<p>I request that my leave credits in the amount provided above be transferred to the Catastrophic Leave Program – Natural Disaster/State of Emergency leave bank (campus based or a central leave bank administered by the Systemwide HR). As of the date indicated below, I have enough leave in my account to cover this amount and retain a balance of forty (40) hours of vacation leave credits and forty (40) hours of sick leave credits. I understand that if my donation exceeds the maximum amount of leave that I will accrue during the year I make this donation, that part of the donation could be taxable to me.</p> <p>I understand that my decision to transfer leave is not revocable. If a sufficient balance of unused donated leave remains after the natural disaster/state of emergency ends, I understand that a pro-rated share will be returned to me either during the current leave year or the following leave year. However, to recredit my leave, I must remain employed by my current campus.</p> <p>I certify that I have not been directly or indirectly intimidated, threatened or coerced, or promised any benefit by an employee for the purpose of donating or using leave.</p>
