Registration Procedures

General Registration Procedures

Each CSUDH student who is eligible to register will be mailed a preprinted **Registration Ticket**. The student must bring this completed form to the registration site (SCC J-127) during the indicated priority hour.

Prior to coming to the registration site (SCC J-127), the student must:

1. Review the data preprinted on the front of the form. If inaccurate, file the appropriate form (i.e. **Change of Address**) to make corrections.
2. If required, secure advisor's written approval. See the front of the **Registration Ticket** for "advisor's signature" notation.
3. Clear all holds indicated on the front of the **Registration Ticket**. Bring hold clearance form with you to the registration site.
4. Complete **Program Planning Sheet** on the back of the **Registration Ticket**; complete and have authorizations for both the preferred and alternate course selections.
5. If you are registering for over 15 units, you must secure an advisor's written approval to authorize the unit load. If you are registering for over 21 units, you must additionally secure the signature of your school dean.
6. Secure appropriate authorization for classes requiring special permission. Check the *Class Schedule* footnotes for courses requiring special authorization. Students who do not have appropriate authorization for designated courses will be asked to leave the registration site to secure such approval; students will then be permitted to reenter the registration site and complete the registration process.
7. If you are an undergraduate student, obtain EPT/ELM approval on the **Registration Ticket**. Early EPT/ELM advising and approval will be available for continuing students from Nov. 19 - 21 from 10 a.m. to 6 p.m. in the University Advisement Center (SCC M110).

- At the completion of the registration process, each student will receive a **Schedule Confirmation and Account Statement**.
- Students with financial aid awards will have the awards credited on their account statement.
- Fees can be paid by cash, check, money order, VISA or MASTERCARD. Payment of the "Total Due" reflected on the Account Statement must be received in the Cashier's Office by the stated due date. Students who fail to satisfy this requirement will be disenrolled and must register during the regular or late registration periods.

Late Registration Procedures

Continuing and new students who do not take advantage of advance or regular registration may register late beginning at 8 a.m., Monday, Jan. 27, 1992. Students may begin late registration on the first day the class meets (not necessarily the first day of classes). Students should use their mailed **Registration Ticket** for late registration processing. Late registration will take place in the Office of the Registrar. New students may not register until they have been formally admitted to the University or issued a "**Conditional Registration Contract**."

Students must report to the late registration area if they fall into one of the following categories:

Eligible Continuing and New Students who did not register during the advance or regular registration periods must bring their **Registration Ticket** to the Office of the Registrar.

Students who registered during advanced or regular registration but were disenrolled because they failed to pay fees must report to the late registration area.

New Students who were admitted too late for the regular registration must bring the completed **Registration Ticket** sent to them at the time of admission.

Contract Registration Students who signed a contract for Conditional Registration who have not been processed for admission must bring the completed **Registration Ticket** and a copy of the contract.

Each student will be provided with a "Late Registration" stamp on the **Registration Ticket** and instructions on procedures to follow to register for classes. The students must complete the late registration process by Feb. 14; payment of the "Total Due" reflected on the **Account Statement** must be received in the Cashier's Office by the stated due date. All students registering late will be charged a \$25 late registration fee.

Students who are registering late must obtain proper signatures on the **Registration Ticket**. Signatures obtained on a "**Change of Program**" form will not be accepted.

Student Registration Eligibility

CONTINUING STUDENTS

If you attended CSU Dominguez Hills as a regular non-extension student this past fall or spring, you should receive registration materials in the mail. If you **have not** received the materials for advance registration or notification regarding ineligibility by Nov. 15, please call the Registration and Records Office at 516-3601.

You are a continuing student if:

- 1) You were enrolled last fall or spring, *and*
- 2) You have not attended another academic institution since last attending CSU Dominguez Hills, *and*
- 3) You have not graduated from CSU Dominguez Hills.

NEW OR RETURNING STUDENTS

Students admitted by the published deadline for the term are notified of eligibility by mail and sent materials for regular registration. The CSU System requires all new students born after January 1, 1957 to either submit proof of immunity to measles and rubella or to be immunized against these diseases. Students can get a combined measles/rubella vaccination free of charge at the Student Health Center.

You are a returning student if:

- 1) You attended another academic institution since last attending CSU Dominguez Hills, *or*
- 2) You graduated from CSU Dominguez Hills and you wish to begin post-baccalaureate studies.

Returning students must reapply for admission.

CONCURRENT ENROLLMENT STUDENTS

Students from other CSU campuses enrolling through concurrent enrollment may begin registration January 21, 1992. Consult the *University Catalog* and contact the Registration and Records Office for procedures and deadlines.

INTERNATIONAL STUDENTS

All international students must clear their "registration hold" to validate their health insurance coverage and full-time enrollment. To do so, contact Dan A. Joseffini, international student advisor, in SCC N126.

International Students must provide proof of health coverage prior to registration. This proof must be a membership card or official letter indicating the expiration date and amount of coverage for personal policy.

If students have not made prior insurance arrangements and do not have proof of insurance on the day of registration, they will be required to take out and pay for the Hartford Insurance Plan (minimum cost of \$392 per year) in order to register. This plan is the only health insurance plan available to international students on campus. The term of coverage must be from August 31, 1991 through May 31, 1992. If there are any questions, please call 516-4215 to make an appointment with the international student advisor.

As of Jan. 1, 1976, a non-resident student who is a citizen and resident of a foreign country and not a citizen of the United States, may pay the required non-resident tuition fee on an installment basis. This is limited to three equal payments established at the time of registration. Prior arrangements must be made.

OPEN UNIVERSITY STUDENTS

Individuals 18 years of age or older may apply to the Division of Extended Education to enroll in courses without being officially admitted to the University. Matriculated students who are eligible to enroll as regular students may not enroll partially or completely in courses through Open University.

Required Approvals for Registration

ADVISOR'S SIGNATURE

An advisor's signature indicates that the student has met with an advisor who has given approval for the courses listed on the **Registration Ticket**. Such approval denotes that the student has met course prerequisites, is prepared for this coursework, and that the courses are appropriate for the students goals. Furthermore, the signature attests that the number of units is suitable for the student's circumstances and that special consent (see below), if required, has been obtained.

Advisor's written approval for **Registration Tickets** are required on at least three occasions:

- Upon entering the University
- At the completion of 60 semester units
- At the completion of 90 semester units

However, students may be required to obtain written approval on a more frequent basis. Use the following guidelines:

- Declared Majors**
Since some departments require written approval every semester, check with your major department to determine its policy.
- Undeclared Majors**
Students must obtain an advisor's written approval from the University Advisement Center each semester.
- Educational Opportunity Program (EOP)**
Students must obtain written approval from an EOP academic advisor.
- Admission Exceptions (Special Admits)**
For their first year on campus, Special Admits must obtain an advisor's written approval at the University Advisement Center.
- Unclassified Post-Baccalaureate Students**
Advisor's written approval may be obtained at the Graduate Studies Office or the University Advisement Center once course consent has been acquired from the appropriate department.
- All other Post-Baccalaureate and Graduate Students**
Obtain required written approval at department or program offices.

INSTRUCTOR'S SIGNATURE FOR DESIGNATED COURSES

Certain courses are listed in the *Class Schedule* as requiring instructor and/or department authorization. Students should obtain such consent prior to registering. The required stamp or signature must appear in the "Authorization" column on the **Registration Ticket**.

INSTRUCTOR'S SIGNATURE FOR AUDITING CLASSES

Auditors must pay the same fees that would be charged if the course were being taken for credit. Instructor approval is required. Obtain an "Approval for Audit" form from the Registration and Records Office. Consult the *University Catalog* for specific requirements and instructions.

PERMISSION TO REGISTER FOR CLASSES WITH CONFLICT

Students are not allowed to enroll in two classes that meet at the same time, without specific approval on the **Petition for Permission to Register for Courses with a Time Conflict**.

A student found to be enrolled in conflicting courses without the form on file will be required to resolve the conflict. The petition form is available at the Registration and Records Office and must be approved and be on file at the office by the census date.

PERMISSION TO REGISTER FOR MORE THAN 15 UNITS

All students enrolling in 16-21 units are required to have an advisor's signature approving the unit load. Students enrolling in more than 21 units also must obtain the approval of the dean of the school in which the student is majoring. Undeclared majors must obtain the approval of the coordinator of the University Advisement Center.

INSTRUCTOR'S SIGNATURE FOR LATE REGISTRATION

An instructor's signature is required for all classes during late registration.

Change of Program

- A change of program is any change that is made in a student's official schedule. Such a change includes: dropping a class, adding a class, changing the number of semester units for a class in which the student is registered, changing the section of the same course. It is the student's responsibility to verify the classes listed on the Schedule Confirmation.
- ID Card or receipt required for all changes and withdrawals.
- All change of forms, CR/NC, audit, and withdrawal forms are obtained from and returned in person (no mailing) to the Records and Registration Office.

Academic Skills and General Studies Requirements for Undergraduate Students

Note: Consult the *University Catalog* and select an advisor for your academic program. If you have a declared major/minor, consult the appropriate department. If your major is undeclared, contact the University Advisement Center (SCC-M110, 516-3538) for an appointment. Students should consult an advisor upon entry to the university and every semester thereafter.

Academic Skills Assessment Plan

The California State University (CSU) system and California State University, Dominguez Hills (CSU Dominguez Hills) recognize each student's need for adequate preparation in mathematics, English, reading and critical thinking for successful continuation and completion of his or her college education.

The CSU system requires all freshmen and those transfer students who have not completed appropriate college courses to demonstrate entry level skills in two areas: English composition and mathematics. To ensure that students who need additional work in one or more of the basic skills receive this preparation early in their college career, CSU Dominguez Hills implemented the Academic Skills Assessment Plan (ASAP) in fall, 1984, for newly admitted freshmen and transfer students. All new and returning undergraduate students admitted fall 1986 or later must meet these requirements.

The Academic Skills Assessment Plan has three skill levels:

1. Entry Level Skills
2. Basic Skills
3. Graduation Writing Skills

COMPLETION OF THE ENTRY LEVEL SKILLS REQUIREMENT

The CSU requires new non-exempt and returning students to take the English Placement Test (EPT) and the Entry Level Mathematics (ELM) Test after they are admitted. Students might be exempted from one or both of the tests if they have scored well on other specified tests or completed appropriate courses. For a list of exemptions, consult the *University Catalog*. Unless exempt, students must take the EPT and ELM no later than their first semester of attendance at CSU Dominguez Hills. Non-exempt students who do **not attempt** these tests by the end of their first semester of enrollment will receive special advisement and will be required to enroll in the appropriate college preparatory English and/or mathematics course until they have fulfilled the EPT and/or ELM requirements. Non-exempt students who have not taken these tests by the end of two semesters will be ASAP disqualified and may not enroll in subsequent terms.

COMPLETION OF THE BASIC SKILLS REQUIREMENTS

Students who have not completed their Basic Skills requirements in English composition and mathematics by the end of their fourth semester (total) of enrollment at CSU Dominguez Hills will be placed on ASAP probation and receive special advisement.

Students who have not completed their Basic Skills requirements in English composition and mathematics within six semester (total) of enrollment at CSU Dominguez Hills will be ASAP disqualified (ref. Executive Order No. 393, V. Administrative-Academic Disqualification) and will not be readmitted to CSU Dominguez Hills until those requirements have been completed.

COMPLETION OF THE GRADUATION WRITING SKILLS

All students subject to degree requirements in the 1979-80 and subsequent general catalogs must demonstrate competency in writing skills as a requirement for graduation through one of the options listed under the entry for the Graduation Writing Assessment Requirement (GWAR) in the *University Catalog*.

Completion of the GWAR

Students who do not meet this requirement within two (2) semesters after completing the English Composition section of the Basic Skills requirements (or 90 semester units total, whichever comes last) will receive special advisement. In addition, they will be required to enroll in ENG 350 or another approved upper division course until they successfully complete the requirement.

VOLUNTARY TESTING

A test, for which a fee will be charged (Graduation Writing Examination, GWE) is available to students at regularly scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year, if they are undergraduate students, or upon entrance to a graduate program if they are graduate students. Students are allowed to take the test only twice. The voluntary test is administered each semester. Information on test date and procedures for sign-up are available in the Testing Office at (310) 516-3909.

General Studies

STATUTORY REQUIREMENT

In addition to the General Studies/General Education requirements, students also must satisfy the requirements in U. S. history and government by completing the following:

- HISTORY 101 or examination
and
POLITICAL SCIENCE 101 or examination

CERTIFICATION (FOR GENERAL STUDIES ONLY)

Accredited junior and four-year colleges may certify that all or part of the general education requirements (post 1980) have been met. Transfer students with complete certification of California State University requirements or are general education transfer curriculum certified are not required to complete additional lower division courses in general education. However, all transfer students are required to take three courses (9 semester units) in General Studies at CSU Dominguez Hills. Students should make sure that their transcript shows that they have a general education certification.

DOUBLE COUNTING OF GENERAL STUDIES COURSES

Under certain conditions and within specific majors/minors, General Studies courses may be double counted. Contact an academic advisor *prior* to enrolling in a course. Also, consult the current *University Catalog*.

Current General Studies

The General Studies program, which is divided into three components, requires 52-59 semester units:

- 14-17 units of
(A) Basic Skills
- 29-30 units of lower division General Education divided among:
(B) Natural Sciences (9 units);
(C) Humanities (9 units);
(D) Social Sciences (9 units);
(E) The Whole Person (2-3 units)
- 9 units of
(F) Upper Division Integrative Studies.

In addition, students must take a course emphasizing cultural pluralism (0-3), which can satisfy General Studies or other graduation requirements as well. All students must take three upper division courses in General Studies, and all students must take three General Studies courses at CSU Dominguez Hills. The statutory requirement in American Institutions (HIS 101 or examination and POL 101 or examinations) is NOT part of the General Studies program, but is a graduation requirement.

The current General Studies program is required of all students who enter CSU Dominguez Hills or a California Community College as first-time freshmen beginning fall 1986. Continuing students (other than 1980-81, 1981-82, and 1986-87 first-time freshmen) and transfer students in continuous enrollment at a California Community College or a CSU campus since 1980-81 may have the option of choosing the former General Education program.

If you are uncertain about which program applies to you, consult your academic faculty advisor or the University Advisement Center, (310) 516-3538.

INTERNATIONAL STUDENTS

All newly admitted international students must attend a mandatory International Student Orientation Program on Tuesday, Jan. 21, 1992 from 10:00 a.m. - noon in SCC E-153.

Parking

All vehicles that park on campus must display a valid parking permit (Section 21113a CVC). Semester permits are purchased at the Cashier's Office (SCC B-135). Daily parking permits are purchased from the dispensing machines located at: Lot 1, Information Booth, Lot 3a, Lot 3, and Lot 4. Vehicles are to park head-in, using marked stalls only.

Daily parking permits must be displayed on the dashboard. Semester parking permits are displayed inside the front windshield on the driver's side. Permits must be in plain sight at all times (car covers are not recommended).

Motorcycles and scooters have special areas for parking. They are located at: southwest corners of Lot 2, southeast corner of Lot 3, and northwest corner of Lot 4. There are also motorcycle parking areas in Lot 5 at Student Housing.

Visitor parking areas are located in front of the Small College Complex, outside of Lot 3a on the perimeter road, and the Gymnasium Lot. These stalls are free for 30 minutes.*

** Overtime parking may be granted by calling the University Police at 516-3639.*

Loading zone areas are located adjacent to major campus buildings. No permit is required for 30 minutes or less.*

** Overtime parking may be granted by calling the University Police at 516-3639 or by securing a permit from the department's front desk.*

Those who receive parking citations are reminded that pursuant to sections 40202 and 40500 CVC, these citations cannot be canceled or rescinded by the University Police. Should there be a significant error on the part of an officer or campus official, the issuing officer will request the court to rescind the citation. Failure to resolve a parking citation will result in difficulty with renewing the vehicle's registration.

For further information, please contact the Parking Office at 516-3725.

Repeat and Cancel

Undergraduate Degree Objective. Repeat and cancel may be used by students working toward a baccalaureate degree. A student must have received a grade of "U," "F," "D," "D+," or "C-" to be eligible to file for a repeat and cancel.

A **Notice of Repeated Course** form must be obtained from and returned to the Registration and Records Office. Students are encouraged to read the Repeat and Cancel Policy in the current *University Catalog*.

Graduate Students. All courses used to fulfill the requirements for the master's degree must be passed with a grade of "C" or better. Any course in the graduate program may be repeated and the two grades averaged when computing the grade point average. However, any course in which a grade lower than "C" is earned *must* be repeated for a grade of "C" or better and the two grades averaged. An overall grade point average of 3.0 (B) or better is required in the courses taken to satisfy the master's degree requirements. Graduate students, unlike undergraduates, may not repeat a course and cancel the lowest grade.

It now lasts up to
five years longer.

Americans live longer nowadays. Up to five years longer, says one study, than in 1970. One reason is that people know more about reducing their risk of heart disease. And we've helped. This year the AHA will invest more than \$70 million in cardiovascular research and organize 2.7 million volunteers to go out and spread the word. MCAT-GMAT LSAT-GRE

GAPS gives you the knowledge, confidence and the competitive edge you need to succeed on critical exams.

SCORE HIGH

Thousands of bright, otherwise eligible students are unfairly penalized every year for being underprepared, for not knowing critical test-taking skills or for freezing up during the actual exam, thus concealing their true "aptitude." You can overcome these problems if you know what kind of questions to expect, have learned proven test-taking strategies, and have practiced under simulated test conditions.

GAPS puts the proven learning techniques from the classroom into a convenient, study-at-home format.

NOTE: The number of cassettes and pages of text may vary slightly according to current exam content. Remember, these tests are changed frequently... and, unlike other courses, the GAPS program is constantly updated to change with them.

MCAT Of the over 50,000 students who take the MCAT each year, only one out of three is admitted to medical school. Produced in accordance with the American College Testing Program testing procedure, GAPS can give you the edge you need.
