ACADEMIC REQUIREMENTS REPORT, WHAT IS IT? WHERE CAN I FIND IT?

Your Academic Requirements Report (ARR) provides you with a list of graduation requirements. It allows you to see what you have completed, what you are taking, and what you still need to take. For example, General Education requirements (transferred or taken at CSUDH), Units, Major Courses, etc.

You can find your Academic Requirements Report in your MyCSUDH account in various places.

1. On your Student Center, under Other Academics
2. In your Smart Planner, under Academic Requirements Report

The screenshot shows a user interface for 'Academics'. On the left, there is a navigation menu with links for 'My Class Schedule', 'Smart Planner', and 'Schedule Planner'. Below these links is a search bar containing the text 'other academic...'. An orange arrow points to this search bar. On the right side of the interface, there is a 'Deadlines' section with a 'URL' icon. Below that is a 'This Week's Schedule' table.

ACADEMIC REQUIREMENTS REPORT, HOW DO I READ MY REPORT?

The screenshot shows two panels: 'Current Academic Objective' and 'Current Academic Summary'. The 'Current Academic Objective' panel contains a table with columns for 'Requirement (Catalog)' and 'Term'. It lists Career, Program, and Plan, followed by 'Expected Grad Term' and 'Graduation Status'. The 'Current Academic Summary' panel lists 'Last Term Registered', 'Academic Standing', 'Overall GPA', and 'CSUDH GPA'. Colored arrows point to the Plan field (orange), Expected Grad Term (green), Graduation Status (red), Overall GPA (blue), CSUDH GPA (yellow), and Academic Standing (purple).

Program:	UGRD Degree and Certificates	Fall 2020
Plan:	Human Services	Fall 2020

Expected Grad Term: Spring 2022
Graduation Status: Degree Program is in Review

Your Plan: This is your declared major. If you have a minor or 2nd bachelor, it will be listed below.

Expected graduation date: Once you apply for graduation, your intended graduation semester will go here. If you have not applied, it will be blank.

Graduation Status: This will change as your degree is being reviewed for graduation. Usually during your last semester.

Academic Standing: This provides you with your academic standing.

Overall GPA: Transfer students will have a GPA from their community college. Freshman students will most likely have the same GPA for both areas since they take their GE courses at CSUDH.
