Degree and Certificate Programs Designed for Registered Nurses

**SUMMER 1988
CLASS SCHEDULE**

STATEWIDE NURSING PROGRAM
Offered Statewide by
California State University Dominguez Hills

California State University
Dominguez Hills

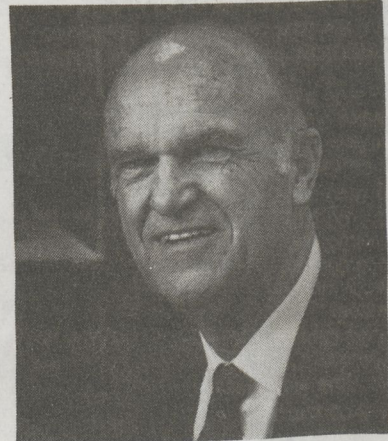

Dear Students,

As we near the end of Statewide Nursing Program's first year under the auspices of California State University Dominguez Hills, there is welcome news to report. Funding for the program has been included in the Governor's 1988-89 state budget. If all goes well, student fees will substantially decrease for Fall 1988.

Dr. John Brownell, President of CSU Dominguez Hills, and I invite your support in keeping the program strong while the Governor's budget proceeds through legislative review. Your enrollment is evidence that the program is needed and wanted by registered nurses and is, indeed, deserving of state funding.

You will note that the Summer Schedule offers a variety of courses and special offerings. The CSU Dominguez Hills general education courses in Humanities External Degree, Logic, and Music which were initiated in Fall 1987 proved very popular, so you will again see many of these same classes offered. We are also exploring the potential for televising selected courses. Our goal is to pilot one or more tele-courses in 1988-89.

As you can tell, we are enthusiastic about the program and continue to seek new ways to serve you. Share our enthusiasm, keep our program strong, and move even closer to your academic goal by taking a course or two this summer. Good things are happening at the Statewide Nursing Program!

Dr. John A. Brownell

Dr. Judith Lewis

ACADEMIC CALENDAR 1988

Spring Term 1988

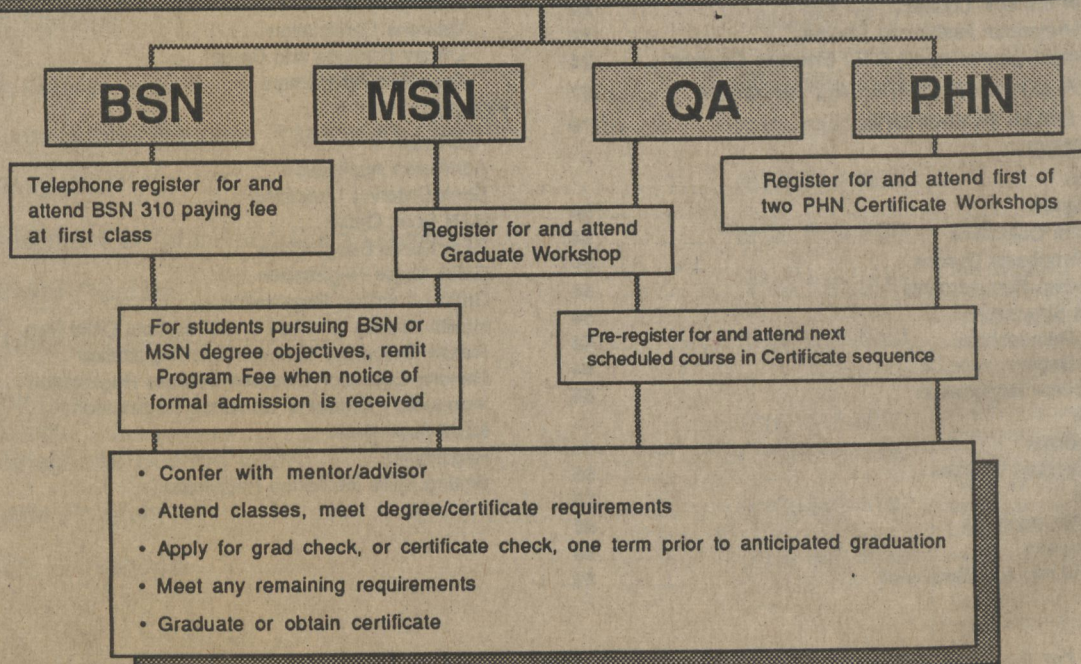

January	
1	New Year's Day — Holiday. — Offices will be closed.
2	Beginning of Spring term. Registration prior to or at first class session. Refer to Schedule of Classes for date, time, and location of classes.
15	Deadline for Summer 1988 applications for graduation.
18	Martin Luther King, Jr.'s, Birthday. — Classes will be held. — Offices will be closed.
February	
12	Lincoln's Birthday — Classes will be held. — Offices will be open.
15	President's Day/Washington's Birthday — Classes will be held. — Offices will be open.
March	
31	Deadline for Spring 1988 admission applications and official documents.
April	
30	Degrees awarded — Spring 1988.

Summer Term 1988

May	
1	Beginning of Summer term. Registration prior to or at first class session. Refer to Schedule of Classes for date, time, and location of classes.
15	Deadline for Fall 1988 applications for graduation.
30	Memorial Day — Holiday. — Offices will be closed.
July	
4	Independence Day — Holiday. — Offices will be closed.
31	Deadline for Summer 1988 admission applications and official documents.
August	
31	Degrees awarded — Summer 1988.

Educational Opportunities for RNs

- Review programs in which you are interested or eligible
- Gather more information on educational options through scheduled group orientations and/or central advisement
- Submit admission application indicating program objective and enroll
- Request transcripts of all prior college work to be sent directly to the Admissions and Records Office (Request a personal copy also if you don't already have one for your portfolio.)

OVERVIEW OF DEGREE PROGRAMS

The Statewide Nursing Program (SNP) began in Spring of 1981 with two major commitments: to make quality higher education in nursing more accessible to employed registered nurses and to ultimately improve health care in California.

Movement toward these goals is occurring through our BSN and MSN programs. Both of these programs were funded by the W.K. Kellogg Foundation and by contributions from individuals and health care organizations.

The curricula are responsive to the needs of adult learners whose time, lifestyles, or work schedules make it impossible to complete a traditional course of study in residence at a campus. The program provides nursing professionals with varying interests and backgrounds with unique advantages such as:

- Classes designed to meet the needs of the adult learner.
- Opportunities to meet students with similar goals.
- Opportunities to study with CSU and other highly qualified adjunct faculty.
- Courses offered at geographically convenient locations.
- Credit and course work transferable statewide.

ORIENTATION SESSIONS

All prospective students are expected to attend an orientation session prior to enrolling. The faculty is strongly committed to the position that registered nurses should have access to complete SNP program information as well as information about other traditional and non-traditional routes to bachelor's and master's degrees in nursing, so that an *informed* decision can be made regarding further professional education. The most effective means of sharing this information is through a group orientation. Please plan to attend one of the sessions as listed in this schedule or contact the Regional Program Director in your area for further assistance.

PROGRAM FEATURES

- **Modules**
All courses are divided into 1 and 2 unit "mini courses" called modules. A one unit module has 2-3 seminar meetings with assignments due before and after each seminar, and takes 6-8 weeks to complete. Many students take two courses concurrently. Students must pre-register for each unit and obtain required course materials in order to prepare for the first class seminar. See details under the BSN and MSN sections of this schedule for materials needed and the course registration procedure. The BSN section also outlines an assessment option whereby credit for selected undergraduate courses may be earned by passing standardized examinations.
- **Learning Resources**
In addition to the 19 libraries of the California State University system and the general and specialized libraries of the University of California system, students also utilize **SNP Learning Resource Centers**. These centers are a joint endeavor of the SNP and a collaborating health care or educational institution. The centers house audio-visual hardware, audiotapes, videotapes, and computer programs which complement SNP coursework.
- **Individual Counseling**
A mentor (nurse-counselor) is assigned to each degree student upon admission and payment of the Program Fee. The mentor provides individualized student advisement throughout matriculation.

- **Preceptorships**
Students are able to participate in performance courses (clinical laboratory/field experience) with the assistance of a preceptor as well as an instructor.
- **Self-Directed Learning Materials**
Workbooks as well as videotapes, audiotapes, and/or computer programs are an integral part of every SNP course. Audio-visual materials are available for use at Learning Resource Centers. Required workbooks are available from Statewide Technical Books. (See SNP Book Order form included with this publication.) Proof of purchase cards, included with each workbook, will be collected by the instructor at the first class meeting. Course registration is not complete until this requirement is met.

CONTINUING EDUCATION (C.E.) CREDIT

All BSN and MSN courses as well as Life Cycle, Culture And Health, Biochemistry, Pathophysiology and Statistics are approved for C.E. credit by the Board of Registered Nursing at the rate of 15 contact hours per unit of theory. (BRN Provider Number 03594). ***Although the Board of Registered Nursing does not approve individual continuing education courses, providers are required by law to be approved by the Board. Complaints regarding continuing education providers or continuing education courses should be addressed to the Board.*** Your transcript is your certificate of completion.

GENERAL REQUIREMENTS

- All students must be actively licensed as registered nurses. It is the student's responsibility to immediately report in writing any change in licensure status to the Program Director.
- All students must maintain proof of personal professional liability insurance coverage. Coverage is verified at the beginning of each performance course.
- Students are responsible for obtaining any necessary health exams, immunizations, etc., required by an affiliating clinical agency.
- Client confidentiality and other professional ethics must be respected.
- Students must purchase their own copy of the BSN workbook or MSN syllabi required for a particular course/module.
- The curriculum must be completed in the order prescribed and all students must earn a C or better in each nursing major module in that course. Failure to meet course/module prerequisites will adversely affect student progress.
- Students must adhere to the highest standards of academic integrity.

ADMINISTRATION/FACULTY

Central Office:

Statewide Nursing Program
CSU Dominguez Hills
1000 East Victoria Street
Carson, CA 90747

Statewide Nursing

PUBLIC HEALTH NURSE CERTIFICATE PROGRAM

For the:

- BSN graduate from a non-NLN accredited program
- foreign BSN graduate or
- RN with a non-nursing bachelor's degree

See Table of Contents reference for details

QUALITY ASSURANCE CERTIFICATE PROGRAM

For BSN prepared nurses who are interested in:

- attaining positions in quality assurance
- enhancing case management/utilization review skills
- preparing for accreditation visits

See Table of Contents reference for details

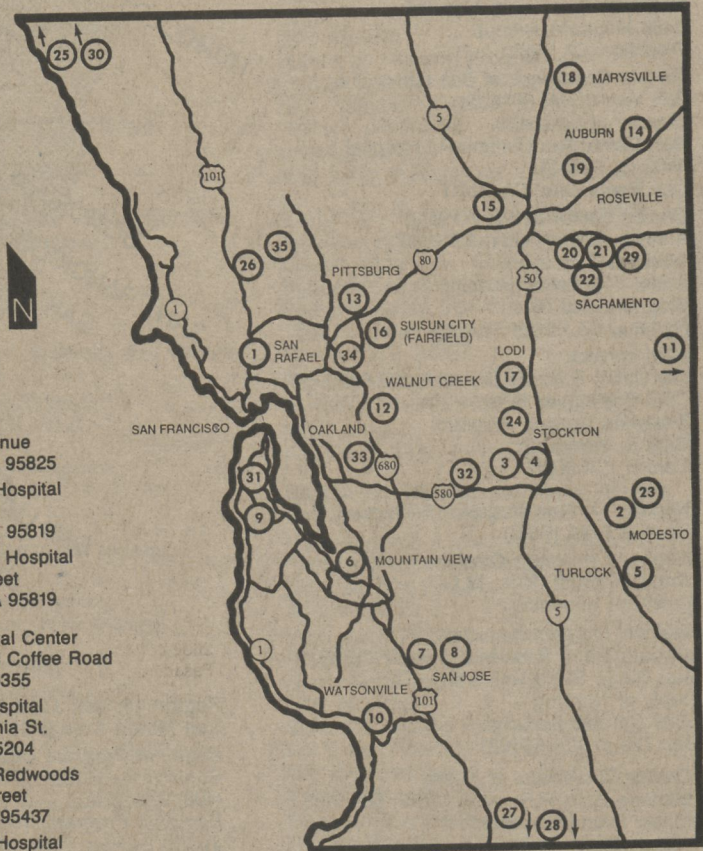

GREATER BAY AREA LOCATIONS

Baccalaureate classes are available throughout the State of California and MSN classes are presently held in the Southern California and San Luis Obispo areas. In addition to the listing of class sites, 2 maps, the Greater Bay Area and the Greater Los Angeles area are included for your convenience.

BS, NURSING

INTRODUCTION

For information contact:

Kathleen Johnston, R.N., M.S.
Associate Director, Undergraduate Program

or

Kay Youlin, Undergraduate Secretary
SNP Central Office (213) 516-4040
CSU Dominguez Hills
1000 Victoria Street
Carson, CA 90747

PROGRAM OBJECTIVES

Upon completion of the BSN program, the graduate will be able to:

- Provide professional nursing care to clients, families and communities across various cultures and throughout the life cycle through application of critical thinking skills within the framework of the nursing process.
- Develop collaborative professional relationships as a member or leader of a health care team, working dependently, interdependently, or independently according to the needs of the client and with consideration for the legal, ethical, and moral constraints that influence nursing practice.
- Synthesize knowledge from the physical and behavioral sciences, humanities, and nursing sciences to form a basis for professional practice and contribute to the expansion of nursing knowledge through critical analysis of nursing literature and the application of beginning research skills.

Graduates are eligible for certification by the State of California as Public Health Nurses (PHN).

ADMISSION REQUIREMENTS

1. Minimum of 56 semester units of transferable college credit with a grade point average of at least 2.0 (C).
2. Current RN licensure in the United States or an RN interim permit.

(Demonstrated clinical competence, validated through work history or by a clinical examination, RN licensure, and personal professional liability insurance are required prior to enrolling in a nursing performance course.)

Diploma Nurse Applicants. Diploma R.N.s who have not met the 56 unit entrance requirement may be considered for admission through the Undergraduate Preparatory Program. See Table of Contents reference for details.

Program Structure

The baccalaureate program comprises classes and/or examinations that include content essential for a professional nursing practice. Three options are open to the student:

1. A series of classes. Classes are offered in one- and two-unit modules. The student will take course work and be graded after each course module.
2. A series of written and performance assessments which may be taken in lieu of selected courses. The student receives a study packet and takes the examination.
3. A combination of classes and assessments.

HOW TO BEGIN

1. Attend group orientation/review program materials.
2. Submit Admission Application and fee (see application in this schedule).
3. Request transcripts as indicated in the Admission Application have transcripts sent directly to the Admissions and Records Office. Also request a copy be sent directly to you.
4. Pre-register by phone with Regional Program Director for BSN 310 "Expanding Professional Nursing Horizons" Module One (310.1). (It is not necessary to have formal admission completed).
5. Obtain SNP workbook and texts for BSN 310 (see BSN book order form in this schedule).
6. Review workbook; complete pre-assignment before first class.
7. Attend first class meeting, register and pay course fee at this time.
8. While the Admission and Records Office performs an evaluation of your prior college work you may continue to take classes during the term.
9. When you are notified of formal admission, submit Program Fee, and meet with mentor to develop a Program of Study for degree completion.

GENERAL EDUCATION/ ELECTIVE OPPORTUNITIES

California State University Dominguez Hills faculty and the Statewide Nursing Program have made General Education courses satisfying Area A, C, and D requirements available to you. These may be taken on-campus, at a LA area hospital or by self-study at home throughout the State. See "New Opportunities for Earning General Education and Elective Credit" in the Table of Contents. The one academic unit BSN 498 courses, Child Abuse and Health Assessment, may be taken for elective credit.

BS, NURSING

CURRICULUM

A total of 132 semester units must be completed through instruction and/or assessment options. (A minimum of 40 units in upper division courses is required.)

Transfer	
Community College	56 - 70 units
Four Year Institution	56 - 102 units
Pre-requisites	19 units
Nursing Major	34 units
General Education and Electives	9 - 23 units

PREREQUISITES

All students must first enroll in BSN 310.

Course		Semester Units
PSY 301/BSN 315	Life Cycle	4
ANTH 301/BSN 325	Culture and Health	4
CHEM 301/BSN 335	Biochemistry	4
BIOL 301/BSN 345	Pathophysiology	4
MATH 301*/BSN 405*	Statistics	3

NURSING MAJOR

Number	Course	Semester Units
BSN 310	Expanding Professional Nursing Horizons	2

Integrated Nursing Courses

BSN 340***	Professional Relationships in Nursing Practice	3
BSN 360	Professional Issues in Nursing	4
BSN 370	Health Teaching	2
BSN 380**	Health Assessment	4
BSN 410**	Health Management I	5
BSN 420**	Health Management II	5
BSN 460***	Research in Nursing Practice	3
BSN 480***	Leadership in Nursing Practice	3
BSN 490***	Management in Nursing Practice	3

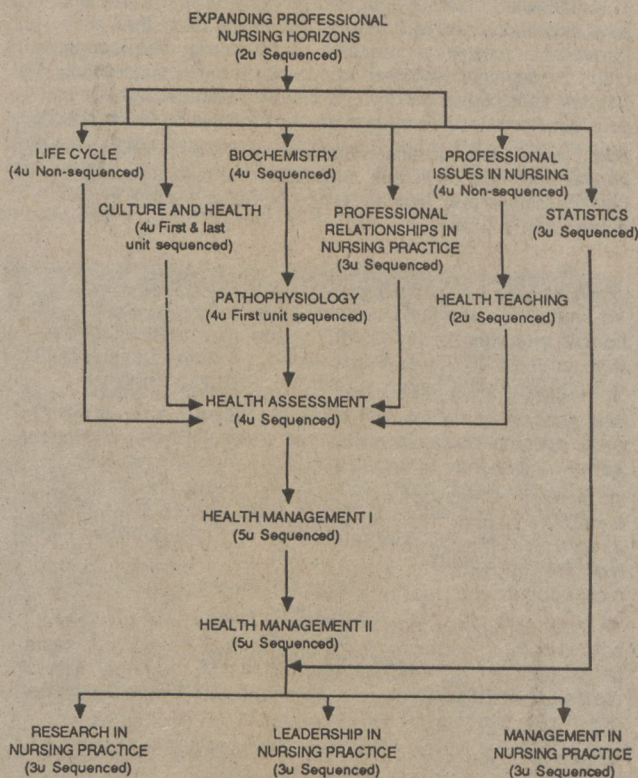

(The majority of integrated nursing courses may be taken by assessment rather than coursework.)

*Students are expected to bring a calculator to all classes. Recommend one with memory, square root, squares and reciprocals in addition to the usual arithmetical functions.

**See workbooks for instruments/materials required for theory and performance modules.

***BSN 340, 460, 480, and 490 must be taken through program coursework or assessment.

CURRICULAR PROGRESSION*

*Sequenced courses and modules must be taken in numerical order.

Courses and modules must be successfully completed (grade of C or better) in the order indicated by the curricular progression flowchart. Certain modules within a course may be sequenced. Any deviation from meeting the course prerequisites or sequence is subject to prior written approval by the Regional Program Director.

BSN COURSE REGISTRATION

- Theory Courses — Register two (2) weeks prior to the first class meeting.
 - By Phone — Contact your Regional Program Director and pay the course fee at the first class meeting.
 - By Mail — Send the completed Registration form and fee to the Regional Program Director.
- Performance courses — Register three (3) weeks prior to the first class meeting. Note: additional time is needed to establish preceptorships at affiliating agencies. If you plan to nominate your own preceptor, indicate this at the top of the Registration form.
 - By Mail — Send the completed Registration form and fee to the Regional Program Director.
- Each student must have a personal copy of the required workbook for the course/module. Registration is not complete until you have submitted the Proof of Purchase card from your workbook. Proof of purchase cards included with each workbook will be collected by the instructor at the first class meeting. Students are not fully registered for the course and final grade will not be issued until this requirement is met.
- Every effort will be made to notify all students who have pre-registered if it has been necessary to change the time or date of the class, if a second section is opened or if a class is cancelled.

When planning your schedule, be aware that performance labs for BSN 410 and BSN 420 are usually scheduled during the summer trimester to accommodate the affiliating agencies.

BS, NURSING

ASSESSMENT OPTION

The Statewide Nursing Program recognizes that many students have knowledge and skill learned by means other than a transferable college credit course. Students may earn academic credit by demonstrating their knowledge through successfully passing specified written or performance examinations. Direct your questions to the appropriate person listed for each option.

If you are testing out of a course which is prerequisite to another course, you must have your successful test results reported to the Admissions and Records Office before you enroll in the subsequent course.

● WRITTEN EXAMINATIONS — NURSING

You may earn academic credit for the following **theory course modules** by successfully passing written examinations offered by the **American College Testing Service (ACT)** through its Proficiency Examination Program (PEP).

The passing score for ACT tests is presently 45. A score of 45 or greater results in a grade of credit (CR) on your transcript. A test may be repeated twice without academic penalty. Each test costs \$50. You must request the study guides and registration materials (free) directly from ACT. If you have questions regarding ACT/PEP Nursing tests, please contact your mentor.

ACT-PEP
P.O. 168
Iowa City, Iowa 52243

To Test Out Of	Request ACT Study Guide For
BSN 360.1, .2, .3, .4	Professional Strategies
BSN 410.1, .2, .3	Health Support I and Health and Support II

Be sure to allow yourself adequate preparation time prior to the test date. Order your materials early.

ACT-PEP National Test Date Schedule Fall 1988 and Spring 1989

Test Date	Registration Deadline
(Thursday-Friday)	(Monday)
October 6-7, 1988	August 29, 1988
November 3-4, 1988	September 26, 1988
February 2-3, 1989	December 26, 1988
March 2-3, 1989	January 23, 1989
May 4-5, 1989	March 27, 1989

● WRITTEN EXAMINATIONS — NON-NURSING

Selected standardized examinations may be useful to you in earning elective and general education credit. Questions regarding tests which are appropriate for you, the unit value granted, etc. should be referred to Lorraine Destatte at (213) 516-4060 in 213 area code or 1-800-352-7517 (CA residents only). You may request the free study guides by writing to the addresses listed below.

CLEP — (College Level Examination Program)
CN 6601
Princeton, New Jersey 08541-6601

ACT-PEP
P.O. 168
Iowa City, Iowa 52243

● PERFORMANCE EXAMINATIONS

If you have questions regarding nursing performance examinations, please contact Kathleen Johnston, R.N., M.S. at (213) 516-4040.

You may earn academic credit for the following **theory and performance modules** by successfully passing performance examinations developed by the New York Regents College—External Degree Nursing Program. To receive a free study guide you must have your mentor's written approval and you must identify yourself as a SNP student. Successful completion of a performance examination results in a grade of credit (CR) on your transcript. A test may be repeated twice without academic penalty. The cost of each test varies. Submit your letter identifying who you are and which tests you are interested in, along with a letter of approval from your mentor to:

Ms. Mona Leslie
NYRED—Nursing
Cultural Education Center
Albany, New York 12230

To Test Out Of	Request the Study Guide* For	
● BSN 340.1, .2, .3	Collaboration	(\$250)
● BSN 370.1, .2	Teaching Performance	(\$200)
● BSN 380.1, .2, .3, .4	Health Assessment	(\$475)
● BSN 460.1, .2, .3	Research	(\$250)
● BSN 480.1, .2	Leadership	(\$250)
● BSN 490.1, .2	Management	(\$250)

*Study guides are free. You pay the test fee at time of registration for the test. Fees are subject to change.

GENERAL EDUCATION/ ELECTIVE OPPORTUNITIES

California State University Dominguez Hills faculty and the Statewide Nursing Program have made General Education courses satisfying Area A, C, and D requirements available to you. These may be taken on-campus, at a LA area hospital or by self-study at home throughout the State. See "New Opportunities for Earning General Education and Elective Credit" in the Table of Contents. The one academic unit BSN 498 courses, Child Abuse and Health Assessment, may be taken for elective credit.

PUBLIC HEALTH NURSE CERTIFICATE PROGRAM

The Statewide Nursing Program offers a certificate program in public health nursing. Current regulations for public health nurse certification require that the nurse be a graduate of a NLN accredited BSN program. Recognizing the fact that other groups of nurses should be eligible, the Statewide Nursing Program and the State of California, Department of Health Services, have jointly developed the program described herein. **This certificate program is administered by Ms. Kathleen Johnston, Associate Director, Undergraduate Program.**

To be eligible for this certificate program, applicants must: (1) hold a current R.N. license from the California Board of Registered Nursing and (2) hold a bachelor's degree under one of the following conditions:

- a. BSN graduate from a non-NLN accredited program offered by an accredited U.S. institution.
- b. Baccalaureate graduate with a degree from an accredited institution.
- c. Graduate of a BSN program from an accredited foreign institution. Foreign transcripts will be sent directly to International Evaluation Services. The program will then perform transfer unit evaluation and the general education analysis. More information will be sent regarding this process upon receipt of the application.

Persons interested in applying to this certificate program must complete the following steps to initiate entry into the program: (1) Submit a completed Admission Application with fee and check the box labeled CERTIFICATE under Program Objective; (2) Attach a photocopy of your current California R.N. license; (3) Arrange for your previous college(s) to send your transcripts directly to the Admissions and Records Office. (Ask for a second set to be sent to your home if you do not already have your own copy.)

Applicants must attend the certificate workshop, which is held at various centralized sites. Each student applying for the certificate program is required to attend one morning workshop of counseling/advisement. Previous and related nursing course work will be assessed for possible substitution. Each student will receive guidance on optional completion of a BSN or MSN through the Statewide Nursing Program if a degree objective is desired. **An afternoon, same-day workshop is required for those RNs selecting the PHN certificate-only option.** The cost of each workshop is \$45. Enrollment in the first required course is permitted when eligibility has been determined and the workshop requirement has been met.

Courses required for the certificate program may be met by SNP coursework or by substitution with transferable courses from other collegiate programs. The required courses are:

PHN CERTIFICATE PROGRAM

Anth 301	Culture and Health	(4)
Biol 301	Pathophysiology	(4)
Math 301	Statistics*	(3)
BSN 360	Professional Issues in Nursing (.2, .3, .4)*	(3)
BSN 370	Health Teaching*	(2)
BSN 380	Health Assessment*	(4)
BSN 410	Health Management I*	(5)
BSN 420	Health Management II	(5)
BSN 460	Research in Nursing Practice	(3)

*These courses may be completed through an assessment option according to existing program policy.

A certificate completion check will need to be completed by the Admissions and Records Office one term prior to the term you plan to complete the certificate program. The certificate application fee is \$35.00 (Please note the fee is separate from that required by the State of California, Department of Health Services, for the issuance of the State PHN certificate.)

PHN Certificate Workshops

Admission Application and transcript evaluation is required prior to workshop registration. An application form is included with this schedule.

Wednesday - May 11, 1988 - 10 am to 4:30 pm	New Science Building CSU, Fresno
Wednesday - May 18, 1988 - 9:00 am to 4:00 pm	SNP Conference Room CSU Dominguez Hills
Wednesday - July 20, 1988 - 10:00 am to 4:30 pm	Kaiser Hospital San Diego
Friday - August 5, 1988 - 10:00 am to 4:30 pm	Sierra Vista Hospital San Luis Obispo
Wednesday - August 17, 1988 - 9:00 am to 4:00 pm	SNP Conference Room CSU Dominguez Hills

For additional information, call Kay Youlin at PHN Certificate Office, (213) 516-4040.

- Submit an application.
- Start classes.

SUMMER SPECIAL TOPICS COURSE

BSN 498: CHILD ABUSE

CHILD ABUSE AND NEGLECT: PREVENTION DETECTION, REPORTING, INTERVENTION

For ALL RN's to earn academic and/or CE credit while improving their knowledge and skill related to this critical child health problem.

This course was developed to meet the new Department of Health Services Public Health Nurse Certification requirement for training in child abuse and neglect. In addition to fulfilling the PHN training mandate, this course presents a comprehensive update on the incidence of all forms of child abuse and neglect with special emphasis on state-of-the-art nursing process skills in assessment and intervention. Case management approaches, multidisciplinary resources and practical strategies for establishing and sustaining therapeutic relationships with high-risk families will be examined.

If you care for emerging and childrearing families and are interested in improving child health and development outcomes, this special topics course, offered in a one day workshop format and accompanied by a complete syllabus learning package, will provide you with new knowledge and tools for practice!

Friday, May 20 Kaiser Permanente Hospital, Bellflower
9400 E. Rosecrans Blvd.
Bellflower, CA 90706 Ticket Code
8:00-5:00 pm 882ZN05

- RNs active in program (application on file) earn 1 semester unit of undergraduate academic credit, which may be applied toward or reserved for a future undergraduate degree as an elective course.
- RNs who have not submitted an application may select the transferable extension credit option.
- RNs who do not desire college credit may select the C.E. only option.

All participants successfully completing the course earn 15 hours of CE credit (provider #03594)

Cost is \$138 plus \$10 for materials.

Enclose your check for \$138 made payable to: Trustees, CSU (or you may charge the \$138) and a check for \$10.00 (materials fee), made payable to: CSU, Foundation. Confirmation and pre-assignment materials will be mailed prior to the meeting date.

Registration must be postmarked by two weeks prior to workshop. No refunds are possible after 5 days prior to workshop.

For further information please contact Nanci Kingsbury at (213) 516-4050.

SUMMER SPECIAL TOPICS COURSE

BSN 498: HEALTH ASSESSMENT OF INFANT AND PRESCHOOL CHILD

A SPECIAL OPPORTUNITY

For RN's having completed an adult health assessment course and wanting to gain knowledge and experience with that of the infant and child. Prepares community health nurses to care for the very sick child now found at home or in the community. Utilizing the nursing process as a framework, the student will be able to assess developmental status, integrate laboratory findings, apply critical thinking skills to analyze infant or child status as well as monitor, refer and resolve health problems.

Syllabus with pre and post assignments available upon pre-registration. The text, M.P. Chavis Handbook of Pediatric Primary Care (Wiley Publishers) is recommended for the course. Use Book Order Form to obtain book. Academic credit (1 unit) and/or CE credit (15 hours).

- RNs active in program (application on file) earn 1 semester unit of undergraduate academic credit, which may be applied toward or reserved for a future undergraduate degree as an elective course.
- RNs who have not submitted an application may select the transferable extension credit option.
- RNs who do not desire college credit may select the C.E. only option.

All participants successfully completing the course earn 15 hours of CE credit (provider #03594)

Cost is \$138 plus \$10 for materials.

Enclose your check for \$138 made payable to: Trustees, CSU (or you may charge the \$138) and a check for \$10.00 (materials fee), made payable to: CSU, Foundation. Confirmation and pre-assignment materials will be mailed prior to the meeting date.

Registration must be postmarked by 2 weeks prior to workshop. No refunds are possible after 5 days prior to workshop.

For further information please contact Kay Youlin at (213) 516-4040.

New Opportunities for Earning General Education and Elective Credit

Faculty in various disciplines at California State University Dominguez Hills are working with us to provide additional ways for you to earn the general education and elective credit you need for graduation. Most students need courses in logic/critical thinking and the humanities. Others need U.S. Constitution and California State and Local Government. Our first efforts are directed toward these classes at times and places convenient for nurses in the greater Los Angeles area. These courses are of-

ferred through extension enrollment.

Another exciting possibility for students around the state are courses offered through the Humanities External Degree program. These 400-level courses have been predesigned by CSU Dominguez Hills humanities professors so that you can complete your own guided independent study through correspondence.

Self-Directed GE/Elective courses are in this schedule.

Admission to Summer Session: Formal admission to the university is not required in order to register for Summer Session courses. The courses are open to current CSU Dominguez Hills students, CSU Dominguez Hills Extension students, students from other colleges or universities, and non-students. Admission to Summer Session does not constitute admission to the university. All of the Summer Session courses carry transferable academic credit. If you have a question, call the Office of Summer Sessions at (213) 516-3746. The office is open 8 a.m. to 5 p.m., Monday through Friday. The Bulletin with all summer course offerings is available by writing to the Office of Summer Sessions, ERC C508, CSU Dominguez Hills, 1000 E. Victoria Street, Carson, California 90747. Order by May 15 to ensure meeting deadlines.

Time: 1st Session: June 6-July 15, 1988 2nd Session June 27 - August 5, 1988

Location: CSU Dominguez Hills Campus

Parking: Available for 75¢ (three quarters) per ticket per entry or free on Victoria Street

Registration: See information in CSU Dominguez Hills Bulletin - *order Bulletin by May 15*

Text and Syllabus: Available for purchase at the CSU Dominguez Hills Bookstore

Fees: Tuition - \$85.00 per unit **Activity Fee:** \$13.00 per student (paid once per summer)

To meet the General Education Requirement, Area A: Critical Thinking

PHI 120 Critical Reasoning (3) Introduction to methods of critical thinking including the nature of arguments, and non-academic context. Grading A- C/NC. You may choose either of two options to satisfy this course in the Summer 1988 term. One option is the on-campus course listed below. The second option is offered every Wednesday evening at Daniel Freeman Hospital. For information about the second option, see the Critical Thinking/Logic Course offered through the University Extension that is listed separately in this schedule.

PHI 120	1st Session	CRITICAL REASONING	MW	6:00 p.m. - 9:00 p.m.	3 units
PHI 120	1st Session	CRITICAL REASONING	TTh	9:00 a.m. - 12:00 noon	3 units
PHI 120	2nd Session	CRITICAL REASONING	TTh	6:00 p.m. - 9:30 p.m.	3 units

To meet State Requirement for U.S. History:

HIS 101 History of the United States (3) A study of the ideals, creeds, institutions, and behavior of the people of the United States.

HIS 101	1st Session	HISTORY OF THE UNITED STATES	MW	9:00 a.m. - 12:30 p.m.	3 units
---------	-------------	------------------------------	----	------------------------	---------

To meet State requirements in U.S. Constitution and California State and Local Government:

POL 101 American Institutions (3). A study of contemporary political institutions, with emphasis on the philosophy, structure, and behavior of the American political system, including the State of California offered on CSU Dominguez Hills campus. See CSU Dominguez Hills class schedule, which may be obtained from the CSU Dominguez Hills campus bookstore.

POL 101	1st Session	AMERICAN INSTITUTIONS	TTh	9:00 a.m. - 12:30 p.m.	3 units
POL 101	1st Session	AMERICAN INSTITUTIONS	MW	6:30 p.m. - 10:00 p.m.	3 units

Critical Thinking/Logic & Health Care Administration Courses

Available through University Extension

The following three unit course, **PHI 120 Critical Reasoning**, meets the General Education requirement, Category A: Critical Thinking:

PHI 120 Critical Reasoning (3) Introduction to methods of critical thinking including the nature of arguments, formal and informal fallacies, deductive and inductive arguments. Provides student with critical skills in both academic and non-academic context. Three hours of lecture per week plus additional assignments. Grading A-C/NC. You may attend on-campus courses scheduled under "New Opportunities."

Time: 6:30-9:30pm Wednesdays with added assignments
(lab section TBA)

Dates: June 1, 8, 15, 22, 29, July 6, 13, 20, 27

Classroom 5, Education Bldg. (behind hospital)

HEA 318 Health Resources Management (3). Concepts, issues, and skills in administration and management of a health care unit, including personnel, finances, equipment, supplies, and facilities. Three hours of lecture per week.

Time: 6:30 - 9:30 p.m. Thursdays

Dates June 16, 23, 30, July 7, 14, 21, 28, August 4, 11

Classroom 6, Education Bldg. (behind hospital)

Location: Daniel Freeman Hospital
333 N. Prairie Ave
Inglewood, CA 90301
Room 6 Education Bldg. (behind hospital)

Parking: Free on street or in employee's parking lot

Deadline to Register: May 24, 1988

Registration: Complete the form below and mail to:
University Extension, CSU Dominguez Hills
1000 E. Victoria Street, Carson, CA 90747

Course Fee: \$72.00/unit x 3 units = \$216.00

Text and Syllabus: Available for purchase at first class meeting. Bring check, not cash.

For other University Extension course offerings see the CSU Dominguez Hills Extension Course Bulletin. The Bulletin is available by writing to the Office of Extended Education, ERC C508, CSU Dominguez Hills, 1000 E. Victoria Street, Carson, California 90747

Self-Directed General Education/Elective Courses

California State University Dominguez Hills has arranged to provide the following classes for Statewide Nursing Program students. The classes are offered through correspondence. In addition, courses #423, #440, #446, and #474 also meet G.E. Area D: Behavioral Sciences and can be used to satisfy upper division general education requirements for Humanities. They may also be used for elective credits. If you wish to register for any of these classes, use the registration form printed below and mail your registration and fees **BEFORE MAY 1, 1988**. When mailing coursework to your instructor, use instructor's name and mail to CSU Dominguez Hills address. Refunds are granted in accordance with the State refund schedule: (1) If a student withdraws within the first week of the course, 100% of total fee will be refunded; (2) If a student withdraws after the first week but before the end of the third week, 65% of the total fee will be refunded; (3) After 25% of the course time has elapsed, no refund will be made. The effective date for refund of fees will be determined by date on which Humanities External Degree receives notification.

Course descriptions:

HUX 420 Humanities Encounter: Art (2,3). Visitation to three local museums to examine their architecture and collections. Open to non-local students by special arrangement.

HUX 423 Humanities Encounter: History (2,3). Exploring the historical roots of one's own community. Open to non-local students by special arrangement.

HUX 424 Humanities Encounter: Film (2,3). Watching and analyzing several movies with special focus on the techniques and content of the medium.

HUX 441 The Rational Perspective (3). The meaning of rationality from the perspectives of philosophy, history, literature, music, and art. Special emphasis on the possible differences between scientific and humanistic rationality.

HUX 446 Alienation, Estrangement, and Subcultures (3). Survey of the elements and historical implications of alienation and examination of subcultures as they exist in America. Readings from social philosophy as well as from Chicano and Afro-American studies.

HUX 447 World Religious Perspectives (3). Survey of ancient and modern religious systems, focusing upon an exploration of the general characteristics of religious beliefs.

HUX 452 Key Individuals, Philosophy: Rousseau (3). An examination of the life, thought, and influence of Rousseau, focusing on several recurrent themes: Self-other, rational-non-rational, classic-romantic, dependence-independence, democracy-totalitarianism.

HUX 470 Key Periods and Movements, Art: Contemporary (3). Exploration of the complex cultural development known as modern art by investigation of six major artistic movements: Cubism, Expressionism, Dada/Surrealism, Pop Art, Conceptual Art, and Technological Art.

HUX 473 Key Periods and Movements, Literature: Archetypal Criticism (3). Exploration of twentieth century movement in literature, archetypal criticism, which focuses on recurrent patterns in literature and their analogues in folktale, dream, ritual, and myth.

Syllabus and book order form will be sent to you. Complete the form or call the CSU Dominguez Hills Bookstore at (213) 516-3789 between 9am and 4pm to order your texts.

STATEWIDE TECHNICAL BOOKS

Forty-Niner Shops, Inc. • 6049 E. 7th Street, Long Beach, CA 90840-0003

Each student must purchase from Statewide Technical Books a personal copy of the workbook which accompanies each module. Instructors will collect the Proof of Purchase card included with each module at the first class meeting as part of the course registration process. Registration is not complete until this requirement is met.

Please note that the bookstore is offering a 10% discount on workbooks when the entire workbook series for a course is purchased at one time. This discount does not apply, however, to workbooks which include all course modules in one volume. The discount will be computed by the bookstore at the time of purchase.

MS, NURSING

INTRODUCTION

For information contact:
Kay Davis, R.N., Ed.D.,
Associate Director, Graduate Program
or
Nanci Kingsbury, Graduate Secretary
Statewide Nursing Program
CSU, Dominguez Hills
1000 East Victoria St.
Carson, CA 90747
(213) 516-4050

THE PROGRAM

The graduate program prepares professional nurses for advanced and specialized practice. The curriculum is organized around the role of the nurse in societal institutions with emphasis on the application of nursing theory through excellence in professional practice and the advancement of the profession through research, leadership, and scholarship for the ultimate benefit of the health care needs of society. The curricular planning reflects the accreditation criteria for graduate education established by the National League for Nursing.

PROGRAM OBJECTIVES

Upon completion of the program graduates will be able to:

1. Analyze nursing phenomena (human responses to actual or potential health problems) utilizing the research process and initiate and evaluate therapeutic action in advanced practice;
2. Contribute to the advancement of nursing education, practice, and research through analysis, synthesis, application, and expansion of nursing models and theories; and
3. Demonstrate professional performance in advanced practice, in leadership roles and as participants in sociotechnical based health care delivery systems to benefit clients and the society at large.

ROLE EMPHASIS OPTIONS

The curriculum offers the student a choice of role emphasis option of nurse educator, nurse administrator or clinical specialist in parent-child nursing or gerontology nursing. Through a personalized Program of Study the curriculum is individualized and reflective of the student's learning needs and professional goals.

ADMISSION REQUIREMENTS

Please refer to the section on Admission. In addition, please note the following special requirements for admission to the MSN program:

1. Completion of a baccalaureate degree program from a regionally accredited institution with an upper division major in nursing (BSN) and NLN accredited nursing program or the equivalent as determined by the Graduate Student Affairs Committee.
2. Overall grade point average of 2.5 (on a four-point scale) or higher in the last 60 semester (90 quarter) units attempted, or demonstrated academic ability as required by the faculty, following the appeal process.
(Registered nurse applicants who have already earned a bachelor's or master's degree in a major other than nursing should contact Dr. Davis for preadmission advisement.)
3. Current licensure in the United States.

As indicated in the Admission Application, have transcripts sent directly to the Admissions and Records Office. Also request a copy be sent directly to you.

NURSES WITH NON-NURSING BACHELOR'S DEGREES

Registered nurses who have earned a bachelor's degree in another field may be eligible for a pilot program BA/BS to MSN degree. See following pages for additional information.

PROGRAM STRUCTURE

All students complete 19 units of core courses and then begin role emphasis courses.

Students may select role preparation as:

- Nurse educator
- Nurse administrator
- Parent-child clinical specialist
- Gerontology clinical specialist

Subspecializations in areas such as quality assurance, staff development, and client education are possible.

Nurse educators and nurse administrators complete 12 units of role theory and performance courses and 2 units of electives. Clinical specialists complete 14 units of role theory and performance. All students conclude their 36 units of master's preparation with a culminating graduate project.

FEDERAL TRAINEESHIPS

A Professional Nurse Traineeship grant has been awarded to the SNP by the **Department of Health and Human Services, Public Health Service Act**. The grant monies are designated toward tuition support for students who are pursuing graduate study in nursing on a full-time basis.

ELIGIBILITY

- Student is not currently receiving any other Federal educational award which provides a stipend or otherwise duplicates financial provisions. Veteran's Administration Benefits (G.I. Bill) are excepted. Loans from Federal banks are not considered Federal awards.
- Student is able to enroll in at least eight (8) graduate units during the Fall and Spring term.

If you are interested and eligible, please contact the graduate secretary, Nanci Kingsbury at (213) 516-4050 for application forms. All students, new and continuing will be considered.

HOW TO BEGIN

1. Attend group orientation/review program materials.
2. Submit Admission Application and fee (see application in this schedule).
3. Request transcripts. (As indicated in the Admission Application, have official transcripts sent directly to the Admissions and Records Office. Also request a copy be sent directly to you if you do not already possess a copy.)
4. Register for Introductory Graduate Workshop (See registration form in this schedule).
5. Attend workshop.
6. Preregister with graduate secretary and pay fee for the first required course (as advised at workshop).
7. While the Admissions and Records Office performs an evaluation of your prior college work, you may continue to take classes during the term.
8. When you are notified of formal admission, submit Program Fee and meet with your mentor to develop a Program of Study for degree completion.

MSN COURSE REGISTRATION

The Admissions and Records Office must be in receipt of a completed registration form and course fee payment at **least 2 weeks prior to the first class meeting of any graduate nursing course**. Registration for the first graduate course occurs during the Introductory Graduate Workshop. Registration for subsequent classes is completed by mail.

MS NURSING

CURRICULUM

The program requires 36 semester units of approved graduate study. The curriculum consists of core courses, role emphasis, role performance courses, and a directed project. Elective units round out the graduate program requirements. Up to 15 approved units may be accepted for transfer credit.

CORE COURSES

	Semester/Units
MSN 510 Theory Development	3
510.1 Evolution of Cont. Nsg. Models/Theories	
510.2 Critical Analysis of Cont. Theories	
510.3 Theoretical Model Construction	
MSN 520 Adv. Nsg. Role in Societal Institutions	4
520.1 Health Care Delivery Systems	
520.2 Current & Emerging Adv. Nsg. Roles	
520.3 Org. Behavior, Structure & Function	
520.4 Advanced Nursing Leadership	
MSN 530 Strategies for Application of Theoretical Concepts	3
530.1 Principles & Processes of Crit. Thinking	
530.2 Evaluation Research Processes	
530.3 Application of Eval. Steps & Processes	
MSN 540 Adv. Clinical Focus: Family Health Nursing	4
540.1 Theories of Family Behavior	
540.2 Assessment of Family Health Across the Lifespan	
540.3 Family Response to Illness	
540.4 Working with Families in Health & Illness	
MSN 590 Advanced Nursing Research	3
590.1 Prob. Statement, Theoretical Framework, Lit. Review & Hypothesis Generation	
590.2 Research Strategies & Method. Pitfalls	
590.3 Strategies for Data Collection, Data Analysis and Dissemination	
MSN 610 Advanced Clinical Role Performance: Family Health Nursing	2

ROLE EMPHASIS COURSES

• Nurse Educator

MSN 521 Societal Institutions	4
521.1 Foundations in Nursing Education	
521.2 Curriculum Development	
521.3 Instructional Design & Evaluation	
521.4 Strategies for Teaching Client Care	
MSN 531 Simulation Seminars: Nurse Educator	2

Advanced Role Performance:

MSN 620NE, MSN 630NE, MSN 640NE	6
---------------------------------	---

• Nurse Administrator

MSN 522 Societal Institutions	4
522.1 Foundations in Nursing Administration	
522.2 Nursing Care System Management	
522.3 Financial Management	
522.4 Human Resources Management and Labor Relations	
MSN 531 Simulation Seminars: Nurse Administrator	2

Advanced Role Performance:

MSN 620NA, MSN 630NA, MSN 640NA	6
---------------------------------	---

• Clinical Specialist

MSN 523 Clinical Specialist: Parent-Child	6
523.1 The Childbearing Family	
523.2 The Emerging Family	
523.3 The Early Childrearing Family	

Advanced Role Performance:

MSN 620PC, MSN 630PC, MSN 640 PC, MSN 650PC	8
---	---

MSN 524 Clinical Specialist: Gerontology	6
--	---

524.1 The Individual, the Family, Society	2
524.2 Gerontological Nursing Process	2
524.3 Gerontological Nursing Therapeutics	2

Advanced Role Performance:

MSN 620G, 630G, 640G, 650G	8
----------------------------	---

ELECTIVES	2
------------------	---

(For nurse educator or administrator option)

MSN 690 Directed Project	3
--------------------------	---

690.1 Project Proposal & Literature Review	
690.2 Project Development & Implementation	
690.3 Project Analysis Evaluation & Reporting	

Required Total

36 units

COURSE PREREQUISITES

Certain MSN courses require the successful completion of prerequisites not offered as part of the graduate program, but are available as undergraduate nursing courses. These MSN courses and their prerequisites are listed below.

MSN COURSES

Prerequisite Requirements

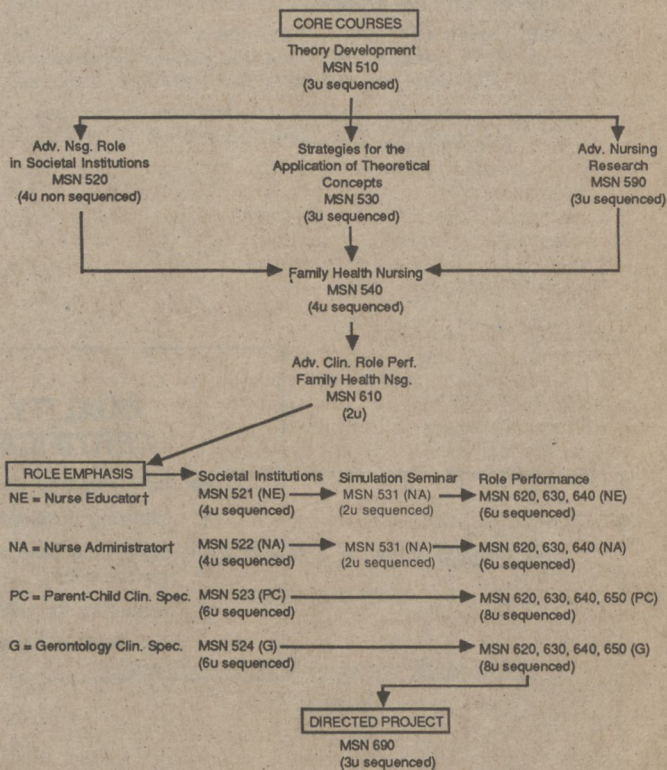

- MSN 590 An upper division statistics course (inferential and descriptive) or equivalent and an introductory research course or equivalent
- MSN 610 A physical assessment course or equivalent

Courses and modules must be successfully completed in the sequence indicated. Any deviation in course/module requires written approval by Assoc. Director, Graduate Program.

The clinical specialist option also requires as prerequisites to role emphasis courses:

- ANTH 301 Culture & Health - or equivalent
- PSY 301 Life Cycle - or equivalent
- BIOL 301 Pathophysiology - or equivalent

MSN CURRICULUM SEQUENCE

†Nurse Educator and Nurse Administrator take 2 units of electives prior to MSN 690. Nurse clinical specialists: take MSN 650 instead of electives prior to 690.

Courses and modules must be successfully completed in the sequence indicated. Any deviation in course/module requires written approval by Assoc. Director, Graduate Program.

MS NURSING

MSN PATHWAY FOR RNs WITH NON-NURSING BACCALAUREATE: BA/BS to MSN

The Statewide Nursing Program is conducting a pilot program to facilitate a master's degree in nursing program for those nurses who presently hold a bachelor's degree in another discipline.

Graduate study in nursing builds on a foundation of undergraduate professional nursing knowledge. Following an analysis of your previous coursework, the Graduate Student Affairs Committee will recommend a Program of Study which includes undergraduate nursing and related coursework or assessments to prepare you for MSN coursework. If you meet the usual University requirements for graduate study and concur with the recommended Program of Study, you will be admitted to the graduate program on a conditional basis. Once the undergraduate course requirements are successfully met, the conditional status is removed and you may proceed with completing the graduate curriculum. See MSN degree section for more details on graduate curriculum enrollment and completion requirements.

HOW TO BEGIN

1. Attend a group orientation/review program materials or call graduate office.
2. Submit Admission Application and fee (see application in this schedule).
3. Request transcripts. (As indicated in the Admission Application have official transcripts sent directly to the Admissions and Records Office. Also request a copy be sent directly to you if you do not already have a copy.)
4. Register for Introductory Graduate Workshop (See registration form in this schedule).
5. Attend the workshop.
6. Confer with Associate Director, Graduate Program regarding Program of Study recommended by Graduate Student Affairs Committee.
7. Preregister and pay fee for first required course.
8. Obtain SNP workshop/syllabus for first course and complete preassignment.
9. Attend first course.
10. Continue with required courses.
11. Upon receiving notice from Admissions and Records of formal conditional acceptance, submit Program Fee.

QUALITY ASSURANCE CERTIFICATE PROGRAM

For BSN prepared nurses who are interested in:

- attaining positions in quality assurance
- enhancing case management/utilization review skills
- preparing for accreditation visits

See Table of Contents reference for details

MS, NURSING

QUALITY ASSURANCE CERTIFICATE PROGRAM

The Statewide Nursing Program offers a certificate program in quality assurance for BSN prepared nurses who want to develop graduate level knowledge and skill in implementing an institutional quality assurance program. Included in this course of study is utilization review, assessment and measurement of the level of care provided to clients and the utilization of resources. This certificate program is administered by Dr. Kay Davis, Associate Director, Graduate Program.

To be eligible for this certificate program, applicants must: (1) hold a current R.N. license (2) hold a BSN degree from an accredited US institution, (Graduates of foreign institutions will need to have their transcripts evaluated by an international evaluation service. More information will be sent regarding this process upon receipt of the application.); and (3) have an overall grade point average of 2.5 (on a four-point scale) or higher in the last 60 semester (90 quarter) units attempted, or demonstrated academic ability as required by the Nursing faculty, following the appeal process.

As indicated in the Admission Application, have official transcripts sent directly to the Admissions and Records Office. Also request a copy be sent directly to you.

Persons interested in applying to this certificate program must complete the following steps to initiate entry into the program: (1) Submit a complete Admissions Application and check the box labeled CERTIFICATE under Program Objective; (2) Attach a photocopy of your current California R.N. license; and (3) Arrange for your previous college(s) to send your transcripts directly to the Admissions and Records Office. (Ask for a second set to be sent to your home if you do not already have your own copy.)

Applicants must attend an Introductory Graduate Workshop prior to enrolling in the first required course. Certain courses for the QA Certificate require the successful completion of prerequisites not offered as part of the program. These are:

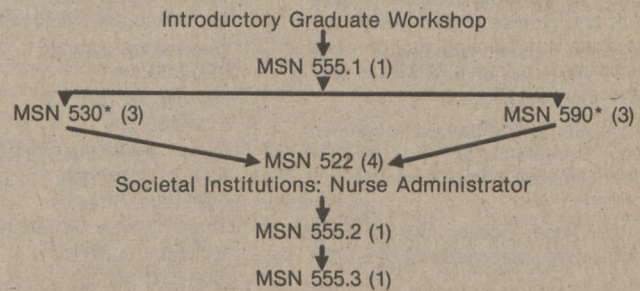

- upper division statistics course (inferential and descriptive) or equivalent
- introductory research course or equivalent

Courses required within the certificate program may be met by SNP coursework or by substitution approved by program director with timely graduate level transferrable courses from other collegiate programs. Please note: if you eventually want to earn a MSN degree, any courses taken to meet certificate requirements may apply to the degree but may not be more than 7 years old at the time of degree completion.

The certificate program should be completed in 15 months or less, depending on your personal preference and availability of courses. Courses and modules must be completed in the approved sequence with a grade of C or better and an overall B average for the program.

A certificate completion check will need to be completed by the Admissions and Records Office one term prior to the term you plan to complete the QA certificate program. The certificate application fee is \$35.00. The application form may be requested from Admissions and Records.

QA Certificate Program (13 units)

**It is strongly recommended that students take MSN 590 prior to MSN 530.*

MSN 555 Quality Assurance in Health Care (3)

This three unit course examines the historical evolution of quality assurance programs in health care, including the political and fiscal aspects. Methodologies for implementing an institutional quality assurance program and strategies for identifying and making needed improvements are explored along with mechanisms for evaluating the total program.

See this schedule for Admission Application, list of Introductory Graduate Workshops, Workshop Registration Form, and descriptions of MSN 530, MSN 590 and MSN 522.

For additional information, call Nanci Kingsbury, Graduate Secretary, QA Certificate Office (213) 516-4050.

WRITING SKILLS WORKSHOP

Open to all R.N.'s

See Table of Contents Reference
for details

MS, NURSING

ORIENTATIONS FOR PROSPECTIVE MSN STUDENTS

Bring transcripts and past course material for personal unofficial evaluation at end of information session.

Registered nurses interested in the Nursing Program are encouraged to attend one of the following:

If there are no orientations scheduled in your area please call the Graduate Office for phone advisement and information.

For MSN room location, please contact Graduate Secretary at (213) 516-4050.

INTRODUCTORY GRADUATE WORKSHOP

It is mandatory for applicants to the graduate program to attend an Introductory Graduate Workshop prior to enrolling in the first graduate course. It is helpful to attend a workshop in the area where you plan to take classes, however, you may register for and attend any of the workshops listed.

The cost of the workshop is \$45. Bring with you:

- 1) evidence of current R.N. licensure
- 2) evidence of current professional liability insurance
- 3) personal copy of transcripts, if available
- 4) current resume

All students graduating from a California State University must successfully meet a CSU Graduate Writing Assessment Requirement. If you have not already met this requirement as a baccalaureate graduate of the CSU, you must meet it within the first term of enrollment in the graduate program. You may arrange to do this even prior to the workshop if you desire. See the Student Services section of this schedule for further details.

INTRODUCTORY GRADUATE WORKSHOP REGISTRATION For MSN Degree and Quality Assurance Certificate

Please register me for the Introductory Graduate Workshop scheduled for:

_____ at _____
date location

- I am applying to the MSN degree program I am applying to the Q.A. Certificate program
 I have submitted my Admission Application and requested transcripts of my previous college work.
 Enclosed is my check for \$45 (non-refundable) payable to: Trustees, CSU.

ADMISSION

ADMISSIONS AND RECORDS OFFICE

The Statewide Nursing Program Admissions and Records Office is open from 8 am to 5 pm, Monday through Friday. It can be reached by dialing:

1-800-352-7517 (toll free) for students at locations throughout California. (213) 516-4060 for Long Beach and Los Angeles area students.

Or by writing to:

Statewide Nursing Program
Admissions and Records Office
CSU, Dominguez Hills
1000 East Victoria Street
Carson, CA 90747

This office should be contacted if:

- you need information regarding courses of study/registration for classes/financial aid
- you wish to apply for admission
- you have not completed a Program of Study with your mentor
- you wish to apply for graduation
- you have questions concerning your program, such as General Education requirements, or you require special actions

ADMISSION REQUIREMENTS

For the Bachelor's Degree*

- Completion of a minimum of 56 semester (84 quarter) units, or the equivalent, in transferable credit from an accredited institution with a grade point average of 2.0 (C) or higher.
- In good standing at the last institution attended.
- Current R.N. licensure or interim permit.
- Diploma School Graduates see Undergraduate Preparatory Program.

For the Master's Degree*

- Completion of a bachelor's degree in nursing from an accredited institution.
- A grade point average of 2.5 or higher in the last 60 semester (90 quarter) units attempted.
- In good standing at the last institution attended.
- Current R.N. licensure.
- Non BSN baccalaureate graduates see MSN pathway.

APPLICATION FOR ADMISSION

To apply for admission:

- Complete the Admission Application found in this schedule.
- Send it to the Admissions and Records Office with a \$45.00 check or money order (this fee is **nonrefundable**).
- Contact the college(s) and/or university(s) you have attended in the past and have official transcripts sent to the Admissions and Records Office. (For transcripts to be considered official, they must be received **directly** from the institution in an embossed sealed envelope.)

It is also recommended that you have a second set of transcripts sent to you for your personal portfolio for use by yourself and your advisor in developing a program of study.

Application Filing

Admission Applications must be submitted prior to or upon registration for the first class (see Active Student Status). Having submitted the Application, students can register for classes during the term for which they have applied while waiting for notice of formal admission. **However, students may not continue to register for classes in subsequent terms until their admission status has been validated.**

Admission Validation

In order to validate your admission status, **all application materials** must be in the Admissions and Records Office one month **prior** to the end of the term for which you are applying. Students will receive notification of admission status from the Admissions and Records Office. Application deadlines are:

Term	Materials Due
Fall	November 30
Spring	March 31
Summer	July 31

UNDERGRADUATE PREPARATORY PROGRAM

The UPs Program: Something Special for Diploma School Graduates

Since the Statewide Nursing Program's BSN curriculum is at the upper division level, junior standing is required for admission to the major. The **Undergraduate Preparatory Program** is a pathway for students who have earned less than the required 56 college units.

Those applicants who lack 56 transferable units but meet the definition of adult students as defined in Title 5 of the Administrative Code are eligible for admission to the Undergraduate Preparatory Program. This program permits students to take—in combination—general education courses and/or prerequisites for the major with a community college, a CSU campus or other higher educational institution. Students may also enroll for Statewide Nursing Program prerequisite and introductory courses and assessment options, **with the exception of courses/tests offered at the upper division level in the major.** Upon completion of 56 units, the student will be admitted to the major, assuming other requirements for admission are met.

The UPs Program advisor, Dr. Laura Inouye is available to assist you with this option. Please leave a message for Dr. Inouye at (213) 516-4005 or 1-800-352-7517 and your call will be returned.

FOREIGN STUDENT ADMISSION

The initial evaluation of foreign transcripts must be handled by an international evaluation agency.

If you have already applied for admission and have sent in your transcripts, we can make arrangements to forward your foreign transcripts to the recommended agency.

This service will provide:

1. Evaluation of High School level, Post Secondary through Graduate level, employment and skill recertification.
2. Reconstruction of education studies.
3. Certified translation of documents.
4. Career development and counseling.
5. Authenticity verification.

There is a fee of \$50-\$125 depending on the complexity of the evaluation. The evaluation fee covers subject breakdown, equivalence statements, detailed analysis and a narrative evaluation if needed. This includes one original evaluation sent to the designated agency or institution and one copy to the applicant.

The Admissions and Records Office will evaluate the transfer units allowed as well as the general education breadth requirements from the original analysis of the international evaluation service. Please refer to:

Ctr of App Res Eval & Ed, Inc
Indochinese/Int Ed Serv
P.O. Box 20348
Long Beach, CA 90801
Phone: (213) 430-1105
or 430-2030

Intl. Consultants
of Delaware, Inc-
CA Agency
P.O. Box 5399
Los Alamitos, CA 90721
Phone: (213) 430-2405

SOCIAL SECURITY NUMBER

Applicants are required to include their Social Security account number in designated places on applications for admission and registration form pursuant to the authority contained in Title 5, California Administrative Code, Section 41201. The Social Security account number is used as a means of identifying records pertaining to the student as well as identifying the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution.

New and re-entering students must submit Admission Application and fee prior to or upon registration for the first class!

GENERAL EDUCATION (G.E.) REQUIREMENTS

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION (G.E.) REQUIREMENTS

Each candidate for a baccalaureate must complete general education coursework as prescribed by the Board of Trustees in Title 5 of the Administrative Code, Sections 40405 through 40405.4. The program consists of 48 semester units of courses approved for this purpose, including nine semester units taken during the junior and senior years and approved as upper division G.E. courses. At least nine of the required 48 units must be completed in residence.

Since the Statewide Nursing Program offers primarily upper division and graduate courses, most general education work will be completed prior to enrollment in the program or by referral to another institution after matriculation. A student may satisfy the General Education requirements in any one or a combination of the following ways.

Prior to matriculation:

- Completion of courses or examinations that are approved as meeting particular requirements by CSU campuses, California community colleges, or other participating campuses.
- Completion of courses at other institutions determined to meet particular requirements.

After matriculation:

- Completion of approved courses taken at a regionally accredited college or university. (Students should consult with their advisor for information on the course substitution process prior to enrolling in any course which is intended to satisfy a General Education requirement.)
- Completion of designated courses or examinations approved for General Education purposes.

REQUIRED PATTERN OF COURSES

A. Communication in English (9 semester units)

1. Oral communication—an introductory course in speech.
2. Written communication—a standard course in Freshman composition.
3. Critical thinking—a course in logic, argumentation, or critical thinking.

B. Science and Mathematics (12 semester units)

1. A general introductory course in astronomy, chemistry, geology, physical science, or physics.
2. A general introductory course in biology, botany, or zoology.

At least one course in either category 1 or 2 above must include a laboratory; however, it is recommended that two laboratory courses be taken.

3. A mathematics, statistics, or computer science course with a prerequisite of at least two years of college preparatory mathematics.

C. Humanities (12 semester units)

Choose courses from two or more of the following areas: art, drama, language, literature, music, and philosophy. No more than six semester units may be activity or performance courses.

D. Social and Behavioral Sciences (12 semester units)

Choose courses from two or more of the following areas: anthropology, economics, geography, history, political science, psychology, and sociology. Certain courses which meet these requirements may also be applied to the requirements described in section F below.

At least one course either in area C or in area D above must involve study of the non-Western world. A course dealing with ethnic or other minorities in America is highly recommended. In choosing courses from areas C and D, avoid highly specialized courses. Try to choose courses which seek to integrate two or more areas.

E. Lifelong Understanding (3 semester units)

F. Requirements in U.S. History, U.S. Constitution, and Principles of California State and Local Government.

Title 5, California Administrative Code, Section 40404, requires that each student demonstrate competency in these areas to qualify for graduation. Students who have not met these requirements at the time of admission may do so by completing appropriate courses or by passing comprehensive examinations prepared and administered by most CSU campuses. Courses used to meet this requirement may also be applied to the requirements in section D.

Students commencing undergraduate study in September, 1981 or thereafter are responsible for meeting these requirements. Students enrolling for an additional bachelor's degree must meet any difference between these and any previous requirements that may have been completed.

The Program Director, upon the recommendation of a Regional Program Director, may authorize substitutions or exceptions to the foregoing in individual cases where failure to do so would result in unreasonable hardship.

STATEWIDE NURSING PROGRAM G.E. COURSES AVAILABLE THROUGH THE SNP

The following prerequisite courses are also approved for meeting general education requirements as indicated.

Course Title	G.E. Category	Semester Units
*ANTH 301 Culture and Health	D	1-4
*BIOL 301 Pathophysiology	B	1-4
*CHEM 301 Biochemistry	B	1-4
*MATH 301 Statistics	B	1-3
*PSY 301 Life Cycle	E	1-4
*Upper division		

GENERAL EDUCATION/ ELECTIVE OPPORTUNITIES

California State University Dominguez Hills faculty and the Statewide Nursing Program have made General Education courses satisfying Area A, C, and D requirements available to you. These may be taken on-campus, at a LA area hospital or by self-study at home throughout the State. See "New Opportunities for Earning General Education and Elective Credit" in the Table of Contents. The one academic unit BSN 498 courses, Child Abuse and Health Assessment, may be taken for elective credit.

ACADEMIC POLICIES/PROCEDURES

Refer to your catalog, which you received at the time of application, for other academic policies and procedures.

GRADUATE WRITING ASSESSMENT REQUIREMENT (GWAR)

All degree candidates are **required** to pass a **written examination** to comply with the California State University Graduate Writing Assessment Requirement (GWAR).

1. Evidence of successful completion of this requirement should be submitted to the Admissions and Records Office as follows:

Undergraduate —

prior to the completion of 90 units towards a degree.

Graduate —

during the term student is accepted as a degree candidate (admitted as a classified student).

2. Students who do not achieve a passing score should seek counseling from their mentor prior to reapplying for the examination.
3. Any student who has met the Graduate Writing Assessment Requirement at a CSU institution will be cleared with proof of having met the Program requirement.
Please Note: At some CSU institutions a specific course has been designated as meeting the GWAR. This course may be in lieu of, or an alternative to a written examination. The course grade report must be forwarded to the SNP Admissions and Records Office.
4. Students who do not have a recorded successful completion of the GWAR will be denied graduation.

RESIDENCE CREDIT REQUIREMENT

Undergraduate

Students must earn the equivalent of 30 semester units of credit through SNP to meet residence requirements for a bachelor's degree. At least 12 semester units must be in the major and 24 semester units must be in upper division level courses.

Graduate

Twenty-one semester units of work must be completed in residence through the SNP.

Definition of courses that meet the residence credit requirement.

- Any regularly scheduled CSUDH course taken after admission.
- Any successfully completed assessment which is approved to meet a major course requirement that was taken after admission.
- Any course taken for academic credit at one of the CSU campuses after admission, which had prior written approval by the Regional Program Director.

ACTIVE STUDENT STATUS POLICY

The following policy defines Active Student Status:

To allow our students maximum flexibility in completing graduation requirements, SNP has instituted a policy change, effective January 1986, which states that no minimum enrollment in courses is required either per term or per year. Instead, active status will be maintained by filing an Active Student Status form each year with the Office of Admissions and Records. By returning the Active Student Status form, you are indicating your intent during the following year to enroll in one or more courses, complete approved assessment examinations, and/or enroll in courses at other institutions in accordance with appropriate policy. Receipt of official transcripts will serve as verification of non-SNP educational activities.

Return of the form not only validates Active Student Status for the coming year, but also assists the Regional Program Director in scheduling classes as needed.

Active students are entitled to all student services including academic advising, academic file maintenance and transcript posting of all courses/assessment examinations taken during the year. Active students receive all informational materials distributed throughout the year, and a library card for use at CSU campus libraries.

Students who are unable to pursue their educational program for financial, medical or other valid reasons may, on the Active Student Status form, request to be continued as an active student for a maximum of one year.

Students who indicate on the Active Student Status form that they wish to become inactive or withdraw the program, or who do not return the card, will be required to formally reapply in order to matriculate in the following year(s) and may be required to meet new degree requirements in effect at that time.

WRITING SKILLS WORKSHOP

Open to all R.N.'s

See Table of Contents Reference
for details

ACADEMIC REQUIREMENTS

ACADEMIC STANDING

Undergraduate:

Satisfactory scholarship means at least a C (2.0) grade point average or twice as many grade points as units attempted.

Graduating "with honor" is satisfied with a 3.75 grade point average.

Graduate:

Satisfactory scholarship means at least a B (3.0) grade point average or three times as many grade points as units attempted.

The student is entitled to honorable dismissal unless otherwise indicated.

GRADING SYSTEM

Courses are based on the standard semester unit. The following grades and grade points are used in reporting student standing at the end of each term.

A - Superior	4 grade points
B - Good	3 grade points
C - Acceptable	2 grade points
D - Poor	1 grade point
F - Failure	0 grade points
I - Incomplete	0 grade points; not computed in grade point average until letter grade is assigned. Coursework not completed within one calendar year following the end of the term during which it was assigned will be counted as a failing grade for GPA computation.
U - Unauthorized Incomplete	0 grade points; counted as a failing grade for GPA computation.
W - Withdrawal	0 grade points; posted to record only if the student officially withdraws.
AU - Audit	0 grade points; student is not required to take exams and does not receive unit credit. Must be arranged with instructor at first class session.
RD - Report Delayed	0 grade points
SP - Satisfactory Progress	0 grade points; student is maintaining satisfactory progress in a course which required more than one term to complete.
CR - Credit	0 grade points; credit is not computed in the grade point average, but units are allowed.
NC - No Credit	0 grade points; work has not been completed satisfactorily; NC is not computed in the academic grade point average; however, it can result in progress deficiency.

Application for Incomplete ("I") Grade

An approval form, signed by the instructor, must be completed by the last scheduled day of class.

Removal of Incomplete ("I") Grade

When an incomplete grade or "I" has been removed, a later entry is made on the Permanent Record Card. The original listing of the course showing the "I" is marked with an asterisk in the grade column and the subsequent complete posting is marked with an asterisk. The date the "I" was removed is also listed. An "I" grade is normally removed within one calendar year; however, it is possible upon petition, for a student to receive an extension of that time limit. Therefore, the date listed for the final grade may be an amount of time greater than the one calendar year normally allowed for removal of the "I".

Repetition of Courses

Permission to repeat a module must be obtained from the Regional Program Director through the petition process.

Undergraduate students may repeat a module once if they have received a grade of "D", "F", or "NC". The previous units attempted and grade points received will be excluded from grade point computation. Credit is earned only once.

Graduate students may repeat a module once if they have received a grade of "D", "F", or "NC". The student's permanent record will indicate the course repeated and the grade earned. The grades earned in the original enrollment and the repeated enrollment will be averaged when computing the grade point average. Credit will be earned on the first attempt only.

If a student wishes to participate in graduation ceremonies at a local CSU campus, he/she should indicate so on the Application for Graduation.

Minimum Degree Requirements

For a B.S. Degree:

- 132 semester units.
- A "C" average is required.

For a M.S. Degree:

- 36 semester units.
- A "B" average is required.

GRADUATION-DEGREE OR CERTIFICATE PROGRAM

Students planning to graduate from a degree or certificate program may obtain an Application for Graduation from the Admissions and Records Office or from the Regional Program Director. The Application for Graduation signed by the mentor must be submitted along with the \$35.00 fee on or before the following dates:

Fall Term Graduation	by May 15
Spring Term Graduation	by September 15
Summer Term Graduation	by January 15

A final Program of Study must accompany the Application for Graduation signed by the mentor (BSN) or Associate Director, Graduate Program (MSN) (QA) or Associate Director Undergraduate Program (PHN) if not filed previously. Students will receive a "grad check" from the Admissions and Records Office which indicates any remaining academic work, outstanding fees or obligations which must be resolved before approval for graduation is granted.

REGISTRATION AND FEES

REGISTRATION INSTRUCTIONS

Since decisions to offer or cancel classes are based on attendance at the first class session, **preregistration is preferred in all program courses and required for certain courses.**

Students may register for classes in one of three ways:

1. **By Mail.** Use this method to ensure your place in class. **Registration must be mailed at least two weeks in advance of the first class session. All M.S., Nursing students must use this option.** If you use this option:

- Complete the registration form.
- Include your charge card number if you use *VISA* or *MasterCard* plan.
- Mail completed registration form and fees to:
**Statewide Nursing Program Admissions and Records
CSU, Dominguez Hills
1000 E. Victoria
Carson, CA 90747**

2. **At a Special Counseling/Workshop Session.**

3. **At the First Class Session:**

- Bring your completed registration form and fees to the first theory class.
- **B.S., Nursing Students** — For theory courses you must notify the Regional Program Director by calling the telephone number listed at the site above the course offering. For performance course registration, a special process is followed. See BSN section.

NOTE: Students who have not applied for admission to SNP/CSUDH must submit an **Admission Application** with the registration form (an Admission Application is included in this Schedule of Classes).

FEE PAYMENT

Fees must be paid at the time of registration.

- Checks should be made payable to the "Trustees of the California State University."
- Fees can be paid via a *VISA* or *MasterCard* plan.
- For your protection, do not send cash.

If a student is on a fee-payment plan in which the sponsoring agency or company prefers to pay The CSU fees directly, the student must secure a purchase order from the sponsoring agency or company. The purchase order should be addressed to: **Statewide Nursing Program, CSU, Dominguez Hills, 1000 E. Victoria Street, Carson CA 90747.** The Student should make sure that the information on the purchase order is complete and accurate, and submit it with the registration form at the time of registration.

IMPORTANT — You must pay your fees or arrange for permission to register late to have your name added to the class roster.

Registration problems and questions should be directed to the appropriate Regional Program Director or the Admissions and Records Office.

Program Fee

In addition to other fees, a program fee is **required** of all nursing students. **Upon admission, a non-refundable, one-time program fee of \$250.00 is required.** For those students who are unable to pay this fee within one month of the date of admission a \$40.00 penalty fee will be assessed. At that time \$290.00 (\$250 program fee + \$40 penalty fee) is due and payable in full. It is possible to pay in a 3 month installment payment plan which includes the \$40.00 penalty fee. The Program Planning Form will be sent to the student upon notification of acceptance to the program. A student may pay the Program Planning Fee prior to admission by requesting the necessary form from the Regional Program Director.

FEES*

1. Admission Application (non-refundable)	\$45
2. Automatic service charge (per transaction) on bank cards	\$3
3. Catalog (first copy is complimentary to applicants) ...	\$5
4. Course Fee • Undergraduate (per unit)	\$138
• Graduate (per unit)	\$150
5. Graduation Application for Degree or Certificate (includes diploma/certificate)	\$35
6. Late Registration Fee (per course)	\$35
7. Program Fee — Payable upon formal admission to Degree Program	\$250
8. Program Fee Deferment (and Penalty for late payments; for full explanation refer to the Nursing Section in this schedule)	\$40
9. Returned Check Fee/Invalid Bank Card Fee	\$10
10. Special Studies Fee (Independent Study, Master's Degree Project/Thesis) (per unit)	\$165
11. Transcript (per copy)	\$5
12. Workshops (non-refundable)	\$45
13. Additional diploma/certificate	\$10

*All fees subject to change.

ADDING A CLASS/LATE REGISTRATION

Students who wish to add a class(es) after the first session should complete an Add/Drop Form (included in this Schedule) following consultation with the Instructor and/or Regional Program Director.

Requests must be submitted within the first two weeks of class upon approval of the instructor and advisor. The form should be sent to the Admissions and Records Office with appropriate course fees and a \$35.00 late registration fee.

Note: If you cannot attend the first class session of your course, contact your Regional Program Director in advance.

DROPPING A CLASS/ WITHDRAWALS AND REFUNDS

Students who wish to drop a class(es) after the first session should complete an Add/Drop Form. In order to officially withdraw and obtain a "W" grade, approval of both instructor and Regional Program Director is required, otherwise the student may receive an "F", "U", or "NC" grade.

Students who are unable to complete course requirements due to unforeseen, but fully justified, reasons may petition to the instructor for additional time to make up incomplete work. If approved, the instructor will prepare an Incomplete ("I") Grade Agreement Form which must be signed by both the instructor and the student.

A full refund will be given to pre-registered students if the withdrawal request is received before the first day of class. The request must be made **in writing on the Add/Drop Form.**

A 65% refund will be given if the request (with the signatures of the instructor and Regional Program Director) is received before 25% of the class session time has expired.

NO refund can be given once a one-unit module/course has begun.

NOTE: Once approvals have been obtained, all requests should be sent to the Admissions and Records Office.

STUDENT SERVICES

FINANCIAL AID

GUARANTEED STUDENT LOAN (GSL)

The Guaranteed Student Loan Program provides an opportunity for eligible students to obtain educational loans through participating banks, credit unions or other lending institutions. The federal government will pay the interest on the cumulative amount borrowed as long as the student is enrolled at least half-time at an eligible school.

According to federal regulations, the student may apply for the Guaranteed Student Loan providing the student:

1. is enrolled in and in good standing or has been accepted for enrollment at an eligible school;
2. is enrolled minimally, as a half-time student (6 units or more) with the program;
3. is a citizen of the United States or is in the United States for other than a temporary purpose.

This program provides long-term, low-interest (seven to nine percent) loans available through participating lending agencies. Upper division undergraduate students may borrow up to \$4,000 per year, and graduate students may borrow up to \$7,500 per year.

California Loans to Assist Students (CLAS): Students who are ineligible for a GSL or who wish to supplement their GSL may apply for a CLAS loan. CLAS loans enable borrowers to obtain up to \$4,000 per year (\$20,000 aggregate) to help pay for education. CLAS loans are guaranteed by the participating lenders. This guarantee, backed by federal re-insurance, allows the loans to be made without security or collateral.

Unlike the Guaranteed Student Loan (GSL), a CLAS loan goes into repayment 60 days after the loan is made. However, the favorable interest rate (varies from 9 to 12%, depending on the annual average rate of 91-day Treasury Bills) makes CLAS an attractive alternative for parents and students faced with financing postsecondary education. CLAS loans can be used in addition to Guaranteed Student Loans.

Parent and less than full-time student borrowers must begin repayment of principal and interest 60 days after the loan is made.

Full-time student borrowers may defer (postpone) principal and interest repayment until their enrollment status changes.

Application Procedures:

Step One-File a Student Aid Application for California (SAAC). All SAAC forms and appropriate fee, must be mailed to: College Scholarship Service, Box 70, Berkeley, CA 94701-0070. This may take up to four weeks so plan accordingly. The GSL or CLAS application cannot be certified until the SAAC is received.

All undergraduate students are required to apply for a Pell Grant. This may be accomplished by answering yes to SAAC question number 43. The Pell Grant determination is called the Student Aid Report (SAR). The SAR will be mailed directly to your home and then submitted to the Financial Aid Office. In addition, you may be required to provide a copy of your/your parents tax return(s) and Financial Aid Transcripts from any schools previously attended.

Step Two-Complete the GSL or CLAS loan application and questionnaire. To obtain these forms write or call:

California State University Dominguez Hills
1000 E. Victoria Street
Carson, California 90747
(213) 516-4060
Toll Free in California (800) 352-7517

Since processing the GSL/CLAS application normally takes 1 to 2 weeks after we have received all the above forms (total of 6-8 weeks), it is recommended you apply early for a given term. All fees are expected to be paid at the time due, regardless of your loan application status.

PELL GRANT

The Pell Grant is awarded to help undergraduates pay for their education after high school. The Pell Grant Program is the largest Federal student aid program and, unlike loans, grants do not have to be paid back.

How to Qualify:

The Department of Education uses a standard formula, revised and approved every year by Congress, to evaluate the information reported when a student applies for a Pell Grant. The formula produces a Student Aid Index number to determine eligibility.

The use of the formula guarantees equal treatment for all applicants, but it also means that, except for a few specific cases, there are no exceptions made for unique financial circumstances of students or their families.

Amount of Award:

Awards range up to \$2,100. How much a student actually receives will depend on their Student Aid Index number, whether they are a full-time or part-time student, how long they will be enrolled in the current academic year, and the cost of education at the school.

Usually, Pell Grant eligibility is calculated using prior year income information. In certain cases, however, students can file a Special Condition Application. This application allows the student to estimate current income information, and eligibility will be calculated using that estimate instead of prior year income information.

How to Apply:

The final deadline for current year applications is April 1, 1988. It is preferable, however, to submit the Student Aid Report, which determines the Student Aid Index number as soon as possible. Interested students should contact the Admissions and Records Office for detailed information and required forms.

RESPONSIBILITIES OF STUDENTS RECEIVING FINANCIAL ASSISTANCE:

1. All Financial Aid recipients agree to carry and complete the number of units specified each term **showing at least half-time status**, report graduation or withdrawal, and notify the Financial Aid Office of any changes in their financial status, marital status, or unit load.
2. Students must use the funds only to meet education costs. Any other use of the funds is prohibited by law.
3. Satisfactory academic progress must be maintained. A student is considered to be in good standing and maintaining satisfactory progress when enrolled in and successfully completing at least a half-time credit hour load.

GENERAL EDUCATION/ ELECTIVE OPPORTUNITIES

California State University Dominguez Hills faculty and the Statewide Nursing Program have made General Education courses satisfying Area A, C, and D requirements available to you. These may be taken on-campus, at a LA area hospital or by self-study at home throughout the State. See "New Opportunities for Earning General Education and Elective Credit" in the Table of Contents. The one academic unit BSN 498 courses, Child Abuse and Health Assessment, may be taken for elective credit.

STUDENT SERVICES (cont'd)

Veterans Certification

New students who are veterans should be approved by the Veterans Administration to receive benefits and should obtain form 1995 (Change of Institution Form) or form 1990 (Veteran's Application for VA Benefits Form) from the SNP Admissions and Records Office, the VA, the Campus Veterans Office, VA Hospital, or other appropriate agency. The form should be completed by the student and sent to the SNP Admissions and Records Office. The A&R Office will submit the form to the appropriate office along with form 1999 (Certification of Enrollment Form). **The student must notify the Admissions and Records Office at once upon withdrawal from a course or upon adding a course.**

Concurrent Enrollment: If a student attends another school at the same time, a VA form must be sent from the other school to the Admissions and Records Office verifying enrollment.

Prior to each term, new and continuing students should contact the Admissions and Records Office indicating the courses to be taken that term. In addition, students applying for VA benefits for both the Fall and Spring terms should estimate the number of units to be taken in Spring. Summer benefits must be applied for separately. Any other questions regarding VA benefits should be directed to the Admissions and Records Office.

LIBRARY SERVICES/CARDS

Library cards are available from the Statewide Nursing Program Admissions and Records Office and are mailed to the student approximately 2 weeks after receipt of the student's Admission Application. Each card is valid for one academic year and permits the student full library privileges at any of the nineteen California State University campuses. **The student must return the library card at once upon complete withdrawal from the program. Library cards are renewed prior to the beginning of the Fall term for students who maintain active enrollment status (See Active Student Status Policy Section). Please contact the Admissions and Records Office if you do not receive your library card.**

ACADEMIC ADVISEMENT

Academic advisement is an essential component of student services. A personal relationship between students and their assigned mentor/advisor begins upon admission to their degree program. The mentor/advisor will assist the student in completing a Program of Study following a discussion of her/his educational goals and previous experience. This initial planning meeting will form the basis for an ongoing counseling relationship through graduation. The guiding principle for the interaction between the student and mentor/advisor is the creation of a plan for degree completion that is compatible with the student's available time, fiscal, and academic resources. Students who are unaware of the identity of their assigned mentor/advisor are encouraged to contact their Regional Program Director as soon as possible.

APPLICATION FOR GRADUATION

To Graduate, You Must File An Application
Don't Delay...

Fall Term by May 15

Spring Term by September 15

Summer Term by January 15

ADD/DROP FORM

A full refund will be given to pre-registered students if the withdrawal request is received before the first day of class. The request can be made on the Add/Drop Form or in writing.

• NOTE: FOR TRANSCRIPTS TO BE CONSIDERED OFFICIAL, THEY MUST BE RECEIVED DIRECTLY FROM THE ISSUING INSTITUTION, OR SUBMITTED IN AN EMBOSSED, SEALED ENVELOPE. USE COMPLETE ADDRESS AS SPECIFIED ABOVE

APPLICATION FILING PERIODS

<p>Admission Applications may be submitted prior to or with registration for any class. Having submitted the Application, students can register for classes during the term for which they have applied while waiting for formal admission to CSU, Dominguez Hills Statewide Nursing Program. However, students may not continue to register for classes in subsequent terms until their admission status has been validated.</p>	<p>Applications for: Materials Due</p> <p>Fall Term November 30</p> <p>Spring Term March 31</p> <p>Summer Term July 31</p>
---	---

IMPORTANT INFORMATION

UPON SUBMITTING AN ADMISSION APPLICATION, STUDENTS (AFTER CONSULTING WITH THEIR ADVISORS) MAY ENROLL IN CLASSES WHILE AWAITING ADMISSION VALIDATION. HOWEVER, STUDENTS MAY NOT CONTINUE TO REGISTER FOR CLASSES BEYOND THE TERM FOR WHICH THEY ARE APPLYING, BEFORE BEING FORMALLY ADMITTED TO CSUDH. ENROLLMENT IN A CLASS DOES NOT CONSTITUTE ACCEPTANCE IN OR QUALIFICATION FOR THE STATEWIDE NURSING PROGRAM AND/OR CSUDH.

I CERTIFY THAT THE FOREGOING STATEMENTS AND ANY OTHER INFORMATION SUBMITTED BY ME IN CONNECTION WITH MY APPLICATION FOR ADMISSION ARE TRUE, COMPLETE AND ACCURATE.

"OPEN TO ALL RNs"

Learn and put to use the principles and techniques that make your writing—clear, accurate, effective and concise. The writing skills workshop is especially useful for those who are writing papers, proposals and reports for academic or professional purposes. If you don't have the time for a traditional semester-long writing course, but you want to improve your writing skills, join us for one of these day-long workshops.

Workshops are available for the Spring term in an all day format. The cost of the Workshop is \$45.00.

NOTE: The Writing Skills Workshop does not provide academic or C.E. credit.

Return the Writing Skills Workshop registration form below along with your check for \$45.00 (non-refundable) made payable to The Trustees of The CSU. For more information contact Ms. Kay Youlin at (213) 516-4040.

Although this workshop is directed toward improving skills in writing, it is not designed as a preparation for the CSU's Graduate Writing Proficiency Exam.

Workshop Topics Include:

Principles of Technical Communication

- Clarity. Use of jargon. When? How much?
- Conciseness. Need for exactness and precision in writing.
- Correctness. Gramatically sound writing.
- Positive, authoritative style. Strong professional writing with a "friendly" tone.
- Rules for effective communication.

Organization of Ideas/Paragraph Development

- Pro forma writing vs. original writing
- SEIS vs. SIIS
- Use of words and phrases to indicate logical flow of ideas. Transitions of addition, negation, affirmation, detail, qualification, and conclusion.

Clarity/Sentence Structure

- Identify your own sentence pattern style. Too simplistic? Too convoluted? Awkward? Wordy?
- Recognize and use different sentence patterns for flexibility and emphasis.

Editing Techniques for Technical Writing

- Analyze written material for content and style.
- Punctuate to increase or decrease emphasis.
- Edit to improve and clarify.
