GOING FAR TOGETHER

The CSUDH Strategic Plan, “Going Far Together,” positions the university as a socially just, equitable, and inclusive model urban university, and serves as a blueprint for the institution going forward. Creating the plan was a collaborative process, incorporating the voices of students, staff, faculty, community members, alumni, local businesses, and educational institutions. The plan is rooted in CSUDH’s historical commitment to social justice and equity. This commitment is supported by five strategic themes, shown below.

THRIVING STUDENTS

THRIVING EDUCATORS

EQUITABLE ACCESS

CULTURE OF CARE

PILLAR OF THE COMMUNITY

SINCERE APPRECIATION TO

Human Resources Management, University Ceremonies & Events, University Communications & Marketing, and Office of the President.
