*You are **not** eligible to work while on a sabbatical on one-half of full pay. If you have been granted a difference-in-pay (DIP) leave or sabbatical leave pay at a reduced salary, you will not earn a full year of service credit during the period of the leave. Please contact the Benefits and Payroll Services office to learn how it may apply to your specific case. If you wish to purchase additional service credit to make up any difference, please contact CalPERS to learn more about the purchase of service credit.

Dates of proposed leave: Fall 20 Spring 20 Academic Year

If you are requesting a sabbatical and one is not awarded to you at this time, do you wish to be considered for a Difference-in-Pay leave for the same period? Yes No

The following information must be provided and attached to this application:

1. Detailed outline of plan of study or experience, research/project, service and/or travel to be completed during the period of the leave. Provide specific timeline and dates and locations.
2. Statement of Purpose: Include a statement addressing benefits of the proposal to students; to the development of the profession or a discipline within the profession; to CSUDH; to the CSU; and/or to the faculty member as a teacher, scholar, or professional practitioner. What resources (other than salary and fringe benefits) are necessary to carry out the project? Attach evidence that these resources are available to you.
3. Attach a curriculum vita detailing your professional activities.
4. For sabbatical and DIP leave applications, please submit completed application and supporting documents via Interfolio.

I understand that:

1. I am required to submit a report of my sabbatical or difference-in-pay leave activities to the Provost within 90 days of the conclusion of the leave.
2. I am required to render service to the CSU upon return from a sabbatical leave (difference in pay leave) at the rate of one (1) term of service for each term of leave.

3. Prior to final approval of a sabbatical leave or DIP leave, I must file with the President or designee a suitable bond or an accepted statement of assets (not including PERS holdings) and/or a promissory note that is individually or collectively at least equal to the amount of salary paid during the leave. [See Article 27.9 of the Collective Bargaining Agreement for more information.]
4. I shall not accept additional or outside employment during a sabbatical or DIP leave, including grant-related work, without prior approval of the President or designee.
5. A sabbatical leave exceeding one semester or a difference in pay leave may result in a reduction in service credit with CalPERS.
6. I cannot use my faculty development funds or any foundation funds if my sabbatical involves travel to a banned state (except in those very narrow circumstances spelled out in the policy).
