General Registration Procedures

Each CSUDH student who is eligible to register for a given registration period will be mailed a preprinted **Registration Ticket**. The student must bring this completed form to the registration site (SCC J-127) during the priority hour indicated.

Prior to coming to the registration site (SCC J-127), the student must:

1. Review the data preprinted on the front of the form. If inaccurate, file the appropriate form (i.e. **Change of Address**) to make corrections.
2. If required, secure academic and/or ASAP advisor's written approval. See the front of the **Registration Ticket** for "advisor's signature" notation.
3. Clear all holds indicated on the front of the **Registration Ticket**.
4. Complete **Program Planning Sheet** on the back of the **Registration Ticket**; complete and have authorizations for both the preferred and alternate course selections.
5. Secure appropriate authorization for classes requiring special permission. Check the *Class Schedule* footnotes for courses requiring special authorization. Students who do not have appropriate authorization for designated courses will be asked to leave the registration site to secure such approval.

6. If you are an undergraduate student, obtain EPT/ELM approval on the **Registration Ticket**. Early EPT/ELM advising and approval will be available for continuing students in the University Advisement Center (SCC M110).
7. If you are registering for over 15 units, you must secure an advisor's written approval to authorize the unit load. If you are registering for over 21 units, you must additionally secure the signature of your school dean.

- After the **Registration Ticket** has been processed, each student will receive a **Schedule Confirmation and Account Statement**.
- Students with financial aid awards will have the awards credited on their account statement. **This does not complete the registration process.** Students whose fees will be paid from their financial aid awards must comply with the instructions sent to them by the Financial Aid Office. Failure to do so will result in the student being disenrolled.
- Fees can be paid by cash, check, money order, VISA or MASTERCARD. Payment of the "Total Due" reflected on the Account Statement must be received in the Cashier's Office by the stated due date. Students who fail to satisfy this requirement will be disenrolled.

Late Registration Procedures

Continuing and new students who do not take advantage of advance or regular registration may register late beginning **Monday, January 31, 1994**. Students may begin late registration on the first day the class meets (not necessarily the first day of classes). Students should use their mailed **Registration Ticket** for late registration processing. Late registration will take place in the Office of the Registrar. New students may not register until they have been formally admitted to the University or issued a "**Conditional Registration Contract**."

Students must report to the late registration area with their completed **Registration Tickets** if they fall into one of the following categories:

Eligible Continuing and New Students who did not register during Advance or Regular Registration.

New Students who were admitted too late for Regular Registration.

Contract Registration Students who signed a contract for Conditional Registration. (Bring a copy of the contract.)

Each student will be given instructions on procedures to follow to register for classes. Students who fail to satisfy this requirement will be disenrolled. All students registering late will be charged a \$25 non-refundable late registration fee.

NEW OR RETURNING STUDENTS

Students admitted by the published deadline for the term are notified of eligibility by mail and sent materials for regular registration. The CSU System requires all new students born after January 1, 1957 to either submit proof of immunity to measles and rubella or to be immunized against these diseases.

Students can get a combined measles/rubella vaccination free of charge at the Student Health Center.

You are a returning student if:

CONCURRENT ENROLLMENT STUDENTS

Students from other CSU campuses enrolling through concurrent enrollment will be issued a **Registration Ticket** with an appointment time for regular registration. Consult the *University Catalog* and contact the Registration and Records Office for procedures and deadlines.

A student enrolled at the University may enroll concurrently at another institution by filing a **Petition for Concurrent Enrollment** or the **Intra System Concurrent Enrollment Form** for enrollment in a CSU system campus with the Office of the Registrar after securing written approval by the academic advisor. Permission will not be granted when the schedule for the proposed combined program exceeds the units authorized at this University for full-time study.

Students planning to apply for Concurrent Enrollment at another campus are urged to register and pay fees at CSU Dominguez Hills during Advance Registration to facilitate early application and registration at the host campus.

INTERNATIONAL STUDENTS

All international students must clear their "registration hold" to validate their health insurance coverage and full-time enrollment. To do so, contact Dan A. Joseffini, international student advisor, in SCC N126.

International Students must provide proof of health coverage prior to registration. This proof must be a membership card or official letter indicating the expiration date and amount of coverage for personal policy.

If students have not made prior insurance arrangements and do not have proof of insurance on the day of registration, they will be required to take out and pay for the Renaissance Insurance Plan, in order to register. This plan is the only health insurance plan available to international students on campus. The term of coverage must be for *August 31, 1994 through August 31, 1995*. If there are any questions, please call 516-4215 to make an appointment with the international student advisor.

A non-resident student who is a citizen and resident of a foreign country and not a citizen of the United States, may pay the required non-resident tuition fee on an installment basis. This is limited to three equal payments established at the time of registration. Prior arrangements must be made.

OPEN UNIVERSITY STUDENTS

Individuals 18 years of age or older may apply to the Division of Extended Education to enroll in courses without being officially admitted to the University. Matriculated students who are eligible to enroll as regular students may not enroll partially or completely in courses through Open University.

Required Approvals for Registration

ADVISOR'S SIGNATURE

An advisor's signature indicates that the student has met with an advisor who has given approval for the courses listed on the **Registration Ticket**. Such approval denotes that the student has met course prerequisites, is prepared for this coursework, and that the courses are appropriate for the student's goals. Furthermore, the signature attests that the number of units is suitable for the student's circumstances and that special consent (see below), if required, has been obtained.

An advisor's signature of approval is required on the **Registration Ticket** on at least three occasions and/or if a student is on academic probation:

- Upon entering the University
- At the completion of 60 semester units
- At the completion of 90 semester units

However, students may be required to obtain written approval on a more frequent basis. Use the following guidelines:

- Declared Majors**
Since some departments require written approval every semester, check with your major department to determine its policy.
- Undeclared Majors**
Students must obtain an advisor's written approval from the University Advisement Center each semester.
- Educational Opportunity Program (EOP)**
Students must obtain written approval from an EOP academic advisor.
- Admission Exceptions (Special Admits)**
For their first year on campus, Special Admits must obtain an advisor's written approval at the University Advisement Center.
- Unclassified Post-Baccalaureate Students**
An advisor's signature of approval may be obtained at the Graduate Studies Office or the University Advisement Center once course consent has been acquired from the appropriate department.
- All other Post-Baccalaureate and Graduate Students**
Obtain required written approval at department or program offices.

INSTRUCTOR'S SIGNATURE FOR DESIGNATED COURSES

Certain courses are listed in the *Class Schedule* as requiring instructor and/or department authorization. Students should obtain such consent prior to registering. The required stamp or signature must appear in the "Authorization" column on the **Registration Ticket**. An advisor's signature does not substitute for the required course authorizations.

INSTRUCTOR'S SIGNATURE FOR AUDITING CLASSES

Auditors must pay the same fees that would be charged if the course were being taken for credit. Instructor approval is required. Obtain an "Approval for Audit" form from the Registration and Records Office. Consult the *University Catalog* for specific requirements and instructions.

PERMISSION TO REGISTER FOR CLASSES WITH A TIME CONFLICT

Students are not allowed to enroll in two classes that meet at the same time, without specific approval on the **Petition for Permission to Register for Courses with a Time Conflict**. A student found to be enrolled in conflicting courses without the form on file will be required to resolve the conflict. The petition form is available at the Registration and Records Office and must be approved and be on file at the office by the census date.

PERMISSION TO REGISTER FOR MORE THAN 15 UNITS

All students enrolling in 16-21 units are required to have an advisor's signature approving the unit load. Students enrolling in more than 21 units must also obtain the approval of the dean of the school in which the student is majoring. Undeclared majors must obtain the approval of the director of the University Advisement Center.

INSTRUCTOR'S SIGNATURE FOR LATE REGISTRATION

An instructor's signature is required to enroll in each class during late registration.

Academic Skills and General Studies Requirements for Undergraduate Students

Note: Consult the *University Catalog* and select an advisor for your academic program. If you have a declared major/minor, consult the appropriate department. If your major is undeclared, contact the University Advisement Center (SCC-M110, 516-3538) for an appointment. Students should consult an advisor upon entry to the university and every semester thereafter.

Academic Skills Assessment Plan (ASAP)

The California State University (CSU) system and California State University, Dominguez Hills (CSU Dominguez Hills) recognize each student's need for adequate preparation in mathematics, English, reading and critical thinking for successful continuation and completion of his or her college education.

The CSU system requires all freshmen and those transfer students who have not completed appropriate college courses to demonstrate entry level skills in two areas: English composition and mathematics. To ensure that students who need additional work in one or more of the basic skills receive this preparation early in their college career, CSU Dominguez Hills implemented the Academic Skills Assessment Plan (ASAP) in fall, 1984, for newly admitted freshmen and transfer students. All new and returning undergraduate students admitted fall 1986 or later must meet these requirements.

The Academic Skills Assessment Plan has three skill levels:

1. Entry Level Skills
2. Basic Skills
3. Graduation Writing Skills

COMPLETION OF THE ENTRY LEVEL SKILLS REQUIREMENT

The CSU requires new non-exempt and returning students to take the English Placement Test (EPT) and the Entry Level Mathematics (ELM) Test after they are admitted. Students might be exempted from one or both of the tests if they have scored well on other specified tests or completed appropriate courses. For a list of exemptions, consult the *University Catalog*. Unless exempt, students must take the EPT and ELM no later than their first semester of attendance at CSU Dominguez Hills. Non-exempt students who do not attempt these tests by the end of their first semester of enrollment will receive special advisement. Non-exempt students who have not taken these tests by the end of two semesters will be ASAP disqualified and may not enroll in subsequent terms.

Students who must take appropriate developmental English and/or mathematics coursework must complete it in a timely manner. If they have not passed the coursework, they will be placed on probation after two semesters and disqualified after four semesters. Students will not be allowed to drop any developmental class (even during the first three weeks) without the department chair approval of either the Mathematics Department (for MAT 003, MAT 005, MAT 009) or the English Department (for ENG 088, ENG 099).

COMPLETION OF THE BASIC SKILLS REQUIREMENTS

Students who have not completed their Basic Skills requirements in English composition and mathematics by the end of their fourth semester (total) of enrollment at CSU Dominguez Hills will be placed on ASAP probation and receive special advisement.

Students who have not completed their Basic Skills requirements in English composition and mathematics within six semester (total) of enrollment at CSU Dominguez Hills will be ASAP disqualified (ref. Executive Order No. 393, V. Administrative-Academic Disqualification) and will not be readmitted to CSU Dominguez Hills until those requirements have been completed.

COMPLETION OF THE GRADUATION WRITING SKILLS

All students subject to degree requirements in the 1979-80 and subsequent general catalogs must demonstrate competency in writing skills as a requirement for graduation through one of the options listed under the entry for the Graduation Writing Assessment Requirement (GWAR) in the *University Catalog*.

Completion of the GWAR

Students who do not meet this requirement within two (2) semesters after completing the English Composition section of the Basic Skills requirements (or 90 semester units total, whichever comes last) will receive special advisement. In addition, they will be required to enroll in ENG 350 or another approved upper division course until they successfully complete the requirement.

VOLUNTARY TESTING

A test, for which a fee will be charged (Graduation Writing Examination, GWE) is available to students at regularly scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year, if they are undergraduate students, or upon entrance to a graduate program if they are graduate students. Students are allowed to take the test only twice. The voluntary test is administered each semester. Information on test date and procedures for sign-up are available in the University Advisement Center, SCC M-110.

General Studies

STATUTORY REQUIREMENT

In addition to the General Studies/General Education requirements, students also must satisfy the requirements in U. S. history and government by completing the following:

- HISTORY 101 or examination
and
POLITICAL SCIENCE 101 or examination

CERTIFICATION

Accredited community colleges and public four-year colleges may sanction (certify) that all or part of general education requirements (post 1980) have been met. Transfer students with complete certification of California State University General Education breadth requirements or Intersegmental General Education Transfer Curriculum (IGETC) requirements are not required to complete additional lower division courses in general education. Transfer students should request that their college "certify" their general education. An additional nine semester units of upper division general education courses must be completed at CSU Dominguez Hills.

DOUBLE COUNTING GENERAL STUDIES COURSES

Lower division General Studies courses may be double counted. Under certain conditions and within specific majors, upper division General Studies courses may be double counted. Consult the *University Catalog* and/or an academic advisor.

The Current General Studies Program

The General Studies program is divided into three components and requires 52-59 semester units:

Basic Skills 14-17 units

General Education:

- Natural Sciences 9 units
Humanities 9 units
Social Sciences 9 units
The Whole Person 2-3 units

Upper Division Integrative Studies: 9 units

Continuing Dominguez Hills students prior to fall 1980 and transfer students in continuous enrollment at a California Community College or a CSU campus since 1980-1981 may have the option of choosing the former General Education program. If you are uncertain about which program applies to you, consult an advisor at the University Advisement Center.

In addition, students must take a course emphasizing cultural pluralism (0-3), which can satisfy General Studies or other graduation requirements as well. All students must take three upper division courses in General Studies, and all students must take three General Studies courses at CSU Dominguez Hills. The statutory requirement in American Institutions (HIS 101 or examination and POL 101 or examinations) is NOT part of the General Studies program, but is a graduation requirement.

The current General Studies program is required of all students who enter CSU Dominguez Hills or a California Community College as first-time freshmen beginning fall 1986.

It now lasts up to five years longer.

Americans live longer nowadays. Up to five years longer, says one study, than in 1970. One reason is that people know more about reducing their risk of heart disease. And we've helped. This year the AHA will invest more than \$70 million in cardiovascular research and organize 2.7 million volunteers to go out and spread the word. To learn more, write us at:

CLEVELAND CHIROPRACTIC COLLEGE IS ACCREDITED BY CCE AND HAS WASC RECOGNIZED CANDIDACY.

No Wild, No Wildlife.

The California desert tortoise is losing ground. Its young are being crushed by motorcycles and off-road vehicles. Sheep and cattle grazing are diminishing an already scant supply of food while mining and road building are destroying the tortoise's natural habitat.

The fact is that the tortoise population has declined as much as 90% over the last fifty years. This drop is a true biological indicator of how severely the desert ecosystem is at risk.

The Sierra Club works to save wildlife by saving the wilderness. We have a history of victories. And, we believe with your help, the three-million-year-old desert tortoise can win back its native turf.

No Wild, No Wildlife.

Polar bears, musk-ox, grizzlies, caribou — more animals than you'd find in Yellowstone — can be found on the magnificent coastal plain of the Arctic Refuge in Alaska. Unfortunately, this portion of our last arctic wilderness has caught the eye of the oil industry. Right now Congress is considering proposals that would allow the oil companies to drill there, even though reports indicate there's less than a one-in-five chance oil would be found.

If we allowed drilling in the region, we would jeopardize the culture of the native Alaskans and untold wildlife, including a herd of 180,000 caribou. Our last arctic wilderness would be despoiled.

The Sierra Club works to save wildlife by saving the wilderness. We have a history of victories. And we believe with your help, this arctic wilderness will remain an invaluable refuge.

GRADUATE ADMISSIONS
PREPARATION SERVICE

The Affordable Key To Success

As with any test, preparation is the key to success. The Graduate Admissions Preparation Service (GAPS) is the high-quality yet affordable program that can help you **maximize your test score** and get you on your way to the graduate school of your choice.

GAPS courses allow you to **study at your convenience**, at school, at home, at the library, and even on breaks at work. Unlike more expensive programs, which require you to attend classes, with GAPS you are in command of when you study. You are more relaxed and more receptive. As a result, you'll be more likely to retain vital test preparation information.

Direct Access To The Experts

GAPS courses are a combination of cassette tapes and text. Our courses combine solid academic preparation with test-taking strategies to maximize your score. The lecture tapes give you direct access to professional instructors working under the guidance of educational testing experts. Courses are sectioned into segments so you can **move at your own pace**, progressing one step at a time. Every test segment is explained by an expert in a particular discipline. You'll listen to the lecture tapes and follow the printed materials that develop and apply the information in a problem-solving format. Because lectures are taped, difficult or unfamiliar information may be reviewed immediately, without note taking.

GAPS courses give you the competitive edge needed to succeed—because they work. Don't delay, order your GAPS course today!
