Mr. Obioha Ogbonna
President, Associated Students, Inc. (ASI)
California State University, Dominguez Hills
1000 E. Victoria St, LSU 231
Carson, CA 90747

Dear Obioha,

Based upon alternate consultation conducted by ASI with CSUDH students on potential modifications to current ASI fee designations approved via student referendum more than 20 years ago and subsequent discussions with Deborah Wallace, Vice President for Administration and Finance, I approve the following changes to the ASI student fee designations effective FY 2023/24:

1. The addition of the consumer price index (CPI) to be applied to the ASI fee every two years beginning fiscal year 2023/24 and thereafter.
2. The allocation to the athletics scholarships will move from an existing \$29.00 per student allocation to a fixed annual allocation to athletic scholarships of \$400,000.

I appreciate ASI continuing to maintain a balanced budget and encourage ASI to continue to collaborate with Vice Presidents Wallace and Franklin to further enhance ASI's financial effectiveness and advance recommendations on how ASI can further collaborate on programs and activities that support California State University, Dominguez Hills' students.

Sincerely,

A handwritten signature in blue ink that reads "Thomas Parham".
