# *The Only Credit Card Worth Using (Other Than Your Dad's).*

Of course, if you really want to have some independence and responsibility for your own life, then

it's the only credit card worth using, period.

No card is more accepted on the planet. You can use it to get cash at ATMs all over. And only MasterCard® has the

College MasterValues™ program, which

can get you up to 40% off all kinds

of stuff. True, you get the bill. But

then, your Dad doesn't. *MasterCard.*

*It's more than a credit card.*

*It's smart money.™* 

# If you could call anyone in the U.S. for FREE, what would you say?

## Introducing the PhonePass Calling Card

With this special student trial offer from LDDS Metromedia Communications, you can call anywhere in the U.S., anytime, for five minutes FREE.

**Why PhonePass?** The PhonePass calling card allows you to place calls internationally or within the U.S. from any touch-tone phone. And it will save you money. **Special Trial Offer.** If you are a college student

with a major credit card, you qualify for your FREE PhonePass card and 5 FREE minutes of domestic long-distance calling! Just call the toll-free number below or mail in the certificate. You'll be mailed your FREE PhonePass calling card within a few days.

**How It Works.** Call anyone in the U.S. for 5 minutes absolutely FREE. When your five minutes are up simply call our customer service rep and request more time by charging it to your credit card. Add as much time as you like, whenever you like, at only 24¢ per minute. It's that simple.

# Schedule for Change of Program, Add & Drop, and Late Registration

**Note:** Students are responsible for initiating action and completing the process for change of program by the deadlines below. All forms are available from and must be personally returned to the Records and Registration Office for processing. Students are **not** automatically dropped; it is the student's responsibility to officially drop a class. Non-attendance without properly dropping can lead to the issuance of a "U" grade. However, in some cases, faculty may initiate a formal drop of students who have not attended the first two class meetings (or the first meeting if a class meets only once a week), and have not notified the faculty member that the absence is temporary.

## Change of Program

- A change of program is any change that is made in a student's official schedule. Such a change includes: dropping a class, adding a class, changing the number of semester units for a class in which the student is registered, changing the section of the same course. It is the student's responsibility to verify the classes listed on the **Schedule Confirmation**.
- ID Card or receipt required for all changes and withdrawals.
- All change of program forms, CR/NC, audit, and withdrawal forms are obtained from and must be returned in person (no mailing) to the Records and Registration Office during office hours.
- Department chair approval is required to drop MAT 003, MAT 005, MAT 009, ENG 088 and ENG 099.

# Academic Skills and General Studies Requirements for Undergraduate Students

**Note:** Consult the *University Catalog* and select an advisor for your academic program. If you have a declared major/minor, consult the appropriate department. If your major is undeclared, contact the University Advisement Center (SCC-M110, 516-3538) for an appointment. Students should consult an advisor upon entry to the university and every semester thereafter.

## Academic Skills Assessment Plan (ASAP)

The California State University (CSU) system and California State University, Dominguez Hills (CSU Dominguez Hills) recognize each student's need for adequate preparation in mathematics, English, reading and critical thinking for successful continuation and completion of his or her college education.

The CSU system requires all freshmen and those transfer students who have not completed appropriate college courses to demonstrate entry level skills in two areas: English composition and mathematics. To ensure that students who need additional work in one or more of the basic skills receive this preparation early in their college career, CSU Dominguez Hills implemented the Academic Skills Assessment Plan (ASAP) in fall, 1984, for newly admitted freshmen and transfer students. All new and returning undergraduate students admitted fall 1986 or later must meet these requirements.

The Academic Skills Assessment Plan has three skill levels:

1. Entry Level Skills
2. Basic Skills
3. Graduation Writing Skills

## COMPLETION OF THE ENTRY LEVEL SKILLS REQUIREMENT

The CSU requires new non-exempt and returning students to take the English Placement Test (EPT) and the Entry Level Mathematics (ELM) Test after they are admitted. Students might be exempted from one or both of the tests if they have scored well on other specified tests or completed appropriate courses. For a list of exemptions, consult the *University Catalog*. Unless exempt, students must take the EPT and ELM no later than their first semester of attendance at CSU Dominguez Hills. Non-exempt students who do not attempt these tests by the end of their first semester of enrollment will receive special notification. Non-exempt students who have not taken these tests by the end of two semesters will be ASAP disqualified and may not enroll in subsequent terms.

Students who must take appropriate developmental English and/or mathematics coursework must complete it in a timely manner. If they have not passed the coursework, they will be placed on probation after two semesters and disqualified after four semesters. Students will not be allowed to drop any developmental class (even during the first three weeks) without the department chair approval of either the Mathematics Department (for MAT 003, MAT 005, MAT 009) or the English Department (for ENG 088, ENG 099).

## EPT Scores for English

T = 1 - 141    ENG 088  
T = 142 - 150    ENG 099  
T = 151 Pass

## ELM Scores for Mathematics

T = 100 - 370    MAT 003  
T = 380 - 470    MAT 005  
T = 480 - 540    MAT 009  
T = 550 Pass

## COMPLETION OF THE BASIC SKILLS REQUIREMENTS

Students who have not completed their Basic Skills requirements in English composition and mathematics by the end of their fourth semester (total) of enrollment at CSU Dominguez Hills will be placed on ASAP probation and receive special advisement.

Students who have not completed their Basic Skills requirements in English composition and mathematics within six semesters (total) of enrollment at CSU Dominguez Hills will be ASAP disqualified (ref. Executive Order No. 393, V. Administrative-Academic Disqualification) and will not be readmitted to CSU Dominguez Hills until those requirements have been completed.

## COMPLETION OF THE GRADUATION WRITING SKILLS

All students subject to degree requirements in the 1979-80 and subsequent general catalogs must demonstrate competency in writing skills as a requirement for graduation through one of the options listed under the entry for the Graduation Writing Assessment Requirement (GWAR) in the *University Catalog*.

### Completion of the Graduation Writing Assessment Requirement (GWAR)

Students who do not meet this requirement within two (2) semesters after completing the English Composition section of the Basic Skills requirements (or 90 semester units total, whichever comes last) will receive special advisement. In order to satisfy GWAR, students have the option of either taking the GWE (see below) or enrolling in one of the following courses: CHE 460, ENG 350, ENG 456, HIS 300, IDS 398, or SOC 300 or another approved upper division course, until they successfully complete the requirement.

### Graduate Writing Examination (GWE)

A voluntary test, the Graduation Writing Examination, (GWE), for which a fee will be charged is available to students at regularly scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year, if they are undergraduate students, or upon entrance to a graduate program if they are graduate students. Students are allowed to take the test only twice. The voluntary test is administered each semester. Information on test dates and procedures for sign-up are available in the University Advisement Center, SCC M-110.

## General Studies

### STATUTORY REQUIREMENT

In addition to the General Studies/General Education requirements, students also must satisfy the requirements in U. S. history and government by completing the following:

- HISTORY 101 or examination  
and  
POLITICAL SCIENCE 101

### CERTIFICATION

Accredited community colleges and public four-year colleges may sanction (certify) that all or part of general education requirements (post 1980) have been met. Transfer students with complete certification of California State University General Education breadth requirements or Intersegmental General Education Transfer Curriculum (IGETC) requirements are not required to complete additional lower division courses in general education. Transfer students should request that their college "certify" their general education. An additional nine semester units of upper division general education courses must be completed at CSU Dominguez Hills.

### DOUBLE COUNTING GENERAL STUDIES COURSES

Lower division General Studies courses may be double counted. Under certain conditions and within specific majors, upper division General Studies courses may be double counted. Consult the *University Catalog* and/or an academic advisor.

## The Current General Education/ General Studies Program

The General Studies program is divided into three components and requires 52-59 semester units:

Basic Skills ..... 14-17 units

General Education:

Natural Sciences.....	9 units
Humanities.....	9 units
Social Sciences.....	9 units
The Whole Person.....	2-3 units

Upper Division Integrative Studies: ..... 9 units

Continuing Dominguez Hills students prior to fall 1980 and transfer students in continuous enrollment at a California Community College or a CSU campus since 1980-1981 may have the option of choosing the former General Education program. If you are uncertain about which program applies to you, consult an advisor at the University Advisement Center.

In addition, students must take a course emphasizing cultural pluralism (0-3), which can satisfy General Studies or other graduation requirements as well. All students must take three upper division courses in General Studies, and all students must take three General Studies courses at CSU Dominguez Hills. The statutory requirement in American Institutions (HIS 101 or examination and POL 101 or examinations) is NOT part of the General Studies program, but is a graduation requirement.

The current General Studies program is required of all students who enter CSU Dominguez Hills or a California Community College as first-time freshmen beginning fall 1986.

# Testing Information

The Testing Office and some departments offer tests throughout the academic year. It is important to meet with an advisor to review which test you should take. Separate fees are charged for each test.

## Credit-by-Examination

Some courses may be taken by Credit-by-Examination. Only registered students may apply for credit by examination. It is important to read the conditions and restrictions in the current *University Catalog*. A **Petition for Credit-by-Examination** must be filed by the dates designated by the Registrar. Forms may be obtained from the Records and Registration Office.

### CREDIT BY EXAMINATION FOR ENGLISH 110, 111, 350 AND 352

Students wishing to earn credit by examination for English 110, English 111, English 350 or English 352 must take an examination at 10:00 a.m. on **Saturday, Feb. 11, 1995**.

Students taking the Graduate Exercise or examinations in English 350 or 352 are asked to report to SBS B-110. Students taking examinations in English 110 and 111 are asked to report to SBS B-131.

To be admitted to the testing room, each student must:

1. Register for the course.
2. Fill out a petition to take the test. Petition forms are available in the English Department Office, HFA E-315 and must be on file in the English Department Office (HFA E-315) before noon, **Thursday, Feb. 9, 1995**,  
*and*
3. Provide verification of satisfactory performance on tests or in courses. Verification in the form of letters of notification, scores reported by testing agencies, grade slips, or transcripts will be checked before the petition forms are accepted by the English Department Office.
4. Present an official picture ID such as a CSUDH Student Identification Card or a driver's license to the test administrator.

Each student petitioning to take:

- English 110** is required to have an English Placement Test (EPT) score of: T-155 and E-8 or higher. A student exempted from the EPT on the basis of a satisfactory score on the EEE, AP, SAT-Verbal, ACT, or College Board Achievement Test in English Composition with **essay** may attempt to earn credit by examination. (Only test scores will be used to determine the eligibility of a student.); **English 111** must have completed English 110, or its equivalent, with a grade of "B" or better. Eligible students may apply for credit by examination for both English 110 and 111 at the same time.

They also must have completed English 110 and 111 or their equivalents.

Students who are unsuccessful in their attempts to earn credit by examination may remain in the class, complete the work, and be awarded credit at the end of the semester. Students who pass the examination may NOT remain in the class to earn grades better than those earned on the examination. They may, however, retake the course in a later semester to improve grades lower than "C" in accordance with the Repeat and Cancel Policy.

More information on earning credit by examination appears in the current *University Catalog*.

All students should bring an 8-1/2 x 11" blue book to the examination.

# University Police

The Department of Public Safety (DPS) provides safety oriented service to Dominguez Hills.

It includes University Police and Parking Services providing 24 hour-a-day patrol protection of university property, buildings, parking lots and student housing. All laws and codes of the state are enforced on the campus, including regulations the University establishes to administer the campus community.

Officers are responsible for reporting and investigating crimes, issuing traffic citations and responding to medical emergencies, traffic accidents and fire emergencies, as well as other incidents that require police assistance. University police officers are vested with full law enforcement powers and responsibilities, identical to the local police or sheriff departments in your home community. Officers meet training requirements mandated by the California Commission on Peace Officers Standards and Training as well as training designed to meet the needs of the university community. As state police officers their police authority extends throughout the entire state, including concurrent jurisdiction with the Los Angeles County Sheriff Department on the adjacent streets and community.

The Department prepares and submits a monthly Uniform Crime Report to the California Department of Justice. The Department also enters reported stolen vehicles and property with serial numbers into the National Crime Information Center, allowing for recovery throughout the United States.

As an active member of the Criminal Justice System, the University Police interacts and cooperates with other law enforcement agencies. Cases are filed with the Los Angeles County District Attorney. Information may also be given to the Office of the Vice President for Student Affairs for appropriate action involving students.

The Department works closely with the Student Housing Office in an effort to educate the residents in crime awareness and crime prevention. Crime prevention programs and materials are directed to the residents and staff to increase mutual understanding and cooperation.

## Crime Prevention Programs

The Department has established programs that serve to raise the level of safety awareness of the campus community. These programs include:

- Student Orientation Program
- Resident Advisors Training Program
- Student Escort Service
- Sexual Assault Prevention
- Personal Safety Awareness
- DUI and Drug Abuse
- Theft Prevention
- Operation ID Engraving
- Building, Area and Parking Lot Lighting Surveys
- 9-1-1 Capability from all University phones
- Emergency Telephones at various campus locations
- .. Closed Circuit Television Surveillance - Parking Lot 4
- .. Emergency Preparedness Committee
- .. Electronic Alarm Systems

The Student Escort Service provides escort service during hours of darkness (6 - 11 p.m.) for students, faculty and staff who must walk alone to their cars. Housing offers an additional student escort service to those living in student housing.

Most campus buildings and facilities are accessible to members of the campus community, guests and visitors Monday through Saturday until

10 p.m. and as certain special events dictate.

Motor vehicle lots, pedestrian walkways and building exteriors are well lighted. The University Police conducts a weekly light survey throughout the campus and a report is made to Physical Plant on a weekly basis.

Shubbery, trees and other vegetation on campus are trimmed and maintained on a regular basis with special attention given to walkways. Physical Plant conducts a facility audit on the entire campus on an annual basis.

## Parking Services

Parking Services is responsible for enforcement of parking regulations, guest parking and the information booth. The parking officers patrol

the campus ensuring safe and legal use of our parking areas as well as providing escort service for our students, faculty and staff.

## The University's Sexual-Assault Policy

California State University, Dominguez Hills strives to provide an optimal environment for growth and learning in an atmosphere conducive to personal safety. All forms of sexual assault are acts of aggression or violence against individuals.

All reports of sexual assault will be thoroughly investigated by the University Police. Arrests will be made when appropriate. If indicated, results of investigations will be submitted to the Los Angeles District Attorney's Office for evaluation for criminal prosecution.

CAMPUS DISCIPLINARY ACTION will be initiated against any student, staff or faculty member charged with sexual assault.

IF YOU BECOME THE VICTIM OF A SEXUAL ASSAULT on campus :

- get to a safe place
- contact the University Police
- don't shower, bathe, douche, change or destroy clothing
- don't straighten up the area
- seek medical attention

If a victim reports a sexual assault to someone on campus other than the University Police, that person should encourage the victim to contact the University Police.

The University Police will see that the victim receives medical assistance, information on legal rights and options, as well as contact any family member or friend upon request by the victim.

If the victim has been assaulted off-campus, the University Police will assist the victim in contacting the appropriate police agency.

First aid and urgent care is available at the Student Health Center. Individuals needing full medical evaluation, including evidence collection, will be referred and transported to a local emergency care hospital by the University Police. Evidence collection and documentation of the incident are of critical importance in prosecution of the assailant.

A written CRIME ALERT BULLETIN will be issued by the University Police to the campus community as soon as possible. Only those details of the assault which are essential to the health and safety of the campus community shall be released. The PROTECTION OF THE IDENTITY OF THE VICTIM will be of the highest priority.

COUNSELING SERVICES are available through either Health Programs and Psychological Counseling or Student Development.

THE OFFICE OF THE VICE-PRESIDENT FOR STUDENT AFFAIRS will provide additional support services to students, including alternative housing assignments and academic assistance alternatives.

IN AN EFFORT TO PROMOTE AWARENESS OF RAPE, ACQUAINTANCE RAPE AND OTHER SEX OFFENSES a number of campus offices offer crime prevention classes various times during the academic year. Consult the Office of Student Affairs for information.

For further information on the sexual assault policy, contact the University Police at 516-3639.

## **The University's Alcohol & Drug Policy**

Consumption of alcohol on campus is limited to certain approved events and locations covered by the CSU Dominguez Hills official policy on alcohol and drugs. Under age consumption or possession of alcohol is not permitted on university property, including athletic fields and housing areas. The University recognizes that alcohol or drug dependency is an illness and a health problem. Information, assessment and referral services

are available on campus. These programs assist students in finding alternatives to substance abuse, while promoting a healthy lifestyle and the ability to cope with problems as they arise.

All state laws dealing with alcohol and drug use are enforced by the University Police. Violators may be subject to fine, imprisonment or expulsion from the University.

## **Possession of a Firearm on Campus is Strictly Prohibited**

Violators will be arrested and prosecuted for felony violation of section 626.9 of the California Penal Code which is punishable by 2 - 4 years state prison.

"I make almost **\$10,000 a year** for working about 4 hours a day, 5 days a week. But get this, UPS has **student loans** that let me borrow **up to \$25,000 a year** for college. ### Registration Eligibility

#### CONTINUING STUDENTS

You are considered a *continuing student* if you: (1) attended CSUDH as a matriculated student in the spring 1994 or fall 1994 semester; (2) have not attended another academic

institution since attending CSUDH; and (3) have not applied to graduate from CSUDH in the fall 1994 semester.

If you are a continuing student and have not received registration access information or a letter regarding ineligibility one week before the registration period, please call the Registration Office at (310) 516-3608.

### **NEW OR RETURNING STUDENTS**

You are a *new student* if you have not attended CSUDH before. You are a *returning student* if you (1) have not enrolled for more than one semester; (2) attended another academic institution since last attending CSUDH; or (3) graduated from CSUDH and choose to begin post-graduate studies. Returning students must reapply for admission.

### **CONCURRENT ENROLLMENT STUDENTS**

If you are a student from another CSU campus and seek to enroll at CSUDH and at another campus concurrently, you should consult the *University Catalog* and contact the Registrar's Office for procedures and deadlines.

A CSUDH student may enroll concurrently at another institution by filing a *Petition for Concurrent Enrollment* form or a *Petition for Intrasystem Concurrent Enrollment* form at the Registrar's Office after obtaining written approval from the appropriate academic advisor.

Students planning to apply for concurrent enrollment are urged to register and pay fees at CSUDH during Advance Registration to facilitate early application and registration at the host campus.

Students who have submitted the necessary forms and are considered eligible will receive a *Registration Access Mailer*.

### **INTERNATIONAL STUDENTS**

The international "hold" will be placed on international students who do not enroll full-time. The International Student Services Office (ISSO) will also place a "hold" on students who did not submit their passport number and/or current address to their office. International students who fail to provide proof of health insurance coverage prior to registration will receive an international "hold" from the ISSO.

If a comparable health/medical insurance has not been purchased, international students will be required to purchase the Renaissance Insurance Plan. Health/medical coverage should include \$250,000 maximum aggregate benefits per injury or illness and repatriation/medical evacuation to the student's home country. The term of coverage must run from Jan. 23 through Aug. 31, 1995. Questions may be directed to (310) 516-4215.

A non-resident student who is a citizen and resident of a foreign country may pay the required non-resident tuition fee on an installment basis (this includes a 15% interest charge). Prior arrangements must be made and payment must be in three monthly equal installments. A deferred payment form can be picked up in the ISSO located in the Small College Complex (SCC) room N-124.

### **OPEN UNIVERSITY STUDENTS**

If you are 18 years of age or older, you may apply to Extended Education to enroll in courses without being officially admitted to the University. Matriculated students eligible to enroll as regular students may not enroll in courses through Open University except for 600 level graduate continuation courses.

### **PERMISSION TO REGISTER FOR MORE THAN 18 UNITS**

If you propose to enroll in up to 21 units, an advisor's signature of approval is required on the Add form. Students enrolling in more than 21 units must obtain the approval of the dean of the school or college in which the student is majoring. Undeclared majors must obtain the approval of the director of the University Advisement Center.

### **PHOTO IDENTIFICATION CARDS**

A photo ID card is required of all students and is available from the Registrar's Office at specified times during Regular and Late Registration. Students must first pay the \$5 fee at the Cashier's Office and bring the receipt to the Registrar's Office.

## **Advance and Regular Registration Procedures**

Each student eligible to register will receive a *Registration Access Mailer*, which will provide important registration information:

- Registration appointment date and time
- Personal Identification Number (PIN)
- Student Identification Number (SID) - social security number on record
- Major(s)
- Advising holds for students required to seek advising prior to registration
- Other holds preventing registration
- Specific instructions

It is very important to review all the information printed, to take the appropriate action to correct inaccurate information, and to seek advising or clear holds several working days prior to your registration appointment date and time.

### **REGISTRATION APPOINTMENT DATE AND TIME**

You will not be able to access Telephone Registration before the date and time printed on your *Registration Access Mailer*. Appointment dates and times are determined by class level and number of units completed.

Note that units in progress at CSUDH are not included and courses taken at another institution may not be included in the calculation of units completed.

Register at, or very soon after, your priority appointment time for the best selection of classes. If you are not able to

register on your priority registration appointment day, you may register at any time through the end of the registration period but you will be competing for classes with students with lower priority access. It is in your best interest to register as early as possible!

### **PERSONAL IDENTIFICATION NUMBER (PIN)**

Each student will be assigned a 6-digit PIN (similar to that used at an ATM machine). All students are urged to change their PIN for security reasons and to keep their PIN in a safe place. Do not write your PIN in your *Schedule of Classes*. You may change your PIN by dialling the Telephone Registration number and making the appropriate selection at the main menu. The recorded voice will guide you. If you lose your PIN, you will need to go to the Registrar's Office with photo ID to obtain or change your PIN since your PIN will not be released over the telephone.

### **STUDENT IDENTIFICATION NUMBER (SID)**

Your SID should match your social security number. If it is incorrect in your *Registration Access Mailer*, use the assigned number and then file a request for a change of your SID number at the Registrar's Office after you have completed registration. When you request a change, you must bring your social security card to the office.

### **MAJOR(S)**

Advising is required for students in certain majors. Telephone registration restricts enrollment in some courses to students in specific majors. All eligible continuing students were mailed a letter in September 1994 requesting verification of their major(s) and minor, if any, in preparation for Telephone Registration. If the information on your access mailer is incorrect, file a *Change of Major/Minor* form immediately - well in advance of your registration appointment.

### **ADVISING HOLDS**

Advising is required for (1) new students entering the University; (2) students who have completed 60 semester units; (3) students who have completed 90 semester units; and (4) students on academic or Academic Skills Assessment Plan (ASAP) probation.

Advising is also required for undeclared majors, specified majors, Educational Opportunity Program students, international students, special admits, post-baccalaureate students and some graduate students.

If you have more than one advising hold, you must meet with all appropriate advisors. If you receive a *Registration Access Mailer for Advance Registration*, all advising holds must be cleared before *Advance Registration* even if you do not plan to register until *Regular or Late Registration*. Departmental advisors may not be available at other times.

### **Following are the sources for advisement:**

#### **University Advisement Center:**

Undeclared majors, undergraduate special majors, special admits and students on ASAP probation.

Do not wait until just prior to your registration appointment time since advisors may not be available. If you are in the process of changing your major, you should meet with an advisor in your new department.

## Important Information About Telephone Registration

### ACCESSING TELEPHONE REGISTRATION

Read the *Telephone Registration Instructions* on page C and complete the *Registration Worksheet* on page D before accessing Telephone Registration. This will facilitate your registration, reduce the amount of time needed per call, and allow more students to call without reaching a busy signal.

### USE ONLY A TOUCHTONE TELEPHONE

Not all push button telephones are touchtone and some programmable telephones using the # or \* key in programming cause access problems. Students wishing to register while on campus may use the campus pay phones or the courtesy phones located in the lobby of the Registrar's Office.

Listen carefully - a recorded voice will guide you through the registration process and will prompt you after each entry.

If you encounter difficulty accessing or using Telephone Registration, a *Registration Helpline* is available. See the service hours listed on page G.

**Enrollment limit** - You may enroll in a maximum of 18 units during Telephone Registration. Students wishing to register in additional units must wait until the Late Registration, Add/Drop period.

**Time conflicts** - The Telephone Registration system checks for time conflicts and will not allow registration in classes meeting at the same time. Students with permission from both instructors to enroll in classes with a time conflict, will need to file a *Petition for Permission to Register for Courses with a Time Conflict* form obtainable from the Registrar's Office, and will need to be registered in-person at the Registrar's Office during official registration periods only.

**Co-requisites** - Some courses require concurrent enrollment in a laboratory or activity section as well as in a lecture or seminar section, or concurrent enrollment in another course. The Telephone Registration system will inform you that failure to add both co-requisites will result in being dropped from your original request.

**Enrollment restrictions** - Some courses are restricted to students in specific degree programs, to specific class levels (e.g. seniors) or to certain level students (e.g. graduates).

Some departments may choose not to print course reference numbers (CRNs) in the "Course Listing" section of the *Class Schedule* in order to screen students for eligibility. Other courses may not be available during Telephone Registration but may be added with the instructor's approval during Late Registration, Add/Drop.

Questions about enrollment restrictions and eligibility for specific classes should be directed to the department concerned.

**Full/cancelled classes** - If you attempt to register for a class that is already full or canceled, the system will give you the option of enrolling in alternate open sections.

**Important** - Be sure to confirm your course selection before hanging up the telephone. Failure to do so will result in cancellation of your requests.

**Schedule adjustment/review** - You may call back any time during *Advance and Regular Registration* to change or review your schedule. If you choose to exchange one class for another, add the new class before dropping the other class (unless you have reached the maximum enrollment limit). If you wish to drop a class without adding another, do not delay as a courtesy to another student trying to add the class.

**Wait Lists** - *Wait Lists* will be available the last three days of *Regular Registration* only. Attempt to adjust your schedule before entering your name on a *Wait List*. *Wait List* rosters will be provided to instructors by the first class meeting. It is your responsibility to obtain the instructor's signature of approval to add a class before registering in-person in the Registrar's Office; students will not be added to classes automatically.

## Schedule Confirmation, Billing and Payment

A *Schedule Confirmation* will be mailed to you at the end of the registration period. Check your schedule carefully and make any adjustments necessary during the next registration period.

A bill will also be mailed to you. Refer to page G for fee information. Failure to pay by the due date will result in cancellation of your classes. Financial Aid applicants must pay by the due date if they have not received notification of an award.

A revised bill will be mailed to you if you change from part-time to full-time status, and a refund will be sent to you if you change from full-time to part-time status.

## Checklist

Before calling the Telephone Registration system, be sure to:

- Read your *Registration Access Mailer* carefully.
- Meet with all advisors required.
- Clear all holds.
- Check your priority registration appointment date and time.
- Read the "Course Listing" section carefully noting co-requisites required, enrollment restrictions and suppressed course reference numbers.
- Complete the Registration Worksheet.

## Problems?

- Cannot access Telephone Registration?**

- Busy signal?**  
All lines are busy - try again later.
- Made a mistake?**  
Do not hang up - wait for the recorded voice to prompt you.
- Lost your entries?**

# GET IT NOW. USE IT FOR THE REST OF YOUR LIFE.

Cardmembership isn't just about how you spend your money—it's about how you spend your life. You'll have access to an exclusive collection of benefits and services you won't find anywhere else:

## New, bigger airline discounts— for you and a friend.

You'll get five Travel Savings Certificates\*. Three for roundtrip Coach class tickets anywhere Continental Airlines or Continental Express flies within the 48 contiguous United States (except Florida between February 12–April 30 and between June 15–August 25, 1995). All you'll pay is \$159 roundtrip for travel on your side of the Mississippi. Or \$239 roundtrip when you fly across the Mississippi.

You'll also save with a special Florida Certificate valid between February 12–April 30 and between

June 15–August 25, 1995. You'll pay just \$239 for roundtrip Coach class travel between Florida and other destinations on the east side of the Mississippi, \$299 between Florida and destinations on the west side of the Mississippi.

You'll get an International Certificate worth \$50 off an international roundtrip Coach class fare of \$400 or more; \$75 off a roundtrip Coach class fare of \$600 or more.

And you can bring along a friend for the same low price you pay when you buy the tickets with the Card.

## Free long distance with MCI.

Get up to 30 minutes of free long distance calling with MCI every month for a year—without changing long distance companies. Just use the Card as your calling card and get savings of up to \$44 a year.\*\*

## Savings from famous names.

Our Value Certificates help you save on many of the things you want, from J. Crew, Software Etc., the Princeton Review and more. And these aren't one-time-only offers. You'll get new offers every year you renew your Cardmembership while you're in school—and even after you graduate and start your career.

Once you're a Cardmember, you'll see how we can make your life easier. You'll get a level of service you can count on—no matter where you are in the world. And since you pay your bill in full each month, you won't pay automatic interest charges.

What's more, getting the Card now is probably easier than it will ever be—because we're relaxing the usual requirements just for students. So apply now. And spend a lifetime enjoying all the great things only the Card can offer you. All for just \$55 a year.

\*To be eligible, you must apply for the Card by July 31, 1995. For domestic travel, reservations must be made and tickets charged to your Card account within 21 days of travel, maximum stay is 14 days and must include a Saturday night. For international travel, reservations must be made and tickets purchased at least 7 days prior to travel or as required by the fare purchased, whichever is earlier. A minimum 8-day stay is required and must include a Saturday night. Seats at these fares are limited. American Express makes these certificates available solely as a service to its Cardmembers and incurs no liability in connection with their use or non-use. Continental is directly responsible for the fulfillment of this offer and the delivery of travel services. Your Travel Savings Certificates, along with complete terms and conditions, will be sent to you upon credit approval.

\*\*A credit of up to \$3.70 for long distance phone charges will appear on each billing statement for 12 months after enrollment. \$3.70 is equal to the charge for a domestic 30-minute night/weekend MCI Card Compatibility call and appropriate surcharge. Call from any phone, using the American Express Card as your calling card. You must enroll by July 31, 1995. MCI is a registered service mark of MCI Telecommunications Corporation.

### HERE'S HOW YOUR CLUB WORKS:

**The BMG Music Service 5-1-2 Formula.** First, choose 5 FREE CDs (or cassettes) from this ad. Then buy just 1 selection at the regular Club price and you'll get 2 more choices FREE! That's a total of 8 for the price of 1 (plus shipping and handling for each selection). You have a full year to buy your 1 selection, currently priced at \$14.98 to \$15.98 for CDs; \$8.98 to \$9.98 for cassettes. It's that easy!

**10-Day Free Trial!** Enjoy your first 5 selections for 10 days. If you're not completely satisfied, you may return them at our expense without further obligation. Complete Club details will arrive with your introductory selections.

#### Club Mailings

• About every three weeks (19 times a year), you'll receive our exclusive Club catalog filled with hundreds of choices, plus a Featured Selection from your preferred music category.

• If you want the Featured Selection, do nothing. It will be sent to you automatically.

• If you prefer an alternate selection from the catalog, or none at all, simply return the Notification Card, enclosed with each issue of your catalog, by the date specified.

• We give you at least 10 days to return the Notification Card. If you end up with less time and, as a result, receive an unwanted Featured Selection, you may return it at our expense.

**Save with Instant Bonuses.** From day one, every time you buy one CD or cassette at the regular Club price, you're entitled to buy another one of equal or lesser value at half price. And the savings don't stop there!

**The longer you stay, the more you save.** Sales and discounts on your favorite music keep getting better the longer you remain a member. But it's up to you. After you pay for your one regular-Club-price selection, you may cancel your membership simply by writing to us.

**If you prefer cassettes,** simply check the "cassettes" box on the reply card.

**If the reply card is missing,** please write to: BMG Music Service, P.O. Box 91001, Indianapolis, IN 46291-0002
