Tuesday & Wednesday	8:00 a.m 7:00 p.m.
Friday	8:00 a.m noon

Prospective students, part-time or full-time, or returning students, who have been out of school for two or more semesters, must file an Application for Admission, pay the application fee (or qualify for a fee waiver), and provide supporting documentation within the announced filing period. Late applicants will also be assessed a late processing fee. Applications are available from the Outreach and Information Services, SCC A-130. Please refer to the *University Catalog* and application booklet for admission requirements and procedures.

Admissions Deadlines:

Fall 2000	Jun. 1, 2000
Spring 2001	Nov. 2, 2000

University Regular Sessions

Applicants are required to include their correct social security numbers (indi-

vidual taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student as well to identify the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

RECLASSIFICATION OF RESIDENCY

A student classified as non-resident for tuition purposes may request a review of residence status by filing a statement of residence and financial independence with the Office of Admissions prior to the deadlines listed below. Requests made after the deadline must be accompanied by the Missed Deadlines fee. Please refer to the University Catalog for general information regarding California residency requirements or contact the Office of Admissions.

The CSU system requires all freshmen and those transfer students who have not completed appropriate college courses to demonstrate entry level skills in two areas: English composition and mathematics. To ensure that students who need additional work in one or more of the basic skills receive this preparation early in their college career, CSU Dominguez Hills implemented the Academic Skills Assessment Plan (ASAP) in

fall 1984, for newly admitted freshmen and transfer students. All new and returning undergraduate students admitted fall 1986 or later must meet these requirements.

The Academic Skills Assessment Plan has three skill levels:

- 1. Entry Level Skills
- 2. Basic Skills
- 3. Graduation Writing Skills

COMPLETION OF THE ENTRY LEVEL SKILLS REQUIREMENT

The CSU requires returning, non-exempt students to take the English Placement Test (EPT) and the Entry Level Mathematics (ELM) Test after they are admitted. Students might be exempted from one or both of the tests if they have scored well on other specified tests or completed appropriate courses. For a list of exemptions, consult the University Catalog. Unless exempt, students must take the EPT and ELM no later than their first semester of attendance at CSU Dominguez Hills. Non-exempt students who do not attempt these tests by the end of their first semester of enrollment will receive special notification. Non-exempt students who have not taken these tests by the end of two semesters will be ASAP disqualified and may not enroll in subsequent terms.

Information on test dates and procedures for sign-up are available in the Testing Office, Building 11, SCC 11207, phone (310) 243-3909 or <testing@research.csudh.edu>.

Students who must take appropriate developmental English and/or mathematics coursework must complete it in a timely manner. If they have not passed the coursework, they will be placed on probation after two semesters and disqualified after four semesters. Students will not be allowed to drop any developmental class (even during the first three weeks) without the department chair approval of either the Mathematics Department (for MAT 003, MAT 009) or

the English Department (for ENG 088, ENG 099).

EPT Scores for English

T = 100 - 141 ENG 088 T = 142 - 150 ENG 099 T = 151 Pass ENG 110

ELM Scores for Mathematics

T = 100 - 470 MAT 003 T = 480 - 540 MAT 009 T = 550 Pass G.S. math course

COMPLETION OF THE BASIC SKILLS REQUIREMENTS

Students who have not completed their Basic Skills requirements in English Composition and Mathematics by the end of their fourth semester (total) of enrollment at CSU Dominguez Hills will be placed on ASAP probation and receive special advisement.

Students who have not completed their Basic Skills requirements in English composition and mathematics within six semesters (total) of enrollment at CSU Dominguez Hills will be ASAP disqualified (ref. Executive Order No. 393, V. Administrative-Academic Disqualification) and will not be readmitted to CSU Dominguez Hills until those requirements have been completed.

GRADUATION WRITING SKILLS REQUIREMENT

All students subject to degree requirements in the 1979-80 and subsequent general catalogs must demonstrate competency in writing skills as a requirement for graduation through one of the options listed under the entry for the Graduation Writing Assessment Requirement (GWAR) in the University Catalog.

Completion of the Graduation Writing Assessment Requirement (GWAR)

Students who do not meet this requirement within two (2) semesters after completing the English Composition section of the Basic Skills requirements (or 90 semester units

total, whichever comes last) will receive special advisement. In order to satisfy GWAR, students have the option of either taking the GWE (see below) or enrolling in one of the following courses: ENG 350, HIS 300 or IDS 397 and IDS 398.

Graduate Writing Examination (GWE)

A voluntary test, the Graduation Writing Examination (GWE), for which a \$25.00 fee will be charged, is available to students at regularly scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year, if they are undergraduate students, or upon entrance to a graduate program if they are graduate students. Students are allowed to take the test only twice. The voluntary test is administered twice each semester and once in the summer. Information on test dates and procedures for sign-up are available in the Testing Office, Building 11, SCC 11207, phone (310) 243-3909 or <testing@research.csudh.edu>.

General Studies Requirements

STATUTORY REQUIREMENT

In addition to the General Studies/General Education requirements, students also must satisfy requirements in U. S. history and state government by completing the following:

HISTORY 101 or examination and

POLITICAL SCIENCE 101 or examination

CERTIFICATION

Accredited community colleges and public four-year colleges may sanction (certify) that all or part of general education requirements (post 1980) have been met. Transfer students with complete certification of California State University General Education breadth requirements or Intersegmental General Education Transfer Curriculum (IGETC) requirements are not required to complete additional lower division courses in general education. Transfer students should request that their college "certify" their general education. An additional nine semester units of upper division general education courses must be completed at CSU Dominguez Hills.

DOUBLE COUNTING GENERAL STUDIES COURSES

Lower division General Studies courses may be double counted. Under certain conditions and within specific majors, upper division General Studies courses may be double counted. Consult the University Catalog and/or an academic advisor.

General Studies Program

The General Studies program is divided into three components and requires 53-60 total semester units:

Component 1

Basic Skills 14-18 units

Component II

Natural Sciences	9	units
Humanities	9	units
Social Sciences	9	units
The Whole Person	3	units

Component III

Integrative Studies:9	units
Cultural Pluralism 0-3	

Continuing CSU Dominguez Hills students prior to fall 1980 and transfer students in continuous enrollment at a California Community College or a CSU campus since 1980-1981 may have the option of choosing the former General Education program. If you are uncertain about which program applies to you, consult an advisor at the University Advisement Center.

In addition, students must take a course emphasizing Cultural Pluralism (0-3), which can satisfy General Studies or other graduation requirements as well.

All students must take three upper division courses in General Studies, and all students must take three General Studies courses at CSU Dominguez Hills. The Statutory Requirements (HIS 101 or examination) are NOT part of the General Studies program, but are graduation requirements.

The current General Studies program is required of all students who enter CSU Dominguez Hills or a California Community College as first-time freshmen beginning fall 1986.

Testing Information

The Testing Office and some departments offer tests throughout the academic year. It is important to meet with an advisor to review which test you should take. Separate fees are charged for each test.

Credit-by-Examination

Some courses may be taken by Creditby-Examination. To receive credit-byexamination you must register for the course. It is important to read the conditions and restrictions in the current *University Catalog*. A "Petition for Creditby-Examination" must be filed by the dates designated by the Registrar. Forms may be obtained from the Admissions and Records Office, SCC J-103.

CREDIT BY EXAMINATION FOR ENGLISH 110, 111, 350 AND 352

Students wishing to earn credit by examination for English 110, English 111, English 350 or English 352 must take an examination at 10:00 a.m. on Saturday, February 12, 2000.

To be admitted to the testing room, each student must:

- Register for the course or courses you wish to receive credit for.
- 2. Fill out a petition to take the test. Petition forms are available in the English Department Office, LCH E-315 and must be on file in the English Department Office before noon, Thursday, Feb. 10, 2000;

and

- 3. Provide verification of satisfactory performance on tests or in courses. Verification in the form of letters of notification, scores reported by testing agencies, grade slips, or transcripts will be checked before the petition forms are accepted by the English Department Office.
- Present an official picture ID such as a CSUDH Student Identification Card or a valid driver's license to the test administrator.
- 5. Bring an 8* x 11" Blue Book to the examination.

Each student petitioning to take:

- ☐ English 110 is required to have an English Placement Test (EPT) score of T-155 and E-8 or higher. A student exempted from the EPT on the basis of a satisfactory score on the EEE, AP, SAT-Verbal, ACT, or College Board Achievement Test in English Composition with essay may attempt to earn Credit by Examination. (Only test scores will be used to determine the eligibility of a student.); English 111 must have completed English 110, or its equivalent, with a grade of "B" or better. Eligible students may apply for Credit-by-Examination for both English 110 and 111 at the same time.
- ☐ English 350 is required to complete English 110 and 111 (or their equivalents) with an average grade of "B" or better;
- □ English 352 must show a passing score of at least eight (8) on the graduation competency in writing examination (GWE) or have successfully completed English 350, Advanced Composition, with the equivalent with a grade of "B" or better. They also must have completed English 110 and 111 or their equivalent.

Students who are unsuccessful in their attempt to earn Credit-by-Examination may remain in the class, complete the work, and be awarded credit upon successful completion of course requirements. Students who pass the examination may NOT remain in the class to earn grades better than those earned on the examination. They may, however, retake the course in a later semester to improve grades lower than "C" in accordance with the Repeat and Cancel Policy.

Additional information on earning Credit-by-Examination appears in the current *University Catalog*.

Graduate Exercise in English

Graduate students in the English Department are required to pass the Graduate Exercise. Students are expected to fulfill this requirement at the start of their graduate work.

The exercise, scheduled for Saturday, Feb. 12, 2000 at 10 a.m. will consist of analyzing a short poem. Students may bring a dictionary.

Please register for the Graduate Exercise in the English Department Office, LCH E-315.

Waitlist Information and Instructions

Deadline to get on waitlist - January 25, 2000.

When you attempt to register for a class that is already full, you will be given the options of checking availability of another section of the same class or of placing your name on a waitlist for the full section. It is very important that you read the following information and instructions before attempting to place yourself on a waitlist.

Careful planning and selection of classes are very important as the same restrictions apply to placing yourself on a waitlist as to attempting to register for classes. Use the Registration worksheet on page D to list your preferred schedule, as well as, alternates to expedite the registration process. To maximize the number of units enrolled, you are strongly encouraged to check alternate section availability before placing yourself on a waitlist. Do not place yourself on a waitlist unless you really wish to add the course.

This is how waitlisting works:

- you may not waitlist a section which has a time conflict with a registered or waitlisted section
- you may not waitlist a section if you are already registered or waitlisted for another section of the same class
- you may not waitlist a section if it is restricted to a major, class (e.g., seniors) or level (e.g., graduate) other than your own

- you may not register or waitlist more than 18 units of registered and/or waitlisted classes
- ☐ if you wish to waitlist a lecture/lab class or any class with a required co-requisite, e.g., THE 120/THE 120A or TED 305S/TED 405, you must waitlist both co-requisite sections or classes; failure to do so will result in not being on the waitlist for either co-requisite section
- ☐ you must make your entries permanent (confirm) before exiting T.O.R.O.S. to secure your place in classes and on waitlists
- review your schedule periodically to verify your status

If you choose to waitlist a full class, you will be informed of your placing on the waitlist by T.O.R.O.S. and the waitlisted classes will be listed after any registered classes when you make your entries permanent (confirm). You may then drop yourself from a waitlist at any time during T.O.R.O.S. hours of operation. Remember that if you drop only one section of a co-requisite pair that T.O.R.O.S. will drop you from the other co-requisite section.

Once there are students on the waitlist for a full class, no one will be able to call in via T.O.R.O.S. and register in a class even if one or more students have dropped from a class that was previously full. This will allow the University to give priority to waitlisted students over students who happen to call in when a seat has become available. The University will move students from waitlisted to registered status as seats become available and will mail written notification to students of the change in their schedules. Once your status in a class has been changed from waitlisted to enrolled, it is your responsibility to drop the class (as with any other class) if you decide not to attend; failure to do so will result in a "U" grade on your record which will lower your grade point average.

Note: At the beginning of the semester, instructors will be provided with the names of all students who placed themselves on the waitlist for full classes but who could not be officially registered because seats did not become available. Use of the waitlist is at the discretion of

individual instructors. It is your responsibility to attend the first class meeting to confirm that you are still interested in being added to the class, to obtain the instructor's signature of approval on an Add card, and to submit the Add card to the Registration Office by the end of the Late Registration, Add/Drop period; students will not be moved automatically from waitlisted to registered status after classes begin. Students who remain on a waitlist but do not officially enroll will not get credit for the class.

WAITLIST INSTRUCTIONS

Please refer to pages B-D.

Registration Procedures

Each student eligible to register will receive a Registration Access Mailer or a letter from the Admissions and Records Office, which will provide important registration information:

- ☐ Registration appointment date and time
- Personal Identification Number (PIN)
- ☐ Student Identification Number (SID) social security number on record
- ☐ Major(s)
- Advising holds for students required to seek advising prior to registration
- Other holds preventing registration

It is very important to review all the information printed, to take the appropriate action to correct inaccurate information, and to seek advising or clear other holds several working days prior to your registration appointment date and time.

Please note that failure to apply for admission or register by the published deadlines in the previous semester, may result in not receiving a Registration Access mailer.

REGISTRATION APPOINTMENT DATE AND TIME

You will not be able to access T.O.R.O.S. before the date and time printed on your Registration Access Mailer or admission letter. Appointment dates and times are determined by class level and number of units completed.

Note that units in progress at CSUDH are not included and courses taken at another institution may not be included in the calculation of units completed.

Register at, or very soon after, your priority appointment time for the best selection of classes. If you are not able to register on your priority registration appointment day, you may register at any time through the end of the registration period; but, you will be competing for classes with students with lower priority access. It is in your best interest to register as early as possible!

Personal Identification Number (PIN)

Each student will be assigned a 6-digit PIN (similar to that used at an ATM machine). You are urged to change your PIN for security reasons and to keep your PIN in a safe place. Do not write your PIN in your Class Schedule. You may change your PIN by dialing T.O.R.O.S. and making the appropriate selection at the main menu; the recorded voice will guide you. If you lose your PIN, you will need to go to the Admissions and Records Office with a photo ID to obtain or change your PIN. PINs will not be released over the telephone.

STUDENT IDENTIFICATION NUMBER (SID)

The SID on your Registration Access Mailer should match your social security number. If the number is incorrect, use the assigned number and then file a request for a change of your SID number at the Records/Registration Office after you have completed registration. When you request a change, you must bring your social security card to the office.

Major(s)

Advising is required for students in certain majors. T.O.R.O.S. restricts enrollment in some courses to students in specific majors and concentrations/ options. If the information on your access mailer is incorrect, file a *Change of Major/Minor* form immediately – well in advance of your registration

ADVISING HOLDS

Advising is required for (1) all new students entering the University; (2) students who have completed 60 semester units; (3) students who have completed 90 semester units; and (4) students on academic or Academic Skills Assessment Plan (ASAP) probation.

Advising is also required for undeclared majors, specified majors, Educational Opportunity Program students, international students, special admits, post-baccalaureate students and some graduate students.

If you have more than one advising hold, you must meet with all appropriate advisors. Advising holds must be cleared before you attempt to register. It is advantageous to contact Advisors prior to the end of the current semester, even if you are not sure when you will register.

Sources for Advisement:

University Advisement Center: Undeclared majors, special majors, special admits, and students on ASAP probation. Location: SCC M-110.

Telephone: (310) 243-3538 International Student

Services Office: International students. Location: SCC N-126 Telephone: (310) 243-2215

Educational Opportunity Program Office: EOP students. Location: SCC C-127 Telephone: (310) 243-3632

Department/Program Advisor: Classified post-baccalaureate, graduate and undergraduate students in specified majors.

Graduate Studies: Unclassified post-baccalaureate students. Location: ERC F-503 Telephone: (310) 243-3308

Students in majors requiring advising will be mailed letters from the department informing them of advising dates and times. It is important to seek advising during the designated advising period and as early as possible. Do not wait until just prior to your registration appointment time since advisors may not be available. If you are in the process of changing your major, you should meet with an advisor in your new department.

All Advising Holds prevent access to T.O.R.O.S. and must be cleared by the appropriate advisor(s) before your priority registration appointment date.

- Prepare a list of alternate sections in case your first choice classes are not available.
- ☐ Call **T.O.R.O.S.** (310) 243-2REG from any touchtone telephone.
- ☐ Change your PIN (for security reasons).
- ☐ Make your entries permanent before exiting the system. Failure to do so will result in cancellation of your course requests.

T.O.R.O.S. Information

Making Your Entries Permanent - It is very important to make your entries permanent before exiting T.O.R.O.S. Failure to do so will result in cancellation of your request(s).

Enrollment limit - You may register/ waitlist in a maximum of 18 units during Registration. Students wishing to register in additional units must wait until the Change of Program, Add/ Drop period.

To enroll in 19 - 20 units during Late Registration, Add/Drop, an advisor's signature of approval is required on the *Add* form.

Students wishing to enroll in more than 21 units must obtain the approval of an advisor and the dean of the school or college in which the student is majoring. Undeclared majors must obtain the approval of the director of the University Advisement Center.

Co-requisites - Some courses require concurrent enrollment in a laboratory or activity section as well as in a lecture or seminar section, or concurrent enrollment in one or more other courses. Failure to add/waitlist both or all co-requisites will result in being dropped from your original request.

Enrollment restrictions - Some courses are restricted to students inspecific degree programs, to specific class levels (e.g. seniors) or to certain level students (e.g. graduates).

Some departments may choose not to print course reference numbers (CRNs) in the Course Listing section of the Class Schedule in order to screen students for eligibility. Other courses may not be available through T.O.R.O.S. but may be added with the instructor's approval during Late Registration, Add/Drop.

Questions about enrollment restrictions and eligibility for specific classes should be directed to the department concerned.

Students who are not eligible for restricted courses may be able to obtain approval from the department in special circumstances. A signature of approval must be obtained from the appropriate department representative on a Restricted Registration Exception Form. The form, available from department offices, must be submitted, inperson, to the Admissions and Records Office, SCC J-103, where registration in the restricted course can be completed provided a seat is available. Note: You may place yourself on a waitlist if the requested course is full; however, if the course has a required co-requisite, it will be necessary to register in or waitlist both co-requisite sections or courses. You may not register for one and waitlist the other. The Restricted Registration Exception form is valid during touchtone registration periods only; during Late Registration, Add/Drop, the instructor's signature of approval on a Change of Program (Add/Drop) card is required.

Time conflicts - T.O.R.O.S. checks for time conflicts and will not allow registration in classes meeting at the same time. Students with permission from both instructors to enroll in classes with a time conflict, will need to file a Petition for Approval to Register for Courses with a Time Conflict form obtainable from the Admissions and Records Office and from the Records/Registration Office, and will need to be registered in-person during official registration periods only.

Check Course Availability - If you find that a desired course is full or cancelled, T.O.R.O.S. gives you the option to check for open sections of a course. Prepare a list of alternate courses and/or sections before attempting to register in anticipation that your first choice class/section is full or cancelled.

Full classes – If you attempt to register for a class that is already full, you will be given two options:

- i) to check for open sections of the same course
- ii) to place yourself on a waitlist for the requested section

In order to secure a seat in the class, it is recommended that you check for open sections first and register for an open section, if any. If no open sections exist, you may wish to place yourself on a waitlist for the full section of your choice. Please refer to pages B-D for information and instructions on waitlisting.

Cancelled classes – See Check Course Availability. If you register for a course which is subsequently cancelled, you will receive written notification from the Office of Admissions and Records and should register for an alternate class or section as soon as possible.

Schedule adjustment/Schedule review-Remember, you may call back any time during the Registration period to change or review your schedule. If you choose to exchange one class for another, add the new class before dropping the other class (unless you have reached the maximum enrollment limit). If you wish to drop a class without adding another – do not delayas a courtesy to another student trying to add the class. You may also review your schedule or drop classes at any time during Late Registration. See page B for dates and times.

Troubleshooting

☐ Missed your priority appointment time?

You may register at any time through the end of the touchtone registration period.

☐ Can't access T.O.R.O.S.?

Check you are dialing the correct number.

Are you using a true touchtone telephone? Not all push-button telephones are touchtone and some programmable telephones using the "#" or "*" key in programming cause access problems. Try another phone. Students wanting to register while on campus may use the campus pay phones or the courtesy phones located throughout the campus.

☐ T.O.R.O.S. not available?

Check dates and hours of operation. If the system is not available during scheduled hours, try again later.

☐ Busy signal?

All lines are busy - try again later.

☐ Made a mistake?

Do not hang up - wait for the recorded voice to prompt you.

☐ Not able to register for a specific course?

Check for footnotes in the course offerings section. The course may:

- be full. Select Option 4 (check course availability pages D & H), to listen to alternate open sections or place yourself on the waitlist;
- be a duplicate section of a course in which you are already registered;
- conflict with another course in which you are already registered;
- be restricted to certain majors, class levels or student levels;
- require screening in the department (CRN may not be printed);
- require one or more co-requisite sections.

Questions regarding enrollment restrictions should be directed to the department.

☐ Lost your entries?

You must make your entires permanent before hanging up; failure to do so will result in cancellation of your course requests.

☐ Unable to get on a Waitlist?

Check to make sure course is closed. You may only waitlist for courses that are closed or that are open with existing waitlists.

NOTE: The deadline to get on a waitlist is January 25, 2000.

Special Sessions Programs

The Special Sessions area within the Division of Extended Education is in the unique position to offer a wide variety of individual courses for university credit to matriculating as well as non-matriculating students during both the special three week winter session and during the three summer sessions. During the fall and spring semesters, Special Sessions also offers a variety of courses for university credit that satisfy the requirements for a number of programs. Special Sessions programs are uniquely designed to accommodate the needs of a given population. In some cases the completion of a program may culminate in a bachelor's or master's degree and in others it may result in a certificate or credential. Because Special Sessions courses are self-supporting, tuition is charged. The following list reflects the current Special Sessions programs and the contact person for each.

Distance Learning and Mediated Instruction

TV Classes

A TV class is taught in one of the TV classrooms (ERC E-133 or ERC A-103) and broadcast over local television systems. Seating in the TV classrooms is limited. However, students who can see the broadcast on their TV can enroll in the TV designated section and attend class from their home or a worksite, i.e. a local elementary school. All CSUDH TV classes are broadcast live. Students can use a toll free number to call in and speak with the instructor during the broadcast.

Different TV classes can be seen on different TV systems, however, <u>All</u> TV classes broadcast by CSU Dominguez Hills can be seen on Prime One Tele TV. Prime One TeleTV is a wireless cable television service available in Los Angeles and Orange Counties. Pacific Bell Digital TV has become Prime One Tele TV - the phone number is 1-877-4-83-5388 (1-877-4-Tele TV).

Many of the classes broadcast by CSU Dominguez Hills can also be seen on local cable television systems, i.e. MediaOne (Channel 2) in Wilmington, Lomita, parts of San Pedro and Harbor City and Time Warner (Channel 54) in Torrance, Hawthorne, Gardena, El Segundo and Lawndale.

Some of the CSUDH TV classes, i.e. the Young Scholar Class on MTW from 3-4 PM, the Special Sessions IDS course on Tuesday nights and the MBA courses on Saturday and Sunday afternoons can be seen on The LA Channel (Channel 36) in the City of Los Angeles.

Two teacher education courses can be seen Saturday and Sunday mornings on KLCS Channel 58, the Los Angeles Unified School District's UHF television channel. KLCS can be received on an antenna over the air but is also carried on many local cable television systems.

Additional teacher education courses are broadcast during the week after school. To view these courses students must be subscribers of a local cable television system that broadcasts the university's courses.

A number of TV classes will also be simulcast on the Internet. Anyone with a PC Pentium II and access to the Internet can go to the class website at www.csudh.edu/dominguezonline.

Videoconferencing Classes

Videoconferencing classes are taught in the videoconferencing classroom (ERC E-127). A two-way audio and video connection is made between the videoconferencing classroom and videoconferencing classrooms at various community colleges. Students can attend class on campus or at one of the offcampus videoconferencing classrooms. Videoconferencing classes cannot be seen on local television. Students must go to a site that is participating in the program. Many of the videoconferencing classes are part of the PACE IDS program. Classes are offered in the evenings and on Saturdays.

Internet Classes

An Internet class is taught entirely over the Internet. Students will receive all of their information, communicate with the instructor and other students and complete all

of their assignments on-line. In addition to basic computer skills, students need the use of a computer, an email account and access to the Internet. It is possible for students to do all of the work for an Internet class in one of the on-campus computer labs. Students who want to do the work at home will need an Internet Provider and a modem.

Internet courses may be entirely asynchronous, i.e. webpages that could be accessed by the student from anyplace at anytime. However, in the Spring of 1999, Dominguez Hills was the beta site for a software application that makes it possible to conduct live, synchronous classes on the Internet. For those synchronous Internet courses all students enrolled in the class must be at a computer at the same time so they can log on to a common website and participate in the live, interactive broadcast.

University Police

The Department is located on campus at:

SCC A-122, Bldg. 2 1000 East Victoria Street Carson, CA 90747 (310) 243-3639

The Student Housing Sub-station is located at:

Apartment F4 (310) 217-6960

The University Police Department provides safety oriented service to CSU Dominguez Hills.

It includes University Police and Parking Services providing 24 hour-a-day patrol protection of university property, buildings, parking lots and student housing. All laws and codes of the state are enforced on the campus, including regulations the University establishes to administer the campus community.

Officers are responsible for reporting and investigating crimes, issuing traffic citations and responding to medical emergencies, traffic accidents and fire emergencies, as well as other incidents that require police assistance. University police officers are vested with full law enforcement powers and responsibilities, identical to the local police or sheriff departments in your home community. Officers meet training requirements mandated by the California Commission on Peace Officers Standards and Training as well as training designed to meet the needs of the university community. As state police officers their police authority extends throughout the entire state, including concurrent jurisdiction with the Los Angeles County Sheriff Department on the adjacent streets and community.

The Department prepares and submits a monthly Uniform Crime Report to the California Department of Justice. The Department also enters reported stolen vehicles and property with serial numbers into the National Crime Information Center, allowing for recovery throughout the United States.

As an active member of the Criminal Justice System, the University Police interacts and cooperates with other law enforcement agencies. Cases are filed with the Los Ángeles County District Attorney. Information may also be given

to the Office of the Vice President for Student Affairs for appropriate action involving students.

The Department works closely with the Student Housing Office in an effort to educate the residents in crime awareness and crime prevention.

The Department established a police sub-station (COPS) in apartment F4 in Student Housing to facilitate a community based policing program in housing.

All emergency calls continue to be routed to the main station in SCC A-122 on campus and all officers continue to be dispatched out of the main station.

The Dispute Resolution Center is currently sharing the sub-station with our department.

Crime Prevention Programs

The Department has established programs that serve to raise the level of safety awareness of the campus community. These programs include:

The Student Escort Service provides escort service during the hours of 6 - 11 p.m. for students, faculty and staff who walk alone to their cars.

To request an evening escort

 Most campus buildings and facilities are accessible to members of the campus community, guests and visitors Monday through Saturday until 10 p.m. and as certain special events dictate.

Motor vehicle lots, pedestrian walkways and building exteriors are well lighted. The University Police conducts a weekly light survey throughout the campus and a report is made to Physical Plant on a weekly basis.

Shrubbery, trees and other vegetation on campus are trimmed and maintained on a regular basis with special attention given to walkways. Physical Plant conducts a facility audit on the entire campus on an annual basis.

Academic Integrity: Its Place in the University Community

THE UNIVERSITY COMMUNITY

A university is a community of learners bonded together by the search for knowledge; the pursuit of personal, social, cultural, physical, and intellectual development; and the desire for the liberating effects of an advanced education. California State University, Dominguez Hills (CSUDH) has a culture—the academic culture—shared with other universities and colleges across the nation. Integral to that culture is a set of values such as academic freedom, dedication to teaching and learning, diversity, civility toward others, and academic integrity.

ACADEMIC INTEGRITY

Academic integrity is of central importance in the university community and involves committed allegiance to the values, the principles, and the code of behavior held to be central in that community. Integrity concerns honesty and implies being truthful, fair, and free from lies, fraud, and deceit.

The core of a university's integrity is its scholastic honesty. Honesty is valued across all cultures and is a fundamental value in the academic culture. There are, however, cultural differences with regard to the ownership of ideas and the importance of individual efforts. Nonetheless, the university expects all students and other campus members to document the intellectual contributions of others and to ensure that the work they submit is their own.

Education provides students with the resources to master content, learn skills, and develop processes to maximize self potential and the potential of others. Students must demonstrate mastery of each step of learning by tangible products such as test performance, papers, and presentations. This process enables the student and the instructor to assess the student's readiness for the next steps and gives the student the confidence to undertake future steps. Students who cheat may not have mastered the necessary steps nor gained the necessary knowledge; they miss the opportunity to gain an accurate picture of what they know and what they do not know.

Cheating harms others and the institution in addition to limiting one's own potential. Other students are rightfully angry when dishonest students use inappropriate methods to get grades for which honest students work hard. The fairness of the grading process is compromised when a student falsely obtains a grade. Academic dishonesty may result in loss of confidence in the system and devaluation of the quality of the university degree.

THE NATURE OF ACADEMIC DISHONESTY

A standard definition of academic dishonesty has been provided by Kibler, Nuss, Paterson, and Pavela (1988):

Academic dishonesty usually refers to forms of cheating and plagiarism which result in students giving or receiving unauthorized assistance in an academic exercise or receiving credit for work which is not their own.

They further define the following specific forms of academic dishonesty:

Cheating—intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise. The term academic exercise includes all forms of work submitted for credit or hours.

Cheating also includes: unauthorized multiple submissions, altering or interfering with grading, lying to improve a grade, altering graded work, unauthorized removal of tests from classroom or office, and forging signatures on academic documents.

Fabrication—intentional and unauthorized falsification or invention of any information or citation in an academic exercise.

Facilitating academic dishonesty—intentionally or knowingly helping or attempting to help another to violate a provision of the institutional code of academic integrity.

Plagiarism—the deliberate adoption or reproduction of ideas or words or statements of another person as one's own without acknowledgment.

At the heart of any university are its efforts to encourage critical reading skills, effective communication and, above all, intellectual honesty among its students.

Thus, all academic work submitted by a student as his or her own should be in his or her own unique style, words and form. When a student submits work that purports to be his/her original work, but actually is not, the student has committed plagiarism.

Plagiarism is considered a gross violation of the University's academic and disciplinary standards. Plagiarism includes the following: copying of one person's work by another and claiming it as his or her own, false presentation of one's self as the author or creator of a work, falsely taking credit for another person's unique method of treatment or expression, falsely representing one's self as the source of ideas or expression, or the presentation of someone else's language, ideas or works without giving that person due credit. It is not limited to written works. For example, one could plagiarize music compositions, photographs, works of art, choreography, computer programs or any other unique creative effort.

Further information about the various forms of academic dishonesty can be obtained from the office of any Instructional Dean or the Student Development office. Individual departments and faculty may also provide specific examples.

Who Has the Responsibility for Promoting Academic Integrity and Preventing Academic Dishonesty?

Faculty Responsibility

The faculty as representatives of the institution have the opportunity to encourage academic integrity and the responsibility to discourage and curtail academic fraud. At CSUDH, incidents should be reported to the Office of the Vice President of Student Affairs. Unless incidents are reported to a central location, repeated violations may go undetected as they occur in separate departments or with different faculty. The Vice President of Student Affairs will notify the student if a report is received.

Student Responsibility

Students are responsible for the integrity of their actions and must be willing to accept consequences for these actions. Students have the responsibility to be familiar with the University policies and to seek clarification with faculty if they

are unclear about expectations for any assignment. Students are also encouraged to report academic dishonesty. In the sense that a university is a community, students should understand their own role in the creation of the kind of environment that encourages honesty and discourages academic fraud. Students need not tolerate any action on the part of another that diminishes their own integrity or that of the university.

OPTIONS FOR ADDRESSING ACADEMIC DISHONESTY

When a faculty member detects dishonesty, he or she will address it. If appropriate, the faculty member will first confront the student and seek an "in-office" resolution. Remember the charge is an allegation that should be examined under due process.

If the faculty member is convinced that dishonesty has occurred, she or he will use one or more of the following options:

- a. Adjust the evaluation of the student's work, i.e., nullify the effort or a portion of it. This action may be taken as part of a decision regarding assignment of a grade. The faculty member is not required to formally report the incident through the campus disciplinary process but is strongly encouraged to do so.
- b. Refer the matter to the Vice President for Student Affairs for an investigation as part of the Student Disciplinary Procedures. These procedures call for due process, a hearing or the opportunity to waive a hearing and accept a sanction without admitting guilt. (An "F" grade supported by a decision in a disciplinary case may not be the subject of a grade appeal and may not be repeated and canceled.)
- c. Use both "a" and "b" above.

THE CALIFORNIA STATE UNIVERSITY DISCIPLINARY PROCEDURES

Student enrollment is a voluntary entrance into the academic community of learners. By such entrance, the student voluntarily assumes, and is expected to assume, obligations of performance and behavior that are imposed by the university relevant to its lawful missions, processes, and functions. The University reserves the right to discipline students in order to secure compliance with these obligations.

Students who engage in dishonest behavior are charged with violating Title 5, California Administrative Code, Section 41301, under the Student Disciplinary Procedures for the California State University established by Executive Order #628 by the Chancellor. A copy of these procedures may be obtained from the Offices of the Vice President for Student Affairs or Student Development.

Student Grievance Policy:

The purpose of this policy is to provide a procedure to resolve serious student grievances. A grievance is a student's claim that an employee, or agent of the University, auxiliary organization, or Associated Students, Inc., had acted in some official manner that is arbitrary, capricious, or contrary to established policies, resulting in an unjust or serious adverse impact on the student.

The policy outlines both informal and formal grievance procedures. Students are required to attempt to resolve grievances informally before pursuing the formal process. In all cases, the University's commitment to the student is to seek timely resolution of complaints in a fair and consistent manner based on impartial examination of the facts, and to maintain confidentiality.

The procedures specified in the policy are to be followed when no other specific campus policy or procedure, such as Sexual Harassment policy, Grade Appeals, Affirmative Action Policy, Disciplinary Code, and Nondiscrimination Policy, exists that would more appropriately and effectively bring about a resolution of a student's complaint or grievance. Under no circumstances can the same complaint be pursued through different avenues for resolution.

To obtain information regarding the policy and procedures, the student should contact the Office of Associated Students, Inc. located in the Loker Student Union. The Associated Students, Inc. shall then refer the student to the Grievance Procedure Facilitator.

The University's Alcohol & Drug Policy

Consumption of alcohol or drugs on campus is limited to certain approved events and locations. All state laws dealing with alcohol and drug use are enforced by the University Police. Violators may be subject to fine, imprisonment or expulsion from the University. Under age consumption or possession of alcohol is not permitted on University property, including athletic fields and student housing areas.

The University recognizes that alcohol or drug dependency is an illness and a health problem. Information, assessment and referral services are available on campus. These programs assist students in finding alternatives to substance abuse, while promoting a healthy lifestyle and the ability to cope with problems as they arise.

Attendance at First Class Meeting

It is the responsibility of the student to make certain that his/her drop has been officially recorded. Continued absence from the class may yield a grade of "U". Students should not assume that a faculty member has dropped them from the class. Refer to PM 94-06, "Attendance at First Class Meetings."

Prior to the end of the second week of classes, a faculty member may, but is not required, by following the appropriate procedures, initiate a formal drop of students who:

□ have missed the first two class meetings (or the first meeting if the class meets only once a week), and have not advised the faculty member (or the department chair, if no faculty member was assigned to the course in advance) that their absence is temporary.

Students who have been dropped by the instructor from a class but wish to reregister must submit a change of program (add/drop) card, signed by the instructor, by the end of the third week of the semester.

I. Objectives

California State University, Dominguez Hills strives to provide an optimal environment for growth and learning. The campus community has a right to pursue these goals in an atmosphere conducive to personal safety. All forms of sexual assault are acts of aggression or violence against individuals. A sexual assault perpetrated on campus or in a campus-affiliated location will be investigated for possible disciplinary actions and/or criminal prosecution.

II. Definition of Sexual Assault

Any involuntary sexual act in which a person is threatened, coerced or forced to comply against her/his will. Such acts include, but are not limited to: rape (including "acquaintance rape"), forced sodomy, forced oral copulation, rape by a foreign object, sexual battery or threat of sexual assault.

III.Procedures for Notification of a Sexual Assault

All incidents of sexual assault should be reported to the University Police, either directly by the victim or with the consent of the victim. The University Police will notify the Vice President for Student Affairs on all sexual assault reports, and will notify other departments on campus, as appropriate, on a need-to-know basis. While victims cannot be promised unequivocal confidentiality, protection of their identity will be of high priority in making such notifications.

If the victim reports a sexual assault to someone on campus other than the University Police Department, that person should encourage the victim to contact that department. If the victim cannot be persuaded to report the incident to the police, she/he should be referred to the Health Center, the Counseling Center, the Women's Center or the Vice President for Student Affairs for assistance and support. Depending upon the nature of the assault, Health Center medical providers may be required by law to report the incident to the police.

IV. Responsibilities of the University Police Department

- All reports on sexual assault will be thoroughly investigated by the University Police. Arrests will be made when appropriate. If indicated, results of investigations will be submitted to the District Attorney's Office for evaluation for criminal prosecution.
- University Police will inform victims of their various rights and options, including: criminal prosecution, civil prosecution, Victim's Assistance Aid, the disciplinary process through the University, and the availability of mediation. When appropriate, the University may seek assistance from the CSU Office of the General Counsel.
- University Police will apprise victims of resources available to them
 on campus, including health and
 counseling services. They will also
 advise the victim of the availability
 of sexual assault assistance programs off campus.
- 4. If necessary or indicated, an officer will transport the victim to an appropriate emergency medical facility for treatment and/or evidence collection. Officers will inform the victim of the right to have a friend/family member accompany them to the hospital. When possible, a same-sex officer will be assigned to interview the victim and provide transport to the medical facility.
- The University Police Department will notify the campus community of all incidents of rape, and of all other incidents of sexual assault as appropriate. Notification shall occur as soon as possible by way of a written "Crime Alert Bulletin" and shall be widely disseminated. Only those details of the assault which are essential to the health and safety of the campus community shall be released. University Police will also notify parents or relatives of the victim as appropriate and with the consent of the victim.

Responses to the media regarding any incident of sexual assault will be handled by the office of University Advancement. The name of the victim will not be disclosed in any notification, either to the campus community or to the media.

V. Legal Reporting Requirements University police are responsible for the following reporting requirements:

- When victims are under 18 years of age, a Department of Justice form SS 8583 must be submitted to the California Department of Justice in Sacramento.
- Statistics on sexual assaults must be made available to those who inquire about the occurrence on campus.
- Sexual assault could require completion of domestic violencerelated calls for assistance - form BCS 715 under Penal Code Section 13730 (a) or Section P.C. 13700 (a).
- Monthly statistics will be submitted routinely to the Department of Justice.
- The University Police Detective has responsibility for maintaining and submitting all required legal reporting.

The campus has designated the Vice President for Student Affairs as the person responsible for collecting data on incidents of sexual assault on campus and at campusrelated events. The Vice President will also be responsible for insuring that information on incidents of sexual assault are reported through the President to the CSU Chancellor's Office, as required by AAES 87-07.

VI.Procedures and Guidelines for Campus Disciplinary Action

A. Student Disciplinary Cases The procedures utilized in cases involving sexual assault are governed by existing disciplinary policies set forth in California State University, Executive Order No. 628. In cases where the accused is a student or student organization, the report should be made to the Vice President for Student Affairs, who will initiate appropriate action for investigating the complaint. The disciplinary process requires that both the victim and alleged assailant be informed of their rights as outlined in Executive Order 628.

- Victims of a sexual assault are entitled to information regarding the status of their case and its resolution. Such information should be provided to the victim by the Vice President for Student Affairs or his/her designee, or the appointed Campus Discipline Coordinator.
- Victims will be informed of the need to identify both the victim and the assailant in the investigation and hearing of either a student discipline case or a criminal prosecution. Similarly, accused students should be made aware that victims will be informed of the disposition of student disciplinary actions against accused perpetrators.
- All current policies regarding confidentiality and student's records will be followed in accordance with Federal and State laws and CSU policies.
- 4. All reports and recommendations from a student disciplinary case will be forwarded to the Vice President for Student Affairs for final disposition. The severity and number of sanctions applied in cases of sexual assault will depend on the nature of the case and the degree of complicity. Anyof the following are possible sanctions for students found guilty of such charges:
 - a. Expulsion
 - b. Suspension for a specific time
 - c. Barring of access to the campus
 - d. Disciplinary probation for a specific time
 - e. A lesser sanction
- B. Employee Discipline Cases In cases in which the accused is an employee of the university, the report should be made to the Executive Vice President for Administration, who will initiate appropriate action for investigating the complaint. Both the victim and the alleged assailant will be informed of their procedural rights. All reports and recommendations resulting from such an investigation will be forwarded to the President for final disposition. Possible sanction for an employee found guilty of such charges include, but are not limited to:

- a. Termination
- b. Suspension for a specific time
- c. Formal reprimand

VII. Resources and Services

Any student, faculty or staff member of the university who is or has been the victim of a sexual assault on campus or at a campus - sponsored event held off-campus is entitled to receive support services available on campus.

Counseling services are provided

Counseling services are provided through either Health Programs and Psychological Counseling or Student Development. Staff who have been trained in working with victims of sexual assault and other violent crime are available in each unit.

Victims of sexual assault can receive first aid and urgent care in the Student Health Center. The Student Health Center can also provide follow-up care to sexual assault victims, including STD and pregnancy testing, referrals for HIV testing, or addressing other health concerns that may be indicated subsequent to the assault. There is no cost for on-campus services provided by the Student Health Center. Victims needing services when campus offices are closed will be given referral information for local health care agencies. Individuals needing a full medical evaluation, including evidence collection, will be referred and transported to a local emergency care facility or hospital equipped to provide those services. Other offices on campus will, as a matter of policy, provide additional support services to students, including alternative housing assignments and academic assistance alternatives. The Vice President for Student Affairs will insure that victims of sexual assault receive available support services on campus.

VIII. Prevention

The university believes it is important to offer preventive as well as ameliorative programming to deal with issues of sexual assault. A number of offices have been providing such services and will continue to do so as a matter of policy. University Police, Health Programs and Psychological Counseling, Student Development, Student Programs, Housing and the Women's Center have been involved independently and jointly in providing workshops and seminars on crime prevention, rape prevention and "acquaintance rape" awareness. A brochure we developed entitled "About Rape" has been widely disseminated on campus for several years. It includes information about on and off-campus resources available to students. The university will continue to seek additional activities which address increased awareness and prevention of incidents of sexual assault. Refer to PM 96-01, May 1996.

Possession of a Firearm on Campus

Violators will be arrested and prosecuted for felony violation of section 626.9 of the California Penal Code which is punishable by two - four years in state prison.

Repeat and Cancel

The Repeat and Cancel policy may be used only by students working toward a baccalaureate degree. It may not be used by graduate/postbaccalaureate students working on master's degrees, graduate certificates, teaching credentials or by unclassified postbaccalaureate students, even when they might take undergraduate courses.

- In the case of a repeated course, the subsequent grade is substituted for the earlier one in the computation of units attempted and grade point average. The previous course grade(s) remains(s) on the record, but is/are annotated as being discounted from grade point average calculations.
- Repeat and Cancel may only be used on courses taken at CSU Dominguez Hills and courses that are repeated at CSU Dominguez Hills, or at another CSU campus during summer sessions, or as a CSU visitor/concurrent student.
- Repeat and Cancel may be used up to a total of eighteen (18) semester units taken at CSU Dominguez Hills.
- Repeat and Cancel may be used only on grades of "U," "F," "D," "D+," "C-," and not for "NC" and "W" grades.
- Students must complete a Notice of Repeated Course form for each course repeated that meets all Repeat and Cancel policy guidelines.
- A grade entered as a result of the student disciplinary procedures under Executive Order No. 148 cannot be cancelled and will be computed in the grade point average.

All courses used to fulfill the requirements for the master's degree must be passed with a grade of "C" or better. Any course in the graduate program may be repeated and the two grades averaged when computing the grade point average. However, any course in which a grade lower then "C" is earned *must* be

repeated for a grade of "C" or better and the two grades averaged. An overall grade point average of 3.0 (B) or above is required in all courses taken to satisfy the master's degree requirements.

STUDENT LIFE - another part of education!

Get a life! ◆ Studies have shown that students who participate in campus activities are more satisfied with their university experience and more likely to succeed in completing their degree. ◆ Also, today's employers are seeking to hire well-rounded graduates who have strong leadership skills. ◆ You can learn these skills by getting involved in any of the fun and educational opportunities listed below and on the next page. ◆ Take your choice - we think you'll find it time well spent!

ASSOCIATED STUDENTS, INC. (ASI)

All CSUDH students are members of the Associated Students, Inc. ASI provides opportunities for involvement in the governance of the campus as well as a wide variety of activities and services for students. Please contact the ASI in the Loker University Student Union to discover all the opportunities available to you. For information, call (310) 243-3686.

ATHLETICS

Twelve teams with national reputations for athletic and academic achievement offer students opportunities for involvement as a student athlete and as a fan. New York Residents: Consumer reports may be requested in connection with the processing of the enclosed application and any resulting account or update, renewal or extension of the account. Upon your request, we will tell you whether or not a consumer report was requested and the names and addresses of any consumer reporting agencies that have provided us with such reports.

Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy consumers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

Wisconsin Residents: Wisconsin law provides that no provision of any marital property agreement, unilateral statement, or court decree applying to marital property will adversely affect a creditor's interests, unless the creditor, prior to the time credit is granted, is furnished with a copy of the agreement, statement or decree, or has actual knowledge of the adverse provision when the obligation to the creditor is incurred.

Purchase rebate: You can earn a 5% rebate on net new purchases (net new purchases are purchases less returns for credit) made during each billing cycle in which you carry a balance from statement to statement (i.e. the total of payments and credits to your account is less than the Previous Balance on your current statement). Your account must remain open and in good standing in order to earn or redeem the rebate. If at any time your account becomes delinquent, is closed, or is in default, you will forfeit all rebates. The net new purchase rebate will be paid monthly as a credit to your GTE Calling Card account. The maximum rebate you can earn is \$50 per billing statement; \$300 per calendar year. The amount of the rebate will be included in your monthly statements. Cash transactions, including cash advances and balance transfers, do not qualify for the rebate. Rebates have no cash value and are not earned until they are redeemed. The terms and conditions of the rebate program may be changed or canceled by GTE Visa at any time and for any reason. Certain other restrictions may apply. Please see the rebate terms and conditions accompanying the credit card.

All activation incentives and purchase rebates earned expire 180 days after posting to your account.

Each month you make calls on your GTE Calling Card you will receive a detailed statement. All incentive benuses plus purchase rebates earned will appear as a credit on your GTE Calling Card bill. All balances in excess of rebates paid will be charged to your GTE Visa account. If we are unable to charge your GTE Visa account for any reason or if you do not have a GTE Visa account your invoice will have a balance due which is payable directly to GTE Communications
