PRESIDENT'S WELCOME

Dear Toro Graduates,

Activist Ruby Bridges tells us: “Don’t follow the path. Go where there is no path, and begin with the trail. When you start a new trail equipped with courage, strength, and conviction, the only thing that can stop you is you.”

On behalf of the faculty, staff, and senior administration of California State University, Dominguez Hills, I extend congratulations to the Class of 2022 as you prepare to carve out new pathways to opportunity, career, and civic engagement.

To reach this momentous occasion, you had to overcome a myriad of obstacles, the likes of which have been truly unprecedented. You and your families have endured a series of crises, including a health pandemic and a host of social justice issues that challenged our intellectual and emotional sensibilities. When the COVID-19 crisis hit, it threw everyone’s plans into flux. You persevered as courses were moved to an online virtual environment, adapting admirably to drastic and life-altering changes with the composure and determination that characterizes the Toro community. I am beyond proud of the resilience that you have shown through these most stressful and disorienting of times.

Commencement is a time for celebration and reflection. It’s a time to appreciate the road you have traveled, and the journey that has brought you here. Portions of your journey may have been rocky, but you kept your eyes on the prize, and have grown intellectually, emotionally, socially, and perhaps, also spiritually. Today, you arrive at CSUDH’s Commencement having earned a college degree and realized a goal that you have worked diligently towards. It is a cause for much joy and exuberance, and the entire university community joins in celebrating your hard-earned success.

Your graduation journey has been influenced by many who have been involved and played critical roles in your achievement. Today is also a day to recognize and applaud your families, friends, significant others, faculty, advisors, and mentors who have supported, motivated, taught, and inspired you to persist and to succeed.

As members of the Class of 2022, you join a vibrant and growing group of over 110,000 CSUDH alumni who are transforming communities throughout California and the nation. Whether you plan to progress directly into a career, or to attain further education at the graduate or professional school level, I encourage you to join the CSUDH Alumni Association and stay connected and engaged with CSUDH. Our Toro nation is strengthened by your continued involvement and engagement.

Again, congratulations to the Class of 2022. Once a Toro, always a Toro!

Best wishes for your continued success,

A handwritten signature in black ink, appearing to read "Thomas Parham". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Thomas A. Parham, Ph.D. *President*
California State University, Dominguez Hills

CHANCELLOR'S MESSAGE

Dear Graduates,

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. You set your sights on earning a degree; and now, that goal is a reality. That is a wondrous accomplishment, and I hope you feel a well-deserved sense of pride.

I hope you are filled with a sense of kinship and gratitude, as well. So many people have given so much to enable your success: faculty who illuminated your academic path; counselors, advisors, librarians, coaches, and support staff who fostered an encouraging environment; family, friends, mentors, and colleagues who gave their time and treasures to facilitate your journey. As you celebrate your success, please remember to celebrate their support as well.

Unlike any other graduating class, your university experience has been shaped in extraordinary ways by more than two years of a global pandemic. During those years, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary. While it might have been different than the college experience you envisioned when you started your journey, these years have made you sharper, tougher, brighter, and more purpose-driven than ever before.

With this rite of passage we call "commencement," you will join a dynamic, global network of more than four million California State University alumni. They are a remarkable force for good, and I am certain that your addition will multiply their contributions to our communities, to our state, and to the world. I ask that you use the knowledge, skills, and personal qualities you have developed to work for justice, to seek opportunities to foster equity, and to always uplift and empower others. Stay connected to your campus and look for ways to give back. Support future generations who aspire to follow in your footsteps.

As you step boldly into your future, I know I speak for every member of the California State University community when I express our collective pride in your perseverance and success. Your resolve shines as a symbol of hope and optimism. Again, congratulations, Class of 2022!

Sincerely,

A handwritten signature in cursive script that reads "Jolene Koester".

COMMENCEMENT SPEAKER

KEITH AREM

CEO AND PRESIDENT, PCB PRODUCTIONS

Writer/director/producer Keith Arem is a multi-platform storyteller, having enjoyed success in the worlds of video games, interactive media, music, graphic novels, animation, motion pictures, television, and virtual reality.

Arem began his career in the music industry at the age of 17 as writer/producer and recording artist for the industrial band Biohazard PCB, which later changed its name to Contagion. Contagion released two albums, 1992's *Contaminant PCB* and 2000's *Infectant*.

Arem earned a bachelor's degree in audio engineering and new media applications for the arts from CSUDH in 1991. He then began to transition into scoring motion pictures, television, and video games, including the highly successful *Earthworm Jim* and *Battletech* games.

In 1993, Arem became audio director for Virgin Interactive and Electronic Arts Pacific, where he constructed recording facilities and produced the company's sound design, music, voice-overs and commercials. Combining his passion for story, character development, and recording, Arem became one of the leading performance directors in the game industry, directing celebrities such as Gary Oldman, Idris Elba, Tony Hawk, Mark Hamill, and others.

Arem and his wife Valerie created Los Angeles-based PCB Productions in 2000, as a service and post-production facility, focusing on directing performances for video game franchises such as *Call of Duty*, *Yakuza*, and *Final Fantasy*.

Expanding his passion for story and artwork, Arem also authors his own original graphic novels, including *Ascend*, *Dead Speed*, and *INFEX*, the first interactive graphic novel created exclusively for Apple's iOS platform.

In 2022, Arem launched AVOX: The Actors Voice Over Experience, an event featuring immersive, experiential education and fan engagement with the top actors in video games and animation. He and his wife also started the Are-U-Game workshops, technical acting classes for actors working in video games and emerging interactive platforms, and they lecture for USC, Cal Arts, and other acting schools around the country.

In addition to working on several upcoming game franchises, Arem is currently developing his first original television series, and producing multi-platform ventures for emerging platforms.

COMMENCEMENT SPEAKER

MARIA VILLA

ATTORNEY AND PRINCIPAL, LATHROP & VILLA

Maria Villa is a first-generation graduate of California State University, Dominguez Hills (BS '82) and Loyola Law School (JD '86). She is a principal with the law firm of Lathrop & Villa in Rolling Hills Estates, which she co-founded in 1992. She has a state and federal appellate practice, and has practiced in the areas of employment and business litigation, and plaintiff's class action litigation.

Born in Tijuana, Mexico, Villa immigrated to the United States at the age of 2 and was raised in Redondo Beach. The eldest of seven daughters, she obtained United States citizenship in 1979.

As a student at CSUDH, Villa served as vice president of Movimiento Estudiantil Chicano de Aztlán (M.E.Ch.A.) and was the campus coordinator of the group's high school student outreach program. During law school, she was an active member of La Raza Law Students Association, was co-chair of La Raza's Fundraising Committee, and served as a volunteer law student at the Labor Defense Network of the Legal Aid Foundation of Los Angeles.

In 1999, Villa became the first Hispanic attorney to be elected to the State Bar Board of Governors, where she served as vice president and treasurer. She has also been chair of the Stakeholder Relations Committee for the State Bar and is a founding fellow of the State Bar Foundation. Villa is a founder and member of the Latina Lawyers Bar Association, a member and former president of the Mexican-American Bar Association of Los Angeles County, and a lifetime member and former deputy regional president of the Hispanic National Bar Association.

Villa is the recipient of numerous awards, including the American Bar Association Difference Maker Award, Latina Lawyers Bar Association Trailblazer Attorney of the Year Award, Mexican American Bar Association Attorney of the Year Award, and Dolores Huerta Foundation Adelita Community Service Award.

She lives in Palos Verdes Estates with her husband and son. Villa currently serves as the Chair of the CSUDH Philanthropic Foundation Board, and is dedicated to opening the doors of opportunity for students through mentorship and philanthropy.

COMMENCEMENT SPEAKER

JON BINKLEY

DIRECTOR, THE AEROSPACE CORPORATION

Jon Binkley has been with The Aerospace Corporation (Aerospace) for more than 30 years, and currently serves as director for the company's Launch Support Facility. There, he leads a team that works with both government and private entities to provide support for a wide range of rocket and satellite launches.

After graduating from West Torrance High School, Binkley took a job as an auto mechanic. After two years of changing oil and replacing tires, he decided to go back to school and enrolled at CSUDH. He graduated with his BA in mathematics in 1986. He went on to attain his master's degree in mathematics, with a statistics concentration, from the University of California, Los Angeles.

While attending CSUDH, Binkley landed an internship at Northrop Grumman that turned into a full-time job. In 1987, he took a job with Aerospace as a statistician in their Reliability and Statistics Department, where he assessed the reliability and risk of launch vehicle and satellite systems.

During his 35 years at Aerospace, Binkley has served as systems director for the Space System Engineering Database (SSED) Department, an enterprise database containing U.S. and foreign space launches, anomalies, lessons learned, and other space system information. He has also worked in their Delta IV Program Office, where he was responsible for tracking to closure all countdown and launch observations and anomalies.

Before taking the position as director of the launch facility, Binkley was systems director for Aerospace's Spacelift Telemetry Acquisition and Reporting System (STARS) department. When he isn't busy launching rockets into space, Binkley can be found paddleboarding, hiking, or working on cars.

COMMENCEMENT SPEAKER

HOLLY J. MITCHELL

CHAIR, LOS ANGELES COUNTY BOARD OF SUPERVISORS

As the daughter of public servants and a third-generation Angeleno, Supervisor Holly J. Mitchell is honored to represent the 2 million residents of Los Angeles County's Second District, which includes the Leimert Park neighborhood she grew up in. Her district also includes the cities of Carson, Compton, Culver City, El Segundo, Gardena, Hawthorne, Hermosa Beach, Inglewood, Lawndale, Manhattan Beach, Redondo Beach, and parts of Los Angeles.

Since being elected to the L.A. County Board of Supervisors in 2020, Mitchell has made poverty alleviation a countywide priority and has anchored an equitable recovery plan from the health and economic pandemic caused by COVID-19.

Within her first year as supervisor, the board of supervisors passed a landmark countywide guaranteed universal income program, helped make L.A. County the first in the nation to phase out urban oil drilling, and strengthened the county's ability to quickly respond to mental health crises among unhoused residents.

Before serving on the Board of Supervisors, Mitchell spent a decade in the California Legislature, representing the state's 54th Assembly and 30th Senate Districts. During her tenure she passed over 90 bills – including the landmark anti-hair discrimination law, The CROWN Act, making California the first in the nation to pass a law of this type.

Mitchell was the first African American to serve as chair of the Senate Budget and Fiscal Review Committee. Under her guidance, she helped California successfully build its financial reserves with the passage of three consecutive state budgets, each totaling over \$200 billion.

Before running for public office, Mitchell led Crystal Stairs for seven years, California's largest nonprofit dedicated to child and family development. As CEO, she fought for low-income families across L.A. County to gain access to childcare and poverty prevention resources.

As a member of the Board of Supervisors, Mitchell also serves on the boards of the L.A. County Children and Families First – Proposition 10 Commission (First 5 LA), the L.A. County Metropolitan Transportation Authority, the Los Angeles Memorial Coliseum Commission, the L.A. Care Health Plan, and L.A. County Sanitation Districts.

Mitchell is a proud alumna of University of California, Riverside, and when she isn't busy serving the residents of L.A. County, she loves a good cup of tea, watching ocean waves, and being mom to Ryan.

COMMENCEMENT SPEAKER

NANCY LEE

SENIOR VICE PRESIDENT AND CHIEF CLINICAL OFFICER CHILDREN'S HOSPITAL LOS ANGELES

Nancy Lee, RN, MSN, is senior vice president and chief clinical officer at Children's Hospital Los Angeles (CHLA), the largest provider of care for children in Los Angeles County.

In her position, she oversees all clinical services and operations, including inpatient and outpatient nursing, clinical laboratory and anatomic pathology, pharmacy, radiology, rehabilitation services, occupational, physical and speech therapy, audiology, respiratory therapy, social work, spiritual care services, language and cultural services, nutrition, clinical education and professional development, patient and family education, and diversity services.

Lee earned her Associate Degree in Nursing from Riverside City College in 1979 and spent several years working, first as a nurse at Miller Children's and Women's Hospital Long Beach and then as a manager at Long Beach Memorial Medical Center.

Wanting to complete her education and advance her career, Lee was accepted into the nursing program at California State University, Dominguez Hills. She earned her Bachelor of Science in Nursing in 1990 and her Master of Science in Nursing Administration in 1994.

After graduating from CSUDH, Lee took her first administrative position, at Daniel Freeman Hospital in Inglewood, where she advanced from chief nursing officer to chief operation officer. In 2002, Lee moved to Stanford Health Care, where she worked for 14 years in multiple leadership positions, including vice president of clinical services, vice president of transformation, and chief nursing officer and vice president of patient care services.

Lee strives to be a role model for women in the nursing profession, where despite holding the majority of jobs, they hold less than 20 percent of leadership positions.

HONORARY DOCTORATE RECIPIENT

MICHAEL LAWSON

PRESIDENT AND CEO, LOS ANGELES URBAN LEAGUE

Michael A. Lawson is an accomplished lawyer, community advocate, and business leader with a passion for public service.

Having received his BA in political science and economics in 1975 from Loyola Marymount University in Los Angeles, and his J.D. in 1978 from Harvard Law School, Lawson began his legal career as a staff attorney for the U.S. Pension Benefit Guaranty Corporation in Washington, DC. In 1980, he returned to Los Angeles to join the prestigious Los Angeles firm Skadden, Arps, Slate, Meagher & Flom, LLP, specializing in financial transactions and litigation. He later became a partner at the firm, and worked there until retiring in 2011.

In 2013, President Barack Obama nominated Lawson to serve as the U.S. Ambassador and Permanent Representative to the Council of the International Civil Aviation Organization, a specialized agency of the United Nations. Lawson served in this role from 2014 to 2017, coordinating and regulating international air travel from the organization's offices in Montreal, Canada.

Upon returning to Southern California in 2018, Lawson was named president and CEO of the Los Angeles Urban League, which since 1921 has worked to help African Americans and other underserved communities achieve true social equity, economic self-reliance, power, and civil rights. Under Lawson's leadership, the organization continues to offer education, job training, and programs targeting workforce development, entrepreneurship, health, and quality of life issues.

From 2004 to 2014, Lawson was vice chair of the Performing Arts Center of Los Angeles County's board of directors. He was a member of the Board of Airport Commissioners for Los Angeles World Airports from 2005 to 2011. In 2011, Lawson was appointed to the California State Teachers Retirement System Board of Trustees, the second largest retirement system in the U.S., where he served until 2014. In 2021, he was named to the board of directors of Navient. Lawson has also served as a trustee of Loyola Marymount and Morehouse College in Atlanta, Ga.

Lawson is a former board director and chairman of the Constitutional Rights Foundation, as well as a former board director for the Advancement Project and the Music Center Foundation. In 2010, he received the Strickland Excellence Award from the Loyola Marymount University African American Alumni Association.

Lawson and his wife, Mattie McFadden-Lawson, live in Los Angeles. They have two adult children, Michael Jr. and Jonathan.

A photograph of a graduation ceremony, heavily overlaid with a dark red color and a white confetti pattern. The scene shows graduates in caps and gowns, with many hands raised in the air. The background is filled with falling confetti and streamers. The text "COMMENCEMENT TRADITIONS" is centered in white, bold, serif font.

COMMENCEMENT TRADITIONS

ACADEMIC REGALIA

The tradition of wearing academic gowns, mortarboard caps, tassels and hoods, and the carrying of the University Mace originated in Europe during the middle ages and has been an integral feature of American academic tradition since the end of the nineteenth century. The gown is held to be an adaptation of the robe of the friar or priest; the hood, the monk's cowl; and the mortarboard cap recalls the skull cap.

For each of the degree levels, bachelor's, master's and doctoral, the gown sleeves indicate the degree held by the wearer. The bachelor's gown is a yoked, closed-front garment with long, pointed sleeves. The master's can be worn open or closed and has long sleeves, usually closed but slit above the elbow. The doctoral gown has full, bell-shaped sleeves and is trimmed with velvet panels down the front and has velvet bars on each sleeve. The color of the panels and bars is often varied to indicate the academic discipline in which the doctoral degree was earned. The length and shape of the hood also indicate the highest degree earned by the wearer. The color of the velvet border on any hood indicates the wearer's field of study.

Color is an important element of all academic ceremonies. In academics, the colors used to symbolize degrees earned and areas of study are referred to as "faculty colors." They are displayed on doctoral gowns, edgings of hoods, and tassels on caps. The official faculty colors are:

Agriculture – Maize	Music – Pink
Arts and Letters – White	Nursing – Apricot
Business, Accountancy, Commerce – Drab	Oratory (Speech) – Silver Gray
Dentistry – Lilac	Pharmacy – Olive Green
Economics – Copper	Philosophy – Dark Blue
Education – Light Blue	Physical Education – Sage Green
Engineering – Orange	Public Administration – Peacock Blue
Fine Arts – Brown	Public Health – Salmon Pink
Forestry – Russet	Science – Golden Yellow
Journalism – Crimson	Social Work – Citron
Law – Purple	Theology – Scarlet
Library Science – Lemon Yellow	Veterinary Science – Gray
Medicine – Green	

SYMBOLS OF OFFICE

THE MACE

The University Mace is a symbol of the legal and chartered authority of the president of the university. When the mace is present, the authority of the university is present. Carrying the University Mace is an immense honor reserved for a highly distinguished faculty member.

THE PRESIDENTIAL CHAIN

The University Seal forms the centerpiece of the ceremonial chain worn by the president of the university. Ten gold medallions, each inscribed with the name and years of tenure, represent a prior president of the university and form a chain symbolizing the continuity of university traditions. A crest inscribed with the name of the current president of the university sits at the base of the chain, linking the chain of medallions to the University Seal. The Presidential Chain was first presented to California State University, Dominguez Hills President Herbert L. Carter at the 1999 Commencement.

GRADUATION WITH HONORS

Undergraduate students who achieve at a very high academic level graduate with honors.

The criteria for graduation with honors are:

1. A minimum of 36 units in residence.
2. A minimum GPA of 3.40 on all units taken at California State University, Dominguez Hills.
3. A GPA on all acceptable undergraduate work of
3.40 – 3.59, *cum laude*;
3.60 – 3.79, *magna cum laude*; and
3.80 – 4.00, *summa cum laude*.

Students who achieve the above honors may wear an honors braid over their gown and will have the information recorded on their transcripts and diplomas.

PLEASE NOTE

Every attempt has been made to include all persons deserving of recognition in this commencement program. Students listed in this program for the spring and summer semesters are candidates for graduation. These are tentative listings of candidates with the final determination of graduation to be made by the Office of the Registrar at the end of the appropriate term.
