

**SOUTH BAY CITIES**  
COUNCIL OF GOVERNMENTS

The South Bay Cities Council of Governments has partnered with PATH to reach out to people living on the streets, link them to services, and help them move off the streets and into permanent homes.

## Housing & Services

- **Outreach** services throughout the South Bay Cities, targeting areas identified as homeless “hot spots” and engaging with those living in them.
- **Screenings and Coordinated Entry Assessments** to determine eligibility for services and housing programs.
- **Case management** is available to all individuals assessed. Case managers help clients prepare for permanent housing, by assisting with the receipt of identification documents, applying for benefits, accessing supportive services, and more.
- **Housing location services** help clients find and secure a permanent home.
- **Ongoing supportive services** after clients move into permanent housing.

### Housing & Services Goal:

Serve 450 people living on the streets.

## Housing Strategies

- **Work with local landlords** to identify available affordable units for clients.
- **Identify resources and partners** for the development of new units.

### Housing Strategies Goal:

Help 58 individuals move into permanent supportive housing by the end of Feb 17th, 2017.
