- ❑ [University Internship](#)  
If you become a full-time contracted teacher, you may qualify to be Intern eligible upon completion of required coursework. Contact Ms. Debbie Evers Allen at [devers@csudh.edu](mailto:devers@csudh.edu)

Admission into programs leading to licensure and credentialing does not guarantee that students will obtain a license or credential. Licensure and credentialing requirements are set by agencies that are not controlled by or affiliated with the CSU and requirements can change at any time. For example, licensure or credentialing requirements can include evidence of the right to work in the United States (e.g., social security number or taxpayer identification number) or successfully passing a criminal background check. Students are responsible for determining whether they can meet licensure or credentialing requirements. The CSU will not refund tuition, fees, or any associated costs, to students who determine subsequent to admission that they cannot meet licensure or credentialing requirements. Information concerning licensure and credentialing requirements are available from the College of Education Credential Analysts Unit at (310) 243-3525.
