Campus Systems Users Group (CSUG) – January 13, 2015 Meeting Notes

Members Present:

The meeting was chaired by Bill Chang, Director of Enterprise Applications, Information Technology

- Upcoming maintenance:
    - MP 15 – January 27th Maintenance Pack system going down at 6pm, Tuesday
    - MP 1501 for Financial Aid

- Spring 2015
    - Classes starts Friday, January 16th; system will be slow, advise on any issues
    - Purge will happen Thursday night
    - EO 1037 – Repeat and Withdrawal – postpone discussion until Brandy returns
    - EAB dashboard – currently looking at the notes feature

- Project Status
    - OnBase is on hold; we don't have enough disc space, the project to add disc space should be done by the end of January 2015. Will then revise new schedule for OnBase. Best guess = go live in 3 months (projected)
    - Photos in PeopleSoft, using StarRez first, currently dealing with pic quality issues
    - Identity Management – when does a student get inactivated in PeopleSoft?
    - Portal Upgrade/Redesign to 8.5.3
    - Smart Catalogue searchable format. January 23rd is the reveal date; start process on securities and workflow. The 15-16 will be the first catalogue in this format. No more print, but departments can order them if they want (at their own cost).

- **Other:**
    - Delete Run Control IDs, can Bill email Helen the instructions? Bill said yes.
    - HR asked – Are we still trying to delete old queries? Yes. Bill will work on getting list out to people of their queries.
    - HR asked difference between query manager vs. query viewer, who can make query public vs. private?

Next meeting: Tuesday, March 10, 2015
