SUMMER 1983

ADMISSION TO SUMMER SESSION

THE DIVISION of Extended Education of California State University Dominguez Hills welcomes you to our summer credit programs. Since neither formal application to the University nor submission of transcripts is required to attend Summer Sessions, registration for summer courses is relatively simple; follow the procedures outlined on page 38 or complete and return the registration form on page 39. Attendance in Summer Session, however, does not constitute admission to the University as a regular or matriculating student. For information about admission to Fall quarter or to an academic program, check the University *Catalog*.

We would like to remind you that Summer Session programs at this University are self-supporting, which means that a credit fee must be charged.

Summer session students are normally graduates of accredited high schools or persons sufficiently mature and knowledgeable to profit from enrollment in college courses. High school juniors and seniors may enroll in lower division, 100-level, courses (see requirements on page 7).

Our summer schedule is composed of two separate sessions:

MAIN	6 weeks	June 20 through July 29
POST	4 weeks	August 2 through August 29

If you have questions not answered in the following pages, please phone us at

FEE/REFUND CHART

Full tuition and activity/union* fees must be paid at the time of registration. Until total fees are paid, registration is not valid, and students may not be admitted to class. Auditors pay the same fees as students enrolled for credit. The total credit fee and lab fees for each course are indicated in the course listing. Checks are made payable to California State University Dominguez Hills.

*Fees are subject to change without notice by The Trustees of The California State University.

REFUNDS

Refunds are not automatic, even if the University cancels a scheduled course. Applications for refund of fees are available in the University Information and Service Center. Completed applications for refund of fees must be received by the Office of Admissions and Records within the time limits prescribed by the State of California Administrative Code which also states the formula for determining the amount of refund (see Title 5 of the Code). The schedule of refunds is subject to change without notice by the Trustees of the California State University.

If a student completely withdraws from Summer Session and files an application for refund before the day classes are scheduled to begin, all tuition and fees, less a \$10.00 processing fee, will be refunded.

Students may not apply payment for units in Main Session to units in Post Session; student must apply for refund of Main tuition.

Students must submit the identification/registration card with the application for refund of fees.

Allow four to six weeks for processing refund.

This is the schedule of refunds which will be observed:

LATE REGISTRATION

A late charge of \$25.00 is assessed for registration on or after the first day of instruction, June 20 (Main) or August 2 (Post).

- Before attending first class meeting, pick up *Permit to Late Register* form in the south alcove of the Admissions and Records office. Hours for late registration are 9:00 a.m.-5:00 p.m., Monday through Thursday, June 20-23, Friday, 9:00 a.m.-3:00 p.m., June 24. The same hours apply for the Post Session, August 2-4 and August 5.
- Obtain instructor's signature on *Permit to Late Register* form.
- Return signed form to the south alcove of Admissions and Records office by the date and time shown on the *Permit to Late Register* form.
- Fees will be verified and student is required to pay fees to the cashier. **COURSE REGISTRATION IS COMPLETE AND OFFICIAL ONLY WHEN ALL FEES ARE PAID.**

GENERAL INFORMATION

Nonstandard-Date Course Registration

Courses whose beginning dates vary from the starting dates for each Summer Session will register at the stipulated registration periods for each session. Grades for nonstandard-date courses, if intensive, will be posted with standard course grades at end of session; grades for off-cycle courses will be posted with Post Session grades.

Change of Program

TO ADD — FIRST WEEK

If a student has registered but would like to add another class within the same session, report to the main counter of Admissions and Records office and obtain a Change of Program form. Secure instructor's signature on add portion of the form and return to Admissions and Records front counter. They will provide you with an additional fee card which should be submitted to the Cashier for payment of the additional fee.

TO ADD — BEGINNING SECOND WEEK THROUGH FIFTH WEEK OF MAIN SESSION AND THROUGH THIRD WEEK OF POST SESSION

Obtain Change of Program form at the front counter of Admissions and Records office. Obtain signature of instructor and

- School Dean of course you are adding if you are a matriculated student at CSUDH or
- Summer Session director if you are a Summer Session student only.

TO DROP OR WITHDRAW — FIRST WEEK

Students may drop a course or withdraw from Summer Session without instructor's signature and without permanent record of enrollment through June 24, Main Session, and August 5, Post Session. Withdrawal forms are available at the Information and Service Center.

TO DROP OR WITHDRAW — SECOND WEEK THROUGH FIFTH WEEK, MAIN SESSION AND SECOND WEEK THROUGH THIRD WEEK, POST SESSION

Students must obtain signature of instructor (a grade of W if doing passing work) and signature of either the School Dean, if matriculated student at CSUDH, or Summer Session Director, if student for Summer Session only. Withdrawal forms are available at the Information and Service Center.

Change of Program

TO DROP OR WITHDRAW FINAL WEEK OF SESSION

Withdrawal from classes or dropping a class during *final week of instruction* is not permitted, except in cases such as accident or serious illness where the circumstance causing the withdrawal or drop is clearly beyond the student's control, and the assignment of an incomplete is not practical. Such requests require the signature approval of instructor, and school dean (or summer session dean if student is not regularly enrolled at CSUDH). This approval must be secured and submitted to Admissions and Records not later than July 28 (Main) or August 18 (Post).

If eligible for a refund, student *must file "Application for Refund of Fees"* at the time of withdrawal. If withdrawing completely from the session, student also must complete "Notice of Withdrawal," available at Summer Sessions office (ERC C508) or Information Center (SCC A130).

CREDIT/NO CREDIT GRADING

According to current Credit/No Credit grading procedures, the Credit (CR) grade is the equivalent of an A, B, or C letter grade, and the No Credit (NC) grade is the equivalent of a CD, D, or F. CR/NC grades are not computed in overall or quarterly grade point averages; however, both CR and NC grades are recorded on student transcripts. An undergraduate may elect to be graded CR/NC in particular courses, *subject to conditions which are described in the CSUDH Catalog*. To receive a Credit/No Credit grade in a Summer course (except when the course is graded solely on a Credit/No Credit basis) the student must complete the proper card, available at the Admissions and Records counter, and submit this card to the Office of Admissions and Records by the end of the first week of instruction.

Grade Reports and Transcripts

Student performance in each course is reported at the end of the session by one of the following grades (with grade points earned):

GRADE	GRADE POINTS
A Excellent	4.0
AB	3.5
B Very good	3.0
BC	2.5
C Satisfactory	2.0
CD	1.5
D Barely passing	1.0
F Failure	0.0
I Incomplete (not counted in grade average)	0.0
W Withdrawal (not counted in grade average)	0.0
U Unauthorized Withdrawal (counted as units attempted in grade point average)	0.0
RD Report Delayed	0.0

The following grades are to be used for approved courses only.

CR — Credit (not counted in grade average, but units allowed). Undergraduate level only

NC — No Credit (not counted in grade average, no units allowed).

SP — Satisfactory Progress (credit is deferred until completion of course sequence).

A report of final grades assigned in classes will be mailed to you at the end of the session.

A student may obtain an official transcript of enrollment and grades by completing a request for transcripts form available at the office of Admissions and Records. This request should be filed no earlier than the last week of the session in which the student is enrolled. Allow at least three weeks after the end of the session for delivery of the transcript copy. A fee of \$4.00 is charged for each transcript request. Transcripts are not issued to a student whose record indicates financial obligation to the University.

Quarter Unit Equivalency

This University operates on the quarter system. So that units earned during the summer are quarter units or credits. To calculate equivalency to semester credits use this base formula: 1 semester unit equals 1.5 quarter units.

Final Examinations

Final examinations are administered during the final week the course is scheduled to meet. Usually, the examination is given on the last day that the course meets. No adds or drops will be accepted during or after the last week the class meets.

Maximum Credit Load

During the Main Session, students may enroll in a maximum of 12 units. During the Post Session the maximum is 8 units. Permission to exceed these limits must be requested. Matriculating or regularly enrolled CSUDH students request permission from the Dean of the School who governs their major subject. Those students who are enrolling for summer only or who are not matriculating, request permission from the Director of Summer Session. There are special forms for this request, and these must be completed and submitted at registration. Forms are available at the Office of Summer Session, ERC C508.

Advisement for Summer Courses

Regularly enrolled students may obtain academic advisement for their summer schedules during Spring quarter when faculty and advisors are available. Informal advisement will be available during Walk-In Registration for the Main Session. The Office of Summer Session does not provide academic advisement. Many questions are answered in the CSUDH *Catalog*, which includes course descriptions and course prerequisites in addition to policies and programs of the University. The *Catalog* is sold at the University Bookstore.

Independent Study

Independent Study is intended for the regularly enrolled, matriculated student in order to enhance or supplement his/her curriculum. To enroll for independent or directed study, a student must obtain a contract from the Office of Summer Session or the departmental office. The completed form must be submitted before the student's registration is considered official. Only course numbers listed on

page 35 may be used; make sure the correct section is indicated on form.

The same registration deadlines and policies apply to Independent Studies as to scheduled courses.

High School Students

Qualified high school students who will enter the junior or senior year in Fall 1983 may be admitted to register for lower division (100 level) courses if the school principal provides the University with a letter of recommendation and if the student's parents approve. The letter should be addressed to the Dean of Extended Education, California State University, Dominguez Hills. Students will pay regular summer fees, and the course credit they earn may be applicable to a degree from CSUDH or another institution.

During the regular academic year — fall, winter and spring quarters — qualified high school students may earn college credits at CSUDH by taking university courses. Through a special program called CUE (Concurrent University Enrollment) high school students may take one or two classes per quarter on our campus. To be admitted as a CUE student, the student must: (1) be a junior or senior, (2) submit a standard CSU application form and high school transcripts and test scores, (3) have completed prerequisite course work, (4) have the approval of the high school principal and parents. For more information about CUE application forms and fees, call Dr. John Auld, Coordinator, School and College Relations, 213/516-3699.

Parking

All vehicles parked on this campus must have a valid parking decal either on the left rear of the bumper or hanging from the rear-view mirror. On motorcycles the decal is affixed to front left fork. Single-entry parking permits can be obtained for 50¢ from a vending machine near the Information Kiosk. Restricted parking areas are enforced at all times. Parking decals for Summer Sessions can be purchased at the Cashier's Office. (S C B-130 from 9 a.m.-7 p.m., Monday through Thursday at open registration. For more information about the University's parking regulations, please contact the Director of Public Safety at 213-516/3639.

General Studies

The General Studies program is the nucleus of the undergraduate curriculum at CSUDH, deliberately structured to provide the intellectual and affective foundation required of a well-educated person. One major purpose of the program is to assure that students who enter the University at the lower division level acquire appropriate knowledge, experiences, and skills in the liberal arts and sciences. Another major purpose is to assure that students are not only able to make connections between their general studies work and other coursework in the baccalaureate program, but more importantly, are stimulated to pursue life-long education in the liberal arts and science fields. The philosophy underlying General Studies offerings is that they are courses for nonspecialists, presenting subject matter related to the wider context of knowledge and stimulating interest in life-long learning. General Studies courses present breadth, deal with representative concepts, and provide some integration of concepts.

The 1983-84 General Studies program, which is divided into three components, requires 72 quarter units: (I) 18-20 units of Basic Skills; (II) 42 units of lower division General Education divided among Humanities (12), Natural Sciences (12), Social Sciences (16), and the Whole Person (2); and (III) 12 units of upper division Integrative Studies. The statutory requirement in American Institutions (History 101 or examination and Political Science 101 or examination) is not part of the General Studies program, but is a graduation requirement.

Several of the courses which comprise this curriculum are offered in the Summer Sessions. For an overview of the General Studies program consult the *Supplement 82-83* to the University *Catalog*. A description of each of the courses is provided in the *Catalog*.

STUDENT SERVICES

BOOKSTORE SC F130 213/516-3789

Textbooks, the University *Catalog*, supplies and other items are available at the Bookstore. During the summer the Bookstore will be open to the public during the following hours:

June 20-July 29, Monday through Thursday, 8 a.m.-6:30 p.m.; Friday 8 a.m.-4:00 p.m.

June 29 and 30 the Bookstore will be closed.

August 1-September 16, Monday through Friday, 8 a.m.-4 p.m.

LIBRARY ERC A218 213/516-3714

During the Main Summer Session the library hours are as follows:

Monday-Thursday 7 a.m.-8 p.m.

Friday 7 a.m.-5 p.m.

Saturday 9 a.m.-1 p.m.
(July 9, 16, 23 only)

Sunday CLOSED

Monday, July 4 CLOSED

During the Post Summer Session the library hours are as follows:

Monday-Friday 7 a.m.-5 p.m.

Saturday and Sunday CLOSED

STUDENT ACTIVITIES — The Union (cafeteria/student area) 213/516-3559

The Union Service Desk is the main information center for all student activities on campus. An activities counselor works with students and faculty to develop a variety of programs designed around student interest and schedules.

The service desk schedules student-initiated activities. All information and announcements posted on campus bulletin boards are cleared through this area.

The staff works closely with the Student Association and can answer questions about student government. It also works with recognized student groups and serves as liaison between student activities and University administration.

RECREATION FACILITIES GYM B106 213/516-3893

Physical education facilities including weight room, aquatics facility, gymnasium, tennis courts, volleyball courts, track and outdoor fields may be used for recreation by Summer Session students. Check with the Athletic Facilities Coordinator, 516-4224, for schedule of availability.

DISABLED STUDENT SERVICES

Students having permanent as well as temporary disabilities are eligible for a variety of specialized support services including:

- Registration assistance
- Priority Registration
- Readers, notetakers, interpreters
- Medical parking

Information regarding these services can be obtained from the Office of Disabled Student Services, Student Health Center A106, or call 516-3660.

CAFETERIA CSA G120 213/516-3814

The cafeteria will be open Monday through Friday, 8 a.m.-3 p.m. during the summer.

INFORMATION AND SERVICE CENTER SC A130 213/516-3696

The Information and Service Center is the point of contact and referral for prospective University applicants, students seeking fee waivers, and students who withdraw from the University. Pre-admission academic counseling is done through the center.

The center maintains a centralized calendar of all activities on campus. Summer hours are: Monday through Thursday 8 a.m.-9 p.m., Friday 8 a.m.-5 p.m.

Supplementary information service is provided by the Department of Public Safety, next door in SCC A122, when the Center is closed.

OFFICE OF SUMMER SESSIONS ERC C508 213/516-3746

The office is open 8 a.m.-5 p.m., Monday through Friday.

TESTING OFFICE SC C144A 213/516-3909

The Testing Office provides the following services:

National Test Programs — Information and registration materials for the GRE, SAT, ACT, DAT, LSAT, GMAT, MCAT and the CLEP (credit by exam programs).

Individual Diagnostic Testing — Interest inventories and other diagnostic instruments are administered to students who have been referred by counselors in the Student Development or Health and Psychological Services.

VETERANS' SERVICES SCC B145L 213/516-3643

The office of Veteran Affairs provides a wide variety of services and programs for veterans and veterans' dependents in reaching their educational and career goals. Veterans are assisted in dealing with problems that act as a barrier to their success on the campus, with the Veterans Administration, and the State of California, Department of Veteran Affairs. Veterans are encouraged to utilize our services, available for both day and evening students.

Veteran Affairs provides the following services:

- Pre-admission advisement
- Community referral services
- Veterans' benefits counseling
- Tutorial Assistance
- Special admissions to the University
- Vocational Rehabilitation Program
- Academic Advisement

STUDENT HOUSING SCC B145 213/516-3854

Information regarding on-campus housing while attending CSUDH Summer Sessions may be obtained by writing or phoning the office of Student Housing.

HEALTH PROGRAMS AND PSYCHOLOGICAL COUNSELING Health Center, A141 213/516-3818

The Health Programs and Psychological Counseling unit offers personal counseling and group counseling during the summer session. Students must have attended spring quarter 1983 in order to be eligible for counseling.

SPECIAL SUMMER PROGRAMS

Courses and workshops described in this section of the *Bulletin* are special offerings which are not described in the *University Catalog*, or they are part of special programs which we feature during the summer. For scheduling details, please refer to the course as it is listed by number under departmental headings in the schedule of all summer courses. Course numbers ending with "41" are listed in the POST session listing of courses on pages 32, 33 and 34.

Summer Olympiad

The very idea of the Olympiad inspires learning and doing. The following courses are designed with the spirit of the Games in mind. They are part of the educational programming geared to the Summer of 1984 and Los Angeles which the Division of Extended Education will offer during 1983-1984. Watch for future Olympics-related events at this university, including an "Open House" on April 30, 1983, concerts, lectures, and a pre-Olympic racing season at the 7-Eleven Olympic Velodrome.

OLYMPIC THEMES FOR THE CLASSROOM TEACHER: CELEBRATION AND BROTHERHOOD, GAMES AND ETHNIC UNDERSTANDING (3 units)

International paths will converge in Los Angeles next summer; be ready to prepare your students for the experience of the 1984 Summer Olympiad. Ideas, resources and hands-on activities will be presented in this intensive workshop. The material will be drawn from the children's art, literature, songs and dances of the various nations participating in the games.

see EDU S740-61

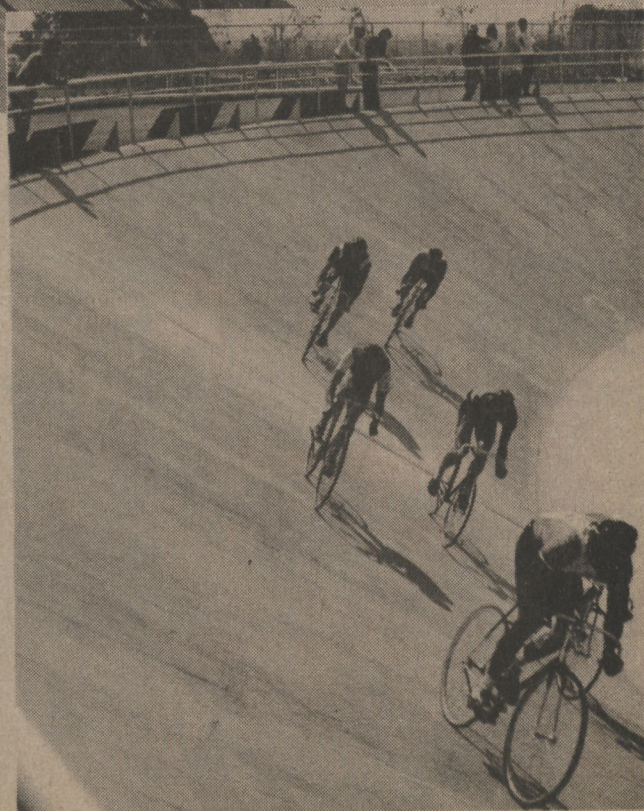

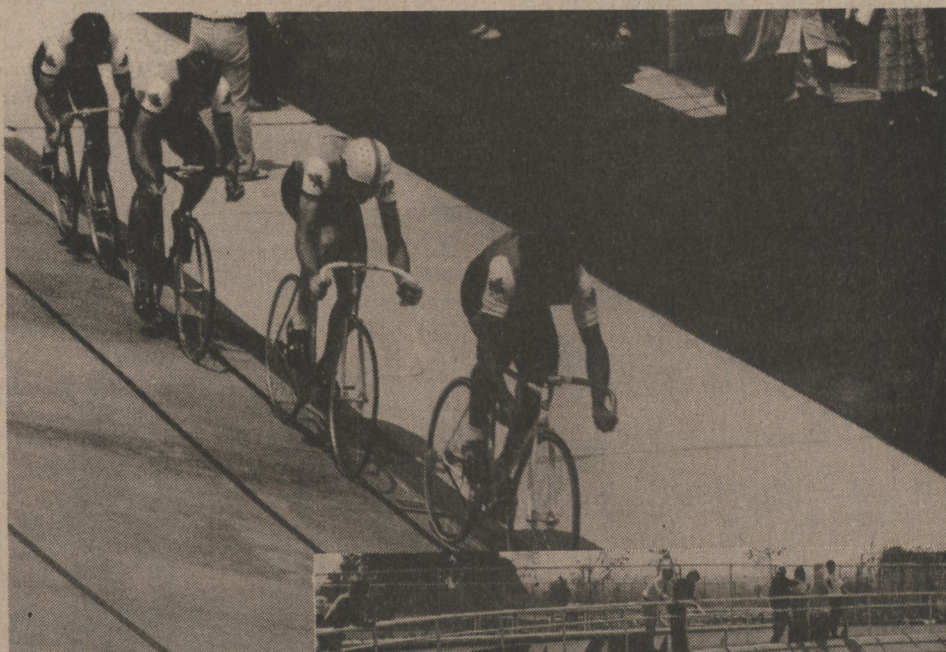

Cecilia Riddell and Penelope Greeven, instructors

HISTORY OF THE SUMMER OLYMPIAD AND THE OLYMPIC GAMES (4 units)

This course will follow the journey of the Olympic Torch from ancient Athens to Los Angeles — to Carson, California. We'll examine mythology, history, nostalgia from the "you are there" of Olympics past, and "you are here" of Olympiad 1984. This course will provide background for the hosting of the Summer Games in Los Angeles next summer and, in particular, the events that will take place at the 7-Eleven Olympic Velodrome. There will be enjoyment for the serious historian, the history buff, the sports enthusiast and the entrepreneur.

see HIS S238-41 (Post)

Dr. Paul Gopaul, instructor

Pre-Medical/Dental Organic Chemistry

A full year of organic chemistry with lab in 10 weeks. CHE 200/201 the first five weeks, followed by CHE 202/203 the second five weeks. Designed for pre-medical and pre-dental students, the two sequential courses offer 12 quarter units — equivalent to 8 semester units — the required minimum in organic chemistry for professional schools.

Students who have taken the course in previous summers have also found it very useful in preparing for the DAT and MCAT.

Students should register for both halves during Early Registration.

See CHE 200/201 and CHE 202/203 course listings for class meeting information. Note that in addition to tuition, a lab fee of \$40 is required for each lab course at registration.

Instructors: James Lyle, PhD, professor of Chemistry; Thomas Reilly, PhD, lecturer of Chemistry.

JUNE 20–JULY 22, 1983

Organic Chemistry Lecture I (4 units)

Special Session — CHE S200 — A detailed study of organic molecular structure, reaction mechanisms, stereo-chemistry, and synthesis with emphasis on aliphatic and aromatic systems.

MTWTh, 10–11:40 a.m. Lyle/Reilly

Prerequisite: One year of General Chemistry.

Organic Chemistry Laboratory I

(2 units)

CHE S201 — Basic experimental techniques of Organic Chemistry.

MTWTh, 1–3:50 p.m. NSM C339/351

Laboratory fee \$40.

JULY 25–AUGUST 26, 1983

Organic Chemistry Lecture II (4 units)

Special Session — CHE S202 — Continuation of Chemistry 200 with emphasis on the chemistry of organic compounds containing oxygen, nitrogen and sulfur.

MTWTh, 10–11:40 a.m. Lyle/Reilly

(Friday, August 26)

Prerequisite: CHE S200

Organic Chemistry Laboratory II

(2 units)

CHE S203 — Preparation of organic compounds and qualitative organic analysis.

MTWTh, 1–3:50 pm. NSM C339/351

Laboratory fee \$40.

SPECIAL TOPICS IN BIOLOGY: BIOTELEMETRY

(2 units)

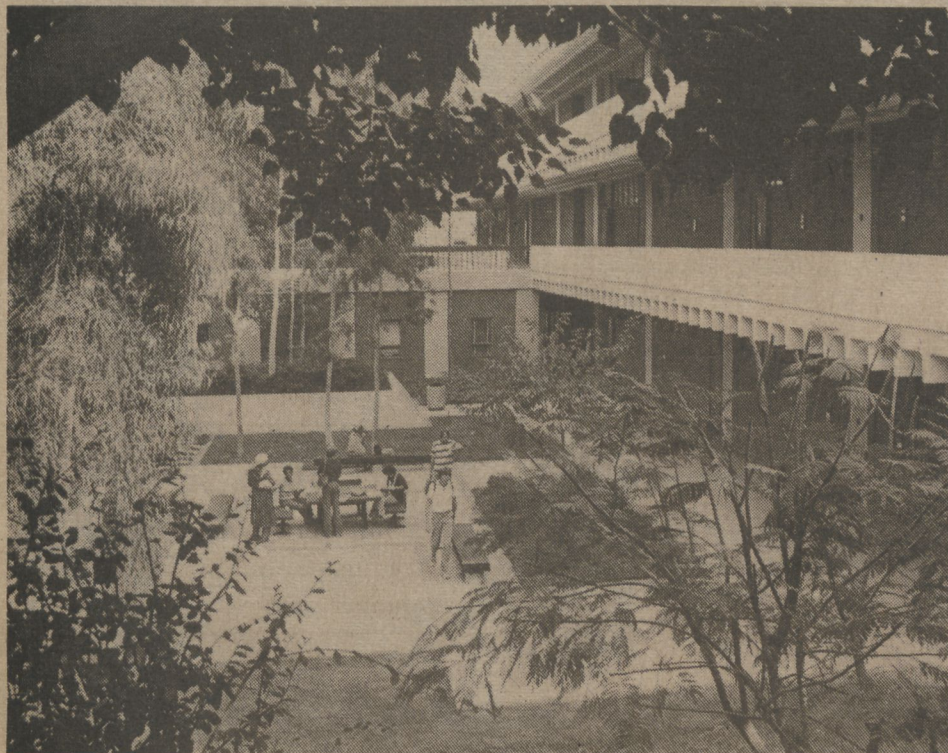

Biotelemetry is the theory and practice of using miniature radio transmitters as an aid to locating and studying the behavior and physiology of free-ranging animals. This is an 8-day intensive course consisting of a 4-hour lecture, Monday through Friday, an overnight/weekend field tracking exercise, and a 4-hour review session the following Monday. The course will begin on Monday, June 20 and end after class on Monday, June 27.

Lectures will concentrate on theoretical and practical aspects. Students will learn to construct, test and trouble-shoot a simple radio transmitters, to fit animals with transmitters, to radio-locate animals, and record data. The concepts of experimental design and data recovery and analysis will be discussed.

In the weekend field experience students will apply the skills they have learned by radio tracking free-ranging animals. The following Monday the class will analyze, interpret, and discuss the results of the data gathered. This course is open to anyone with an interest in wildlife biology.

COURSES FOR EDUCATORS

Summer Workshop in Teaching the Learning Handicapped

"Teachers enrolled in this workshop will find it instructive, intensive, and rewarding," promises Dr. Karl Skindrud, Director of the Summer Learning Center.

Three courses dealing with the learning handicapped are offered concurrently in this summer workshop, which provides 9 quarter units toward the Ryan Learning Handicapped Specialist Credential. The courses are scheduled in conjunction with the University Summer Learning Center (K-12), which brings learning handicapped students to the campus from schools in the surrounding area.

Any teacher holding a partial elementary, secondary, restricted special, or pupil services credential is eligible to attend. Interested students should reserve a place in the workshop with Dr. Skindrud by May 1, as registration will be limited to 36 participants. All candidates for the Learning Handicapped Credential should seek advisement from Special Education faculty, 213/516-3522, before enrolling.

Graduate students participating in the workshop will be assigned daily tutoring and small group instruction responsibilities. Individual practicum supervision will be provided to sharpen teaching and assessment techniques.

MAIN SESSION:

See EDU 468-61 Diagnosis and Prescription for the Learning Handicapped (4); EDU 469-61 Practicum: Curriculum Development for the Learning Handicapped (4); EDU 493-61 Practicum: Teaching the Learning Handicapped (1).

Note: Students must enroll in these three courses concurrently.

MTWTh, 1:00-5:00 p.m. June 20-July 29
Prerequisites: EDU 210, 266 and 466, or consent of instructor.

For further information: Contact Dr. Skindrud or Donna Alderman, School of Education, CSUDH, 213/516-3522.

SPECIAL STUDIES IN ART: CLAY FOR TEACHERS (3 units)

A teaching method will be presented by which the teacher can provide clay experiences through which the children gain confidence in their individual creativity. The teacher will learn how children can discover their natural creative instincts through the clay as it moves and takes form in their hands.

This intensive workshop will cover hands-on clay practicing and forming techniques, lectures to increase understanding of procedures for classroom glazing and firing, information regarding location of materials, and alternative suggestions to the clay, glaze, firing cycle where budgets have been cut or kilns are not available.

see ART S391-63

Lynn Creighton, instructor

SPECIAL TOPIC: MARCHING BAND TEACHING TECHNIQUES (1 unit)

For prospective junior high school and senior high school band instructors — or present band instructors.

This intensive course will offer concentrated training in the fundamentals of training a marching band:

- Organizing the marching band
- Preparation for half-time shows
- How to coordinate band with drill team
- Flag corps, twirlers and other adjunct groups
- Basic preparation requirements for competition parades.

LINGUISTICS FOR TEACHERS

A course for teachers, prospective teachers, and classroom aides, presenting those linguistic concepts, methods, and problems most frequently encountered in the classroom and discussed in the educational literature. The following topics will be covered:

- The "New" Grammar: the generative-transformational approach to sentence construction and interpretation
- Phonics, Phonology, and Spelling: the sounds of language and their representation in writing and reading
- Language Acquisition: first and second language learning in children and young adults
- Languages and Dialects: linguistic diversity in society and in the classroom.

This course may be taken for 1, 2, 3 or 4 units; see *LIN S301, sections 61, 62, 63, 64*
Dr. Burckhard Mohr, instructor.

SPANISH LINGUISTICS

This is a series of 1-unit weekend seminars for bilingual classroom teachers, ESL teachers and Spanish teachers and prospective teachers. The four seminars present four general applied-linguistics concepts, methods and Spanish-English problems most often encountered in the crossover between the two languages.

Although there is continuity from one seminar to the next in linguistics and language learning orientations, each seminar may be taken separately or in sequence. Seminars meet Friday, 5-6:30 p.m. and Saturday, 9 a.m.-4 p.m.

- First Seminar: Spanish-English Contrasts, June 25, 26. Spanish syllable patterns and phonology: Reading and writing representations.
- Second Seminar: Spanish-English Contrasts, July 9-10. Words, word parts and meanings: How to build the pieces of an utterance.
- Third Seminar: Language Learning Problems, July 16-17. First and second language learning in children and young adults.
- Fourth Seminar: Language, Culture and Dialects, July 23-24. Language patterns correlated to societies and areas.

TEACHING SCHOOL SUBJECT MATTER IN SPANISH (4 units)

Here is a course to help teachers, administrators, teacher's assistants, and general school personnel communicate more effectively with Spanish-speaking students and parents.

Basic audio-lingual training geared to the needs of school-related personnel, featuring a broad spectrum of vocabulary and materials used in elementary and secondary schools for the teaching of reading, writing, mathematics, science, and social studies in Spanish.

Classes will be conducted in the language laboratory where individualized attention can be given and students can proceed at their own pace.

see *SPA 200-61, 62*. There are two sections of this Intensive course.

Dr. José Cuervo, instructor

CONTEMPORARY HISPANIC CULTURE: SPANISH SPEAKING AMERICA, MEXICO AND THE SOUTHWEST (4 units)

A highly intensive offering in the lifestyle of the Mexican and Mexican-American, their cultural contributions to the total development of California and the United States. The course will describe various social-cultural institutions such as community groups and political parties, and analyze how they influence Mexican and Mexican-American heritage.

The course will help prepare teachers and administrators to take the state required exam in Mexican and Mexican-American culture for the bilingual certificate of competence. This is also one of the required courses for the Spanish for Public Service Certificate Program. The course will be taught in both Spanish and English.

see *SPA 251-41*

Dr. Porfirio Sanchez, instructor

EARLY INTERVENTION: SIGN LANGUAGE (4 units)

Margaret Meade thought sign language an excellent language to become the "international language" of the world. Sign language is both handy as well as convenient for hearing people to know. It can be fun too. If you think you'd like some exposure to this language and would like to learn to converse by finger spelling, join the class.

SOCIAL SCIENCES/HUMANITIES

SPECIAL TOPICS IN GEOGRAPHY: THE SOUTH PACIFIC (4 units)

Emerald isles, warm turquoise seas, gossamer waterfalls, coconut palms swaying in a tropical breeze . . . most of us have little more understanding of the South Pacific than a travel poster. Yet we really believe that the island mystique is not that far from fact. This course explores the physical and human reality of the islands of Melanesia, Micronesia, Polynesia and Hawaii. We focus particular attention on the distinctive personality of the Pacific and the processes of colonialism, social and economic modification, environmental alternation and other agents of change which have transformed the landscape, and continue to pose unique problems for development of the region.

see *GEO 5392-61*

Steven Koletty and L. Maumalo Fiaui, instructors

SPECIAL TOPIC: SLAVERY, ANCIENT AND MODERN (4 units)

Slavery has existed from time immemorial. This course will treat the backgrounds of North American slavery and slave codes and cover the practices and abuses of slaveholding and slavetrading. Those who have studied only slavery in the United States will learn to understand the institution of slavery and its overtones throughout human history. A special unit will address black and Indian slavery in California. This is an Intensive offering.

see *HIS S238-61*

Dr. Paul Gopaul, instructor

SOCIAL MOVEMENTS: MIGRATION AND THE MEXICAN UNDOCUMENTED WORKER (4 units)

The social, economic and political aspects of "illegal migration" will be examined in this course. Is illegal migration a social problem or a social condition? Special emphasis will be placed on the impact of the undocumented population on educational institutions and health care agencies. Included in the topics will be an analysis of the role of the undocumented in a new stratification system in the southwest. This course meets on Saturdays.

Dr. Ed Bryan, instructor

See also **HISTORY OF THE
SUMMER OLYMPIAD**, page 9.

SPECIAL TOPICS: COUNSELING AND THE CHANGING AMERICAN FAMILY (4 units)

Is marriage becoming a parttime career, a phase in one's life cycle, rather than a life-time status that is synonymous with being adult? If so, what role does counseling play in preparing adults in adapting to such changes? How will increasing communications, teaching married folks how to relate to each other provide answers to changing societal definitions of marriage and divorce? These and other related questions will be addressed in this course which examines the relationship between counseling strategy and the changing American family.

Dr. Ed Bryan, instructor

SPECIAL STUDIES IN ART: CONTEMPORARY ART IN LOS ANGELES (4 units)

Students will explore the Los Angeles art world through a series of slide lectures and field trips. Biweekly visits to art galleries, museums and artists' studios will provide first-hand experience of current artistic directions. Lecture and discussion topics will include:

- The downtown art scene
- California art of the 60s and 70s
- What next? Art of the 80s
- New York and Los Angeles: Is there an art center?
- The public sculpture controversy
- Current art criticism
- Artist/dealer/curator relationships
- Collecting contemporary art
- New and expanding museums in Los Angeles

Intended as an introduction to stylistic trends and issues in current Los Angeles art.

Kathy Zimmerer-McKelvie, instructor

AUDITION TECHNIQUES FOR EDUCATIONAL, PROFESSIONAL AND COMMUNITY THEATER

Study and application of techniques involved in preparation of auditions. Work on two monologues of contrasting genre or period will be required. This course will also focus on the realities of the professional actor's life, for instance, securing an agent and joining a union.

see *THE 362-61*

Dr. Peter Rodney, instructor

WRITERS' CRAFT WORKSHOP (6 units)

For prospective and practicing writers, teachers of writing, and English majors (undergraduate and graduate), the Workshop will meet in two blocks of time, separated by two weeks of independent writing time.

The first four sessions (August 2, 3, 4 and 5) will explore the broad range of writing and pre-writing strategies, the varieties and intricacies of modern prose style, and the contemporary marriage of fictional and non-fictional technique.

Each participant will, with Workshop guidance, plan a writing project — an essay, short story, or article — to be carried out in the interim between the workshop's first and second phases.

The five sessions of the second phase (August 22, 23, 24, 25 and 26) will be devoted to editorial analysis and evaluation of the completed writing projects, aiming each toward a standard of professional merit.

All of the sessions, with the exception of the one on August 22 will meet from 9 a.m.-4:15 p.m. with ample lunch and coffee breaks. The abbreviated session on August 22 will meet from 9-10 a.m.

The Writers' Craft Workshop is applicable for either graduate or undergraduate credit in English and may, on advisement, be acceptable for credit in Education.

Students should enroll in either ENG 320 or ENG 420-41.

Dr. Walter Wells, instructor

SEMINAR IN SPECIAL TOPICS IN ENGLISH: MYSTERY (4 units)

Organized around the theme of mystery, this seminar will deal with the works of major writers such as Kafka, Dostoevsky, Dickens, and Chesterton. The course will investigate the many different ways in which suspense can be built, what the sense of mystery means to each author and how it relates to his vision of the human condition. Seniors are also welcome.

EXTENDED EDUCATION

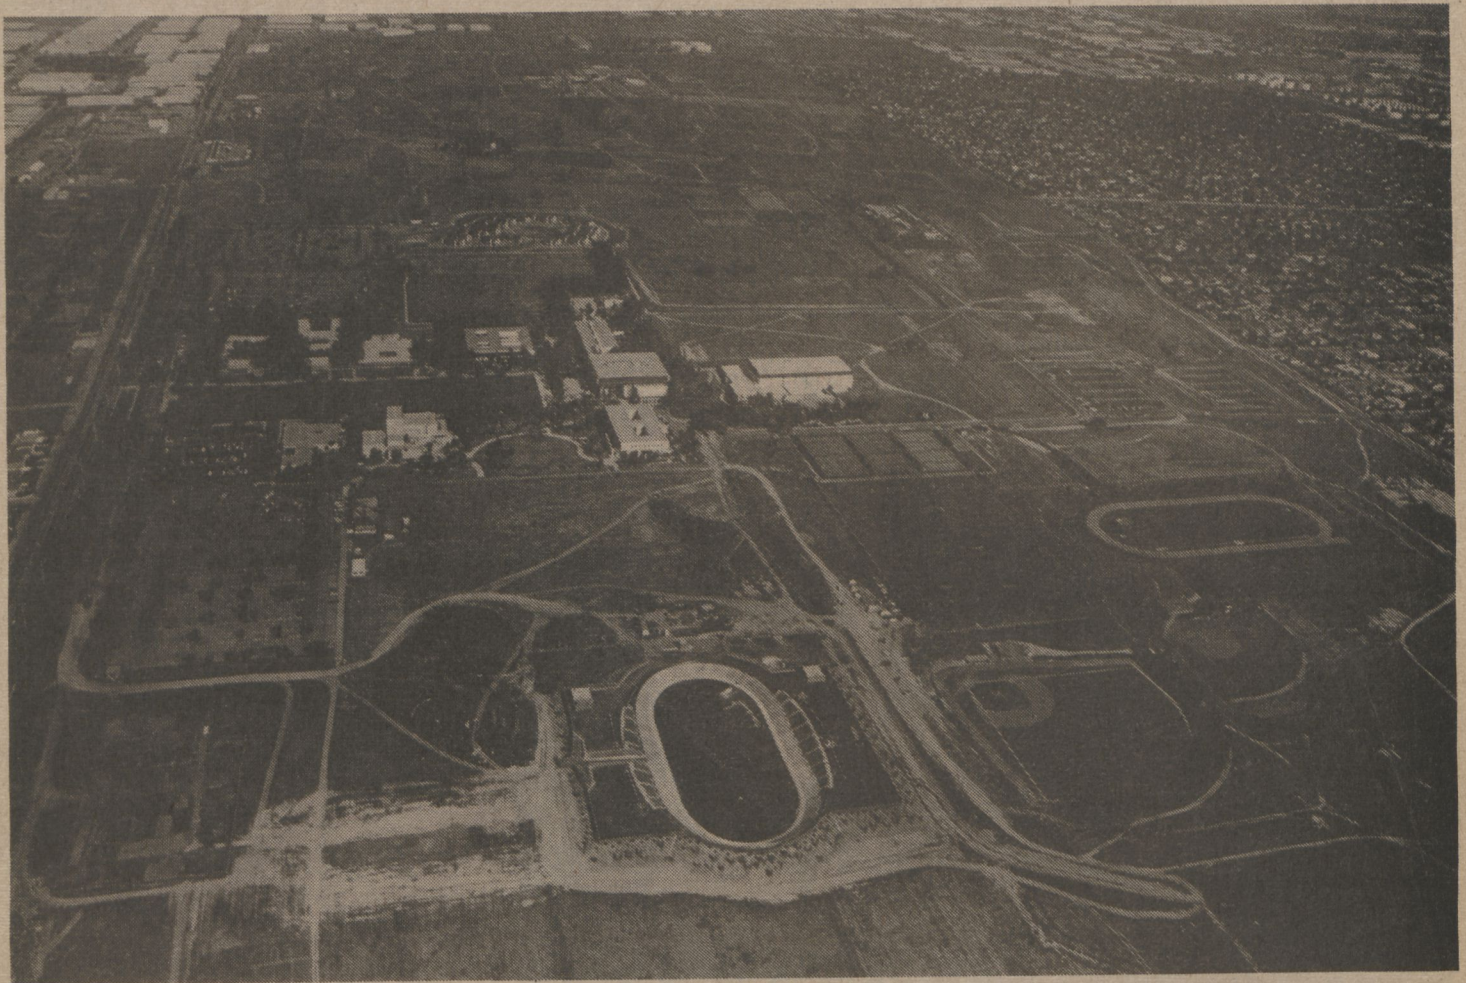

California State University, Dominguez Hills Extension offers a wide variety of credit and non-credit courses, workshops, seminars, and conferences. These programs, which are designed for continuing professional and vocational education as well as personal improvement, are located at several off-campus sites as well as on the CSUDH campus.

Three Certificate programs are available: Alcoholism Counseling, Production and Inventory Control, and Spanish for Public Service. These certificates are awarded upon completion of a series of courses specially designed for individuals who desire to further their professional competence and prepare for broader responsibilities.

"Open University" is available for individuals who wish to take regular academic courses without being enrolled in the University. Anyone 18 or older can enroll and earn degree-applicable credit up to a maximum of 36 units for undergraduates and 13 for graduates.

For information on any of these programs which will be offered during the Fall 1983 quarter, phone 213/516-3741 or write

GUIDE TO SCHEDULE

SECTION NUMBERING SYSTEM

Each course listed in this schedule carries a course number and a section number. The section number is important because it signifies the session in which the course is offered (i.e. "6" for Main, "4" for Post) and if there are more than one section of the course. For instance, if we offer two sections of Business 222 in Main session, the second section will be numbered: BUS 222-62. Section numbers starting with "1," for example, CHE S202-11, denote courses which begin during the Main session or before July 29 and continue into the Post. Registration deadlines for these Off-Cycle courses are the same as for other Main session courses.

COURSE CANCELLATION AND SCHEDULE CHANGES

The University reserves the right to make changes in this schedule as printed. When enrollment in any class is not sufficient to justify its continuance, the course may be cancelled. Faculty may be reassigned from one section to another to adjust the distribution of enrollment. Meeting times may also be changed when circumstances require.

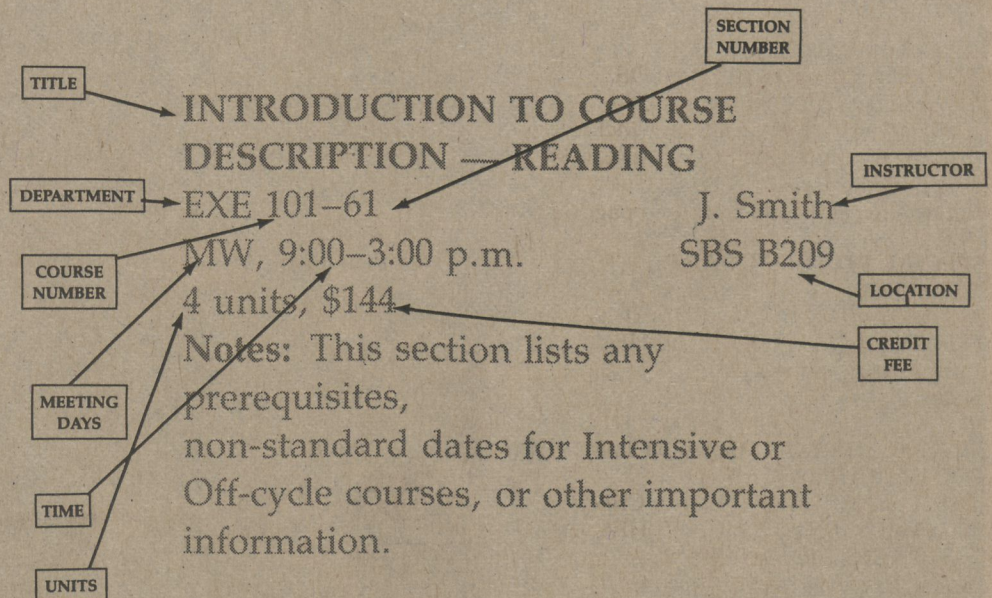

If the University cancels a class, the student will receive a full refund of fees UPON APPLICATION FOR REFUND. Or student may register in another class in the same session without charge of a late fee.

COURSE NUMBERING SYSTEM

- 100-199 Lower division courses
- 200-299 Upper division courses
- 300-399 Upper division or graduate courses
- 400-499 Graduate courses
- 700-799 Graduate professional courses
- 800-899 Non-academic credit
- 900-999 Non-academic credit extension

"X" preceding the course number designates an Extension course.

"S" preceding the course number designates a special Summer Session course which does not appear in the *Catalog* but is described in the "Special Course" section of this schedule.

London Semester

Through the new and unique London Semester Program, you can attend courses instructed by California State University faculty while enjoying the rich resources of this grand city — museums and monuments, green parks and gracious squares, libraries, theater, opera, dance and other cultural events. All of London is available for you to explore, research and study, and, of course, the rest of Britain and Europe are close at hand for more extensive touring.

The American Institute for Foreign Study provides all non-academic support services for the CSU London Semester. This support includes classroom facilities, meals and housing, counseling, and special cultural and social events. With AIFS coordinating these logistical and personnel services, students and faculty are free to pursue academic endeavors without concern for the complex and time-consuming practical arrangements that a successful study program demands.

- earn Cal State academic credit while living in London
- study with distinguished CSU faculty

- choose from Humanities and/or Social Science courses
- choose Fall 1983 Semester or Spring 1984 Quarter
- Optional European tour
