

CSUDH Green Office/Lab Program

Schedule a walkthrough of your office or lab with the Office of Sustainability and earn recognition for your efforts. Together, we can make a big impact, one office at a time!

Schedule Your Walkthrough Here:

<https://forms.office.com/r/DfN00exfkC>

After the walkthrough, you will receive a Green Office certificate, public recognition by the Office of Sustainability, and office gift bag. You will also be given options for different tracks (below) to enhance your certification as a green office or lab.

Green Events

Does your office organize public events? This certification aims to educate campus event planners on ways to minimize the environmental impact of their events by reducing waste, using eco-friendly products, and more. Green Events Checklist participants receive:

- Green Event Certification and Recognition.
- Tiered rewards based on event certification levels.
- Prizes and exclusive access to recognition events.

Green Labs Certified *(For Labs Only)*

Laboratories use more energy and water per square foot than any other type of space on campus. Receive customized tips on how to reduce CSUDH's environmental impact in the lab and receive:

- Free Green Labs Poster with directory of useful lab contacts for public posting.
- Zero Waste Kit for your lab staff.
- Access to the free Glove Recycling program.

Sustainability Challenge

Looking to bond with your co-workers while pursuing eco-friendly actions? This Challenge is for you! Whether it's visiting our weekly Farmers Market or participating in the Toro Token Program as a team, your team will have fun while also going green!

- Get recognition for your team on CSUDH Sustainability's Instagram
- Have fun completing unique eco-friendly campus challenges and activities.
- Farmers Market gift basket and VIP access to certain Sustainability events.

Paperless Challenge

The Paperless Challenge is a simple yet impactful initiative designed to help departments and offices reduce their paper use. By opting in, you'll be recognized as part of a campus-wide effort to adopt more eco-friendly practices, from digital document management to cutting down on printed materials.

- Get a downloadable logo recognizing your paperless practices for inclusion on your office's marketing materials and website
- The Office of Sustainability will throw your office a "Paperless Party" featuring treats and complimentary one-time recycling bin delivery/service to celebrate your paper reduction efforts!
