Increase Your Career Success

Increase your value to your employer, your clients and yourself. Enroll in a CSUDH professional Certificate of Completion Program.

These programs are carefully crafted curricula designed to ensure that you gain mastery of a particular topic. Upon completion of a program, you'll be eligible to receive a professional certificate of completion – a distinctive achievement.

Once completed, you'll see how your chances improve for career advancement. You may also find opportunities to transition to a new career or develop a specialty within your current field. The more you know about your chosen career, the more you can contribute and find satisfaction with what you do.

We offer over 30 certificate of completion programs. Because each certificate is developed in consultation with advisory committees made up of leaders in their respective fields, you can be sure the curriculum provides you with the latest in cutting-edge ideas, information, and practical skills that you can use immediately on the job.

Some certificates can be completed in a few weeks. Others take longer. Several enable you to sit for professional accreditation exams or meet the requirements for professional, California-mandated continuing education.

Instruction from the Best

Learn from instructors who are leading industry experts, and who are experienced teachers. Their practical, experienced and first-hand knowledge will help you excel.

Convenient and Flexible

For your convenience, CSUDH offers classes on the main campus in Carson, at satellite classrooms in Redondo Beach, online, and at your place of business by arrangement. Courses are offered at night and on weekends to accommodate your busy schedule.

Certificates are available in the following areas:

Arts & Culture
Business
Communications
Education
Healthcare
Information Technology
Legal Studies

Management & Leadership
Environmental & Occupational
Safety & Health

www.csudh.edu/summer

Organic Chemistry

Satisfy your Organic Chemistry Requirement in Just 10 Weeks this Summer!

Many pre-professional students need to take two semesters of organic chemistry with a lab. CSU Dominguez Hills Division of Extended Education offers a 10-week series of intensive Summer classes that may satisfy this requirement. Because students are focused on a single class, they often perform better than by taking the classes with a full course load.

Scheduled Classes

Organic Chemistry I

3 units

Prerequisite: CHE 112 or 1 year of general chemistry; concurrent enrollment in 301L

A detailed study of organic molecular structure, reaction mechanisms, stereochemistry, and synthesis with emphasis on aliphatic and aromatic systems.

Dates:

Time: Mon-Thu; 10am-12:15pm

NOTE: Mon & Wed Online

Tue & Thu on Campus

Location: CSUDH NSM C221

Fee: \$699

Instructor: Noel Sturm, Ph.D.

Course No.: CHE 300 Sec 35

Reg. No.:

For first class meeting go to

<http://chemistry.gravitywaves.com>

Organic Chemistry I Lab

1 unit

Prerequisite: CHE 112 or 1 year of general chemistry; concurrent enrollment in CHE 300

Basic experimental techniques of organic chemistry. Three hours of laboratory per week.

Dates:

Time: Tue & Thu 1-5pm

Location: CSUDH NSM C351

Fee: \$410

Instructor: Noel Sturm, Ph.D.

Course No.: CHE 301L Sec 35

Reg. No.:

Organic Chemistry II

3 units

Prerequisites: CHE 300 and CHE 301; concurrent enrollment in CHE 303L

Continuation of CHE 300 with emphasis on the chemistry of organic compounds containing oxygen and nitrogen.

Dates:

Time: Mon-Thu; 10am-12:15pm

NOTE: Mon & Wed classes Online

Tue & Thu on Campus

Location: CSUDH NSM C221

Fee: \$699

Instructor: Noel Sturm, Ph.D.

Course No.: CHE 302 Sec 35

Reg. No.:

Organic Chemistry II Lab

1 unit

Prerequisite: CHE 112 or 1 year of general chemistry; concurrent enrollment in CHE 302

Preparation of organic compounds and qualitative organic analysis. Three hours of laboratory per week.

Dates:

Time: Tue & Thu 1-5pm

Location: CSUDH NSM C351

Fee: \$410

Instructor: Noel Sturm, Ph.D.

Course No.: CHE 303L Sec 35

Special Major Bachelor of Arts Degree

A Special Major degree for those who have completed the Production and Inventory Control Certificate Program

The Program

Working with an advisory committee, participants design a path that best suits their individual and career objectives. Working adults and their employers will appreciate the career-specific approach of this innovative course of study.

Sample Programs

For complete requirements, please consult the University Catalog at: <http://www.csudh.edu/catalog/2011-2013/SpecialMajor.htm> and a program advisor. Additional prerequisite units may be required in the major and minor.

**Humanities (HUX)
Master of Arts**

**37 Years of Achievement in
Distance Learning through
Correspondence Study**

IT'S YOUR WORLD: LEARN IT

IT'S YOUR DEGREE: EARN IT!

The Humanities Master of Arts (HUX) program celebrates the Humanities, distance learning and YOU!

Educators, military officers, administrators and professionals in business, healthcare and law find study of the humanities instrumental in mastering critical thinking, writing, and analysis and synthesis of multiple paradigms and perspectives. Graduates of the HUX M.A. program include nationally known broadcasters, military leaders, innovative educators, screen writers, marketing professionals and college faculty.

The Program

The M.A. in Humanities program offers advanced disciplinary and interdisciplinary study of the Humanities: History, Literature, Art, Philosophy and Music. Correspondence courses, guided by expert faculty, engage distance learners in the region and around the world. The curriculum addresses the needs of those interested in deepening their

knowledge of the arts and Humanities in innovative, practical, and global contexts. In your HUX program, you will

- Examine a broad spectrum of texts and cultural artifacts
- Apply frameworks for organizing cultural knowledge
- Identify the applicability of rhetorical and critical thinking competencies to practical and marketable as well as academic situations
- Apply knowledge and values derived from the Humanities to engage and impact communities--local, national, and global
- Innovate and create through engagement with a variety of critical and imaginative constructs
- Explain human experience from multiple perspectives

Special Features

- All courses are completed off campus in convenient year-round trimesters
- Courses are conducted via correspondence with online option for some courses
- Opportunities for mentored independent research courses
- Disciplinary, Interdisciplinary and Creative Study concentrations available
- Capstone Experience: Formal thesis or Project
- Admission with B.A. or B.S., not necessarily in the Humanities, from a regionally accredited college or university; GPA 3.0 or better in last 60 semester (90 quarter) units of upper division course work attempted. (Inquire about special consideration)

The way this program is structured is almost revolutionary. It's structured but still allows its students to creatively explore their fields of study and be independent... This program has been ahead of its time.

David Marks
HUX M.A. Grad
2011

HUX faculty, staff and students congratulate David Marks, one of our proud 2011 graduates. David won First Place in the graduate Humanities category at the California State University Research Day at CSU Fresno in April 2011. David competed against student scholars from 23 campuses.

We invite you to join us! For more information or to apply, please review our website at

**Independent
Filmmaking A - Z**

**Produce, Write, Direct, and
Distribute Feature Films**

The Program

This is the course that launched the careers of Quentin Tarantino, Christopher Nolan (Memento) and Guy Ritchie (Snatch). In one weekend you learn how to take an idea, obtain the script, create a budget, finance the project, direct the shoot, edit the film, attend festivals, secure an agent, and then market, sell and distribute around the world.

What You Will Learn

Saturday (Filmmaking) focuses step-by-step on the actual process of shooting the film, from scheduling to lighting to

Independent Filmmaking A - Z

(Continued)

cinematography. Sunday (Film Business) is dedicated to the business of financing, distributing, and selling that film globally. The course applies to feature films with budgets ranging from as low as \$5000 to as high as \$5 million.

- Producing low-budget features
- Directing independent film
- Writing screenplays that sell
- Shooting artistically but cost-effectively
- Financing films
- Foreign sales, video and cable deals, festival awards

Special Features

Bonus: Digital Filmmaking Nuts and Bolts and Screenwriting A-Z

All enrollees receive a filmmaker's workbook and certificate of completion. Enrollment is limited. The class is one weekend in length.

Program Instructor

Dov S-S Simens, founder of the Hollywood Film Institute, has been producing films for the past decade, and has taught in the film schools at USC, UCLA, and NYU in addition to his independent workshops.

(Note: Register early to ensure a seat in the class. Must register by the Thursday before the class, close of business! Enrollments limited!)

Independent Filmmaking A-Z

Bachelor of Science in Applied Studies

Your access to an affordable degree completion program

Bachelor of Science Applied Studies (APS) program is accessible

- on campus at CSUDH in Carson
- distance learning using a fusion of televised lectures and Internet technology

The Program

The Bachelor of Science in Applied Studies is a degree completion program designed to meet the needs of community college students with backgrounds or degrees in technical fields for which there is no apparent bachelor's program into which they may readily transfer and pursue upper division coursework. The Applied Studies major blends business and liberal arts courses and involves integration of transferable skills. Students with technical or vocational associate degrees are able to obtain a four-year degree and prepare to advance in their occupations.

Who Should Attend

APS TV/Online program is especially suited for

- ▶ Working adults who, because of location or schedule, are not able to attend University classes on a campus
- ▶ Individuals who wish to complete a four-year degree, particularly those with associates in technical or vocational fields
- ▶ Individuals interested in career advancement with a 4 year degree

Features of the APS Program

- ▶ Affordable degree in convenient format for working adults
- ▶ Alternative formats of delivery available
- ▶ Up to 18 units of applied or technical lower-division coursework may be incorporated into the program
- ▶ Advising relationships between students and faculty reinforced
- ▶ Interdisciplinary and integrative curriculum blending problem-solving skills and perspectives from liberal arts, social science, and technical fields
- ▶ Scheduled courses year-round making possible timely completion of upper division coursework
- ▶ Enrollment in courses permitted to qualified students before admission

Admission as a Transfer Student

The best way to prepare to transfer to CSUDH and be admitted as an upper division student in Applied Studies is to obtain an associate degree at a California Community College and a certification of completion of the California State University lower-division General Education requirements. Most students will enter the program with an associate's degree or equivalent completed.

Refer to the CSUDH University *Catalog* online at <http://www.csudh.edu/Catalog> for details about admission and program requirements or contact the APS TV Preadmission Services Desk (866) 278-6789.

Costs

Special Major Bachelor of Arts Degree

A Special Major degree for those who have completed the Production and Inventory Control Certificate Program

The Program

Students who have completed the Production and Inventory Control program at California State University, Dominguez Hills, are invited to apply the credits earned to a bachelor's degree program as part of a unique program entitled Special Major. Through this program, students can integrate their studies in Production and Inventory Control with at least two other disciplines to obtain the degree. Working with an advisory committee, participants design a path that best suits their individual and career objectives. Working adults and their employers will appreciate the career-specific approach of this innovative course of study.

Eligibility Requirements

Formal admittance to the University is not required for participation in the LAPICS Certificate program, but is required for participation in the balance of the Bachelor's Degree Program. All students are required to pay extension tuition for LAPICS courses. Students desiring to enter the University to earn a Special Major BA must follow standard University application procedures as outlined in the University Catalog

Program Requirements

The Special Major Bachelor of Arts degree requires the completion of 124 semester hours including both lower and upper division course work. Participating students must complete all general studies program requirements (52-59 semester units) and integrate at least one other discipline outside of the College of Business and Public Policy with the PIX units to achieve a total of 24 units of upper division credit to complete the Special Major. Students must also complete an acceptable University minor.

Other graduation requirements are listed in

the general University Catalog.

The minimum requirement for the Special Major is 24 semester units of approved upper division work. The credit hours earned while completing the Production and Inventory Control Certificate serve as the foundation for the Special Major. The remaining upper division credit hours, in consultation with the student's advisory committee, should be chosen from at least one other department outside the School of Management.

Residence Requirements

A minimum of 30 semester units (of which 24 must be upper division units) must be completed in residence at CSU Dominguez Hills. This does not include the credits earned as part of the PIX certificate program because credits earned through extension are not considered residence credit. Please see the University Catalog for other residence and transfer credit requirements.

The Minor

In addition to the Special Major, participating students are required to complete a regular academic minor.

University Requirements

A student working towards the Special Major PIX degree is subject to university-wide policy relative to admission, scholastic standards and graduation requirements (please refer to the University Catalog). A maximum of 24 semester units through extension, correspondence and the United States Armed Forces Institute may be accepted toward a bachelor's degree. Each PIX course successfully completed counts as 3 of the 24 acceptable units.

Sample Programs

For complete requirements, please consult the University Catalog at: <http://www.csudh.edu/catalog/2011-2013/SpecialMajor.htm> and a program advisor. Additional prerequisite units may be required in the major and minor.

Entrepreneurship Certificate of Completion

The Program

The Certificate of Completion in Entrepreneurship prepares students who are aspiring to start their own business or run a small business. It is imperative that an entrepreneur have a strong understanding of business, human resources, legal and financial decisions prior to starting a company. This course offers students the knowledge that is required to define, plan and implement strategies at defining moments throughout a business lifecycle from start-up through acquisition. Classes are conducted online as an instructor-led self-study program and can be completed at the student's desired pace.

What You Will Learn

This course provides students with critical information on basic business acumen required for starting and running a business. This includes defining your business, identifying goals and opportunities, creating the proper business structure, understanding basic legal, tax and insurance requirements, fundamental accounting and financial planning practices, short- and long-term business strategies, marketing and promotion. Students will build a business plan during the Program as part of the course requirements.

Employment Outlook

For those with determination, business acumen, and a good idea, entrepreneurship is an enticing career option. Entrepreneurs can create their own niche in the marketplace, have the freedom to build a brand from an idea, and there is no limit to the amount of money an entrepreneur can make once the business is a success. Entrepreneurs and small business owners have made a big impact on the economy in job growth and employment. It is expected that the economic outlook for entrepreneurs will continue to be positive in order to boost the nation's economy.

Who Should Attend

This is an intensive, instructor-guided, self-study program geared towards students who are highly motivated self-learners, can work independently and want to start a business or launch a new product/service.

Eligibility Requirements

Students should have command of the English language in order to complete written assignments. Students need to have an

**Entrepreneurship
Certificate of Completion**

(Continued)

Internet connection to access the online course, submit assignments and complete certification testing online.

Special Features

Each assignment in the certificate helps students build and present their business plan and encourages interaction with established entrepreneurs.

Certificate Requirements

A Certificate of Completion is awarded upon successful completion of the Program.

Costs

The cost of the Program is \$1995 which includes the cost of materials.

Program Instructor

Erik Bowman is an author, speaker, educator, entrepreneur and business consultant. As a business and technology consultant, Erik has worked with companies of all sizes in both public and private sectors, from start-ups and small businesses to large corporations and major utility companies. More information about Mr. Bowman can be found at <http://Verify.IM/ErikBowman>

Entrepreneurship.

**Global Logistics
Certificate of Completion**

The Program

The Global Logistics program is designed to provide training for operational staff in freight forwarding companies, small to medium size shipping department supervisors and export/import office staff. Additional exposure to warehouse operations, trucking operations and the handling of hazardous material procedures as well as international finance provides for a pragmatic program, with immediate, applicable job skills.

What You Will Learn

The curriculum is based upon a sequence of courses that cover the body of knowledge to enter the field of logistics or improve current job skills for individuals already employed in the field. An overview of logistics, designed to introduce and define terms leads to specific courses that will enrich knowledge of how transportation plays such a major role in the world economy. The program will explore all modes of transportation both domestic and international and provide the groundwork to identify and handle commodities that require special attention, including security, dangerous goods and government compliance. The curriculum is focused on the operational level of logistics.

Who Should Attend

Individuals who desire an entry level position or improved job skills with a freight forwarder, small package company, trucking company or warehouse. Additionally, many small to medium size manufacturing and distribution firms depend upon a shipping supervisor to be familiar with the many facets of logistics; the various topics of the courses in this program would satisfy that need.

Program Benefits

- The entire certificate program of six courses can be completed in less than four months
- The student will acquire skills needed to enrich many employer's lean program
- The program emphasizes a practical body of operational skills that can be immediately put to use
- The student will enter a dynamic field, with many levels of career opportunities and specialty areas

Certificate of Completion Requirements

A certificate is awarded upon successful completion of the six required courses comprised of 70 classroom hours

Program Cost

- Total Program Fee: \$1190.00
- Books/Parking - Program \$340.00 (Approx.)

Courses

Introduction to Logistics

1.0 CEU

This course provides an overview of logistics. The goal is to define terms and identify the different segments of logistics. Topics include warehousing, inventory control, material handling, transportation modes, INCOTERMS, the role of all logistical parties and intermodal activities.

Date: Aug 18 & 25
Time: Sat 9am – 3pm
Meetings: 2
Location: SAC 1102
Fee: \$170
Instructor: D. Murphy
Course No.: GLX 900 Sec 01
Reg. No.: 42076

Importing and Exporting

1.0 CEU

This course provides an introduction to importing and exporting, by both sea and air. Students will learn advanced shipping terminology, financial terms, and the role of government in logistics and the importance of security in transportation. Cost analysis and protection of funds and goods will be introduced.

Date: Sep 8 & 15
Time: Sat 9am – 3pm
Meetings: 2
Location: SAC 1102
Fee: \$170
Instructor: D. Murphy
Course No.: GLX 901 Sec 01
Reg. No.: 42077

**Global Logistics
Certificate of Completion**

(Continued)

Global Logistics

2.0 CEUs

This course focuses on the transportation of goods. Emphasis is placed upon freight forwarding, analyzing and selecting the proper mode of transportation consistent with the goods being transported. Covered is the importance of proper documentation, the role of the third party in financing, boycotts, embargoes, NAFTA and other consortiums. Upon completion the student should be able to arrange and coordinate the transportation of goods globally.

Date: Sep 22 - ZOct 13
 Time: Sat 9am - 3pm
 Meetings: 4
 Location: SAC 1102
 Fee: \$340
 Instructor: D. Murphy
 Course No.: GLX 902 Sec 01
 Reg. No.: 42078

Transportation Management / Physical Distribution

2.0 CEUs

This course introduces modern warehouse shipping procedures such as packing, crating, kitting, security, perishable goods storage, hazardous materials storage and record keeping. Container loading and transport vehicle selection are introduced; long term storage is not included. The course covers selection of trucking companies, railroads, freight forwarders, small package services, reverse logistics and global carriers. The emphasis will be on domestic transportation, inland freight, rate negotiation, dealing with brokers and OTI carriers. Cost, performance and time will be overriding themes.

Date: Oct 20 - Nov 17
 Time: Sat 9am - 3pm
 Meetings: 4
 Location: SAC 1102
 Fee: \$340
 Instructor: D. Murphy
 Course No.: GLX 903 Sec 01
 Reg. No.: 42079

Financial Instruments of International Trade

0.5 CEU

This course introduces the student to the international banking process. Emphasis is placed upon letters of credit, and also

includes sight/time drafts, invoice procedures, pro-forma invoices, open accounts and other payment transactions. The detail and complexity of letters of credit demand that most of the session covers this important transaction method.

Date: Dec 12
 Time: Sat 9am - 3pm
 Meetings: 1
 Location: SAC 1102
 Fee: \$85
 Instructor: Diana Da Costa
 Course No.: GLX 904 Sec 01
 Reg. No.: 42080

Hazardous Materials

0.5 CEU

This course introduces the student to CFR49 and other resources required to properly identify, store, pack, mark and prepare a HAZMAT shipment for transportation. Examples of packaging materials, labels, placards will be presented. Safety and compliance is the focus of this course.

Date: Dec 8
 Time: Sat 9am - 3pm
 Meetings: 1
 Location: SAC 1102
 Fee: \$85
 Instructor: Duane Murphy
 Course No.: GLX 905 Sec 01

**Meeting and Event
Planning
Certificate of Completion**

The Program

Meeting and Event Planning is a multi-billion dollar industry, and corporations are recognizing the need for meeting planners to hone their skills and to become more proficient at what they do. Too much money is at stake! Associations raise much of their yearly operating funds from their annual meeting, and many non-profit organizations raise a high percentage of their funds from special events.

There are several associations of Meeting Professionals with memberships exceeding 25,000 that are dedicated to the education of

meeting and event planners. More and more colleges and universities are offering certificate programs as well as degree programs in Meeting and Event Planning.

What You Will Learn

Participants of this certificate program will learn about career opportunities, and mingle with experts in all areas of meeting and event planning such as convention service managers, hotel sales managers, audio visual equipment providers and production company representatives. Participants will also work together on a project to be presented at the completion of the program.

Employment Outlook

What positions might this certificate lead to?

- Meeting Manager
- Meeting Coordinator
- Event Manager
- Event Coordinator
- Wedding Planner
- Training Director
- Trade Show Manager
- Incentive Travel Manager
- Corporate Travel Manager
- Marketing Manager
- Public Relations Manager
- Executive Assistant
- Administrative Assistant
- National Sales Manager
- Executive Director

Who Should Attend

- Those whose responsibilities include coordinating conferences, fairs, weddings, fundraisers, sport programs, social functions, or other types of events.
- Those individuals considering making a career change and seeking a comprehensive introduction to the field of Meeting and Event Planning
- Those working in related fields such as entertainment, lighting, audio/visual, sound, and catering who are looking for additional knowledge to further their skills and enhance their competitive edge.
- Those in the hospitality industry who work with meeting and event planners such as hotel sales and convention service managers.

Elegibility Requirements

No prerequisites are required for the certificate. Some experience in meeting and event planning is helpful, but not necessary.

**Meeting and Event Planning
Certificate of Completion**

(Continued)

Special Features

All courses are taught by industry professionals, and are experts at what they do. Our instructors are eager to share their knowledge, and improve the professionalism of the industry.

The courses are scheduled for Saturdays for the convenience of working professionals. Most classes are offered on the CSUDH campus located at 1000 East Victoria Street in Carson. Some classes will be held off-campus as indicated.

Courses are offered for Continuing Education Units (CEUs). Nationally recognized standards govern attendance requirements to earn CEU credit. A permanent record of attendance is established and students may obtain a copy of their transcripts by calling the Records Office at (310) 243-3621.

Certificate Requirements

A Certificate of Completion will be awarded upon the completion of seven required courses, and one elective. Those who do not wish to pursue a certificate may take individual classes. All courses provide Continuing Education Units (CEUs).

Required Courses

- Introduction and Fundamentals of Meeting Planning MEX 901
- Special Event Management MEX 902
- Negotiations and Contracts MEX 903
- Site Selection and Inspections MEX 904
- Marketing and Promotion Financial Management MEX 905
- Food & Beverage Management Room Set Ups MEX 906
- Audio Visual and Technology Today MEX 907

Elective Courses

(Offered Alternate Semesters)

- Planning Global and Incentive Meetings MEX 908
- Wedding Planning MEX 909

Advisory Board Members

Claudia Brett, CMP, Director, Convention Center Sales, Los Angeles Convention Center

Mary Lou Cappel, CSUDH Professor/Coordinator, Recreation & Leisure Studies, California State University Dominguez Hills

Marjorie Y. Risinger, CMP, Partner, Rosenberg & Risinger

Charmaine Wilkerson, Co-owner, "And Here's Lilly"

Program Instructors

Marjorie Y. Risinger, CMP, is a partner in Rosenberg & Risinger, The Meeting Professionals. She has been a meeting planner for 25 years, and an instructor for Meeting Professionals International, IAEM, PCMA, HSMIA, and LABTA.

Charmaine Wilkerson owns "And Here's Lilly", a full event production company specializing in corporate and social events.

Gary Rosenberg, CMP, Vice President of Conference Management for Rosenberg & Risinger a division of CMI Resources, and has over 25 years of Industry experience.

Carroll Reuben, CMM, has been a corporate event director for more than 25 years, specializing in high technology events and trade shows.

Michael Herman has managed audiovisual departments of the finest hotels in Los Angeles and Santa Monica.

Marla Harr, CMP, has over 15 years experience in wedding consulting, special events and meeting planning.

Note: This program utilizes Blackboard, Be sure to get your password and instructions on how to access MyCSUDH when you register.

Please log on to Blackboard, print the handouts for Week 1 and bring them to class.

SCHEDULED CLASSES

Introduction and Fundamentals of Meeting Planning

.6 CEUs

This course will answer the following questions: How can I become a meeting professional and what are my opportunities?

What types of jobs are available? Should I work for myself or someone else? What salary can I expect to make?

This course will also provide an overview of the industry, and information regarding resources, professional organizations, and career possibilities.

Learn the step-by-step plans to assure that your meeting fits the needs of the audience, creates an environment for learning, stays within budget, and remains on time. This class will not only explain the process, but will provide quick tips for success with identifying goals and objectives, developing timelines and budgets, and establishing a meeting design. You will learn to write specifications for the venue, establish registration procedures, and manage and evaluate the event.

- Date: Jun 2
- Time: Sat 9am-4pm
- Meetings: 1
- Location: CSUDH EE 1217
- Fee: \$125
- Instructor: Carroll Reuben, CMM
- Course No.: MEX 901 Sec 01
- Reg. No.: 30284

Special Event Management

.6 CEUs

This course will provide you with tools to

Two Online Certificate Programs in Supply Chain Management:

- Production & Inventory Control
- Purchasing

Who Should Attend

The Certificate programs are designed for those who wish to gain a broad education in the principles of supply chain management. Those already in this growing field as well as those anticipating a career change will benefit from this practical training taught by leading professionals currently employed in production and inventory control and/or purchasing. In addition to providing a comprehensive introduction to supply chain management, the coursework is designed to help students prepare for the APICS CPIM Certification Exams or ISM (NAPM) Purchasing CPM Certification Exams. APICS is the Association for Operations Management. ISM is the Institute for Supply Management.

Employment Opportunities

Production & Inventory Control and Purchasing Certificate holders find employment in aerospace, electronics, military, hospitals, retail, and warehousing.

Requirements

Courses are offered three trimesters each year and provide three (3) units of upper division degree-applicable academic credit. Students must complete 5 courses and achieve an over-all grade point average of 2.5 (C+) or better to receive the certificate. The certificate must be completed within 3 years once the student has started the program.

Production & Inventory Control Certificate Program

Courses

- Basics of Supply Chain Management PIX 319 (PIX 319 is the foundation course and must be taken first)
- Detailed Scheduling/Planning PIX 331
- Operations Execution/Control PIX 332
- Master Planning of Resources PIX 333
- Strategic Management of Resources PIX 340

Books and Materials

Please purchase the most current edition: Introduction to Materials Managements, Arnold - PIX 319
APICS Participant Guide - PIX 331, 332, 333, 340
APICS Dictionary (optional)

Students must obtain textbooks prior to their first class.

Program Instructor

Joan Hall, Lifetime CPIM with APICS and over 25 years of experience in production and inventory control. She has been teaching the Production and Inventory Control certificate program for over 20 years for CSUDH which included company in-house programs, television, on campus and now the internet. Joan has a BS in Business Education and an MA in Secondary Education from CSULB.

Solar PV Entry Level Installer

The Program

About half of all solar PV installers work in California, a State that provides many incentives for solar electric power. Because solar power requires a large upfront investment, tax credits and other government incentives help make it a more affordable option for individuals and businesses. Given the trend in favorable government incentives, analysts expect that the solar-power industry will continue to grow rapidly.

Course is designed to prepare students to work as entry level installers who assemble, install and maintain solar photovoltaic (PV) systems on roofs or other structures in compliance with site assessment and

schematics. Part of the job requirements include measuring, cutting, assembling, and bolting solar modules to structural framing, as well as perform minor electrical work such as current checks.

As part of the course, students will be prepared and eligible to test for the Electronics Technicians Association's (ETA) level one installer's exam. ETA is one of the leading organizations in Solar PV training. Individuals with residential construction experience are best suited for this course; however there are no prerequisites or experience required.

Employment Outlook

According to the Occupational Labor Handbook, job prospects are expected to be excellent, particularly for those who have completed training from an accredited technical school or a formal apprenticeship

Online Wine Expert Certificate of Completion

The Program

The Wine Expert Program prepares students who are aspiring to break into the wine, hospitality or food service industry or want to advance their career in wine. This comprehensive 120-hour wine-study Program offers students the prerequisite knowledge beneficial for working in wine retail, wholesale, production, service and hospitality careers. This course includes important information to help students understand wine, to be able to speak confidently with others about wine and to decide which career path to choose. Classes are conducted online as an instructor-led self-study program and can be completed at the student's desired pace.

**Online
Wine Expert
Certificate of Completion**

(Continued)

What You Will Learn

This course provides students with essential information to understand where and how wine is made, how to serve, taste and pair wine with foods, as well as critical insight into wine career opportunities. Course lessons include Wine History & World Wine Regions, Winemaking Processes, Old World & New World wines (a "deep-dive" look at nearly 30 wine regions), Wine Types & Styles, Classic Grape Varieties, Vineyard basics, Wine Tasting, Wine & Food Pairing, Wine Aroma & Sensory Evaluation, Serving Wines, Hosting Wine Events and Wine Career Opportunities.

Employment Outlook

The wine, food service and hospitality industries are always looking for talented and knowledgeable professionals. The number of jobs at wine retailers, distributors and wineries has steadily increased over the past year and has shown growth over the past two years by as much as 50% to 90% in some areas. Job openings are expected to be abundant through 2018, which will create excellent opportunities for jobseekers. As the economy continues to improve the demand for high end wait staff, wine stewards and sommeliers is expected to increase.

Who Should Attend

This is an intensive self-study program geared towards motivated students wanting to enter the wine, hospitality or food service industry with a solid foundation in understanding wine and a deeper appreciation for wine.

Eligibility Requirements

Students should have command of the

English language in order to complete written assignments. Students need to have an Internet connection to access the online course, submit assignments and complete certification testing online.

Special Features

The Certified Wine Expert Program offers students the opportunity to interact with wine industry professionals by conducting interviews and participating in interactive assignments.

Certificate Requirements

A Certificate of Completion is awarded upon successful completion of the Program.

Costs

The cost of the Program is \$2295 which includes the cost of materials.

- Date: starts upon registration
- Location: online
- Fee: \$2,295
- Instructor: self-paced
- Course No. NHPD 199, Sec 01
- Reg No. 40005

Credit Partners

Your people work hard.
 Get them the credit they deserve.

University Credit for the training you already do

Credit is a BIG bonus

Your employees and conference attendees gain value every time they attend a training you've created to meet their particular needs.

You could add a big value bonus: university credit

Credit Partners is a service that starts with three steps to review your planned or existing in-house training programs for award-winning university or professional credit:

- ✓ Call 310-243-3730, or email bwald@lists.csudh.edu.
- ✓ Package and send information about your in-house or conference training.
- ✓ Your training is reviewed by appropriate university departments for content and quality.

If your course, curriculum or conference is approved, participants receive a permanent California State University Dominguez Hills record of either extension academic credit or professional continuing education units (CEUs), depending on the nature of the training.

Proud founding partner of the South Bay Business Resource Network!

- Online Communications Courses**22

Grant Writing and Administration Certificate of Completion

The Program

This program provides students with the basics in grant proposal funding. It includes learning terminology, identifying eligibility to apply for certain grant programs, finding grant funding resources and statistical data to document need for funding, learning about proposal requirements and how to prepare the components of a grant proposal.

This NEW HYBRID program requires students to attend three in-class sessions and participate on-line using Blackboard.

Students are required to complete the on-line readings and exercises. Students will also be required to participate by posting responses to instructors' questions and participating in class discussions utilizing the discussion board. Each class session includes an assignment that will reinforce the material, promote the peer review process, and provide a hands-on writing experience.

What You Will Learn

Students will gain practical knowledge needed to develop and strengthen funding proposals. Topics covered include:

- Strategic planning and program design
- Understanding the application process
- Managing projects and performance reporting

Who Should Attend

Individuals interested in learning how to write and manage winning grant proposals including educators, public administrators and nonprofit personnel.

Eligibility Requirements

This program is open to all individuals interested in learning about grant writing and administration. Students must have access to the internet.

Special Features

Courses are offered for Continuing Education Units (CEUs). Nationally recognized standards govern attendance requirements to earn CEU credit. A permanent record of attendance is established and students may obtain a copy of their transcripts by calling the Records Office at (310) 243-3621.

Certificate Requirements

A Certificate of Completion will be awarded upon completion of three required courses.

Register today!
Enrollment is limited

Required Courses

The program courses are designed to be taken in sequence

- Pre Award Grant Administration TEX 914
- Evaluation and Grant Implementation TEX 917
- Post Award Grant Administration TEX 919

Attendance is required at all class meetings.

"It was an interesting process that provided me with an abundance of interesting and useful information. I found exactly what I was looking for in the 3 courses. Was totally worth my while."
- Jennifer Hernandez
Asst. Grants Coordinator
City of Cudahy

Note: This program utilizes Blackboard, Be sure to get your password and instructions on how to access MyCSUDH when you register.

Please log on to Blackboard, print the handouts for Week 1 and bring them to class.

Program Instructor

Theresa Lu, PhD, is CEO of Lu & Associates and has over 20 years experience in the grantwriting and program evaluation industry.

Sharon Martin, MPA, Associate Director, LA Biomedical Research Institute

Scheduled Classes - Summer Session

Pre Award Grant Administration

2.0 CEUs
Date: Jul 10 - 24
Time: Tue 6:30 - 9:30pm
Meetings: 3 (7/10, 7/17, 7/24) plus online
Location: CSUDH EE 1210
Fee: \$160
Instructor: Sharon Martin
Course No.: TEX 914 Sec 35
Reg. No.: 30247

Evaluation and Grant Implementation

2.0 CEUs
Date: Aug 7 - 21
Time: Tue 6:30 - 9:30pm
Meetings: 3 (8/7, 8/14, 8/21) plus online
Location: CSUDH EE 1210
Fee: \$160
Instructor: Sharon Martin
Course No.: TEX 917 Sec 35
Reg. No.: 30275

Post Award Grant Administration

2.0 CEUs
Date: Sep 4 - 18
Time: Tue 6:30 - 9:30pm
Meetings: 3 (9/4, 9/11, 9/18) plus online
Location: CSUDH EE 1210
Fee: \$160
Instructor: Sharon Martin
Course No.: TEX 919 Sec 35

**Technical Writing
Certificate of Completion**

Online!

The Program

The Technical Writing Certificate of Completion Program introduces students to the many aspects of contemporary technical writing practices and helps them develop the skills and confidence to communicate complex technical concepts simply and effectively.

What You Will Learn

Technical writing plays an extremely important role in the business field and high tech world. With increasing reliance on sophisticated technology, written technical instructions have become the primary paths to understanding complex procedures. Some of the concepts that students will learn include how to determine their audience, purpose and objectives for various documents; how to follow steps to successful technical writing; how to write collaboratively; how to write a procedures manual; and how to design the most common types of technical documents.

Who Should Attend

Career opportunities are found in the financial, industrial, construction, electronics, automotive, medical, computer, biomedical, healthcare, agricultural and petrochemical industries. Many engineers, scientists and technicians have increased their effectiveness through improvement of their technical writing skills. Individuals who are interested in becoming technical communicators, or those who are already in technical writing positions and would like to improve their skills.

Eligibility Requirements

Students must have a command of the English language and understand the basic principles of composition including grammar and sentence construction.

Special Features

The program is taught online.

Certificate Requirements

A Certificate of Completion is awarded upon successful completion of the entire program.

"The classes were challenging and interesting and in some cases even fun. The homework got my creative juices flowing again.

I am surprised at how much of what I learned I am using every day. The program was time well spent."

- Georgia Lester
 Technical Writer II
 Panasonic Avionics Corporation

Courses

Fundamentals of Technical Communication
 Advanced Technical Communication
 Information Design

Courses begin every 10-11 weeks.

Costs

The cost of each course is \$489. Total cost for a certificate is \$1,467. There will be an additional cost for materials and/or textbooks.

"As a requirement of the Advanced Technical Communication class, I wrote a proposal that I also submitted to various business people and the CEO of the Chamber of Commerce. Not only did the Chamber CEO like the proposal, she also liked my writing and offered me a job doing all the writing for the Chamber including grants, business updates and local stories.

My Technical Communication class paid off before I even finished the certificate course!"

- Adrienne Mathewson
 Ridgecrest, CA
 Freelancer

Textbooks

(The most current edition of each textbook)
Technical Communication, Markel
Handbook Technical Writing, Alred, Brusaw, Oliu
Document Design: A Guide for Technical Communicators, Kimball

Program Instructors

Lu Kondor, MA, Technical Writer and systems administrator for more than 15 years, is employed by Sony Pictures Imageworks. Member STC.

Rachael Post, M.A., M.J., U.C. Berkeley, is a writer, editor, and owner of Luna Sky Media, a digital media marketing firm with a specialty in green technology. As a journalist, she

Technical Writing Certificate of Completion

worked for the *Daily Yomiuri* in Tokyo, the *San Jose Mercury News* in Hong Kong, and *Business Mexico* magazine. She has been developing Web sites and putting print publications online since 1998.

Scheduled Classes

Fundamentals of Technical Communication

This 9-week course examines the basic requirements of technical style and organizational patterns used in a variety of business and technical documents. Students learn and practice how to condense extensive information into the fewest words possible without sacrificing content. The class also covers how to identify the audiences and apply various styles to each.

Date: May 29 - Jul 27
Location: Online 
Fee: \$489
Instructor: Rachael Post
Course No.: NWTW 101 Sec 41
Reg. No.: 30187

Date: Aug 6 - Oct 5
Location: Online 
Fee: \$489
Instructor: Rachael Post
Course No.: NWTW 101 Sec 41
Reg. No.: 42070

Advanced Technical Communications

This 9-week course further examines the concepts learned in the "Fundamentals" course. Students hone their skills by writing various types of proposals, informal and formal reports, procedures manuals and oral presentations.

Date: May 29 - Jul 27
Location: Online 
Fee: \$489
Instructor: Lu Kondor
Course No.: NWTW 102 Sec 41
Reg. No.: 30188

Date: Aug 6 - Oct 5
Location: Online 
Fee: \$489
Instructor: Lu Kondor
Course No.: NWTW 102 Sec 41
Reg. No.: 42072

"The program was great and I am still amazed at how comprehensive it was - I especially enjoyed Lu Kondor who is an incredible instructor- she has not only a wealth of knowledge about the subject but is also able to convey it effectively!"

-Nanette Peters
Michigan Surgical Quality Collaborative
Ann Arbor, Michigan

Information Design

The final 9-week course gives students a command of the design principals and production processes required for truly effective technical communications. Students will design manuals, procedures handbooks and instructional materials. Students will be required to complete a capstone project that incorporates every aspect of technical writing learned in the program.

Date: May 29 - Jul 27
Location: Online 
Fee: \$489
Instructor: Lu Kondor
Course No.: NWTW 103 Sec 41
Reg. No.: 30189

Date: Aug 6 - Oct 5
Location: Online 
Fee: \$489
Instructor: Lu Kondor
Course No.: NWTW 103 Sec 41
Reg. No.: 42074

Classes will begin again on Oct 15.

Distance Learning

California State University, Dominguez Hills is a national leader in distance learning, named by *Forbes* magazine as one of the top cyber universities. The university has the largest distance learning program in the CSU system, with more than 4,000 students enrolled in distance learning programs in all 50 states and more than 60 countries. CSU Dominguez Hills offered its first distance learning degree in 1974, and in 1995 offered one of the first online masters degree programs ever approved by the Western Association of Schools and Colleges. CSU Dominguez Hills continues to be in the forefront of distance learning technology and academic excellence, garnering numerous awards including the Best Distance Learning Teacher from the U.S. Distance Learning Association, an Omni Intermedia Award, an Aegis Award, two Telly Awards and a Top 100 Video Producer Award. CSU Dominguez Hills is accredited by the Western Association of Schools and Colleges.

A New Way to Learn

CSUDH has developed an entirely new online interactive educational experience. In some ways, it's even better than being in classroom! Every week, a class is broadcast on cable TV and the Web, and appears as streaming video on your computer. Video, pictures, graphics and other enriched media help illustrate the lecture. Students can ask the professor a question at any time via e-mail or phone. Professors can also ask questions during the class, and students respond through the interactive features of the site.

Students can also chat with each other during the broadcast. If students miss a broadcast or would like to review the material, an archived video of the class is available on the Web site. In addition, every class has Blackboard Web site, where, in between broadcasts, students can download reading materials, participate in threaded discussions, take quizzes and turn in assignments.

Interactive courses and special programming are produced by the Center for Mediated Instruction and Distance Learning in specially equipped studios and broadcast live on DHTV, the television and Internet program service of CSU Dominguez Hills. Students and viewers may call a toll-free 800 number to be part of live, interactive discussions by asking questions and sharing comments with the instructor or in-studio guest lecturers.

TV classes can be seen on a variety of cable networks throughout Southern California including LA36 (cable channel 36 throughout the City of Los Angeles), on cable channel 6 in the South Bay region of Los Angeles County (Torrance, Hawthorne, Lawndale, Lomita, Gardena and El Segundo), cable channel 64 in Pasadena and Altadena and CityTV/cable channel 16 in Santa Monica and an increasing number of other cable systems throughout the region.

Be sure to check you local cable listings for the channel location for DHTV in your area. For information about DHTV, program schedules and more, call the Center for Mediated Instruction and Distance Learning at 310.243.2288.

Most CSUDH internet classes are conducted via the easy-to-use Blackboard software

Online Courses in Six Months

These online courses are designed to provide the workforce skills necessary to acquire professional caliber positions for many in-demand occupations. Classes are self-paced, begin upon registration, and are accessible for 6 months. After successful completion of the course, students will receive a certificate of completion from CSU Dominguez Hills. Visit www.gatlineducation.com/csudh to review course syllabus, and then call Extended Ed registration at 310.243.3741 to enroll in a course. (Note: The online Gatlin courses are not offered through WIA or EDD).

Question about course content? Contact Gatlin Education at (877)221.5151 daily between 7am and 3pm.

CSUDH has online courses to help advance your career!
To get started go to www.gatlineducation.com/csudh

Business and Professional

Administrative Professional with Microsoft Certified Application Specialist 2007 Training \$2,295 320 Hours
Administrative Professional with Microsoft Office 2007 Master \$1,995 240 Hours
Administrative Professional with Microsoft Office Specialist 2003 \$1,995 240 Hours
Building Analyst Quick Start Program (BPI BA Certification) \$1,195 60 Hours
Certified Protection Officer \$850 50 hours

Physical Education, Administration Option Master of Arts in Education

The Program

This is a graduate program for physical education teachers who are interested in furthering their education and professional development.

What You Will Learn

Graduates of this program will receive a Master of Arts in Education with an emphasis in Physical Education Administration. The Physical Education Administration option is designed to provide advanced studies in physical education, as well as knowledge and understanding of the basic foundations and theories of educational administration. The curriculum objectives promote a blending of theory and practice to assist students who seek advancement within their chosen field in education, public service, or the private sector. Graduates from this program will meet requirements necessary for teaching physical education at the community college level, as well as meeting requirements for various school administrative positions.

The Master of Arts in Education, Physical Education Administration Option is structured as a differential tuition program, with graduates completing a total of 30 units. Students will complete 18 units (graduate education curriculum) under state support and 12 units (physical education courses)

through Special Sessions. Students will be enrolled as regular university students for the extent of the program, but will pay the current Special Sessions fees for the 12 physical education units.

Degree Requirements

The following courses (A-C) constitute the program of study for the Master of Arts in Education: Physical Education Administration Option. Students enrolling in these courses must have a degree in Physical Education, Kinesiology, Exercise Science, or Human Performance or have completed the prerequisite courses (outlined in part II below). All students receiving this degree must successfully complete these courses.

Courses

A. Graduate Education Common Core Requirements. Classes taken under state support.

Research Methods in Education GED 500
Seminar in Learning & Dev. GED 501
Socio-Cultural Issues in Ed. GED 503

B. Graduate Education Required Courses. Classes taken under state support.

Law & Ethics in Public Education EAD 506
Supervision of Instruction EAD 570
School Management & Finance EAD 571

C. Physical Education Required Courses. Classes taken through Special Sessions.

Seminar in Contemporary Issues, Topics, and Trends in Physical Education KIN 500
Seminar in Curriculum Dev. in P.E. KIN 514
Public Relations & Development in Physical Education & Athletics KIN 516
Field Work in P. E. Administration KIN 593S

Program Prerequisites

Students who have not completed a degree in

Physical Education, Kinesiology, Exercise Science or Human Performance must complete all of the following courses before enrolling in 500 level physical education courses.

Human Anatomy Physiology BIO 250
Human Anatomy Physiology Lab BIO 251
Tests and Measurements KIN 300
Kinesiology KIN 301
Exercise Physiology KIN 303
P. E. in the Elementary School KIN 425
Teaching Effectiveness in Secondary
Physical Education KIN 448

Adult Education Teaching Credential

Employment Outlook

Graduates find employment in public and private schools, community agencies, private industry, health services, government agencies, military settings, correctional and religious institutions, volunteer agencies and centers for older or exceptional adults.

Who Should Attend

The Ryan **Designated Subjects Teaching Credential Program** is designed for students who meet the preliminary credential requirements and would like to fulfill the requirements for a clear Adult Education Credential as outlined by the California Commission on Teacher Credentialing.

**Adult Education
Teaching Credential**

(Continued)

**Program Requirements for a
Five-Year Preliminary Credential**

- Academic subjects: Adult Basic Education English, Humanities, Foreign Language, Mathematics, Science, Social Science
- Non Academic Subjects: Arts & Crafts, Business Education, Foreign Language (conversational), Gerontology, Handicapped, Health & Safety, Health Occupations, Home Economics, Parent Education, Public Administration.
- Bachelor's degree with 20 semester units or 10 upper division semester units in the subject to be taught or 5 years related work experience.* High school diploma also required.
- Successful passing scores on the California Basic Educational Skills Test (CBEST)
- Completion of the US Constitution requirement (POL SCI 101 or equivalent) or exam.
- Full-time work experience must be verified by employer on company letterhead stationery and a brief statement of job responsibilities with the beginning and ending employment dates provided.

Program Requirements and Courses for a Clear Credential

- Possession of a valid preliminary Adult Credential, plus courses
 - Level I and Level II Courses completed
- Note: If you never held a California Credential before, fingerprinting will be required. The credential is issued by the State of California.

Level I Courses

CLEAR CREDENTIAL CANDIDATES MUST COMPLETE LEVEL I COURSES BEFORE THE END OF THE SECOND YEAR OF THEIR PRELIMINARY CREDENTIAL.

Principles of Adult Education (2) TED 421
Methods & Materials I (2) TED 418
Methods & Materials II (2) TED 419

Level II Courses

LEVEL II CLEAR CREDENTIAL CANDIDATES MUST COMPLETE LEVEL II COURSES BEFORE THE END OF THE 6th YEAR OF THEIR PRELIMINARY CREDENTIAL

Seminar in Adult Education: Credential Interns (1) TED 417

Free Orientation Sessions

Register for a **free orientation session** to find out more about our Adult Ed credential program.

Date: May 21 or Aug 20
(choose one date and reserve a seat)
Time: Mon 6:30-7:30pm
Location: EE 1209
Fee: FREE
Reg. No.: May 21 30292
Aug 20 30293

Phone for reservation 310-243-3741

Supervised Field Experience/Adult Education (2) TED 423
Counseling & Guidance for Teachers of Adult Education (2) TED 424
Health in Public Education (3) HEA 300
Computer Literacy for Teachers (1) TED 420

Note: Level I & II courses in this program do not support Ryan designated vocational education credential requirements.

Costs

Each unit is \$212. A two-unit course is \$424.

The Location

All classes (except field experience) are taught on-campus at California State University, Dominguez Hills.

About the Instructors

Ted Johnson, M.Ed., Program Coordinator, Career Administrator and Educator; Academic Coordinator District Adult Education and Academic Intervention Program, Los Angeles Unified School District

Roberto Ceja, M.A. Education, 26 years of experience as an educator and administrator in vocational and community adult education

Gina Hayes, Ed.D. Educational Leadership, M.A. Anthropology; Assistant Principal Gardena-Carson Adult School

Julie Meuret-Kalousek, M.Ed., 17 years experience as an adult educator and mentor teacher

Ron Ross, Ph.D. History, California lifetime credentials in teaching, counseling and school administration; 30 years experience as an adult educator

Summer 2012 Scheduled Classes

Principles of Adult Education

2 Units

Course is designed to meet the requirements for the Designated Subject Credential Topics include scope and function of adult education, knowledge of cultural differences in students and communities, curriculum, media and community relationships.

Date: Jun 1, 2, 8 & 9
Time: 2 Fri 4:30 - 9pm
2 Sat 9am - 6pm

Meetings: 4
Location: EE 1210
Fee: \$424

Instructor: Ron Ross
Course No.: TED 421 Sec 71
Reg. No.: 30267

Fieldwork Experience: Adult Education

2 Units

Prerequisites: Concurrent enrollment in TED 417 is required; TED 418, TED 419 & TED 421
Practical experience in teaching adults, including classroom, school, community, and individualized assignments to fulfill the particular needs of each intern.

Date: Jun 1 & Aug 11
Time: Fri 6-9pm, Sat 9am-12pm,
Meetings: 2

Location: EE 1209
Fee: \$424
Instructor: Ted Johnson
Course No.: TED 423S Sec 71
Reg. No.: 30268

Seminar In Adult Education

1 Unit

Prerequisites: Concurrent enrollment in TED 423 is required; TED 418, TED 419 & TED 421
Addresses beginning adult education intern needs for working in ethnically, culturally, and language diverse adult school settings. Emphasis is on problem solving, discussion of competency checklists used in fieldwork.

Date: Jun 2 & 9
Time: Sat 9am-5:30pm
Meetings: 2

Location: EE 1209
Fee: \$212
Instructor: Ted Johnson
Course No.: TED 417 Sec 71
Reg. No.: 30258

**Adult Education
Teaching Credential**

(Continued)

Materials & Methods Part I

2 Units

Course covers instructional techniques, evaluation of student achievement and the learning process in adult education.

Date: Jun 22, 23, 29, 30
Time: 2 Fri 4:30–9pm
2 Sat 9am–6pm

Meetings: 4
Location: EE 1221
Fee: \$424
Instructor: Roberto Ceja
Course No.: TED 418 Sec 71
Reg. No.: 30264

Materials & Methods Part II

2 Units

Prerequisite: TED 418

Covers instructional techniques, instructional technology, strategies to address the needs of diverse learners and resources in the Adult Education community. Emphasis will be placed on three specific groups: ESL students, older adults and exceptional adults.

Date: Jul 13, 14, 20, 21
Time: 2 Fri 5–9:30pm
2 Sat 9am–6pm

Meetings: 4
Location: EE 1209
Fee: \$424
Instructor: Gina Hayes & Julie Meuret-Kalousek
Course No.: TED 419 Sec 71
Reg. No.: 30265

Counseling & Guidance/ Adult Education

2 Units

Counseling techniques to meet the special needs of adult students, career counseling, interpersonal and communication skills.

Date: Jul 27, 28, Aug 3, 4
Time: 2 Fri 4:30–9pm
2 Sat 9am–6pm

Meetings: 4
Location: EE 1209
Fee: \$424
Instructor: Ron Ross
Course No.: TED 424 Sec 71
Reg. No.: 30272

Computer Literacy for Teachers

1 Unit

Prerequisite: TED 417 Offered for Adult

Education credential candidates only

Identifies issues in the use of computer technology; provides online microcomputer experience in using and evaluating coursework and incorporating instructional computer use into a specific lesson; gives practice in the use of teacher utilities and application programs. CR/NC grading.

Date: Aug 18, 25
Time: Sat 9am–5:30pm
Meetings: 2
Location: Aug 18 EE 1205
Aug 25 EE 1202
Fee: \$212
Instructor: Ted Johnson
Course No.: TED 420 Sec 71
Reg. No.: 30266

**Advising for the Designated Subject
Adult Ed credential preparation program
is recommended**

- First, attend a **free orientation** session on credential and program requirements. See box above for details.
- Schedule an advising appointment with Ted Johnson, academic coordinator. Email dulloa@csudh.edu to schedule appointments.

Phone 310 243-3741

**Assistive
Technology
Specialist
Certificate Program**

The Program

California State University Dominguez Hills and the Orange County Department of Education offer an online Certificate Program in the area of Assistive Technology. Federal and state laws require that school personnel be prepared to offer a full range of services to disabled persons in the area of assistive technology. This online program prepares individuals to fully understand and implement these state and federal mandates. Courses meet professional development hours for licensure renewal as required by the California Speech-Language Pathology and Audiology Board.

Online! 

Who Should Attend

Anyone who has the desire or professional need to learn the federal and state requirements for serving the disabled within their organizations, including:

- Special Education Teachers
- Occupational & Physical Therapists
- Speech and Language Specialists
- Rehabilitation Specialists

COURSES

All courses carry 3 semester units of graduate-level education credit.

Introduction to Assistive Technology SPE 530
Basic Assistive Technology SPE 531
Advanced Assistive Technology SPE 532
Admin. of Assistive Tech. Svcs SPE 533
Capstone Course in Assistive Technology SPE 537

About the Instructors

Larry Belkin, M.A. School Psychology; Chief, Special Education Services, Orange County Department of Education

Paul Richard, M.B.A.; Assistive Technology Coordinator, Orange County Department of Education

SPE 530 Introduction to Assistive Technology provides an overview for a broad audience including parents of disabled students and other interested members of the community.

Scheduled Classes

Introduction to Assistive Technology

3 Units

Reviews the use of Assistive Technology as it relates to education, communication, vocation, recreation, and mobility for individuals with disabilities. Explores types of assistive technologies, functional assessments, resources, and district responsibilities.

Spring-Summer

Date: Apr 4 - Jun 13
Location: online 
Fee: \$699
Instructor: Larry Belkin & Paul Richard
Course No.: SPE 530 Sec 42
Reg. No.: 30048

Summer-Fall

Date: Jul 9 - Sep 17
Location: online 
Fee: \$699
Instructor: Larry Belkin & Paul Richard
Course No.: SPE 530 Sec 41
Reg. No.: 42153

Assistive Technology Specialist Certificate

(Continued)

Basic Assistive Technology

3 Units

Provides information regarding design and development of basic assistive technologies, compares human and system performance, and details the development of system interfaces.

Summer-Fall

Date: Jul 9 - Sep 17
 Location: online ☑
 Fee: TBD
 Instructor: Larry Belkin & Paul Richard
 Course No.: SPE 531 Sec 41
 Reg. No.: 42158

Advanced Assistive Technology

3 Units

Teaches students to use and adapt a variety of assistive technology devices and software and apply these technologies in a wide range of integrated educational settings.

Spring-Summer

Date: Apr 4 - Jun 13
 Location: online ☑
 Fee: TBD
 Instructor: Larry Belkin & Paul Richard
 Course No.: SPE 532 Sec 41
 Reg. No.: 30049

Administration of Assistive Technology Services

3 Units

Provides students with information on a variety of administrative issues, including the role of the Transdisciplinary Team, identification of funding and other resources, specialized computer adaptations, legal and ethical issues, and effective solutions.

Spring-Summer

Date: Apr 4 - Jun 13
 Location: online ☑
 Fee: \$699
 Instructor: Larry Belkin & Paul Richard
 Course No.: SPE 533 Sec 41
 Reg. No.: 30050

visit the website
<http://www.csudh.edu/at/>

Capstone Course in Assistive Technology

3 Units

Students will apply assistive technology skills by performing functional assessments, developing technology goals/objectives, and selecting appropriate assistive technology services for the disabled. Additionally, students will develop skills to facilitate the development of a system to deliver assistive technology devices and services.

Spring-Summer

Date: Apr 4 - Jun 13
 Location: online ☑
 Fee: \$699
 Instructor: Larry Belkin & Paul Richard
 Course No.: SPE 537 Sec 41
 Reg. No.: 30051

Summer-Fall

Date: Jul 9 - Sep 17
 Location: online ☑
 Fee: TBD
 Instructor: Larry Belkin & Paul Richard
 Course No.: SPE 537 Sec 41
 Reg. No.: 42159

Communication Sciences and Disorders Certificate

The Program

The Certificate in Communication Sciences and Disorders is a pre-professional program offering students the prerequisite knowledge that is required for education leading to a career as a Speech-Language Pathologist. Students will be prepared to enter MA/MS programs in Communication Sciences and Disorders or meet the academic requirements for state licensure as a Speech-Language Pathology Assistant. Classes are offered only in the evening and on Saturdays to accommodate students who work full or part

time. The program offers students the opportunity to observe certificated, licensed, and credentialed speech and language pathologists in clinical and school settings. Students are trained within a cohort model and are mentored through out the certificate program.

Employment Outlook

Speech-Language Pathologists work in a variety of settings that offer year round, 1-month, full time, part time, and/or per diem employment. Therapists work in public and nonpublic schools, preschools, community colleges, colleges and universities. They also work in hospitals, individual and family services, out patient care centers, and child care centers. Others choose to work for corporations, in the offices of physicians or other allied health practitioners, or own a private practice.

Courses

Communication Sci. & Disorders	CSD 341
Phonetics	CSD 342
Speech & Language Development	CSD 343
Anatomy and Physiology of the Speech and Swallowing Mechanism	CSD 354
Audiology and Audiometry	CSD 355
Clinical Methods and Procedures	CSD 356
Speech Science	CSD 441
Articulation & Phonologic Disord.	CSD 442
Neurology & Neurogenic Disorders	CSD 443
Childhood Language Disorders	CSD 454
Voice and Fluency Disorders	CSD 455
Aural Rehabilitation	CSD 456

Costs

Financial Aid is available for qualified applicants who are enrolled in the certificate program. Please contact the director of Financial Aid at (310)243-3647.

Preparation

Students must hold a BA/BS in a subject area not related to Communication Sciences and Disorders from an accredited institution and have a minimum 3.0 GPA.

For further information or to apply. Please contact: Margaret Dee Parker, Ph.D. Program Coordinator (310)243-3075 email: mparker@csudh.edu www.csudh.edu/ee/commsciencesdisorders.html

Certificate in Community College Teaching

The Program

A three-course Certificate in Community College Teaching is designed for those who are ready to explore the option of a career in community college teaching. Courses are designed to enhance the skills and knowledge, and thereby employability, of potential community college instructors.

Who Should Attend

Participants should hold a master's degree in a subject area taught at the community college level, or be in the final phase of a graduate degree program, or be currently employed as an instructor in a community college.

Location

GED 548 and GED 549 are taught **online** in the **Spring** semester. These courses are taught **on campus** at CSUDH in Carson in the **Fall** semester. Registrants for GED 594S will perform their internship at a community college.

Courses

Graduate-level Education credit

Effective College Teaching	GED 548
The Community College	GED 549
College Teaching Internship	GED 594S

Course outlines for GED 548 & 549 are available at www.csudh.edu/ccteaching

About the Instructors

Rodger McGinness, Ed.D. Educational Leadership, Vice President of Academic Affairs (ret.) Copper Mountain College, educator for 30 years with extensive experience as a community college instructor and administrator

Martha Sklar, Ph.D. Mathematics Education, educator for 20 years and extensive experience as a community college dean

Ramon Baltazar, MBA, Instructor Los Angeles Harbor College, graduate CSUDH Community College Teaching Certificate program

Fall 2012 Scheduled Classes

GED 548 & GED 549 taught Online only in Spring term

The Community College

2 Units

An overview of the history, mission and function of the community college. Topics include the history of higher education, the role of the community college, student characteristics, curriculum, finance, governance and the California Master Plan.

Date:	Sep 8-29
Time:	Sat 9am-4:30pm
Meetings:	4
Location:	EE 1205
Fee:	TBD
Instructor:	Ramon Baltazar
Course No.:	GED 549 Sec 41
Reg. No.:	42181

Effective College Teaching

3 Units

Prerequisite: Must have completed, or be completing MA/MS or be teaching at a Community College.

Study of research, theory, and practices associated with teaching and learning processes within the community college system. Topics include course planning and organization, student diversity, teaching and student retention, and instructional technology.

Date:	Oct 13 - Nov 17
Time:	Sat 9am-4:30pm
Meetings:	6
Location:	EE 1205
Fee:	TBD

Join those who have successfully completed the Certificate in Community College Teaching

"The course work provided me with a basic understanding of the goals and objectives of the California Community College system, and how the system operates. In addition, I was given the opportunity to intern at Harbor College which lead directly to my obtaining a teaching position there. I highly recommend the Community College Teaching Certificate Program at CSUDH to anyone who is interested in pursuing a career in teaching at the community college level."

-Ron Maricich

**Professional
Development Courses**
Distance Learning

self-paced

The Program

These distance learning courses are computer-based, and designed by experts who carefully and thoughtfully craft the courseware which allows you to work at a pace that fits your schedule. The instructors establish regular office hours and provide access by a toll-free number and/or by email for questions.

Who Should Participate

Educators who need the flexibility of e-learning to advance their careers to the next step or compensation level. Learn at home or work, on your own computer, on your own time, at your own pace.

Special Features

All program instructors are experienced practitioners in their field of expertise. Courses are available online. Student must have Mac OSX 10.x OR Windows XP Home, Professional or newer. Requires 1GB of RAM, 5MB of free hard disk space, 15" or larger color monitor with a minimum resolution of 800 x 600, and a printer connected to your computer.

Credit Information

Credit varies depending on course.

Costs

Each class is priced individually.
2 Extension Unit courses - \$318
3 Extension Unit courses - \$477

There are no refunds.

For more information visit the website:
www.csudh.edu/ee/educatoronline.html

Bringing the Training Conveniently On-Site....Saving Lives, Saving Money.

The Center for Training and Development at CSUDH is working with the Dominguez Hills OSHA Education Center to deliver on-site, customized training to company sites. Deeply discounted rates are available to groups of 15 students or more. Contact Center Director Jason Vogel, at (310) 243-3355 for further details.

Don't have a group big enough....? Volume discounts are available for companies and organizations sending five or more participants to one of our regular classes. Contact Jason at the Center for Training and Development at (310) 243-3355 to register your group or to receive further information.

Reward Your Training Efforts....Earn the CSUDH Advanced Certificate in Safety and Health....

Participation in the OSHA courses at the Dominguez Hills OSHA Education Center can earn you professional recognition when you receive the Advanced Certificate in Safety and Health! This Certificate consists of two required courses and five electives. Complete Certificate information can be found at www.csudh.edu/oshah

Recognizing courses taken at other OSHA Education Centers....

The Dominguez Hills OSHA Education Center recognizes courses taken at other authorized OSHA Education Centers across the country by accepting up to four courses taken through them towards meeting the requirements of the CSUDH Advanced Certificate in Safety and Health. Full details and the certificate application can be found at the www.csudh.edu/oshah

Where Military Service counts!

CSUDH has a proud tradition of serving America's military. The recognition

of training taken at OTIECs across the nation and the world by service members is just one example! Learn more about our other military friendly policies by visiting www.csudh.edu/military

Earn the CSUDH Advanced Certificate in Safety and Health Evenings and Weekends!

The Dominguez Hills OSHA Education Center offers students the option of completing the Advanced Certificate in Safety and Health in six months or less through participation in weekend and evening courses. All Certificate guidelines apply. Any student may take the accelerated courses on a space-available basis although priority seating will be given to those students who sign up for five or more accelerated courses at once. For complete Certificate guidelines see www.csudh.edu/oshah

Become a Trainer: Participate in FOUR OSHA Outreach Trainer Programs....

The Dominguez Hills OSHA Education Center offers four OSHA authorized Train-the-Trainer programs in **Construction, General Industry, Maritime Safety and Disaster Site Worker**. If you have the required experience (requirements differ for each program) this can be an excellent opportunity to become an authorized Trainer for your company, or to build your own business! Consult www.csudh.edu/oshah for further information.

Trainer Programs offered on weekends in Carson, the Inland Empire and Orange County

Don't have the time to become a Construction or General Industry Trainer during the week? Weekend Train-the-Trainer programs are available in Carson, the Inland Empire and Orange County....check www.csudh.edu/oshah for further information.

Training Available online....

Through partnerships with 360 Training and the University of South Florida, the Dominguez Hills OSHA Education Center is pleased to offer the Construction and General Industry 30 Hour Standards and Trainer Courses completely online. Fully authorized by OSHA, these excellent online programs can provide potential Trainers the opportunity to receive their credentialing online. Information about this and all of the online Safety and Health programs available through CSUDH can be found at www.csudh.edu/oshah

Apply your Training to a Bachelor's Degree

Through a partnership with Columbia Southern University courses taken through the Dominguez Hills OSHA Education Center can be applied to an online Bachelor's Degree in Occupational Safety & Health offered by Columbia Southern University. For further information contact Columbia Southern directly at www.columbiasouthern.edu/oshah or by calling (800) 977-8449. Students enrolled in or graduated from the CSUDH Advanced Safety and Health Certificate will receive a 10% tuition discount for courses taken through Columbia Southern University.

SPECIAL Discount for Association and Union Members!

Active dues paying members of safety organizations such as ASSE (American Society of Safety Engineers), AIHA (American Industrial Hygienists Association), and NSC (National Safety Council), as well as dues-paying union members, government employees, military personnel, and veterans receive a 10% discount on all CSUDH OTIEC courses. Safety & Health Certificate Programs

Advanced Safety and Health Certificate

Participation in the OSHA courses at the Dominguez Hills OSHA Education Center can earn you professional recognition when you receive the Advanced Certificate in Safety and Health! This Certificate consists of two required courses and five electives.

Required Courses: OSHA 510 or 511, OSHA 521.

Electives: Any five OSHA numbered courses (except one-day classes)

www.csudh.edu/osha/advancedsafetyandhealth.html

Professional Safety & Health Certificate in Hospital & Healthcare Industry

This program is designed for workers in the healthcare industry, which includes hospitals, clinics, professional offices and other health related settings. Standards and guidelines relating to safety, ergonomics, industrial hygiene, patient safety, hazardous materials, first response and first aid are covered in relation to OSHA and Cal/OSHA regulations

After completion of this certificate program participants should be able to:

- Apply current safety and health skills in Hospital & Healthcare industry
- Identify standards and regulations impacting the Hospital & Healthcare industry
- Recognize skills required for employee and employer compliance with OSHA and Cal/OSHA regulations
- Develop working emergency operation plans

Prerequisite Courses: OSHA 511, OSHA 521, OSHA 2015, OSHA 7200

Required Courses: OSX 977, OSX 991, OSX 934,

Electives: (2 required) OSX 982, OSX 978, OSX 984, OSX 907, OSX 979

Occupational Safety for Managers and Supervisors Certificate of Completion

The Program

Designed for Health & Safety officers and those planning to enter the field, this program will provide skills and fulfill requirements necessary to function in a Health and Safety Department and to administer health and safety programs in an industrial setting.

All program instructors are experienced practitioners in their field of expertise. Courses are offered at convenient times to meet the needs of working adults.

On-site instruction is available.

Who Should Attend

The program will meet and satisfy ongoing CEU requirements for safety officers, registered environmental assessors, certified safety professionals, certified industrial hygienists, professional engineers and safety and industrial nurses. Supervisors, company owners, top and middle management, loss control representatives, worker compensation administrators, risk management personnel, general managers and superintendents will also find this program a valuable and important means of gaining professional knowledge.

Eligibility Requirements

This program is open to all students interested in learning more about environmental and occupational health & safety.

Special Features

Courses are offered for Continuing Education Units (CEUs). Nationally recognized standards govern attendance requirements to earn CEU credit. A permanent record of attendance is established and students may obtain a copy of their transcripts by calling the Records Office at (310) 243-3621. CSUDH is an MCLE Provider (#3897) for HEX 946.

Certificate Requirements

(Effective Fall 2011)

A Certificate of Completion is awarded upon successful completion of six required courses. Classes may be taken in any order according to individual needs.

Students not pursuing the certificate may take individual classes.

Security for Managers and Supervisors Certificate of Completion

The Program

The program provides managers and prospective managers who have both safety and security responsibilities within their organizations with practical, hands-on training in how to implement and maintain a safe and secure work environment. All program instructors are experienced practitioners in their field of expertise. Classes are scheduled in the evenings and/or weekends to meet the needs of working adults.

What You Will Learn

Course instruction and materials will provide participants with the tools and guidelines required to manage security issues in the workplace. Participants will learn to:

- Identify workplace security issues
- Manage security concerns
- Conduct accident/incident investigations
- Address issues related to terrorism, natural disasters and workplace violence
- Understand privacy and ethics considerations

Who Should Attend

Individuals responsible or seeking responsibility for implementing and maintaining a safe and secure work environment including:

- Health and Safety professionals
- Security personnel
- Managers
- Supervisors
- Human Resource Directors
- Risk Managers

Eligibility Requirements

This program is open to all students interested in learning more about workplace safety and security practices.

Special Features

This program is recognized by the California Society of Safety & Security Professionals (CSSSP), FEMA and the Department of Homeland Security. Courses are offered for Continuing Educational Units (CEUs). Nationally recognized standards govern attendance requirements to

earn CEU credit. A permanent record of attendance is established and students may obtain a copy of their transcripts by calling the Records Office at (310) 243-3621

Certificate Requirements

A Certificate of Completion is awarded upon successful completion of six required courses plus one elective course. Elective courses are offered to suit the needs of individuals from various industries. Classes may be taken in any order according to individual needs.

Required Courses

Security and Loss Prevention	HEX 989
Organizational Preparedness for Disasters	HEX 988
Introduction to Cyber Security	HEX 985
First Responders	HEX 984
Terrorism & Violence in the Workplace	HEX 983
Introduction to Security Management	HEX 982A

REQUIRED COURSES

Security and Loss Prevention 2 CEUs

A comprehensive introduction to security and loss prevention ranging from historical to 21st Century issues and applications. Materials included.

Date:	Jun 30 - Jul 21
Time:	Sat 8am-1pm

Nursing Master of Science Online

The Program

The MSN program prepares leaders for advanced practice in the roles of Nurse Educator, Nurse Administrator, Parent-Child and Gerontology Clinical Nurse Specialist, and Family Nurse Practitioner. Courses are based on advanced knowledge and the critique and application of theory and research as a scientific base for nursing.

What You Will Learn

Upon the completion of the Master of Science in Nursing Program, the graduate will be able to:

- Integrate knowledge, theory, research and skills in the delivery of comprehensive care and services for individuals, families and populations.
- Design culturally sensitive programs and systems of care and services that meet the needs of diverse and vulnerable populations.
- Provide evidence-based, clinically proficient care and services using critical thinking skills in advanced nursing roles.
- Apply oral, written and technological communication skills in clinical, educational, and professional contexts and systems.
- Integrate ethical principles into theories, research and practice in advanced nursing roles.
- Advocate for healthcare policies and financing that promote, preserve and restore public health.
- Provide leadership in collaborative efforts with other disciplines to influence improvement in healthcare systems.
- Demonstrate commitment to lifelong learning for continued professional growth.

Admission Requirements

- Completion of a baccalaureate degree from a regionally accredited institution with an upper division major in nursing (BSN) and a NLNAC or CCNE accredited nursing program or the equivalent as determined by the School of Nursing Student Affairs Committee.
- Overall grade point average of 3.0 (on a four-point scale) or higher in the last 60 semester (90 quarter) units attempted.
- Current and active RN licensure in the United States.
- Completion of statistics (descriptive and inferential) and upper division research courses. Students who have not taken these courses in the undergraduate program may enroll in them concurrently with graduate coursework. They must be completed prior to MSN 530.
- The Graduate Writing Examination (GWE) requirement (or equivalent) must be met prior to admission OR during the first semester of coursework with a score of 8 or better.
- Submission of a professional resume and 100-200 word essay describing the congruence of the applicant's educational goals with the CSUDH MSN program.

Degree Requirements

All students admitted to the major must be actively licensed as a registered nurse (RN). It is the students' responsibility to immediately

report in writing any change in licensure to the Chair or the Program Coordinators. Prior to enrolling in Role Performance (clinical) courses, students are responsible for obtaining and showing evidence of the items below. Graduate students will submit these documents with the Role Option Entry Eligibility Checklist which must be submitted the semester prior to the first role performance course:

- Current and active RN licensure
- Rubella, rubeola, and varicella immunization or serum titer showing immunity
- Negative PPD or chest x-ray, if positive
- Current CPR certification
- Hepatitis B titer showing immunity
- Blood-borne Pathogen/universal precautions and HIPAA Training
- Worker's Compensation Waiver form

*Affiliating clinical agencies may have additional requirements.

Courses should be completed in the suggested sequence as noted in the MSN curriculum charts and handbooks. Students wishing to accelerate their study or pursue full time study should seek advice and approval from the Graduate Coordinator.

All students conclude their 30-52 units of master's preparation with a culminating activity. Nurse educators develop expertise in a nursing clinical practice area by selecting a three-unit elective in an advanced clinical focus related to parent-child or gerontology nursing. The course should be taken prior to entry into role-emphasis courses.

Role Options

The MSN program consists of 15 units of core courses, plus role emphasis courses. The total number of units varies according to the role option:

- Nurse Administrator (30 units)
- Nurse Educator (36 units) *
- Clinical Nurse Specialist (40 units)
- Family Nurse Practitioner (48 units)

California Board of Registered Nursing Provider Number CEP# 10928

For more information contact the School of Nursing at eeinfo@csudh.edu (310) 243-3741 or 877-GO-HILLS or visit the website: www.csudh.edu/cps/son

Nursing Bachelor of Science Online

Complete the B.S. degree in Nursing via World Wide Web at a time and place convenient to you!

The Program

The Bachelor of Science in Nursing curriculum is for registered nurses who are adult learners whose time, lifestyles or work schedules make it difficult to complete a traditional course of study in residence on a campus. All BSN courses, including clinical role performance courses, are offered online through the Internet to deliver the curriculum wherever and whenever the student is ready to learn. Some online courses may require students to take part in onsite class, either on campus or at selected sites throughout California.

Admissions Requirements

- 60 or more transferable college units (70 semester units/105 quarter units maximum accepted from community colleges and 96 units from a four-year institution)
- Current RN licensure in the United States or an RN interim permit
- College GPA of at least 2.0
- Completion of basic General Education (G.E.) courses (12 units)
(If is recommended that students obtain G.E. certification from a community college prior to admissions)
- English Composition (3 units)
- Critical Thinking/Logic (3 units)
- Oral Communications (3 units)
- GE Math/Quantitative Reasoning (3 units)

BSN Degree Requirements (49-52 units)

A total of a minimum of 120 semester units are required for the degree. In addition to the major, students must complete general education requirements. Students transferring from a community college can transfer a maximum of 70 units and students from a four year institution may transfer a

maximum of 96 units. Electives are not required unless necessary to complete degree requirements.

For further information contact:
(310) 243-3741 or 877-GO-HILLS

Or eeinfo@csudh.edu
or visit the website:
www.csudh.edu/cps/son

Alcohol and Drug Counseling Certificate

The Program

The Certificate Program in Alcohol/Drug Counseling consists of 9 courses designed to prepare individuals for entry into the field at a professional level. The Certificate is widely recognized by alcoholism treatment centers.

Eligibility Requirements

Students may enter the program in either the Fall or Spring Semester. Applicants should have completed at least two years of college or have at least two years of work experience in a health or human service agency. If the applicant is a recovering substance abuser, two years of continuous sobriety is strongly recommended.

Prospective students must complete an application form and supply transcripts and letters of recommendation. Call (310) 243-3782 for more information.

CAADAC Approved Program

Special Features

CSUDH Extended Education is a Continuing Education PCE Provider (#1675)

Five courses offered in this program are degree applicable. Courses transferable to the Human Services Program and their equivalents are as follows:

ADX 301 is equivalent to HUS 310
ADX 304 is equivalent to HEA 315
ADX 306 is equivalent to SOC 320 or HIS 379
ADX 305 and ADX 307 are equivalent to HUS 380/381

Three additional ADX courses can be used as electives.

Students who are majoring in Human Services at CSUDH and who wish to complete the requirements of the Alcohol and Drug Counseling Certificate, the equivalents are as follows:

PSY 367 or HUS 310 is equivalent to ADX 301
PSY 342 or HEA 315 is equivalent to ADX 304
SOC 320 or HIS 379 is equivalent to ADX 306

Students with the Bachelor of Arts degree in Human Services must complete the following for the Certificate: ADX 300, ADX 302, ADX 303, ADX 305 and ADX 307, and ADX 308 or 309. If enrolled in both programs at once, Human Services students may use any three of ADX 300, 302, 303, 308 and 309 as electives for the major.

Students typically take two years to complete the ADX program.

Certificate requirements

Upon satisfactory completion of all eight required courses plus one elective course with a 2.5 grade point average and 300 hours of field work, students will receive a Certificate as recognition of educational achievement and professional status. Students are required to pass each course with a grade of C or better and maintain a 2.5 GPA.

Classes may be taken on an individual basis without formal entrance into the Certificate Program.

Orientation

Attendance is required for newly admitted students and for those whose applications are being reviewed. The Spring orientation is scheduled for **Tuesday, Aug 7, 2012 at 6:00pm in EE 1222.**

**EKG Technician
Certificate of Completion**

The Program

This comprehensive 50 hour EKG (Electrocardiograph) Technician Certification Program prepares students to function as EKG Technicians and to take the American Society of Phlebotomy Technician (ASPT) – Electrocardiograph (EKG) Technician exam in addition to other National Certification Exams. This course will include important practice and background information on anatomy of the heart and physiology, medical disease processes, medical terminology, medical ethics, legal aspects of patient contact, the Holter monitor, electrocardiography and echocardiography.

What You Will Learn

EKG Technicians are responsible for performing electrocardiogram tests in order to monitor and record electrical impulses transmitted by the heart. These tests include basic EKGs, Holter Monitoring (portable EKG which records activity for 24-48 hrs.), 12 lead placement and Stress Tests (treadmill). They assist a physician in diagnosing and treating cardiac and blood vessel irregularities.

Employment Outlook

EKG Technicians work in physician offices, hospitals, clinics, and other health care facilities and organizations. EKG Technicians also work for insurance companies to establish health and life insurance policies. Similar to other growing healthcare professions, the demand for EKG Technicians is expected to continue to grow substantially.

Who Should Attend

This is an entry level program geared towards students of all ages wanting to enter the EKG Technician Field.

Eligibility Requirements

Students should possess a high school diploma and GED. Students should have a command of the English language.

Special Features

The EKG Technician Certification Program includes a graded final exam to help prepare students for the ASPT – EKG Technician Exam.

Free 1-Hour Information Session

Come learn about the EKG Technician field from an expert. You'll also get an overview of job opportunities in this growing field. Call 310-243-3741 to make your reservation.

Date: Jun 5, 2012
Time: Tue 6:30pm
Location: CSUDH EE 1205
Course No.: NMEK 100 Sec 01
Reg. No.: 30229

Certificate Requirements

A Certificate is awarded upon successful completion of the program.

Costs

The cost of the program is \$999 which includes the cost of the materials.

SCHEDULED CLASS

EKG Technician Certificate

Noncredit

Course content includes medical terminology specific to the electrocardiography, care and safety of patients, anatomy of the heart; circulation of the heart and blood vessels, basic EKG interpretation, preparing a patient for an EKG, 12 lead placement, and other roles for the EKG technician.

Date: Jun 18 - Aug 8
Time: Mon & Wed 6:30pm-10pm
Meetings: 15 (No class 7/4)
Location: EE1206
Fee: \$999
Instructor: Staff
Course No.: NMEK 101 Sec 01
Reg. No.: 30230

**Medical Insurance
Billing
Certificate Award**

The Program

This program is designed to give the students an in-depth understanding of complex issues involved in the medical insurance billing industry.

Employment Outlook

Medical insurance billing is a stable and lucrative field within the medical industry. The business office of every healthcare provider must provide proper documentation to a number of insurance companies for reimbursement for services. Opportunities for employment of insurance billers include physicians' offices, clinics, hospitals, and medical supply companies. The demand is driven by the growing need for healthcare services of an aging population as well as the need for individuals able to handle the complexities of paper and electronic information.

What You Will Learn

Students will gain practical knowledge to enhance their understanding of medical insurance billing practices as well as learn skills required to operate efficiently in today's medical offices, hospitals and clinics.

Who Should Attend

This program is designed to provide students with comprehensive training in medical insurance billing. Each course will provide building blocks for those seeking a career in a physician's office, hospital or clinic as well as for those who are seeking to augment and improve their skills.

Eligibility Requirements

There are NO special eligibility requirements for this program. Prerequisites are recommended to enhance the learning experience.

Certificate requirements

A Certificate is awarded upon successful completion of all courses. Those who do not wish to pursue a certificate may take individual courses.

Special Features

Classes are offered on Saturdays and Sundays at the Franklin Community Center at

850 Inglewood Ave in Redondo Beach. Medical Insurance Computer Billing will be held at CSUDH campus.

Books & Materials

Books and materials are available in the student bookstore for purchase. Students will use the following textbooks for the entire program:

- Insurance Handbook for the Medical Office with Student Workbook
- Medical Terminology: A Short Course
- ICD-9-CM Coding Book
- CPT-4 Coding Book

Students should bring the required text to each class.

Program Instructors

Audra L. Parker, President/CEO, Beach Cities Medical Management, Torrance.

Victoria Morgan FHFMA, MS. She is the Principal for Morgan & Associates Health Care Consulting Firm and has over 20 year of experience in healthcare financial management.

Courses

Medical Terminology	NBMB 115
ICD-9 Coding	NBMB 116
CPT Procedure Coding	NBMB 117
Insurance and Third Party Payers	NBMB 111
Regulatory Requirements – HIPPA Compliance & Ethics	NBMB 113
Office & Insurance Problem Solving	NBMB 112
Medical Insurance Computer Billing and Applied Billing Techniques	NBMB 118
Inpatient / Outpatient Facility Billing	NBMB 114

SCHEDULED CLASSES

Medical Terminology

Noncredit
Provides an overview of medical terminology including prefixes, suffixes, roots and combining forms. Students will learn about the various body systems as they relate to medical terminology. Also covered will be medical abbreviations and exercises on how to read medical reports. This course is a good foundation for anyone working in a medical environment.

Students should bring the required textbook to class: Medical Terminology: A Short Course

Date: Apr 21 & 28
Time: Sat 8am-1:30pm

Meetings: 2
Location: Franklin Center 7
Fee: \$120
Instructor: Audra Parker
Course No.: NBMB 115 Sec 02
Reg. No.: 22150

Regulatory Requirements – HIPPA, Compliance & Ethics

Noncredit
This course will focus on the Regulatory Requirements impacting the operation of the Healthcare/Physician Practice. Major topics include:

- Regulatory Agencies
- Fraud & Abuse
- False Claims Act
- Medical Necessity Denials
- Compliance programs for Physician Offices
- Compliance Programs for 3rd party billing companies
- Healthcare Insurance Portability & Accountability Act (HIPPA)
- Ethics

Date: May 5 & 19
Time: Sat 8am-1:30pm
Meetings: 2
Location: Franklin Center 7
Fee: \$120
Instructor: Audra Parker
Course No.: NBMB 113 Sec 01
Reg.No.: 22145

Inpatient / Outpatient Facility Billing

Noncredit
This course will focus on entitles which bill for facility charges using the UB-92. Specialized billing requirements for Hospital Inpatients, Outpatients, Therapies, and Home Health will be covered. Reimbursement systems such as Diagnostic-Related Groups (DRGs) and Outpatient Prospective Payment System (OPPS or APCs) will be reviewed.

Date: May 26
Time: Sat 8am-1:30pm
Meetings: 1
Location: Franklin Center 7
Fee: \$85
Instructor: Victoria Morgan
Course No.: NBMB 114 Sec 01
Reg. No.: 22146

Medical Terminology

Noncredit
Provides an overview of medical terminology including prefixes, suffixes, roots and combining forms. Students will learn about the various body systems as they relate to

medical terminology. Also covered will be medical abbreviations and exercises on how to read medical reports. This course is a good foundation for anyone working in a medical environment.

Students should bring the required textbook to class: Medical Terminology: A Short Course

Date: Jul 7-14
 Time: Sat 8am-1:30pm
 Meetings: 2
 Location: Franklin Center 7
 Fee: \$120
 Instructor: Audra Parker
 Course No.: NBMB 115 Sec 01
 Reg. No.: 30270

ICD-9 Diagnosis Coding

Noncredit

Prerequisite: Medical Terminology or equivalent coursework and/or experience are recommended.

This course will provide a basic understanding of Diagnosis Coding Principles. The basic steps in coding will be reviewed and students will be able to practice with actual coding exercises. Students should bring the required textbooks to class: ICD-9-CM Coding Book—latest edition & Insurance Handbook for the Medical Office with Student Workbook.

Date: Jul 21-28
 Time: Sat 8am-1:30pm
 Meetings: 2
 Location: Franklin Center 7
 Fee: \$120
 Instructor: Audra Parker
 Course No.: NBMB 116 Sec 01
 Reg. No.: 30271

CPT Procedure Coding

Noncredit

Prerequisite: Medical Terminology or equivalent coursework and/or experience are recommended.

Students will develop a firm foundation for medical insurance billing with a thorough knowledge of CPT coding. This course is specifically designed and taught for people with little or no experience in the medical field. Begin with the basics and develop a clear and concise understanding of the procedure coding systems to help formulate an accurate insurance claim that will maximize reimbursement.

Students should bring the required text to

class: CPT-4 Coding Book—latest edition & Insurance Handbook for the Medical Office with Student Workbook

Date: Aug 4-11
 Time: Sat 8am-1:30pm
 Meetings: 2
 Location: Franklin Center 7
 Fee: \$120
 Instructor: Audra Parker
 Course No.: NBMB 117 Sec 01
 Reg. No.: 30273

Medical Terminology

Noncredit

Provides an overview of medical terminology including prefixes, suffixes, roots and combining forms. Students will learn about the various body systems as they relate to medical terminology. Also covered will be medical abbreviations and exercises on how to read medical reports. This course is a good foundation for anyone working in a medical environment.

Students should bring the required textbook to class: Medical Terminology: A Short Course

Date: Sep 8-15
 Time: Sat 8am-1:30pm
 Meetings: 2
 Location: Franklin Center 7
 Fee: \$120
 Instructor: Audra Parker
 Course No.: NBMB 115 Sec 02
 Reg. No.: 42151

Insurance and Third Party Payers

Noncredit

This course will include detail review of Medicare, Medicaid, 3rd Party Insurance, Worker's Compensation, Blue Cross and Managed Care. Emphasis will include providing payers with "clean claims" and techniques to employ to minimize claims denials.

Date: Sep 22 - Oct 6
 Time: Sat 8am-1:30pm
 Meetings: 3
 Location: Franklin Center 7
 Fee: \$180
 Instructor: Victoria Morgan
 Course No.: NBMB 111 Sec 01
 Reg. No.: 42147

Office & Insurance Problem Solving

Noncredit

This course provides details concerning the Operations within a Medical Practice such as: Job Descriptions, Human Resources Office Operations, and Best Practices. Topics will also include follow-up procedures, collections

and utilization of electronic media to improve cash flow and minimize errors.

Date: Oct 13
 Time: Sat 8am-1:30pm
 Meetings: 1
 Location: Franklin Center 7
 Fee: \$85
 Instructor: Victoria Morgan
 Course No.: NBMB 112 Sec 01
 Reg. No.: 42148

Regulatory Requirements – HIPPA, Compliance & Ethics

Noncredit

This course will focus on the Regulatory Requirements impacting the operation of the Healthcare/Physician Practice. Major topics include:

- Regulatory Agencies
- Fraud & Abuse
- False Claims Act
- Medical Necessity Denials
- Compliance programs for Physician Offices
- Compliance Programs for 3rd party billing companies
- Healthcare Insurance Portability & Accountability Act (HIPPA)
- Ethics

Date: Oct 20-27
 Time: Sat 8am-1:30pm

Medical Insurance Billing Certificate Award

(continued)

Medical Insurance Computer Billing and Applied Billing Techniques

Noncredit

Medical Terminology, ICD-9 & CPT Coding are suggested prerequisites for the class.

Learn the basics of using a computer in medical insurance billing. Learn how to build a patient information database, how to input patient and insurance information, and the ins and outs of electronic claims submissions that will produce third-party insurance claim forms and patient billing statements. A review of the information needed to set up a computerized medical insurance billing practice is included. Previous computer experience is not necessary. This course will also provide hands-on practice with the opportunity to simulate common activities in a "day in the life" of a Medical Office biller. Focus will include collecting data, charges and coding to create "clean" claims. Students should bring all required textbooks to class.

Date: Nov 3
 Time: Sat 8am-1:30pm
 Meetings: 1
 Location: CSUDH EE 1202
 Fee: \$85
 Instructor: Victoria Morgan
 Course No.: NBMB 118 Sec 01
 Reg. No.: 42152

Orthotics Certificate Program

The Program

California State University, Dominguez Hills, offers a one-year certificate course in orthotics. This program, which is accredited by the Commission for Accreditation of Allied Health Programs (CAAHEP), is designed to

train students in the field of orthotics: the profession of designing, fabrication and fitting of orthopedic appliances for the physically handicapped. Students receive a mixture of practical laboratory instruction, classroom didactics, and exposure to patients in a wide variety of clinical situations.

Students typically take two years to complete the Orthotics program.

Eligibility Requirements

This program is designed for individuals who have a bachelor's degree. Applicants must have some experience with hand tools and light duty power equipment.

In addition to Orthotics, California State University, Dominguez Hills also offers a certificate program in Prosthetics as part of Special Sessions.

Visit the website: www.csudh.edu/oandp or call Elizabeth Rollo or Scott Hornbeak phone: 562-986-7572 email: shornbeak@csudh.edu Orthotics and Prosthetics Program Long Beach VA Hospital 562-986-7572

Pharmacy Technician Certificate

The Program

This comprehensive 50-hour course will prepare students to enter the pharmacy field and take the Pharmacy Technician Certification Board's PTCEB exam. Technicians work in hospitals, home infusion pharmacies, community pharmacies and other health care settings – working under the supervision of a registered pharmacist.

What You Will Learn

Pharmacy Technicians work in pharmacies under the direction of a pharmacist. Their main responsibility is filling prescriptions according to doctors' orders. Pharmacy Technicians prepare medications for dispensing to patients. This generally

Free 1-Hour Information Session

Come learn about the pharmacy field from an expert. You'll also get an overview of job opportunities in this growing field. Call 310-243-3741 to make your reservation.

Date: Jun 5, 2012
 Time: Tue 6:30pm
 Location: CSUDH EE 1210
 Course No.: NHEX 100 Sec 01
 Reg. No.: 30203

includes retrieving drugs in the correct dosage form and strength, measuring the appropriate amount of drug and producing a prescription label. Pharmacy Technicians work with drugs to be administered orally, topically, for the eye, nose, etc. Depending upon the practice setting, a Pharmacy Technician is also involved in the admixture of drugs for intravenous use. Other duties include checking inventories and ordering supplies, receiving and checking in supplies, and assisting customers

Employment Outlook

Employment of pharmacy technicians is expected to increase by 32 percent from 2006 to 2016. The increased number of middle-aged and elderly people—who use more prescription drugs—will spur demand for technicians. In addition, as scientific advances bring treatments for an increasing number of conditions, more pharmacy technicians will be needed to fill a growing number of prescriptions. Good job opportunities are expected for full-time and part-time work, especially for technicians with formal training or previous experience.

Who Should Attend

This is an entry level program geared towards students of all ages wanting to enter the Pharmacy Technician Field.

Eligibility Requirements

Students should have a command of the English language.

Special Features

This comprehensive 50-hour course will prepare students to enter the pharmacy field and take the Pharmacy Technician Certification Board's PTCEB exam. The program is offered in the evenings to accommodate working adults.

Pharmacy Technician Certificate

(Continued)

Certificate Requirements

A Certificate is awarded upon successful completion of the program.

Costs

The cost of the program is \$999 which includes the cost of the materials.

Scheduled Classes

Pharmacy Technician Certificate

Noncredit

Course content includes medical terminology specific to the pharmacy, reading and interpreting prescriptions and defining drugs by generic and brand names. Students will learn dosage calculations, I.V. flow rates, drug compounding, dose conversions, dispensing of prescriptions, inventory control and billing and reimbursement.

Date: Jun 19 - Aug 7
 Time: Tue & Thu 6:30pm-10pm
 Meetings: 15
 Location: EE1217
 Fee: \$999

Prosthetics Certificate Program

School of Health

"At the forefront of health careers."

FACT SHEET

California State fulfills the unmet need for O&P practitioners. The U.S. Department of Education identifies O&P training as a national priority with a practitioner deficit. While only eight institutions nationwide currently offer O&P education, the demand for provider services is expected to increase by 25% for orthotic care and 47% for prosthetic care by 2020.

Who Should Attend

Students who wish to obtain post baccalaureate training in the field of prosthetics. This program benefits health care professionals, practitioner assistants, O&P technicians, and other professionals seeking to enhance their knowledge of prosthetic evaluation and provision of prosthetic services.

Notes on chart below:

OPEID is institutional code found on IPEDS
 CIP code may need to be assigned by CO
 Credential level - post baccalaureate certificate
 04
 SOC (Standard Operating Code) found at
<http://www.bls.gov/soc/>
 O'NET profiles found at
<http://www.onetonline.org/>

Program Benefits

- Evaluation of patients who are in need of artificial limbs (prostheses).
- Development of designs appropriate to prosthetic patients.
- Fit, fabrication, and follow-up of prosthetic devices.
- Understanding of current O&P business and practice management models.
- Promotion of professional competency and enhancement of professional practice.

Why California State University?

- CSUDH offers a comprehensive clinical and didactic Prosthetics Certificate Program which was reaccredited by NCOPE/CAAHEP in 2005.
- CSUDH utilizes experience, faculty, curriculum, and teaching materials developed over a 20 year period of successful training.
- Qualifies the student to sit for the American Board for Certification (ABC) Examinations in Prosthetics after completion of the certificate program and completion of one year working in an accredited residency program.
- Three nationally recognized faculty members who have been selected by the industry as "Educator of the Year".
- Small class size allowing for individualized learning with one-on-one interaction.
- Financial aid available.
- Excellent professional skills development and team building opportunities with a diverse group of health care professionals.
- Advancement of the profession through scholarship, research, and leadership.

Frequently Asked Questions

What are the prerequisites?

Bachelors Degree, preferably in a health related major.

Completion of pre-requisite courses with a grade of "C" or better:

Biology	minimum 3 units
Chemistry	minimum 3 units
Physics	minimum 3 units
Psychology	minimum 3 units
Algebra or higher math	minimum 3 units
Human Anatomy & Physiology (with lab)	minimum 6 units

Note: Prior working or volunteer experience in the Orthotics and Prosthetics field is an additional selection criterion.

Is enrollment in the program limited?

Yes. Due to the limited laboratory space, only 16 students can be accommodated in each certificate class.

Where is the program located?

The program is located in a new, state of the art laboratory housed by OSSUR, North America, a world leader in prosthetic design and manufacturing.

The clinical laboratory is located in Aliso Viejo, CA, in the center of Orange County.

Do I need to fill out a separate California State University application for the Certificate Program?

No, you apply directly to the O&P program. Applications are available online every January and July.

Financial Aid

There are Federal loan programs available.

How long does it take to complete the program?

The Prosthetic Certificate can be completed in 6 months, which includes a required 250 hour clinical rotation.

Students typically take two years to complete the Prosthetics program.

When are courses offered?

Certificate courses are offered twice a year at

our off site clinical laboratory. Each class of 16 starts in late August and late January every year.

Adobe Photoshop

The Program

Two two-session classes taught by a working professional who explains both the how and the why of essential features of Adobe Photoshop.

What You Will Learn

After taking these courses a novice will start creating great, professional-looking results with their photos and designs. Learn how to apply type to an image, merge several photos together, remove unwanted elements from photos or add elements to the images. Learn about file formats, resolutions and color spaces and when to use them.

Who Should Attend

Anyone who works with photos, designs, publications or illustrations. People who would benefit from this class include:

- photographers
- designers
- newsletter editors
- advertising and marketing people
- teachers
- real estate professionals

Eligibility Requirements

Only limited computer experience is needed to take these courses.

Special Features

This is a hands-on course taught in the computer lab. Students work with images provided by the instructor.

Program Instructor

Chuck Behrman, a Los Angeles based advertising and fine art photographer, has been teaching classes in digital photography, Photoshop and Lightroom since 2004.

Courses

Introduction to Photoshop

Learn how to use this amazing program like a pro! Learn essential Photoshop tools, menus, palettes, layers, typography, file formats, color, image enhancement and basic retouching techniques, including many great Photoshop secrets!

Date: Jul 11 & 18

Time: Wed 6-9pm

Meetings: 2
 Location: EE 1202
 Fees: \$150
 Instructor: Chuck Behrman
 Course No.: NCWE 101 Sec 01
 Reg. No.: 30241

Advanced Photoshop

Learn advanced image composite, enhancement and retouching techniques. Through hands-on computer workshop sessions students will explore more Photoshop pro secrets and special effects that are used in

- merging type and picture elements
- making photo montages
- designing websites
- Resizing photos for print or web
- enhancing photos
- retouching and restoring old family photos.
- electronic illustration.

Date: Jul 25 & Aug 1
 Time: Wed 6-9pm
 Meetings: 2
 Location: EE 1202
 Fees: \$150
 Instructor: Chuck Behrman
 Course No.: NCWE 102 Sec 01
 Reg. No.: 30242

Classes are held in the Extended Education PC lab using Adobe Creative Suite CS5 software.

Web Design

Certificate of Completion

The Program

The Certificate of Completion will prepare an individual with the fundamental knowledge and skills necessary for web design.

What You Will Learn

In this series of courses you will learn the fundamentals of HTML website creation. You will also have experience with a web design application, and a web animation application.

Employment Outlook

Courses are designed to prepare you for the following positions:

- Web Designer
- Web Developer
- Web Programmer
- Content Manager

Who Should Attend

Business professionals and students who want an intensive and thorough knowledge of web design in a short period of time should attend these classes.

Eligibility Requirements

Only limited computer experience is needed to take these courses. Programming experience is helpful, but not required.

Special Features

All classes are offered on the CSUDH campus in Carson. The courses have been scheduled for Fridays (evening) and Saturdays for the convenience of working professionals.

Certificate Requirements

A Certificate of Completion will be awarded upon the completion of four required courses, and one elective. Those who do not

Time:	Fri 6-9pm;
Date:	Sat 9am-4pm (1 hour lunch)
Meetings:	2
Location:	CSUDH EE 1202
Fee:	\$199
Instructor:	Anissa Barton-Thompson
Course No.:	CIX 913 Sec 01
Reg. No.:	30234

Advanced HTML Publishing

.9 CEUs

This course builds on the skills gained in the intermediate class and adds forms, frames, image maps, access counters, sound, video & animation, java applets and more.

Date:	Jun 15 & 16
Time:	Fri 6-9pm; Sat 9am-4pm (1 hour lunch)
Meetings:	2
Location:	CSUDH EE 1202
Fee:	\$199
Instructor:	Anissa Barton-Thompson
Course No.:	CIX 914 Sec 01
Reg. No.:	30235

Using Dreamweaver

1.8 CEUs

Prerequisite: Basic Knowledge of HTML

Learn to use this popular web design tool! Topics covered include: working with text and graphics, visual page design, tools for creating tables and forms, site management, implementing style sheets, and adding JavaScript or behaviors. Topics by session:

- Creating Basic HTML with Dreamweaver
- Extending your web page design with CSS and Java Script
- Site Management and Dreamweaver tools

Date:	Jun 22 & 23, Jul 13 & 14
Time:	Fri 6-9pm; Sat 9am-4pm (1 hour lunch)
Meetings:	4
Location:	CSUDH EE 1202
Fee:	\$389
Instructor:	Anissa Barton-Thompson
Course No.:	CIX 902 Sec 01
Reg. No.:	30231

Using Fireworks

1.2 CEUs

Prerequisite: Basic knowledge of HTML

Macromedia Fireworks is the premier program for bridging the gap between graphic design and web development. Fireworks eliminates the need for expensive image editing programs with high learning curves, allowing you to manipulate photos, design design fantastic web graphics and

create animation with little or no design experience. And, it takes things a step further: import your web design into or create a new design in Fireworks, and let it optimize and slice your images, and create the HTML and Java Script as well.

Date:	Jul 21 & 28
Time:	Sat 9am- 4pm (1 hour lunch)
Meetings:	2
Location:	CSUDH EE 1202
Fee:	\$269
Instructor:	Anissa Barton-Thompson
Course No.:	CIX 936 Sec 01
Reg. No.:	30240

Classes are held in the Extended Education PC lab using Adobe Creative Suite CS5 software.

The American Language & Culture Program

(ESL, ESP & VESL)

English Language Courses for Beginning, Intermediate and Advanced International Students

The American Language and Culture Program at California State University, Dominguez Hills has courses for international students, business people and new residents who wish to improve their English language skills. Maximum enrollment in most classes is limited to 15 students to ensure sufficient student practice and attention from the teacher.

Work-Site Programs (WSP)

ALCP can offer English language and culture programs at the work-site for both native and non-native speakers of English.

Intensive English Program (IEP)

ALCP offers an eight-week intensive English language program six times a year for students with academic or professional goals, including passing the TOEFL for entrance into an American university.

Listening & Conversation

This class offers extensive individual student practice in both speaking and listening.

The Writing Course

Writing Skills emphasizes the process of writing and highlights the various strategies writers can use in the process.

Grammar

The Grammar class presents the important grammatical structures in English through a process of observing, describing and using the structures in written and spoken language.

Reading & Vocabulary

The focus of Reading & Vocabulary is to help students increase their vocabulary within the context of meaningful, high-interest readings.

English Language Courses

For beginning, intermediate and advanced international students, youth programs and on site work programs

Call (310) 243-3830 for more information or visit us on the web: www.csudh.edu/alcp

Intensive English and Work Site Programs

Intensive English language programs for individuals and industry to help them meet their professional goals. Programs are focused to address specific corporate needs including business communications, health and safety issues, and other important topics.

Programs are available for domestic and international groups, and a Certificate of Achievement is awarded upon completion of the program.

Teach in Asia

Earn Academic Credit

This program sends American educators and students to Asia to help with English language programs in children's international summer camps. Experienced and qualified English language teachers may have the opportunity to share successful teaching strategies and methods with public school teachers who teach English as a second language.

Credentialed teachers who participate in the Experience Asia program also have the opportunity to earn 3 upper-division academic units approved by the College of Education at CSUDH. In addition to the approximately 150 hours of professional development that will be documented. There is a registration fee for academic credits.

Teaching To Teachers

Qualified EFL/ESL certified teachers with a minimum of one year of classroom experience can enjoy a trip to China at a substantially reduced cost – by serving as instructors of methodology classes for Chinese public school teachers. University English professors and college English instructors are especially welcome.

- EFL/ESL certificates are required
- 4 weeks of classes - about 20 hours of teaching time per week - in Tianjin, Ho Chi Minh City, Shanghai; workshops designed to train English teachers through a variety of methods and activities
- Single occupancy lodging
- Program fee (to be announced) includes international airfare, lodging, meals, one week of group travel (includes nonrefundable application fee), additional charge for travel insurance, visa fees, and certified mailings
- Program Fee & Refund Deadline: To be announced

Teaching International Summer Camps in ASIA

K-12 teachers with a minimum of 1 year of classroom experience can enjoy an exciting trip to Vietnam or China at a substantially reduced cost - by teaching English to young

students at summer camp. In addition, you will be part of a special community that help Chinese/Vietnamese youth better understand America's culture, language and people

Program

- Single occupancy lodging
- 4-5 weeks of classes - about 20 hours of teaching time per week
- 7 days of educational tours to major cities in Country.
- Program fee (to be announce) includes international airfare, lodging, meals, one week of group travel (includes nonrefundable application fee), additional charge for travel insurance, visa fees, and certified mailings
- Program Fee and Refund Deadline: To be announced

Participants in the teaching program will need to make their own arrangements for passport and immunizations.

International Training Programs

The College of Extended and International Education is one of the university's outreach tools to link California State University, Dominguez Hills to the diverse world communities. Our mission is to reach out to the world communities to share in their economic, cultural and social development. We believe such efforts benefit not only the communities we serve, but also the University.

In particular, our International Training Program provides a wide range of services and information for diverse audiences that include government officials, business executives, scholars and students. We can customize a variety of academic programs, including classroom instruction, field visitations, internships and professional appointments.

Short Term Training Programs from one week up to 3 months:

- Public and Business Administration Programs
- Environment & Occupational Safety, Health & Security Programs
- Quality Assurance Programs
- Business Logistics
- Business English and American Culture
- Youth Sports Camp
- Public Safety & Events Planning
- Long Term Training Programs of three months up to two year:
- On line degrees (Public and Business Administration, Quality Assurance, Nursing, etc.)
- Certificate Programs in Public Administration for Government Officials
- Certificate Programs in Business for Executives

Study Abroad

California State University at Dominguez Hills offers multiple study abroad programs and teaching abroad opportunities.

Our Programs

CSU International Programs (IP)

- IP is the overseas study program of the CSU system, affiliated with over 70 institutions of higher learning in 17 countries.
- Full academic year programs in a variety of majors, with articulation with CSUDH courses and most majors.
- Students pay CSU fees, plus travel and living expenses.
- CSUDH financial aid is fully applicable to IP study programs.
- Most programs require a 2.75 GPA, but some require a 3.00 GPA. Students need two faculty recommendations and, when appropriate, foreign language ability.
- Application deadline for most countries is February 1. Applications are available in the IEC office beginning October of each year.
- Learn language programs are available in France, Germany, and Mexico.

IP offers courses in the following 17 countries

- | | |
|-------------|------------------|
| • Australia | • Korea |
| • Chile | • Mexico |
| • China | • New Zealand |
| • Denmark | • Spain |
| • France | • Sweden |
| • Germany | • Taiwan |
| • Israel | • United Kingdom |
| • Italy | • Zimbabwe |
| • Japan | |

University Study Abroad Consortium (USAC)

- Based at the University of Nevada, USAC offers semester programs in Australia, Chile, China, Costa Rica, Denmark, England, France, Germany, Ghana, Ireland, Italy, Malta, New Zealand, Scotland, Spain, and Thailand.
- Summer Programs are available in China, Costa Rica, Czech Republic, Denmark, England, France, Germany, Ghana, Ireland, Italy, Spain and Thailand.
- Students pay USAC tuition (typically between \$2,000 - 6,000), plus travel and living expenses abroad.
- CSUDH financial aid is fully applicable.
- Students should have a 2.50 GPA and be in good academic standing. Some programs require a 3.00 GPA. Students will be admitted on a "first-come, first-served" basis.

Additional Consortial Overseas Studies Opportunities

CSUDH campus-based Overseas Programs

CSU Sister Campus Overseas Study Programs

- Many CSU campuses offer semester and summer study abroad programs in a number of countries
- CSUDH students may register as visitors at sister campuses, enroll in these programs, and receive transferable credit.

The J.E.T Program

The J.E.T program is sponsored by the Japanese government, which seeks to recruit individuals to serve as teaching assistants for English in Japanese schools. Those selected are paid a tax-free salary of about \$35,000 per year. The contract is for one year and can be extended annually. Students must be graduates and less than 35 years of age. This is a great opportunity for those who want international experience, especially those thinking about careers in the international arena. Deadline for this opportunity is December 1st of each year.

Teaching Abroad

A number of students inquire about teaching abroad. Credentialed teachers are eligible to apply to the following organizations:

- European Council of International Schools
- American International Schools

**"Explore the World, Enhance Your Knowledge,
and Understand Another Culture"**

The Paralegal Certificate Course®

Online! 

The Program

This intensive, nationally acclaimed program is designed for beginning as well as advanced legal workers. The complete Paralegal Certificate Course – (Core and Advanced)— can be completed in four seven-week sessions.

What You Will Learn

Students will be trained to assist trial attorneys, interview witnesses, investigate complex fact patterns, research the law, and assist in preparing cases for courtroom litigation. The instruction is practice-oriented and relates to those areas of the law in which legal assistants are most in demand. There are no prerequisites, but students will be expected to complete a significant amount of homework for each weekend session. This program will help students learn new marketable job skills and increase their office's efficiency, productivity, and billable hours.

Students will receive a certificate after successfully completing the Core; and another certificate for successfully completing the Advanced. To receive a Certificate, students must pass twelve quizzes and successfully complete five legal document writing assignments. Certificates will be mailed to successful graduates within 4 to 6 weeks of completion of the Core and the Advanced portions of the course. All classes are online.

These Certificates provide an individual with the recognition that he or she has achieved the level of professional knowledge and competency necessary to work within the legal field, and it is designed to satisfy the requirements of California Business Professionals Code §6450.

Texts

For the most up-to-date list of texts needed for the CORE go to: <http://www.legalstudies.com/courses/paralegal.htm#onlinebooks>

For the most up-to-date lists of texts for the ADVANCED:<http://www.legalstudies.com/courses/advancedparalegal.htm>
Additional textbooks will vary depending on the topic(s) taken.

Certificate Programs and Courses
 Construction Project Management Certificate of Completion 62

Human Resource Mgmt. Certificate of Completion 64
 Advanced Human Resources Management & Supervision Certificate of Completion 65
 Project Management Certificate of Completion 67
Online Management Courses 22

student with a PC Pentium II and reliable access to the Internet should be able to attend class online. Classes are asynchronous (tasks completed on- or off-line at the student's convenience), with on demand video lectures for students to view.

Additional features include home pages for students and instructors, chat and discussion rooms, electronic submission and return of papers, and individual, secure, access to personal course records at all times.

Master of Arts in Negotiation, Conflict Resolution and Peacebuilding Online

The online Master's Degree program in Negotiation, Conflict Resolution and Peacebuilding at California University, Dominguez Hills teaches participants valuable conflict resolution and conflict management skills, techniques and knowledge that may be applied directly to police work, counseling, education administration, human resources management, labor relations, law, business negotiations, supervision and administration, government and the foreign service.

Other career applications include alternative dispute resolution (ADR) services such as mediation, negotiation, arbitration, as well as public policy advising, social work, teaching, non-profit organization management and resolution of inter-cultural and community conflicts, corporate contract and purchasing.

Additionally, participants will improve their computer, listening, speaking, writing, critical thinking and problem solving skills. This is a 36-semester unit graduate program, which can be completed in two years without coming to the Dominguez Hills campus. Courses run 12 weeks each term. Students complete a portfolio as a culminating event (unless the program director approves a special topic for a thesis).

The program involves a comprehensive study of the practical skills, techniques, methods, theory, and research needed to be an effective mediator, negotiator and conflict manager. The degree addresses many needs of beginning and mid-career professionals in law enforcement, government, business, and non-profit organizations, and those interested in a career change.

Admission Requirements

1. A bachelor's degree with any major and a GPA of 3.2 or above (4-point scale) in the last 60 semester or 90 quarter units from any accredited college or university;
2. Three letters of recommendation; and
3. A 500-word biographical essay. The biographical essay and letters of recommendation must address:
 - what in the applicant's background indicates this subject matter is appropriate for the applicant,
 - why applicant desires this degree program, and
 - what does applicant plan to do with this degree once obtained.

Students are admitted only twice a year on a cohort basis. Applicants will be considered for Fall and Spring admission only. Completed applications and supporting documentation must be received no later than May 1st preceding the Fall semester of the academic year for which admission to the program is sought, and no later than November 1st preceding the Spring semester.

Special Features

The degree can be completed without ever coming to the campus by anyone anywhere in the world with access to the Internet. Any

Students who cannot complete the course of study in two years have up to five years to finish the program. Students must remain in continuous enrollment from first enrollment to program completion.

Degree Requirements

- A. Required Courses (21 units)
To be taken in the order listed in sequence NCR 500, 503, 504, 507, 508, 522, 525 and 544.
- B. Elective Courses: (9-12 units, depending on whether a thesis is the approved culminating event.)
- C. The Graduate Writing Assessment Requirement (GWAR) D. Capstone Requirement (Successful Culminating Event) Portfolio (3 units)/ Thesis (6 units but only available after the approval of program director.)

Cost

Current fees are \$275 per unit, or \$9,000 for the entire degree. Additional expenses (at current rates, subject to change) are a \$35 examination fee(for the Graduation Writing Exam if needed), a \$35 diploma fee, books estimated at \$1200 total, and whatever the student's personal Internet fees cost.

Master of Business Administration (MBA) Online

The Program

The MBA at CSUDH provides a solid qualification in business management with courses that are wide-ranging in content, covering the essential areas of knowledge and skills required in today's competitive business environment. The curriculum is focused on providing students with the tools for solving business problems and making decisions within the framework of a strategic plan. The MBA is designed not only to impart the knowledge of accounting, economics, finance, management, and marketing but also to equip graduates with the foundation for effective team building, quantitative and qualitative decision making, and creative problem solving.

Special Features

The MBA can be completed entirely online through the MBA Online Program. Courses feature a high level of interaction between faculty and students and between students. Each class combines text materials, lecture videos, case studies, group interaction among students, threaded discussions, interactive netmeetings and video conferencing.

The 30 unit MBA curriculum can be completed online within 15 months through the CSUDH MBA Online Program. All MBA courses are three (3) credit units each and are offered on a twelve (12) week schedule. The program is offered in four (4) terms or sessions each year. Students can enroll and begin studies in any of the four terms. The curriculum consists of the following components:

Prerequisite Coursework

Required Core Courses	21 Units
Electives	9-12 Units

Prerequisite coursework covers nine business core competency areas that provide the necessary background for advanced graduate study. Competency areas consist of the disciplines: financial accounting, marketing, business law, economics, management, operations research, finance, information systems and business statistics.

Students who hold an undergraduate degree

in business administration, commerce, or a related field from an accredited institution may be deemed to have acquired competency in the core areas if the degree is not more than ten years old and if the core courses were completed with a grade of "C" (or equivalent) or higher.

Students who hold an undergraduate degree in a field other than business administration or in a related area will be required to demonstrate competency in the business core areas. Competency can be demonstrated by completing necessary coursework at an accredited institution prior to beginning graduate studies at CSUDH or by completing appropriate bridge courses offered through the MBA Online Program.

Concentrations

Students can choose from nine (9) areas of concentration available in the MBA program:

- General Business
- Finance
- Entrepreneurship
- Marketing
- International Business
- Management
- Human Resource Management
- Information Technology Management
- Logistics Management

Cost

The fee for the MBA online program is \$440 per unit or \$1,320 for a 3 unit course.

The Master of Business Administration (M.B.A.) Distance Learning program at California State University, Dominguez Hills (CSUDH), has been rated among the top 10 least expensive among major universities in America according to a national survey. GetEducated.com, LLC

Master of Public Administration (MPA) Online

The Online MPA Program is designed to meet the needs of adult learners who work in the public, nonprofit and private sectors

The Program

The Master of Public Administration (MPA) program is designed to provide a quality graduate professional education for individuals entering or currently employed in public service and non-profit professions.

What You Will Learn

The MPA program prepares students for careers as professional managers of public sector or non-profit organizations as well as for research, consulting, and teaching careers. The MPA curriculum is developed on a theoretical foundation for the practice of effective public management in a wide range of public service functional areas at all levels of government.

The MPA Online Program is offered in four (4) terms or sessions each year. Students can enroll and begin studies in any of the four terms. The 36-unit MPA curriculum consists of core and elective courses (3 credit units each) offered in a twelve (12) week schedule.

Special Features

Program Delivery System

All Online MPA courses are offered online through an Internet based delivery system. After meeting prerequisite requirements, students may complete all other program requirements within one year by taking three (3) courses per session during a four session timeframe. A second alternative is for a student to take two (2) courses for six sessions.

Eligibility Requirements

Applicants for admission to the MPA Online Program must meet the California State University Dominguez Hills admission requirements for post-baccalaureate or graduate study and the graduate admission requirements of the Department of Public Administration. Applicants will be considered for admission if they satisfy the following:

- Hold an acceptable baccalaureate degree from a regionally accredited college or university,

Master of Public Administration (MPA) Online

(continued)

- Are in good standing at the last institution attended,
- Have achieved a minimum undergraduate grade point average of at least 2.5 in the last 60 semester (90 quarter) upper division units,
- Attain a minimum score of 550 on the test of English as a foreign language (TOEFL) (required only of students who have received all, or a significant portion, of their education in a language other than English).
- The Graduate Record Exam (GRE) is required. Acceptable GRE scores must be in the 15th percentile or above in verbal and quantitative areas, and a score of at least 4 on the analytical area. You may refer to <http://GRE.com> for additional test information. The GMAT exam (minimum score of 450) may be accepted in lieu of the GRE.

Students admitted with classified status who do not have prior public administration related coursework or who have less than two years public agency administration experience may be required to complete from one to three undergraduate courses.

Costs

Tuition for all MPA Online courses is \$1320 (U.S.) per three unit course. Course fees are the same for both resident and international students. All fees are subject to change.

Accreditation

The Master of Public Administration Program is accredited by the National Association of Schools of Public Affairs and Public Administration.

Applications for the MPA Online program are available on csumentor.edu. The website provides information on the application procedure, requirements, fees, and deadlines.

Application and Registration Deadlines

For application and registration deadline Consult the csumentor.edu

For more information visit the MPA Online website: <http://www.csumentor.edu/> or call Eileen Hall at 310-243-3465 email: ehall@csudh.edu

Construction Project Management Certificate of Completion

The Program

This course is designed to provide students with the knowledge and skill sets needed to successfully manage projects in today's construction industry.

What You Will Learn

Students will gain practical knowledge and skills needed to manage and/or supervise projects in today's construction industry. Students will learn how to successfully plan, manage and coordinate construction projects and activities including an understanding of project budgets, scheduling, construction contracts and law, and construction safety.

Who Should Attend

This innovative and timely program is designed for construction personnel, architects, engineers, property owners, developers and those who wish to develop and expand their managerial skills in construction.

Eligibility Requirements

There are no prerequisites required for the program. A background in construction, architecture, engineering or real estate is desirable.

Special Features

All program instructors are experienced practitioners in their field of expertise. They bring practical application of project management practices to their classes. All classes are scheduled in the evenings or on Saturdays on the CSUDH campus at the Extended Education complex to meet the needs of working adults. Courses are offered for Continuing Education Units (CEUs). Nationally recognized standards govern attendance requirements to earn CEU credit. A permanent record of attendance is established and students may obtain a copy of their transcripts by calling the Records Office at (310) 243-3621.

Certificate Requirements

A Certificate of Completion is awarded upon successful completion of eight required courses. Those who do not wish to pursue a certificate may take individual courses.

Plan Reading should be taken before Estimating. Bidding Scheduling & Field Project Management should be taken as the last two classes.

Courses

Required Courses

Plan Reading	CMX 903
Estimating	CMX 902
Construction Safety	CMX 926
Law for Construction	CMX 921
Construction Accounting	CMX 904
Financing Real Estate Acquisitions	CMX 905
Bidding & Scheduling	CMX 925
Field Project Management	CMX 920

The program is designed so students taking one course at a time can complete the program in eight months.

Note: Several courses in this program utilize Blackboard. Be sure to get your password and instructions on how to access MyCSUDH when you register.

Attendance is required at all classes.

Program Instructors

Mike Gugert, A Southern California Construction Management Professional with 30 years of experience in contracting to consulting.

W. John (Jack) Irwin II, PE: Mechanical Engineer and Building/Construction Consultant with 30 years experience in construction, design, management, construction claims and disputes.

Garry A. Jones, Principal of Garry A. Jones & Associates, Certified Public Accountant with over 25 years experience, prior construction controller, continued client involvement.

Larry Kaltman, Architect and General Contractor, has over 40 years of experience in design and building.

Paul Makris, PE, PSP, JD, has over 30 years of experience in construction, engineering, construction management, forensic engineering, and claims analysis.

Ryan McEvoy For the past ten years he has worked on over 60 LEED Projects with his sustainable development consulting firm Gaia.

David Stern, PE, Founder and President, Westec Construction, Inc. David has over 30 years of experience in the construction industry.

Construction Project Management Certificate of Completion

(continued)

**SCHEDULED CLASSES
Spring/Summer Cohort**

Bidding & Scheduling

1.8 CEUs

This class should be taken towards the end of the series.

This course covers the different bidding strategies used in the construction industry; methods of selling or buying out the construction project, whether from the owners' or contractors' perspective. Learn to read, analyze and create your own bar chart and critical path method schedules. Learn to monitor and control time, money and other resources with the schedule. Learn how to use the schedule to measure the effect of changes and delays on the project.

Date: May 12 - Jun 2
Time: Sat 8:30am - 3:30 pm
Meetings: 3 (no class 5/26)
Location: EE 1222
Fee: \$230
Instructor: Jack Irwin
Course No.: CMX 925 Sec 01
Reg. No.: 30032

Law for Construction

1.8 CEUs

This course provides an overview of the legal system: contractor's license law, contract laws, real estate law, labor law, OSHA, employment law, litigation and arbitration, contractor's liability in tort-negligence, mechanic's liens, plus basic contract principles and responsibilities.

Human Resource Management Certificate of Completion

Newly Updated Program

The Program

This course provides the knowledge and practical skills for career enhancement and job advancement in human resource management. The focus is on current business and personnel management systems to teach how to successfully meet the challenges encountered in today's competitive business environments. The program also meets and exceeds the requirements for PHR (Professional in Human Resources) and SPHR (Senior Professional in Human Resources) recertification.

What You Will Learn

- How to develop and administer practical HR systems
- How to measure and benchmark HR success
- How to avoid costly mistakes when hiring and dealing with HR issues
- How to develop strategies for reducing corporate risk and liability through effective HR practices

Who Should Attend

- Human Resource specialists who need to expand their knowledge and expertise in all aspects of HR management
- Those considering entering the field of human resource management
- Business owners and executives
- PHR's and SPHR's who need to meet recertification requirements
- Business attorneys
- Business consultants
- MBA students

Eligibility Requirements

This course is open to all students interested in entering or learning more about the Human Resource field.

Special Features

All classes are scheduled in the evenings to meet the needs of working adults. Courses are offered for Continuing Education Units (CEUs). Nationally recognized standards

Human Resource Management

(Continued)

govern attendance requirements to earn CEU credit. A permanent record of attendance is established and students may obtain a copy of their transcripts by calling the Cashier's Office at (310) 243-3821.

Certificate Requirements

A Certificate of Completion is awarded upon successful completion of four required courses.

Students may attend classes in any order according to their needs.

Required Courses

Establishing Human Resource Systems	HRX 901
Total Rewards	HRX 903
Labor and Employment Law	HRX 905
Communication Dynamics	HRX 907

State Bar of California MCLE Provider #3897
Board of Behavioral Science Provider #PCE 1676

Advisory Board Members

Christine Becker, SPHR, HR Manager, Contessa Premium Foods

Ben Boish, Comp & Training Manager, CSUDH

Jesse Bosque, President, Professional Solutions

Corey Curties, Manager, Blockbuster Video

Fred Griffin, Esq., Liner Yankelevitz Sunshine & Regenstreif LLP

Michelle Jaure, PHR, HR Manager, Webcor

Genoveva "Gen" Perez, HR Director, Ace Clearwater

Program Instructors

Anne Laguzza, M. A., Human Resources Consultant with over 17 years of Leadership Development experience.

Note: This program utilizes Blackboard. Be sure to get your password and instructions on how to access MyCSUDH when you register.

Be sure to download and print materials for the first class.

Scheduled Classes

Establishing Human Resource Systems

1.2 CEUs

Find and hire the right candidate. Build effective internal HR management systems to meet the personnel needs of the company and to assist with the management of the human resource function. Students will take a "hands-on" approach to building an effective human resource management structure to support company operations by developing effective employment applications, personnel policies and procedures as well as completing an employee handbook.

Date: May 21 - Jun 11
Time: Mon 6:30-9:30pm
Meetings: 4
(Also meets Tuesday May 29)
Location: SAC 1104
Fee: \$269
Course No.: HRX 901 Sec 01
Reg. No.: 30194

Total Rewards

1.2 CEUs

How do I build an entire compensation program for my company? What benefits are right for my company's employees and how do I manage them? This class will develop the tools needed to accomplish these tasks through an intensive "hands-on" skills development approach. Students will build a compensation plan to be implemented under the parameters established by law and corporate policy. Students will also build a benefits tracking and measurements systems to take back to their workplaces.

Date: Jun 18 - Jul 19
Time: Mon 6:30-9:30pm
Meetings: 4
Location: SAC 1104
Fee: \$269
Course No.: HRX 903 Sec 01
Reg. No.: 30195

Labor & Employment Law

1.2 CEU's

This course will satisfy the two hours of sexual harassment training required by the state.

Corporate and company success is more and more dependent on the ability of the organization to effectively manage employees in an environment of dramatic change, increasing legal constraints, and workplace conflict. This class will examine the increasingly important role Human Resources plays in managing the workplace, and

provide you with the tools and knowledge necessary to develop personnel systems to effectively address the myriad of employee/management problems faced in today's workplace.

Date: Jul 16 - Aug 4
Time: Mon 6:30-9:30pm
Meetings: 4
Location: SAC 1104
Fee: \$269
Course No.: HRX 905 Sec 01
Reg. No.: 30196

Communications Dynamics

.9 CEUs

Change that "No" to a "Yes" when you meet resistance. Learn to "speak the other person's language" to communicate more effectively. Avoid the pitfalls of group communications. Learn to listen actively. This highly participative class will provide you with the tools for better communication and understanding in the workplace, and in any other communication situation.

Date: Aug 13 - 27
Time: Mon 6:30-9:30pm
Meetings: 3
Location: SAC 1104
Fee: \$179
Course No.: HRX 907 Sec 01
Reg. No.: 30197

Management & Supervision Certificate of Completion

Updated Program!!

Participants will learn specific management skills and techniques required to be an effective manager or supervisor and to increase their value to their organization and/or company. The courses will expose participants to the myriad of laws and regulations directly impacting their work as supervisors, managers and agents of their employer.

**Management & Supervision
Certificate of Completion**

(Continued)

What You Will Learn

Through this two course, eight-week program, students will cover major topics of importance for the success of managers and supervisors in today's workplace. Each class session will focus on "real world" situations, developing participant skills and techniques to effectively address workplace issues and concerns.

Who Should Attend

Current leads, supervisors, line and middle managers, as well as individuals seeking to position themselves as viable candidates for promotion into management.

Eligibility Requirements

This course is open to all students currently working in a management or supervisory capacity or individuals seeking knowledge to advance into a management or supervisory position.

Special Features

Courses are offered for Continuing Education Units (CEUs). Nationally recognized standards govern attendance requirements to earn CEU credit. A permanent record of attendance is established and students may obtain a copy of their transcripts by calling the Cashier's Office at (310) 243-3821.

Certificate Requirements

A Certificate of Completion is awarded upon the successful completion of two required courses. Classes may be taken in any order according to individual needs. The program can be completed within one semester.

"It was such a pleasure to participate in these classes. Thanks so much for structuring the courses to provide realtime information for the workplace. It was very interesting to learn that there are so many various approaches that I could be taking (and have already started to take) to get positive employee relations and business solutions. Thank you"

Telieka Hechnova, HR Generalist
Stan Tashman & Associates
Culver City, CA

**Project
Management
Certificate of Completion**

The Program

Obtain the management skills required to bring projects in on time and within budget. The results of successfully completing coursework in this program will be visible in your overall job performance, leadership effectiveness, risk analysis and decision-making capabilities, and improved management style.

CSUDH, College of Extended and International Education is an official Global Registered Education Provider by the Project Management Institute (PMI).

What You Will Learn

The curriculum is based on an organized sequence of courses that cover the Project Management Body of Knowledge (PMBOK), which serves as the fundamental knowledge base for project management. As a result, those who qualify will be better prepared to sit for the Project Management Professional Exam. Recognized domestically and internationally, the PMP Certification has a standard for excellence in project management. Obtaining use of the PMP designation distinguishes you as an expert in the profession.

**Project Management
Certificate of Completion**

(continued)

Who Should Attend

Individuals in any discipline who work on projects in either the public or private sector will benefit from course work. Those with 3-5 years work experience who are not currently working in this field will be prepared to pursue career opportunities specifically in the area of project management upon completion of the program. Individuals who are considering a career change will get a good overview of the project management profession to aid in their career decisions.

Program Benefits

- Individual course certificates showing CEUs and PDUs are awarded to students who do not miss any of the class sessions.
- Obtain a proven, practical body of project management knowledge and skills that will help you avoid making costly mistakes.
- Helps students prepare to sit for the Project Management Professional (PMP) and Certified Associate in Project Management (CAPM) exams.
- Learn techniques for effectively coordinating and managing all aspects of a project including team leadership, project risk and financial analysis, evaluation and control techniques, project planning and decision-making.
- Explore the international dimensions of project management

Certificate Requirements

A certificate is awarded upon successful completion of five required courses.

Instructors

Kamal Vinayak Inamdar, Ed.D, PMP, has over 30 years of combined experience in engineering, manufacturing management, project management and finance. He has taught business and management at two CSU campuses and UCI.

Tammo T. Wilkens, P.E., PMP, is a project management professional with more than 31 years of experience in various industries, as well as a recognized speaker and author of several articles.

Support for CSUDH's Osher Lifelong Learning Institute comes from the Bernard Osher Foundation, CSUDH College of Extended & International Education, and OLLI at CSUDH members. There are 117 Osher Lifelong Learning Institutes in the United States.

OLLI at CSUDH Membership and Benefits

Annual membership fee is only \$30. Some courses and activities require additional nominal fees. Call (310) 243-3741 to register.

Benefits of CSUDH OLLI membership include

- Osher Lecture Series fall and spring
- Computer and technology training for lifelong learners
- CSUDH Student ID card
- OLLI catalogs and frequent updates on campus events
- Reduced rates for auditing campus courses through Open University
- State-of-the-art classrooms and computer labs
- Bookstore discounts on computer products

OLLI at CSUDH Omnilore Program

Omnilore is a program of OLLI at CSUDH and is available to members for an additional fee of \$90.

Omnilore features a peer-led study discussion format. The Study/Discussion Group is the core of the peer-led program. Within the group, each member participates by choosing a topic related to the subject under study, researching it and then presenting the information to the group. Omnilore classes meet at the Franklin Center in Redondo Beach in either room 7 or room 8.

Call (310) 540-6011 to learn more about peer-led courses.

Before registering in the peer-led program, a prospective member is required to attend an Omnilore orientation session. See website (www.omnilore.org) for orientation dates, or call 310-370-9522

Quality Assurance Master of Science Online 

The Program

Quality Assurance is an interdisciplinary profession practiced by management and technical personnel responsible for planning and assuring the quality of products and services. Participants in the Master of Science in Quality Assurance (MSQA) receive education in both the technical and administrative foundations of the field.

The curriculum prepares working professionals to lead organizations toward the objective of "total quality." The program's interdisciplinary approach blends study in management with quality concepts. Relevant theoretical and practical course

Leader in Quality Assurance Education

Online On Site

CSUDH offers a full range of educational opportunities in Quality ranging from degree programs and certificate programs to seminars on cutting edge topics. Learn how to apply Quality management methods to manufacturing and service enterprises from instructors who are professionals in Quality fields. All MSQA programs are available in-house at your site. Contact msqa@csudh.edu

work, independent study, interaction with fellow students and working quality professionals, and a thesis or final project provide a well-rounded learning experience. The MSQA requires thirty-three semester units and options are offered in Manufacturing, Service and Health Care. Students can customize their program of study to include areas of personal and professional interest.

What You Will Learn

Through the program, students acquire knowledge and skills in the following areas:

- Managing a quality organization
- Planning and implementing a quality assurance program
- Troubleshooting and solving quality problems, both administrative and technical
- Incorporating quality concepts and human factor techniques in the design of organizational operations
- Creating and managing supplier control systems
- Developing and analyzing statistical process control charts
- Developing and analyzing acceptance sampling plans
- Design of experiments (analysis of variance techniques)
- Performing quality cost analysis
- Performing reliability maintainability, and safety systems reviews
- Performing quality system audits.
- The ISO 9000 Series of Quality System Standards

Who Should Attend

The MSQA is ideal for creative thinkers who can apply technical and statistical principles and enjoy solving problems to increase safety and efficiency in crucial industries. The MSQA prepares professionals in manufacturing, service, government, and healthcare for career advancement. Professionals in the following fields, among many others, will benefit: quality, manufacturing, engineering, science, management, health care, government, utilities, retail, insurance, telecommunications, banking, finance, education, entertainment, transportation and other service industries.

The demand for individuals with industry-specific technical, management and team-based problem-solving skills is increasing as developments in science and technology advance. A degree in Quality Assurance is extremely versatile and provides graduates with many career options.

Admission Requirements

Candidates for the MSQA program must meet the CSUDH graduate admissions requirements and have a bachelor's degree. Applicants should have completed courses in mathematical statistics, theory of probabilities and principles of computer technology. Students who do not meet these requirements may be offered conditional admission to the program based upon review by the MSQA Admissions Committee. Information about graduate admissions is available at www.csudh.edu/graduatestudies.

Taking Courses Before Admission

Students can take up to three courses in the program before being admitted to the MSQA. This gives a student the opportunity to take courses while his/her admission application is being processed. Once admitted, a student can apply these courses toward the degree.

In addition, the Quality Assurance Program offers Certificates of Completion in several topics. These certificate programs include core courses from the MSQA program. If a student completes a certificate program and is later admitted to the MSQA, courses may be applied toward the degree.

**Quality Assurance
Bachelor of Science
& Quality Assurance
Bachelor of Science with
Measurement Science Option**

The Program

Quality Assurance is an interdisciplinary profession practiced by management and technical personnel responsible for planning and assuring the quality of products and services. The BSQA program blends studies of the basic sciences, technologies, management principles, quality concepts and statistical tools needed to prepare professionals for careers in Quality Assurance, and enhance the careers of working Quality Assurance professionals. For those students more interested in the technical areas of Quality, there is a Measurement Science option.

Online/On Site

The online and on-site BSQA programs are designed primarily as upper division transfer programs for students who have completed the majority of their lower division general education courses. The online program requires no on-campus attendance. Courses are offered throughout the year on a trimester basis.

Advantages of the Program

- Prepares professionals in Quality Assurance for careers in the design, development, manufacture and support of products and service.
- Meets the needs and interests of the Quality Assurance professional through a combination of theoretical and practical course work, independent study, and interaction with fellow students and leading professionals.
- Provides an interdisciplinary approach that blends the basic sciences, technologies, management principles, quality concepts and statistical tools.
- Provides a well-rounded learning experience as well as preparation for advanced studies (e.g. Masters Degree) through a broad curriculum that includes a culminating project.
- Enables students to customize their programs of study to include areas of personal and professional interest.
- Develops problem-solving skills with a customer-based focus leading to the continuous improvement of process, product and service.

Admission Requirements

The best way a student can prepare for transferring to the BSQA program is to complete an associate's degree with lower-division General Education requirements that meet both the CSUDH and BSQA

requirements. Residence Units (Includes courses taken on the Internet, Correspondence and Television through CSUDH)

1. A minimum of 30 semester units must be completed in residence at CSU Dominguez Hills, of which 24 shall be earned in upper division courses and 12 upper division units shall be in the major. When a minor is declared, at least one-half of all upper division units earned for the minor must be completed in residence at CSU Dominguez Hills.
2. Credit by examination may not be used to fulfill the minimum residence requirement.
3. Up to 24 units of coursework taken in non-matriculated status through Open University may be used to fulfill the minimum residency requirement.
4. Credit received in summer session or January session at CSU Dominguez Hills may be counted as residence credit.
5. At least nine units of General Education must be completed at CSU Dominguez Hills.

To reach the Extended Education Registration office please call (310) 243-3741, fax (310) 516-3971, or by email at eereg@csudh.edu. The telephone number for Extended Education touchtone registration is (310)243-2000.

QAS course fees are \$233.00* per unit or \$699.00 for a three (3) unit course.

* Fees are subject to change.

Quality Certificates

The Program

Need certification in Quality Assurance, but don't want to commit to the entire MSQA program? California State University, Dominguez Hills has Quality Assurance certificate programs available in specialized fields of study.

Certificates of Completion

To earn a certificate students should complete three graduate level courses and the associated capstone course from the MSQA program.

Certificate in Management Quality /Organizational Excellence

Quality Function Management & TQM	QAS 511
Quality Project Management & Productivity	QAS 518
Supplier Quality Assurance	QAS 526
or	
Quality Measurement	QAS 527
Certified Quality Manager / Organizational Excellence Preparation (capstone)	NBQA 701

Certificate in Quality Engineering

Advanced Probability & Statistics	QAS 510
Statistical Quality Control & Sampling	QAS 513
Advanced Experimental Design	QAS 514
Certified Quality Engineer Preparation (capstone)	NBQA 702

Certificate in Quality Auditing

Quality Function Management & TQM	QAS 511
ISO 9000 and the Audit Function	QAS 525
Supplier Quality Assurance	QAS 526
or	
Quality Measurement	QAS 527
Certified Quality Auditor (capstone)	NBQA 703

Certificate in Reliability Engineering

Advanced Probability & Statistics	QAS 510
Reliability	QAS 512
Statistical Quality Control & Sampling	QAS 513
Certified Reliability Engineer Preparation (capstone)	NBQA 704

Certificate in Software Quality Engineering

Software Reliability	QAS 523
Advanced Probability & Statistics	QAS 510
Statistical Quality Control & Sampling	QAS 513
Certified Software Quality Engineer	NBQA 705

ASQ Exam Preparation Quality Capstone

The Program

California State University, Dominguez Hills, in cooperation with the American Society for Quality in Los Angeles, can help you prepare for ASQ exams. This certification is a recognized professional accomplishment bound to enhance your career and personal marketability. Capstone courses provide a complete overview of the Body of Knowledge prescribed by ASQ and CSU Dominguez Hills for each discipline. These courses prepare a student for certification by ASQ or registration as a Professional Quality Engineer, PE, by the state of California. These courses also serve as a final review for a series of four courses that result in a certificate of competence in a specialized area of Quality. Each student will receive a certificate of completion following successful completion of a capstone course. ASQA will award 0.1 Re-certification Units (RU's) per hour of classroom instruction to those students who successfully complete each course. Cost of each course is \$350.

Online Classes

**Personal Fitness
 Trainer
 Certificate**

NEWLY MODIFIED

The Program

Whether you are looking to change careers or just want to enhance your knowledge, this course provides you with all the information you need to become a Certified Personal Trainer.

What You Will Learn

The course is taught over an eight-week period consisting of 16 hours of lectures including the following topics: anatomy, exercise physiology, nutrition, musculoskeletal injuries, and health screening. The program also includes 16 hours of "hands-on" practical training that prepares you to work individually with clients. Written and practical lab testing will be held on the 9th week.

Employment Outlook

Top personal fitness trainers make \$60,000 or more a year while the median salary is nearly \$30,000 according to the Bureau of Labor Statistics. Employment in California for fitness trainers is due to increase over 50% from 2002 to 2012.

Who Should Attend

Fitness enthusiasts or anyone seeking a new career in the health and fitness industry.

Eligibility Requirements

There are no prerequisites required for the program. Proof of CPR is required before the certificate can be issued.

Special Features

A thirty-hour internship will help prepare you

to work in the fitness field. W.I.T.S. is an approved CEU provider for International Association of Continuing Education and Training (IACET), Board of Certification for Athletic Trainers (BOC) and the American Occupational Therapy Association (AOTA). College credits towards a degree can also be acquired through our affiliation with the American Council on Education.

Now approved by AOTA for Occupational Therapists!
 We are proud to announce that we have been approved by the American Occupational Therapy Association (AOTA) for Occupational Therapists in the U.S.

Certificate requirements

The National Exam is held on the 9th week. Proof of CPR/AED and internship is required before the certificate can be issued.

Costs, Books, & Materials

Students are also required to purchase a textbook, *Fitness Professional's Handbook*, 5th edition by Howley and Franks.

Students are to read chapters 1, 3, 5 and 6 for the first class.

1-Hour Orientation
 Free to the public.
 Come learn about the personal Fitness Training Certificate program from the experts. You'll also get an overview of the personal fitness training industry and trends.
 Call 310-243-3741 to make your reservation for this free orientation meeting.

**Sport & Fitness
 Psychology Online
 Certificate Program**

**Achieve optimal performance
 & apply team-building
 techniques**

Program Description Online!

The online Sport & Fitness Psychology Certificate Program addresses a growing demand for techniques that contribute to optimal performance. Participants will acquire an understanding of psychological principals and knowledge that enhance sports performance, teamwork, fitness, and well-being. This is not a certificate in coaching. Courses focus on the psychological aspects of performance, teamwork and fitness.

This is an academic Certificate Program, consisting of five senior-level courses, each carrying three semester units. Take one course or complete the certificate.

Location

Courses are offered online using the Blackboard course management system and can be taken anytime, anywhere.

**Sport & Fitness
Psychology Online
Certificate Program**

(Continued)

Who Should Attend

Anyone involved in sports, fitness, coaching, and team building, such as athletes, trainers, coaches, fitness instructors, managers, health professionals, therapists, and individuals interested in performance and psychology.

Parent coaches will learn how to build cooperative teams. High school coaches can use these courses towards a teaching credential. Fitness instructors can increase their employability. Athletes have an opportunity to advance their careers.

Faculty

Beverly B. Palmer, Ph.D. Professor, Department of Psychology, California State University, Dominguez Hills. Dr. Palmer is an expert in creating online instructional programs that are maximally interactive and engaging. Dr. Palmer has a private practice as a clinical psychologist.

Mark Cartiglia, Ph.D. Instructor, Department of Psychology, California State University, Fullerton. His areas of interest include psychological testing and sport psychology.

Courses

PSY 480 Sport Psychology

In-depth analysis and application of psychological principles and research in motivation, psychophysiology, personality, cognition, and emotion in sport settings.

PSY 481 Applied Sport and Fitness Psychology

Scientific research results in the field of psychology are used to illustrate how participation in sports and physical activity can facilitate psychological development and physical well-being.

PSY 482 Psychology of Coaching and Team Building

Group processes, team-building techniques, leadership skills, and interpersonal communication skills will be applied to the enhancement of team sports performance and individual well-being.

PSY 483 Contemporary Issues in Sport and Fitness Psychology

Psychological theories will be applied to the identification and treatment of problems people who participate in sports may have as

well as applied to the promotion of mental health.

PSY 486: Internship in Sport and Fitness Psychology

Supervised application of psychological principles applied to sports and fitness to promote performance and optimal well-being.

Course outlines available at:
www.csudh.edu/sportpsychology

Summer 2012 Online Schedule

Sport Psychology

3 Units

Introductory course in the Sport & Fitness Psychology Certificate program. You will learn about the important role psychology is playing in the world of sports today. Topics include: importance of personality, temperament and mood in sports setting; issues in youth sports, including emotional abuse and exploitation; strategies to prevent excess stress and burn out in young athletes; strategies to facilitate character development in athletes of all ages; psychological techniques that improve performance.

RICA	77
Online Test Preparation Courses	.26

Test Preparation Courses

The Program

The BTPS system originated at California State University, Northridge, by request of the student body in 1973. Since then, it has assisted more than 500,000 students in preparing for college and graduate entrance examinations. These programs are now offered at 30 universities, colleges and law schools. The programs are constantly updated for the most recent forms of the exams. Fees paid for these test preparation courses do not include payment and registration for the actual exam. For information on registration for the exams, call the CSUDH Testing Office at (310) 243-3909.

Program Instructors

The staff is comprised of math and reading specialists and other expert instructors who are fully credentialed and have advanced degrees.

SCHEDULED CLASSES

CBEST

(California Basic Educational Skills Test)

New computer test information included.

Let our outstanding teachers give you the edge to pass this very important exam! A special emphasis will be placed on a review of mathematics and applying math skills to CBEST question types. The Essay Section will also be carefully reviewed followed by a short review of the Reading Comprehension Section including skills necessary to help potential teachers understand, interpret and analyze passages. For test application and information call Evaluation Systems (916) 928-4001 or www.cbest.nesinc.com.

Date: Jul 21 - 29
Time: Sat & Sun 9am-3pm

RICA
(Reading Instruction Competence Assessment)

1 CEU
The workshop is designed to help potential school teachers prepare for the RICA written examination. This workshop, designed and taught by CSUDH instructors, includes studying and test taking strategies, information about the test and a review of the content areas. Materials are included.

Fees paid for test preparation classes do not include fees for actual examination.

Date: May 12 & 19
Time: Sat 9am-3:30pm
Meetings: 2
Location: COE 1408
Fee: \$199
Course No.: TEX 922 Sec 04
Reg. No.: 22069

RICA Prep will also be offered in the Fall

For more information or to register call 310-243-3741 or Email: eeinfo@csudh.edu or visit the website: www.csudh.edu/ee/testprep.html

Test Prep courses are also available online. See page 24. Or go to <http://dominguezonline.csudh.edu/programs.php>

Three Summer Camps for Youth in the Creative Arts

For students ages 10-17

Make this your summer to develop your artistic talents in two fun-filled, creative summer workshop camps.

Week 1 - Video Game Art and Design

Week 2 - Web Site Design

Week 2 - Advanced Video Game Design

Each camp meets 4 days, from 9:30am to 4pm with a break for lunch. The price for each camp is \$279 and includes all necessary materials for in-class use.

Computer camp students should bring a Flash drive to save final digital design projects.

Summer Camp in Video Game Art and Design - Week #1

The Program

Does your teenager spend hours playing video games? Does he or she want to design a game or have that creative spark for making a game challenging and fun to play? Then sign them up for this introductory workshop. From the history of games to designing characters, developing a story line to basic motion and effects, this is an information-packed, fun-filled workshop for aspiring game designers everywhere. Students will also learn the step-by-step process for creating compelling digital illustrations under the guidance of instructor Robert Dillworth, a noted entertainment industry designer. From Alpha channels to masking and layers, to color and special effects, students will use acquired design skills to create compelling illustration for logos, movie posters and CDs. Young artists

will be introduced to Adobe Photoshop, the software used by leading industry professionals.

What You Will Learn

Topics covered:

- The history of computer games
- Today's hottest games
- Designing an original character
- Storyboarding from idea to pencil and paper
- Animated effects using flash basics
- Designing backgrounds
- Sound effects with Flash

Who Should Attend

Students age 10-17 who are interested in gaining hands-on experience with developing graphics for videogames.

Eligibility Requirements

No prerequisites are required for the certificate.

Special Features

Courses taught by entertainment industry graphics professionals.

Instructor

Robert Dillworth, Instructor Computer Art Camp

Mr. Dillworth is both an experienced designer and classroom instructor. An entertainment industry designer his creative credits include projects for Warner, Sony and Rhino Records.

Scheduled Class

Summer Camp in Videogame Art and Design

Date: Jul 9 - 12
 Time: 9:30am - 4pm
 Meetings: 4
 Location: EE-1202
 Fees: \$279
 Instructor: Robert Dillworth
 Course No: NCGD 132 Sec 01
 Reg. No: 30417

Youth Programs

Summer Camp78
Advanced Computer Game Design	
Summer Camp79
Summer Reading Programs79

Summer Camp In Web Site Design - Week #2

The Program

In this information-packed program, young computer artists will learn basic page building techniques for creating professional quality web sites - perfect for family or school projects. From storyboards, digital art and page building to navigation, design and page linking, students will gain mastery of digital techniques for designing web sites, step-by-step. By the end of the class students will actually post their pages to the World Wide Web.

Who Should Attend

Kids from age 10-17

Instructor

Robert Dillworth is a new media designer whose credits include Warner, SONY and Verizon. An experienced classroom presenter, he regularly conducts workshops for both children and adults at California State University campuses across the southland..

Scheduled Class

Summer Camp in Web Site Design

Date: Jul 16 - 19
 Time: 9:30am - 4pm
 Meetings: 4
 Location: EE-1210
 Fees: \$279
 Instructor: Eric Teitelbaum
 Course No: NCGD 135 Sec 01
 Reg. No: 30428

Summer Camp in ADVANCED Computer Video Game Design Week #3

The Program

This workshop will explore the advanced features of Adobe Flash and advanced game motion graphics in creating levels of interactivity for game development.

What You Will Learn

Students will develop advanced skills in storyboarding, project layout and character design while using the special effects features of Flash for creating interactive game motion graphics.

Activities will include

- Understanding importance of teamwork in all phases of game development
- Developing original game plots and storylines
- Designing original 2-D characters in support of storylines
- Designing original backgrounds and scenery for story illustration
- Building digital characters using advanced features in Flash
- Applying ActionScript, the programming language of Flash, to create interactivity with your characters
- Adding sound and special effects

Who Should Attend

Students age 10-17.

Eligibility Requirements

Prerequisite: Introduction to Computer Video Game Design or consent of instructor

Special Features

Courses taught by entertainment industry graphics professionals.

Scheduled Class

Summer Camp in ADVANCED Computer Video Game Design

Date: Jul 23 - 26
Time: 9:30am - 4pm
Meetings: 4
Location: EE-1202
Fees: \$279
Instructor: Robert Dillworth
Course No.: NCGD 133 Sec 01
Reg. No: 30429

Summer Reading Programs for Children & Adults

Reading for enjoyment lasts a lifetime. It profoundly affects your child's academic and professional success, and it also shapes your child's character. No matter what your child's age, level of reading skill, and current attitude toward books, it's never too late to develop a love of reading.

Eight reading skills and speed reading programs are offered. Each program in this series produces a significant boost in reading skill and comprehension, and also helps to stimulate a lifelong interest in reading for pleasure.

ABOUT THE INSTRUCTORS

These popular classes are taught by instructors from the Institute of Reading Development.

SCHEDULED CLASSES

Reading Readiness Program R: For 4-Year Olds & Entering Kindergarteners

Noncredit

Kindergarten reading instruction is enjoyable and successful for students with strong reading readiness skills. In this program, your son or daughter will learn and practice alphabet, beginning phonics, and comprehension skills, while having fun and building confidence.

Date: Jul 28 - Aug 25
Time: Sat 9:15 - 10:30am
Meetings: 5
Location: CSUDH EE
Fee: \$239
Instructor: IRD
Course No.: NWRD 100

Reading Program 1: Beginning Reading Skills for Entering 1st Graders

Noncredit

First grade requires a strong foundation of reading skills and a high level of confidence. In this program, your son or daughter will experience success, while learning and using the skills required for first grade reading, including beginning phonics, sight vocabulary, reading aloud, and comprehension skills.

Date: Jul 28 - Aug 25
Time: Sat 8:30 - 10:30am
Meetings: 5
Location: CSUDH EE
Fee: \$299
Instructor: IRD
Course No.: NWRD 101

Reading Program 2: Independent Reading Skills for Entering 2nd Graders

Noncredit

Success in second grade depends upon mastery of independent reading skills. In this program, your son or daughter will build confidence while learning and practicing these skills, including phonics, word-attack skills, multi-syllable words, sight vocabulary, reading aloud with expression, silent reading, and comprehension skills.

Date: Jul 28 - Aug 25
Time: Sat 3-5pm
Meetings: 5
Location: CSUDH EE
Fee: \$299
Instructor: IRD
Course No.: NWRD 102

Reading Program 3: Reading Skills Program for Entering 3rd Graders

Noncredit

In third grade, students become fluent readers. In this program, your son or daughter will learn and practice the skills required to achieve fluent independent reading, including phonics, word-attack skills, multi-syllable words, sight vocabulary, silent reading, reading with expression, and comprehension skills.

Date: Jul 28 - Aug 25

**Summer Reading Programs
for Children & Adults**

(Continued)

Time: Sat 3-5pm
 Meetings: 5
 Location: CSUDH EE
 Fee: \$299
 Instructor: IRD
 Course No.: NWRD 103

**Reading Program 4: Reading Fluency
and Comprehension Skills for Entering
4th & 5th Graders**

Noncredit

In fourth and fifth grade, students must read complex text fluently, with strong comprehension. In this program, our average student gains more than one grade level in reading comprehension, while learning to read complex words and sentences more fluently. Your son or daughter will learn to identify main ideas, take notes for book reports, study for tests, and improve concentration and recall.

Date: Jul 28 - Aug 25
 Time: Sat 11:45am - 2pm
 Meetings: 5
 Location: CSUDH EE
 Fee: \$299
 Instructor: IRD
 Course No.: NWRD 104

**Reading Program 5: Comprehension
Training and Speed Reading Skills for
Entering 6th - 8th Graders**

Noncredit

In this program, our average student improves reading comprehension one or two grade levels while more than doubling reading speed. Because reading becomes easier and more enjoyable, our students develop the habit of reading for pleasure. Your son or daughter will learn the best way to improve vocabulary, study textbooks, take notes, and prepare for tests.

Date: Jul 26 - Aug 23
 Time: Thu 3:30-6pm
 Meetings: 5
 Location: CSUDH EE
 Fee: \$299
 Instructor: IRD
 Course No.: NWRD 105

Date: Jul 28 - Aug 25
 Time: Sat 11:30am - 2pm
 Meetings: 5

Location: CSUDH EE
 Fee: \$299
 Instructor: IRD
 Course No.: NWRD 105

**Reading Program 6: Speed Reading
Skills and Comprehension Training for
Entering 9th - 11th Grades**

Noncredit

In this program, our average student improves reading comprehension one or two grade levels while more than doubling reading speed. Because reading becomes easier and more enjoyable, our students develop the habit of reading for pleasure. Your son or daughter will learn the best way to improve vocabulary, study textbooks, take notes, and prepare for tests. This program is an excellent way to prepare for the SAT and ACT!

Date: Jul 28 - Aug 25
 Time: Sat 11:30am - 2pm
 Meetings: 5
 Location: CSUDH SAC
 Fee: \$299
 Instructor: IRD
 Course No.: NWRD 106

**Reading Program 7: Speed Reading for
Work, School and Recreation for
Adults, College Students and Entering
High School Seniors**

Noncredit

When you complete our adult speed reading program, you will read three to four times as fast in novels, newspapers, and most business and school materials. In more difficult reading, such as academic and professional journals or college textbooks, you will read two to three times as fast.

Date: Jul 26 - Aug 23
 Time: Thu 7-9:30pm

Meetings: 5
 Location: CSUDH SAC
 Fee: \$299
 Instructor: IRD
 Course No.: NWRD 107

All classes meet once a week for five weeks

Registration Information

Who May Register

Extension classes are open to the public. You do not need a college degree to be registered in a degree program at the University. Please note, however, that registration in the College of Extended & International Education does not constitute admission to California State University, Dominguez Hills.

Four Ways to Register

Register By Mail: Complete the Registration Form at the end of this catalog and mail it to:

CSU Dominguez Hills
Registration Office, EE 1100
1000 East Victoria Street
Carson, CA 90747

Include your check, money order or credit card information; do not send cash.

By Phone: You may register by phone with your VISA/ MasterCard/ Discover Card by calling (310) 243-3741, Monday through Thursday 8am - 8pm; Friday 8am - 5pm and 8am-1:30pm on Saturdays.

In Person: You can register in person at the College of Extended & International Education Registration Office located on the CSU Dominguez Hills campus, EE 1100. The Office accepts checks, money orders, Visa, MasterCard and Discover Card (no cash). Hours are 8am-8pm Monday-Thursday, 8am-5pm Friday and 8am-1:30pm Saturdays.

MyCSUDH: College of Extended & International Education students who have previously taken a class at Dominguez Hills can register via MyCSUDH:
<http://my.csudh.edu>

Or go to <http://www.csudh.edu>
 From the QUICKLINKS pull-down menu, select MyCSUDH to register.

For credit courses, click on Student Center, and then on link "Add a Class". Students enrolling in non-credit and CEU courses click on Non-Credit Enrollment first and then enroll. To

complete the online registration process, students must pay in full at the time of registration. Fees MUST be paid at the time of registration. After adding a course, be sure to click on "Account Inquiry" from the pull down menu, then click on "Make a Payment" from the pull down menu, select appropriate term, and pay with VISA, MasterCard, or Discover Card. Acceptable forms of payment are Visa Card, MasterCard, or Discover Card. Students will be disenrolled from classes by 8am next business day if payment is not received at the time of registration.

Early Registration

Reasons to Enroll Early in Extension Courses

- It's a fact—all classes need a minimum number of students. Enroll early to make sure that classes you want can be held.
- Many of the most popular classes fill quickly. Be sure that you have a place in the class you want by enrolling early.
- There are several easy ways to enroll early; when you do, you will be mailed a confirmation receipt to take to the first class meeting.

Fee Payment

Students are required to pay in full for their courses at the time of registration. The fees for courses are listed in this bulletin. Please note that there is an additional \$30 per unit charge for TV courses. The fees are the same for residents and nonresidents. Payment may be made by check, money order, or Visa, Mastercard or Discover card payable to CSUDH in the exact amount required. Registration will not be considered complete until all fees are paid. Fees and refunds are subject to change.

Confirmation/Receipts

You are considered officially enrolled when your registration fees are paid and your registration form has been received. You will receive confirmation of enrollment via e-mail, provided we have a valid e-mail address for you on record. Additionally, you should receive a confirmation letter within two weeks after we have received your registration and fees. This letter is your receipt for fees paid. Please read the letter carefully because any changes in the course meeting time or place will be indicated in the letter. Changes which occur after the confirmation is mailed will be posted on the door of the scheduled classroom. If you do not receive a confirmation letter, REPORT TO THE FIRST CLASS MEETING. The instructor will have a roster and, if your registration is complete, your name will be on the roster. If

it is not on the roster, contact the College of Extended & International Education's office at your earliest convenience.

Returned Checks

There is a \$25.00 service charge for checks returned for any reason.

Refund of Fees

You must file appropriate forms in the College of Extended & International Education Office in order to receive a refund. Students must officially drop their courses. For credit courses, students must file the appropriate "drop" and "request for refund" forms in the Office of College of Extended & International Education. The effective date of the refund is the day the forms are received by the Office of the College of Extended & International Education. To receive a refund of fees for any course, you must notify of College of Extended & International Education in writing between the hours of 9am and 4pm at least two working days before the course begins. You will be asked to submit a written request to our office for a refund of fees. If you need to withdraw on or after the day of the first class meeting, notify the Extended Education Registration office immediately. Refunds are granted in accordance with the State refund schedule.

- If a course is cancelled, the entire course fee will be refunded
- If you withdraw prior to the first class meeting, 100 percent of the course fee will be refunded (less a \$10 processing fee for credit courses)
- If you withdraw after the first class and before the first 25 percent of the course has elapsed, 65 percent of the total fee will be refunded
- After 25 percent of the course time has elapsed, no refund will be made
- Courses of four meetings or less, or four weeks or less, no refund will be made.

Above refund policies do not apply to courses that are offered in partnership with other educational entities. These include, but are not limited to, the following partners: UCSD, Gatlin, Ed2Go, VESI, SHRM and the Center for Legal Studies.

Do not put a stop payment on a check to withdraw from a course. This results in a financial obligation to the University for the course fee; you will be assessed a \$25.00 dishonored check fee plus an additional \$25 late registration charge.

Official Withdrawal from Credit Courses

Courses Less Than 1 Week

Prior to the first class meeting, a student may withdraw and no grade is assigned; the enrollment does not appear on the student's transcript. Drops or complete withdrawals may be processed via MyCSUDH during this period. A grade of "W" will be assigned if a student withdraws at any time during the course and signatures of the instructor and school dean are required.

One Week Courses

On the first day of the week of the session, a student may withdraw and no grade is assigned; the enrollment does not appear on the student's transcript. Drops or complete withdrawals may be processed via MyCSUDH during this period. A grade of "W" will be assigned if a student withdraws at any time after the first day of the week and signatures of the instructor and school dean are required.

Two Week Courses

During the first three days of the first week, a student may withdraw and no grade is assigned; the enrollment does not appear on the student's transcript. A grade of "W" will be assigned if a student withdraws at anytime after the first three days of the first week and signatures of the instructor and school dean are required.

Three Week Courses

During the first week, a student may withdraw and no grade is assigned; the enrollment does not appear on the student's transcript. Prior to the last two days of the session, a student may withdraw with a "W" for any reason. Signatures of the instructor and school dean are required. During the last two days of the session, a student may withdraw with a "W" for serious and compelling reasons only and signatures of the instructor and school dean are required.

Four And Five Week Courses

During the first week, a student may withdraw and no grade is assigned. No signatures are required if a four or five week course is dropped during the first week. Prior to the last four days of the session, a student may withdraw with a "W" with the signatures of the instructor and school dean. During the last four days of the session, a student may withdraw with a "W" grade for serious and compelling reason, with the

signatures of the instructor and school dean.

Six, Seven, and Eight Week Courses

During the first two weeks a student may withdraw and no grade is assigned; the enrollment does not appear on the student's permanent transcript. Prior to the last week of the session a student may withdraw with a "W". During the last week of the session a student may withdraw with a "W" for serious and compelling reasons only.

Courses of more than Eight Weeks

For courses longer than eight weeks, refer to the withdrawal policy in the University catalog.

Withdrawal from classes during final exam week (last week of session) is not permitted, except in such cases as accident or serious illness where circumstances causing the withdrawal are clearly beyond the student's control, and the assignment of a grade of Incomplete is not practical. Such requests require a Petition with the signature and approval of the instructor and Dean of Extended Education. The form is available in the Extended Education Registration Office and must be filed in Extended Education with documentation by the last day of the session in which the student was enrolled.

A student who does not officially withdraw shall receive "F" or "WU" grades for all courses on his/her official record.

Schedule Changes

Although care is taken to ensure the accuracy of all information in this Bulletin, there may be unintended errors and changes or deletions without notification. In situations when our office has sufficient advance notice, we will make every attempt to notify pre-enrolled students about changes in class dates, time, or location.

Class Cancellation

Occasionally an extension class must be cancelled because of insufficient pre-enrollments. If a decision to cancel is made, we will make every effort to notify by telephone all persons who have pre-enrolled, and their fees will be refunded from the University. When you pre-enroll, therefore, please give us a daytime telephone number and email address so that you will not be inconvenienced if the class must be cancelled.

Change of Address

If you are receiving several copies of the College of Extended & International Education Bulletin, or have recently moved, please cut the mailing label from the back cover of this catalog and print corrections clearly. If you are receiving the bulletin at different addresses, please indicate which address you would prefer. Send the complete mailing label with corrections to: College of Extended & International Education, CSU Dominguez Hills, Carson, CA 90747-0005.

High School Students

Qualified high school students who will enter the junior or senior year in Fall 2011 can register for CSUDH Spring 2012 lower division (100 level) courses with a letter of recommendation from the school principal or counselor and written authorization from the parents. Address letters to the Dean of the College of Extended & International Education, California State University, Dominguez Hills. Students pay regular Open University registration fees, and the course credit they earn may be applicable to a degree from CSUDH or another institution.

Standards

Degree credit courses in the College of Extended & International Education adhere to the academic standards of the University. All activities usually associated with regular University course work are integral parts of the degree credit instruction program.

It is our aim, through course review, planning, and the selection of quality, experienced College of Extended & International Education faculty, to provide you with meaningful learning experiences. We realize, however, that on rare occasions your expectations and the course do not match. Should this occur, let us know. It is through your feedback that we are able to make changes and adjustments for future courses.

my.csudh.edu

MyCSUDH (<http://my.csudh.edu>) is a one-stop portal that provides you with information related to financial aid, registration, student financial activity, academic advising, holds and to-do items.

To login to MyCSUDH, you must use your username and password. If you forgot your username:

- Call the Extended Education Registration office at (310)243-3741.
- If you have any difficulty activating your account please contact the help desk at (310) 243-2500 or helpdesk@csudh.edu.

Before logging into my.csudh.edu click the "Activate your Account" link. The following is your account activation information:

User ID:

Activation code: your six digit birth date (mmddyy)

Activation (and Log In) location: <http://my.csudh.edu>

If you have ever had a CSUDH e-mail account, you do not need to activate. That account's username and password are already active and you can use them to login.

If you need additional assistance, please call Extended Education Registration at (310) 243-3741 or 1-877-GO-HILLS.

Academic Information

Transcripts

A student may obtain an official transcript of his/her record by completing a Request for Transcript form, available from the Records and Registration Office (Welch Hall, Suite A290). A fee of \$4 is charged for each transcript. Additional copies of transcripts prepared at the same time (up to 10) are \$2 each. (310) 243-3621.

Extended Education Grading Procedures

Unless a course is offered for a grade of credit/no-credit only, all extension credit

courses are offered for letter grades. However, an undergraduate student in an extension credit class offered for a letter grade may choose to be graded on a credit/no-credit basis by informing the instructor in writing at the beginning of the class. For Special Sessions classes, follow University procedures.

Grade Reports

Official transcripts with current grades will be available approximately five weeks after the end of the course. To learn your grade for any graded class, including Extension, Special Sessions, Summer Sessions and Winter Session, please access MyCSUDH: <http://my.csudh.edu>, or go to <http://www.csudh.edu> From the QUICKLINKS pull-down menu, select MyCSUDH.

Grades

For Academic Programs, student performance in each course is reported at the end of the session by one of the following grades (with grade points earned):

GRADE	GRADE POINTS
A.....	4.0
A-.....	3.7
B+.....	3.3
B.....	3.0
B-.....	2.7
C+.....	2.3
C.....	2.0
C-.....	1.7
D+.....	1.3
D.....	1.0
F.....	0

The following grades are to be used for approved courses only:

- I (Incomplete authorized--not counted in GPA)
- IC (Incomplete charged)
- WU (Withdrawal Unauthorized)
- W (Withdrawal--not counted in GPA)
- AU (Audit--not counted in GPA, no units allowed)
- CR Credit (not counted in grade average, but units allowed).
- CR* (Credit in sub-collegiate course, no units)
- NC No Credit (not counted in GPA, no units allowed).
- RP (Report in Progress-- credit is deferred until completion of course)
- *** (Graduate Continuation Course)
- RD (Report Delayed)

Extended Education Courses

Academic credit is awarded for successful completion of formally recognized

institutional extension courses. A maximum of 24 units of extension credit may be applied toward a baccalaureate degree and up to 6 units toward a master's degree, subject to departmental approval.

Special Sessions

Resident academic credit is given to matriculated students for Special Sessions classes through Extended Education. Registration is open to both matriculated students and to the community. For the course numbering system, see below.

Continuing Education Units (CEUs)

Some extension workshops and courses award Continuing Education Units (CEUs). The CEU is nationally recognized for relicensure, promotion or career advancement. One CEU equals ten hours of participation in lecture. CEUs are not degree-applicable. A cumulative permanent transcript of all CEU study undertaken is provided to extension students upon written request. Course numbering is 900-999. CEU grades are for credit or no credit only (CR/NC).

Noncredit

Many of the short courses, workshops and seminars in this bulletin are noncredit. These are designed to respond to the various educational interests and needs of those living and working in the University's service area.

Course Numbering System

The course numbering system for the University is based upon three-digit numbers as follows:

- 000-099 Sub-collegiate courses, not for baccalaureate credit.
- 100-199 Lower division courses, normally taken in the freshman year.
- 200-299 Lower division courses, normally taken in the sophomore year.
- 300-399 Upper division courses, normally taken in the junior year.
- 400-499 Upper division courses, normally taken in the senior year.
- 500-599 Graduate courses, normally limited to graduate students.

Policies

Nondiscrimination Policy

The College of Extended & International Education is an equal opportunity/affirmative action institution and does not discriminate on the basis of race, color, religion, national origin, sex, sexual preference, age, disability or veteran status. This policy is applicable to employment and student admissions, and to all educational programs and activities.

Privacy Information

The University complies with Federal and State Laws concerning privacy rights of students. These rights are summarized in the University catalog. Questions about privacy rights may be directed to the Dean of Extended Education at (310) 243-3737 or the Vice President of Student Affairs at (310) 243-3784.

Immigration Requirements for Licensure

On August 27, 1996, Governor Pete Wilson issued Executive Order W-135-96 which requested that the CSU and other state agencies implement "as expeditiously as reasonably practicable" the provision of The Personal Responsibility and Work Opportunity Reconciliation Act (PRAWORA) of 1996 (P.L.104-193). The Act, also known as the Welfare Reform Act, included provisions to eliminate eligibility for federal and state public benefits for certain categories of lawful immigrants as well as benefits for all illegal immigrants.

Students who will require a professional or commercial license provided by a local, state, or federal government agency in order to engage in an occupation for which the CSU may be training them must meet the immigration requirements of the Personal Responsibility and Work Opportunity Reconciliation Act to achieve licensure. Information concerning the regulation is available from the Vice President of Student Affairs, (310) 243-3784.

Use of Social Security Number

CSUDH provides all students with generic 9 digit student ID numbers. These ID numbers are used to identify student records, registration, and to conduct all University business. However, students are still required to provide the University with their correct social security numbers (individual taxpayer identification numbers) pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University may, if necessary, use the social security number to collect debts owed the University. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. Students who do not have a social security number at the time of enrollment will be required to obtain a social security number and submit it to the University within sixty days. Failure to furnish a correct social security number may result in the imposition of a penalty by the Internal Revenue Service.

Important Tax Credit Information

If you are enrolled in an eligible degree or certificate program or are taking courses to acquire or improve job skills, you may qualify for a Hope Scholarship or Lifetime Learning Tax Credit.

The Hope Scholarship Tax Credit

The Hope Scholarship tax credit is available only to students in their first two years of postsecondary education who are enrolled at least half-time in an eligible program. The tax credits are based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. Hope credits apply to fees paid after December 31, 1997.

The Lifetime Learning Tax Credit

The Lifetime Learning tax credit is available to students at all educational and enrollment levels who are enrolled at an eligible educational institution. As with the Hope Scholarship tax credit, this opportunity is based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. The Lifetime Learning credit applies to fees paid after June 30, 1998.

Americans with Disabilities Act

It is the policy of California State University, Dominguez Hills to comply with the Section 504 Regulations [now, Americans with Disabilities Act] adopted by the Department of Health, Education and Welfare. Accordingly, any student at California State University, Dominguez Hills who believes that there has been a violation of the Regulations is encouraged to discuss the matter with the Dean of their College and the campus Handicapped Regulations Coordinator and/or the Handicapped Services Coordinator and such persons as may be identified by the Handicapped Regulations Coordinator in order to resolve the matter in a prompt and equitable manner.

Sexual Harassment Policy

It is the policy of California State University, Dominguez Hills, that the campus maintain a working and learning environment free from sexual harassment of its students, employees, and those who apply for student or employee status. All should be aware that California State University, Dominguez Hills is concerned and will take action to eliminate sexual harassment. Sexual harassment includes such behavior as sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature directed towards an employee, student, or applicant when one or more of the following circumstances are present:

- Submission to or toleration of the conduct is an explicit or implicit term or

Sexual Harassment Policy

(Continued)

condition of appointment, employment, admission or academic evaluation:

- Submission to, or rejection of such conduct is used as a basis for a personnel decision or an academic evaluation:

The conduct has the purpose or effect of interfering with an employee's work performance, or creating an intimidating, hostile, offensive or otherwise adverse learning environment, or adversely affecting any student.

In determining whether conduct actually constitutes sexual harassment, the circumstances surrounding the conduct will be carefully considered. However, where the facts support the allegations, all appropriate measures including disciplinary action will be taken. For more detailed information on this policy see website at www.csudh.edu/pms/printable/99-02.htm.

Campus Smoking Policy

California State University, Dominguez Hills has a responsibility to its students and employees to provide a safe and healthful learning and working environment. The University recognizes the harmful effects of involuntary contact with smoke. It also recognizes the need to preserve the reasonable individual rights of smokers as long as doing so does not interfere with the right of the non-smoker to a smoke-free environment.

The following policy shall be effective immediately:

Smoking is prohibited in all campus buildings; including offices, work areas, classrooms, lecture halls, laboratories, libraries, theaters, practice rooms, listening rooms, gymnasiums, kitchens, hallways, stairwells, elevators, eating areas and restrooms. Certain areas external to buildings which do not have adequate ventilation (e.g. patios, stairways and walkways) may also be designated as non-smoking areas by the Director of Environmental Health and Safety.

Smoking is prohibited in all State automobiles, vans and trucks.

Members of the campus community who willfully violate the University smoking policy

will be subject to disciplinary action through recognized administrative channels and/or in accord with the applicable collective bargaining agreement.

Appropriate signs designating no smoking and smoking areas shall be posted. At least one copy of this policy shall be posted in each campus building.

Services

Computer Labs

Student identification cards are available at the Extended Education Office. These entitle enrolled students to full use of the CSUDH Computer Labs.

Library Services

Student identification cards will entitle those enrolled in credit courses to use of the CSUDH Library.

Textbooks

Unless otherwise noted, textbooks may be purchased at the University Bookstore, (310) 243-3829. The Bookstore hours during regular semesters are Mon-Thu 8am-7:30pm, Fri 8am-4pm, Sat 10am-2pm. Call for January Intersession and Summer Sessions hours. Registration fees do not include textbooks unless noted.

Loker Student Union

The newly expanded facility houses the bookstore, Schools Credit Union, game room, reservable meeting rooms, an elegant ballroom, a food court, a restaurant, a pub sports lounge, student clubs and organizations spaces, the student life department office, discounted amusement park tickets and an outdoor performance patio.

For further information, call (310) 243-3854, or visit the website at <http://www.csudh.edu/usu>.

Grab & Go

Food Outlet in Welch Hall

In an effort to provide an additional food service venue on campus, a "grab-and-go" outlet is on the first floor of Welch Hall on the south side of the building. Offerings include: coffee, pastries, sandwiches, salads, snacks, soft drinks and similar items. The name of the venue is "Grab 'n Go

TOROS." Hours of operation are expected to be 7:30 AM to 8 PM on Monday - Thursday; 8 AM to 2 PM on Friday and Saturday.

Parking

CSUDH: Parking permits are required for all on-campus classes (Disabled placards included). They are available from the machines at the entrance to each parking lot (see Parking Fees below). No charge for parking on Sundays. (Bring dollars and/or quarters for the machines).

Franklin Community Center (FCC): Free parking in lot and on Fisk and Inglewood Avenues.

Inglewood One-Stop Center: Free Parking in City Hall lot.

Parking Fees

- Entire Spring auto decal \$90.00
- Two-wheeled vehicle \$21.50
- Single entry machines \$4.00

Refund Policy

Refunds are granted in accordance with the State refund schedule. Refunds are not automatic; you must file appropriate forms in the Extended Education Office in order to receive a refund. Refunds take a minimum of six to eight weeks for processing. To receive a refund of fees for a non-credit class or a class offering continuing education, extension credit or professional units, you must notify Extended Education between the hours of 8:00am and 8:00pm Monday through Thursday, from 8:00am to 5pm on Fridays and from 8:00am to 1:30pm on Saturdays, at least two working days before the course begins. You will be asked to send a written request for a refund to our office.
