

CSUDH USLOAC Checklist for Evaluating Indirect Measures

Reviewer's Name _____

Program Evaluated _____

	Criteria	Yes	No	Comment
1	Indirect measures contain items related to each specific PLO (not just the same measure for each PLO)			
2	Indirect measures assess relevant characteristics of the PLO			
3	Indirect measures allow for different levels of learning (response categories are exhaustive)			
4	There are expected standards of success for each level of learning across each PLO			
5	Indirect measures provide an understanding of how different groups of students are learning and achieving the outcomes
