## PRESIDENT'S WELCOME

Dear Toro Graduates,

One of our nation's Founding Fathers, Benjamin Franklin, reminds us that "An investment in knowledge pays the best interest." Today, that investment reaches fruition, as the investment in your academic career earns you a marker of your achievements, one that will significantly enhance your options in life and elevate your trajectory towards future success.

On behalf of the faculty, staff, senior administration, your fellow students, and our alumni of California State University, Dominguez Hills, I extend congratulations to the Class of 2024, who have spent the last several years preparing to take ownership of their own futures – and those of the communities they hail from.

Commencement is a time for celebration and jubilation, a time of retrospective reflection and anticipatory excitement. It is a time to appreciate the road you have traveled, and the purpose and journey that has brought you here. Portions of your journey may have been easier than expected, or it may have been rocky, but you kept your eyes on the prize, and have grown intellectually, emotionally, socially, and maybe even spiritually during your time on our beautiful campus.

Today, you arrive at CSUDH's Commencement Ceremony having earned and prepared to accept a college degree for which you have been recommended by your faculty and realized a goal that you have worked diligently towards. It is a cause for much joy and exuberance, and the entire university community joins me in celebrating your hard-earned success.

Your pathway towards graduation has been influenced by many who have been involved in your lives and played critical roles in education and achievement. Today is also an opportunity to recognize and applaud your families, friends, significant others, faculty, advisors, and mentors who have supported, encouraged, motivated, taught, and inspired you to persist and to succeed.

As members of the Class of 2024, you join a vibrant and growing group of over 116,000 Dominguez Hills alumni who are transforming communities throughout California, the nation, and the world. Whether you plan to progress directly into a career, or to attain further education at the graduate or professional school level, I encourage you to join the alumni association and stay connected and engaged with your CSUDH. Our Toro community is strengthened by your continued involvement and engagement.

Again, congratulations to the Class of 2024. Once a Toro, Always a Toro!

CHANCELLOR'S MESSAGE

Dear Class of 2024:

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. Just a few short years ago, you set your sights on earning a degree. Now, that goal is a reality. I hope you feel a well-earned sense of pride.

Even as numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. By necessity, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will

become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary.

Moving forward, you will face new opportunities with the potential for great success. I am sure that you will excel because you have the knowledge, skills and connections gained through your California State University education.

Your personal and educational transformation was aided by faculty, who trained you to look at the world with a critical eye and an open mind. Their efforts were supported by the work of your counselors, advisors, librarians, tutors and coaches who created an encouraging environment for you to succeed. All the while, your family, friends, colleagues and loved ones kept you motivated and saw you through your academic journey.

Your accomplishment today fills all of them – all of us – with pride.

You are now part of a network of over four million CSU alumni who are powering the social and economic prosperity of our state – and far beyond. You join fellow alumni who are solving our greatest challenges, educating the next generation, fighting for equality, and creating new opportunities for economic prosperity.

I encourage you to stay connected to the CSU. Use these connections – both to your university and to other CSU alumni – to expand your opportunities and make a meaningful impact on your community and the world. I also encourage you to support the generations who endeavor to follow in your footsteps.

The word we use to commemorate an earned university degree is “commencement.” This is, of course, deliberate. Today is not an end, but rather a beginning. And as you continue on your life’s journey, may your hard work and sacrifices pay dividends far beyond today’s celebration, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2024!

I look forward to all that you will accomplish.

Felicidades!

Warmly,

COMMENCEMENT SPEAKER

ALLISON THOMAS

PRODUCER, LARGER THAN LIFE PRODUCTIONS

Allison Thomas is a film and theatre producer, and a partner in Larger Than Life Productions. She is currently producing Broadway musicals based on the movies *Dave* and *The Tale of Despereaux*. She served as a producer of the films *The Tale of Despereaux*, *Pleasantville*, and *Seabiscuit*, which was nominated for seven Academy Awards, including Best Picture.

After launching her career as a White House intern in the Carter Administration, Thomas spent more than a decade devoted to high-tech public policy and communications, working with former California Governor Jerry Brown and a coalition of education, labor, and business leaders. After receiving her MBA, she formed a strategic communications firm focused on launching new technologies and companies. Her lead clients included Steve Jobs' NeXT Computer and Pixar Animation Studios.

Thomas volunteers in numerous capacities for Coming to the Table, a national organization that seeks to heal the racial wounds of enslavement and its legacy. A descendant of enslavers in colonial Virginia, Thomas is also currently writing a memoir about her journey of acknowledgement and repair.

She also works with the Neighborhood Justice Project, a diversion program for first-time misdemeanor offenders in the Los Angeles City Attorney's office. She has served on the boards of Coming Together Virginia, the Echo Theater, the Los Angeles Public Library, the California Women's Law Center (as co-chair), Para Los Niños, the USC School of Dramatic Arts, Oakwood School, and Children's Community School.

**STACY ERB**

**DIRECTOR OF COMMUNITY EDUCATION INITIATIVE  
APPLE INC.**

Stacy Erb is the Director of Community Education Initiatives (CEI) at Apple, where she leads strategy and develops programs to demonstrate Apple's commitment to the value of education as a fundamental human right.

Through her leadership, CEI has evolved to include programs focused on coding, creativity, and community-connected learning. CEI creates pathways and opportunities for diverse learners — from K-12 students through individuals developing or improving their workplace skills — in developing the knowledge and skills needed for coding and app development.

With over 35 years of leadership experience in business, Erb has been a key contributor in shaping Apple's Education Division since joining the company in 1993. Erb began her career at Apple leading a national education sales organization, a position she held for two decades. In 2013, she began leading several education-focused strategic initiatives for the company. This includes the 2014 Apple and ConnectED grant initiative, a \$100 million commitment to bring products, services, and support to 114 diverse and economically disadvantaged schools in 29 states across the country.

As an enthusiastic and passionate supporter of equity and access to quality education, Erb has also focused on her passion for improving teaching and learning in the classroom through her work in her local community of Austin, Texas. This includes serving on the board of the South Central Leukemia and Lymphoma Society for six years, and serving as a Board Member of Wayside Schools.

## COMMENCEMENT SPEAKER

### DR. MELANIE LUNDQUIST

#### ACTIVIST PHILANTHROPIST

Melanie Lundquist is an activist and philanthropist whose voice is as fearless as her life-changing work. Her philanthropic focus is on improving public education, fighting climate change, making health care more accessible, and saving democracy, all through “big bet,” maximum-impact philanthropy done with a focus to bring solutions and change to scale.

Lundquist is one of the original supporters of the Initiative to Accelerate Charitable Giving, a bi-partisan effort to promote common-sense reforms to increase and accelerate funding and resources to America’s charities.

Melanie and her husband Richard are two of California’s most significant philanthropists, having pledged more than \$400 million over the last decade. The Lundquists are signatories of the Giving Pledge and have appeared five times on The Philanthropy 50, the annual list of America’s 50 most generous philanthropists.

Lundquist’s personal history helps guide her perspective on philanthropy. Her grandparents on her mother’s side were immigrants from Poland and came to Los Angeles to pursue the American Dream for their family. Lundquist was inspired by the way her grandparents gave back to the community.

She serves as Vice Chair of the Board at the Partnership for Los Angeles Schools, one of the largest, in-district (non-charter) public school transformation organizations in the United States. She is also a member of the Board of Directors of News Literacy Project, a nonprofit organization that is the country’s largest provider of news literacy education.

Lundquist is also a member of the University of Southern California (USC) President’s Leadership Council. She was named “Philanthropist of the Year” in 2019 by the Los Angeles Business Journal. In 2020, McPherson College recognized Melanie’s significant body of philanthropic work by conferring upon her a Doctor of Humane Letters (LHD). Melanie holds undergraduate and graduate degrees from USC in communicative disorders/speech pathology and audiology, as well as a credential as a specialist in special education.

## COMMENCEMENT SPEAKER

### KARLA PLEITÉZ HOWELL

#### PRESIDENT & CEO, FIRST 5 LA

Karla Pleitéz Howell serves as First 5 LA's president and CEO, guiding implementation of its overall strategy and vision: building a future where every child is born healthy and thrives in nurturing, safe, and loving communities.

Since joining the organization in 2023, Howell has led First 5 LA to adopt its new 2024-2029 strategic plan that marks a significant milestone for the organization's path toward creating the greatest possible impact for LA County's youngest children and their families. The plan focuses on goals to collectively build toward ensuring that children's and families' basic, psychological, and self-fulfillment needs are prioritized.

Howell began her career as an attorney providing legal services for families, which included leading a coalition in the southeast cities of Los Angeles County to increase green space and educational opportunities for young children. She transitioned to work on policy advocacy, joining Advancement Project California (now Catalyst California), where she served as director of education, managing director, and chief of policy and programs. There, Howell worked to bring coalitions together to increase child care funding, improve quality in Transitional Kindergarten programs, and expand access to child care for California's youngest learners. In partnership with community leaders, Karla's advocacy has helped direct billions of dollars in investments to underserved communities.

Prior to joining First 5 LA, Howell served as branch chief for the Child Care Development Division with the California Department of Social Services. In that role, she led efforts to develop the division's strategic plan and improve administrative efficiencies. Howell also oversaw the strategic direction and development of the \$350 million Infrastructure Grant Program and the state's child care rate reform initiative.

Howell earned her Bachelor of Arts from UCLA and holds a Juris Doctor from UC Law, San Francisco. On weekends, she enjoys the outdoors with her husband and family and loves to listen to the latest humorous philosophical ponderings from their two children.

**STEPHANIE WIGGINS**

**CEO, LOS ANGELES COUNTY  
METRO TRANSPORTATION AUTHORITY**

Stephanie Wiggins is the CEO of Los Angeles County Metro, the lead transportation planning, programming, financing, and construction agency for the 10 million residents of L.A. County and the second-busiest transit agency in the U.S. As CEO of Metro, Wiggins leads a public agency with 11,000 employees, an annual budget of \$9 billion, and \$22.4 billion worth of projects currently under construction. A lifelong trailblazer and champion of equity and inclusion, Wiggins is the first woman—and first African American woman—to lead Metro.

Over her three-decade career in transportation, Wiggins has led numerous initiatives that have driven innovation in the transportation industry and centered equity in the delivery of transit and transportation services. As CEO of Metro, Wiggins has led massive investments to improve the transit ambassador program and the implementation of the GoPass program, which provides free transit to K-12 and community college students.

She has also overseen the delivery of two transit megaprojects, the \$2.3 billion K Line in South L.A. and the \$1.9 billion Regional Corridor in downtown L.A., and she has ensured Metro's transportation investments are as equitable as possible through the implementation of the Metro Equity Platform and Equity Zero-Based Budgeting (EZBB).

Before joining Metro as CEO in 2021, Wiggins served as Deputy CEO of Metro (2015-18) and as CEO of Metrolink (2018-21). Earlier in her career, Wiggins led the creation of LA County's first high occupancy toll lanes and greatly expanded Metro's utilization of local, small, and historically underutilized businesses through the creation of new vendor procurement programming.

Wiggins is a graduate of Whittier College and holds an MBA from the University of Southern California Marshall School of Business. She has been the recipient of numerous awards, including the 2020 National League of Railway Women's Woman of the Year award. Wiggins also served on the boards of several charities.

**MICHAEL LOU REQUIERON MEDALLA**

**MANAGER, TOYOTA USA FOUNDATION**

Michael Medalla is the manager of the Toyota USA Foundation, a 501(c)(3) non-profit public benefit corporation and private foundation. A Toyota team member since 1999, Medalla has held leadership positions in legal services, retail market development, sales and marketing, learning and development, and equity, diversity, and inclusion.

Since 1977, the Toyota USA Foundation has supported innovative, direct service STEM education programs. Through its projects across the United States, the Foundation aims to provide access to education pathways that can transform the lives of young people by providing the in-demand skills needed for in-demand careers. Its current project is Driving Possibilities.

Medalla has a bachelor's degree from the University of California, Los Angeles and a master's in business administration from the Peter F. Drucker School Graduate of Management at Claremont Graduate University. He serves as director of the California State University, Dominguez Hills Philanthropic Foundation and chair of its finance and investment committee.

Medalla has served as a member of the industry advisory board of the Drucker School of Management and as a member of the steering committee of the Federal Reserve Bank of Dallas' inclusive economy accelerator, Advance Together™. Michael is married and resides in North Texas with his wife and two children.

# COMMENCEMENT TRADITIONS

---

## ACADEMIC REGALIA

The tradition of wearing academic gowns, mortarboard caps, tassels and hoods, and the carrying of the University Mace originated in Europe during the middle ages and has been an integral feature of American academic tradition since the end of the nineteenth century. The gown is held to be an adaptation of the robe of the friar or priest; the hood, the monk's cowl; and the mortarboard cap recalls the skull cap.

For each of the degree levels, bachelor's, master's and doctoral, the gown sleeves indicate the degree held by the wearer. The bachelor's gown is a yoked, closed-front garment with long, pointed sleeves. The master's can be worn open or closed and has long sleeves, usually closed but slit above the elbow. The doctoral gown has full, bell-shaped sleeves and is trimmed with velvet panels down the front and has velvet bars on each sleeve. The color of the panels and bars is often varied to indicate the academic discipline in which the doctoral degree was earned. The length and shape of the hood also indicate the highest degree earned by the wearer. The color of the velvet border on any hood indicates the wearer's field of study.

Color is an important element of all academic ceremonies. In academics, the colors used to symbolize degrees earned and areas of study are referred to as "faculty colors." They are displayed on doctoral gowns, edgings of hoods, and tassels on caps. The official faculty colors are:

Arts and Letters – White

Biology – Gold

Business, Accountancy,  
Commerce – Drab

Computer Science,

## SYMBOLS OF OFFICE

### THE MACE

The University Mace is a symbol of the legal and chartered authority of the president of the university. When the mace is present, the authority of the university is present. Carrying the University Mace is an immense honor reserved for a highly distinguished faculty member.

### THE PRESIDENTIAL CHAIN

The University Seal forms the centerpiece of the ceremonial chain worn by the president of the university. Ten gold medallions, each inscribed with the name and years of tenure, represent a prior president of the university and form a chain symbolizing the continuity of university traditions. A crest inscribed with the name of the current president of the university sits at the base of the chain, linking the chain of medallions to the University Seal. The Presidential Chain was first presented to CSU Dominguez Hills President Herbert L. Carter at the 1999 Commencement.

## GRADUATION WITH HONORS

Undergraduate students who achieve at a very high academic level graduate with honors.

The criteria for graduation with honors are:

1. A minimum of 36 units in residence.
2. A minimum GPA of 3.40 on all units taken at California State University, Dominguez Hills.
3. A GPA on all acceptable undergraduate work of  
3.40 – 3.59, *cum laude*;  
3.60 – 3.79, *magna cum laude*; and  
3.80 – 4.00, *summa cum laude*.

Students who achieve the above honors may wear an honors braid over their gown and will have the information recorded on their transcripts and diplomas.

### PLEASE NOTE

Every attempt has been made to include all persons deserving of recognition in this commencement program. Students listed in this program for the spring, summer, and fall semesters are candidates for graduation. These are tentative listings of candidates with the final determination of graduation to be made by the Office of the Registrar at the end of the appropriate term.
