

CSUDH

COLLEGE OF CONTINUING &
PROFESSIONAL EDUCATION

Summer
Sessions 2025

Benefits of Summer Sessions

- Sample a field before formal application to a degree program
- Take professional development courses without enrollment in a degree program
- Pursue personal interests in the arts, humanities, literature, philosophy and many other fields
- Take a few courses or units to complete a university degree, meet continuing education requirements or qualify for a pay increase
- Improve your grade point average if you have been turned down for admission by the university, or if your first attempt at college courses was less than successful. If you have been academically disqualified from the university or denied admission because of a grade point deficiency, you can enroll in Summer Session and get a second chance to show your true potential.
- Complete prerequisites for majors or advanced degrees or complete requirements for a degree begun at another university. Credits earned through Open University can be applied toward your future degree.
- Get an early start on an academic program
- Take classes if you have missed the deadline for admission to CSUDH

Refunds: Summer Session 1

May 26, 100% of the fees will be refunded (less \$10 processing fee). From May 27 to June 3, 75% of the fees will be refunded. From June 4 to June 10, 50% of the fees will be refunded. Beginning June 11, no refund will be made.

Refunds: Summer Session 2

If a student drops a class on or before July 6, 100% of the fees will be refunded (less \$10 processing fee). From July 7 until July 12, 75% of the fees will be refunded. From July 13 to July 19, 50% of the fees will be refunded. Beginning July 20, no refund will be made.

Refunds are not automatic. You must file appropriate forms in the College of

Continuing and Professional Education office in order to receive a refund. Refunds take a minimum of six to eight weeks for processing. Do not put a stop-payment on a check to withdraw from a course. This results in a financial obligation to the University for the course fee, plus an additional \$25 charge, plus a \$25 late fee. If the University cancels a class, the student will receive a full refund of applicable fees or will be allowed to register in another class without payment of a late fee.

Dishonored Check Policy

Once a check has been dishonored, no personal checks will be accepted from that person for a period of at least two academic terms. This rule applies to any check returned from any financial institution for any reason. The person will be required to pay all university-related debts with a certified check, money order or traveler's check(s) including the \$25.00 returned check fee. Discrepancies not resolved before final exams may result in loss of credit for the class.

Verification of Enrollment

To verify that you have been officially enrolled in your classes, check the instructor's printed class roster which is published the fourth week of the term. Summer Sessions students will appear on the same roster as students enrolled in degree programs. If your name is not on the roster, call the College of Continuing & Professional Education Office immediately. It is the student's responsibility to initiate inquiries regarding his/her registration in a course. Discrepancies not resolved before final exams may result in loss of credit for the class.

This includes students attending other universities, students who are not currently enrolled in college, international students, and qualified high school students. If you have taken courses at another institution during your leave, you must also provide official transcripts. Section 504 of the Rehabilitation Act of 1973

California State University, Dominguez Hills is an equal opportunity/affirmative action institution. As a unit of the university, the College of Continuing Education does not discriminate on the basis of race, color, religion, national origin, gender, sexual preference, age, disability or veteran status. This policy is

applicable to employment and student admission, and to all educational programs and activities.

Privacy Information

The University complies with Federal and State laws concerning privacy rights of students. These rights are summarized in the University Catalog. Questions about privacy rights may be directed to the Dean of Continuing Education at (310) 243-3737 or the Vice President for Student Affairs at (310) 243-3784.

Use of Social Security Number

CSUDH provides all students with generic 9 digit student ID numbers. These ID numbers are used to identify student records, registration, and to conduct all University business. However, students are still required to provide the University with their correct social security numbers (individual taxpayer identification numbers) pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student and, if needed, to collect debts owed the University. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. Students who do not have a social security number at the time of enrollment will be required to obtain a social security number and submit it to the University within sixty days. Failure to furnish a correct social security number may result in the imposition of a penalty by the Internal Revenue Service.

Immigration Requirements for Licensure

On August 27, 1996, Governor Pete Wilson issued Executive Order W-135-96 which requested that the CSU and other state agencies implement "as expeditiously as reasonably practicable" the provision of The Personal Responsibility and Work Opportunity Reconciliation Act (PRAWORA) of 1996.

(P.L.104-193). The Act, also known as the Welfare Reform Act, included provisions to eliminate eligibility for federal and state public benefits for certain categories of lawful immigrants as well as benefits for all illegal immigrants.

Students who will require a professional or commercial license provided by a local, state, or federal government agency in order to engage in an occupation for which the CSU may be training them must meet the immigration requirements of the new Personal Responsibility and Work Opportunity Reconciliation Act to achieve licensure. Information concerning the regulation is available from the Vice President of Student Affairs, (310) 243-3784.

Important Tax Credit Information

If you are enrolled in an eligible degree or certificate program or are taking courses to acquire or improve job skills, you may qualify for a Hope Scholarship or Lifetime Learning Tax Credit. The Hope Scholarship Tax Credit is available only to students in their first two years of postsecondary education who are enrolled at least half-time in an eligible program. The tax credits are based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. Hope credits apply to fees paid after December 31, 1997.

The Lifetime Learning Tax Credit

The Lifetime Learning tax credit is available to students at all educational and enrollment levels who are enrolled at an eligible educational institution. As with the Hope Scholarship tax credit, this opportunity is based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. The Lifetime Learning credit applies to fees paid after June 30, 1998.

Consult IRS Publication 970 or your tax preparer for additional information on both programs.

Americans with Disabilities Act

It is the policy of California State University Dominguez Hills to comply with the Section 504 Regulations [now, Americans with Disabilities Act] adopted by the Department of Health, Education and Welfare. Accordingly, any student at California State University Dominguez Hills who believes that there

has been a violation of the Regulations is encouraged to discuss the matter with the appropriate CSUDH college, the campus Handicapped Regulations Coordinator, and/ or the Handicapped Services Coordinator, and such persons as may be identified by the Handicapped Regulations Coordinator in order to resolve the matter in a prompt and equitable manner.

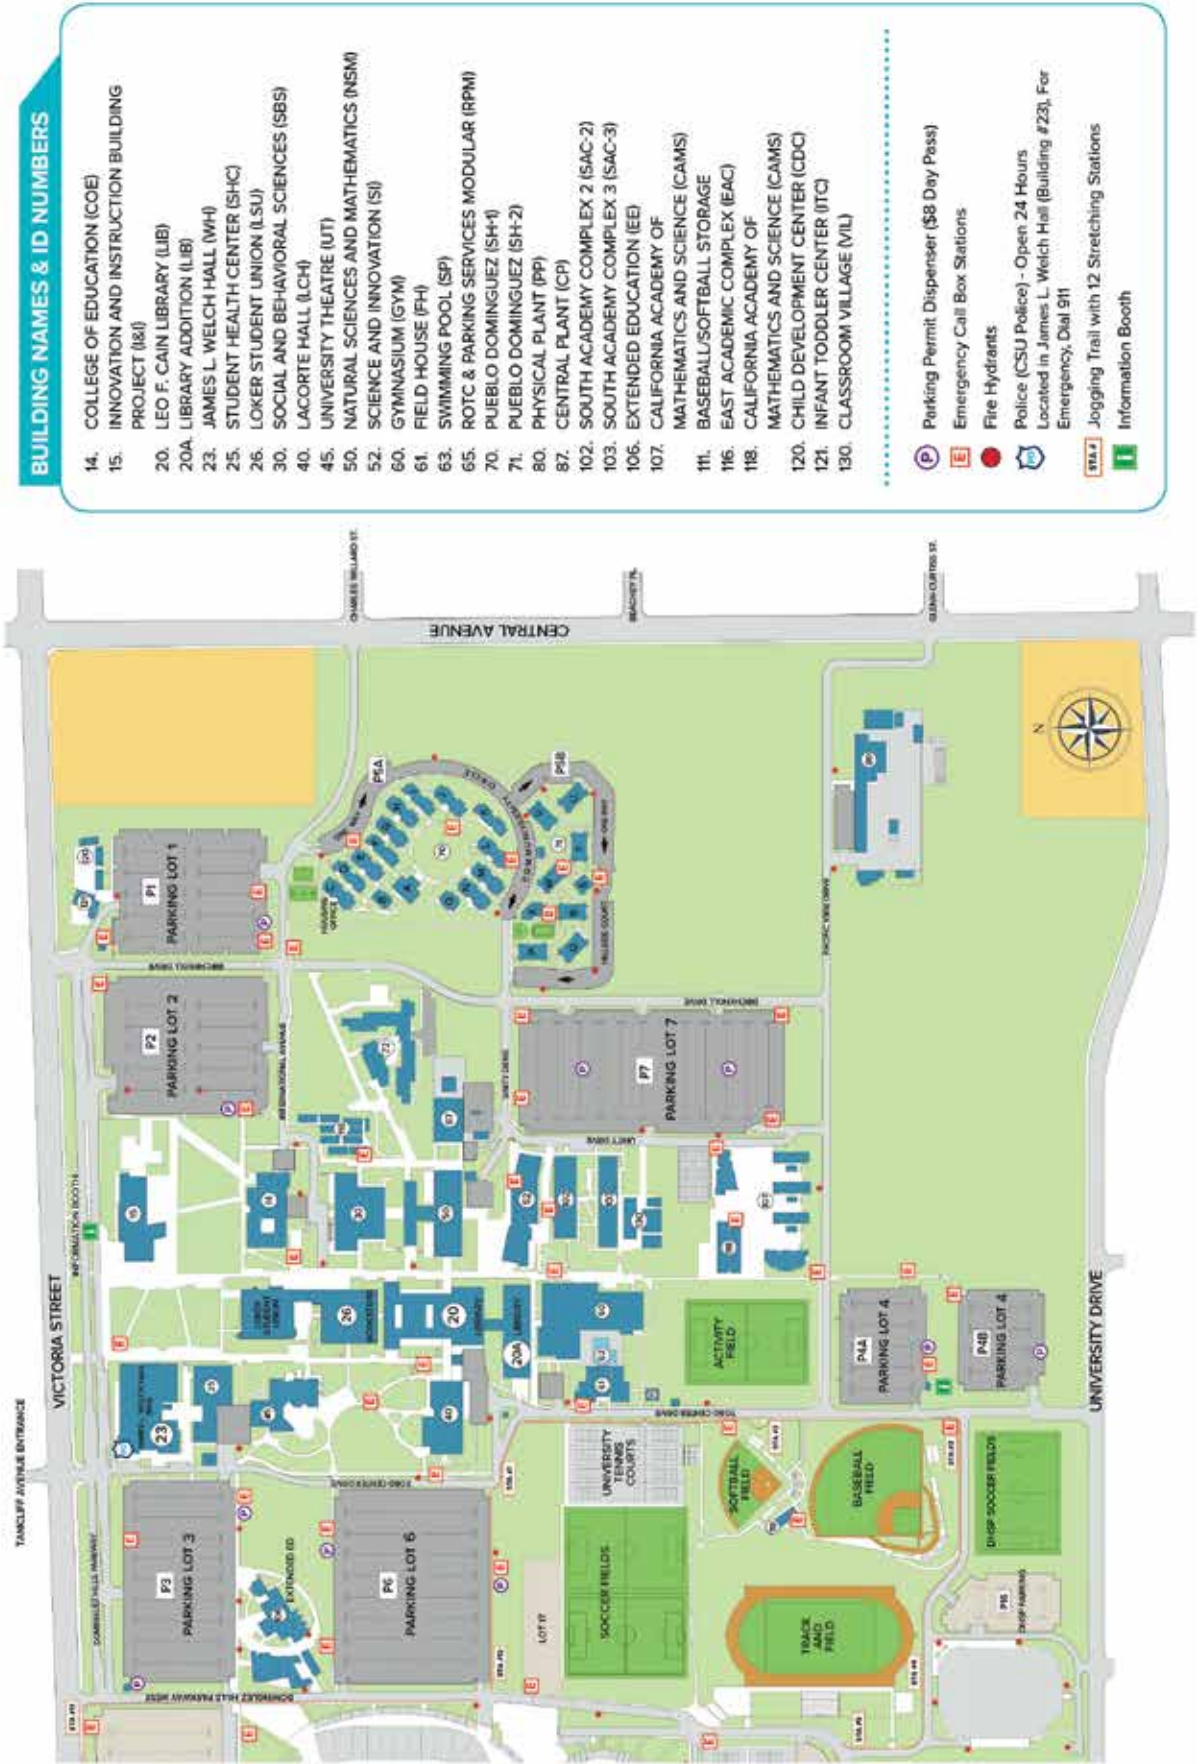

Sexual Harassment Policy

All should be aware that California State University, Dominguez Hills is concerned and will take action to eliminate sexual harassment. Sexual harassment includes such behavior as sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature directed towards an employee, student, or applicant when one or more of the following circumstances are present:
