MESSAGE FROM THE PRESIDENT

Welcome to the spring semester at California State University, Dominguez Hills. We have tried to provide a *Class Schedule* that meets your needs and helps you achieve your academic goals. If you are unsure about the courses required in your major, please contact a faculty advisor in your or major at the University Advisement Center.

The faculty, staff and administrators at CSU Dominguez Hills are dedicated to assisting you in your quest for growth and fulfillment. I encourage you to take advantage of the many support services we offer. (Consult the *University Catalog* for descriptions of them.) You will also find your life as a student enriched by involvement in cultural and athletic events as well as other campus activities.

You will probably notice some construction on the lawn in front of the University Library this spring. This site will be home to Donald P. and Katherine B. Loker Student Union, a state-of-the-art recreational and meeting facility designed to serve student needs into the 21st century. The Union is scheduled to be completed in the fall of 1991. This year also marks the beginning of the California Academy of Mathematics and Science, the first accelerated math/science high school in California and the first in the nation to focus on women and underrepresented minorities. Some of the finest students from Los Angeles County schools are receiving an intensive math and science education at the Academy, helping to prepare them to be mathematicians, scientists and engineers of tomorrow. I hope you will join me in welcoming these young students to our fine campus.

I wish you a very successful semester and look forward to meeting you around campus.

Bob Detweiler

Robert C. Detweiler

ABOUT THE UNIVERSITY

CSU Dominguez Hills is a quality university in a cosmopolitan setting. The University is on a park-like, attractive campus of 346 acres. The University celebrated its 30th anniversary in the fall of 1990.

With an on-campus enrollment of over 8,500 students, CSU Dominguez Hills provides a friendly atmosphere with generally small classes and individual attention from faculty. An additional 3,000 students take part in the Statewide Nursing Program.

CSU Dominguez Hills faculty has one of the highest percentages of doctoral degrees in the CSU system—more than 90 percent. These faculty place an emphasis on teaching while also engaging in research and scholarly activity, and provide an environment of caring about the needs of individual students. The University is fully accredited by the Western Association of Schools and Colleges and by professional associations in several academic specialties.

With moderate size, modest costs and a beautifully landscaped campus surrounding modern and attractive buildings, CSU Dominguez Hills represents an attractive alternative to much larger and more expensive universities. CSU Dominguez Hills provides many of the nearby advantages of a large metropolitan area, while at the same time offering a pleasant and easy-to-get-to location.

ADMISSIONS INFORMATION

Prospective students, part-time or full-time, or returning students, who have been out of school for two or more semesters, must file an application for admission, pay the \$55 application fee (or qualify for a fee waiver), and provide supporting documentation within the announced filing period. To enroll in classes, applicants must be formally admitted to CSU Dominguez Hills for that semester. Procedures are explained in the *University Catalog*, and admissions advising is available at the Information and Service Center. Applications may be obtained from that center.

Eligibility varies depending on the applicant's previous academic background. There are four applicant groups:

I. FIRST-TIME FRESHMAN - A California high school graduate and legal resident of the state must present a high school grade point average (GPA) from the last three years of high school (excluding physical education and military science) and a test score from either the American College Test (ACT) or Scholastic Aptitude Test (SAT). The combined GPA and test score must place the applicant in the upper one-third of the statewide California high school graduating class. In addition, students must have satisfactorily completed ("C" grade or better) a comprehensive pattern of college preparatory course work (See the *University Catalog* for a comprehensive eligibility table and details regarding the subject requirements).

Students who are not legal residents of California and are graduating from high school in other states or United States possessions must have a GPA and test score placing them in the upper one-sixth of California high school graduates.

II. TRANSFER STUDENTS - Requirements:

To qualify for admission as a transfer student you must have a grade point average of 2.0 ("C") or better in all transferable units attempted. You must be in good standing at the last college or university attended and meet any of the following standards:

1. Freshman admission requirements must be met that are in effect for the term to which you are applying (see "Freshmen Requirements" section).
2. a. Freshman eligibility was attained at the time of high school graduation and you have been in continuous attendance in an accredited college since high school graduation, *or*
b. Freshman eligibility was attained at the time of high school graduation except for the subject requirements; you have made up the missing subjects, and have been in continuous attendance in an accredited college since high school graduation.

3. At least 56 transferable semester (84 quarter) units have been completed and you have made up any missing subject requirements (see "Making Up Missing College Preparatory Subjects" section). Nonresidents must have a 2.4 grade point average or better.

For this section, transferable courses are those designated for that purpose by the college or university offering the courses.

Making up Missing College Preparatory Subject Requirements:

Undergraduate applicants who did not complete the subject requirements while in high school may make up missing subjects by any of the following ways:

1. Complete appropriate courses with a "C" or better in adult school or high school summer sessions.
2. Complete appropriate college courses with a "C" or better.
3. Earn acceptable scores on specified examinations.
4. If you have 56 or more semester (84 quarter) units you may complete one of the following alternatives:
 - a. **1987 or earlier high school graduates:** complete the CSU general education requirements in communication in the English language (at least 9 semester units) and mathematics (usually 3 semester units), with a "C" or better in each course;
 - b. **1988 and later high school graduates:** complete a minimum of 30 semester (45 quarter) units with a "C" or better in each course, to be chosen from the courses in English, arts and humanities, social science, science and mathematics of at least equivalent level to courses that meet general education or transfer curriculum requirements. You must complete all CSU general education requirements in communication in the English language (at least 9 semester units) and mathematics (usually 3 semester units) as part of the 30-unit requirement.

For this section, one course of at least three semester (four quarter) units will be considered equivalent to one year of high school study. For further information about alternative ways to satisfy the subject requirements, call the Information Center.

III. GRADUATE STUDENTS - A graduate applicant must have a minimum 2.5 GPA in the last 60 semester units attempted, possess an accredited baccalaureate degree, and be in good standing at the last institution attended to be admitted to unclassified standing. Unclassified admission does not constitute admission to a graduate degree curriculum. (Please note that beginning fall 1985 lower division courses and extension courses completed after the bachelor's degree will be excluded from the GPA calculation. Upper division course work taken through Open University will be included in the GPA calculation)

IV. INTERNATIONAL STUDENTS - International students are required to have a 2.4 GPA on all units attempted from college.

All students, regardless of citizenship, who have not attended school at the secondary level for at least three years or beyond where English is the principal language of instruc-

tion, are required to earn a minimum score of 550 on the Test of English as a Foreign Language (TOEFL).

All newly-admitted international students must attend the International Student Orientation Program on Aug. 8, 1990 from 9 a.m. to 12 noon in the University Center. This orientation program is specially designed to review INS Regulations and introduce foreign students to the University.

New Undergraduate Student Orientation Programs

Each new student must obtain an advisor's signature on the **Registration Ticket** before registering. To expedite the advising process, to introduce students to the campus and to answer general questions about the policies and procedures of the University, orientations are provided at the beginning of the semester.

New Student Mini-Orientation

Tuesday, January 22, 1991
10:00 a.m. - 11:30 a.m.
4:30 p.m. - 6:00 p.m.

Location to be announced.

The mini-orientation session provides a brief campus overview and academic planning program for all new students. During the mini-orientation, new students will be welcomed to the campus, will be given an explanation of advisement procedures and will receive general or major advising, as appropriate.

PLEASE NOTE: NEW UNDERGRADUATE STUDENTS ARE EXPECTED TO ATTEND AN ORIENTATION.

Advising for New Graduate and New Credential Students

The above orientation sessions are intended primarily for undergraduate students; however, new graduate students are welcome to attend.

Master's degree candidates in specific disciplines should consult advisors in departmental offices. Unclassified post baccalaureate students who are second baccalaureate students or who are preparing for admission to credential or graduate programs should contact the chair or the coordinator of the program for advising. Graduate special majors and unclassified post baccalaureate students who are taking classes unrelated to a campus academic program should contact the dean of Graduate Studies at (213) 516-3693.

ADVISEMENT

GENERAL ADVISING SUGGESTIONS

A good, consistent relationship with an advisor can greatly assist students in achieving educational, career and personal goals, and in taking maximum advantage of the resources of the University. It is in students' best interest to seek and obtain advisors with whom they are compatible and to meet with advisors on a regular basis. Contact an advisor as soon as possible.

Undergraduate Students and Second Baccalaureates

All new students should plan to attend a New Student Mini Orientation (described on page 5) and should carefully read the sections of this Class Schedule describing how to obtain advisement during registration.

Educational Opportunity Program (EOP) students receive advisement from the EOP office, SCC C-127 (phone: 516-3632). Students who are non-EOP admissions exceptions (special admits) or who entered CSU Dominguez Hills with academic deficiencies, must contact a University Advisement Center advisor in SCC M-110 (phone: 516-3538). Major advisors may provide general studies advising in addition to academic advising in the major. If necessary, contact the University Advisement Center for General Studies advising.

The following are the procedures for obtaining academic advisement:

- ☑ **Undeclared Majors** should contact the University Advisement Center (SCC M-110; phone: 516-3538);
- ☑ **Second baccalaureate students** should first contact the University Advisement Center for General Studies advising, then contact their major departments.
- ☑ **Declared majors and minors** should contact the department office of their major/minor (department locations and phone numbers are listed in this Schedule) except for business administrations majors/minors who instead should contact the Business Administration Advisement Center (SBS A-326; phone: 516-3561);
- ☑ **Special undergraduate majors and minors** should contact the Office of the Associate Dean, Academic Affairs (ERC A-505; phone: 516-3309).

Students with General Studies advising needs, unresolved advising problems or those experiencing academic difficulty (e.g., on probation) should drop by (SCC M-110) or call (516-3538) the University Advisement Center.

International Students should read the subsections titled International Students under Registration Information.

Graduate Students

Students should contact their graduate program coordinators for advisement. The Office of Graduate Studies (phone: 516-3693) will advise M.A./M.S. Interdisciplinary Studies (Special Majors) and unclassified post-baccalaureate students.

WHEN ADVISOR SIGNATURES ARE REQUIRED

Academic Advising

While it is the student's responsibility to seek academic advisement on a periodic basis, the faculty requires students to meet with their advisors at the following three times:

- ☑ Upon entering the University.
- ☑ At the completion of 60 semester units.
- ☑ At the completion of 90 semester units.

All undeclared and some departmental majors are required to obtain an advisor's signature each semester. Be sure to check with your major department to determine its policy in this regard..

Special Consent(s) For Enrollment

Certain classes listed in this schedule require special consent for enrollment. Students should obtain such consent, either in the form of a stamp or signature, prior to registering. Any required stamp or signature must appear in the Authorization column on the Registration Ticket.

Educational Opportunity Program (EOP)

Students who are admitted through the Educational Opportunity Program will not be allowed to register without receiving a prior signature from EOP Director James Clayton or an EOP academic advisor. In addition to the EOP signatures, students need a signature from a departmental major advisor.

Non-EOP Admission Exceptions (Special Admits)

For their first year on campus, special admits must obtain advising and an advisor's signature from the University Advisement Center (SCC M-110; phone: 516-3538).

Contract Students

Contract students should follow the same advisement procedures as admitted new students, including obtaining required signatures.

Continuing Graduate and Credential Students

Continuing M.A./M.S. and credential students should see their advisors in departmental offices before registration.

ADVISEMENT DURING LATE REGISTRATION

Before selecting the courses in which to enroll this term, be sure to consult with a major advisor.

If you are awaiting acceptance, attend classes from the first session. If you are accepted you will be allowed to register sometime before the end of the fourth week. If you are denied please stop attending all classes immediately.

Undergraduate students

Undeclared majors can find an advisor in the University Advisement Center (SCC M-110; 516-3538). All other majors should read the "Undergraduate Students and Second Baccalaureates" section under "General Advising Suggestions" to determine how to locate an advisor.

Late Registration:

Monday, Jan. 28 through Friday, Feb. 15, 1990

*Note: Late registrants will incur a \$25.00 late registration fee.

REGISTRATION TICKET

Complete the registration ticket before registration. A copy of this form can be seen under "Registration Procedures."

NEW OR RETURNING STUDENTS

Students admitted by the published deadline for the term are notified of eligibility by mail and sent materials for regular registration.

Students applying late and students processed for conditional (contract) registration are issued registration tickets and are assessed an additional late fee of \$25.

Questions regarding admission should be directed to the Office of Admissions or call (213) 516-3696.

CONTINUING STUDENTS

If you attended CSU Dominguez Hills as a regular non-extension student this past spring or fall, you should receive registration materials in the mail. If you have not received the materials or notification regarding ineligibility by Nov. 9, 1990, please call the Office of the Registrar (213) 516-3608.

If you have received your registration materials, continue to Advisement and Signatures unless:

- You attended another academic institution since last attending CSU Dominguez Hills, or
- You graduated from CSU Dominguez Hills and you wish to begin postbaccalaureate studies.

In either case, you must reapply and should read the item New or Returning Students.

ADMINISTRATIVE AND FINANCIAL HOLDS

Students with administrative and/or financial holds are reminded that your registration cannot be processed until all holds are released from your CSU Dominguez Hills records.

INTERNATIONAL STUDENTS

All international students must clear their "registration hold" due to lack of health insurance coverage and full-time enrollment. To do so, contact Dan A. Joseffini, international student advisor, in the Small College Complex (SCC), Information Center, Room A-130.

International students must provide proof of health coverage prior to registration. This proof must be a membership card or official letter indicating the expiration date and amount of coverage for personal policy.

If students have not made prior insurance arrangements and do not have proof of insurance on the day of registration, they will be required to take out and pay for the Hartford Insurance Plan (minimum cost of \$324 per year) in order to register. This plan is the only health insurance plan available to international students on campus. The term of coverage must be from Jan. 1, 1991 through July 31, 1991. If there are any questions, please call (213) 516-4215 to make an appointment with the international student advisor.

CONCURRENT ENROLLMENT

A student enrolled at the University may enroll concurrently at another institution by filing a **Petition for Concurrent Enrollment or the Intra System Concurrent Enrollment Form** for enrollment in a CSU system campus with the Office of the Registrar after securing written approval by the academic advisor. Permission will not be granted when the schedule for the proposed combined program exceeds the units authorized at this University for full-time study.

EXCESS UNITS: STUDY LOAD LIMITS

For undergraduate students in good academic standing, the normal program load is the equivalent of five full courses. To this may be added activity courses having a value of one-half course or less.

Students may enroll in 15 units without an advisor's signature unless otherwise required. Students enrolling in 16 - 21 units are required to have an advisor's signature. Students enrolling in more than 21 units also must obtain the approval of the dean of the school in which the student is majoring. Undeclared majors must obtain the approval of the coordinator of the University Advisement Center.

ENROLLMENT IN OPEN UNIVERSITY FOR MATRICULATED STUDENTS

Effective with fall quarter 1984, a matriculated student who is eligible for enrollment as a regular student may not enroll partially or completely in courses through Open University.

ENROLLMENT IN CONFLICTING CLASSES

Students are not allowed to enroll in two classes that meet at the same time, without specific approval on the **Petition for Permission to Register for Courses with a Time Conflict**. A student found to be enrolled in conflicting courses without the form on file will be required to resolve the conflict. The petition form is available at the Office of the Registrar and must be approved and be on file at the Office of the Registrar by the census date.

Graduate Students

Students should contact the coordinator of their graduate program for advisement. The Office of the Dean of Graduate Studies (213) 516-3693 will advise graduate special majors and unclassified post-baccalaureate students.

FULL-TIME STATUS

Undergraduates are considered to be full time students during any semester in which they are enrolled in 12 units or more. In order to graduate in four years, however, a student must complete approximately 16 units each semester. Graduate-level students enrolled in eight or more graduate-level (500 level) units are considered to be full time.

NON-RESIDENT STUDENTS

If you were admitted to CSU Dominguez Hills as a non-resident student you should be aware of the following:

- ☑ Chapter 102 of the 1981 Statutes of California requires that the "financial independence" of a student must be considered when a non-resident student is requesting reclassification as a resident.
- ☑ If you are seeking reclassification as a resident, you are required to complete and file new residency forms with the Office of Admissions. The completed forms will be reviewed and a determination made. If you are eligible for residency status, you will be informed and your registration packet will be changed to reflect your new status. The appropriate forms are available at the Office of Admissions.
- ☑ The residence questionnaires by which your status may be changed must be submitted to the Office of Admissions at least two weeks prior to registration.

PRE-MEDICAL/PRE-DENTAL

All pre-medical, pre-dental, pre-pharmacy, pre-veterinary, pre-optometry, pre-etc. students should also seek advising from a pre-medical professional advisor in addition to their major advisor. Please call the SMT School Office (516-3373) for information.

VETERANS' BENEFITS AND RESPONSIBILITIES

It is the responsibility of each veteran to request certification for veterans' educational benefits at the time of registration, if this request was not completed previously. Continuing students are normally certified for the school year, September through June, and must make arrangements for any variations, including discrepancies in the number of units reported. Upon request, new students are certified for the current semester through the end of the school year. Please verify your certification with the veterans clerk prior to registration.

It is also the responsibility of the veteran to report to the Office of the Registrar any changes of enrollment affecting certification status.

For new students who are being certified for the first time, and for continuing students who were not certified previous to registration, it will take six to eight weeks from the date of certification before veterans educational benefits are received.

REGISTRATION PROCEDURES

Each CSUDH student who is eligible to register will be mailed a preprinted **Registration Ticket** (see illustrations A&B). The student must bring this completed form to the registration site (SCC J-127) during the indicated priority hour.

Prior to coming to the registration site (SCC J-127), the student must:

1. Correct any incorrect data preprinted on the front of the form in the spaces provided.
2. If required, secure advisor's signature. See bottom right corner on the front of the **Registration Ticket** for "advisor's signature required" notation.
3. Clear all holds indicated on the front of the **Registration Ticket**. Bring hold clearance form with you to the registration site.
4. Complete **Program Planning Sheet** on the back of the **Registration Ticket**; *complete and have authorizations for both the preferred and alternate course selections.*
5. If you are registering for over 15 units, you must secure an advisor's signature. If you are registering for over 21 units, you must additionally secure the signature of your school dean.
6. Secure appropriate authorization for classes requiring special permission. Check the *Class Schedule* footnotes for courses requiring special authorization. Students who do not have appropriate authorization for designated courses will be asked to leave the registration site to secure such approval; students will then be permitted to reenter the registration site and complete the registration process.

- ☑ At the completion of the registration process, each student will receive a **Schedule Confirmation and Account Statement**.
- ☑ Students with financial aid awards will have the awards credited on their account statement.
- ☑ Fees can be paid by cash, check, money order, VISA or MASTERCARD. Payment of the "Total Due" reflected on the **Account Statement** must be received in the Cashier's Office by the stated due date. LATE REGISTRATION AND SCHEDULE CHANGES

LATE REGISTRATION

Deadline: February 15, 1991

Continuing and new students who do not take advantage of advance or regular registration may register late beginning at 8 a.m., Monday, Jan. 28, 1991. Students may begin late registration on the first day the class meets (not necessarily the first day of classes). Students should use their mailed Registration Ticket for late registration processing. Late registration

will take place in the Office of the Registrar. New students may not register until they have been formally admitted to the University or issued a "Conditional Registration Contract."

Students must report to the late registration area if they fall into one of the following categories:

Eligible Continuing and New Students who did not register during the advance or regular registration periods must bring their Registration Ticket to the Office of the Registrar.

Students who registered during advanced or regular registration but were disenrolled because they failed to pay fees must report to the late registration area.

New Students who were admitted too late for the regular registration must bring the completed Registration Ticket sent to them at the time of admission.

Contract Registration Students who signed a contract for Conditional Registration who have not been processed for admission must bring the completed Registration Ticket and a copy of the contract.

Each student will be provided with a "Late Registration" ticket and instructions on procedures to follow to register for classes. The students must complete the late registration process by Feb. 15; payment of the "Total Due" reflected on the Account Statement must be received in the Cashier's Office by the stated due date. All students registering late will be charged a \$25 late registration fee.

Students who are registering late must obtain proper signatures on the Registration Ticket. Signatures obtained on a "Change of Program" form will not be accepted.

CHANGE OF PROGRAM

A change of program is any change that is made in a student's official schedule. Such a change includes: dropping a class, adding a class, changing the number of semester units for a class in which the student is registered, changing the section of the same course. It is the student's responsibility to verify the classes listed on the schedule confirmation.

A change of program must be made before the deadline date listed for each semester in the official University calendar. NO change is official until the appropriate forms have been signed by the instructor, when required, and processed by the Office of the Registrar.

Change of Program deadlines are as follows:

SPRING SEMESTER 1991	DEADLINE DATE
Adding (First three weeks of classes)	February 15, 1991
Dropping (First four weeks of classes)	February 22, 1991

Add and Drop Processing

The student must obtain a Change of Program form from the Office of the Registrar and follow these procedures:

- Complete appropriate sections of the Change of Program form per the instructions on the back of the form.
- If adding a class, you must obtain the instructor's signature.

- e. Conditions for dropping a class after the fourth week are outlined in the current *University Catalog*.

NOTE: A student who enrolls in a course, discontinues attendance and does not officially drop or withdraw from the course, will automatically receive an "F", "NC", or "U" grade for the course.

Official Withdrawal from the University

Official withdrawal is necessary if a student leaves CSU Dominguez Hills at any time after registration and does not intend to complete the semester. The forms for initiating this process may be obtained from the Office of the Registrar.

When official withdrawal from the University occurs before the semester deadline for dropping classes (the fourth week of instruction), the record indicates official withdrawal. However, if official withdrawal occurs after the fourth week of instruction, different procedures must be followed. Refer to the current *University Catalog* for those procedures. Students who do not officially withdraw will automatically receive "F" or "U" grades in all courses for which they are enrolled.

Conditions for readmission are indicated on the withdrawal form. A student who withdraws under satisfactory conditions shall be classified as a continuing student for the next semester.

FEES, REFUNDS, FINANCIAL INFORMATION

TUITION IS NOT CHARGED TO LEGAL RESIDENTS OF CALIFORNIA

All students pay the regular fees shown below. Auditors pay the same fee as students registering for credit. **ALL FEES ARE SUBJECT TO CHANGE WITHOUT NOTICE BY THE TRUSTEES OF THE CALIFORNIA STATE UNIVERSITY.**

Fees for each semester are part of the registration process and are payable at the time of registration.

In addition to these fees, non-residents of the state of California are charged tuition.

Fees can be paid by cash, check, money order, Visa or MasterCard.

Total or partial refund of this fee can be obtained if a refund application is filed with the Office of the Registrar on or before the dates listed in the "Refund Deadlines" chart on this page. Refund applications are available from the Office of the Registrar.

INSTALLMENT PAYMENT OF NON-RESIDENT TUITION

Effective January 1, 1976, a non-resident student who is a citizen and resident of a foreign country and not a citizen of the United States, may pay the required non-resident tuition fee on an installment basis. This is limited to three equal payments established at the time of registration.

A 15% non-refundable service charge will be added to each installment payment. If payment of either installment is not made on or before the due date, a \$10.00 late fee is also added.

Payments are made at the Cashier's Office, SCC B135.

NOTE: Failure to pay any installment within ten (10) calendar days of the due date will result in complete disenrollment for the remainder of the semester and the student will not be eligible to pay non-resident tuition on an installment basis in subsequent terms.

DISHONORED CHECK POLICY

Once a check has been dishonored, no personal checks will be accepted from that person for a period of at least two academic semesters.

This rule applies to any check returned from any financial institution for any reason. The person will be required to pay all university-related debts by cash, a certified check, money order or travelers check(s) including the \$10.00 returned check fee and, if applicable, a \$25.00 late fee. No personal checks will be accepted. Those passing a dishonored check will be notified at the time the check is dishonored.

REFUND DEADLINES

Refunds are not automatic. If you are withdrawing completely from school, or reducing the number of units in which you are enrolled, you should request a "Refund Application" from the Office of the Registrar. Refunds are calculated based on the date the application is received. It is, therefore,

important to file for a refund as soon as possible. Please review the refund deadlines shown below. No exceptions can be made to the dates noted. A \$5.00 service charge will be retained by the University to cover the cost of processing each refund application. Refunds are processed after the add and drop period.

The last day to apply for a refund of state university fees is February 15, 1991. No refund applications will be accepted after this date, unless a student withdraws upon the advice of a physician and can document this fact.

The student activity fee, student center fee, facilities fee and instructionally related activities fee are refundable only upon complete withdrawal from the University.

GENERAL ACADEMIC INFORMATION

AUDITING A CLASS

Auditors must pay the same fees that would be charged if the course were taken for credit. Enrollment as an auditor is subject to the approval of the instructor. A student registered as an auditor may be required to participate in any or all classroom activities at the discretion of the instructor. Credit for courses audited will not subsequently be granted on the basis of the audit. No record of audit appears on the student's permanent record card nor are transcripts issued for audited courses.

An enrolled student who wishes to audit a course in addition to his regular program must obtain the approval of the instructor on the "Approval for Audit" form available in the Office of the Registrar and pay the fees required as if the course was taken for credit. The approval may not be obtained before the first day of instruction. A student may not opt to audit a course after the end of the fourth week or change from credit to audit status after that date. If a student has enrolled in a course and is changing to audit status, the course must be officially dropped at the time the audit form is submitted.

An audited course should be taken into consideration when planning a program so that the study load will not be excessive.

A student not admitted to, nor enrolled in, the University must file a "Statement of Residence" prior to auditing a course. A resident determination must be made so that the appropriate fees may be charged. An application for admission is not required. A student must then follow the procedures as outlined above.

CANCELLATION OF CLASSES

The University reserves the right to make changes in the *Class Schedule* as printed. When enrollment in any class is not sufficient to justify its continuance, the course may be cancelled.

If the University cancels a class, the student will receive a full refund of applicable fees upon application for refund or will be allowed to register in another class without payment of a late fee.

CHANGE OF GRADE PROCEDURES

If a student wishes a grade changed for any reason, he/she should initiate the process through the academic department. If a change is made, a "Change of Grade" form, with appropriate signatures, is prepared in the department and sent to the Office of the Registrar. The student will be notified of the change of grade by the Office of the Registrar.

CHANGE OF NAME OR ADDRESS

If a student has made a change of name or address which has not been reported to the University, he/she should go to the Office of the Registrar and request the **Change of Name/Address** form. It is very important that the University be informed of any changes so that students receive all mailing. A "Change of Name" must be accompanied by a legal document verifying the change.

CHANGE OF INSTRUCTOR

The University reserves the right to make changes in the *Class Schedule* as printed. When classes are split or sections are cancelled due to lack of enrollment, it may be necessary to assign an instructor different from the one listed in the class schedule.

CREDIT BY EXAMINATION

Effective with the fall term of 1978, "Credit by Examination" is governed by the following regulations:

General Conditions

1. Registered students may receive "credit by examination" for courses in which they are eligible to enroll.
2. The student should contact the office of the appropriate department to initiate the procedure.
3. Each department will maintain an up-to-date listing of courses that may/may not be taken as "credit by examination."
4. The student will select a traditional letter grade or the CR/NC option in accordance with the policies applicable to regular course enrollment.
5. "Credit by examination" will not be given for course work that an academic department deems inappropriate or impossible to evaluate by examination.
6. The same course can be taken only once by "credit by examination."
7. "Credit by examination" will not be given for a course if the student already has received credit for a similar but more advanced course.

Procedure for Courses Listed in the *Class Schedule*

1. The student secures a petition for "credit by examination" from the appropriate department office and obtains the signature of the instructor and department chair.
2. If the petition is approved, the student enrolls in the course during registration and is given the examination during the first two weeks of the semester.
3. The student is notified of the results of the examination during the third week of the semester. If the examination is passed, the grade is submitted to the Office of the Registrar by the end of the third week. The student's name will remain on the roster and the grade will appear on the semester grade report. If the examination is failed, the student has two options: (a) remain enrolled in the course and complete it according to standard procedures, or (b) officially drop the course before the end of the fourth week.
4. The course grade will appear on the student's permanent record card with the other grades for the semester with the designation that the course was completed by examination.

Procedure for Courses Not Listed in the *Class Schedule*

1. The student secures a petition for "credit by examination" from the appropriate department office and obtains the signature of an appropriate and willing instructor and the department chair.
2. If the petition is approved, the examination will be scheduled within 15 days.
3. Upon completion of the exam, a grade is recorded on the petition and the petition is forwarded to the Office of the Registrar.
4. The Office of the Registrar notifies the student of the grade provided by the department.
5. Only a passing grade will be recorded on the student's permanent record card. A non-passing grade will not be recorded.

CREDIT/NO CREDIT OPTION

Undergraduate Students

Undergraduate students selecting the credit/no-credit option must do so by the end of the fourth week of instruction, February 22, 1991. "Credit/No-Credit" forms are available from the Office of the Registrar and the Information Center and must be submitted to the Office of the Registrar for processing by the deadline. For additional conditions and limitations of the Credit/No-Credit option, consult the current *University Catalog*.

Graduate Students

"CR/NC" grades may be allowed in courses numbered below 500, which will not be used to satisfy the requirement of a graduate degree program.

For full information on "CR/NC" grading, see current *University Catalog*.

CREDIT FOR OPEN UNIVERSITY, EXTENSION AND CORRESPONDENCE COURSES

The University allows transfer credit or appropriate college-level courses completed in extension, including "Open University", or by correspondence from accredited colleges or universities and the United States Armed Forces Institute. A maximum of 24 semester (36 quarter) units earned through extension, completed at CSU Dominguez Hills or elsewhere, through correspondence, and USAFI may be accepted toward a bachelor's degree. For graduate level students, a maximum of 9 semester (13 quarter) units of extension work may be applied to a degree. Please note that these credits do not satisfy CSU Dominguez Hills residence requirements for the degree. For more detailed information, please refer to the current *University Catalog*.

DOUBLE COUNTING OF GENERAL STUDIES COURSE

Lower division General Studies may be "double-counted" in both the major and the minor. Upper division General Studies courses may be double-counted in the following majors only: liberal studies, medical technology, and interdisciplinary studies. (Majors in these programs should consult their faculty advisor for details.) Upper division General Studies courses may be double-counted in the minor if: (a) at least 18 semester units are taken in the minor exclusive of General Studies courses and (b) General Studies courses used in the minor have the approval of the chair/coordinator responsible for the minor. Even though students may double-count certain General Studies courses, they will not receive additional unit credit towards graduation by double-counting. A double-counted course counts four (4) units (not eight) towards graduation.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

All student records of The California State University, including CSU Dominguez Hills, are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974.

Students may request access to those campus records that personally identify the student. The student may challenge the accuracy of the record or the appropriateness of its retention in the campus records. For records covered by the Act, student consent is needed to release records to outside parties (e.g. prospective employers) except for those agencies entitled to access under the provisions of the Act (e.g., campus officials, other schools, federal officers, and requests in connection with the application or receipt of financial aid).

A student may request a copy of a record that he/she has requested for release. Students must pay a charge for copies of records for which such a charge has been established. Copies of the full text of the Family Educational Rights and Privacy Act of 1974 are available at the Office of the Vice President for Student Affairs (ERC C532) or the campus library. Specific questions with respect to a student's prerogatives under the Family Educational Rights and Privacy Act of 1974 should be directed to the Office of the Vice President for Student Affairs.

If a student wishes to restrict the release of directory information, a request may be made at the Office of the Vice President for Student Affairs. The request is valid from the semester requested through the end of the academic year. Requests for restriction of release of information for a subsequent academic year require a new form.

FIRST CLASS MEETING

Students should report to the first meeting of their scheduled classes. Check the *Class Schedule* for time, day and room numbers. Each student is responsible for attendance in the courses and specific sections in which he/she has enrolled.

Students who enroll in a class but do not attend its first two meetings (or first meeting of once a week classes) and do not contact the instructor beforehand, may be dropped from the class by the instructor and their space given to other students waiting to add the class. It is the responsibility of the student to make sure that he/she has been dropped by the instructor. Students who are in doubt regarding their drop status should file their own official "change of program" form.

NOTE: Failure to officially drop or withdraw from a course will result in a grade of "F", "U", or "NC".

GRADES AND GRADE POINTS

As of fall semester 1990, CSU Dominguez Hills will be using the following grading system:

Grade	Grade Points

A -	3.7
B +	3.3
B	3.0
B -	2.7
C +	2.3
C	2.0

GRADUATION, APPLICATION FOR

All degree candidates must file an "Application for Graduation" with the Office of the Registrar in accordance with the following schedule:

Baccalaureate Degree

To GRADUATE at the end of: You must file by:

Fall Semester April 1

Spring Semester September 1

Summer Session February 1

Graduate Degree

To GRADUATE at the end of: You must file by:

Fall Semester August 15

Spring Semester January 15

Summer Session May 1

If you do not qualify for graduation at the end of the semester for which you applied, you must submit a **Change of Graduation Date** card to the Graduation Unit. Failing to do so will place a hold on your registration for the next regular semester.

Completion of degree requirements is the student's responsibility and, therefore, each student must be thoroughly familiar with the procedures and information about graduation. If you have questions, please consult a *University Catalog* or check with the Office of the Registrar. Please note that a master's degree requires a minimum of 21 semester units earned in residence. **Resident extension (Open University) units do not satisfy residence requirements for a degree.** A maximum of 9 semester (13 quarter) units of credit at the graduate level taken in Extension may be used toward degree requirements.

GRADUATION WITH HONORS POLICY

Effective with the 1978-79 academic year, to graduate with honors, a student must complete 36 units in residence and receive a minimum of 3.40 GPA on all units taken at CSU Dominguez Hills, with the overall GPA based on transferable undergraduate work. The honor categories are as follows:

Cum Laude (3.40-3.59)

Magna Cum Laude (3.60-3.79)

Summa Cum Laude (3.80-4.00)

All students graduating under the 1978-79 or earlier catalogs will be evaluated for graduation using the new criteria. If they meet the new criteria, they will be designated as graduating *cum laude*, *magna cum laude* or *summa cum laude*. If they do not meet the new criteria, they will be evaluated as graduating with honors as stipulated in earlier catalogs and, if eligible, will be designated as graduating "With Distinction" or "With Great Distinction". Students graduating under the 1978-80 catalog and subsequent catalog years will be evaluated using the new criteria only. Graduation with honors is available only to undergraduate students earning a first baccalaureate degree.

Candidates for graduation with honors will be listed in the commencement program based on grades earned through the previous fall semester. **Official** placement in one of the honors categories will be based on all grades earned including the final term. Therefore, it is possible to be listed as a candidate in the commencement program, but not graduate with honors after all grades have been calculated. Students who do graduate with honors will have the appropriate designation inscribed on their diplomas.

HONORS PROGRAM - GENERAL STUDIES

The CSU Dominguez Hills Honors Program offers special opportunities to especially able and highly motivated students. New and continuing students may participate in "Honors" sections of General Studies and advanced courses. Open only to Honors Program students, these stimulating classes enrich student learning in required courses. (See the course listing section in this schedule for current offerings, which are listed at the end of the General Studies section under "Honors Program Courses.")

Honors Program students also are eligible to arrange Honors Contracts, whereby any upper-division course may become an Honors course for the individual student. Honors Program students may apply to become Honors apprentices who receive a stipend for working on teaching or research-related projects with faculty members in their fields. Additional components of the program include advising from faculty mentors and special activities.

For further information, or to apply to the program, call Dr. Lois Feuer at 516-3649 or come to HFA A-334.

ID CARD

The ID card must be carried at all times and be validated each term. A current ID card is necessary to perform certain transactions in the Office of Admissions, the Office of the Registrar, the Library, the Business Office and other campus offices, and is necessary to obtain services covered by the student service fee, such as personal and career counseling, and employment and health services.

The ID card also is required by the Student Association to establish eligibility to participate in student activities and elections.

REPEAT AND CANCEL POLICY

The Repeat and Cancel Policy has been amended effective fall semester 1986. The following procedures are applicable to all CSU Dominguez Hills students:

1. "Repeat and Cancel" may be used by students working toward a baccalaureate degree.
2. "Repeat and Cancel" may not be used by graduate/post-baccalaureate students working on master's degrees, graduate certifications, teaching credentials, or by "undeclared" graduate students, even when they might take undergraduate courses.
3. In the case of a repeated course, the subsequent grade is substituted for the earlier grade in the computation of units attempted and grade point average (GPA). The previous course grade(s) remain(s) on the record, but is annotated as being discounted from GPA calculations.
4. "Repeat and Cancel" may be used on courses taken and repeated at CSU Dominguez Hills, and other CSU campuses during summer sessions or as a CSU visitor/concurrent student.
5. "Repeat and Cancel" may be used for no more than 18 semester units taken at CSU Dominguez Hills.
6. "Repeat and Cancel" may be used only on grades of "U", "F", "D", "D+", "C-".

RETAINING CONTINUING STUDENT STATUS

Procedure

Students may elect to be absent for one semester without losing eligibility for re-registration, subject to the following conditions:

1. A Registration Ticket will not be released to students who were scholastically disqualified following their most recent semester of attendance at CSU Dominguez Hills.
2. Students who attend another college or university during an absence from CSU Dominguez Hills must file an application for admission as a returning student and must have official transcripts of work attempted sent to the Office of Admissions. The non-refundable \$55 application fee is required.
3. Undergraduate students who graduate from CSU Dominguez Hills and wish to continue as graduate students must file a new application for admission. An application fee of \$55 is required.

Retention of Catalog Rights

A student utilizing the continuing student status procedure will retain catalog rights. The student will be able to use the requirements of the *University Catalog* under which they were admitted.

TITLE IX OF THE EDUCATION AMENDMENTS OF 1972

Title IX of the Education Amendments of 1972 and the Departmental Regulation (45 CFR Part 86), promulgated thereunder, prohibit discrimination on the basis of sex in the operation of most federally assisted education programs. The affirmative action coordinator, Office of Faculty and Staff Affairs, has been assigned the administrative responsibility for reviewing such matters.

DEGREE REQUIREMENTS

REQUIREMENTS FOR THE BACHELOR'S DEGREE

Students seeking a baccalaureate degree from the University must complete specific requirements as determined by the Trustees of The California State University, the California Administrative Code, Title 5, and CSU Dominguez Hills.

Briefly summarized, the college-wide requirements include all of the following:

1. Completion of a minimum of 124 semester units of credit. Students earning a B.S. degree may be required to take up to 132 semester units.
2. Completion of General Studies program (52-59 semester units).
3. Satisfaction of statutory requirements in U.S. History, Constitution and American Ideals by completing courses History 101 or examination and Political Science 101 or examination.

4. Satisfaction of the Graduate Writing Assessment Requirement (GWAR).
5. Satisfaction of the Entry Level Mathematics (ELM) requirement.
6. Completion of one of the following: a major and a minor, or a major in one of the designated single fields or a double major. This requirement also can be satisfied through the Areas of Concentration in Interdisciplinary Studies combined with a thematic project, a minor or another major. Specification for each field are outlined under their appropriate headings in the *University Catalog*.
7. Completion of elective courses (beyond the requirements above) to reach the total of a minimum of 124 semester units of credit.
8. The term, residence units, applies to those units earned at CSU Dominguez Hills while an officially admitted student in a degree program. Fees must be paid through the regular registration process. Residence requirements for a bachelors degree include a minimum of 30 semester units in residence of which 24 units must be in upper division courses and 12 upper division units must be earned in residence. The maximum credit that may be taken in Extension (Open University) and used toward degree requirements is 24 semester (36 quarter) units at the undergraduate level and 9 semester (13 quarter) units at the graduate level. Resident extension units do not satisfy residence requirements for a degree.

ACADEMIC SKILLS ASSESSMENT PLAN

The California State University (CSU) and CSU Dominguez Hills recognize each student's needs for adequate preparation in mathematics, English, reading and critical thinking for successful continuation and completion of his or her college education.

The CSU now requires all freshman and those transfer students who have not completed appropriate college courses to demonstrate entry level skills in two areas: English and mathematics. To better ensure that students who are poorly prepared in one or more of the basic skills receive this preparation early in their college career, CSU Dominguez Hills began implementation of an Academic Skills Assessment Plan (ASAP) in fall 1984, starting with new freshmen. Beginning fall 1986, all new and readmitted former undergraduate students will be expected to meet the requirements of the plan.

The ASAP has four stages that may affect you:

- Stage 1. Assessment of Entry Level Skills
- Stage 2. Completion of Entry Level Skills
- Stage 3. Certification of Basic Skills
- Stage 4. Certification of Writing Proficiency

Stage 1 is detailed below. Stages 2, 3 and 4, in their detailed form, may be found in the *University Catalog*.

Stage 1. Assessment of Entry Level Skills

Assessment of entry level competencies in reading, composition and mathematics.

1. Unless exempt, students must take the English Placement Test (EPT) and Entry Level Mathematics test (ELM) no later than their first semester of attendance at CSU Dominguez Hills. (See entry describing EPT and ELM in the "Admission to the University" section of the *University Catalog*.) If exempt, the student will be notified when admitted.
2. Entry Level English Skills - If students score T150 or below on the EPT, they must enroll in ENG 009 Basic Writing Workshop or IDS 006 Intensive Writing Skills Workshop. If their score is T141 or lower on the EPT, they also must enroll in ENG 088 Developmental Reading. Both ENG 088 and 099 or SMC 006 are prerequisites to ENG 110 Freshman Composition I and may be taken concurrently prior to ENG 110.
3. Entry Level Mathematics Skills - If students score 470 or below on the ELM, they should register for MAT 003 and/or MAT 005. If students are not exempt, they must pass the ELM before taking any higher level math course (MAT 105 or higher). No course satisfies this requirement.

By the end of two semesters of attendance, all non-exempt students must have taken the EPT, and/or the ELM. Non-exempt students who have not taken the needed test(s) will not be allowed to register for subsequent terms.

GRADUATION WRITING ASSESSMENT REQUIREMENT (GWAR)

Undergraduate Students

All new and returning undergraduate students admitted for fall 1983 or subsequent terms must meet the Graduation Writing Assessment Requirement (GWAR). Those students who have rights to a catalog prior to 1983 will be held to the graduation requirements stated therein. This would include students who have been in continuous attendance at a California Community College or continuing students at CSU Dominguez Hills. This requirement may be satisfied by one of the following options:

- A. VOLUNTARY TESTING.** The Graduation Writing Examination (GWE), for which a fee will be charged, is available to students at regularly scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year. A score of at least seven (7) is necessary to pass. Students are allowed to take the test twice.
- B. ADVANCED COMPOSITION COURSES.** The English Department regularly offers two types of advanced composition courses: a general purpose advanced composition course (English 350), and a course designed for students capable of profiting from intensive instruction (English 456). A grade of "C" or better is necessary.
- C. UPPER DIVISION WRITING ADJUNCT.** The Writing Adjunct (IDS 397, followed by IDS 398, 4 units required) currently offered in Interdisciplinary Studies, is a structure for providing individualized instruction in composition that is adjunctive to study in another subject area.
- D. UPPER DIVISION COURSES (offered by Departments other than English).** Some departments presently offer courses that, though not solely composition courses,

stress instruction in writing, require frequent writing assignments, and provide regular response to students about their writing. Courses currently available in this category are History 300, Chemistry 460 and Sociology 300. A grade of "C" or better is necessary.

The voluntary (GWE) test is administered each semester. Information on test date and procedures for sign-up are available in the Information and Service Center.

For further information regarding this requirement, students should contact Dr. David Heifetz, coordinator, University Composition Committee, SCC E-173 (516-3649).

Graduate Students

All graduate students entering in fall of 1983 and thereafter, are required to satisfy the Graduation Writing Assessment Requirement (GWAR) in accordance with the following policy:

1. Students who have made either a score of eight (8) on the Graduation Writing Examination (GWE) or at least a grade of "B-", or its equivalent, in one of the undergraduate certifying courses at CSU Dominguez Hills are adjudged to have met the graduate writing requirement. Information regarding the schedule of test administrations and the list of approved courses is available in the Information and Service Center. (Also, see above B,C, and D.)
2. All students who did not meet the requirement as undergraduates, as in (1) above, must take the GWE and make a score of at least eight (8) or take one of the undergraduate certifying courses at CSU Dominguez Hills and make at least a grade of "B-."
3. Students in the graduate program in English may fulfill this requirement by satisfactory performance on the Graduate Exercise administered by the departmental graduate committee.
4. Students who fail to make at least an eight (8) on GWE have the option of taking the exam a second time.
5. Students who fail twice to make a score of at least eight (8) on the GWE must take one of the undergraduate certifying courses and make at least a grade of "B-" to meet the requirement.
6. Writing competency must be certified no later than the point of advancement to candidacy. Individual programs may require such certification at an earlier point in the student's program.
7. CSU Dominguez Hills will accept certification of graduate writing competence from another CSU campus.
8. Special arrangements will be made for some external degree programs. Students should consult with the program coordinator.

ENGLISH PLACEMENT TEST - (EPT)

All students wishing to enroll in English 110 must take the English Placement Test unless they meet one of the exemptions listed in the current *University Catalog*. Verification of exemptions in the form of letters of notification or scores reported by testing agencies is required at the time of registration for the course.

Additionally, students who are bound by the EPT requirement must take the test in their first semester on campus whether they plan to take English 110 that semester or not.

The test dates for the EPT: The EPT is given at least once each semester and during the summer. Test dates are listed on page 25 of the *Class Schedule*.

ENTRY-LEVEL MATHEMATICS (ELM)

All students who entered CSU Dominguez Hills in fall 1983 or later must demonstrate basic competence in mathematics. New freshmen must demonstrate competence by successful completion of the CSU Entry-Level Mathematics (ELM) Examination. All students who have not achieved a grade of "C" or above in an intermediate algebra course (or more advanced algebra course) prior to fall 1988 are subject both to the ELM requirement and to the fall 1988 quantitative reasoning requirement. Satisfactory performance on any of several alternate examinations may exempt students from taking this examination. For more information, contact the Office of Admissions.

Students required to take this examination should do so as soon as possible after admission. Failure to take the examination before the end of the first term may lead to probation and disqualification.

The test dates for ELM: The test dates for ELM: The ELM is given at least once each semester and during the summer. Test dates are listed on page 25 of the *Class Schedule*.

GENERAL STUDIES

STATUTORY REQUIREMENT

In addition to the General Studies/General Education requirements, students also must satisfy the requirements in U. S. history and government by completing the following:

HISTORY 101 or examination

and

POLITICAL SCIENCE 101 or examination

CERTIFICATION (For General Studies Only)

Accredited junior and four-year colleges may certify that all or part of the general education requirements (post 1980) have been met. Transfer students with complete certification of Title 5 requirements may not be required to complete additional lower division courses in general education. However, all transfer students are required to take three courses (9 semester units) in General Studies at CSU Dominguez Hills. Students should make sure that their transcript shows that they have a general education certification.

CURRENT GENERAL STUDIES

The General Studies program, which is divided into three components, requires 52-59 semester units:

14-17 units of (A) Basic Skills

29-30 units of lower division General Education divided among: (B) Natural Sciences (9 units); (C) Humanities (9 units); (D) Social Sciences (9 units); (E) The Whole Person (2-3 units)

9 units of (F) Upper Division Integrative Studies.

In addition, students must take a course emphasizing cultural pluralism (0-3), which can satisfy General Studies or other graduation requirements as well. All students must take three upper division courses in General Studies, and all students must take three General Studies courses at CSU Dominguez Hills. The statutory requirement in American Institutions (HIS 101 or examination and POL 101 or examinations) is NOT part of the General Studies program, but is a graduation requirement.

The current General Studies program is required of all students who enter CSU Dominguez Hills or a California Community College as first-time freshmen beginning fall 1986. Continuing students (other than 1980-81, 1981-82, and 1986-87 first-time freshmen) and transfer students in continuous enrollment at a California Community College or a CSU campus since 1980-81 may have the option of choosing the former General Education program.

If you are uncertain about which program applies to you, consult your academic faculty advisor or the University Advisement Center, (213) 516-3538.

For the campus policy on "double-counting" General Studies courses in the major and minor, see page 14 of the *Class Schedule*.

The California State University System requires all students to complete nine (9) semester units in general education (General Studies at CSU Dominguez Hills) at the campus from which they graduate.

GENERAL STUDIES 1982 - 1986

The 1982-1986 General Studies program is required of all students who entered CSU Dominguez Hills or a California Community College as first-time freshmen beginning Fall 1982 through spring 1986. Continuing students (other than 1980-81 and 1981-82 first-time freshmen) and transfer students in continuous enrollment at a California Community College or a CSU campus since 1980-81 may have the option of choosing the former General Education program.

If you are uncertain about which program applies to you, consult your academic faculty advisor or the University Advisement Center at (213) 516-3538. If you have questions about your General Studies program under the semester system, see your major advisor.

For the campus policy on "double-counting" General Studies courses in the major and minor, see page 14 of the *Class Schedule*.

GENERAL STUDIES: 1981 - 1982

The General Studies program printed below is required of all students who entered CSU Dominguez Hills or a California Community College as first-time freshmen beginning fall of 1981. Continuing students (other than 1980-81 first-time freshmen) and transfer students in continuous attendance at a California Community College or a CSU campus prior to fall 1981 may have the option of choosing the former General Education program.

If you are uncertain about which program applies to you, consult your academic faculty advisor or the University Advisement Center at (213) 516-3538. If you have questions about your General Studies program under the semester system, see your major advisor.

For the campus policy on "double-counting" General Studies courses in the major and minor, see page 14 of the *Class Schedule*.

The California State University System requires all students to complete nine (9) semester units in general education (General Studies at CSU Dominguez Hills) at the campus from which they graduate.

Students who were first-time freshmen during 1981-82 must graduate using the appropriate General Studies program. The General Education program printed below has been modified somewhat in order to include courses from the General Studies program.

Students enrolled under General Education must complete a minimum of 60 quarter units (40 semester units) in General Education. 48 (32 semester) of the 60 units must be from categories I-IV printed below. Courses used to fulfill requirements in General Education may not be used to fulfill major course requirements, except as specified in the liberal studies major.

Students who pass the challenge examination may NOT remain in the class to earn grades better than those earned on the challenge examination. They may, however, retake the course in a later semester to improve their grades.

More information on earning credit by examination appears in the current *University Catalog*.

All students should bring an 8-1/2 x 11" blue book to the examination.

STUDENT SUPPORT SERVICES

ALUMNI ASSOCIATION

The CSU Dominguez Hills Alumni Association seeks to advance the welfare of the University, to promote common interests of its students and alumni, and to serve as liaison with the University, alumni and the area. The Alumni Association sponsors a number of activities during the year, provides scholarship assistance to students, presents Outstanding Achievement Awards annually to outstanding seniors and generally supports the University.

Today the alumni of the University number more than 20,000 and are found throughout the world. All CSU Dominguez Hills students are eligible for membership in the Alumni Association. Those students wishing further information about the Association should contact the Office of Alumni Affairs at (213) 516-4237.

ASSOCIATED STUDENTS, INC.

The Associated Students has been in existence in one form or another since 1967. During that time, they have been dedicated to furthering the educational, social, cultural and recreational welfare of the students at CSU Dominguez Hills.

In essence, the students are the Associated Students' main concern. The membership fees (activity fees paid at the beginning of each semester) constitute the yearly budget, which is expended for student-run activities that benefit students, such as intercollegiate activities, tutorials, the Child Development Center and cultural programming. Students making decisions about activities that benefit students - that's what the Associated Students is all about!

Nearly 50 student volunteers are needed yearly to fill University and Associated Students committees that make important decisions concerning the educational welfare of students. Input is desperately needed at the statewide level as well. The Associated Students Office is located in CSA B12/G140. The telephone number is (213) 516-3686.

Student Activities

The Student Activities and Cultural Programs Commission (S.A. and C.P. Commission), and the Organizations Commission of the Associated Students sponsor a wide variety of activities for students, which generally include films, speak-

ers, dances, and other events. Contact the Associated Students in CSA B12/B-140 for further information about these programs, or call (213) 516-3686.

ATHLETICS

The intercollegiate athletic program at CSU Dominguez Hills (the Toros) is unique in its balance between men's and women's sports programs. The department currently conducts the following four Toros men's sports and four women's sports that serve approximately 150 athletes: men's and women's basketball, men's and women's soccer, baseball, softball, men's golf and women's volleyball.

CSU Dominguez Hills is a member of the California Collegiate Athletic Association (CCAA) along with CSU Los Angeles, CSU Bakersfield, Cal Poly Pomona, Cal Poly San Luis Obispo, Chapman College and UC Riverside. The Toros compete on a national level in the National Collegiate Athletic Association (NCAA) Division II.

All teams have recently earned distinction by either winning conference championships, playing for NCAA regional or national championships and garnering national rankings. During the 1988-89 season, the women's soccer team earned a berth in the NCAA Final Four national championships.

The Toros athletic program is noted for playing very competitive schedules, including many games against NCAA Division I institutions. Additionally, academic excellence is a priority for CSUDH student-athletes. Recently, John Nojima and Kathy Goggin, men's and women's basketball, respectively, were honored to be selected as Rhodes scholar finalists and recipients of the Woody Hayes Scholar Athlete Award. Also, many team members have earned All-American and Academic All-American distinction.

For further information about the Toro athletic program, call 516-3893.

CHILD DEVELOPMENT CENTER (Casa Dominguez)

Students, faculty or staff members with children ages 2-1/2 to 14, may be eligible to utilize the on-campus Child Development Center.

Under the auspices of the School of Education, the center is a professional school for child development. Teachers and student interns observe and assist the children in the carefully prepared indoor and outdoor activities.

Funded by a variety of sources, including Associated Students, parents are charged a sliding fee scale. All children must be toilet trained and in good health. Each is given breakfast, noon-time hot lunch and afternoon snack. The center hours are Monday through Thursday, 7:45 a.m. to 7 p.m., and Friday 7:45 a.m., to 5:00 p.m. when the University is in regular session. For further information, call (213) 327-2880.

DISABLED STUDENT SERVICES

Students having permanent as well as temporary disabilities are eligible for a variety of specialized support services including:

- ☑ Registration Assistance
- ☑ Priority Registration
- ☑ Readers-Notetakers-Interpreters
- ☑ Medical Parking

For additional information regarding these services, please stop by the Office of Disabled Student Services, Student Health Center, A-106, or call (213) 516-3660 or 516-4028 (TDD).

EOP

The Educational Opportunity Program (EOP) is an alternate admissions program for individuals who are not eligible for regular admission directly from high school, either because of their grade point average or their SAT/ACT scores. The program also is open to community college students who have less than 56 transferrable semester units or 84 quarter units. Re-entry students who are not recent graduates from either high school or community college also should consider EOP as a possible means of re-entering school. There are both income guidelines that must be met as well as firm deadlines for applying for admissions through the EOP program.

CSU Dominguez Hills Re-admits who were formerly EOP and EOP students transferring from another CSU campus should contact the EOP office first when applying for admissions. Former CSUDH EOP students or CSU EOP transfer students going through contract registration must also go to the EOP Office to either confirm their continuing EOP status or to get a release from the EOP program. For further information, contact either Doris Battle or Greg Perkins at (213) 516-3632 or James Clayton at (213) 516-3680.

EVENING SERVICES

Evening Services are provided in the Information Center, SCC A-130, (213) 516-3696, for students, staff and faculty. On Monday through Thursday evenings, 5 to 7 p.m., the staff is available to assist students with admission information, University academic policies, after-hours support for the Office of Admissions and the Office of the Registrar and pick-up and drop-off services.

HEALTH CENTER

All regularly enrolled students can benefit from many services offered by the Health Center. The Center stresses the "health and wellness" concept and assists students by providing health care consultations in such areas as nutrition, birth control counseling and weight control.

The Center offers immunizations against measles and Rubella, which are easily prevented and are considered to be serious diseases for college age populations. The CSU system requires all new students born after January 1, 1957 to either submit proof of immunity to measles and rubella or to be immunized against these diseases. Students can get a combined measles/rubella vaccination free of charge at the Student Health Center.

The Center also features a licensed pharmacy where students may get prescriptions filled and purchase over-the-counter items as well. Costs are much lower than at private pharmacies and students are invited to consult with the pharmacist. X-ray services are also available.

Also offered are health education seminars on various health concerns, as appropriate, and referrals to community resources.

Located in the building north of the University Theater, the Center is open from 8:00 a.m. to 5:00 p.m., Monday, Tuesday and Friday and from 8:00 a.m. to 6:30 p.m. on Wednesday and Thursday.

The American Express® Card. For Students More Than Ever.

And with Automatic Acceptance you can qualify for the Card now.

Right now, while you're still in school, you can become an American Express® Cardmember through Automatic Acceptance—exclusively for students. In fact, our new, shorter application makes getting the Card easier than ever.

As long as you're a full-time student at this school, are 18 or older, and have no negative credit history, acceptance is virtually guaranteed.

Get the Card now and receive two \$118 roundtrip airmiles on Northwest Airlines.

As an American Express student Cardmember, you can fly twice for only \$118 per roundtrip to many of the more than 180 cities in the 48 contiguous United States to which Northwest Airlines has direct connections or routings. Six weeks after the Card

arrives, you'll receive your flight certificates. Seats are limited, so plan ahead.*

By this time next month, the Card could be in your hands.

You'll enjoy all the regular benefits of Cardmembership, including Emergency Card Replacement, 24-Hour Customer Service and the Buyer's Assurance™ Protection Plan. All for \$55 a year.

As you may know, the Card is a charge card, and bills must be paid in full each month, which will encourage you to spend only what you can afford. And using the Card responsibly will help to establish a good credit history.

The sooner you apply for the Card, the sooner you'll enjoy all the benefits. Apply today.

Membership Has Its Privileges®

*To be eligible, you must be approved by December 31, 1990. And you must charge your tickets with the Card. See significant Northwest terms and conditions on reverse.

ADVANCED ENGINEERING. INTRODUCTORY ECONOMICS.

Seatbelts save lives.
Don't drink and drive.

©1990 Volkswagen

What are you taking this term? The bus?

You'd have a lot more fun in a new Volkswagen.

We have one that's sure to fit your budget. Our Volkswagen Fox combines classic sedan styling with an energetic 1.8 liter fuel-injected engine. Or you can choose the performance and hatchback practicality of our Volkswagen Golf.

Either way, you get a whole lot of car for not a whole lot of money.

And of course you get advanced German engineering—with features like front-wheel drive, independent suspension, rack-and-pinion steering, and much more. Plus Fahrvergnügen—the rewarding and distinctly European driving experience you'll find only in a Volkswagen.

Lecture's over. For more information on Fox, Golf or any Volkswagen, call 1-800-444-VWUS. Or better yet, see your Volkswagen dealer. And tell them you're ready for an accelerated course.

FAHRVERGNÜGEN. IT'S WHAT MAKES A CAR A VOLKSWAGEN.

Good news for graduating seniors. Volkswagen's College Graduate Finance Plan makes owning or leasing a Volkswagen easier than ever before. And you may not need a credit history or even a down payment. Visit your Volkswagen dealer for complete details.

IF YOU'RE NOT RECYCLING YOU'RE THROWING IT ALL AWAY.™

A little reminder from the Environmental Defense Fund that if you're not recycling, you're throwing away a lot more than just your trash.

You and your community can recycle. Please write the

Environmental Defense Fund at: EDF-Recycling, 257 Park Avenue South, New York, NY 10010, for a free brochure that will tell you virtually everything you need to know about recycling.

THERE ARE TWO SIDES TO BECOMING A NURSE IN THE ARMY.

And they're both represented by the insignia you wear as a member of the Army Nurse Corps. The caduceus on the left means you're part of a health care system in which educational and career advancement are the rule, not the exception. The gold bar

on the right means you command respect as an Army officer. If you're earning a BSN, write: Army Nurse Opportunities, P.O. Box 7713, Clifton, NJ 07015. Or call toll free: 1-800-USA-ARMY, ext. 438.

What's better than speed reading? *Speed Learning.*

Speed Learning has replaced speed reading. It's a whole new way to read and learn. It's easy to learn...lasts a lifetime... applies to everything you read. It may be the most productive course you've ever taken.

Do you have too much to read and too little time to read it? Do you mentally pronounce each word as you read? Do you frequently have to go back and reread words, or whole paragraphs, you just finished reading? Do you have trouble concentrating? Do you quickly forget most of what you read?

If you answer "Yes" to any of these questions — then here at last is the practical help you've been waiting for. Whether you read for business or pleasure, school or college, you will build exceptional skills from this major breakthrough in effective reading, created by Dr. Russell Stauffer at the University of Delaware.

Not just "speed reading" — but speed reading — thinking — understanding — remembering — and — learning

The new *Speed Learning Program* shows you, step-by-proven step, how to increase your reading skill and speed, so you understand more, remember more and use more of everything you read. The typical remark from over one million people taking the Speed Learning program is, "Why didn't someone teach me this a long time ago." They were no longer held back by their lack of skills and poor reading habits. They could read almost as fast as they could think.

What makes Speed Learning so successful?

The new *Speed Learning Program* does not offer you a rehash of the usual eye-exercises, timing devices, and costly gadgets you've probably heard about in connection with speed reading courses, or even tried and found ineffective.

In just a few spare minutes a day of easy reading and exciting listening, you discover an entirely new way to read and think — a radical departure from anything you have ever seen or heard about. Speed Learning is the largest selling self-study reading program in the world. Successful with Fortune 500 corporations, colleges, government agencies and accredited by 18 professional societies. Research shows that reading is 95% *thinking* and only 5% eye movement. Yet most of today's speed reading programs spend their time teaching you rapid eye movement (5% of the problem), and ignore the most important part, (95%) *thinking*. In brief, *Speed Learning gives you what speed reading can't.*

Imagine the new freedom you'll have when you learn how to dash through all types of reading material at least twice as fast as you do now, and with greater comprehension. Think of being able to get on top of the avalanche of newspapers, magazines and correspondence you have to read...finishing a stimulating book and retaining facts and details

FOR FASTER SHIPMENT CALL 1-800-729-7323 OR FAX 1-609-273-7766

more clearly, and with greater accuracy, than ever before.

Listen — and learn — at your own pace

This is a practical, easy-to-learn program that will work for you — no matter how slow a reader you think you are now. The *Speed Learning Program* is scientifically planned to get you started quickly...to help you in spare minutes a day. It brings you a "teacher-on-cassettes" who guides you, instructs, and encourages, explaining material as you read. Interesting items taken from *Time Magazine*, *Business Week*, *Wall Street Journal*, *Money*, *Reader's Digest*, *N.Y. Times* and many others, make the program stimulating, easy and fun...and so much more effective.

Executives, students, professional people, men and women in all walks of life from 15 to 70 have benefitted from this program. Speed Learning is a fully accredited course...costing only 1/4 the price of less effective speed reading classroom courses. Now you can examine the same easy, practical and proven methods at home...in your spare time...without risking a penny.

Examine Speed Learning RISK FREE for 15 days

You will be thrilled at how quickly this program will begin to develop new thinking and reading skills. After listening to just one cassette and reading the preface, you will quickly see how you can achieve increases in both the speed at which you read, and in the amount you understand and remember.

You must be delighted with what you see, or you pay nothing. Examine this remark-

able program for 15 days. If, at the end of that time you are not convinced that you would like to master Speed Learning, simply return the program for a prompt refund. (See the coupon for low price and convenient credit terms.)

GAPS is the professional approach

Graduate Admissions Preparation Service is the nation's leading producer of independent study test preparation courses. The quality and reasonable prices of GAPS courses have led them to be selected by over 100 major colleges and universities across the country to prepare students for tests.

GAPS lecture tapes give students direct access to expert instructors working under the guidance of the educational testing experts. The GAPS program actually teaches *test strategy* as well as content.

GAPS allows you to study at your convenience. You can prepare at school or at home. There's no need to consult texts, notes or professors. GAPS allows you to be more relaxed, more receptive and more likely to absorb and retain vital test preparation information.

Created by professionals

Each course is designed and updated by a staff of experts from leading universities and colleges throughout the nation. No other test preparation organization of its kind has the professional talent and expertise offered by GAPS.

Every test segment is explained by an expert in a particular discipline. An expert who not only *knows* the material thoroughly, but also has the rare ability

to make that information easy to understand. Over 90 percent of students polled after using our material said they would gladly recommend our courses to friends. GAPS offers the finest test preparation courses available anywhere, at any cost.

Complete academic and psychological preparation

Each course is completely self-contained. No other reading or research is necessary. GAPS prepares you completely.

Test preparation sections are segmented so you can move at your own pace, progressing one step at a time. Listen to each lecture tape and follow the printed materials that develop and apply the information in a problem-solving format. Because lectures are taped, difficult or unfamiliar information may be reviewed immediately, without note-taking.

Actual practice exams

In addition to lecture tapes and instructional materials, you'll receive *actual practice exams* to test your skills. These exams tell you where your strengths and weaknesses are. And all test questions are accompanied by full explanations.

Read what our students have to say:

"I feel that your review is far superior to the Kaplan's because the Kaplan course assumes you already have a sound background."

Steven G., Chapel Hill, N.C.

"I appreciated the format—I did not have to take time to read instructions or work through format—It bought me more time to answer questions."

AvaJane P., Salt Lake City, UT

"Super material. Covered everything very well"

Kathryn B., Yuba City, CA

"The GAPS course helped a lot—especially in narrowing down the scope of what to study and prepare for."

Michael E., Lincoln, NE

"The course helped me familiarize myself with the types of material on and the format of the test. As a result, I was more relaxed and more confident. The course had a significant impact on my score, and my score was the primary reason for my acceptance at Georgetown."

Brent J., Albany, NY

"It allows you to study exactly what is to be on the test, and allows you to gauge your progress by taking sample tests."

Lee N., Aston, PA

GAPS is the nation's leading producer of independent study test preparation courses.

NOTE: The number of cassettes and pages of text may vary slightly according to current exam content. Remember, these tests are changed frequently...and unlike other courses, the GAPS program is constantly updated to change with them.
