# GRE Prep Award Application

## Importance of GRE Prep:

The GRE can determine whether a student gets accepted to their desired graduate program.

The Magoosh GRE prep is an online tool that can help improve and build proficiency in writing, analytical, quantitative, reading, and verbal skills. In addition to providing content, Magoosh also provides important strategies and practice questions for answering and understanding the material. Magoosh prep is accessible. Students may study on their own with self-study prep or supplemental on-demand classes. Email assistance is available and can be used anywhere and anytime with their mobile apps or a desktop. The OUR's goal is to see improvement reflected in students' GRE scores as well as their coursework and increase competitiveness and preparation for graduate school.
