Please note that the system will prepopulate identifying user profile faculty information (name, EMPID, status, & APDB Dept ID) automatically based on your InfoReady user account. The user account information is linked to Peoplesoft.

Applications should only be submitted in two ways:

- 1) Faculty members submit requests themselves using their InfoReady account.
- 2) A proxy can submit a request on behalf of a faculty member. Faculty can assign proxies to their account so that other individuals can submit requests on their behalf. Follow these instructions to add a proxy to your account: [Adding Proxies to My Account](#).

If you are a proxy submitting on behalf of a faculty member, you will need to click on the “Submit Reassigned Time Request as Proxy” tab/button at the top or bottom of the CSUDH Faculty Reassigned Time landing page.

Note: If you need assistance assigning proxies to your account or are a staff member needing to be added as a proxy for specific faculty, please contact Claudia M. Orozco or Cynthia Napoles.

InfoReady will display a list of faculty members for whom you are a proxy. Choose the faculty member you wish to submit a request for from the dropdown menu. The system will automatically fill in the faculty's identifying information, including name, EMPID, status, and APDB Dept ID.
