postbaccalaureate students, even when they might take undergraduate courses.

1. In the case of a repeated course, the subsequent grade is substituted for the earlier one in the computation of units attempted and grade point average. The previous course grade(s) remain(s) on the record, but is/are annotated as being discounted from grade point average calculations.

2. Repeat and Cancel may only be used on courses taken at CSU Dominguez Hills and repeated at CSU Dominguez Hills, or at another CSU campus during summer sessions, or as a CSU visitor/concurrent student.
3. Repeat and Cancel may be used up to a total of eighteen (18) semester units taken at CSU Dominguez Hills.
4. Repeat and Cancel may be used only on grades of "U", "F", "D", "D+", "C-".
5. Student must complete a Notice of Repeated Course form for each course repeated that meets all Repeat and Cancel policy guidelines. All forms must be filed with the Office of Admissions and Records prior to the end of the semester/session of anticipated graduation. No repeat and cancels can be recorded after a degree is granted.
6. A grade entered as a result of the student disciplinary procedures under Executive Order No. 148 is not subject to repeat and cancel and will be computed in the grade point average.
7. Graduate/postbaccalaureate student may repeat courses. The final course grade will be the average of the two grades. Unit credit for the course will be granted only once.

RESIDENCE CREDIT REQUIREMENT

Undergraduate

Students must earn the equivalent of 30 semester units of credit to meet residence requirements for a bachelor's degree. At least 18 semester units must be in the integrated nursing courses and 24 semester units must be upper division level courses.

Graduate

21 semester units of work must be completed in residence after admission.

Extension Credit

The maximum credit that may be taken in extension and used toward degree requirements is 24 semester (36 quarter) units at the undergraduate level and 9 semester (13 quarter) units at the graduate level. Resident extension units do not satisfy residence requirements for a degree.

Definition of courses that meet the residence credit requirement:

- Any regularly scheduled CSUDH or Nursing course taken after admission.
- Undergraduate students must complete a minimum of 30 semester units in residence at CSU Dominguez Hills, of which 24 shall be earned in upper division courses and 18 upper division units shall be in the major. When a minor is declared, at least one-half of all upper division units earned for the minor must be completed in residence at CSU Dominguez Hills.
- Extension credit or credit by examination (e.g. CLEP, ACT) may not be used to fulfill the minimum residence requirement.
- Credit received in Extended Education summer session or winter Session at CSU Dominguez Hills may be counted as residence credit.
- HUX courses may not be used as residence credit.

ACADEMIC POLICIES & PROCEDURES

MAINTAINING CONTINUING STUDENT STATUS FOR UNDERGRADUATES AND GRADUATES

Undergraduates and Graduates may elect to be absent for one semester without losing eligibility for re-registration, subject to the following conditions:

1. Registration access will not be provided to students who were scholastically disqualified following their most recent semester of attendance at CSU Dominguez Hills.
2. Students who attend another college or university during an absence from CSU Dominguez Hills must file a Leave of Absence form if they will be absent for more than one term. The Leave of Absence Form must be on file prior to the beginning of the term (see *University Catalog* for specific requirements).

PLANNED EDUCATIONAL LEAVE OF ABSENCE

A Planned Educational Leave of Absence is defined as a planned interruption or temporary cessation of a student's formal education in which the student voluntarily and temporarily ceases enrollment at CSU Dominguez Hills while pursuing other educationally related activities to enrich his/her academic program or to clarify educational goals. The leave may be used for any number of educationally related activities including travel, independent study, work study or attendance at another institution. The intent of the program is to make it possible for a student to suspend academic work, leave the campus and later resume studies with a minimum of procedural difficulty. Planned leave forms are available from the Office of Admissions and Records and must be submitted to the Office of Admissions and Records **prior to the beginning date of the leave**. A leave of absence may be requested for up to four semesters.

Eligibility

Any registered student, undergraduate or graduate or classified student, in good academic standing, is eligible for the Planned Student Leave Program. Unclassified Post-baccalaureate (PHN) students may not apply for Leave of Absence.

Application Procedure

1. A registered student may request an educational leave. The form shall include an explanation of the student's reasons for seeking an educational leave and when he/she intends to resume academic work.
2. The request shall be initiated by the student and be submitted to and reviewed by the Office of Admissions and Records. If the request is approved, the Registrar shall take steps to insure the student's re-entry and retention of registration priority, and the appropriate entry in the student's academic record.
3. The request shall be approved only after contractual agreements (e.g., financial aid) have been satisfactorily terminated or renegotiated.
4. A registered student may file a request for a Planned Educational Leave at any time; however, the leave must commence at the beginning of the following semester.
5. Permission for a Planned Educational Leave must be requested and approved in advance of the term the leave is to begin. A leave will not be granted retroactively.

6. Students whose planned leaves will take them out of California are advised to consult the Office of Admissions and Records regarding residence requirements.

Notification of returning from leave of absence

1. Student must re-apply for admission for the semester they agree to return.
2. No fee is required
3. Submit application to the Office of Admissions and Records before the start of the semester.
4. Write "Returning from Planned Leave" across application.

ACADEMIC PROBATION - Graduate and Undergraduate

Any undergraduate student whose cumulative or CSU Dominguez Hills GPA falls below 2.0 is subject to academic probation. A student shall be removed from academic probation when the cumulative and CSU Dominguez Hills GPA is 2.0 or higher. Graduate students must refer to the *University Catalog*.

Students on probation must seek advisement and clear the grade point deficiency within one term after notification of the probation or be subject to academic disqualification. A student who is disqualified after having registered will be disenrolled. A student placed on academic disqualification must seek advisement and may not enroll until the grade point deficiency is removed.

STUDENT RIGHTS AND RESPONSIBILITIES HANDBOOK

The Students Rights and Responsibilities Handbook is available for review at your Assistant Chair/Coordinator office, viewed online at www.csudh.edu (student affairs), or you may request a personal copy by calling 310/243-3596 or out of the area by calling 800/344-5484.

For further information on the following topics, see the *University Catalog*: Academic Probation, Disqualification, Withdrawal from the University, Scholarships, Student Grievances and Grade Appeals Procedures.

THE CLASSROOM

The University does not discriminate on the basis of sex, disability, race or color.

Rights and Responsibilities

1. Students are entitled to instructors who refrain from acts or conditions listed in Section 24306 of the Education Code, e.g., unprofessional or immoral conduct, dishonesty, incompetence, etc. Such acts or conditions may cause the University to take disciplinary action against the instructor.
2. The individual instructor controls the order and direction of a class and the scope and treatment of the subject matter, and the class must be free of distraction or disruption. Each student must respect the rights of others in the maintenance of classroom order and in the observance of basic courtesy. A student may be ordered to leave a class for cheating or when his/her behavior obstructs the regular activity of the class. The instructor may not officially disenroll a student for a course or discipline without following the student disciplinary procedures.

ACADEMIC POLICIES & PROCEDURES

ACADEMIC INTEGRITY

Addressing Academic Dishonesty

When a faculty member detects dishonesty, he or she will address it. If appropriate, the faculty member will first confront the student and seek an "in-office" resolution. Remember the charge is an allegation that should be examined under due process.

If the faculty member is convinced that dishonesty has occurred, she or he will use one or more of the following options:

- a. Adjust the evaluation of the student's work, i.e., nullify the effort or a portion of it. This action may be taken as part of a decision regarding assignment of a grade. The faculty member is not required to formally report the incident through the campus disciplinary process but is strongly encouraged to do so.
- b. Refer the matter to the Vice President for Student Affairs for an investigation as part of the Student Disciplinary Procedures. These procedures call for due process, a hearing or the opportunity to waive a hearing and accept a sanction without admitting guilt. (An "F" grade supported by a decision in a disciplinary case may not be the subject of a grade appeal and may not be repeated and canceled.)
- c. Use both "a" and "b" above.

The California State University Disciplinary Procedures

Student enrollment is a voluntary entrance into the academic community of learners. By such entrance, the student voluntarily assumes, and is expected to assume, obligations of performance and behavior that are imposed by the university relevant to its lawful missions, processes, and functions. The University reserves the right to discipline students in order to secure compliance with these obligations.

Students who engage in dishonest behavior are charged with violating Title 5, California Administrative Code, Section 41301, under the Student Disciplinary Procedures for the California State University established by Executive Order #628 by the Chancellor. A copy of these procedures may be obtained from the Office of the Vice President for Student Affairs or from the Student Development office.

STUDENT GRIEVANCE POLICY

The purpose of this policy is to provide a procedure to resolve serious student grievances. A grievance is a student's claim that an employee, or agent of the University, auxiliary organization, or Associated Students, Inc., had acted in some official manner that is arbitrary, capricious, or contrary to established policies, resulting in an unjust or serious adverse impact on the student.

The policy outlines both informal and formal grievance procedures. Students are required to attempt to resolve grievances informally before pursuing the formal process. In all cases, the University's commitment to the student is to seek timely resolution of complaints in a fair and consistent manner based on impartial examination of the facts, and to maintain confidentiality.

The procedures specified in the policy are to be followed when no other specific campus policy or procedure, such as Sexual Harassment policy, Grade Appeals, Affirmative Action Policy, Disciplinary Code, and Nondiscrimination Policy, exists that would more appropriately and effectively bring about a resolution of a student's complaint or grievance. Under no circumstances can the same complaint be pursued through different avenues of resolution.

To obtain information regarding the policy and procedures, the student should contact the Office of Associated Students, Inc. located in the Student Union. The Associated Students, Inc. shall then refer the student to the Grievance Procedure Facilitator.

ADMISSIONS AND RECORDS OFFICE

You may contact the Admissions and Records Office Monday - Thursday
8 a.m.-6 p.m. and Friday 8 a.m.-12 noon:

Admissions	310/243-3645
Records	310/243-2052
Registration	310/243-3608
Graduation	310/243-2080

or by writing:

Admissions and Records Office
CSU Dominguez Hills, 1000 East Victoria Street
Carson, California 90747

or e-mail the following:

admit@dhvx20.csudh.edu or registrar@dhvx20.csudh.edu

Your Area Hub Office should be contacted if:

- You need general information regarding admissions/registration for classes, adds/drops/grades and transcript evaluation.
- You have questions concerning your admission, evaluation, General Education requirements, or any special actions or petitions.

ADMISSION REQUIREMENTS

FOR BACHELOR'S DEGREE UNDERGRADUATE TRANSFER STUDENTS

You will qualify for admission as a transfer student if you have a grade point average of 2.0 (C) or better in all transferable units attempted, are in good standing at the last college or university attended and completed, with at least a "C", a general education course in English, Speech, Critical thinking and Math. Non-residents must have a 2.4 grade point average or better. Current RN licensure or interim permit is required for enrollment in degree objective. Interim permit allows enrollment in first term only in BSN 310 and support courses only. RN license is required for second term.

1. You will meet the freshman admission requirements in effect for the term in which you are applying if you are:
 - a. A high school graduate and/or are in continuous attendance in an accredited college.
 - b. Have a qualifying eligibility index for an American College Test (ACT) score or Scholastic Aptitude Test (SAT).
 - c. Have a "C" or better in the courses of college preparatory subject requirements.
2. Students with an RN license number and less than 56 transferable semester units who must establish eligibility according to these first-time freshman requirements, may be considered for admission as an "adult" or "veteran" student.
3. Students who have completed at least 56 transferable semester (84 quarter) units must have completed with a "C" or better General Education courses in English, Speech, Critical Thinking, and Math or meet criteria for "Adult".

MAKING UP MISSING COLLEGE PREPARATORY SUBJECT REQUIREMENTS

Undergraduate applicants with less than 56 transferable semester units who did not complete the subject requirements while in high school may make up missing subjects by any of the following methods:

1. Complete appropriate courses with a "C" or better in adult school or high school summer sessions.
2. Complete appropriate college courses with a "C" or better.

THE MAXIMUM TRANSFERABLE CREDIT FROM A TWO YEAR COLLEGE IS 70 SEMESTER UNITS.

FOR THE MASTER'S DEGREE/QA CERTIFICATE

- Completion of bachelor's degree in nursing from an accredited institution.
- A grade point average of 3.0 or higher in the last 60 semester (90 quarter) units attempted indicated on official transcripts.
- Good standing at the last institution attended.

Please note that lower division courses and extension courses completed after the bachelor's degree will be excluded for the GPA calculation. Upper division coursework taken through Open University will be included in the GPA calculation.

For the Public Health Nursing (PHN) Certificate Program

- See PHN page for information.
- Non-BSN baccalaureate see MSN Pathway.

APPLICATION FOR ADMISSION

To apply for admission:

- Request an admissions packet from Division of Nursing, Central Office at 310/243-3596 or 800/344-5484 or you can easily apply to either program online. Contact <http://www.csudh.edu>, click "Admissions"; "Office of Admissions"; then "When to Apply" where both applications are available. Be sure you choose the correct application and semester. Application deadlines are listed below.
- Applications for admission must be received by the office of Admissions and Records no later than 5 p.m., November 1, 1999 to ensure an admission decision by January 3, 2000. Late applications may be submitted with all admissions documents until March 1, 2000 with a \$15.00 late submission fee.
- Send all materials to Admissions and Records Office along with your check or money order payable to CSUDH for the \$55.00 non-refundable application fee.
- Contact all college(s) and/or university(s) attended and have official transcripts sent to the Admissions and Records Office. Two (2) official copies of transcripts are required for Graduate students. Include a copy of RN license. For transcripts to be considered official, they must be received directly from the institution in a sealed envelope. (It is also recommended that you have an additional set of transcripts sent to you for your personal portfolio for use by you and your advisor in developing a Program of Study.)
- Order current Schedule of Classes, text books and course materials from bookstore.

APPLICATION FILING

All application materials must be submitted to the Admissions and Records Office by November 2 for the Fall semester.

Admissions applications are processed in the order they are received by the Admissions and Records Office. Apply as soon as possible to facilitate transcript evaluation procedure.

Application deadlines are:

Term	Application Form and All Supporting Documents Due
Spring, 2000	11/01/99 or before

Applications and all supporting documents may be submitted up to 3/1/00 with a \$15.00 late fee and must be accompanied by completed registration materials. Please note that an application for admission is valid for only one term. If all materials are not received by the prescribed deadlines, the application will be inactivated and students will need to re-apply for admission with a \$55 application fee. Late application fee of \$15 will be assessed for applications received after the deadline date.

DETERMINATION OF RESIDENCY STATUS

The general rule is that a student must have been a California resident for at least one year immediately preceding the residence determination date in order to qualify as a "resident student" for tuition purposes. For students who have an alien registration (green) card, the date of residence begins with the date on the alien registration (green) card. A residence determination date is set for each academic term and is the date from which residence is determined for that term.

STUDENT SERVICES

If you were admitted to CSU Dominguez Hills as a non-resident student you should be aware of the following:

Chapter 102 of the 1981 Statutes of California requires that the financial independence of a student must be considered when a non-resident student is requesting reclassification as a resident of California. If you are seeking reclassification as a resident, you are required to complete and file new residency forms with the Admissions and Records Office. The completed forms will be reviewed and a determination made. If you are eligible for residency status, you will be informed and your registration will be changed to reflect your new status. The appropriate forms are available by calling the Admissions and Records Office at 310/243-3645. The residence questionnaire by which your status may be changed must be submitted to the Admissions and Records Office at least two weeks prior to registration.

UNDERGRADUATE PREPARATORY PROGRAM (UPP)

The UPP: Something special for diploma school graduates.

Since the Division of Nursing's BSN curriculum is at the upper division level, junior standing is required for admission to the major. The Undergraduate Preparatory Program is a pathway for students who have earned less than the required 56 college units:

1. At least 25 years of age.
2. High school transcript must be on file.
3. Not enrolled as a full-time student (12 units) for more than one academic term within the last 5 years. Must have 2.0 GPA.
4. Recommendation by the Assistant Chair/Coordinator indicating the basis for determining probability of equivalent academic success.
5. Make up missing college prep subject requirements.
6. Verification of taking and/or passing the EPT and ELM tests.
7. R.N. license number or interim permit number.

This program permits students to take in combination general education courses and/or prerequisites for the major through a community college, a CSU campus or other higher education institution. Students may also enroll for Division of Nursing support and introductory courses and assessment options, with the exception of courses/tests offered at the upper division level in the major. Upon completion of 56 units, the student will be admitted to the major, assuming other requirements for admission are met.

Coordinators are available to assist you with this option. Each Coordinator's telephone number is listed at the beginning of this class schedule.

STUDENTS WITH FOREIGN DOCUMENTS

The initial evaluation of foreign transcripts may need to be evaluated by an international agency. Applications and all materials must be submitted prior to deadlines.

Deadline dates for applicants with foreign documents:

Spring, 2000 Term.....October 1, 1999
Fall, 2000 Term.....April 1, 2000

If you have already applied for admission and have sent in your transcripts, we can make arrangements to forward your foreign transcripts to the recommended agency.

If you have sent your transcripts directly to a recommended agency, you need to also order original transcripts sent from your school to CSUDH, Admissions and Records Office.

Recommended agencies will provide:

1. Evaluation of high school level, post-secondary through graduation level, employment and skill re-certification.
2. Reconstruction of education studies.
3. Certified translation of documents.
4. Career development and counseling.
5. Authenticity verification.

There is a fee of \$50-\$150, payable to the evaluation service, depending upon the complexity of the evaluation. The evaluation fee covers subject breakdown, equivalence statements, detailed analysis and a narrative evaluation if needed. This includes one original evaluation sent to the designated agency or institution and one copy to the applicant.

The Admissions and Records Office will evaluate the transfer units allowed as well as the general education breadth requirements from the original analysis of the international evaluation service. The Office of Admissions and Records has final authority of approving the transferability of credit. Please refer to:

Center for Applied Research
Evaluation & Education, Inc.
Indochinese/International
Education Service
P.O. Box 20348
Long Beach, CA 90801
562/430-1105 or 430-2030

Education Evaluators, Inc.
P.O. Box 5397
Los Alamitos, CA 90721
562/431-2187

INTERNATIONAL STUDENTS

International students are required to have a 2.4 GPA on all units attempted in college.

TOEFL

All students, regardless of citizenship, who have not attended school at the secondary level for at least 3 years full-time or beyond where English is the principle language of instruction, are required to earn a minimum score of 550 on the Test Of English as a Foreign Language (TOEFL). This is considered an admissions requirement.

SOCIAL SECURITY NUMBER

Applicants are required to include their Social Security numbers (individual taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California code of Regulations, and Section 6109 of the Internal Revenue code. The University uses the social security number to identify records pertaining to the student as well as to identify the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

FINANCIAL AID

The purpose of financial aid is to assist eligible students in meeting educational costs while attending the university. Because of limited federal, state, and institutional funding, financial aid is awarded to those students who show an exceptional need based on a federal methodology established by Congress.

All financial aid at Dominguez Hills is administered in accordance with the federal philosophy, that the student and his/her family have the primary responsibility to meet college attendance costs. Financial aid is provided only to fill the gap between the student/family contribution and total educational expenses.

Please call 310/243-2015 for additional information or come to the Financial Aid Office in Room SCC-C138A. Ask for Anthony Mena. E-mail: amena@dvhx20.csudh.edu. Fax: 310/516-4498.

APPLICATION PROCESS

To apply for financial aid, all students are required to complete, sign and mail a 1999/2000 **Free Application for Federal Student Aid (FAFSA)** or the **Renewal Application to the Central Processor**. If you have Internet access, you can file the FAFSA at [HTTP://www.fafsa.ed.gov](http://www.fafsa.ed.gov) **FAFSAExpress**.

Processing of this application may take up to eight weeks so plan accordingly. Once processed, you will receive a Student Aid Report (SAR). Please review the information for accuracy and keep it for your records. You will be contacted by mail if additional documents are required and will be given 15 days to respond to any requests made by the Financial Aid Office.

The Financial Aid Office will review applications and send an Award Letter to the student. Detailed information will be provided in this letter about the types and amounts of financial aid a student has been awarded. You are required to accept or decline the offer and return the Award letter, by the date printed on the letter, to the Financial Aid Office. Students are required to enroll at least as a half-time student (6 units undergraduate or credential and 4 units for graduate).

TYPES OF FINANCIAL AID

There are many types of financial aid available at Dominguez Hills. **The Free Application For Federal Student Aid (FAFSA) or renewal serves as an application for the following programs:**

- Federal Pell Grant
- Cal Grant A, Cal Grant B, and Cal Grant T
- State University Grant (SUG)
- Federal Work-Study Program (FWSP)
- Federal Perkins Loan Program (Perkins Loan, formerly NDSL)
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- W.M. D. Ford Federal Direct Loan Program

To receive federal financial aid, a student must be a U.S. citizen or an eligible non-citizen.

WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM (also known as the Federal Family Loan Program—FFELP)

Students who are interested in applying for a Federal Direct Loan (Subsidized and/or Unsubsidized) must complete and submit the FAFSA. There is no separate loan application for this program. To satisfy the Entrance Interview requirement, please visit <http://www.ed.gov/DirectLoan/counsel/>. Both subsidized and unsubsidized loans have the same terms and conditions, except unsubsidized borrowers are responsible for the interest that accrues during all in-school, deferment and grace periods. The interest rate is variable, based on the 91-T-bill plus 3.1% capped at 8.25%.

SPRING 2000 FINANCIAL AID BALANCE CHECKS

To be included in the first disbursement, students must be enrolled in the proper number of units, must not have any University holds on their student record and any pending financial aid documents must be received by Wednesday, January 19, 2000. Spring 2000 financial aid balance checks are scheduled to be in the mail on Friday, January 28, 2000.

Please note: Distribution of all financial aid checks is accomplished by mail. Please be certain that the University has your current mailing address.

VETERANS CERTIFICATION

New students who are veterans should be approved by the Veterans Administration to receive benefits and should obtain form 1995 (Change of Institution Form) or form 1990 (Veteran's Application for VA Benefits Form) from the VA, the Campus Veterans Office, VA Hospital, or other appropriate agency.

The student should request a Certification of Enrollment Form (Form 1999) from the Admissions and Records Office. Forms should be completed and submitted to the Admissions and Records Office along with a check or money order payable to CSUDH for the processing fee of \$4.00. Admissions and Records Office will then submit all forms to the appropriate office.

The student must notify the Admissions and Records Office at once upon withdrawal from a course or upon adding the course.

Concurrent Enrollment: If a student attends another school at the same time, a VA form must be sent from the other school to the Admissions and Records Office verifying the enrollment.

Prior to each term, new and continuing students should contact Admission and Records Office indicating the courses to be taken that term. In addition, students applying for VA benefits for the Fall and Spring terms should estimate the number of units to be taken in Spring. Summer benefits must be applied for separately. Any other questions regarding the VA benefits should be directed to Admissions and Records Office.

TOUCHTONE REGISTRATION INFORMATION

TOUCHTONE REGISTRATION SYSTEM: (T.O.R.O.S.)

Touchtone Registration or 310/243-2REG or 310/516-4538 Register, Waitlist

REGISTRATION ELIGIBILITY

Continuing Students

You are considered a continuing student if you:

1. attended CSUDH as a matriculated student in Spring 1999 or Fall 1999, and
2. have not attended another academic institution since attending CSUDH, and
3. have not applied to graduate from CSUDH Spring or Fall 1999.

If you are a continuing student and have not received a Registration Access Mailer or a letter regarding ineligibility one week before Touchtone Registration begins, please call the Registration Office, 310/243-3608.

New or Returning Students

You are a new student if you have not attended CSUDH before. You are a returning student if you:

1. have not enrolled for more than one semester
2. attended another academic institution since last attending CSUDH, or
3. graduated from CSUDH and choose to begin post-graduate studies.

TOUCHTONE REGISTRATION INFORMATION

Returning students must reapply for admission. Failure to pay registration fees or submit required admission documents will result in cancellation of your application and you will be required to reapply for a subsequent term.

Returning from an Approved Planned Educational Leave

Deadline to submit an application to return from a Planned Leave—first day of the academic term in which you plan to return. You must submit a completed CSU Application (no application fee required) to the Office of Admissions and Records as official notification of your intent to return from an approved Planned Educational Leave. To be eligible for Touchtone Registration, your application to return must be submitted and processed prior to Touchtone Registration. If you have taken courses at another institution during your leave, you must also provide official transcripts. Please refer to the Planned Educational Leave of Absence section for additional information, and contact the Registration Unit if you have further questions, 310/243-3608.

Concurrent or Visitor Enrollment

Students from other CSU campuses wishing to enroll concurrently or as a visitor at CSUDH should consult their home campus class schedule and contact the Office of Admissions and Records for procedures and deadlines.

Open University

Students should consult the Open University section in this *Class Schedule*, complete the form and mail with payment to the Undergraduate Chair at the address noted on the form. This option is for non-matriculated students only, i.e., you may not enroll concurrently in Nursing and/or regular campus courses and in Open University courses.

TOUCHTONE REGISTRATION PROCEDURES

Each student eligible to register will receive a Registration Access Mailer or an admission letter from the Admissions and Records Office, which will provide important registration information:

- Registration appointment date and time
- Personal Identification Number (PIN)
- Student Identification Number (SID)
- Major
- Holds preventing registration, if any

It is very important to review all the information printed and to clear all holds as soon as possible; do not wait until your registration appointment date and time.

Appointment Date and Time

You will not be able to access the Touchtone Registration System (T.O.R.O.S.) before the date and time printed on your Registration Access Mailer or admission letter. Appointment dates and times are determined by class level and number of units completed. Note that units in progress at CSUDH are not included and courses taken at another institution may not be included in the calculation of units completed.

It is important to register during the touchtone registration period at, or very soon after, your priority appointment time for the best selection of classes. Mailed requests to register or add will be accepted but not processed until your appointment date; however, registration and schedule adjustment via T.O.R.O.S. is quicker, more convenient and will provide you with the best course selection. If you are not able to register on your priority registration appointment day, you may register at any time after your appointment time through the end of the registration period, but you will be competing for classes with students with lower priority access. It is in your best interest to register as early as possible to secure a seat in your preferred classes!

Personal Identification Number (PIN)

Each student is assigned a 6-digit personal identification number. This PIN is used to access any of the touchtone applications (registration, billing, application status, financial aid status and grade reporting). You are urged to change your PIN for security reasons and to keep your PIN in a safe place. You can change your PIN via T.O.R.O.S. by making the appropriate selection at the opening menu; the recorded voice will guide you.

Student Identification Number (SID)

The 9-digit SID on your Registration Access Mailer or admission letter should match your social security number. If the number is incorrect, use the assigned number and then mail a request for a change of SID to the Admissions and Records Office after you have completed your registration. Include a copy of your social security card.

Holds

Holds must be cleared prior to registration. Clear holds immediately upon notification; do not wait until your registration appointment time. Refer to the appropriate department to release holds:

Hold Type:	Contact:	Telephone Number:
Admissions	Admissions	310/243-3645
ASAP, EPT/ELM, GWAR, Academic Probation, Disqualification	Assistant Chair	Call Advisor
Financial	Cashier	310/243-3812
Measles	Student Health Center	310/243-3629

REGISTRATION INFORMATION

TOUCHTONE REGISTRATION (T.O.R.O.S.) INSTRUCTIONS

Listen carefully; a recorded voice will prompt you after each entry.

1. Prepare a list of classes you want to take; include CRN (Course Reference Number), section and number of units and a list of alternates in case your first choices are full.
 2. Call 310/243-2REG or 310/516-4538, from a touchtone telephone
 3. Press 1 for Registration Information.
 4. Press 1 to register, add or drop classes.
 5. Enter your 9 digit Student ID Number (social security number).
 6. Enter your 6 digit Personal Identification Number (PIN).
 7. Press 1 to register or adjust your schedule, or press 2 to review your schedule.
 8. Options if you entered 1 in step 7:
Press 1 to Register or Add.
Press 2 to Drop.
Press 3 to make your Course Entries Permanent (required for all registrations, adds, drops and waitlisting).
Press 4 to Check Course Availability.
Press 5 to Review Your schedule.
 9. Enter 5 digit course request numbers (CRN) from your list of classes. If course is full: Press 1 to Check for Open Sections, Press 2 to Waitlist.
 10. When you have entered all course numbers, press the ★ key followed by the # key to return to step 8. Then, select option 3 to make your entries permanent (confirm). Do not hang up without completing this step. Failure to complete this step will result in losing all your course entries. Stay on the line until you have heard that all course requests have been made permanent (registered or waitlisted).
- Press 9 to return to the main menu and to access your account balance.
 - To end this call at any time, press the ★ key followed by the # key.

- To return to the selections you heard at the beginning of the call, press the ★ key followed by the 6 key.
- To have a prompt or selection repeated, press the ★ key followed by the 7 key.
- For menu help, press the ★ key, followed by the 4 key at any time.
- You may now pay registration fees by credit card via Touchtone after you have registered for classes. See instructions in this schedule of classes.

TOUCHTONE WAITLIST INSTRUCTIONS

- Follow steps 1-7
- At step 8, press 1 to Register or Add.
- Follow step 9

If the course is full, you will hear:

example: "BSN 305.1, section 74, course request number 12345 is closed. To check for open sections of this course, press 1. A waiting list is open for this course; there are currently ___ people on the waitlist. If you would like to be put on the waitlist, press 2, otherwise press 3".

- Press 1 to check for open sections of the course and register for an alternate section, if possible, to maximize your enrolled units. If you decide to register for an alternate section, follow steps 9 and 10.
- If there are no available alternate sections or if you choose not to register for one, press the ★ key followed by the # key to go back to the previous menu. You are now back at step 8.

To waitlist your first choice section:

- Repeat steps 8 and 9.
- You will hear:

example: "When you make your entries permanent, you will be waitlisted for BSN 325.1, section 74, course request number 12345."

- Complete your registration and follow step 10. *Failure to make your entries permanent will result in not being on the waitlist.*

TOUCHTONE REGISTRATION INFORMATION

CREDIT CARD PAYMENT INSTRUCTIONS

If you have completed registration you may call T.O.R.O.S. at 310/516-4493 to access billing information.

1. Press 1 for Account Balance.

Select the term for which you would like billing information.
Enter your nine digit Student ID Number (social security number).
Enter you six digit Personal Identification Number (PIN).

2. Press 1 to review your balance. (See NOTE below).

3. Press 2 to pay by credit card.

Select the type of credit card you will use to pay.
Press 1 for Visa
Press 2 for MasterCard
Press 3 for Discover

4. Enter your credit card number.

Press 1 if the number repeated is correct.
Press 2 if the number is incorrect and re-enter the credit card number.

5. Enter you credit card Expiration Date.

Press 1 if the expiration date repeated is correct.
Press 2 if the expiration date is incorrect and re-enter the expiration date.

6. Select the amount you wish to pay.

Press 1 to pay the full amount you currently owe.
Press 2 if you choose to pay your registration fees using the CSUDH Installment Payment Plan. (See instructions below). Enter the amount you wish to pay using the star (*) key as a decimal point.
Press 1 if the amount entered is repeated correctly.
Press 2 to enter a different amount.

The system will place you on hold while your credit card is authorized. The system will inform you that your credit card has been accepted and will instruct you to hold while your payment is applied to your account. If your credit card is denied, you may start over with a different credit card. (Note: You will need to contact your credit card issuer if you wish to find out why your card has been denied.)

When the payment is applied to your account, the system will indicate the remaining amount due for the account, if any.

Press 9 to exit to the main menu.

Paying by CSUDH Installment Payment Plan

If you choose to pay in installments, your first installment payment requires a signed copy of the Installment Payment Agreement and Application Form (see table of contents). You must bring this form in person, by mail or by fax 310/516-4432, to the Cashier's Office by the first payment deadline date.

You may include payment of any prior balances with your credit card payment; however, you must pay the minimum installment amount due according to your student level, the date you register, and the number of units registered. If you pay less than the minimum, you may be dropped for non-payment. Please refer to table of contents of this schedule for information on the first installment payments.

NOTES: Your balance may not include all financial aid that may have been awarded to you. For further information regarding your financial aid, please call 310/243-3647.

For additional assistance, call 310/243-3803:
Monday - Friday-8 a.m.-5 p.m.

TOUCHTONE REGISTRATION (T.O.R.O.S.) CHECKLIST

- Read your Registration Access Mailer carefully:
 - Check your appointment date and time.
 - Clear any holds preventing registration.
- Read the information and instructions in this Class Schedule.
- Read the "Course Listing" section.
- Prepare a list of courses (include CRN).
- Prepare a list of alternate sections in case your first choice classes are not available.
- Call 310/243-2REG or 310/516-4538 from any touchtone telephone.
- Change your PIN (for security reasons).
- Make your course entries permanent before exiting the system. Failure to do so will result in cancellation of your course requests.
- Call back to add, drop or review your schedule at any time after your registration appointment through the touchtone registration period.
- Check your account balance to confirm your payment has been received and credited to your account. **Students who do not pay fees by the published deadline will be dropped from their classes soon after.** Review your schedule periodically during the Registration and Late Registration periods to confirm your enrollment.
- If you are unable to register for classes because they are already full, call back periodically to check for newly opened seats as other students drop or are dropped for non-payment of fees.

NOTE:

After the third invalid entry or if there are system problems, you will be transferred to an operator for help. For additional assistance during the touchtone registration period, call the Registration helpline - 310/243-3608:

Monday-Thursday 8 a.m.-6 p.m.

Friday 8 a.m.-12 p.m.

REGISTRATION INFORMATION

TOUCHTONE REGISTRATION (T.O.R.O.S.) INFORMATION

Making Your Entries Permanent

It is very important to make your entries permanent before exiting. Failure to do so will result in losing all your course requests. Refer to instructions.

Course Request Numbers (CRN)

Each course section has a unique 5-digit CRN, the number entered on your touchtone telephone key pad when selecting classes. The CRNs for telecourses are listed in the Telecourse section.

Enrollment Limit

A student may register/waitlist in a maximum of 18 units during Touchtone Registration. Students wishing to register for more than 18 units must wait until the Late Registration, Add/Drop period. The Assistant Chair's signature of approval is required to register for 19-21 units, and the signatures of the Assistant Chair and the Dean, School of Health are required to register for more than 21 units.

Full Classes/Waitlisting

If you attempt to register for a class that is already full, you will be given the option to place your name on a Waitlist. *If you choose to place your name on the Waitlist, remember that this does not mean you are enrolled in the class.* You must submit a Registration/Add Form signed by the Assistant Chair by the Add/Drop deadline in order to be officially enrolled in the class and obtain a grade.

Check Course Availability

If you find that a desired course is full or canceled, you will be given the option to check for open sections of the same course. However, it is always best to have alternates ready before you attempt to register.

Time Conflicts

The system checks for time conflicts and will not allow registration in classes meeting at the same time.

Schedule Adjustment and Schedule Review

You may call back at any time through the end of the Registration period to change or review your schedule and account balance. If you choose to exchange one class for another, add the new class before dropping the other class (unless you have reached the maximum enrollment limit). If you wish to drop a class without adding another—do not delay—as a courtesy to another student trying to add the class.

TROUBLE SHOOTING

- ⊗ **Missed Your Priority Appointment Time?**
You can register at any time after your appointment time through the end of the touchtone registration period.
- ⊗ **Can't access Touchtone Registration (T.O.R.O.S)**
Check that you are dialing the correct number. Are you using a true touchtone telephone? Not all push-button telephones are touchtone and some programmable telephones using the # or * keys cause access problems. Try another telephone. Check dates and hours of operation. If the system is not available during scheduled hours, try again later.
- ⊗ **Busy signal?**
All lines are busy—try again later.
- ⊗ **Phone rings but no reply?**
If there is no answer after the fourth ring, hang up and call back. If the problem persists, check hours of operation and make sure you are dialing the correct number.
- ⊗ **Made a mistake?**
Don't hang up—wait for the recorded voice to prompt you.
- ⊗ **Not able to register for a specific course?**
The course may:
 - be full. Press 1 to check for open sections of the course or press 2 to waitlist.
 - be a duplicate section of a course in which you are already registered.
 - have a time conflict with another course in which you are already registered.
 - not have a CRN printed. Contact your Assistant Chair.
- ⊗ **Lost your entries?**
You must make your entries permanent before hanging up; failure to do so will result in losing all your course entries.
- ⊗ **Still need assistance?**
Call the Registration Helpline 310/243-3608, during the following business hours:
 - Monday-Thursday 8 a.m.-6 p.m.**
 - Friday 8 a.m.-12 p.m.**

TOUCHTONE REGISTRATION INFORMATION

TOUCHTONE REGISTRATION WAITLIST INFORMATION

When you attempt to register for a class that is already full, you will be given the options of checking availability of another section of the same class or placing your name on a waitlist for the full section. It is **very important** that you read the following information and instructions before attempting to place yourself on a waitlist.

Automated Waitlist Information (November 8-January 7)

Careful planning and selection of classes are very important as the same restrictions now apply to placing yourself on a waitlist as to attempting to register for classes. To maximize the number of units enrolled, you are strongly encouraged to check alternate section availability before placing yourself on a waitlist.

If, on receipt of your mailed or faxed registration request, a course is already full and a waitlist exists, you will be notified, in writing, by the Admissions and Records Office that you have been placed on the waitlist. This means that you are **not** officially registered in the class and will **not** receive credit for the class unless you receive the Assistant Chair's signature of approval to officially add the class on a Registration/Add form or receive notification that you have been added by the Assistant Chair.

If the waitlist for a full class is already closed, you will be notified, in writing, and asked to contact your advisor for information on alternate sections.

This is how waitlisting works:

- you may not waitlist a section which has a time conflict with a registered or waitlisted section
- you may not waitlist a section if you are already registered or waitlisted for another section of the same class
- you may not waitlist a section if it is restricted to a major, class (e.g., seniors) or level (e.g., graduate) other than your own
- you may not register or waitlist more than 18 units of registered and/or waitlisted classes
- you must make your entries permanent (confirm) before exiting T.O.R.O.S. to secure your place in classes and on waitlists
- review your schedule periodically to verify your status
- if you wish to waitlist a regular campus CSUDH lecture/lab class or any class with a required co-requisite, e.g., THE 120/THE 120A or TED 305S/TED 405, you must waitlist both co-requisite sections or classes; failure to do so will result in not being on the waitlist for either co-requisite section

If you choose to waitlist a full class, you will be informed of your placement on the waitlist by T.O.R.O.S. and the waitlisted classes will be listed after any registered classes when you make your entries

permanent (confirm). You may then drop yourself from a waitlist at any time during T.O.R.O.S. hours of operation. Remember that if you drop only one section of a co-requisite pair that T.O.R.O.S. will drop you from the other co-requisite section.

Once there are students on the waitlist for a full class, *no more registrations will be accepted*. This will allow the University to give priority to waitlisted students over students who happen to call in when a seat has become available. The University will move students from waitlisted to registered status as seats become available and will mail written notification to students of the change in their schedules. *Once your status in a class has been changed from waitlisted to enrolled, it is your responsibility to drop the class (as with any other class) if you decide not to attend; failure to do so will result in a "U" grade on your record which will lower your grade point average.*

Note: At the beginning of the semester, Department Chairs and Assistant Chairs/Coordinators will be provided with names of all students who placed themselves on the waitlist for full classes but who could not be officially registered because seats did not become available. It is your responsibility to attend the first class meeting to confirm that you are still interested in being added to the class, to obtain the Assistant Chair's signature of approval on a Registration/Add form, and to submit the form to the Registration Office before the last class meeting date. It is possible that the Assistant Chair may add you to a class from the waitlist once the semester has started; if so, you will receive notification from the Division of Nursing. It is your responsibility to drop any classes you do not plan to attend. Students who remain on a waitlist but do not officially enroll will not get credit for the class.

LATE REGISTRATION/ADD PROCEDURES

January 10-March 17, 2000. Payment required with Registration/Add form.

Use the Registration/Add form in this Class Schedule to register or add classes. Make copies as necessary.

It is your responsibility to ensure that your completed Registration/Add form is received before the first class meeting dates and by March 17, 2000.

1. Complete the Registration/Add form. Include the correct course request number, course and section number and course start date for each course/module you wish to take either by course work or by challenge/assessment.
2. A Late Registration fee of \$25.00 is assessed for all CONTINUING students registering after January 7, 2000.
3. Registration forms without payment will be returned unprocessed.
4. Checks will be deposited from late registrants who submit registration forms before being admitted to the University.

Calculate fee payment and attach check or complete credit card payment authorization. Checks should be made payable to CSUDH.

LATE REGISTRATION AND PAYMENT INFORMATION

If your fees are to be paid by a third party who prefers to send payment directly to the University, a purchase order must be completed by the third party, payable to the University. The purchase order must accompany the Registration/Add form and must include the name and social security number of the student for whom payment is made. Both documents are to be submitted to the Admissions and Records office.

Late Adds

For students not on a waitlist for a desired course, late adds must be made at the first class meeting or by March 17, whichever occurs first. Late adds must be approved by Assistant Chair.

WITHDRAWAL/DROP/REFUND PROCEDURES

Classes may be dropped through January 7, 2000 via T.O.R.O.S.. After January 7, complete the Withdrawal/Drop/Refund form and mail or fax 310/516-4573.

Refunds

- All refunds are made in accordance with Title V of the California Administrative code.
- Not all fees are refundable.
- \$10.00 is retained by the University to cover processing and the non-refundable portion of the State University fee.
- Refunds are issued in the form of a check, regardless of the method used to pay fees.
- Students whose unit load drops from 6.1 or more units to 6.0 or fewer units may be eligible for a refund of the difference between the higher and the lower fee.

Withdrawals/Drops/Refunds

1. Classes may be dropped, with a refund of fees, if eligible, without the Assistant Chair's approval, if the drop request is received before or on the first class meeting date.
2. Classes may only be dropped after the first class meeting under the following circumstances:
 - with serious and compelling reasons, and
 - with the Assistant Chair's approval, and
 - prior to May 19, and
 - if the class has not already endedNo refund will be issued. A "W" grade will be assigned.
3. No drops/withdrawals possible after May 19.

Date*	Refund, if eligible?	Record on transcript?
Received on or before first class meeting date and by March 17, 2000	Yes	No
Received on or before first class meeting date and after March 17, 2000	No	No
Received after first class meeting date and before May 19, 2000	No	"W" grade

*No class may be dropped after the course has ended or after May 19, 2000.

FEE REQUIREMENTS

All students pay registration fees. Students auditing classes pay the same fees as students registered for credit. Nonresident tuition may also be assessed. All fees are subject to change based upon further action by the Board of Trustees of the California State University and the California Legislature. If fees are not paid by the due date, a financial hold will be placed and grade mailers may be held.

PAYMENT DUE

Friday, January 21, 2000

For all students registered November 8, 1999 to January 7, 2000.

Bills and schedule confirmation will be mailed to all students to the address on record but *it is the student's responsibility to pay registration fees even if you do not receive a bill.* Check your schedule and account balance by calling T.O.R.O.S. and refer to the Fee Schedule section in this *Class Schedule*.

Note: If payment is not received by January 21, 2000, you will be dropped from your classes. You may attempt to re-register by mail. Your request will be processed only if:

- you enclose fee payment, including the \$25 Late Registration fee, and
- seats are still available, and
- you have the Assistant Chair's signature of approval if less than 15 days prior to the first class meeting date, and
- your request is received by March 17, 2000, and
- your request is not received after the last class meeting. Any requests for exception require the approval of the Assistant Chair. Any requests for exception after the last class meeting must be submitted by March 17, 2000 and require the approval of the school Dean.

NON PAYMENT OF FEES

Students who do not pay their bills on time will be subject to:

- a financial hold placed on student record;
- administrative drop from all courses in the semester involved;
- inability to conduct any University transactions such as adding, dropping, requesting transcripts, registering for a subsequent semester;
- submission of your name to the Franchise Tax Board; a tax-offset will be pursued for any amount owed.

REGISTRATION PAYMENT INFORMATION

METHODS OF PAYMENT

Fees can be paid by cash, check, money order, or credit card (Visa, MasterCard or Discover is accepted for fees). Checks or money orders must be payable to CSU Dominguez Hills (CSUDH).

An Installment Payment Plan is available for the State University Fee. A description of the plan is presented in the Installment Payment Plan section of this schedule.

Forms for credit card payments and for the Installment Payment Plan are included in this schedule. These forms are also available at the Cashier's Office (SCC B-135) and are included with your student billing statement (Touchtone registration only).

APPLICATION FEE (\$55.00 NON-REFUNDABLE) MUST BE PAID WITH A SEPARATE CHECK.

STUDENT FEE SCHEDULE SPRING 2000

INSTRUCTIONS TO DROP OR COMPLETELY WITHDRAW

Please read and complete the following:

You will **NOT** be allowed to drop any course after it has ended or after May 19, 2000.

You will be entitled to a refund (if eligible) and will not receive record of enrollment on your transcript if:

- drop is received on or before first class meeting **and before March 17, 2000.**

You will **not** be entitled to a refund and will not receive record of enrollment if:

- drop is received before or on first class meeting date, but **after March 17, 2000.**

You will **not** be eligible for a refund and will receive a "W" grade if:

- drop is received after first class meeting date and before May 19, 2000. Drops must be for serious and compelling reasons.
- Assistant Chair's signature required to withdraw during this period.

If you paid fees and you completely withdraw, you will automatically receive registration material for the next two terms.

I wish to drop the following courses: (Serious and compelling reasons required to drop March 18-May 19, 2000): _____

REGISTRATION AND FEES

SPRING 2000 DIVISION OF NURSING STATE UNIVERSITY FEE INSTALLMENT PAYMENT AGREEMENT AND APPLICATION FORM

If I elect to apply for the Installment Payment Plan, I acknowledge and agree to all the terms listed below. To apply, I must sign and complete this Installment Payment Agreement or one provided in the account statement/billing packet that is mailed to me. I can also apply in person at SCC B-135 the University Cashier's Office.

1. I am not eligible for this installment payment plan if I have an outstanding debt owed to the University.
2. I will pay the installment payments set forth in this agreement on or before the due dates. I will remit my payment to the University Cashier's Office, SCC B-135.
3. A bill for each individual payment will be mailed to me. **If for some reason I do not receive a bill for a payment due, I acknowledge that I must still make payments as scheduled below.**

4. If I fail to pay the second, third or fourth (if applicable) installment by the due date, I will be charged a \$20.00 late fee for each late installment payment and I understand that I must make my payment with cash, money order or cashier check. In addition, I understand that I will have a Financial Hold placed on my records. A Financial Hold means that there will be no release of transcripts, grades, or graduation diplomas, and prevents enrollment for future terms. Any other remedies available to the University or its assignees may also be pursued.
5. If I fail to make any installment by the due date, I may be prevented from using the Installment Payment Plan in future semesters.
6. The same **REFUND POLICY** in the Class Schedule applies to this Installment Agreement.

7. I understand and acknowledge that I may owe additional State University Fees as a result of adding classes after signing this Installment Payment Agreement. I must pay these additional fees in full when they are billed, in addition to the installment payment then due.
8. I understand and acknowledge that I am responsible for full payment of all fees due under this Installment Payment Agreement unless I withdraw from all of my classes prior to the deadline for application for refund of registration fees.
9. I understand that I must pay a \$33 non-refundable service charge in order to pay my Spring 2000 registration fees using the installment payment plan, and that my first scheduled payment includes this additional charge.

Your first payment must accompany this form.

Please retain a copy for reference. Once accepted, a copy of this agreement will be returned to you with your receipt.

I, the undersigned student (and co-signer, if applicable), wish to participate in the CSUDH Installment Agreement Plan for State University Fee for the Spring 2000 semester. I acknowledge and agree to all terms listed above.

GENERAL EDUCATION (G.E.) REQUIREMENTS

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION (G.E.) REQUIREMENTS

Each candidate for a baccalaureate degree must complete general education coursework as prescribed by the Board of Trustees in Title 5 of the Administrative Code. The program consists of 48 semester units of course approved for this purpose, including nine semester units taken during the junior and senior years and approved as upper division G.E. courses. At least nine of the required 48 units must be completed in residence.

Since the Division of Nursing offers primarily upper division and graduate courses, most general education work will be completed prior to enrollment in the program or by referral to another institution after matriculation. A student may satisfy the General Education requirements in any one or a combination of the following ways:

Prior to matriculation:

- Completion of courses or examinations that are approved as meeting particular requirements by CSU campuses, California community colleges, or other participating campuses.
- Completion of courses at other institutions determined to meet particular requirements.

After matriculation:

- Completion of approved courses taken at a regionally accredited college or university (students should consult with their advisor for information on the course substitution process prior to enrolling in any course which is intended to satisfy a General Education requirement.)
- Completion of designated courses or examinations approved for General Education purposes (contact local advisor for courses.)

REQUIRED PATTERN OF STATUTORY COURSES

A. Communication in English (9 semester units)

1. Oral communication - an introductory course in speech.
2. Written communication - a standard course in freshman composition.
3. Critical thinking - a course in logic, argumentation, or critical thinking.

B. Science and Mathematics (12 semester units)

1. A general introductory course in astronomy, chemistry, geology, physical science, or physics.*
2. A general introductory course in biology, botany, or zoology.* At least one course in either category 1 or 2 must include a laboratory; however, it is recommended that two laboratory courses be taken.
3. A mathematics, or other quantitative course equivalent to advanced algebra (higher level than intermediate algebra). This course should have a prerequisite of at least two years of college preparatory mathematics. The ELM requirement must be met or exemption attained.

C. Humanities (12 semester units)

Choose courses from two or more of the following areas: art, drama, language, literature, music, and philosophy. No more than six semester units may be activity or performance courses.

D. Social and Behavioral Sciences (12 semester units)

Choose courses from two or more of the following areas: anthropology, economics, geography, history, political science, psychology, and sociology. Certain courses which meet these requirements may also be applied to the requirements described in statutory requirements.

E. Whole Person (3 units) (Lifelong Understanding)

F. Upper division

May be satisfied with BSN prerequisites.

G. Cultural Pluralism (Course covers non Western civilization)

A course dealing with ethnic or other minorities in America is highly recommended.

Statutory Requirements

Requirement in U.S. History, U. S. Constitution and California State and Local Government. (National BSN students need to consult their advisor regarding their state's courses.) Title 5, California Administrative Code, Section 40404, requires that each student demonstrate competency in these areas to qualify for graduation. Students who have not met these requirements at the time of admission may do so by completing appropriate courses or by passing comprehensive examinations prepared and administered by most CSU campuses. Courses used to meet this requirement may also be applied to the requirements in section D.

Students who began undergraduate study in September, 1981 or thereafter are responsible for meeting these requirements. Students enrolling for an additional bachelor's degree must meet any difference between these and any previous requirements that may have been completed.

The initial general education evaluation cost will be included in the admission application fee of \$55. For additional transcript evaluation updates, a fee of \$5 will be charged per transcript revision.

G.E. COURSES AVAILABLE THROUGH THE DIVISION OF NURSING

The following support courses are also approved for meeting General Education requirements as indicated.

Course	Title	G.E. Category	Semester Units
*BSN 315	Life Cycle	E	1-4
*BSN 325	Culture and Health	D	1-4
*BSN 335***	Biochemistry	B	1-4

**Students admitted to nursing major Fall 1988 and thereafter and students admitted prior to Fall 1988 who did not complete the statistics requirement before Fall '89 must meet the ELM requirements as described on the next page prior to enrolling in this course. Your transcript evaluation indicates if you have already met this requirement.

***These courses do not have a laboratory. Students who take these courses for General Education credit must prove that they have a General Education science laboratory course or exemption.

OFF CAMPUS OPPORTUNITIES—COASTLINE COLLEGE

If You Were Admitted Prior to Fall, 1998, You Must Meet Entry Level Math and English By the End of the Second Semester

TO MEET THE ELM REQUIREMENT

Math 100/Fundamentals of Math is offered by Coastline College and is recognized by the CSU as a GE Math course. Upon successful completion, a student will have met the ELM requirement.

This course is offered as a Telecourse—video lessons are broadcast on TV locally and offered through R.E.A.P. (Remote Educational Access Program) for students who live a considerable distance from the college. Telecourses are broadcast one-to-two times a week (check Coastline's class schedule). Please check your Educational Resource Center/Distance Education department for schedule. For students who live a considerable distance from Coastline and cannot come to on-site testing, the R.E.A.P. program is available. Video lessons can be rented through R.M.I., Inc., for a fee of approximately \$60. R.M.I., Inc., can be reached by calling 800/745-5480 (8 a.m.-4:30 p.m. CST) or check their web address: <http://www.rmimedia.com>

MATH 100—FUNDAMENTAL CONCEPTS OF MATH

History of mathematics, the axiomatic method and the nature of proof, relations and functions; the real number system with applications, computers and calculators; metric measurement; geometry; probability; statistics and graphing. CSU B4

PREREQUISITE: Math 030/Intermediate Algebra or achieve a qualifying score on a math placement test from any accredited two or four year institution. Please see below on how to fulfill this prerequisite with Coastline.

Grading: Graded A, B, C, D, F. (D and F grades are not transferable), CR, NC (CR work equals to grades A, B, C only.)

Semesters Begin: Early September, early February and an eight week condensed summer semester in mid-June.

HOW TO FULFILL MATH 100 PREREQUISITE AT COASTLINE

Fulfill ONE of the following:

- Complete two years of high school algebra or higher level math class with a grade of "C" or better (must submit official high school transcripts), **OR**
- Enroll in Math 030 Intermediate Algebra through REAP at Coastline and complete the course with a grade of "C" or better (indicate on registration form), **OR**
- Complete intermediate algebra or higher level math course at another college with grade "C" or better (must submit official high school or college transcripts) **OR**
- Earn a qualifying score on Math Placement Test Level III at Coastline or on a placement test from any accredited two-or four-year institution.
*Test must measure readiness for transfer-level math courses and your placement test results form must clearly describe course placement.

HOW TO FULFILL MATH 030 PREREQUISITE AT COASTLINE

Fulfill ONE of the following:

- Complete one year of high school algebra or higher level math class with a grade of "C" or better (please submit official high school transcripts), **OR**

- Complete beginning algebra or higher level math course at another college with a grade of "C" or better (please submit official college transcripts), **OR**
- Earn a qualifying score on Math Placement Test Level II at Coastline or on a placement test from any accredited two-or four-year institution.
*Test must measure readiness for intermediate algebra and your placement test results form must clearly describe course placement.

FOR MATH 030 OR 100

You are required to submit an official high school transcript or an official college transcript to:

Coastline Community College
11460 Warner Ave, Fountain Valley, CA 92708-2597
Attn: Admissions-DL/REAP

Note: If Math 010 or 030 were completed at Coastline, please indicate this on your registration form or when making payment; no transcript request is needed.

Telephonic registration: Send official transcript or placement test results no later than **January 30, 2000**. Prerequisite fulfillment must be determined before enrolling.

New or returning student: Send registration form with payment and attach copy of placement test results or transcripts.

*Results from other tests (e.g., ELM, ACT, SAT, ASSET or certain military tests) may be submitted for approval.

OFF CAMPUS OPPORTUNITIES—COASTLINE COLLEGE

TO MEET OTHER G.E. REQUIREMENTS

Coastline Community College offers a wide range of distance learning courses delivered through multimedia: Telecourses (video lessons), Interactive Cable Courses, Cablecast, CD-Rom and Online. Each of these multi-media delivery modes affords students with full-time jobs or family responsibilities to fulfill their educational and career goals. These college-credit courses allow students to "attend" and complete college through their homes or work sites. In addition to the video lessons, each course requires text book(s), study guides and student handbook.

Students should check with their local community college in their area to see if similar distance learning courses are being offered. The maximum number of 70 units of community college course work is transferable to the CSU.

The amount of work required in a distance learning course is comparable to the course work required in a classroom course. Because of this, it is suggested that students take ONE distance learning course (Telecourse, Online, Cablecast) per semester. All courses have specific course assignment due dates by mail and specific time periods for taking proctored or on-site examination.

Each distance learning course has a qualified instructor. Students can contact their instructor during weekly office hours by phone, FAX, e-mail, or by leaving a message on voice mail.

DISTANCE LEARNING COURSE OFFERINGS

Typically, Coastline will schedule the following courses each semester. These courses are generally Telecourses, unless otherwise noted. Check our web address at <http://sandpiper.ccc.cccd.edu/~dl> for the latest course listings.

ASTRONOMY 100—INTRO TO ASTRONOMY 3.0 Units

Origin, characteristics and evolution of the solar system, stars, galaxies and the universe. CSU B/B1; IGETC: Area 5/Group A

ASTRONOMY 100L—ASTRONOMY LAB 1.0 Unit

A beginning astronomy laboratory course for non-science major offered online at <http://coastline.ccc.cccd.edu/~video/astronomy100l> CSU B/B3

BIOLOGY 100—INTRO TO BIOLOGY 3.0 Units

For non-science majors. Study basic concepts of biology emphasizing the characteristics of plants and animals, human body systems, health genetics and the environment. CSU B2; IGETC: 5B

BIOLOGY 101—INTRO TO BIOLOGY LAB 1.0 Unit/Independent study-lab kit

Biology lab for non-science majors. A general study of plant and animal life processes to acquaint the non-biology major with basic biological concepts and instruments in the laboratory. CSU: B3; IGETC: 5C Advisory: Biology 100 or equivalent or concurrent enrollment in Biology 100.

HISTORY 170—U.S. HISTORY TO 1876 3.0 Units

Comprehensive examination of U.S. History from exploration through the Civil War and Reconstruction covering political, economic, diplomatic and social aspects of American life. CSU: D6; IGETC: 3B OR 6A.

HISTORY 175—U.S. HISTORY SINCE 1876 3.0 Units

Comprehensive examination of U.S. History from Reconstruction to the present time. Covers the political, economic, diplomatic, social and cultural aspects of American life.

INTERNET 175—U.S. HISTORY SINCE 1876 3.0 Units

<http://coastline.ccc.cccd.edu/~video/history175l>

HUMANITIES 110—HUMANITIES THROUGH THE ARTS

3.0 Units

A survey of Western civilization cultural achievement as expressed through music, literature, drama, film, painting, sculpture and architecture. CSU C2; IGETC 3B

PHILOSOPHY 100—INTRODUCTION TO PHILOSOPHY 3.0 Units

Explore the great philosophical questions that have engaged Eastern, Western, African, Native American and Latin American cultures from ancient times to the present. CSU C/C2

HUMANITIES 130—CINEMA HISTORY/APPRECIATION

3.0 Units

Historical development of film as an art form considering scientific, sociological and philosophical influences and effects. Viewing and analysis of some landmark films. CSU C2; IGETC 3B

PHILOSOPHY 115—LOGIC/CRITICAL THINKING 3.0 Units

Elements of logic and semantics, cogent and fallacious reasoning, deductive and inductive proofs, accurate use of language, analogy, definition and clarity, and precision of expression. CSU A3

INTERNET PHILOSOPHY 115 - LOGIC/CRITICAL THINKING 3.0 Units

Students enrolled in this online course must have access to a multimedia computer with full service connection to an Internet provider to participate. Web address: <http://coastline.ccc.cccd.edu/~video/philosophy115l>. Elements of logic and semantics, cogent and fallacious reasoning, deductive and inductive proofs, accurate use of language, analogy, definition and clarity, and precision of expression. CSU A3

PHILOSOPHY 120—ETHICS 3.0 Units

A comprehensive look at the major ethical and moral issues of our times including: abortion, euthanasia, the death penalty, discrimination, sexual morality, individual liberty and economic justice. CSU: C2; IGETC: 3B.

POLITICAL SCIENCE 100—AMERICAN GOVERNMENT 3.0 Units

Introduction to the principles and problems of American government. Satisfies the state college requirement on the U.S. Constitution, state and local government. CSU D8

INTERNET POLITICAL SCIENCE 100—AMERICAN GOVERNMENT 3.0 Units

Students enrolled in this online course must have access to a multimedia computer with full service connection to an Internet provider to participate. Web address: <http://coastline.ccc.cccd.edu/~videopolisci100l>

PSYCHOLOGY 100—INTRO TO PSYCHOLOGY 3.0 Units

Fundamentals of human psychology. Scientific approach to study of human behavior, examine and integrate physiological, intrapsychic, and social/behavioral perspectives on human thought and behavior. CSU D9; IGETC: 4

INTERNET ECONOMICS 180—PRINCIPLES OF MACROECONOMICS 3.0 Units

(CD-ROM Component) Analyzes recession, unemployment and inflation; focuses on business cycles, output and income measurements; the equilibrium level of national income, money creation, the banking system and public debt. CSU transfer Group D/D2. Web address: <http://sandpiper.ccc.cccd.edu/~dl>; click on Courses, then find Economics 180.

INTERNET ECONOMICS 185—PRINCIPLES OF MACROECONOMICS 3.0 Units

(CD-ROM Component) Introduction to the concepts and tools of economic analysis CSU transfer Group D/D2. Web address: <http://sandpiper.ccc.cccd.edu/~dl>; click on Courses, then find Economics 185.

INSTRUCTIONS TO DROP OR COMPLETELY WITHDRAW

Please read and complete the following:

You will **NOT** be allowed to drop any course after it has ended or after May 19, 2000.

You will be entitled to a refund (if eligible) and will not receive record of enrollment on your transcript if:

- drop is received on or before first class meeting and before March 17, 2000.

You will not be entitled to a refund and will not receive record of enrollment if:

- drop is received before or on first class meeting date, but after March 17, 2000.

You will not be eligible for a refund and will receive a "W" grade if:

- drop is received after first class meeting date and before May 19, 2000. Drops must be for serious and compelling reasons.
- Assistant Chair's signature required to withdraw during this period.

If you paid fees and you completely withdraw, you will automatically receive registration material for the next two terms.

Self-Directed General Education Electives Courses

**Spring 2000
Trimester**

January 3-April 14

California State University, Dominguez Hills has arranged to offer Statewide Nursing Program students courses through correspondence. These courses may be used to satisfy upper division general education requirements for Humanities and may also be used for elective credit. If you wish to register for any of these classes, use the MAIL-IN registration form below. The form and the fees should be received at CSUDH BEFORE JANUARY 3, 2000. Classes begin JANUARY 3 and end APRIL 14. If you have any questions, please call the Humanities External Degree Office at (310) 243-3743.

HUX 347 - Images of Humanity: World Religious Perspectives (3)

Survey of ancient and modern religious systems, focusing upon general characteristics of religious belief.

Registration in this course does *not* meet university requirements for continuing student status.

NOTE: New and re-entering students must submit Admission Application and application fee directly to the Statewide Nursing Program of California State University, Dominguez Hills prior to registration. Students who have applied for graduation should consult with the SNP graduation unit prior to registering for HUX classes. These classes may *not* be taken credit/no credit.

Course syllabus will be sent to you when your registration is completed. To order your textbook for this class, contact:

Follett DirectNet

Phone: 1-800-808-2665

Fax: 1-800-621-4187

ASSESSMENT OPTION

The Division of Nursing recognizes that many students have knowledge and skills learned by means other than a transferable college credit course. Students may earn academic credit by demonstrating their knowledge through specified written or performance examinations.

REGENTS COLLEGES NURSING WRITTEN EXAMINATIONS

Starting June 1, 1998, the ACT/PEP exams will be administered directly by Regents College and not by the ACT/PEP program. To receive updated information regarding taking Professional Strategies, Health Support I and II and Life Span Developmental Psychology contact: Regents College at 518/464-8500; at the greeting, press 1-6 to speak with an attendant or write to:

Regents College
Test Administration
7 Columbia Circle
Albany, New York 12203-5159

You may also contact them at www.regents.edu

You may earn academic credit for passing the following written examination. The cost of each exam is \$160.00. Registration packet and study guides must be ordered directly from Regents College. Test sites are statewide and will be assigned at registration. Currently the passing score is 45 or better.

BSN 315.1, .2, .3 Life Span Developmental Psychology
BSN 360.1, .2, .3, .4* Professional Strategies

In order to receive credit for the Spring 2000 semester, nursing students must take exam and have results returned to the Division of Nursing by February 2000.

STEPS FOR REGISTRATION FOR REGENTS EXAMS

1. Register with Regents College on one of their designated test dates. Request Regents to send a copy of your test scores to CSUDH. Make sure you take the exam early enough to have the test results received by Admission & Records by the Division of Nursing date.
2. Register with Admission & Records using the test Course Reference and Section # listed in this Assessment Option section. If you pass the exam you will receive a credit (CR) grade. If you fail the exam, you must drop the units or receive a (NC) grade. If you need to drop units, you may be able to enroll in a course (live or telecourse) in your area.
3. To study for the test, required text books can be ordered from the University Bookstore: 315 order Schuster (SCH0337); 360 order Kelly (KEL0050); 410 order Clark (CLA0091). The Bookstore telephone number: 562/985-7715 or 800/942-8657.

*BSN 360.1-4 not for students admitted Fall '99 or after.

4. If you have additional questions, call 800/344-5484.

	Units	Course Ref.	Loc. Code	Sec #
BSN 315.1	1	20939	ITEST	19
BSN 315.2	1	20940	ITEST	19
BSN 315.3	1	20941	ITEST	19
BSN 360.1*	1	20942	ITEST	19
BSN 360.2*	1	20943	ITEST	19
BSN 360.3*	1	20944	ITEST	19
BSN 360.4*	1	20945	ITEST	19

Students admitted prior to Fall '93 are eligible to take the Health Support I & II exam to test out of 410.1-3. Please call 800/344-5484 if you are eligible and choose this option.

*PERFORMANCE EXAM WITH NON-NURSING WRITTEN EXAMINATION

Selected standardized examination may be useful to you in earning elective and general education credit. Questions regarding tests which are appropriate for you, the unit value granted, etc., should be referred to your advisor. You may request the free study guides by writing to the address below.

CLEP (College Level Examination Program)
P. O. 6601, Princeton, New Jersey 08541-6601

Credit by Exam

Third week of every month

Registration Deadline
One Month Ahead

To request CLEP booklet, call 800/344-5484.

NURSING PERFORMANCE EXAMINATIONS

You may earn academic credit for the following theory and performance modules by successfully passing performance examinations developed by the New York Regents College External Degree Nursing Program. To receive a study guide you must first have written approval from the Undergraduate Nursing Program Coordinator.

Study guides	
BSN 380	\$25.00
BSN 340, 460, 480, 490	\$20.00
General Information	\$20.00

Successful completion of a performance examination results in a grade of credit (CR) on your transcript. A test may be repeated twice without academic penalty. The cost of each test varies. Test fees are paid at time of registration. Fees for test are subject to change.

ASSESSMENT OPTIONS

To Test Out of	Request the Study Guide for	Cost
BSN 340.1,2,3	Collaboration	\$500
BSN 380.1,2,3,4	Health Assessment	\$950
BSN 460.1,2,3	Research	\$500
BSN 480.1,2,3	Leadership	\$500
BSN 490.1,2,3	Management	\$500

BSN 490 Management assessment option is discontinued for students admitted Fall 1997 and thereafter.

Space is limited for examinations. Review the study guide & test dates. Be sure to allow yourself enough time to adequately prepare for each exam. Mail the application with registration form and fee. You will be scheduled for the exam in Long Beach by the Western Performance Assessment Center (WPAC) on space availability basis on the dates below:

PROCEDURES FOR ENROLLMENT

Please follow the procedure outlined below if you are challenging out of a course through an approved written or performance examination. Courses taken by assessment/challenge are counted in your registration term unit load.

1. Call 800/344-5484 in order to receive written instructions and addresses for completing the challenge process.
2. Register during regular registration period using the schedule numbers listed on this page.
 - If you have previously taken and passed the test, mail your test results to the A & R office.
 - Request New York Regents send a copy of your test scores to CSUDH.
3. If you fail the exam, drop the class and enroll in a live class, if one is available, or re-register the following semester.
4. If you pass the exam, you do not need to do anything further. You will be mailed a CR grade report. **DO NOT ATTEND CLASS.**
5. If the course you are challenging is prerequisite to another course, you must successfully pass the course you are challenging prior to enrolling in the next course.

OFF-CAMPUS EXAMS

As a convenience to nursing students, CSUDH offers four exams that meet the CSU graduation requirements. These exams are offered one time during each semester at various locations throughout the state of California.

- California State and Local Government
- Political Science 101
- United States History
- GWE

Political Science and US History may be taken to receive certification only or certification plus 3 units of credit. California State & Local Government must be taken for Certification only. These comprehensive exams must be taken during the first 2 weeks of each semester.

Conscientious preparation is highly recommended. You must complete the **Petition for Credit by Examination** in this class schedule (see Table of Contents), and attach it to the registration form with fee payment. Texts are listed on Book Order Form. You may drop if you fail. **LAST DATE TO ADD/DROP REGULAR CAMPUS COURSES FOR CREDIT IS SEPTEMBER 16, 1999.**

Credit/No Credit Policy

An Undergraduate student may elect to be graded CR/NC in particular courses, subject to the following conditions:

Course Limitations

1. Courses used to satisfy a major (both upper and lower division), or which are prerequisite to it, must be taken for a letter grade except when such courses are graded solely on a CR/NC basis. A student may enroll in up to 50% of the units required by a minor on a credit/no credit basis, unless otherwise specified elsewhere in the catalog under specific requirements for a minor.
2. No more than 24 units graded CR/NC whether taken at this or another institution, may be offered in satisfaction of the total units required for a bachelor's degree. If 24 units graded CR/NC are accepted in transfer, no additional courses graded CR/NC may be used to satisfy degree requirements, except when a required course is graded solely on a CR/NC basis. (All credits earned in the CLEP testing program may count even if they make cumulative total of all CR/NC units at that time over 24.)

Graduation Writing Assessment Requirement Exam (GWAR): To meet the CSU Graduation Writing Assessment Requirement, you may take the approved writing test (GWE) through CSUDH and also through most CSU campus testing centers, or you may take coursework specified by the offering CSU campuses as meeting the graduation writing requirement. Undergraduate students should complete this requirement during their junior year. Graduate students must achieve a passing score of 8 or better on the GWE during or prior to the first semester of enrollment.

CSUDH Graduation Writing Assessment Requirement examination consists of an essay exam with one hour allowed for completion. The test is graded by CSUDH faculty and you will receive notice of your results.

Early registration is advised. **Registration must be received four weeks prior to test date.** A \$25.00 fee is required. Fee can be paid by check or money order payable to California State University Dominguez Hills (CSUDH). A confirmation and test preparation materials will be sent to you. Bring 25 cents cash for purchasing bluebook. Also bring a #2 pencil and two pens.

SPRING 2000 CSUDH DIVISION OF NURSING PROGRAM EXAM SITES

REGISTRATION MUST BE RECEIVED IN CENTRAL OFFICE FOUR WEEKS PRIOR TO TEST DATE. TESTS BEGIN PROMPTLY AT BEGINNING TIME LISTED. LATE ARRIVALS CANNOT BE ACCOMMODATED. ARRANGE TO ARRIVE FIFTEEN MINUTES EARLY TO PREPARE FOR TEST TAKING.

HONOR SOCIETY AND ALUMNI CHAPTER

HONOR SOCIETY

Xi Theta Chapter Sigma Theta Tau International Honor Society of Nursing (STTI) is the recognized Honor Society of Nursing. The purposes of STTI are to:

- Recognize superior achievement and scholarship
- Recognize the development of leadership qualities
- Foster high professional standards
- Encourage creative work
- Strengthen commitment to the ideals and purposes of the profession

Xi Theta, a statewide chapter of STTI in the Division of Nursing, at CSUDH, has over 300 members. **Eligible new members are inducted in early June of each year.**

You are invited to submit Membership Intent Forms if you are:

- a **baccalaureate student** with a cumulative grade point average (includes transfer coursework) of at least 3.00, verified rank in the highest 35% of your class in scholarship, and have completed half of the required nursing courses, 27 units by the end of Fall, 2000.
- a **graduate student** with a grade point average of 3.50 and have completed a quarter (9 units) of the required nursing courses by the end of Fall, 2000. Pathway students must complete 9 units of graduate nursing courses.
- a **community nurse leader** who has a minimum of a baccalaureate degree in nursing, at least five years post BSN, and has demonstrated marked achievement in nursing education, practice, research or publication. **Alumni** should apply in this category if they have graduated prior to December of the year prior to application and may be considered in less than five years post BSN if they meet the other criteria.

For Membership Intent Forms call (310) 243-3596 or (800) 344-5484 and indicate if you are a BSN student, MSN student, or community leader applicant. Forms will be mailed after January 1st each year.

ALUMNI CHAPTER

The *Division of Nursing Alumni Chapter* (DONAC) purpose is to foster relationships among alumni and promote alumni activities. The goals of the Alumni Chapter are to provide alumni with networking and collaboration opportunities. The Chapter invites all new BSN & MSN graduates to join the group. Annual membership is \$20 and provides a unique opportunity to maintain and renew important relationships built in your BSN and MSN programs.

If you would like an Alumni Chapter Membership application, please write to:

Division of Nursing Alumni Chapter
CSUDH-700
1000 E. Victoria Street
Carson, CA 90747

OPEN UNIVERSITY

An opportunity for non-matriculated Registered Nurses to earn continuing education and University academic credit.*

If you are interested in taking courses, need CE credit for relicensure, do not plan to earn a degree or you haven't yet reached a decision on your academic objective, you may want to take advantage of Open University enrollment options.

Academic credit at the upper division level is available and may be transferred to a degree program. In addition, all nursing course offerings are approved by the California Board of Registered Nursing at the rate of 15 contact hours per unit for RN relicensure (BRN Provider # is 03594). Grade reports are provided and permanent record of attendance is maintained by CSU Dominguez Hills.

The nursing faculty has approved the following courses for Open University:

Students may register beginning January 10, 2000. Registration must be received 2 weeks prior to class start date. If questions contact Undergraduate Chair 310/243-2005.

Course Number	Course Title	Semester Units
BSN 305	Human Diversity and Health Care	4
BSN 315	Life Cycle	3
BSN 345	Pathophysiology	4
BSN 360	Professional Issues in Nursing	4
BSN 405	**Statistics	3

*Not available for RNs seeking admission into the baccalaureate Program.

**The Entry Level mathematics (ELM) test must be taken prior to enrollment in Statistics by all undergraduate students.

All other courses not listed require a phone interview with the Chair, Undergraduate Nursing Science Department (310/243-2005) and written approval before registration is recognized. For per unit fee contact Extended Education at (310) 243-3741. Check the class listing in the Table of Contents for course descriptions, special locations, times and dates. All students must purchase course materials, texts and the APA Style Manual, 4th edition directly from the bookstore prior to the first class meeting.

Enrollment in courses is on a space-available basis. The University reserves the right to cancel any course. In case of cancellation, the student will be notified and will receive a refund. All information regarding fees is subject to change without notice or obligation. Non-attendance in class or notification of the instructor does not constitute automatic withdrawal or refund. Call (310) 243-3741 for refund and withdrawal policies. Class attendance does not constitute enrollment.

Credit earned can be applied toward a degree, within set limits:

- For baccalaureate level students, a maximum of 24 semester (36 quarter) units of open university or extension credit may be applied toward a bachelor's degree, whether completed through CSU Dominguez Hills or elsewhere. This includes all extension, correspondence, and USAF credit.
- Extension credits and credits earned prior to matriculation do **NOT** satisfy CSU Dominguez Hills residence requirements for the degree.
- **REGULAR MATRICULATED STUDENTS MAY NOT ENROLL IN THE OPEN UNIVERSITY PROGRAM IF THE STUDENT HAS BEEN ADMITTED TO ANY CALIFORNIA STATE UNIVERSITY CAMPUS AS A REGULAR STUDENT FOR THIS SEMESTER**, or if the student is a continuing regular student who has registered in the previous term (this does not apply to academically disqualified students). There will be no exceptions to this regulation and no refund of fees.

To enroll in any course through Open University, the student must: (1) complete the registration form on the following page, (2) include payment of the appropriate fees, and (3) postmark 2 weeks prior to the first class meeting of the course. Although enrollment is based on the availability of space, it is necessary to register a minimum of two weeks in advance because of the possibility of cancellations (you will be notified) and to meet the pre-class assignment requirement.

The initial assignment, as designated in the module text, must be completed prior to the first class meeting. Use the BSN Book Order form in this schedule to purchase the required textbooks and course materials for each course.

If you have any questions about Open University, please call (310) 243-3741. **Please use the form on the following page to register in Open University only if you are not a matriculated student.** Open University and Extended Education course work do not constitute matriculation for the newly admitted student. Call the Undergraduate Chair 310/243-2005 for additional advisement.

- If you need to drop a course in Open University, use the drop form furnished in this schedule. Send it **DIRECTLY** to: Extended Education, CSUDH, 1000 E. Victoria St., Carson, CA 90747. You do not need to attach a drop fee.

CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS Open University Registration Form

Please note the list of courses available for Open University on the preceding page. If you need any other course you must speak in advance to the Chair, Department of Undergraduate Nursing Science and receive signed authorization, otherwise this form will be returned.

Mail completed form to: **Colleen Ehrenberg, Chair, CSUDH, DIVISION OF NURSING**, 1000 E. Victoria St., Carson, CA 90747. It should be postmarked at least **2 weeks** prior to the first class meeting or it will be returned. Order module texts and required text. See book order form for instructions.

PHN ELIGIBILITY STUDENTS ONLY: Send your completed form to **Cynthia Johnson, PHN Coordinator, CSUDH Division of Nursing**, 1000 E. Victoria St., Carson CA 90747, Attention: PHN Certificate Eligibility Program.

TELECOURSE & WEB BASED COURSES

TELECOURSE PREPARATION

Prepare for each telecourse by:

1. Obtain equipment. (Our recommendations are listed below)
2. Obtain Internet Service Provider (any provider you choose is acceptable).
3. Follow the registration procedures below to register for your classes.
4. **Purchase a personal copy** of the required module text, current **telecourse syllabus** and textbooks. (Allow eight working days for delivery. Orders can be delayed if placed during the first two weeks of the term.)
5. Rent videotapes for each telecourse.
6. Complete pre-assignments prior to the first class meeting.

TELECOURSE REGISTRATION PROCEDURES

1. The registration process is the same as for any other class. The following pages contain the course reference numbers (CRN) and section numbers.
2. The student will contact the instructor by e-mail between the instructor contact date and the course start date and provide their name, address, telephone number, module and section number, and e-mail address. **The student is responsible for dropping any class which they do not attend or complete.**
3. Order tapes from RMI or the Textbook Connection. Required texts and course materials **INCLUDING CURRENT TELECOURSE SYLLABUS** must be ordered from the Textbook Connection prior to the first class session.
4. The instructor's e-mail address is in the telecourse syllabus which is purchased through the Textbook Connection. The syllabus also contains course delivery information such as assignments, due dates, etc. The instructor will enter you on a list to receive information about the course via e-mail. Your registration in the course will be confirmed by the instructor once your e-mail address has been received and the class has started. You must order early enough to contact instructor during the contact period prior to the class start date.
5. If you are enrolled in BSN 405 you must complete and return the Proctor Agreement Form, found in the telecourse syllabus, to the telecourse coordinator at CSUDH—Division of Nursing, 1000 E. Victoria St., Carson, CA 90747, no later than two weeks after the class start date.
6. If you are placed on a waitlist, you will be notified by the telecourse coordinator if an additional section of a course is opened.

Students participating in a telecourse (e-mail support) must have access to the following equipment.

We strongly recommend the following as minimum requirements:

- A TV and a video tape player/recorder
- IBM format
- Pentium 100 MHZ or faster chip
- 16 MB of RAM (32 MB recommended)
- 56,600 baud rate or faster modem
- Multi-media capability
- Access to Microsoft Internet Explorer, or Netscape
- Microsoft Word (7 or higher) Microsoft Excel (6 or higher)
- CD Rom Drive

If you have questions regarding the **TELECOURSES**, please contact the Telecourse Coordinator at 310/243-3170 or mlouderback@soh.csudh.edu

TELECOURSE & WEB BASED COURSES

All of the following courses are e-mail contact only. To register for telecourses or web based courses, refer to each listing below for CRN and section number. Contact instructor by e-mail sometime between the "Begin Instructor Contact" date and the "Course Start Date" listed below, indicating you are registered for a telecourse or web based course. The following telecourses are conducted through videotape, print material and e-mail (web based courses do not use videotape). Required assignments and communication with the instructor and classmates are done on a weekly basis within each module as indicated in the telecourse syllabus.

BSN 301 - TECHNOLOGY FOR THE INFORMATION AGE (1) (Web Based)

				Begin Instructor Contact	Course Start Date

MUS 101 - INTRODUCING MUSIC (3)—online

An Internet course on the technique of listening to music. The elements of music, musical forms, and historical styles. Satisfies a General Studies requirement. For special telecourse equipment requirements point your Internet browser to <http://music2.csudh.edu/mus101>

Enrollment is limited. Contact Dr. David Champion at david@thechampions.com for registration information.

TELECOURSE RENTALS

GENERAL INFORMATION

WHAT WILL IT COST?

Telecourse Video Cassette rentals are \$55.00 per course plus postage and handling. **THESE FEES ARE NON-REFUNDABLE, EVEN IF YOU SHOULD DECIDE TO DROP THE COURSE...**

WHAT'S ON THE TAPES?

All of the program segments in the entire Telecourse are recorded on extended play videotapes. You will receive two, three, or four tapes depending on the number of segments in the Telecourse.

HOW LONG DO I KEEP THE TAPES?

You use the tapes for the semester in which you are enrolled in the Telecourse. You will have thirty (30) days from the conclusion of the course to return the video cassettes. If the tapes are not returned by the end of the 30 day grace period an additional \$55.00 will be charged to your credit card after notification.

HOW DO I RETURN THEM?

Please return all materials in the original bag or box. **THE TAPES ALONG WITH THE SHIPPING COPY LISTING YOUR NAME SHOULD BE RETURNED BY CERTIFIED MAIL OR COURIER SERVICE.**

IT'S REALLY VERY SIMPLE...

The following information must be provided to place your Telecourse Order from RMI:

- A. The course name and Title of the Telecourse. For example:
PSYCHOLOGY 101/PSYCHOLOGY: THE STUDY OF HUMAN BEHAVIOR.
- B. The name of the college or university where you are enrolled.
- C. Current billing and shipping address. UPS will not deliver to a P.O. box.
- D. Daytime phone number.

RMI accepts MasterCard, VISA, Discover, American Express or money orders. If you choose to pay by credit card, call RMI at 800/745-5480. Or, if you are connected to the Internet, you can order your Telecourse on-line

<http://www.rmimedia.com/>

Money orders should be sent to:

RMI Media Production, Inc.
1365 North Winchester St.
Olathe, KS 66061

SORRY, NO PERSONAL CHECKS WILL BE ACCEPTED!
PLEASE EXPECT A 10-15 DAY DELIVERY PERIOD FOR GROUND SHIPPING.

RMI Media Productions, Inc.
1365 N. Winchester
Olathe, KS 66061

Save Time: order online at: <http://www.rmimedia.com/>
TELECOURSE FEES ARE NONREFUNDABLE

NATIONAL PROGRAM

**BSN
Nat'l**

Coordinator, Area N, National Program

Kathleen Johnston, R.N., M.S.N.
Professor/Assistant Chair
Division of Nursing, CSUDH
1000 E. Victoria Street
Carson, CA 90747
800/344-5484 (CA only) or 310/243-2029
E-mail: kjohnston@soh.csudh.edu

NATIONAL PROGRAM

The Division of Nursing has expanded its program nationally for many RNs in the rural and urban United States unable to advance their education and practice due to life-style and geographic constraints. **California students transferring out of state can continue their BSN courses.** Higher education is accessible to all registered nurses by registering at 1-877-GO HILLS (464-4557).

DELIVERY OF CLASSES & EQUIPMENT NEEDED

Communication with the instructor and students is web-based, facilitated through the Internet and e-mail.

Students participating in courses will need to have access to the following:

- A TV with a videotape player/recorder
- 486 IBM-compatible or Macintosh computer
- A minimum of 28.8 kbps modem or higher
- Internet access with a web browser and e-mail.

WITHDRAWALS AND REFUNDS

Students may withdraw from a course before a specified deadline without impacting their academic records, and become eligible for a full or partial refund of tuition and fees. Withdrawal, **refund dates** and deadlines vary by the university and are outlined in the Policies and Procedures document sent to each student after enrollment. Refunds are issued according to the date the withdrawal form is postmarked or faxed.

PAYMENT AND COSTS

Payment of tuition, and fees for all required nursing course materials can be made by phone (1-877-GO HILLS) or mail using Mastercard, VISA, Discover or American Express credit cards, money orders, personal checks or purchase order numbers.

REGISTRATION

Early registration helps to assure class placement and receipt of materials before the class start date. Registration and payment of fees must be made by calling 1-877 GO HILLS. Registration for the Summer term starts April 1; for the Fall term starts July 1; for Spring term November 1.

1. Review the courses offered.
2. Call registration advisor for enrollment information and specific program requirements.

3. Enrollment in an individual course(s) can be easily and quickly accomplished and requires a short period of time by calling 1-877-GO HILLS

Division of Extended Education

8 am - 6 pm Monday through Thursday PST
8 am - 5 pm Friday PST
8 am - 1:30 pm Saturday PST

NURSING* COURSES FROM CSU DOMINGUEZ HILLS

The following charge is subject to change:

Tuition for CSUDH courses: **\$225.00 per unit**

BSN 301 TECHNOLOGY FOR THE INFORMATION AGE (1)

Offered in Spring and Fall 1 unit
Refer to course description in this schedule of classes. To be taken with BSN 310.

BSN 310 PROFESSIONAL NURSING HORIZONS (2)

Offered in Spring, Summer & Fall 2 units
Refer to course description in this schedule of classes. To be taken with BSN 301.

BSN 305 HUMAN DIVERSITY AND HEALTH CARE (4)

Offered in Spring & Fall 4 units
Refer to course description in this schedule of classes.

BSN 315 LIFE CYCLE (3)

Offered in Spring & Fall 3 units—Non-sequenced
Refer to course description in this schedule of classes.

BSN 340 PROFESSIONAL RELATIONSHIPS IN NURSING PRACTICE (3)

Offered in Spring & Fall 3 units
Refer to course description in this schedule of classes.

BSN 345 PATHOPHYSIOLOGY (4)

Offered in Spring & Fall 4 units
Refer to course description in this schedule of classes.

BSN 360 PROFESSIONAL ISSUES IN NURSING (3)

Offered in Spring or Summer or Fall 3 units—Non-sequenced
Refer to course description in this schedule of classes.

BSN 380 HEALTH ASSESSMENT (4)

Offered Spring & Fall 4 units
Refer to course description in this schedule of classes.

The following charge is subject to change:

Tuition for CSUDH courses: \$225.00 per unit

BSN 400 HEALTH PROMOTION & TEACHING (3)

Offered only in Summer 2 units

BSN 405 STATISTICS (3)

Offered Spring or Summer or Fall 3 units

Refer to course description in this schedule of classes.

BSN 410 HEALTH MANAGEMENT I (5)

Offered Spring & Fall 5 units

Refer to course description in this schedule of classes.

BSN 420 HEALTH MANAGEMENT II (5)

Offered Spring & Fall 5 units

Refer to course description in this schedule of classes.

BSN 430 HEALTH CARE SYSTEMS, POLICY AND FINANCE (3)

Offered Spring or Fall 3 units

Refer to course description in this schedule of classes.

BSN 460 RESEARCH UTILIZATION (3)

Offered Spring or Summer or Fall 3 units

Refer to course description in this schedule of classes.

BSN 480 LEADERSHIP IN NURSING PRACTICE (3)

Offered Spring & Fall 3 units

Refer to course description in this schedule of classes.

BSN 490 MANAGEMENT IN NURSING PRACTICE (3)

Offered Spring & Fall 3 units

Refer to course description in this schedule of classes.

SOURCES OF PRE-APPROVED COURSES

For tuition costs and registration:

- For Colorado Electronic Community College 800/801-5040
(Critical Thinking, Speech, English Comp, General Ed.)
- For Oklahoma State University 405/744-6390
Cecilia Boardman
- For Seattle Central Community College 800/510-1724
- For Washington State University 800/222-4978

BASIC SKILLS

Colorado Electronic Community College

Studies effective thinking using language-oriented logic. Provides tools and develops skills for creative and critical thinking. Emphasizes the development of decision-making and problem solving skills. Internet based and tuition: \$360.00.

SPE 115 PRINCIPLES OF SPEECH

Colorado Electronic Community College

Combines basic theory of speech communication with public speech performance skills. Emphasizes speech delivery, preparation, organization, support, and audience analysis. Video course and tuition: \$360.00

BSN ELECTIVES/GENERAL EDUCATION (pre-approved)

BSN 335 BIOCHEMISTRY

Offered by demand 4 units

\$225/unit

\$25 one time registration fee**

\$35 Technology fee

AST 100 ASTRONOMY

(from the telecourse "Universe: The Infinite Frontier")

Seattle Central Community College 5 quarter credits

Approved for CSU GE Category B—Emphasis on astronomic concepts fundamental to an understanding of the solar system, stars, galaxies and origin and history of the universe. Videotape only.

ENG 131 INTRODUCTION TO POETRY

(from the telecourse "Voices and Visions")

Seattle Central Community College 5 quarter credits

Approved for CSU GE category C—Study and analysis of the form, meaning, music and metaphor of poetry, from medieval times to the present. Videotape only

ENG 135 INTRODUCTION TO LITERATURE

(from the telecourse "Literary Visions")

Seattle Central Community College 5 quarter credits

Approved for CSU GE category C—Study and analysis of fiction, poetry and drama with emphasis on understanding the art and technique of each genre. Videotape only.

PHI 215 INTRODUCTION TO ETHICS

(from the telecourse "Ethics in America")

Seattle Central Community College 5 quarter credits

Approved for CSU GE category C—Deals with three questions: What am I to do, and why? What am I to be? How can I be what I choose to be? Examines ethical principles of Aristotle, Mill, Aquinas, Kant, existentialism and situation ethics. Includes current problems in medical ethics. Explores ideas of duty, justice, responsibility, guilt, virtue, and human excellence. Videotape only.

ART 1803V INTRODUCTION TO ART

(from the telecourse "Art of the Western World")

Oklahoma State University 3 semester credits

Approved for CSU GE category C—An introduction to the analysis and interpretation of visual arts. Visual, emotional and intellectual aspects of art in painting, sculpture, printmaking and architecture. Videotape only.

SOC 1113 B-V INTRODUCTION TO SOCIOLOGY

(from the telecourse "The Sociological Imagination")

Oklahoma State University 3 semester credits

Approved for CSU GE category D—The science of human society. Emphasis on basic concepts. Assists the student in understanding the social influences of day-to-day life. Videotape only.

ANTH 3353V CULTURAL ANTHROPOLOGY

Oklahoma State University 3 semester credits

Approved for CSU GE category D—Introduction to culture, various subdisciplines of cultural anthropology, anthropological concepts and capsule ethnographies of assorted groups. Videotape only.

HIST 1453V AMERICAN HISTORY TO 1865

(from the telecourse "The American Adventure")

Oklahoma State University 3 semester credits

Approved for CSU GE category D and meets US History requirement.

This course studies American history from its European beginnings through the Civil War. Videotape only.

HIST 1493V AMERICAN HISTORY FROM 1865

(from the telecourse "America: The Second Century")

Oklahoma State University 3 semester credits

Approved for CSU GE category D and meets US History requirement.

Development of the United States including the growth of industry and its impact on society and foreign affairs. Videotape only.

ANT 202 CULTURAL ANTHROPOLOGY

(from the telecourse "Faces of Culture")

Seattle Central Community College 5 quarter credits

Community College

Approved for CSU GE category D—Introduction to human culture including social organization, economics, political systems, religion, technology, values, art and language. Cultural perspective focuses on contemporary literature and pre-literate societies. Videotape only.

HIST 210 THE FAR EAST IN THE MODERN WORLD

(from the telecourse "Pacific Century")

Seattle Central Community College 5 quarter credits

Approved for CSU GE category D—Study of the transformation of East Asia and its contributions to the modern world. Emphasis upon responses to the problems and challenges of economic, political, and social development. Attention to the impact of China and Japan on contemporary East Asia. Videotape only.

PSY 110 GENERAL PSYCHOLOGY

(from the telecourse "Psychology: The Study of Human Behavior")

Seattle Central Community College 5 quarter credits

Approved for CSU GE category D—Introduction to the scientific study of human behavior, including learning and thinking, development, perception, motivation, emotion, personality and individual differences, social and abnormal behavior, and research methods. Videotape only.

HIST 1613A-V WESTERN CIVILIZATION TO 1500

(from the telecourse "Western Tradition I")

Oklahoma State University 3 semester credits

Approved for CSU GE category D—History of western civilization from the ancient world to the Reformation. Videotape only.

HIST 1623-AV WESTERN CIVILIZATION AFTER 1500

(from the telecourse "Western Tradition II")

Oklahoma State University 3 semester credits

Approved for CSU GE category D—History of western civilization from the Reformation to the present. Videotape only.

PSY 207 DEVELOPMENTAL PSYCHOLOGY

(from the telecourse "Time to grow")

Seattle Central Community College 5 quarter credits

Not for students who have 70 or more units from a community college

Approved for CSU GE category E

The analysis of psychological development of the child in relation to biological, physical, sociological antecedent conditions from conception through adolescence. Course will include the most recent theoretical and applied perspectives about effective ways to care for and work with children. Prerequisites: PSY110 or permission of instructor. Videotape only.

ANTH 316 GENDER AND CULTURE

Washington State University 3 semester credits

Approved for CSU GE category D or E—Cross-cultural examination of the status and roles of women and men, the institution of marriage and symbols of gender valuation. Videotape only.

ELECTIVES

ENV 150 ENVIRONMENTAL ISSUES AND PROBLEMS I

(from the telecourse "Race to Save the Planet")

Seattle Central Community College 5 quarter credits

Status: Elective—Covers natural principles governing operation of the environment including interactions between humans and the environment, emphasizing the attitudes and actions necessary to maintain a healthy ecosystem. Videotape only.

SOC 331 POPULATION RESOURCES AND THE FUTURE

Washington State University 3 semester credits

Status: Elective—Effects of population on resource depletion, environmental deterioration, social and economic structure; zero population growth prospects, limits to growth debate. Videotape only.

SOC 301 RURAL SOCIOLOGY

Washington State University 3 semester credits

Status: Elective—Comparison of rural and urban societies; rural social change and implication for the future. Videotape only.

POLS 305 GENDER AND POLITICS

Washington State University 3 semester credits

Status: Elective—This course focuses on the participation of women in American politics—both historically and in the contemporary period. It will include an emphasis on women's recent successes as candidates at both the state and national levels. Was 1992 really the "Year of the Woman"? In addition, the course will include a careful analysis of many public policies which particularly impact women within American society, such as reproductive choice, women in the workplace and family law. Videotape Only.

2. GWAR requirement must be met prior to examination.
3. Application for graduation must be filed with Admission and Records the semester prior to comprehensive examination, or a Petition for Exception must be processed.

EXAMINATION WORKSHOP DATES

NORTHERN REGION

Memorial Hospital

1111 E. Stanley

Livermore, CA 94550

Sunday, March 5, 9 a.m.-1 p.m.

Reservation required: call 800/344-5484,

by February 27 to RSVP and for room location.

CENTRAL REGION: L.A. SOUTH

Kaiser-Bellflower

9400 E. Rosecrans Blvd.

Bellflower, CA 90706

Saturday, March 11, 9 a.m.-1 p.m.

Reservation required: call 800/344-5484,

by March 4 to RSVP, and for room location.

CENTRAL REGION: L.A. NORTH

Santa Monica College

1900 Pico Blvd

Santa Monica, CA 90405

Saturday, February 19, 12:30-4:30 p.m.,

Reservation required: call 800/344-5484, by

January 29 to RSVP

SOUTHEASTERN/SOUTHWESTERN REGION

Palomar Medical Center

555 E. Valley Parkway

Escondido, CA 92025

Saturday, February 19, 9 a.m.-12 p.m.

Reservation required: call 800/344-5484,

by February 12, to RSVP and to confirm room location.

EXAMINATION DATES

Take Home Examination Given to Students: Thursday, May 4, 2000.

Take Home Examination Returned On: Monday, Monday, May 8, 2000.

Student must have completed all required MSN course work (33-53u) to be eligible for examination.

BSN/MSN ORDERING INFORMATION

BSN MODULE TEXTS & MSN SYLLABI

BSN Module texts and MSN Syllabi are essential course materials. These materials are protected by copyright and may not be copied without permission. The CSU can deny participation in a course if required/mandatory course materials are not acquired (Ch. O.42380).

We rely on you, our students, to order your module texts AND textbooks directly from the Textbook Connection three weeks prior to attending class. As you are aware, required readings and assignments are essential for students to prepare prior to the first and subsequent classes. Lack of preparation impacts the teaching-learning environment for both the instructor and other students. Another implication is the need to generate resources to support the ongoing revision and production of our module texts. The modules must incorporate the rapid shifts in healthcare and the impact on nursing which, in this time of escalating change, are ongoing. **We need your support to keep our curriculum current and to create an optimal teaching/learning environment for all students.** We are confident that you will order the module texts in a timely manner.

Each student must purchase a personal set of the module texts/syllabi which accompany each course. Registration is not complete until this requirement is met.

MODULE TEXT/SYLLABUS PURCHASE

- Module texts and syllabi are sold as complete sets with the exception of BSN 315.1-3; BSN 360.1-4; BSN 410.4 and BSN 420.4 and MSN 520.2-4.
- UNOPENED/UNUSED module texts/syllabi may be returned to the Bookstore with receipt for a refund within two weeks of the purchase date if purchased on site or within two weeks of mailing date if purchased by telephone order.

INSTRUCTIONS FOR COURSE MATERIALS, TEXTBOOK ORDERS and ONLINE BOOK ORDERING

Division of Nursing textbooks and course materials can be ordered directly from the Textbook Connection by mail, telephone or online. **TO PLACE TEXTBOOK AND COURSE MATERIAL ORDERS BY TELEPHONE PLEASE CALL 562/985-7715 LOCALLY OR (800) 942-8657.** Students can also access the bookstore Website and place orders online. The address is: www.esulb.edu/bookstore (click Textbook Connection). Materials will be shipped to your home by United Parcel Service. UPS cannot deliver to a post office box, so fourth class mail will be used if street address is not given. Since many courses have pre-assignments, books should be ordered well in advance of the first class session (see refund policies for book return information). Place your order and mail your check as soon as possible. Orders requiring next day or second day air delivery **MUST** be received before 11 a.m. on the date to be mailed. Call for updated price information during regular business hours (if not paying with a Visa or Mastercard). When prices for new editions cannot be verified through the publisher/printer prior to printing of the current class schedule, the total approximate price of required textbooks and materials will be listed as **TBA. BUY ONLY THE TEXTBOOKS YOU NEED FOR THE CURRENT SEMESTER IN ORDER TO ASSURE THAT YOU WILL HAVE THE CORRECT MATERIALS FOR YOUR CLASSES. REQUIRED TEXTBOOKS AND EDITIONS MAY CHANGE FROM ONE SEMESTER TO THE NEXT WITHOUT NOTICE.**

Required textbooks and materials for each course are listed on the Book Order Form in bold lettering and marked with an asterisk before the author name. **PLEASE ALLOW EIGHT WORKING DAYS FOR DELIVERY. ORDERS WILL BE DELAYED IF PLACED DURING THE FIRST TWO WEEKS OF THE TERM.**

For students who wish to purchase and pick up their textbooks personally from the Textbook Connection, Division of Nursing textbooks and materials are located toward the rear of the CSU Long Beach Bookstore adjacent to the warehouse. To assure that titles you want to purchase are in stock and available, please call 562/985-7715 and talk to Bookstore personnel **PRIOR** to going to the Textbook Connection.

1. For current book prices, call a Textbook Connection representative at (800) 942-8657 (CA residents) or (562) 985-7715 (Long Beach area residents). Business hours are Monday through Thursday, 9:00 a.m. - 5:00 p.m., Friday 9:00 a.m. - 12:00 noon, and Saturdays 10:00 a.m. to 2:00 p.m.
2. To determine the total cost of your book order, compute the merchandise total provided by a bookstore representative, add 8.25% sales tax and \$12 shipping and handling charge (NON-REFUNDABLE) in the upper left hand box.
3. Payment: Write check for total amount payable to: University Bookstore. Credit Card purchases require complete credit card information and your authorizing signature.
4. Mail to: UNIVERSITY BOOKSTORE
TEXTBOOK CONNECTION
CSU DOMINGUEZ HILLS
6049 E. 7th Street
Long Beach, CA 90840-0003

RETURN POLICY FOR TEXTBOOKS

New (unused) textbooks are returnable for a refund within 15 working days of the purchase date, **during the semester in which they were purchased.** Textbooks and materials must be in their original condition. Textbooks in less than new condition **WILL NOT** be refunded. A copy of the invoice and sales receipt must accompany the returned textbooks to receive a refund. Include your daytime phone number and, when applicable, your Visa/Master Card account number and expiration date. **SHIPPING AND HANDLING CHARGES ARE NOT REFUNDABLE.**

RETURN/REFUND POLICY FOR USED TEXTBOOKS

If ordered by mail, textbooks may be returned unused and undamaged within 15 days of the shipping date shown on the mailing label. When purchased on-site, textbooks must be returned within 15 days of the purchase date. A copy of the invoice and sales receipt **MUST** accompany the returned textbooks to receive a refund. Include your daytime phone number and, when applicable, your Visa/Master Card account number and expiration date. **SHIPPING AND HANDLING CHARGES ARE NOT REFUNDABLE.**

DIVISION OF NURSING TEXTBOOK BUYBACK POLICY

A **USED LIST** is compiled from textbook orders of Division of Nursing texts. Students may receive up to 50% of the current shelf price for titles on the buyback list. Old editions and books that are out of print or in poor condition will not be bought back. Students wishing to sell their textbooks back to the Textbook Connection call 562/987-7715 or 800/942-8657. A limited supply of used textbooks will be available at 75% of the current shelf price. Students wishing to purchase a used textbook should call the Textbook Connection at 562/985-7715 or 800/942-8657 for availability and ordering information.

INCOME TAXES

Keep your charge slips, cancelled checks and receipts from the Textbook Connection for tax purposes.

LIBRARY SERVICES

The librarians at California State University, Dominguez Hills (CSUDH) are pleased to work closely with the Division of Nursing in facilitating services to nursing students. In addition to your home campus library at CSUDH, you, as an officially enrolled student in the CSU System, have borrowing privileges at all twenty-two CSU campuses.

If requesting interlibrary loan service (ILL), use the forms available at: <http://library.csudh.edu/ill.htm>

ACCESSING LIBRARY MATERIALS

Use your local CSU campus library. If that library has the materials you need, you may use them there, make copies, or check them out. To borrow materials from any CSU campus library, you will need a valid, current CSUDH library card and another photo identification. (Your valid Library Card, or valid sticker to attach to your card, is mailed to you approximately four weeks after registration and processing of your fee payment.) Be sure to familiarize yourself with your local library policies and procedures. Each campus library has its own loan periods and other unique policies. You must abide by the regulations of the library you are using.

ONLINE LITERATURE SEARCHES

Students may access information on the Internet via their home computers utilizing the search engines (infoseek, Altavista, ...etc.)

To access databases available through the CSUDH library

1. <http://www.csudh.edu> (follow links to the library) or
2. <http://library.csudh.edu/cyberlib/> or
3. <http://library.csudh.edu/cyberlib/health.htm>
4. Follow link to CINAHL (accessible with password, see below)
5. Bookmark the URLs (web addresses) for future use

CINAHL VIA THE INTERNET

Instructions for accessing CINAHL, the Cumulative Index to Nursing and Health Sciences Journals.

1. In order to access, call your hub office for password information or e-mail nmoy@dhvx20.csudh.edu. Include your student ID number.
2. Access the Internet through your browser, preferably Netscape Navigator 3.01 or Microsoft Internet Explorer 4.0 or higher.
3. Type in the URL to the CSUDH CyberSpace Reference Library:

<http://library.csudh.edu/cyberlib/>

4. Click on "Nursing and Health Sciences Resources."
5. Click on "CINAHL (www accessible with password)."
6. Type in "user name" and "password", then click on "login."
7. At this next screen, select the CINAHL database. Click on "Search."
8. Type in your search terms; make decision on which documents you wish to select; order by fax or go to local health science library.
9. Faxed copies may be sent, for a \$12 fee, by mail or to your preferred fax machine by contacting CINAHL via:

- The web at http://cinahl.com/data/doc_delr.htm
- E-mail at docorder@cinahl.com
- Fax at 818/546-5633
- Phone at 800/959-7167 (press 3)

Note: Medline searches do not require a password. Access this biomedical database through the links listed in the CyberSpace Library "Nursing and Health Sciences Resources." There are new resources added to the Web daily. Consult the library's home page through the campus for current information.

CD-ROM SEARCHING

In the CSUDH campus library, students may conduct their own CD-ROM searches on the computer. Infrequent visitors to the library are advised to call (310) 243-3714 in advance to verify library hours.

CD-ROM DATABASES

Name	Subject	Dates
Business Periodicals Abstracts	Business	1982 -
ERIC	Education	1966 -
General Science Index	Science	1982 -
Humanities Index	Humanities	1984 -
PSYCLIT	Psychology	1976 -
Social Sciences Abstracts	Social Sciences	1982 -
Sociofile	Sociology	1980 -

In the course of a CD-ROM search students can download citations of interest and immediately look for the journal articles to which the citations refer. If the library has the journals in which the articles appear, students can make photocopies. If the library does NOT have the particular journals of interest, students can request the articles by filling out an Inter-Library Loan (ILL) Request Form in order that the CSUDH library can attempt to get the articles from another source, a process taking a minimum of two weeks. Students can also use CARL Uncover to order articles via the Internet. See the CSUDH Cyberspace Library.

INTER-LIBRARY LOAN (ILL)

All of the resource materials you need may not be found at any one library. To assist you, libraries cooperate by borrowing items from one another for their users. This system is called "Inter-Library Loan" or ILL. Exact arrangements differ from library to library. If your local library does not own the material requested, you will need to complete the ILL form with the exact bibliographic information or citation for the book or periodical article. This information is then transmitted to other libraries which own the requested material. The lending library then sends the requested material, if it is available, to your local library. This process can take some time so plan ahead and begin your search early. **COMPLETE THE ILL FORM ON THE LIBRARY HOME PAGE.**

As a special service to students residing outside of a 25 mile radius of CSUDH, ILL requests for periodical articles can also be mailed to the CSUDH library, using the ILL form. Other CSU campus libraries may also provide ILL services to nursing students. This would be a special service at the discretion of each individual campus. Inquire at the Inter-Library Loan Department to ascertain if that campus can provide you with ILL service. For additional information about ILL, call 310/243-3716.
